

The Order 7211

Chapter: 7211

Golden light filled the sky, gushing out!

Ning Zhi did not show weakness: "Fire Flame Fist..."

Ning Zhi also punched out, and the sky filled with fire, rising into the air!

Boom boom boom.....

The sky and the earth changed color instantly, and the endless golden light and fire light merged, turning the entire sky red!

Ning Zhi's expression changed slightly, because he could detect that Chen Ping's fist was really powerful, causing his arm to sting slightly!

"Damn, this kid's fists are a bit hard..."

Ning Zhi punched out with all his strength, feeling a little panicked in his heart!

He really didn't expect that with such a huge gap in realms, Chen Ping would be so strong in close combat, especially the Holy Light Fist, each punch after punch was a bit overwhelming!

In an instant, the two people exchanged hundreds of punches, and Ning Zhi became more and more frightened!

Chen Ping, on the other hand, became more and more excited as he fought, and his fighting spirit was high!

Ning Zhi began to flinch a little because he felt that his arms could no longer hold up!

He didn't understand how Chen Ping could still be so strong using only his physical strength.

Ning Zhi didn't know at all that Chen Ping's Holy Light Fist was an immortal technique. The stronger the body's strength, the more powerful the Holy Light Fist was!

Bang!

Another punch struck each other, and Ning Zhi's fist suddenly made a crisp sound. The entire fist bone shattered, and a large amount of blood spurted out!

But Chen Ping was intact and didn't look injured at all!

"Your body is too perverted..."

Ning Zhi stepped back helplessly, looking at his fist with anger on his face!

If I had known this, I wouldn't have fought with Chen Ping at close range!

Now that my hand is injured, my combat effectiveness will definitely decrease!

“Ning Zhi, whether it’s melee combat or long-distance combat, you are nothing but a piece of trash in front of me.”

Chen Ping looked at the injured Ning Zhi and said with a slight smile!

“Really? Then let’s try it...”

Chapter: 7212

Ning Zhi followed Chen Ping and distanced himself!

He has the cauldron in hand and can replenish his aura at any time. He doesn’t believe that he can’t consume Chen Ping!

Ning Zhi grabbed it casually, and the black air in the sky instantly condensed into a spear, and then shot straight towards Chen Ping!

Just when the spear was shooting towards He Chen Ping, it suddenly exploded in mid-air!

Then countless short and powerful arrows came towards Chen Ping like meteors all over the sky!

It turns out that the spear was what confused Chen Ping from the beginning. Chen Ping mistakenly thought it was just a spear and there was no need to dodge at all!

Chen Ping looked at the arrow feathers that suddenly filled the sky, and grabbed the Jade Slip Secret Book of Wanjian Sect in his hand.

As Chen Ping penetrated the secret book of the jade slip with his spiritual consciousness, in just a moment, countless sword skills flashed through Chen Ping’s mind!

“Ten thousand swords return to the clan...”

I saw Chen Ping’s eyes were like lightning, and the sword energy on the dragon-slaying sword was flowing freely.

Chen Ping raised the Dragon-Slaying Sword high, and the endless spiritual energy from all around swarmed in, constantly converging on Chen Ping’s Dragon-Slaying Sword!

The Dragon-Slaying Sword trembled slightly, and countless sword rays shot out from the Dragon-Slaying Sword!

Thousands of swords returned to the sect, and the sword rays were like the wind cutting through the moon, across the endless void, and then collided with Ning Zhi’s arrow feathers in the sky!

“Wan Jian returns to the clan?”

“Isn’t this the secret skill of the Wanjian Sect? How do you know the swordsmanship of the Wanjian Sect?”

Ning Zhi looked at the scene in front of him with disbelief on his face!

He couldn’t understand, how could Chen Ping know the secret skills of Wanjian Sect? Chen Ping is definitely not a disciple of Wanjian Sect!

However, now Chen Ping knows the secret skill of the Ten Thousand Swords Sect. Although the power displayed is still lacking, Ning Zhi was caught off guard by this move of Ten Thousand Swords Returning to the Sect!

