

The Order 7221

Chapter: 7221

“Burn me to death...”

“Help.....”

The moment everyone in Zhujia Town was touched by the flame, they all screamed desperately!

In just the blink of an eye, dozens of Zhujia Town people died tragically!

At this moment, everyone in Zhujia Town felt a little afraid, and no one dared to attack!

The gap in strength between them and Qi Heng is really too big!

It's like an unbridgeable gap!

At this moment, Zhu Yuanji could only open his eyes and watch the people of his Zhujia Town die tragically, but there was nothing he could do about it!

“Zhu Qingyue, take off your clothes now and let me sleep. Maybe I can spare you this bunch of rubbish from Zhujia Town.”

“If you don't agree, then I can only take action and wipe out your Zhujia Town...”

Qi Heng looked at Zhu Qingyue and said!

Zhu Qingyue looked at Qi Heng angrily, but couldn't say a word!

“Second Miss, don't promise him, we...”

The people of Zhujia Town were not afraid of death to stop him, but before he could finish his words, Qi Heng shot out a spiritual light and killed him instantly!

“Zhu Qingyue, you have to think about it. Now I will give you a breath of time to think about it. During this time, I will continue to kill people in your Zhujia Town until you nod!”

After Qi Heng finished speaking, he shot out a palm from the sky!

boom!

Dozens of people from Zhujia Town were instantly wiped out in this palm!

Even though they have reached the realm of transcending tribulation, they still have no power to resist at all!

“don't want.....”

Seeing the tragic death of many people in Zhujia Town, Zhu Qingyue roared loudly!

But as soon as he finished speaking, Qi Heng struck out with another palm, and dozens of people from Zhujia Town disappeared again!

“I promise, I promise you, as long as you let go of our Zhujia Town people, I can let you play as you please...”

Zhu Qingyue compromised!

Chapter: 7222

But just when Qi Heng was so proud and ready to snatch Zhu Qingyue away, a voice came from far away!

“Does a guy who is only at the first level of the Mahayana Realm dare to be so rampant?”

Hearing this voice, Zhu Qingyue’s eyes suddenly lit up!

“Mr. Chen, Mr. Chen.....”

Zhu Qingyue shouted loudly, and saw Chen Ping’s figure approaching from a distance!

Everyone in Zhujia Town was extremely excited when they saw the helper.

Qi Heng frowned and looked at Chen Ping coming from a distance. He didn’t expect that someone would make a cross!

But when Chen Ping came closer, Qi Heng immediately laughed!

A mere seventh-level monk in the Tribulation Realm is here to pretend to be a big-tailed wolf!

And everyone in Zhujia Town lost their excitement in an instant after seeing Chen Ping's state!

This kind of strength cannot save them at all!

But only Zhu Qingyue was still trembling slightly, looking at Chen Ping excitedly!

Although Chen Ping is only at the seventh level of the Tribulation Realm, his actual strength is quite impressive!

Zhu Qingyue knew it!

"Boy, you are just a seventh-grade monk in the Tribulation Realm, and you dare to join in the fun. Are you looking for death?"

Qi Heng looked at Chen Ping and said with disdain!

Chen Ping ignored him, but glanced at Zhu Qingyue and said, "Are you okay?"

Zhu Qingyue is Xiao Feng's girlfriend. After all, Xiao Dynasty treats Chen Ping well, so Chen Ping should protect Zhu Qingyue!

"Mr. Chen, I'm fine..."

Zhu Qingyue shook her head!

Seeing that Zhu Qingyue was fine, Chen Ping turned his attention to Qi Heng!

When Qi Heng saw that Chen Ping, a young monk, ignored him, he immediately became angry!

“Can’t you fucking hear me? If you don’t want to die, get away from me. Do you want to interfere in my affairs?”

“I don’t care what kind of virtue you are...”

Chapter: 7223

Qi Heng snorted coldly!

“Rubbish.....”

Uh-huh...

Chen Ping just said rubbish. Before Qi Heng could say anything, a golden light flashed across his eyes!

Qi Heng’s head was thrown high, then quickly fell to the ground, and then rolled to Zhu Qingyue’s feet!

Then Qi Heng’s headless body fell quickly and fell to the ground, covered in dust!

Everyone in Zhujia Town was stunned when they saw this scene!

All of them had expressions of disbelief on their faces and their mouths were wide open!

They never expected that things would turn out like this!

Just now, Qi Heng was a killing god. He killed them all and Zhujiazhen was unable to fight back. He controlled everyone's life and death!

