

The Order 7241

Chapter: 7241

“If you take out one hundred thousand spirit stones and go in, if you can’t take them out, then you can stay outside. What are you doing, mother-in-law?”

At this time, the blind elder Zuo said sharply!

“How can you talk? We won’t take it, but we still insist on entering. How dare you...”

puff.....

Some monks were dissatisfied and contradicted the blind elder Zuo, but before he could finish his words, he saw a flash of cold light!

The monk’s head flew out instantly, and he couldn’t die anymore!

You must know that those who can find this place are not ordinary monks, most of them are in the seventh or eighth level of the Tribulation Realm!

Now he was killed by the blind elder Zuo with one sword!

This time, everyone was instantly frightened and no longer dared to speak!

When the woman saw this, she did not reprimand Elder Zuo Blind, and she seemed to approve of Elder Zuo Blind's behavior!

After all, there are so many people. If they don't have some shock, they all rush into the cave entrance, it will be troublesome!

After everyone pondered for a moment, some people turned around and left, not knowing whether to go find the spirit stone or leave helplessly!

Some people gritted their teeth, handed over 100,000 spirit stones, and then successfully entered the cave!

People have to bow their heads under the eaves. After all, the opponent is too strong and no one dares to resist!

In just a moment, the woman collected millions of spiritual stones. This was really a good deal!

"Mr. Chen, what should we do?"

Zhu Qingxiu looked at Chen Ping and asked!

After all, they don't have that many spiritual stones to hand out!

Even if Zhujiuzhen is asked to do it, he probably won't be able to do it now. After all, Zhujiuzhen's resources have been almost exhausted in order to treat Zhu Yuanji!

"I'll go ask!" Chen Ping walked towards the woman!

Although Chen Ping does not have spirit stones, he does have purple gold spirit coins. This purple spirit coin can be used as money, and of course it can also be used as a cultivation resource!

“Miss, I don’t have that many spiritual stones with me. I wonder if I can use purple gold spiritual coins instead?”

Chen Ping asked the woman!

Chapter: 7242

“Of course.” After the woman finished speaking, she stretched out her hand toward Chen Ping!

Chen Ping directly returned the purple gold spirit coin that the woman gave him!

The woman held the purple gold spirit coin and smiled slightly and said: “You can go in. I gave you this purple gold spirit coin just to give you a chance to enter. After all, my people were rude to you just now!”

Chen Ping was stunned for a moment, then he smiled bitterly and said: “Then why do you bother giving me purple gold spirit coins? Why don’t you just let me in for free...”

“That’s not okay. This is a rule. You can’t break the rules...”

The woman shook her head!

Chen Ping couldn’t help but laugh. He felt that this woman was quite cute, and she was so cute that she was a little stubborn!

“Then my two companions...”

Chen Ping pointed at Ji Yun and followed Zhu Qingxiu.

“Treat everyone equally, one hundred thousand spirit stones, or the equivalent amount of purple gold spirit coins!”

The woman spoke!

“Well, I hope this trip to the battlefield of gods and demons can earn back the ticket price...”

Chen Ping smiled and took out two more bags of purple gold spirit coins from the storage ring!

Seeing Chen Ping casually take out two bags of purple gold spirit coins, the woman’s expression was obviously stunned!

After all, the person who can take out so many purple gold spirit coins so casually is definitely not an ordinary person. Maybe there is a huge force behind it!

The woman took the purple gold spirit coin and then asked: “May I ask what I call this fellow Taoist?”

“Chen Ping...”

Chen Ping directly said his name!

Now that he knows that the other party is not from the Demon Sealing Alliance, Chen Ping has no need to hide his identity!

Sure enough, when the woman heard the word “Chen Ping”, her expression didn’t change. It seemed that she didn’t know Chen Ping, and she didn’t know about the Hundred Years of Demon Sealing Alliance’s pursuit of Chen Ping!

Seeing the woman’s expression, Chen Ping finally breathed a sigh of relief. The woman was not from the Demon Sealing Alliance, and she didn’t know about her own affairs. In this way, Chen Ping would be relatively safer in the battlefield of gods and demons!

“My name is Lin Keting, they all call me Xiaoting...”

The woman followed Chen Ping and introduced herself!

Chapter: 7243

“Miss.....”

The right-blind elder opened his mouth to remind Lin Keting something, but Lin Keting glared at him and took back his words!

“Miss Lin, see you later. I’ll see you on the battlefield of gods and demons...”

After Chen Ping finished speaking, he was about to take Ji Yun and Zhu Qingxiu into the cave entrance!