After destroying Ning Zhi’s countless arrow feathers, the remaining sword lights came straight towards Ning Zhi!

Ning Zhi was shocked, feeling that the power of this sword light was extremely strange and extremely powerful!

Ning Zhi didn't dare to take a hard hit, so he could only make a casual move. Countless black energy formed a shield, blocking Ning Zhi's face. At the same time, Ning Zhi's body kept retreating!

Dang Dang Dang.....

The sword light hit the shield and made a sound like metal collision!

But soon, the shield was defeated, and sword rays passed around Ning Zhi's body!

Chapter: 7213

Although Ning Zhi was trying his best to dodge, he was still a little slow!

There were several sharp wounds on his body caused by the sword light, and blood kept pouring out!

Ning Zhi's aura weakened instantly, and countless black energy wrapped around the wound, stopping the blood instantly!

"Chen Ping, you are awesome, but I won't let you go easily!"

I saw Ning Zhi spurring out a mouthful of blood. The blood fell into the black air, causing the air to surge instantly. The black air was filled with red air. The two airs were entangled together, and then turned into a long sword!

The pitch-black hilt and blood-red sword body exuded a hot aura!

The cauldron on Ning Zhi also began to emit streams of flame aura, and all these flame auras were absorbed by the long sword!

“You want to play swordplay with me?”

Chen Ping raised the corner of his mouth. The dragon-slaying sword in his hand was a magical weapon. It couldn't be compared to the long sword transformed by Ning Zhi with demonic energy!

“Flame Slash...”

Ning Zhi roared angrily and slashed hard at Chen Ping with the long sword in his hand!

In an instant, a rising flame shot out from the long sword, and the energy contained endless flames, heading straight for Chen Ping!

When Chen Ping saw this, he also raised the Dragon-Slaying Sword high.

“Zhantian...”

Another move of Wanjian Sect's swordsmanship. When the sword was struck, a dark space crack appeared in the surrounding void!

So many space cracks just appeared, which made Chen Ping and Ning Zhi very embarrassed!

This time, Chen Ping's sword actually cut out another crack in the void!

The cracks in the void appeared, but they did not close immediately. Instead, a large amount of breath flowed from the cracks in the void. No one knew where these breaths came from!

I saw these auras converging towards the Dragon-Slaying Sword like running water!

Looking at this sword, Ning Zhi was dumbfounded, his pupils shrank, and his heart was extremely horrified!

You must know that the Ten Thousand Swords just returned to the sect. Although Chen Ping was very powerful, when Chen Ping used it, he obviously failed to reach the maximum strength!

But this sword, the sky-cutting sword light, gave Ning Zhi a terrifying death threat!

"Chen Ping, how much swordsmanship do you have from the Wanjian Sect? Are you a direct disciple of the Wanjian Sect?"

"These are the secret skills of Wanjian Sect, and it is impossible for you, an outsider, to learn them."

Chapter: 7214

"When did you learn secretly?"

Ning Zhi was a little confused at the moment and asked Chen Ping loudly!

“If I told you that I just learned the swordsmanship of Wanjian Sect, would you believe it?”

Chen Ping said with a cold smile!

Ning Zhi was stunned for a moment, and then he seemed to understand and said: “Does it mean that the secret book of Wanjian Sect is already in your hands? You saved Zhu Qingxiu because of the secret book, right?”

Ning Zhi figured it out at this time, Chen Ping must have the secret book of Wanjian Sect in his hands!

As long as you are extremely talented and your spiritual consciousness scans the secret book, those sword skills will appear in the sea of consciousness!

One can learn a few tricks by copying a cat and a tiger. It is not impossible for someone like Chen Ping to instantly learn the unique skill of Wanjian Guizong.

But it's just that the power is not as good as it is!

Ning Zhi believes that if he gets the secret manual of Wanjian Sect, he can also learn the swordsmanship in it instantly!

“Fart, I'm not as dirty as you think. This secret was given to me personally by Zhu Qingxiu.”