But in the blink of an eye, this god of murder was beheaded!

This sword is so casual and easy!

How is this possible?

A seventh-level monk in the Tribulation Realm killed a first-level monk in the Mahayana Realm at will with one sword. This is a bit outrageous!

Everyone in Zhujia Town was stunned!

And equally confused were the two eighth-level cultivators of the Tribulation Realm brought by Qi Heng!

They didn't even realize what was going on, and their eldest young master was beheaded!

"You two, go back right away and say that I, Chen Ping, killed him. If you, Qijia Town, want revenge, just come to me!"

Chen Ping waved his hand towards the two monks!

At this time, the two monks reacted. When they heard the words Chen Ping, their bodies trembled, and they turned around and ran away in a hurry!

They knew that Chen Ping was the person that the Demon Sealing Alliance was hunting down with a hundred years of sacrifice!

Chen Ping's body fell slowly, and Zhu Qingyue knelt down directly in front of Chen Ping in gratitude!

When Zhu Qingyue knelt down, everyone in Zhujia Town also knelt down!

Although many people don't know who Chen Ping is, the person who can kill Qi Heng with one sword is definitely not an ordinary person!

Chapter: 7224

Maybe there is a huge force behind it, so Zhujia Town can be saved, and they don't have to worry about the people in Qijia Town!

"Zhu Yuanji, the governor of Zhujia Town, thanked his benefactor for saving him..."

Zhu Yuanji also dragged his seriously injured body, and then knelt down in front of Chen Ping!

Chen Ping just gently lifted his hands, and everyone felt a force lifting them up!

"It's just a small effort, no need to thank..."

Chen Ping said casually!

It seemed that killing Qi Heng was as easy as crushing an ant to him!

“Mr. Chen, my father is seriously injured. I wonder if you can help with the treatment?”

Zhu Qingyue asked!

She knew that Chen Ping was also a pharmacist and knew medical skills!

Chen Ping just glanced at it, then nodded and said: “Although he is seriously injured, it is not fatal, no problem!”

When Zhu Qingyue heard this, she was immediately overjoyed and ordered people to clean up the scene!

Then Zhu Qingyue took Chen Ping and Zhu Yuanji towards the backyard!

Zhu Qingxiu was still in the backyard. She had been waiting anxiously in her heart, wondering what was going on outside!

When she saw Chen Ping following Zhu Qingyue and supporting her father as she walked in, her inner worries disappeared instantly!

She has experienced life and death with Chen Ping, so of course she knows what Chen Ping is capable of!

As long as Chen Ping comes, Qijia Town will have nothing to worry about!

“Miss A’Zhu, I hope no one will disturb me while I’m treating your father. In addition, I need some resources from Zhujiazhen.”

Chen Ping said to Zhu Qingyue!

Although Chen Ping himself had a lot of resources, almost all of them were consumed in a fierce battle with Ning Zhi. The demon-suppressing formation consumed a huge amount of resources!

In addition, Chen Ping’s own body consumes a lot of energy and needs to be replenished slowly!

But if there are no resources, what can we supplement them with?

Since I helped Zhujiazhen this time, it is appropriate for Zhujiazhen to provide some resources!

Chen Ping is not a Bodhisattva, so he can’t help in vain!

Chapter: 7225

“Don’t worry, Mr. Chen, I will collect all the resources in Zhujia Town for Mr. Chen’s use!”

After Zhu Qingyue finished speaking, he immediately went to collect resources!

Chen Ping looked at Zhu Qingxiu, took out the Wanjian Sect Jade Slip Secret Book, and gave it back to Zhu Qingxiu!

“Miss Zhu, thank you for the jade slip secret...”

Chen Ping knew that if it weren't for this jade slip secret book, he wouldn't be able to practice the super awesome swordsmanship of Wan Jian Guizong!

Zhu Qingxiu took the jade slip and asked, "Mr. Chen, how are those demon cultivators doing?"

"I killed most of them. Only one escaped. It won't be a big deal."

"Your body has been severely damaged in this battle, and you need to rest for a while, so don't run around."

Chen Ping said to Zhu Qingxiu!

"Okay!" Zhu Qingxiu nodded, but there was a bit of hesitation in his eyes!

"What's wrong with you? Do you have something to say?"

Chen Ping saw Zhu Qingxiu like that, so he asked!

"Mr. Chen, I want to ask, can you heal my face?"

Zhu Qingxiu asked in a low voice!