But just as he turned around, Lin Keting suddenly called him: “Wait a minute...”

“Is there anything else going on, Miss Lin?”

Chen Ping looked at Lin Keting in surprise and asked!

“Did you just talk about the battlefield of gods and demons? How do you know this is not a ruin, but a battlefield of gods and demons?”

Only then did Lin Keting react!

You must know that everyone mistakenly thought this place was an ancient ruins, but only Chen Ping called it a battlefield between gods and demons!

“What’s so difficult about this? The aura of the battlefield between gods and demons has leaked out. Of course I know it.”

“And this is not the first battlefield between gods and demons that I have entered, so I can detect it!”

After Chen Ping finished speaking, he turned around and walked into the cave with Ji Yun and Zhu Qingxiu, ignoring Lin Keting!

Lin Keting stared at Chen Ping’s back, her expression became solemn!

“Miss, there is something wrong with this boy. He is obviously at the seventh level of the Tribulation Realm, but the temperament he displays does not match his level.”

“Elder Zuo Xiang took action just now. If he were an ordinary seventh-level monk in the Tribulation Realm, he would have been frightened to death. But instead of being scared, this guy not only didn’t feel scared, he actually activated the body-protecting magical power in an instant.”

“And he took out so many purple gold spiritual coins just now. He is obviously not an ordinary monk. I hope the lady will be more careful about this guy!”

The blind elder reminded in a low voice!

Lin Keting rolled her eyes at the blind elder on the right and said angrily: “I’m blind, can’t I see it? Do I need you to remind me?”

When the right blind elder saw this, he was too frightened to speak!

The reason why Lin Keting had a bad attitude towards the blind elders on her left and right was because these two guys had spied on her before!

Although she didn’t see anything, Lin Keting was still worried about it!

These two old guys also paid the price of one eye for this, but they were also a blessing in disguise. They were taken under the wing of Lin Keting’s father and avoided being hunted!

Chapter: 7244

You must know that the demon cultivator many years ago was a rat crossing the street and everyone shouted to beat it!

This time Lin Keting brought two blind elders out, it was actually her father’s attempt to ease their relationship!

“Right blind man, I just shot casually and didn’t use my full strength at all. Don’t flatter that kid. If I had used my full strength, that kid would have died long ago!”

Elder Zuo Blind said somewhat unhappily!

After all, Elder You Blind's words meant to belittle him, so of course he wouldn't be happy about it!

"Pull him down. I think you may not be able to hurt that kid even if you try your best. Didn't you see that kid suddenly activated the magical body-protecting technique? His whole body was covered with golden scales. This is definitely not an ordinary technique."

"And that girl is actually a disciple of the Wanjian Sect. You must know that those guys in the Wanjian Sect are all just seeking fame and reputation, and they have extremely high vision. How can they be just a lackey?"

"Obviously that girl is that boy's follower, but that boy is not a disciple of Wanjian Sect. This shows that the power behind this boy is definitely not simple, and even sects like Wanjian Sect are convinced."

Elder You Blind analyzed directly!

I have to say that this right-blind elder does have some brains, much better than a simple-minded one like the left-blind elder!

"I won't tell you anymore. After I enter the battlefield of gods and demons and meet that kid, I will ask him carefully. I want to see how powerful he is."

The blind elder on the left knew that he could not defeat the blind elder on the right, so he turned his head and looked aside and stopped talking!

"You should not enter the battlefield of gods and demons. If there is a conflict in the battlefield of gods and demons, who will take care of all this trouble for you!"

Lin Keting glanced at Elder Zuo Blind, and then continued: "Take some people to guard here. Those who don't hand over the spirit stones, don't let them in."

“If someone breaks in by force, don’t be polite. But remember, you can’t hurt other people’s lives for no reason. If my father finds out, he will definitely be punished.”

“You are not allowed to tell my father about today’s matter. He has a Bodhisattva heart and cannot accomplish anything big.”

Lin Keting warned everyone that it was obvious that what happened today was her own fault, and her father had no idea at all!

“Miss, don’t worry, we will never say anything!”

The right blind elder said quickly!

This was a good opportunity to curry favor with Lin Keting, and he wouldn’t miss it, not to mention that Lin Keting wanted to take him into the battlefield of gods and demons without the blind elder!

“Miss, although I am reckless, I also know what to say and what not to say...”

Elder Zuo Blind also expressed his stance!

He just killed someone. If he really told anyone, he would be punished!