“Just suffer death, I don't have time to beep with you anymore...”

After Chen Ping finished speaking, he slashed down the dragon-slaying sword in his hand!

When Ning Zhi saw this, he didn't dare to hesitate at all, and actually took out the cauldron. In an instant, the cauldron exploded, and endless flames flew all over the sky!

Chen Ping felt heartbroken when he saw that such a good furnace was exploded by Ning Zhi, and he wanted to snatch it away!

"Master, save me..."

I saw Ning Zhi shouting loudly amidst the explosion of flames!

Just after Ning Zhi finished shouting, a figure faintly appeared in the endless flame breath!

The figure of the master is so blurry that you can't even tell whether he is a man or a woman!

The moment the figure appeared, Chen Ping felt unprecedented pressure!

A huge palm smacked towards Chen Ping!

When Chen Ping saw this, he frowned tightly, but the sword also slashed towards the huge palm!

boom!

Seeing Chen Ping slashing with his sword, Ning Zhi was really scared, but Chen Ping's sword was gently blocked by the huge palm!

There was only a loud noise, and Chen Ping's sword light exploded into pieces.

With just this blow, Chen Ping discovered the gap between himself and that figure!

Obviously, the opponent is a projection, so it is impossible for all the strength to explode!

But even so, Chen Ping didn't have the power to strike in front of others!

When Ning Zhi saw this, he was overjoyed. Seeing Chen Ping's deflated look, he shouted loudly: "Master, kill him, kill him now..."

Chen Ping held the dragon-slaying sword in his hand and retreated quickly, his face becoming very ugly!

"Senior, I'm afraid I really need you to take action this time, otherwise I will be finished..."

Chen Ping can only ask Demon Lord Chiyun to come forward!

Otherwise, with his little ability, he would be slapped to death!

"Hahaha, you finally thought about it. Don't worry. Although this old guy is just a projected shadow, I also caused serious damage to his body."

Demon Lord Chiyun laughed and instantly took over Chen Ping's body!

"Master, don't hesitate, kill him..."

Ning Zhi is still urging his master!

But the phantom's voice trembled at this moment and said: "Shut up, that kid actually has the aura of a strong man in him, run quickly..."

The phantom waved its hand, directly wrapped around Ning Zhi, and instantly disappeared into the endless flame breath!

"Damn, why the hell did you run away? I haven't moved my muscles yet..."

Demon Lord Chiyun became anxious and cursed loudly!

Chapter: 7215

Chen Ping looked at Ning Zhi who had escaped, and he breathed a sigh of relief!

If the fight continues, both sides will definitely suffer losses!

"Okay, just run away. If you continue to fight, how can my body withstand it?"

Chen Ping glared at the Red Cloud Demon Lord!

This guy only knows how to fight and doesn't even think about whether he can bear it!

"You guy, hurry up and improve your physical strength. Otherwise, hurry up and find all my bones and let me restore my physical body!"

“I’m going to be suffocated in your sea of consciousness. It’s okay to have a companion...”

Demon Lord Chiyun said!

Chen Ping was speechless for a while. This guy was in his own sea of consciousness. Which remaining soul dared to enter his own sea of consciousness!

After regaining control of his body, Chen Ping began to rush to Zhujia Town!

.....

Zhujia Town!

This is just a small town with only ten thousand people, and the town is not very strong!

Zhu Yuanji, the governor of Zhujia Town, is only at the ninth level of the Tribulation Realm!

But even if he is at the ninth level of the Tribulation Realm, he is still considered a master in the Eastern Region!

The overall strength of the monks in the Eastern Region is weaker than that of the other four regions!

This is also because the Eastern Region is vast and sparsely populated!

In addition, the Eastern Region is blocked by the Black Sea and the Dead Sea on both sides, so if monks from the Eastern Region want to communicate with several other regions, apart from the teleportation array, they can only take spiritual boats or airships!

These are transportation methods that require a large amount of spiritual coins or resources, so that the monks in the Eastern Region are relatively low in strength, and most of them have never traveled to other places!

