

The Order 7231

Chapter: 7231

“Father, is there still such a legend? Why haven’t I heard of it?”

Zhu Qingyue asked very puzzledly!

“In recent years, this legend has become less common. Of course you have never heard of it. You must know that there were many masters in the Eastern Region in the past, and there were also many magic cultivators at that time.”

“It’s just that with the establishment of the Demon Sealing Alliance, the survival of the demon cultivators was greatly threatened, and slowly those demon cultivators disappeared.”

“It is said that these people have hid in another world. Some people say that they have opened up a secret realm for demon cultivators to hide in, but no one can tell clearly what happened.”

“Anyway, Gelu Mountain is very evil, so you’d better not go there...”

Zhu Yuanji is still persuading!

“Father, if I don’t go to Gelu Mountain and get the Divine Muscle Grass, I will live under a mask my whole life.”

Zhu Qingxiu said anxiously!

If she cannot seize this opportunity, then she may never be able to take off the mask on her face!

Even if you get the Divine Muscle Grass by then, it will be of no use without a pharmacist like Chen Ping!

Zhu Yuanji was silent, not knowing what he was talking about!

“Director Zhu, don’t worry. I will take good care of Miss Zhu. We will come back as soon as we get the divine muscle grass. There will be no danger.”

Chen Ping followed Zhu Yuanji and said!

When Zhu Yuanji heard this, he could only nod in agreement. He had seen Chen Ping’s abilities before. Even Qi Heng in the Mahayana realm was killed with a sword. Even if something happened, he should be able to deal with it!

Chen Ping took Zhu Qingxiu and Ji Yun, and then left Zhujia Town on an airship!

Germanium Mountain is thousands of miles away from Zhujia Town, and Germanium Mountain is close to the Northern Territory, with part of the mountain range extending to the southernmost tip of the Northern Territory!

But just when Chen Ping and the others were heading towards Gelu Mountain in an airship, suddenly the strange phenomenon above Gelu Mountain suddenly changed!

I saw streaks of white light that seemed to burst out from the mountain, and the sky above the entire Eastern Territory began to become illusory!

In that light, there seems to be the roar of gold and iron horses, and the sound of war!

All the monks in the Eastern Region were attracted by this vision!

“Is this the other world in the legend?”

Zhu Qingxiu looked at the strange phenomena on the ground and said in shock!

“Mr. Chen, are there any ruins in Gelu Mountain?”

Chapter: 7232

Ning Zhi also looked at the vision and asked!

Chen Ping looked through the airship’s port window at the strange phenomena of heaven and earth outside, and then slowly shook his head and said: “This is not some ruins, nor is it another world. This is a battlefield where gods and demons fight.”

“It seems that the battlefield of gods and demons here has been banned. This is because the ban has been weakened, causing the aura of the battlefield of gods and demons to be exposed!”

“The battlefield between gods and demons? I didn’t expect that there is a battlefield between gods and demons in this desolate place in the Eastern Region...”

Ji Yun said with some curiosity!

“The Eastern Region was not desolate before, but it became like this later...”

Zhu Qingxiu quickly explained!

“Let’s go. The atmosphere of this battlefield of gods and demons has been leaked. It is estimated that many people will go there. Let’s go and have a look...”

Chen Ping knew that there would definitely be many unexpected chance treasures in the battlefield between gods and demons!

Others will definitely know, so now that the aura of the battlefield of gods and demons is leaked, many people will definitely rush there!

Ji Yun nodded, accelerated the airship, and headed towards Gelu Mountain!

At the same time, a hunchbacked old man followed by two sword-wielding demon cultivators suddenly appeared in the East Territory in a white light!

These three people are all members of the Demon Sealing Alliance. After getting help from Qijia Town, the three of them used the teleportation array to come to the Eastern Region!

This teleportation array can only be used by the most powerful organizations like the Demon Sealing Alliance!

“Sect Master, this is the first time we have shown up in the past hundred years. As long as we catch Chen Ping this time, we can freely enter and exit the Demon-Sealing Alliance, and we will not be imprisoned in the dungeon!”

A demon cultivator behind the hunchbacked old man said excitedly!

“Tianluo, Tiansha, you two have been following me for so many years, why are you still so nostalgic for the outside world?”

