

The Order 721

Chapter: 721

Song Tie laughed!

At this time, Song Tie suddenly became very interested in Chen Ping!

“Miss, Mr. Wu, the banquet is ready, you can go.”

The servant came over and said.

Song Tie patted Chen Ping on the shoulder: “Let’s go, I’ll take you to dinner!”

Chen Ping followed Song Tie. The Song family’s restaurant kitchen had a dedicated building, just like a hotel, and there were more than ten chefs hired.

Comparing with the Song family, Chen Ping’s Panlongwan villa instantly lost its charm. The world of rich people is really beyond the imagination of ordinary people!

At this time, in the restaurant villa, a round table with a diameter of six meters was filled with sumptuous wine and food, from various cuisines, and they were all delicious and delicious. Only the mine boss could handle such a sumptuous dinner!

“Master Wu, little brother Chen, you can sit wherever you like!”

Song Zude saw Wu Dong and Chen Ping and said casually.

The two chose seats and sat down, but Song Tie sat directly next to Chen Ping. This made Wu Dong envious to death!

Song Zude frowned slightly when he saw this, but he didn't say anything in the end!

“Old Liu, hasn't Master Guo arrived yet?”

Song Zude asked the housekeeper.

It looks like he's still waiting for someone.

“It should be soon!” the butler replied!

Just after he finished speaking, he saw a servant of the Song family walking in with an old man wearing white training clothes, walking like a dragon and a tiger, with bright eyes. Behind the old man, there were a group of people also wearing training clothes. But they are all black.

“Master Guo, I have admired you for a long time...”

Seeing this, Song Zude hurriedly stood up and went to greet him.

“Mr. Song...” Master Guo said with a fist in his arms!

“Sit down, please sit down...”

Song Zude personally invited Master Guo and the group behind him to take a seat!

“Daughter, this is Master Guo of Xingyi Quan, why don't you say hello to Master Guo!”

Song Zude said to Song Tie.

Chapter: 722

Seeing this, Song Tie stood up hurriedly: "Hello, Master Guo!"

"Hahaha, hello, Miss Song. Miss Song is indeed beautiful, much prettier than on TV. Many of my disciples are your fans. I will ask Miss Song for a photo and autograph soon!"

Master Guo laughed and said!

"No problem!" Song Tie smiled.

"Mr. Song, who are these two? They look so good!"

Master Guo pointed at Wu Dong and Chen Pingdao!

"Oh, they are from Jiangbei. They are all businessmen who play stone gambling. They happened to save my daughter today. Let's have dinner together!"

Song Zude hurriedly explained.

"Who dares to touch Miss Song? She is so tired of living?"

At this time, a man in his thirties with a rough face standing next to Master Guo suddenly stood up and shouted.

"Mr. Song, this is my eldest disciple Fan Debiao. Now he has obtained more than 70% of my true inheritance. He is Miss Song's most loyal fan!"

Master Guo introduced!

“The robbers are all dead. It’s not yet certain who did it, but I guess it must be people from the Feng and Liu families!”

Song Zude said.

“Don’t worry, Mr. Song. We are here to help this time, and the Feng and Liu families will be honest. Otherwise, I will let them have a taste of my iron fist and avenge Miss Song!”

As Fan Debiao spoke, he did not forget to wave his fists twice and looked at Song Tie with burning eyes!

“Hahaha, I’m relying on Master Guo and you guys, but I heard that the Feng Liu family also invited many masters, so we’d better be cautious. To be honest with Master Guo, I used my connections to do a lot of things. Bring this over here!”

Song Zude followed Master Guo and gestured in the shape of a pistol!

The corner of Master Guo’s mouth raised: “Mr. Song, in our eyes, a pistol is not even as good as a dagger. This time we go, it is a duel between masters and masters. The pistol is useless at all. We are just seeking psychological comfort!”

“Master Guo, is there anyone who is not afraid of pistols?” Song Zude didn’t quite believe that there were people who were not afraid of pistols.

“If Mr. Song doesn’t believe it, you can try hitting me with a pistol!”

Master Guo said with an inscrutable look.

“How is that possible? How can I shoot Master Guo with a gun!” Song Zude shook his head repeatedly!