Chapter: 7245

As for the monks with swords, Lin Keting didn’t even look at them. She knew that these people would not talk nonsense. These were dead waiters. If Lin Keting asked them to die, they would not hesitate!

So there is no need to tell you about this kind of thing!

Lin Keting led Elder Blind Right into the battlefield of gods and demons, while Elder Blind Left could only lead people to guard the entrance of the cave!

Although I felt very unhappy, there was nothing I could do!

Although he is a demon cultivator, he still knows how to repay kindness!

.....

Qijia Town!

The hunchbacked old man and Tiansha are meeting with Qi Yuankun, the governor of Qijia Town!

Facing the people sent by the Demon-Sealing Alliance, Qi Yuankun was extremely respectful. After all, if he wanted to avenge his son, he would need the help of these people from the Demon-Sealing Alliance!

“Director Qi, since your Qijia Town has joined the Demon Sealing Alliance, we are now a family, so there is no need to beat around the bush.”

“You take us directly to Zhujia Town, destroy Zhujia Town, and capture Chen Ping to avenge your son.”

“However, we came in a hurry and consumed a lot of spiritual energy along the way. We need to temporarily replenish our physical strength.”

The hunchbacked old man said directly to Qi Yuankun!

The meaning is obvious, this is to ask Qi Yuankun to use resources. After all, it is necessary to replenish physical strength, which is not something you can do just by talking, you must have resources!

Qi Yuankun was stunned for a moment, but then he responded: "Of course, you come to help me, I can't let you go hungry."

"I will order you to go down and collect the resources of Qijia Town for everyone to use. However, the Eastern Region is in a deserted area and there are not many resources. Please don't dislike it!"

"Of course not. Director Qi has intentions, how can we dislike him!" The hunchbacked old man was very happy to see Qi Yuankun being so righteous!

But at this moment, a strong wind hit, and then a black shadow appeared in the hall!

Qi Yuankun suddenly became nervous. He didn't expect someone to break into the hall of his room so easily!

"Director Qi, don't be nervous, this is just one of my disciples..."

The hunchbacked old man saw this and hurriedly explained!

When Qi Yuankun heard this, he breathed a sigh of relief. If the enemy could enter and exit his room so easily, would he still be safe?

"Tian Luo, I didn't ask you to go explore the place where the heaven and earth had strange phenomena. Why did you come back so soon?"

Chapter: 7246

The hunchbacked old man asked!

“Sect Master, I met Chen Ping on the way. I fought with him a few times, but I didn’t expect that boy to be quite capable. Besides, they were outnumbered, so I ran back to avoid suffering a disadvantage!”

Tianluo said truthfully!

“Chen Ping?” When Qi Yuankun heard the word “Chen Ping”, he was immediately furious, and then he suddenly knelt down towards the hunchbacked old man: “Please also ask Master Tian to kill Chen Ping quickly and avenge my son. As for resources, I am willing to dedicate all the resources of our Qijia Town.”

The hunchbacked old man gently lifted Qi Yuankun up with his palm, and then said: “Director Qi, don’t worry, wait until I ask clearly. Now that you and I are one family, you naturally don’t need to say anything about killing Chen Ping.” !”

After saying that, the hunchbacked old man looked at Tianluo and asked, “Tianluo, can you tell me in detail what happened?”

Tianluo told the hunchbacked old man what happened in detail!

The hunchbacked old man frowned slightly and said: “It seems that this Chen Ping is also heading to the place where the heaven and earth have strange phenomena. I guess there must be something strange about that place!”

When Qi Yuankun on the side heard this, his expression became a little unnatural!

There are ruins on the Gelu Mountain. They in Qijia Town have been searching for the entrance for a hundred years, but they have not been able to find it. Now they finally have some clues, but they don’t expect that the vision of heaven and earth has attracted so many people!

Even if the entrance is found now, the ruins may have nothing to do with their Qijia Town!

“Director Qi, do you know where the strange phenomena in the sky and earth are?”

The hunchbacked old man asked!

“I...I...”

Qi Yuankun didn't know how to answer. Should he tell the hunchbacked old man in front of him about the ruins?

And just when Qi Yuankun was stuttering and didn't know how to answer, suddenly a Qijia Town monk hurried in!

“Mr. Secretary, what's wrong, the entrance to the Gelu Mountain ruins was discovered and opened, and Chen Ping is also among them.”

The monk was sweating profusely. He must have rushed back to report the news!

Qi Yuankun wanted to stop the other party from speaking, but it was too late!

“Director Qi, what's going on? What's going on with the ruins?”

The hunchbacked old man frowned slightly and said!