“What’s wrong with the Demon-Sealing Alliance’s dungeon? We haven’t lacked any resources in the past hundred years, and we’re still clean.”

After the hunchbacked old man finished speaking, he glanced at the vision of heaven and earth, and continued: "Tianluo, go to the place of vision of heaven and earth to find out what happened, and don't start a conflict casually!"

"I will take Tiansha to Qijia Town to see if Chen Ping can kill a first-level Mahayana monk with one sword, his strength is definitely not inferior to yours."

"You must not be careless. Although we are under the hands of the Demon Sealing Alliance now, we are not dogs of the Demon Sealing Alliance. Before doing anything, we must ensure our own safety."

"Remember the Patriarch's teachings!"

After Tian Luo finished speaking, his figure disappeared in a flash, heading towards the place where the heaven and earth had strange phenomena!

The hunchbacked old man took Tiansha to Qijia Town!

Chapter: 7233

I have to say that the hunchbacked old man had some brains in saying this. Although people had to lower their heads under the eaves, he also clearly positioned himself and was definitely not a dog from the Demon Sealing Alliance!

Not long after Luo's figure disappeared that day, Chen Ping sat in the airship and suddenly frowned!

"Ji Yun, be careful, there is a mysterious aura approaching us..."

Just as Chen Ping finished speaking, a figure had already stopped in front of the airship!

This person is holding a blood-red sword, and his body is surrounded by black mist. It is Tianluo!

This place is nearly ten thousand miles away from the Gelu Mountain. If we fly there, it will definitely consume a lot of money!

Now that an airship appears, of course Tianluo wants to take the airship!

“I didn’t expect that there would be an airship in this desolate eastern region. I’d like to take a ride on it. Is it okay?”

Tian Luo held a long sword and asked loudly to the airship!

Ji Yun looked at Chen Ping, he didn’t know how to answer!

After all, the aura erupting from Tianluo’s body makes people feel a little frightened!

Moreover, this Tianluo looked like a demon cultivator at first glance. Ji Yun didn’t know the identity of the other person and didn’t dare to answer easily!

“When did a demon cultivator of this level appear in the Eastern Region? It seems that this demon cultivator must have reached the second level of the Mahayana realm?”

Zhu Qingxiu frowned and said!

She has now recovered to the first level of Mahayana realm. She is considered a master in Wanjian Sect at this level!

You must know that Wanjian Sect has a very high status in the entire Eastern Region. If it were not for the Demon Sealing Alliance, Wanjian Sect would not be destroyed!

But now, a demon cultivator of the second level of the Mahayana realm appeared, which surprised Zhu Qingxiu!

Chen Ping didn't speak at this time. Facing the demon cultivator in front of him, Chen Ping had no way of knowing the other person's identity for a while!

Although the demon cultivator is not a bad person, Chen Ping doesn't know if this demon cultivator is from the Demon Sealing Alliance!

If it's someone from the Demon-Sealing Alliance, it will be troublesome!

After all, the Demon Sealing Alliance also supports a large number of demon cultivators!

"Damn it, can't you hear what I'm saying? Since you don't have to drink wine as a penalty for toasting, don't blame me for being rude."

When Tianluo saw that the people in the airship still didn't respond, he immediately became angry!

The blood-red sword in his hand slashed towards the airship!

Chapter: 7234

Facing this sword, Ji Yun was startled and hurriedly controlled the airship to avoid it!

When Zhu Qingxiu saw this, she jumped out and slashed out the long sword in her hand instantly!

Boom!

The two sword lights suddenly collided together, and Zhu Qingxiu's body was instantly blown away!

When Tianluo saw this, his expression changed slightly: "A person from Wanjian Sect?"

Zhu Qingxiu stabilized her figure, glared at Tianluo and said: "Since you know that I am a member of Wanjian Sect, get out of here quickly, otherwise you will die without a burial place!"

Zhu Qingxiu wanted to use Wanjian Sect to scare the other party. Since the other party knew that he was a disciple of Wanjian Sect, he must know how powerful Wanjian Sect was!

But who would have thought that after Luo heard this that day, he immediately laughed and said: "Do you want to use the name of Wanjian Sect to scare me? Wanjian Sect has been destroyed by our Demon Sealing Alliance a long time ago. Do you think I don't know? "

"You are a fish that slipped through the net of Wanjian Sect. I happened to kill you today, which can be regarded as a small achievement..."