“Mr. Song, just give it a try. My master is not afraid of any pistols. He is faster than bullets!”

Chapter: 723

Fan Debiao on the side also spoke.

“Master Guo, then I...” Song Zude was also very curious, so he wanted to try it!

“Come on, I can show it off in front of Mr. Song, otherwise I won’t feel at ease with such a large commission!”

Master Guo stood up and stood aside and said.

Song Zude ordered someone to bring a pistol, turned on the safety, and pointed it at Master Guo: “Master Guo, I’m going to shoot!”

“Shoot, hit me in the right chest!”

Master Guo patted his right chest and said.

Song Zude also had this intention. If he hit him on the left chest, if there was an accident, he would not lose his life. But if he hit him on the left chest, he would hit the heart and kill him with one shot!

Song Zude aimed at Master Guo’s right chest and pulled the trigger hard.

boom.....

After a gunshot, only one side of Master Guo's body was seen, and then returned to its original position!

Looking at the body, there are no scars at all, there was no hit at all!

"good....."

Fan Debiao was the first to shout, and everyone clapped and applauded. Even Wu Dong was dumbfounded.

But no one noticed that the fired bullet changed direction after hitting the smooth stone pillar behind them, and headed straight for Chen Ping and Song Tie!

Because the bullet was so fast, no one could see it, but Chen Ping noticed it and suddenly grabbed it, and the bullet head was directly caught in Chen Ping's hand.

Song Tie on the side was shocked, but when she saw the bullet in Chen Ping's hand, she was stunned. Chen Ping quietly put the bullet into his pocket, as if it's like nothing happened!

At this time, everyone was cheering for Master Guo, and Song Zude said even more excitedly: "Master Guo is here, let's see who can stop our Song family tomorrow, hahaha..."

At the beginning of the banquet, Song Zude kept toasting to Master Guo. As for Chen Ping and Wu Dong, no one paid attention to them at all. Song Tie, on the other hand, kept talking to Chen Ping and even served Chen Ping with food, as if he was a very familiar friend!

"Dad, I will go with you tomorrow!"

In the middle of the banquet, Song Tie suddenly said to Song Zude.

“Nonsense, what are you doing? This is not a joke. You may have a narrow escape from death. Just stay at home!”

Song Zude scolded Song Tie.

“I’m going, don’t worry, I have Chen Ping to protect me!”

Chapter: 724

Song Tie now believes in Chen Ping’s strength.

Just as Song Zude was about to open his mouth, he saw Master Guo saying, “Mr. Song, do these two young people also want to go together?”

“Yeah!” Song Zude nodded.

“Mr. Song, aren’t you asking them to die? How can I have so much energy to protect a bunch of unimportant people?”

Master Guo said with a cold expression.

Song Zude suddenly looked embarrassed and said: “Master Guo, the two of them went voluntarily. I have already said that they are responsible for life and death. We don’t need to worry about their safety.”

“That’s all!” Master Guo stopped talking!

But Fan Debiao stood up: “Mr. Song, please let Miss Song go. I will personally protect her. No one can hurt her. If this kid is allowed to protect her, they may not be able to protect themselves! ”

Fan Debiao looked at Chen Ping with disdain. When he was eating, he saw Song Tie talking to Chen Ping and even picking up food for him. Fan Debiao had long been furious!

“In that case, I’d like to thank all the masters!” Song Zude nodded!

After dinner, a group of Master Guo’s disciples gathered around Song Tie to take photos and ask for autographs. Even Wu Dong came up and wanted to take a photo with Song Tie!

Chen Ping walked silently towards the pavilion on the side. Sitting in the pavilion, listening to the chirping of insects and looking at the stars, it was very comfortable!

“You don’t want to take a photo with me, do you want an autograph?”

While Chen Ping was sitting in the pavilion in a daze, Song Tie came over and asked Chen Ping.

“I don’t want to!” Chen Ping said without hesitation.

“You...” Song Tie didn’t expect that Chen Ping wouldn’t give him any face, and directly refuted Song Tie without anything to say.

“Boy, how dare you talk to Miss Song like this, and you’re still sitting down!”