“Master Tian, it is rumored that there is another world in Gelu Mountain, and there is an ancient ruin there. It is recorded in the ancient books of our Qijia Town.”

“It’s just that in the past hundred years, the entrance to the ruins has never been found. Now that strange phenomena appear frequently on earth, it should be related to the ruins!”

“Now that the entrance to the ruins has been discovered and opened, I believe there must be many treasures inside!”

Chapter: 7247

Qi Yuankun could only tell the truth helplessly!

Hearing this, the hunchbacked old man’s eyes suddenly glowed with gold.

“Director Qi, where are the ancient books? Bring them to me and let me check them carefully...”

The hunchbacked old man said!

“Sect Master, now that the ruins have been discovered and opened, you are wasting your time by checking ancient books, and I am afraid that all the good things will be taken away.”

Tiansha said anxiously!

“Yes, Sect Master, we must leave as soon as possible, and Chen Ping is also here, so we can catch Chen Ping together!”

Tianluo also urged!

“Tianluo Tiansha, you two go to the ruins first. With your strength, you will definitely have no problem catching Chen Ping.”

“But try not to cause conflicts with others and restrain yourself!”

“There is a strange phenomenon in the sky and the earth, and the entrance to the ruins appears. It is not that simple. I have to check it out to avoid it being a trap!”

The hunchbacked old man was very cautious. He was afraid that this sudden vision of heaven and earth would be directed at them!

After all, it would be too much of a coincidence for something like this to happen as soon as they arrived!

“Okay, let’s go explore the road first and catch Chen Ping by the way!”

When Tianluo heard this, he immediately said happily!

Without the sect master following them, the two of them can do whatever they want without being restricted.

With the strength of the two of them, they are almost invincible in this place in the Eastern Region!

Wouldn’t it be great if we could really find some treasures in the ruins and hide some privately?

The hunchbacked old man could see what Tian Luo was thinking at a glance, but he did not point it out. Instead, he said to Tian Sha: “Tian Sha, there are some things that need to be measured, and don’t be too reckless!”

“Don’t worry, Sect Master!”

Tiansha nodded!

After Tiansha and Tianluo said goodbye, they headed towards Gelu Mountain. The two people were very fast, and their figures disappeared in a flash!

At this time, at the entrance to the battlefield of gods and demons in Gelu Mountain, Elder Zuo Blind sat boredly on a big rock and ate melon seeds!

A long sword was placed beside him, and there were more than a dozen corpses lying in front of him. These were all people who wanted to force their way in without giving them spiritual stones!

Chapter: 7248

Without the restraint of Lin Keting, Elder Zuo Blind let go of his temper and went on a killing spree!

Anyway, no one dares to tell anyone about what happened today!

Just as the blind elder Zuo was leisurely cracking melon seeds, two phantoms suddenly came quickly, and along with the two phantoms came an invisible breath shock wave!

This is because the shock wave generated by the two people's speed is too fast. Under this shock wave, the rocks are shattered!

Elder Zuo Blind frowned, waved his big hand lightly, and directly shattered the shock wave!

These two phantoms are Tiansha and Tianluo who are coming quickly!

When they arrived at the entrance of the cave, they fell from mid-air!

The blind elder Zuo immediately stood up with his sword in hand and stared at the opponent!

At this time, the face of the elder who sat down no longer looked relaxed. After all, Tiansha and Tianluo were not weak at all!

Both of them are at the second level of the Mahayana Realm!

This kind of strength is rare in this place in the Eastern Region, and the opponent is still a demon cultivator like him!

It is not easy for a demon cultivator to reach this level!

You must know that the living space for demon cultivators is very small in the world of gods and humans, and there are not many resources available, so it is not easy to cultivate to the Mahayana realm!

Tian Luo and Tian Sha were also slightly startled after seeing Elder Zuo Blind. They did not expect to meet someone from the same path!

Moreover, the aura on the opponent's body is very terrifying, and they can't detect the opponent's realm at all!

Tiansha arched his hands towards Elder Zuo Blind as a greeting, and then took Tianluo into the cave entrance!

But Elder Zuo Blind stretched out his hand and stopped the two people!

“Fellow Taoist, I wonder why you stopped us?”

Tiansha asked!

“To enter, each person must pay one hundred thousand spirit stones.” Elder Zuo Blind said!

“Hand over 100,000 spiritual stones?”

Tiansha and Tianluo were stunned!

They all live under the shelter of others and work as dogs for the Demon-Sealing Alliance. Where can they find a hundred thousand spirit stones?