At this time, in the largest courtyard in the center of Zhujia Town, Zhu Yuanji looked at Zhu Qingxiu in front of him with tears of joy!

He thought his daughter was dead, but he didn't expect her to appear in front of him!

"My good daughter, I have been looking for you for so many years, and finally I see you. You are finally home."

"After the Wanjian Sect was destroyed, do you know how worried your father was about you?"

"If you encounter any difficulties in the future, remember to come home. No matter what, your father will be your strong backing!"

Chapter: 7216

Zhu Yuanji cried bitterly, his eyes full of heartache!

My daughter must have suffered a lot and suffered a lot in these years outside!

"Father, I... I really don't want to cause trouble to Zhujiazhen, so I haven't dared to go home."

“I know I was wrong, and I will never make my father sad again...”

Zhu Qingxiu also started crying!

When Zhu Qingyue saw this, her eyes were red!

The family is finally reunited...

“Master, Qi Heng from Qijia Town is here. He has received news that the second lady is back.”

At this time, Uncle Liu came and said!

As soon as she heard Qi Heng’s arrival, Zhu Qingyue’s brows furrowed tightly, with a look of disgust on her face!

Zhu Yuanji also frowned. If he hadn’t been forced to do anything, he wouldn’t have embarrassed his daughter!

“Father, Xiaoyue is going to marry Na Qiheng. Aren’t these flowers stuck on cow dung?”

“Not to mention that Qi Heng is extremely ugly, and he is also a beast. Even when I was in Wanjian Sect, I heard about it. That Qi Heng raped women and abused children...”

“That’s simply not human. Even if it’s for profit, I can’t let my sister sacrifice it...”

Zhu Qingxiu asked Zhu Yuanji.

After hearing this, Zhu Yuanji couldn't help but sigh and said: "Hey, what can I do? When Wanjian Sect was glorious, you were still in Wanjian Sect and could still support our Zhujiashen."

"But now that Wanjian Sect has been destroyed, there are people in Qijia Town who are backing us, and they don't take our Zhujia Town seriously at all."

"If I don't agree to marry your sister off, I'm afraid none of our Zhu family's ten thousand people will be left alive!"

Zhu Yuanji also had a look of helplessness on his face. As the town's chief minister, of course he had to consider everyone in Zhujia Town!

He couldn't put the entire Zhujia Town in danger for the sake of his daughter!

After listening to his father's words, Zhu Qingxiu gritted her teeth and said: "Father, I will meet Zhu Heng. Now that I am back, I don't need to be afraid of the people in Qijia Town."

"Miss, you must not be impulsive. Qi Heng has now broken through to the Mahayana realm, and he has just broken through. There are people in Qijia Town protecting him, and the strength of the people in Qijia Town has greatly increased."

"Your body is injured to begin with, you should take a good rest!"

Seeing this, Uncle Liu quickly persuaded Zhu Qingxiu!

Chapter: 7217

“Sister, don’t worry about my affairs. This is my life, but you don’t have to worry. If Qijia Town bullies people too much in the end, I won’t compromise.”

“Actually, I ran away from home this time and met the prince of the Xiao Dynasty of the Western Region, and the two of us fell in love!”

“If I am really in danger, I believe Prince Xiao will not ignore it.”

Zhu Qingyue was afraid that Zhu Qingxiu would be hurt because of her own affairs, so she hurriedly said!

“What? Do you know the prince of Xiao Dynasty? Are you still in love?”

Zhu Yuanji looked at Zhu Qingyue in disbelief!

Uncle Liu on the side said: “Master, although the second young lady fell in love with the prince of the Xiao Dynasty, Emperor Xiao did not agree. When I found the second young lady, she was about to be kicked out of the Xiao Dynasty!”

When Zhu Yuanji heard this, his excited expression suddenly fell!

“Uncle Liu, didn’t Mr. Chen say that Emperor Xiao has agreed now, and Brother Feng is also looking for me everywhere.”