I don’t know when, Fan Debiao quietly followed Song Tie over. Seeing Chen Ping’s attitude in talking to Song Tie, Song Tie was speechless and immediately became angry and grabbed Chen Ping directly!

Song Tie didn’t expect Fan Debiao to be following behind him, and wanted to stop him, but it was too late. Fan Debiao grabbed Chen Ping’s left shoulder and tried to lift Chen Ping up!

But Fan Debiao grabbed Chen Ping's left shoulder. No matter how hard he tried, Chen Ping remained motionless, while he himself blushed and had a thick neck. Song Tie saw it, and it was so embarrassing!

"I don't believe it!" Fan Debiao saw Song Tiezheng looking at him, so he grabbed Chen Ping with his other hand and used both hands together.

But even so, Chen Ping remained motionless, sitting there quietly, as if no one was disturbing him at all!

Soon, Fan Debiao was sweating profusely and even used the strength to suck milk!

"Hehehe..."

Chapter: 725

Seeing Fan Debiao like that, Song Tie suddenly laughed.

Song Tie's smile made Fan Debiao feel as if he had been greatly insulted. He bent his legs in a lunge, then gritted his teeth, and the veins on his face bulged.

"Give me a name..."

Fan Debiao's face was full of ferocity, and his eyes were so wide that they were almost bleeding.

But no matter how hard Fan Debiao tried, Chen Ping remained as steady as a mountain and didn't move at all!

"Go away..."

Chen Ping suddenly spoke coldly, and suddenly Fan Debiao felt a strong force coming, and then the whole person flew backwards!

“This...how is this possible?”

Fan Debiao looked at Chen Ping in surprise. He couldn't believe this was true.

But when Fan Debiao still wanted to rush forward, Chen Ping had already stood up and left.

“Hey, don't leave, can you say something?”

Song Tie chased after him.

But Chen Ping ignored her and went back to the arranged room.

Fan Debiao walked over with a gloomy face: “Miss Song, I feel a little unwell today, otherwise that kid would not be my opponent!”

Song Tieli ignored him and turned back to his room!

Early the next morning, Song Zude gathered a large group of people early to prepare to march towards Hengshan. Among them were several people wearing commoners, holding ropes, knives and axes, who looked a little different from the crowd!

Later, after Wu Dong explained, Chen Ping realized that these people were all old masters who searched for the entrance to the mineral vein. Because they knew the location of the mineral vein, there was no way to mine it. They had to find the entrance to the mineral vein. If they forced it from other places, It is very easy for accidents to occur when quarrying in mountains, and you are likely to encounter some strange things!

A large number of dozens of people set off. At Song Tie's request, she took a bus with Chen Ping, and Wu Dong drove the car himself. However, after arriving at the foot of Hengshan Mountain, they all had to walk up the mountain!

After arriving at the foot of Hengshan Mountain, everyone got out of the car. Hengshan Mountain, which didn't look too majestic at first, now towered into the clouds. Everyone prepared their belongings for climbing!

Not far away, I saw a house made of bluestone, and there were a lot of fruits, pastries, and sticks of incense smoking around the house!

Many people were kneeling on the ground, seemingly praying for something. Chen Ping was immediately interested!

It's a bit strange that a house suddenly appears in the middle of a barren mountain and there are so many people worshipping it.

"Mr. Chen, this is to worship the mountain god. These mining people will worship the mountain god whenever they go up the mountain to find new mineral veins, just like the fishermen worshipping the sea god before going to sea!"

Seeing Chen Ping's puzzled face, Wu Dong explained from the side!

Chapter: 726

As soon as Wu Dong explained, Chen Ping understood. At this time, Song Zude had already brought the Song family to the house, laid out the prepared tributes, and then lit three sticks of incense. After bowing a few times, he took Song Zude to the house. Everyone in the family knelt down!

Even Song Tie was no exception. He knelt directly on the ground. You must know that as long as such a big star is exposed to the sun, someone will rush to hold an umbrella. However, at this time, he knelt directly on the stone ground and kowtowed three times without any hesitation. Not artificial!

After the worship ceremony, the Song family, Feng family, and Liu family finally met!