Having said that, that day Luo jumped and went straight to Zhu Qingxiu!

Zhu Qingxiu's expression changed drastically. He did not expect that the demon cultivator in front of him was actually a member of the Demon Sealing Alliance!

But just when Tian Luo arrived in front of Zhu Qingxiu, Chen Ping's figure appeared instantly!

Suddenly he punched out!

boom!

This punch forced Tianluo to stop!

“Are you okay?”

Chen Ping looked at Zhu Qingxiu and asked!

“I’m fine...” Zhu Qingxiu shook her head!

“Chen Ping?” Tianluo was shocked when he saw Chen Ping appear!

Chen Ping looked at Tian Luo. He was not surprised at all that Tian Luo knew him. After all, the Demon Sealing Alliance had been chasing him.

“Today is really my lucky day. I actually met you. When I capture you and bring you back to the Demon-Sealing Alliance, you will not only be enshrined for a hundred years, but you will also be able to come and go freely in the Demon-Sealing Alliance.”

Tian Luo was overjoyed, then suddenly raised the long sword in his hand and slashed at Chen Ping fiercely!

At this moment, Tian Luo had long forgotten the advice of the hunchbacked old man and wanted to arrest Chen Ping!

A sword beam exploded instantly, and Chen Ping protected Zhu Qingxiu and retreated continuously. The strength of the second-level Mahayana realm should not be underestimated!

Chapter: 7235

After escorting Zhu Qingxiu to a safe location, Chen Ping stabilized his figure and the Dragon-Slaying Sword instantly appeared in his hand!

The dragon roared and the sword light flashed!

A series of sword lights also exploded in Chen Ping's hand!

Boom boom boom.....

With the collision of sword lights, Tianluo felt a huge force coming towards his face, forcing him to step back!

The blood-red sword in his hand was trembling violently!

“What a good boy, you are at the seventh level of the Tribulation Realm, but you are able to explode with such power. If I hadn't known your true strength in advance, I would have suffered a loss with that sword strike just now!”

Tianluo looked at Chen Ping with slightly focused eyes.

Chen Ping held the Dragon-Slaying Sword and looked solemn, because the guy in front of him was not easy to deal with either!

I saw Tianluo slowly raising the blood-red sword in his hand, and the void around him suddenly began to shake!

Immediately afterwards, the void began to crack, and red auras swarmed into the blood-red sword from the cracks!

The next second, Tianluo's figure suddenly disappeared!

boom!

Then a sword light seemed to shoot out from the void!

A cold light flashed in Chen Ping's eyes, he held the Dragon Slaying Sword in both hands and raised it upward!

This sword is filled with golden light!

Along with the deafening sounds, the entire void seemed to explode!

Chen Ping and Tian Luo retreated at the same time!

But it was only a moment before the two people rushed out again, accompanied by sword light and roaring sounds!

Ji Yun and Zhu Qingxiu who were watching the battle were extremely nervous. They didn't know if Chen Ping was this guy's opponent!

“Mr. Chen, let me help you...”

After seeing Chen Ping fighting with the opponent for a while, Zhu Qingxiu came forward with a sword!

Although Zhu Qingxiu only has the strength of the first level of Mahayana realm, at this difficult time, her action can tip the balance towards Chen Ping’s side!

Zhu Qingxiu turned into a sword light and rushed out. Seeing this, Ji Yun also jumped up, planning to fight three against one!

Tianluo was forced to retreat. Seeing that Chen Ping and the others were outnumbered, he was no match at all. He could only suddenly wave a sword light, and then the whole person disappeared into the void in an instant!

Zhu Qingxiu wanted to pursue, but was stopped by Chen Ping!

“Stop chasing. Let’s go to Gelu Mountain quickly. I hope these demon cultivators are not heading for the battlefield between gods and demons.”

Chen Ping knew that this guy could never be alone, there must be helpers!

If several helpers with the same strength or even higher strength come at this time, Chen Ping will be too passive!

So Chen Ping must now find the battlefield of gods and demons, and then search it again!

Chapter: 7236

The airship quickly headed towards Gelu Mountain!

Before reaching Gelu Mountain, Chen Ping asked Ji Yun to put the airship away!

