

The Order 7291

Chapter: 7291

The man looked at Demon Lord Chiyun and his pupils kept dilating: "Are you the Demon Lord? Have you already taken this body?"

"Senior, forgive me. I really don't know that Lord Demon Lord has taken this body. Otherwise, I wouldn't dare to give you a hundred courages."

"Junior, leave now. I will never dare to fight with senior..."

The man was so frightened that he fell to his knees and said to Demon Lord Chiyun while trembling all over!

"Leave? Now that you've come in, can you still leave?"

Demon Lord Chiyun smiled coldly: "I have no ability to seize this body. I am just temporarily staying here. To put it bluntly, I am just a tenant, and he is the landlord."

"If one day he doesn't let me stay here, I'm afraid I will lose my mind."

"You are just a little loose demon, and you still want to seize this body. It is really ridiculous."

After Demon Lord Chiyun finished speaking, his figure suddenly disappeared, and then the golden light surged in Chen Ping's sea of consciousness!

I saw the Daluo Golden Code emitting golden light, and the golden light made the man wail in pain!

He never thought that the remnant soul of the Demon Lord would be in the sea of consciousness of a seventh-level monk in the Tribulation Realm!

What's more, I didn't expect that Chen Ping would have such a supreme treasure as the Great Luo Golden Code in his sea of knowledge!

The man disappeared in the end, and he still couldn't figure out why!

Chen Ping was still smiling at the corner of his mouth. When the man's remnant soul completely disappeared, Chen Ping's smile became even brighter!

He's just a little remnant soul, and he still wants to fight with himself!

When Chen Ping saw the frightened Lin Keting who was bound, he planned to tease her!

"Little beauty, my brother has not tasted the taste of a woman for thousands of years. Let me have fun today..."

Chen Ping walked towards Lin Keting with a squinting look!

Lin Keting looked at Chen Ping like that, and she knew that Chen Ping must have been taken away!

"Don't come here, you bad guy..."

Lin Keting was restrained and couldn't move at all. She could only scream at the top of her lungs!

“You go ahead and shout, it’s useless even if your throat is broken. I want you to taste my power!”

Chen Ping said and rushed towards Lin Keting!

Lin Keting screamed and could only close her eyes helplessly, tears streaming out!

Chapter: 7292

At this moment, there was a sudden buzzing sound, and Lin Keting’s restraints suddenly disappeared.

Even the surrounding halls disappeared!

Looking at Chen Ping who was rushing towards her, Lin Keting turned around and ran away, saying as she ran, “If you dare to touch me, my master and my father will not let you go, they will torture you to death.”

After saying that, Lin Keting was about to break the life-saving jade pendant in her hand!

“Don’t run, don’t run, I haven’t been taken away...”

When Chen Ping saw Lin Keting crying in fright, he hurriedly said loudly!

Lin Keting was stunned for a moment, then looked at Chen Ping carefully, clutching the jade pendant in her hand, ready to use it at any time!

“You really weren’t kidnapped?”

Lin Keting asked!

“Really, that little remnant soul still wants to seize me. The idea is too beautiful. I have already destroyed him in the sea of consciousness.”

“Didn’t you notice that the restraints on your body and the main hall are gone?”

Chen Ping said quickly!

Lin Keting looked carefully and found that it was indeed like this. Then she glared at Chen Ping and said, “Okay, you dare to lie to me. If I didn’t run away just now, would you have killed me...”

Lin Keting was embarrassed to say the next words!

“No, it’s just a joke. How could I really do something like that? Am I still a human being?”

“But you said that your father and your master will not let me go, then who are your father and your master?”

“And what does that guy mean by Taoism? Isn’t it possible that your father is a Taoist priest?”

Chen Ping wanted to take the opportunity to find out the details of Lin Keting!

Taoist priests can also get married and have children, but Chen Ping knew that when he was at Lei Ming Guan, Taoist Master Fu Xu of Lei Ming Guan had a daughter.

Therefore, it is entirely possible that Lin Keting's father is a seasoned Taoist!

"Your father is a Taoist priest. Your whole family is a Taoist priest. Don't even think about asking me for details. I won't tell you."

"You big bad guy, you almost took advantage of me just now..."

After Lin Keting finished speaking, she turned around and left angrily!

She looked really angry, after all, she was scared to death just now!

Chapter: 7293

I was prepared to be violated.

"Ah..." Chen Ping wanted to catch up, but as soon as he moved, his body only felt a sharp pain, and then he fell to the ground!

He had been seriously injured just now, and this moment directly affected the wound!

When Lin Keting heard Chen Ping's scream, she just looked back and said warily: "Stop pretending, get up quickly, don't lie to me!"

puff.....

Chen Ping spat out a mouthful of blood and his face turned pale!

When Lin Keting saw this, she knew that Chen Ping was not pretending, so she hurried over and said with a flustered expression: "How are you?"

"I'm afraid I'm going to die."

Chen Ping said weakly!

He had just been injured, and even though his body was strengthening, it felt like it was falling apart at the moment!

"Ah, so serious? Then heal your wounds quickly. Do you have any elixirs?"

Lin Keting asked at a loss!

Chen Ping nodded: "I have medicine, but it's all in the storage ring and I can't get it out at all. Now that my strength is sealed, I can't heal my injuries."

puff!