Chapter: 7249

“Who are you? Does this cave belong to your family? Why should I give you the spirit stone?”

Tian Luo asked dissatisfied!

“You don’t care if it belongs to my house or not. Just hand it over if I ask you to, otherwise you won’t even think about getting in.”

Elder Zuo Blind has a very tough attitude!

Tianluo frowned, and instantly held one hand on the blood-red sword!

This old guy is too awesome. Isn’t this robbery?

Seeing this, Tiansha quickly pressed Tianluo's arm, and then said to Elder Zuo with a smile on his face: "Fellow Taoist, it's impossible for us to bring so many spiritual stones when we go out, and considering that we are all demons, For Xiu's sake, let the two of us go in!"

"No, this is a rule and cannot be broken..." Elder Zuo Blind said!

Even the eldest lady Lin Keting couldn't break the rules, so of course he wouldn't dare!

"Damn it, you old guy, will you let us in? Let me tell you, we are members of the Demon Sealing Alliance."

"You old guy, if you are not honest, we will directly arrest you into the Demon-Sealing Alliance and make you suffer all the pain in hell!"

When Tian Luo saw Elder Zuo Xiang not giving him face, he immediately became angry!

He moved the Demon-Sealing Alliance out. After all, many demon cultivators are afraid of the Demon-Sealing Alliance. After all, the Demon-Sealing Alliance is an alliance established specifically for demon cultivators!

As soon as Tian Luo said the Demon Sealing Alliance, Elder Zuo Blind's anger suddenly surged!

"Damn it, it turns out you are the dogs of the Demon Sealing Alliance, and you are a disgrace to our demon clan."

"Bah..."

Elder Zuo Blind actually spat fiercely at Tiansha and Tianluo!

“What the hell...”

Tianluo immediately became angry, instantly drew out his bloody long sword, and slashed directly at Elder Zuo Blind!

His temper doesn't allow others to humiliate him like this!

Elder Zuo Blind was also angry. Seeing that Tianluo dared to attack him, he became furious. He also slashed the long sword in his hand, and the sword light burst out in front of him!

Upon seeing this, the sword-wielding monks drew out their swords and surrounded the Tiansha!

Although the strength of these people is very different compared with Tiansha, these sword monks do not show the slightest fear, and there is no expression on their faces!

Tiansha looked at the several sword-wielding monks and felt something bad. It was obvious that the state displayed by these monks was so extraordinary that ordinary sects would not be able to cultivate such people!

Chapter: 7250

“Everyone, we are just passing by and have no plans to do anything!”

Tiansha knows that he cannot easily provoke other forces. After all, the sect master has told him!

If the devil doesn't take action, neither will those monks with swords!

But Elder Zuo Xiang followed Tian Luo and was already fighting!

Both of them had bad tempers, and they collided in an instant!

Rumble.....

With a deafening sound, countless sword lights collided together, and Tianluo was beaten back and forth!

After being forced back, Tian Luo looked at Elder Zuo Blind in shock, frowned slightly and said: "You old guy, you are really capable..."

Obviously, Tianluo is no match for the blind elder Zuo!

But this Tianluo is not timid, because he knows that Tiansha is still there, and the two of them join forces. This blind elder Zuo is definitely no match. Tiansha cannot see him defeated!

As for the monks who want to hold swords, Tianluo doesn't pay attention at all. After all, these monks are only in the realm of transcending tribulation!

However, Tianluo's idea is completely wrong. These sword-wielding monks are the most terrifying!

Because they are not afraid of life and death at all, they have no emotions, only loyalty!

"You are a dog from the Demon Sealing Alliance, I will break your dog legs today!"

After saying that, Elder Zuo Blind attacked Tianluo again!

While Tianluo was parrying, he shouted to Tiansha: “Tiansha, if you don’t take action, are you going to watch me get killed?”

Tiansha frowned slightly, glanced at the sword-wielding monks around him, gritted his teeth for the last time, and jumped up!

If he doesn’t help Tianluo, Tianluo will definitely lose!

But just when Tiansha jumped up, several sword-wielding monks all followed suit!

“Don’t worry about it, I’m going to fight these two demon-sealing alliance dogs today alone!”

Elder Zuo Blind actually blocked the help of those sword-wielding monks!

With the order of Elder Zuo Blind, the sword-wielding monks stopped instantly and watched quietly from the side!

Tiansha and Tianluo started attacking Elder Zuoblind one from the left and the other from the right!

Two against one, Elder Zuo Blind was clearly outmatched, and was shaken back by sword rays one after another!