After all, riding this guy is a bit too ostentatious and can easily be noticed!

After putting away the airship, Chen Ping took Ji Yun and Zhu Qingxiu and started looking for the entrance by following the aura of the battlefield between gods and demons exposed on Gelu Mountain!

The entrance to the battlefield of gods and demons is easy to find. After all, the place where the aura leaks the most is definitely the entrance!

On the mountainside of Gelu Mountain, a huge cave appeared. The aura of the battlefield between gods and demons was constantly pouring out of this cave!

“Mr. Chen, we found the entrance. The cave is...”

Ji Yun was very excited and wanted to run towards the cave, but was held back by Chen Ping!

“Don’t go there yet. There are many secretive atmospheres around this cave. Although these people are deliberately hiding themselves, I can still detect it!”

Chen Ping looked around and said!

“Is there someone hiding? Could it be that someone else is looking for this place?”

Zhu Qingxiu asked in surprise!

After all, they flew over directly in an airship, so they must be faster than others, and many people probably don't know that this is a battlefield between gods and demons, so they probably regard it as some kind of relic!

Without Chen Ping, they wouldn't have been able to find this place so quickly, and now there are people who are faster than them!

"I guess these people have been looking for the entrance for a long time. The reason why they are hiding now is probably because they are waiting for something."

Although Chen Ping didn't know the identity of the hidden people, these people found the entrance but didn't enter. They must be waiting for something!

"What are they waiting for?" Zhu Qingxiu asked!

Chen Ping shook his head. He didn't know what the hidden person was waiting for!

"Mr. Chen, why don't we go in? If we keep waiting, there will probably be more and more people behind us."

Ji Yun said!

After Chen Ping meditated for a moment, a huge spiritual consciousness enveloped the surroundings again, extending hundreds of miles away before stopping!

Chen Ping must figure out who is around. If the opponent's strength is too high, Chen Ping must be more cautious!

However, after careful investigation, it seemed that the people hidden around him were not particularly strong. Chen Ping could handle it completely. Then he breathed a sigh of relief and walked towards the entrance of the cave!

But as soon as he reached the entrance of the cave, Chen Ping was stunned. It turned out that there was a formation seal at the entrance of the cave!

Chapter: 7237

Although the formation is somewhat incomplete, causing the aura of the battlefield of gods and demons to begin to leak out, in order to enter, the formation must be broken!

Chen Ping finally understood why the people around him were hiding instead of entering the battlefield of gods and demons. It turned out that these people couldn't break the formation at all!

"There are actually formations blocking it. No wonder they all hid and didn't see anyone entering."

When Zhu Qingxiu saw the formation at the entrance of the cave, he immediately understood it. Then he looked at Chen Ping and said, "You are an formation master, and your formation skills are very powerful. Can you break this formation?"

Chen Ping took a careful look, then nodded and said: "If I force it open, it won't be a big problem, but it will consume too much of my spiritual power, and after forcefully breaking it open, people behind can enter at will!"

"Mr. Chen, what if you don't break it by force, but just break the formation? That way we can get in, but no one else can get in!"

Ji Yun said quickly!

"I can crack it, but it will take time and someone must be by my side to protect it."

“You two...”

Before Chen Ping finished speaking, a majestic breath suddenly fell from the sky!

Chen Ping’s expression changed instantly, and then he looked into the void not far away!

I saw a tremor in the void, and several figures approaching from far away...

Soon, several figures appeared in front of us, as if they came from tearing through the void!

The leader was a man who looked very young, wearing a white robe, holding a jade-handled sword in his hand, and his facial features looked extremely delicate!

Behind the man, on the left and right sides, were two old men. These two old men had one thing in common, that is, they both lost an eye!

The old man on the left lost his left eye, while the old man on the right lost his right eye!

These two old men are also holding long swords, and the aura on their bodies is constantly surging!

Behind the two old men, there were several monks holding swords in their hands. It was obvious that these monks had been trained at a glance. Both their positions and postures were very upright!

Especially with their expressionless faces, everyone exudes the aura of someone at the eighth level of the Tribulation Realm!

Seeing this scene, Chen Ping's expression changed slightly. Being able to lead many subordinates who are at the eighth level of the Tribulation Realm, the man in front of him must be very powerful, and he must have huge power behind him!

