

## **The Order 7281**

Chapter: 7281

As far as the naked eye can see, it is pitch black and nothing can be seen!

The entire continent seems to be cut off straight here!

The darkness ahead seems to be the end!

“This...how to go down here? It’s too deep...”

Someone complained helplessly.

Now that everyone’s strength has been suppressed, they are just ordinary people. Who dares to jump directly without being smashed to pieces?

What’s more, no one knows what’s down there, it’s an unknown area!

“I can take you down!”

At this time, the thunder beast spoke.

Everyone here has been suppressed in strength, only the Thunder Beast has not been suppressed!

“That’s great, then please take us down...”

The old man among the monks said!

“But taking so many people down will cost me a lot, so...”

Thunder Beast frowned slightly.

“Don’t worry, we will definitely not treat you badly. When we find the treasure, we will share some with you.”

The old man understood what the thunder beast meant and said quickly!

Other monks also nodded in agreement!

If the Thunder Beast is not allowed to send them down, they will only be blocked here!

“Treasures are of little use to me, but if you have spiritual stones, you can give me some to replenish my physical strength.”

Thunder Beast said directly!

It was obvious that this thunder beast wanted the spirit stone before sending everyone down.

When they heard that they wanted spiritual stones, all the monks were stunned for a moment, and then looked at each other!

After all, dividing treasures is just a pie in the sky, and unknown promises are the least valuable!

But if you want spiritual stones, then you have to pay for them.

Chapter: 7282

Seeing everyone hesitating, Thunder Beast said: "I won't force it. If you don't want to go down, just pretend I didn't say anything."

"Okay, I'll pay..."

A monk decided to take the spirit stone in exchange for a chance to go down!

In the end, some people were willing to take out the spiritual stones, some were not willing, and only half of the people took out the spiritual stones and planned to go and find out!

Chen Ping and Lin Keting also prepared to take the spirit stones, but Thunder Beast refused.

"You two fellow Taoists, there is no need to take it, we will go down now!"

After the Thunder Beast finished speaking, he lightly touched his hammers!

boom!

The world trembled for a while, and then a thunder and lightning struck. This thunder and lightning turned into a ball of light in mid-air, and then enveloped Chen Ping and the others!

The Thunder Beast controlled the light ball and slowly landed under the cliff, controlling the speed very slowly!

After all, Chen Ping and the others are ordinary people at the moment. If something goes wrong, they will definitely not survive.

Slowly, everyone was swallowed up by the darkness. Because they had no spiritual consciousness, the surrounding situation was invisible to the naked eye!

In this darkness, many people began to panic and their breathing became rapid!

Even Lin Keting was holding on to the life-saving jade pendant in her hands, looking nervous!

“Ms. Lin, don’t be nervous, everything will be fine.”

Chen Ping comforted him deeply!

While comforting Lin Keting, Chen Ping himself had a serious look on his face because he always felt a little uneasy!

This uneasiness is the feeling of danger approaching!

Chen Ping could only clench his fists, and all his strength was concentrated on his fists!

Others also looked solemn, and some were praying secretly!

They were like lambs waiting to be slaughtered in the darkness!

Rumble...

Suddenly a thunder and lightning flashed, and there was a glimmer of light in the darkness!

Everyone also took advantage of this light and finally saw the situation under Broken Bone Cliff. It was a white patch of snow. It was not snow, but dense bones!

Chapter: 7283

Thick sinister aura keeps coming from below!

This time, everyone's expressions became even more ugly!

Lin Keting also trembled slightly and unconsciously leaned towards Chen Ping's body!

Chen Ping put his arms around Lin Keting's waist, but Lin Keting didn't struggle!

At this time, you need someone to comfort you the most.

Ji Yun on the side couldn't help but chuckle when he saw this scene.

But Zhu Qingxiu just rolled her eyes and turned her head to the side.

“There is danger...”

At this time, Demon Lord Chiyun in Chen Ping’s sea of consciousness suddenly reminded Chen Ping.