Zhu Qingyue said quickly!

“Second Miss, that’s just Mr. Chen’s one-sided statement. Who knows if it’s true or false?”

“We’d better coax Qi Heng away first. If this guy stays in our Zhujia Town, it will be troublesome.”

“When the time comes, the young girls and young wives in Zhujia Town will suffer a lot!”

Uncle Liu said!

“Yes, let’s trick Zhu Heng away first...”

Zhu Yuanji said!

“Sister, you must not go out, I will handle this matter myself!”

Zhu Qingyue warned Zhu Qingxiu, and then followed Uncle Liu and his father out!

When he came to the hall, Qi Heng was sitting in the hall, followed by two eighth-level cultivators in the Tribulation Realm!

Moreover, Qi Heng himself was constantly exuding a faint aura, the aura of the Mahayana realm!

This is obviously just to show off, and also to add some oppression to the Zhu family!

When Qi Heng saw Zhu Qingyue, his eyes suddenly lit up. He stood up immediately and said with a lewd smile: “Yueyue, I have finally met you. Do you know how much I miss you for such a long time?”

“If I hadn’t missed you so much, I would probably be stronger now. Unfortunately, I have just broken through to the Mahayana realm...”

When saying the three words Mahayana realm, Qi Heng deliberately increased his volume!

Chapter: 7218

Zhu Qingyue just gave Qi Heng a cold look and ignored him at all!

Seeing this, Zhu Yuanji squeezed out a smile, walked up to Qi Heng and said, "Master Qi, congratulations on your breakthrough to the Mahayana realm. You are truly a hero among men. We don't have many Mahayana realms in the entire Eastern Region."

Zhu Yuanji just flattered Qi Heng. He wanted to make this guy happy first, otherwise if he really got angry, no one in Zhujia Town would be able to control him!

Sure enough, after listening to Zhu Yuanji's words, Qi Heng showed a smile and said: "Uncle Zhu, thank you for the compliment. After I marry Yueyue, we will be a family. If anyone dares to bully Zhujiazhen, I, Qi Heng, will No one agrees!"

"Mr. Qi, Xiaoyue has just returned home. I want to let her calm down for a few days and then talk about your affairs."

Zhu Yuanji wants to delay for a while!

When Qi Heng heard this, his smiling face suddenly turned cold, and he said in a cold voice: "I took the initiative to come to your Zhu family this time, not to discuss with you."

"Now that Zhu Qingyue is back, we must get married. If you don't want to marry me, that's fine, then let me play for a few days. If I get tired of playing, I'll leave immediately!"

Qi Heng actually said such words in public, and this was in the Zhu family, it was extremely arrogant!

"Qi Heng, you stinky gangster!"

When Zhu Qingyue heard this, her face turned red with anger and she wanted to kill this guy on the spot!

“Master Qi, you have gone too far!”

Zhu Yuanji frowned, and his eyes were full of anger!

Qi Heng went too far. Who did he think his daughter was?

“Master Qi, this is Zhujia Town, not your Qijia Town. Although you have broken through to the Mahayana realm and brought two eighth-level monks from the Tribulation Realm, if you really fall out, we in Zhujia Town are not easy to mess with. of.”

Uncle Liu said with a cold face!

This Qi Heng is bullying people too much. Although Uncle Liu doesn't want to fall out with Qijiazhen, he can't let Qi Heng be too arrogant now. He must be suppressed!

“You are just a servant, how dare you threaten me?”

Qi Heng looked at Uncle Liu, and then waved his hand!

A majestic breath spurted out, and a heat wave swept over the sky!

Uncle Liu had a look of shock on his face and did not react at all. He was instantly knocked away by the aura!

“Uncle Liu...”

Zhu Qingyue and Zhu Yuanji saw this and rushed over!

But at this time, Uncle Liu had already lost his vitality, and his body seemed to have been boiled. This shows how powerful Qi Heng's blow was!

Chapter: 7219

“Qi Heng, you have gone too far. You dare to kill our people in public.”