Chen Ping couldn't see through the state of the man and the two old men in front of him. He could only feel that the aura of the other party was very powerful!

It's obvious that the other party has used some method to cover up his realm so that no one can detect it!

"The little girl in front of me has delicate features and pretty eyes. If she were to put on women's clothes, she would definitely be a fairy..."

At this time, Demon Lord Chiyun spoke!

Chapter: 7238

"woman?"

Chen Ping was stunned for a moment and couldn't help but look at the man in front of him!

Demon Lord Chiyun actually said that the other party was a woman, but Chen Ping didn't notice it for a while!

"You still can't tell the difference between men and women. You have so many women around you for nothing."

"Although this person wears a corset, you can still tell at a glance who has such towering chest muscles..."

Demon Lord Chiyun said!

When Chen Ping heard this, he couldn't help but put his eyes on the man's chest. Sure enough, the muscles on the man's chest looked a little abnormal and very uncoordinated!

If a man has this kind of body proportion, it would be too strange, but if it is a woman, it is normal!

Zhu Qingxiu also whispered at this time: "This is a woman disguised as a man, he is a woman..."

"Can you see that too?"

Chen Ping looked at Zhu Qingxiu in surprise!

"Of course, I rely on intuition. If the other person is a real man, with such a handsome face, it is impossible for a woman not to have her heart beat faster."

"But when I saw this man, I didn't feel anything at all. I was even a little repulsed. It's obvious that he is a woman, and only women can be repulsive."

Zhu Qingxiu explained!

Chen Ping was speechless after hearing Zhu Qingxiu's explanation. How could men and women be distinguished like this?

When the man opposite saw Chen Ping staring at him, he couldn't help but frown slightly, but he didn't say anything, but walked towards the cave with a cold face!

But just as they were passing by Chen Ping and the others, the old man who was blind in his left eye suddenly drew his sword and stabbed Chen Ping in the eye!

“Rude guy...”

The terrifying sword energy instantly enveloped Chen Ping!

Chen Ping frowned. He didn't expect that the other party would suddenly take action without any warning!

Chen Ping's body was instantly indestructible and his golden body was activated, and at the same time, a faint white light flashed around his body!

Zhu Qingxiu also took action immediately, blocking him with the long sword in his hand!

clang.....

After a crisp sound, Zhu Qingxiu instantly took a few steps back, and the old man's sword energy also dissipated!

Chapter: 7239

“A member of the Wanjian Sect?”

The old man who was blind in his left eye frowned slightly and stared at Chen Ping and the others closely. The long sword in his hand trembled slightly, and a terrifying sword intent continued to spread!

Zhu Qingxiu felt the opponent's sword intent, and her face became very ugly, but Chen Ping looked at the opponent calmly!

Because he hid his realm just now, Chen Ping didn't discover the identities of these two old men!

Now it seems that these two blind old men are also demon cultivators!

But the man in front of him didn't have a trace of demonic aura on his body. Even the Tribulation Realm monks following behind him had an aura of awe and awe, and they were not demonic cultivators!

This made Chen Ping very puzzled. What kind of force could coexist with the demon cultivator and make the demon cultivator willingly act as a servant?

"Demon Sealing Alliance?"

The words Demon Sealing Alliance flashed across Chen Ping's mind.

Now only the Demon-Sealing Alliance supports a large number of demon cultivators. Are these people from the Demon-Sealing Alliance?

Is the guy in front of me disguised as a man a young master or princess from the Demon Sealing Alliance?

Thinking of the airship that had just been blocked by the Demon Cultivator from the Demon Sealing Alliance, and the long sword the other party also used, maybe these are all together!

Thinking of this, Chen Ping was finally no longer calm!

If these people are really from the Demon Sealing Alliance, then he will have to figure out how to escape. There is no way to enter this battlefield of gods and demons!

Just when the old man who was blind in his left eye was about to take action again, and Chen Ping was thinking about how to leave, suddenly the woman disguised as a man spoke!

“Elder Zuo Blind, you attack others innocently and cause trouble. Do you want to blind your other eye too?”

The woman’s voice was cold, and her eyes contained no emotion!

“I don’t dare.” The old man who was blind in his left eye hurriedly took a few steps back, then bowed slightly and said: “That guy was spying on the lady and staring at the lady’s private parts. I blinded his eyes, too. For the sake of Miss...”