Chen Ping also saw the Mr. Feng he met not long ago. At this time, Mr. Feng was accompanied by an old man with a goatee. The old man wore sunglasses and looked like a blind man. However, Chen Ping felt the spiritual power from this old man. The surge, this surge is much stronger than those of the warlocks!

“Is this guy a monk?” Chen Ping couldn’t help but look at the old man a few more times!

At this time, Mr. Feng also saw Wu Dong and Chen Ping, and his face was suddenly shocked: “You two are here too?”

“Mr. Feng, you’re fine, we’re just curious, come and see the excitement!”

Wu Dong hurriedly followed Mr. Feng to say hello.

He didn’t want to offend any one of them. After all, he had nothing to do with the new mine. No matter which of the three families finally had the right to mine, Wudong would cooperate!

“Watching the excitement?” Mr. Feng raised his lips and said, “It’s great. There’s so much excitement today. Maybe you guys will stay on the mountain forever!”

Mr. Feng’s words were filled with murderous intent, and his eyes when he looked at Chen Ping were full of coldness. He had long wanted to deal with Chen Ping, but now Chen Ping actually came to his door on his own initiative, so you can’t blame him!

After hearing what Mr. Feng said, Wu Dong’s heart trembled slightly, but he still said with a smile on his face: “Mr. Feng, you don’t care about the faults of villains. What happened in Jiangbei was our fault. We will still cooperate in the future, won’t we! ”

“Bah, cooperation is nothing. To find the mouth of this new mine, do I still need to cooperate with you guys who are just making trouble? Today I want to teach this kid a lesson and vent the bad anger in my heart!”

Mr. Feng said, then waved his hand, and the two men went directly towards Chen Ping.

“Are you having a holiday?” Song Tie looked at Chen Ping and asked.

“That’s right!” Chen Ping said calmly, his face was full of calm, and he didn’t care about Mr. Feng’s threat at all.

“Boy, kneel down and apologize to me now. Maybe I can spare your life. You have offended me and you still dare to come to the mountain city. You are very brave!”

Mr. Feng looked at Chen Ping and sneered.

“The mountain city is not yours, I can go wherever I like!” Chen Ping said with a cold smile.

Everyone was shocked when they saw Chen Ping talking to Mr. Feng with this attitude!

You must know that in Shancheng, the three families of Feng, Song, and Liu are like local emperors. How can anyone dare to talk to them like this? Isn’t this looking for death?

Mr. Feng was stunned for a moment, and then he became furious. In front of so many people from the three families, he was scolded by Chen Ping, a brat. Where could he put his old face?

“Today I will let you know whether Shancheng is my home or not!” Mr. Feng glared angrily: “Kill him, kill him...”

The two servants of the Feng family who were originally coming towards Chen Ping increased their speed instantly. One on the left and one on the right, with long fists like dragons, they swung directly at Chen Ping!

Chapter: 727

Chen Ping did not dodge or dodge, and stood motionless, as if these two were not even in his eyes!

When Song Tie saw this, his expression instantly became extremely anxious. Finally, he gritted his teeth and rushed forward, standing in front of Chen Ping: "You are not allowed to kill him!"

"Daughter, what are you doing?"

Song Zude immediately frowned when he saw that his daughter rushed to save Chen Ping regardless of the danger.

"Dad, Chen Ping saved my life. I can't watch him die. If word spreads, how can our Song family survive?"

Song Tie said anxiously to Song Zude.

Song Zude frowned. He did not think that Song Tie was saved by Chen Ping, but in the situation in front of him, it would be inappropriate for Song Zude not to take action!

Just when Song Zude was hesitating, the two men of the Feng family did not stop and were still moving towards Chen Ping, but Song Tie was also within the attack range!

Seeing that the two of them were about to fight Song Tie together, Fan Debiao, who had been watching the battle coldly, shouted angrily and rushed to Song Tie in an instant!

“Two of them are just extremely powerful, but they still dare to attack Miss Song!”

Fan Debiao said and suddenly waved his fists!

The four punches clashed, and a huge wave of air struck. The two Feng family men were instantly knocked away. A mouthful of blood spurted out in mid-air, and they fell heavily to the ground without making any sound!

When Mr. Feng saw this, his expression suddenly became extremely gloomy!