Before Chen Ping could react, the huge ball of light suddenly trembled, and everyone felt dizzy.

At this time, the Thunder Beast’s expression also changed drastically, and he quickly reminded him: “Steady, I’m going to speed up...”

The Thunder Beast controlled the ball of light and quickly fell downwards.

There was a burst of fire around the light ball, and along with a clicking sound, there were cracks on the light ball.

Everyone’s expressions changed drastically.

Without the protection of this light ball, if these people fell, they would definitely be shattered into pieces.

At this time, many people regretted it and might as well not come down.

Not only can you save spiritual stones, but you can also save a life.

But at this time, it’s too late to say anything!

Suddenly, everyone saw a huge palm in the darkness, gently patting the ball of light!

boom!

The light ball shattered instantly!

The Thunder Beast spurted out a mouthful of blood and fell straight down.

Others also fell one after another, their bodies falling downwards uncontrollably!

Lin Keting was still being held by Chen Ping, holding the jade pendant tightly in her hands, with a trace of determination flashing in her eyes!

Chapter: 7284

But just when Lin Keting was about to activate the life-saving jade pendant, a terrifying force swept over, and everyone was swept away by this force like leaves. Everyone felt their heads sink, and then fell into darkness...

I don't know how long it took, but Chen Ping slowly opened his eyes and woke up from his coma!

When Chen Ping opened his eyes, the first thing he saw was Lin Keting's delicate face!

The two of them were still hugging each other, and they were very close to each other. If they moved even a little bit, they would probably kiss.

Chen Ping looked at Lin Keting like that and licked his lips gently, an unknown fire rising in his heart!

But at this time, Lin Keting also suddenly opened her eyes. The two people looked at each other, looking at each other very close!

Lin Keting blushed, and Chen Ping also looked embarrassed!

“You...get up quickly, you’re pushing against me...”

Lin Keting said softly!

“Oh, sorry...”

Chen Ping quickly got up and then pulled Lin Keting up too!

They looked around and found that there was no one else there, and under their feet were countless dead bones, some of which had turned into powder.

“Where are the others? Why is there no sign of anyone else?”

Lin Keting asked.

“I don’t know either. It probably fell somewhere else. Let’s look for it...”

Chen Ping said!

“ah.....”

But as soon as she took a step forward, Lin Keting suddenly screamed!

“Ms. Lin, what’s wrong with you?”

Chen Ping hurriedly came over and asked!

“My leg seems to be injured...” Lin Keting frowned and said!

“What should I do? Should I carry you?”

Chen Ping looked at Lin Keting’s legs and said helplessly!

If his cultivation had not been sealed, Chen Ping could help Lin Keting heal, and this minor injury would be nothing!

But now they are all ordinary people, so there is nothing Chen Ping can do!

Lin Keting shook her head: “Stop hugging me, I’m afraid you’ll hit me with a stick...”

Lin Keting’s words made Chen Ping blush immediately!

“Ms. Lin, I’m sorry, I...I didn’t mean to do it.”

“In this case, let me carry you on my back, so that I won’t bump into you!”

Chen Ping said, squatting down in front of Lin Keting!

“That’s okay!” Lin Keting lay on Chen Ping’s back and let Chen Ping carry him on his back!

Although his strength has been sealed, Chen Ping can still easily control a woman on his back.

Chapter: 7285

Chen Ping was carrying Lin Keting on his back, and waves of fragrance from her body continued to spread into Chen Ping’s nose. At the same time, the soft feeling coming from his back made Chen Ping feel a little distraught.

Lin Keting lay on Chen Ping’s back, raised the corners of her mouth slightly, and gently pressed Chen Ping’s neck with her palms.

In an instant, a dark red word “ting” appeared on Chen Ping’s neck.

“Ms. Lin, what are you doing?”

Chen Ping asked in surprise.

“Oh, it’s nothing. I’m fine now, please let me down!”

Lin Keting said with a secret smile.

“you.....”

Chen Ping was speechless for a while, but he still let Lin Keting down.