But the woman didn’t appreciate it and said: “I am now disguised as a man and I am a man, so it is not an exaggeration for him to look at me.”

“You two stared at me back then. I was a girl at that time, and my father poked your eyes out. Are you two still grudges now?”

“My subordinates dare not...”

The expressions of the two blind old men suddenly changed, and they knelt down in a hurry!

When Chen Ping saw this, he immediately laughed. The two old men were blind because they looked at the woman in front of them!

But just one look made her blind, which shows that this woman’s father is also a very violent person!

“Miss, your father saved our lives, how dare we have the slightest dissatisfaction...”

The old man who is blind in his right eye said!

“You guys get up, I just said it casually.”

The woman gave a gentle support, and the two old men stood up instantly. Then the woman continued: “Father has told me not to be angry when going out, and to be kind to others. If you killed someone just now, wouldn’t it be my father’s fault again?” Adding a debt of abuse?”

“My father has been charitable and charitable for so many years, and he has never treated you differently because you are a demon cultivator, so you must also change your past bad habits!”

“Miss, you’re right!” the two old men hurriedly bowed!

After teaching the two old men a lesson, the woman looked at Chen Ping, cupped her hands and said, “Fellow Taoist, please forgive me for any offence...”

After saying that, the woman flicked her hand, and a bag of purple gold spirit coins fell into Chen Ping’s hand!

Chen Ping looked at the bag of purple gold spirit coins and couldn’t help but be speechless. It seemed that this woman’s family was very rich!

However, Chen Ping is not shy about money. After all, Chen Ping is not short of money either!

But just when Chen Ping was about to return the purple gold spirit coin to the other party, he saw the woman leading someone to the cave!

Chen Ping knew that this woman must have brought people here for the battlefield of gods and demons!

But there was a formation blocking her, and he wanted to see how this woman entered the battlefield between gods and demons!

I saw the woman slowly stretching out a hand, and there were runes carved in her palm. It was obvious that someone had carved them in the woman's palm!

Chapter: 7240

The moment the woman's palm touched the formation at the entrance of the cave, the entire formation began to shake!

Along with the violent shaking of the formation, the formation that sealed the entrance of the cave began to slowly open!

This shocked Chen Ping. The runes on this woman's palm were so powerful?

This formation was not broken by force, but cracked directly. Although Chen Ping could also crack this formation, it would take time and would not be so fast!

Chen Ping became very curious about the woman's identity at this moment!

Now it seems that the other party obviously does not look like a member of the Demon Sealing Alliance!

As the formation was broken, the woman withdrew her palm with runes, then looked around and said: "The formation has been broken. Anyone who wants to enter can show up. There is no need to be sneaky!"

After saying that, the woman waved her palm lightly, and everyone felt a breeze blowing on their faces. Everyone who had been hiding their auras was instantly exposed!

Seeing that their aura was exposed, these people could no longer hide, so they appeared one after another, dozens of them in total!

However, these people are obviously not from the same force. Some people were surprised when they met, which proves that each other does not know the existence of the other!

“Everyone, you must also want to enter this cave, but there is a formation blocking it, so you can’t go in!”

“Now that I have broken the formation, if any of you want to enter, you must hand over one hundred thousand spiritual stones!”

“If you don’t pay the fee, trespassers will be killed without mercy...”

The woman’s voice was very soft, but it contained an unmistakable murderous intent!

Everyone looked at each other, a little at a loss. After all, the Eastern Region is a barren land. Taking out one hundred thousand spiritual stones at once is not a small amount!

“This relic is a relic from ancient times and does not belong to your family. Why should we pay for it?”

At this time, a monk asked with some dissatisfaction!

“Because I opened the formation. If you want to go in, then open the formation yourself and I will never stop you!”

The woman counted slowly!

“I...” The monk opened his mouth, but didn’t know how to answer. After all, if he could break the formation, he wouldn’t have waited until now, he would have gone in long ago!

“Even if you broke through the formation, one hundred thousand spirit stones are too many, and many of us can’t take them out!”

“Can you ask for a little less, or let us go in and wait until we find the treasure inside to pay for the 100,000 spiritual stones!”

Some people also started to speak, saying that one hundred thousand spirit stones were too many!