And Fan Debiao looked at Song Tie with a proud look on his face: “Miss Song, are you okay?”

“It’s okay, you are so awesome!” Song Tie shook his head!

Seeing Song Tie praising himself, Fan Debiao’s face turned red, and then he patted his chest excitedly: “Miss Song, as long as I, Fan Debiao, am here, no one can hurt you at all. If anyone dares to bully you, I will do it.” Kill them.”

When Fan Debiao said this, he did not forget to look at Mr. Feng provocatively!

This time, Mr. Feng was so angry that he yelled at Song Zude: “Song Zude, what do you mean? Does this kid have anything to do with your family?”

“Feng Yi, this brother Chen is my daughter’s savior. For my sake, let’s forget it today. Don’t forget what the main business of our trip up the mountain is!”

Song Zude said to Mr. Feng.

“Damn, I’ve already killed two people, you tell me to forget it?” Feng Yi gritted his teeth.

“Okay, okay, it’s getting late. Whether we can find the entrance to the mine today is still unknown. If we can’t find it today, it will be very dangerous if we live on the mountain. We don’t know who will be able to go down the mountain in the end. Why are these people arguing so much now? If this kid is still alive after we come down from the mountain, you will never be too late to seek revenge!”

Liu Chengyin from the Liu family stepped forward to smooth things over!

Although the three of them knew very well at this time that there would definitely be a fierce fight between the three families on the new mine, but before the entrance to the new mine was found, no one would fight!

Chapter: 728

“Okay, I’ll let this kid live a little longer!” Feng Yi snorted coldly, and then led the people to take the lead towards the mountain!

Immediately afterwards, the Liu family also left with their people, and finally Song Zude led his people at the end!

“Master Guo, look at the strength of these two families?”

Song Zude asked Master Guo in a low voice.

“The Feng family has six grandmasters, but I can’t see through the old man with the goatee. As for the Liu family, there are only three grandmasters, so it’s nothing to worry about!”

Master Guo said with confidence.

“Then there will be Master Lao Guo this time!” After hearing this, Song Zude was immediately overjoyed!

After listening to Master Guo's words, Chen Ping smiled secretly. Although Master Guo was very powerful, he really didn't have a good eye for judging people. Chen Ping just glanced at them and there were ten Feng Family Grandmasters. , that old man is even more unfathomable, he must be a master of magic.

There are nine grandmasters in the Liu family, and the most powerful among them is the big man who is more than two meters tall and whose body is like a bronze man. Although the big man's eyes are dull and he looks dull, his strength is not as good as that of Guo. Poor master!

It seems that this time it is not certain who will lose or win. Song Zude is too optimistic!

"Chen Ping, when we reach the Devil's Forest in front of us, you have to follow me closely. If you get lost, you will never come out!"

After walking for a while, Song Tie walked to Chen Ping and whispered.

"Devil's Forest?" Chen Ping was stunned!

"It's just a forest, but because this forest is so weird, many people can't find it after entering it, not even the bones, so it's called the Devil's Forest. But don't worry, just follow me and you'll be fine. There are guides in the team , they are all hunters who are active in the mountains all year round, even the Devil's Forest has been in and out many times!"

Song Tie was afraid that Chen Ping would be nervous, so he explained.

"Oh, I know!" Chen Ping smiled lightly!

At this time, not far away, Fan Debiao looked at Song Tie and Chen Ping, his face turned green, his eyes were full of jealousy and hatred!

On the way up the mountain, there was much more spiritual energy than down below. Chen Ping used the Heart Condensation Technique to absorb the surrounding spiritual energy unscrupulously.

Soon, a jungle appeared in front of everyone, and the Feng family and the Liu family were nowhere to be seen. They had obviously entered!

“Everyone, please be careful and don’t leave the team. If you get lost in this devil’s forest, don’t run around. Stay where you are and fire off flares and wait for rescue!”

Song Zude said loudly to everyone!

After saying that, someone began to distribute simple signal lights. As long as the pull ring is pulled, a red signal light will rise into the sky and produce red smoke!

Because there are trees in the jungle to block the sun, when you look in from the outside, it is dark inside, like the bloody mouth of a beast!