Lin Keting smiled at Chen Ping, and then walked forward happily.

Chen Ping was confused. He didn't understand why Lin Keting was smiling, and that smile was a little weird.

Thinking of Lin Keting suddenly pressing his neck just now, Chen Ping hurriedly touched it with his hands, but found nothing.

“What is this guy doing?”

Chen Ping was speechless for a while, but he still followed!

Skeletons all over the ground made creaking sounds when stepped on, but Lin Keting didn't seem to be afraid anymore!

After the two of them walked a certain distance, they found that there was still no one else around. They didn't know where the others had fallen!

But right in front of them, a house appeared. This house was not made of bricks and stones, but more like it was built in the void.

Because the house is looming, and with the twisting of the void, the house also twists and deforms back and forth.

“Are we under an illusion?”

Lin Keting frowned when she saw the house that suddenly appeared.

“Impossible. If you were hit by an illusion, I would be able to detect it immediately.”

Chen Ping shook his head.

Although his strength has been suppressed, Chen Ping’s sea of consciousness is invincible!

To achieve the illusion, you must control the opponent’s sea of consciousness silently.

Chapter: 7286

But Chen Ping’s sea of consciousness is guarded by a big demon like Demon Lord Chiyun, not to mention Daluo Jindian. What kind of illusion can control Chen Ping’s sea of consciousness.

“What’s going on with that house? It looks so unreal?”

Lin Keting asked puzzledly.

“Do you remember that the thunder beast said that the demon cultivator left a remnant soul? This house is probably where the demon cultivator’s remnant soul lives.”

“Since all that is left of the demonic cultivator is a ray of remnant soul, it is not impossible to build a house in the void.”

“Let’s go over and take a look...”

After Chen Ping finished speaking, he walked towards the house curiously.

Lin Keting followed Chen Ping, her body unconsciously getting closer to Chen Ping, and she almost hugged Chen Ping.

Somehow, she felt safe leaning behind Chen Ping.

Although I have not known Chen Ping for a long time, the sense of security this man gives me is something that no one else can replace.

When the two people came to the illusory house, the door of the house slowly opened.

At this moment, Chen Ping and Lin Keting both felt a little strange!

But already here, Chen Ping bravely walked in, followed closely by Lin Keting!

Both of them had their strength suppressed, and yet they dared to walk in. It was indeed a bit brave.

But just as they walked in, the door behind them suddenly closed, and then the scene in front of them changed!

What appeared in front of the two people was a large hall. The main hall was extremely majestic. It was obviously different from the small house they just saw!

On both sides of the main hall, more than a dozen strange-looking stone beasts were arranged neatly, with flames burning in the mouths of each stone beast, illuminating the inside of the main hall very brightly.

In the middle of the hall, a disheveled man sat with his back to Chen Ping and the others.

Chen Ping looked over at a glance and couldn't tell whether the man was a remnant soul or a physical body. Now Chen Ping couldn't use his spiritual consciousness to detect it.

"Senior, we have no intention of offending, and we ask for your forgiveness, senior."

Chen Ping cupped his fists towards the man and said.

No matter who the other person is, you should always be polite first. As the saying goes, don't hit the smiling person.

Chen Ping knew that he had no strength now, so he could only lower his posture. Now was not the time to show off.

The man slowly turned around and looked at Chen Ping with his deep eyes.

Chapter: 7287

Chen Ping looked directly into the opponent's eyes without fear, and he could be sure that the opponent was the body of the remnant soul.

"No offense intended?" The man stood up slowly: "You obviously came here, and you still said there was no offense intended."

Only then could Chen Ping be able to see the man's full face. He was covered in a black robe. As the man stood up, waves of cold evil aura hit his face.

Looking at the man's remnant body, Chen Ping wanted to curse, "Why are you pretending to be so cool?"

If Chen Ping hadn't been suppressed, he would have started scolding him by now.

But now, people have to bow their heads under the eaves and can only act cowardly.

"Senior, we are just curious, that's why we come here, there is absolutely no other intention."