Chen Ping nodded and said: "It's possible, but your face has been like this for too long. If you want to restore it to its original state, you have to consume a lot of fairy grass. Among them, the divine muscle grass is the most special and is not easy to find!"

In fact, it is not difficult to treat the burns on Zhu Qingxiu's face. It is difficult to collect enough fairy grass!

It is impossible for Chen Ping to have all kinds of fairy grass in his hand to deal with all diseases!

“Mr. Chen, as long as it can be cured, it will be fine. As for finding the divine muscle grass, I will find a way...”

Zhu Qingxiu said very excitedly!

As long as you are cured, then you no longer have to live under a mask!

Chen Ping started to treat Zhu Yuanji, and Zhu Qingxiu walked out of the room. She didn't want to disturb Chen Ping from treating her father!

Moreover, she also wanted to find out where in the Eastern Region there is such magical grass as Divine Muscle Grass!

Zhu Qingxiu finally had a smile on her face. After all, every girl loves beauty!

Zhu Qingxiu also thought that she could return to that beautiful appearance!

Zhu Qingyue sent people to collect resources from the entire Zhujia Town. When everyone in Zhujia Town heard that it was for Zhu Yuanji's treatment, they were all very enthusiastic and used all their resources!

Chapter: 7226

Qijia Town!

Qi Yuankun, who is the Fusi of Qijia Town, is drinking wine and waiting for his son to return!

During this period, Qi Yuankun was extremely happy after Qi Heng was promoted to the Mahayana realm. He was the youngest Mahayana master in their neighborhood!

Today's Qijia Town has a certain reputation in the entire Eastern Region, especially now that Ning Zhi is in charge of Qijia Town!

In addition, Qijia Town has cooperated with the Demon Sealing Alliance, which is even more powerful!

Now Qi Yuankun has expanded to the extreme!

Many small sect forces in the surrounding areas have been annexed by Qijia Town!

But while Qi Yuankun was humming a little tune and drinking a small drink, the two monks who were taken away by Qi Heng ran back in a panic!

"Mr. Secretary, Sir, it's not good, it's not good..."

The two monks knelt down in front of Qi Yuankun, their whole bodies trembling!

Qi Yuankun frowned slightly and said, "What happened? Scared you two like this?"

"Where is the eldest young master?"

One of the monks swallowed his saliva and said: "Master Director, the eldest young master was killed..."

Wow...

The wine glass in Qi Yuankun's hand instantly fell to the ground, and then shattered into pieces!

"What did you say?" Qi Yuankun stood up and asked with disbelief!

"Master Secretary, the eldest young master was killed and his head was chopped off with a sword!"

Another monk also said quickly!

"Fart, impossible, absolutely impossible, then how could there be such a master in Zhujia Town?"

Qi Yuankun didn't believe it at all, because he knew that there would be no such master in Zhujia Town!

His son is a master of the Mahayana Realm. Zhu Yuanji from Zhujia Town is the strongest and is the peak of the Tribulation Realm!

How could he chop off his son's head with a sword?

Suddenly, Qi Yuankun seemed to remember something, his eyes widened and he said, "Could it be that the people from the Wanjian Sect? Can the people from the Wanjian Sect be in Zhujia Town?"

Only the destroyed Wanjian Sect could kill a Mahayana master with one sword!

Chapter: 7227

And only an elder or above from Wanjian Sect can do this!

But Wanjian Sect has been destroyed, and everyone is running away to death. How can anyone dare to stay in this place in the Eastern Region?

Qi Yuankun knew that Wan Jian Zong had always had a friendship with Zhujia Town, but it was impossible for him to stay in Zhujia Town and support Zhujia Town without caring about his own life?

You must know that the one the Wanjian Sect offended was the Demon-Sealing Alliance. In this place in the East Region, when the word Demon-Sealing Alliance is mentioned, it is a god-like existence!

Every sect force is proud to join the Demon-Sealing Alliance. After all, with this big tree like the Demon-Sealing Alliance, even if the resources in the Eastern Region are scarce, they can be the first to get more resources!

It's just that the Demon-Sealing Alliance doesn't accept all sect forces, it still has certain requirements!

The Wanjian Sect was attracted by the Demon Sealed Alliance, but they didn't know what was good and what was bad, which could only lead to the annihilation of the clan!

"Master Secretary, he is not from Wanjian Sect, but... that Chen Ping..."

A monk said!

"Chen Ping?"