“Even if I try my best today, I will never let you leave Zhujia Town.”

Zhu Yuanji was completely angry!

Along with the surge of breath in the body, the anger soared to the sky and directly overturned the roof of the hall!

Bells rang in the sky above Zhujia Town. All the people in Zhujia Town stopped what they were doing and moved closer to Zhu Yuanji!

They knew that Zhujia Town was facing a crisis, so all the bells were ringing!

In just a short moment, thousands of people from Zhujia Town surrounded Zhu Yuanji's yard!

Some middle-level people from Zhujia Town rushed into the hall one after another. These people were in the Tribulation Level, but they were not in the fifth or sixth level!

In front of the Mahayana realm of Qi Heng, it is really not enough!

But when these people looked at Uncle Liu's body, they were all furious. Even though they knew they were defeated, no one backed down!

Qi Heng saw that he was surrounded, and he didn't even have the slightest fear. Instead, he showed a sneer!

"A bunch of little trash, want to deal with me too?"

Qi Heng waved his hand, and all the people from Zhujia Town flew backwards!

Qi Heng, on the other hand, jumped into the air with two of his men, looking down at the entire Zhujia Town!

Zhu Yuanji looked at the middle-level people of Zhujia Town who were killed by Qi Heng with one blow, and his anger was already burning to the extreme!

Zhu Qingyue gritted her teeth and soared into the sky, heading towards Qi Heng!

However, Zhu Yuanji grabbed him. He would not watch Zhu Qingyue die!

"Xiaoyue, it was your father who harmed you. You should find a chance to escape. I shouldn't let Uncle Liu get you back."

Zhu Yuanji regretted it at this time. Zhu Qingyue ran away and ran away. He shouldn't have found her again!

"Father, I don't blame you, I don't blame you..."

Zhu Qingyue started to cry!

Zhu Yuanji stroked Zhu Qingyue's hair, his eyes full of determination, and then punched Qi Heng suddenly!

All the strength at the peak of the Tribulation Realm exploded at this moment!

Chapter: 7220

Facing Zhu Yuanji's angry punch, Qi Heng raised the corners of his mouth slightly, his eyes full of disdain. Ever since he broke through the Tribulation Realm and reached the Mahayana Realm, he has looked down on these Tribulation Realm monks!

Just after Zhu Yuanji was close at hand, Qi Heng punched out, and there was even a trace of fire in this punch!

It seems that Qi Heng received some teachings from Ning Zhi, and it is precisely because of this that he was able to break through to the Mahayana realm!

boom!

The two fists collided, and a sound that shook the world instantly broke out!

The entire Zhujia Town shook for a while, and then everyone saw a figure falling rapidly from mid-air!

That was Zhu Yuanji. Zhu Yuanji's chest was severely burned, and blood was still spurting out from his mouth!

When Zhu Yuanji fell to the ground, a pit of more than ten meters was dug out of the entire ground!

“Father.....”

“Mr. Secretary...”

Zhu Qingyue rushed over!

Those people from Zhujia Town also gathered around!

When Zhu Qingyue brought Zhu Yuanji out of the pit, Zhu Yuanji only had one breath left!

His face was extremely pale and his energy was like a gossamer!

Everyone in Zhujia Town looked at Qi Heng angrily!

But Qi Heng looked down at everyone with an indifferent expression: “If any of you are not convinced, you can definitely take action against me.”

“Kill him...”

Someone burst out in anger and headed towards Qi Heng!

Then more people from Zhujia Town took action towards Qi Heng!

When the two followers behind Qi Heng saw this, they immediately stood in front of Qi Heng!

Qi Heng waved his hand: “You guys stand down, they are just a bunch of rubbish. I can send them away with a wave of my hand...”

Facing everyone in Zhujia Town, a beating flame appeared in Qi Heng’s palm, and then the aura in his body continued to surge!

The flames grew bigger and bigger, and then with a palm shot, the flames headed towards the people of Zhujia Town like poisonous snakes!

“ah.....”