Chen Ping tried his best to explain.

If this guy takes action, Chen Ping doesn't know if he can deal with it, so it's better not to provoke him.

"Yes, we are just curious. If you don't like it, we will leave now!"

When Lin Keting saw this, she quickly took Chen Ping and planned to leave!

"Want to leave?"

The man spoke: "Without my permission, you can't leave here."

"To be honest, I was the one who brought you two here. Otherwise, why wouldn't others be able to see this hall?"

“I don’t know what senior brought us here on purpose?” Chen Ping had a bad feeling in his heart at this moment.

He felt that this demonic cultivator’s remnant soul might be about to seize his body. Although his strength would be greatly reduced after seizing his body, it was still better than being a wisp of remnant soul trapped here all the time.

If that’s the case, this guy definitely wants to take his own body.

“It’s nothing wrong. I have been here for thousands of years, but I am trapped here with all my cultivation. I am a little unwilling to do so.”

“So I need to borrow your bodies to leave this crappy place and enjoy the outside world.”

The man said it without any hesitation!

When Lin Keting heard this, her face suddenly became very ugly!

Chen Ping also frowned: “Senior, I didn’t understand what you said. Do you want us to take you away?”

Chen Ping was still pretending to be dumbfounded.

“It’s okay if you don’t understand. You’ll understand in a while.” The man laughed, and his smile was very sinister.

Chapter: 7288

Lin Keting's face was full of fear, and she looked at Chen Ping and said, "Are you stupid? He is going to take your body away from you. He is going to take over your body, and then you will be completely finished."

Chen Ping glanced at Lin Keting, his face full of helplessness. How could he not know? He was just pretending not to know.

If this guy was just taking the body, Chen Ping would like him to take the body!

As long as he dares to enter his sea of consciousness, he won't have to worry about anything anymore, Demon Lord Chiyun will beat the shit out of this guy.

Even if Demon Lord Chiyun is not his opponent, Daluo Jindian in his sea of consciousness is not a vegetarian.

"This little girl is pretty good and has a bright mind."

The man looked at Lin Keting and nodded with great satisfaction!

"Why did you seize his body and bring me here?" Lin Keting looked at the man in confusion.

"I've been here for thousands of years, and I haven't tasted the taste of a woman for a long time. After I take over, there must be a woman who can satisfy me."

The man looked at Lin Keting lustfully!

When Lin Keting heard this, her face immediately turned red, and then anger burst out of her eyes!

“Damn it, you’re just a little remnant, how dare you have any evil thoughts about my aunt, today I’m going to beat you to pieces.”

Lin Keting was angry!

“Hahaha, your strength has been suppressed, but you still dare to speak so brazenly.”

The man laughed. He was not afraid at all, even though he was a remnant soul and his strength had been reduced to the last tenth!

But to deal with Chen Ping and others who have suppressed their strength and are just ordinary people, they can still be pinched with their hands!

“Go to hell...”

Lin Keting suddenly opened her mouth and palms, and the runes in her palms flashed with light.

Then a golden light shot out towards the man!

The man was suddenly startled and retreated quickly. The stone beasts on both sides of the hall suddenly began to rotate!

The golden light hit the stone beast and was reflected among the many stone beasts, and its power gradually disappeared!

Seeing that the blow missed, Lin Keting’s face became extremely ugly!

Because she knew that she only had this chance.

The man's figure returned to Chen Ping and the others, and then stared at Lin Keting, his eyes full of anger.

Chapter: 7289

"You little girl, who are you? How come you have the runes he drew for you?"

"No matter who you are, it's all because of that stinky old man that I'm in this situation today. I just want to take it out on you."

After the man finished speaking, he waved his palm lightly!

A force directly lifted Lin Keting up. Lin Keting felt that she had difficulty breathing and was afraid that she was going to die.

Lin Keting desperately grabbed the jade pendant. When she wanted to break the life-saving jade pendant into pieces, a sword light suddenly struck!

"Let her go..."