Qi Yuankun frowned slightly. He always felt that the name was very familiar, but he couldn't remember it for a while!

"That's the guy who was hunted down by the Demon Sealed Alliance with a hundred-year tribute!"

The monk explained!

boom!

When Qi Yuankun heard this, his head suddenly exploded, and then he asked anxiously: "Then what state of Chen Ping can he kill my son with one sword?"

"Seventh level of Tribulation Realm..."

"Fuck you..." As soon as the monk finished speaking, Qi Yuankun kicked the monk away!

"Do you think I'm a fool? He who is at the seventh level of the Tribulation Realm can kill my son with one sword. Are you saying that my son, a Mahayana master, is not even as good as the seventh level of the Tribulation Realm?"

Qi Yuankun was angry. Isn't this an insult to his IQ?

When another monk saw this, he was trembling with fear. He could only bite the bullet and said: "Master Secretary, you really only have the seventh level of the Tribulation Realm. The realm shown by Chen Ping is only the seventh level of the Tribulation Realm. However, it's possible that the realm is hidden."

"Otherwise, the Demon Sealing Alliance wouldn't have been able to use a hundred years of sacrifice to hunt down this kid. This Chen Ping must be something special!"

The words of another monk made Qi Yuankun calm down. He expected that Chen Ping must be hiding his strength!

It is simply impossible for a seventh-level Tribulation Realm to kill the Mahayana Realm with one sword!

“housekeeper.....”

Chapter: 7228

Qi Yuankun shouted!

Qi Yuankun knew that his son could be killed by Chen Ping with one sword. Even if he led others to seek revenge, he would only die in vain!

Although the hatred of killing his son is irreconcilable, Qi Yuankun is not stupid!

Soon, the housekeeper was called in and whispered: “Master, what can I do?”

“Is Mr. Ning here?”

Qi Yuankun asked!

This matter can only be handled by Ning Zhi. After all, Ning Zhi is the real boss behind the scenes in Qijia Town!

“Master, Mr. Ning has been out with several demon cultivators from the Demon Sealing Alliance for many days, and he has never come back.”

“I tried to contact him, but I couldn’t get in touch. I don’t know if there was an accident!”

The housekeeper whispered!

“It’s impossible. In the entire Eastern Region, there are only a few people who can threaten Mr. Ning.”

Qi Yuankun waved his hand and said!

The strength level in the entire Eastern Region is not high, and there are not many Mahayana masters, so there are very few people who can threaten Ning Zhi!

“Master, have you forgotten that some time ago, there were visions and auras coming from the sky in the area of Gelu Mountain? Maybe the legends are true.”

The housekeeper still said softly!

After hearing this, Qi Yuankun was silent for a moment, then frowned slightly and said: “What do you mean, Mr. Ning and the others might encounter those people from outside the territory?”

Ocean Blue

“I can’t tell!” The housekeeper didn’t dare to admit it!

“Those are all legends and cannot be taken seriously at all. Is there really another world in Gelu Mountain and a hidden sect?”

“You have to know that for so many years, no one has seen those hidden people from outside the territory, they have only heard about them.”

“If there are these hidden masters who suddenly appear and cause turmoil in our Eastern Region, I don’t think the Territory Lord can just sit back and watch.”

“I don’t care where Mr. Ning and the others have gone. You should contact the Demon Sealing Alliance immediately and inform him that Chen Ping is in the Eastern Region.”

Qi Yuankun ordered!

“I understand!” The housekeeper nodded, but did not leave immediately, as if he was hesitant to speak!

Chapter: 7229

“Butler, if you have anything to say, just say it!”

Qi Yuankun said!

The housekeeper glanced at the two monks, then waved his hand and said, “You two, get out!”

The two monks retreated, and then the housekeeper approached Qi Yuankun and said in his ear: “Master, if we attract all the people from the Demon Sealing Alliance, I’m afraid we won’t be able to hide the ruins of Gelu Mountain.”

“We in Qijia Town have spent hundreds of years secretly searching for the entrance to the ruins, and now we have some clues. If others find out, I’m afraid nothing will happen to us in Qijia Town.”

“The vision I had some time ago, I feel it has something to do with the fact that the entrance to the ruins is to be found. I hope you will think about it carefully, sir!”

Qi Yuankun was silent...

There is a treasure map in their Qijia Town that has never been passed down for generations, but no one has ever known what the treasure map is used for!

It wasn't until a hundred years ago that someone saw that the treasure map should be the entrance to a ruins on Mount Gelu, but the exact location was not known!