“Mr. Chen, I...I’m a little scared!”

Chapter: 729

Wu Dong swallowed, and cold sweat began to break out on his forehead!

“It’s okay, just follow me closely and don’t worry about anything else!”

Chen Ping said to Wu Dong.

Wu Dong nodded, clutching the flare with both hands, and followed Chen Ping!

Song Tie was just a few meters in front of Chen Ping and the others. He would look back at Chen Ping and the others from time to time, for fear that Chen Ping and the others would not follow!

“Miss, the master asked you to go to the front and walk with him!”

At this time, a servant of the Song family walked up to Song Tie and said.

“I’m not going, tell my dad and I’ll go with Chen Ping and the others!”

Song Tie sent the servant away!

In fact, Song Tie also had his own considerations. He knew that Chen Ping and Wu Dong were both outsiders. If the two of them got lost, his father might not care about them. But if he was with them, Song Zude couldn’t care about them. !

Chen Ping could also see Song Tie’s thoughts, smiled slightly, and his view of Song Tie had changed a lot!

Entering the forest, the light became a lot darker. A team of dozens of people walked inside one after another. Several masters of the Song family and several apprentices of Master Guo walked on both sides of the team to prevent anything from happening. Danger occurs!

At this time, Feng Yi, who was already walking in front, showed a sinister smile on his face and said to the old man beside him: “Master Ma, can you cast spells now?”

The old man nodded, groped for a tree with his hands, and then forcibly tore off a piece of bark from the tree!

After squatting down, the old man grabbed a handful of leaves from the ground and muttered something. Suddenly, the leaves in the old man's hand caught fire.

As if the old man's palm was not afraid of fire, he put the piece of bark on the flame at the same time, and the bark also burned.

The old man grabbed a handful of powder from his pocket and suddenly threw it towards the flames.

Bang!

The flame immediately went out and thick white smoke began to emit!

The old man then picked up a branch and bit his middle finger. A drop of blood dripped on the branch. Then the old man quickly drew something on the ground!

Soon, a tiger was drawn, and the tiger came alive, as if it had been printed on it!

“Roar.....”

With a roar, the tiger painted on the ground disappeared!

Immediately afterwards, vicious beasts were drawn under the old man's branches, and then disappeared one by one!

Chapter: 730

Feng Yi was shocked when he saw the scene in front of him, and everyone was too excited to breathe!

“call.....”

After drawing more than a dozen beasts, the old man threw away the branch and let out a heavy breath.

“Okay, no one from the two families will come out of the forest again!”

The old man stood up, sweat already forming on his forehead!

“Great, please, Master Ma!”

Feng Yi was so happy that he almost jumped up and showed even more respect to Master Na.

After Feng Yi and the others left, the forest soon became filled with smoke, as if a heavy fog had suddenly fallen!

At first, there was just fog under everyone’s feet. No one noticed it. They all thought that the forest was humid and a little fog was normal!

But soon, the fog reached the waist, and then it went over the top of the head. The fog was so thick that even one meter apart, they couldn’t see each other!

At this time, everyone was a little panicked, and Song Zude’s face became extremely ugly.

“Damn, why is it suddenly foggy at this time?” Song Zude frowned and cursed!

“Mr. Song, I think we should connect ourselves with ropes to avoid getting lost in such a heavy fog!”

Master Guo also frowned when facing the sudden appearance of fog!

“Okay!” Song Zude nodded and immediately ordered people to connect everyone with ropes!

“Roar.....”

But at this moment, there was a sudden roar of a wild beast, which shocked everyone’s hearts, and they all felt like they were facing a powerful enemy!

“What’s going on? When did the beast come to this forest?”

The Orion who was leading the way said in surprise!

They have been walking on this mountain for many years and have never encountered a large beast, but hearing this roar, it was obviously like the roar of a tiger!

“Chen Ping...Chen Ping...”

Song Tie panicked when she heard the roar, but there was no one around. She was frightened and instinctively shouted Chen Ping’s name!

At this time, a big hand was placed on Song Tie’s shoulder, making Song Tie scream in fear!

“Don’t be afraid!” Chen Ping’s voice rang in Song Tie’s ears!