I saw Chen Ping holding the dragon-slaying sword and slashing towards the man with one sword!

The terrifying sword intent surprised the man and he let go of Lin Keting!

With this sword, Chen Ping himself didn't even know how he was able to achieve the sword intent!

“Boy, your strength has been suppressed, but you are still so powerful. It seems that your body is indeed strong. It seems that I made the right choice.”

“If your physical body is not strong enough to withstand my seizure, your ability to be seized by me is a blessing that you have cultivated for hundreds of years.”

After the man finished speaking, he walked directly towards Chen Ping!

This time, Chen Ping did not use the Dragon-Slaying Sword, but punched the man!

“Holy Light Fist...”

Chen Ping shouted loudly, even the strength of his physical body caused Chen Ping to shoot out thousands of golden lights!

The man frowned slightly and suddenly disappeared.

The light dissipated, and the man was no longer in the hall.

But just when Chen Ping was a little confused, a sudden force hit him, and Chen Ping’s body flew backwards instantly!

Bang bang bang.....

Chen Ping’s body smashed several stone beasts and hit the ground heavily!

As soon as he stopped, Chen Ping started vomiting blood. He was obviously seriously injured!

“Chen Ping...” Lin Keting saw this and ran over quickly, looking at Chen Ping nervously!

Chen Ping looked at Lin Keting and was speechless for a while. If it weren't for this woman, Chen Ping might have pretended to be stupid and let the man enter the sea of his consciousness unsuspectingly and seize him!

“You boy, you actually know the boxing skills of the heaven. If I am not wrong, this punch of yours should be the unique skill of Feng Mo.”

“I never thought that after thousands of years, Feng Mo's unique skills could still appear in a young monk like you.”

“When I seize your body, I will greatly increase your strength.”

The man's figure slowly appeared in mid-air in the hall, looking down at Chen Ping and Lin Keting!

“I won't let you take away his body...”

Lin Keting stood in front of Chen Ping, holding a life-saving jade pendant in her hand!

When Chen Ping saw this, he was speechless and said quickly: “Miss Lin, please leave quickly and leave me alone.”

“No, I can never abandon you.”

Lin Keting shook her head!

Chapter: 7290

Chen Ping was getting anxious. If he didn't let this guy seize his body and enter his sea of consciousness, he wouldn't be able to hold on anymore!

If you come here twice, your life will be gone!

"Little girl, you don't have to worry. When I take him away, I will naturally look for you. I want to see what the relationship is between you and that old man."

After the man finished speaking, he grabbed it lightly with his palm. Lin Keting felt that her body was restrained and she couldn't move at all!

Even if there is a life-saving jade pendant, there is no way to use it!

"If you take my body, I won't give you this chance. I would rather die than let you take my body."

As Chen Ping spoke, he stood up and suddenly hit the stone beast beside him.

He's going to kill himself!

The man suddenly panicked, his body turned into a wisp of black mist, and rushed towards Chen Ping!

This was Chen Ping's intention. He didn't really want to commit suicide, but he wanted to force the man to quickly enter his sea of consciousness!

If a pervert like Demon Lord Chiyun was discovered in his consciousness, then this man would definitely not be trying to seize the body!

What Chen Ping wants is not to give the man time to think about it!

Whoosh!

The black mist instantly entered Chen Ping's body and went straight into Chen Ping's sea of consciousness!

Chen Ping stopped, with a proud smile on his face!

Seeing Chen Ping's smile, Lin Keting felt her scalp numb!

"Hahaha, I will be free soon, free..."

The man who entered Chen Ping's sea of consciousness laughed crazily!

After being here for thousands of years, he was going crazy. Now after seizing the body, he can leave freely.

"I'm not even free, so you can be free..."

The voice of Demon Lord Chiyun sounded!

“Who? Who are you?” The man was shocked. He didn’t expect that there was still a remnant soul in Chen Ping’s sea of consciousness!

Demon Lord Chiyun slowly appeared, and then looked at the man with disdain!

“you.....”