From then on, Qijia Town began to search, and the search lasted for a hundred years!

Now that the entrance to the ruins has some clues, if all the people from the Demon Sealing Alliance are attracted here and the ruins are discovered, Qijia Town's hundreds of years of efforts will be in vain!

After all, the strength of Qijia Town cannot be compared with that of the Demon Sealing Alliance. If the Demon Sealing Alliance discovers the ruins, nothing will happen to Qijia Town without him!

But if we don't seek help from the Demon Sealing Alliance, with the strength of Qijia Town, it's simply impossible to seek revenge from Chen Ping!

Qi Yuankun was in a dilemma for a while!

After pondering for a long time, Qi Yuankun finally said: "Let's go find the Demon Sealing Alliance. Let's not look for the entrance to the ruins during this period!"

"Master, if the vision that happened some time ago is really the ruins or the appearance of an expert from outside the territory, then the secret of our Qijia Town cannot be kept."

The housekeeper also wants to persuade Qi Yuankun!

“Just go if I tell you to go. There’s so much nonsense. Let the Demon Sealing Alliance send some experts over. We in Qijia Town can be considered a member of the Demon Sealing Alliance. The Demon Sealing Alliance can’t just ignore it!”

Qi Yuankun got a little angry and yelled at the housekeeper!

When the housekeeper saw this, he had no choice but to turn around and leave!

Qi Yuankun’s eyes were filled with anger. There was no way he would not avenge his son’s murder!

.....

Zhujia Town!

After Chen Ping obtained all the resources in Zhujia Town, he cured Zhu Yuanji!

Chapter: 7230

During this time, Zhu Qingxiu also slowly recovered on her own!

And also found out the whereabouts of the God Muscle Grass!

“Mr. Chen, thank you so much. If it weren’t for you, my life would probably be over!”

After Zhu Yuanji recovered, he was grateful to Chen Ping!

“Mr. Chen, we can’t repay your great kindness. All the resources in Zhujia Town are here, so we can’t give you any reward.”

“But don’t worry, if I return to Xiao Dynasty and really get together with Afeng, I will definitely repay you!”

Zhu Qingyue looked at Chen Ping gratefully and said!

Now there is nothing left in Zhujia Town to thank Chen Ping. Zhu Qingyue can only wait for herself to answer Xiao Dynasty and really become the princess of Xiao Dynasty, then she can repay Chen Ping!

“You don’t have to be so polite, I’m just doing a little work, and I’ve used a lot of these resources in Zhujia Town myself, so it’s just a reward!”

Chen Ping said a little embarrassed!

In fact, Chen Ping also used a lot of these resources in Zhujia Town to recover his body, otherwise he would not be able to treat Zhu Yuanji!

He followed Ning Zhi to fight, which really consumed a lot of money and he had to recover!

“Mr. Chen, I found out about the whereabouts of the divine muscle grass. Some people said that there is this kind of divine muscle grass in Gelu Mountain!”

Zhu Qingxiu followed Chen Ping and said!

“Ge Lu Mountain?” Chen Ping was slightly stunned, and then said: “Then we can go to Ge Lu Mountain to pick some of this kind of fairy grass. As long as there is this kind of fairy grass, I can cure you 100%.”

“Great, I will accompany Mr. Chen to the German Lu Mountain to pick divine muscle grass now!”

Zhu Qingxiu said with excitement!

“No, you can’t go...”

At this time, Zhu Yuanji hurriedly stopped him!

“Father, what’s wrong?” Zhu Qingxiu looked at Zhu Yuanji in confusion and asked!

“Gelu Mountain has not been peaceful recently. Some time ago, there was a strange phenomenon in Gelu Mountain, auras flashed, and some people even heard strange noises. I’m afraid the legend is true.”

Zhu Yuanji said!

“Legend? What legend?”

Zhu Qingxiu’s face was full of doubts!

Chen Ping also became interested instantly. He pricked up his ears and listened carefully, wanting to hear what the legend was!

“It is said that there is another world in the area of Gelu Mountain. There are many experts from outside the territory living in it, and they are very powerful.”

“The reason why we have so few masters in the Eastern Region is because they have all been absorbed into that world.”

“But these are just legends and have not been confirmed...”

“But some time ago, there was a strange phenomenon in Gelu Mountain, and everyone thought of this legend, so you should not go to Gelu Mountain to avoid any real danger!”

Zhu Yuanji advised!