Just after he finished speaking, Chen Ping spat out another mouthful of blood!

Lin Keting became anxious now, and kept wiping the blood from the corners of Chen Ping's mouth, and then asked: "If you can regain your strength now, can you heal yourself?"

"Of course, I am a pharmacist, but there is a seal here, how can I regain my strength?"

Chen Ping sighed softly, and then said helplessly: "You don't have to worry about me, go find someone else, and then leave here..."

"Impossible, I said I won't abandon you, don't worry, I have a way to restore your strength!"

After Lin Keting finished speaking, she seemed to have made some important decision, so she walked aside and muttered something!

I saw that the runes on Lin Keting's palm seemed to be alive, and then floated into the air!

Buzz...

As the void trembled, all the restrictions disappeared in an instant!

Chen Ping also felt that all his power could be used!

Chapter: 7294

Chen Ping looked at Lin Keting in disbelief. He really didn't expect that Lin Keting could break this restriction!

"Now you can heal!" Lin Keting looked at Chen Ping and said!

"Did you place this restriction? How could it be like this? Who are you?"

Chen Ping looked at Lin Keting with vigilant eyes!

“No, no, no, this is not a restriction imposed by me. How can I do that?”

“This was set up by my master. I just used my master’s runes to break this restriction.”

Lin Keting quickly waved her hand and explained!

“Your master? Why did he set up a ban? Then what is your purpose here?”

Chen Ping kept asking!

Lin Keting frowned slightly and seemed a little embarrassed, but finally she spoke and followed Chen Ping!

After Chen Ping heard this, he almost died of anger!

It turns out that this battlefield of gods and demons is no longer its original state. Lin Keting’s master has placed restrictions on this battlefield of gods and demons. The stone statues, treasures in front, and even the magic spells were all arranged in advance!

The purpose is to attract people and then use these things to earn spiritual stones. Lin Keting is not here to find any treasures, but to earn spiritual stones!

No wonder Lin Keting is not interested in anything, and she can easily pass through the giant stone phantom formation!

This time, Lin Keting really earned a lot of spiritual stones by charging entry fees and auctioning those magic weapons!

However, the thunder beast that suddenly appeared behind and the remnant soul of the demon cultivator were something Lin Keting did not expect!

That's why Lin Keting thought about leaving later, but no one said anything, so she had no choice but to follow!

"You actually deceive people in order to earn spiritual stones. It's so wicked..."

Chen Ping said helplessly!

"Who is being wicked? Those skills and magic weapons are real, they are not lies."

Lin Keting retorted!

"Is your master a person from heaven?" Chen Ping took the opportunity to ask!

"If I don't tell you, don't even think about it. I can tell you so much. That's enough for me."

"Hurry up and heal your wounds. Never tell anyone else about this matter, otherwise I will ignore you."

Lin Keting warned Chen Ping!

At this moment, Chen Ping became more and more curious about Lin Keting's identity, but since Lin Keting didn't say anything, Chen Ping knew not to ask further, otherwise he would really annoy her!

“Okay, don’t worry, I won’t tell you, but remember to pay me back those purple gold spirit coins you lied to me when you go out!”

Chen Ping said!

“Humph, you stingy guy, I’ll pay it back to you when the time comes!” Lin Keting rolled her eyes at Chen Ping!

Chen Ping stopped talking, but sat cross-legged aside, began to heal his wounds, and took out some pills from the storage ring to take!

He also gave Lin Keting a few pills. Although Lin Keting was not hurt, she was frightened and needed some soothing pills!

After about an hour, Chen Ping’s injury was almost healed and he regained his strength, so the injury was nothing.

Lin Keting looked at Chen Ping curiously. She was also very confused and curious about Chen Ping!

A young monk who is in the seventh level of the Tribulation Realm, but he is able to use sword intent, and his physical body is so strong!

The most important thing is that not only does he know the formation, he is also a pharmacist!

He is simply an all-round talent!

Such a serious injury was almost healed after only an hour!

“Let’s go, let’s find other people. Now that the ban has been lifted, many people may be interested!”

Chen Ping stood up and said to Lin Keting!

Chapter: 7295

At the beginning, everyone’s strength was suppressed and they were all ordinary people, so they followed Chen Ping and Lin Keting!

Now that they have regained their strength, these people may no longer listen to them!

If you find a treasure, the auction method is obviously inappropriate!

There will definitely be a fight!

It seems that Lin Keting’s master has seen through human nature a long time ago, so he set up this restriction!

Just when Chen Ping was following Lin Keting to find others, suddenly a dozen auras came towards this direction.

In the blink of an eye, Ji Yun and the others were here, with excitement on everyone’s face!

“Mr. Chen, you have recovered, we have all recovered...”

Ji Yun said to Chen Ping!

“I already know, and I have recovered.” Chen Ping smiled slightly and secretly glanced at Lin Keting!

Lin Keting turned her face to the side, not daring to look at the crowd!

“Now, we can properly search this battlefield of gods and demons. Now that we have the strength, we will no longer be afraid.”

Among the monks, the old man said!

“Yes, we have recovered our strength, and we have nothing to fear. However, we have spent a lot of spiritual stones along the way.”

After a bearded monk finished speaking, he glanced at Lin Keting!

The meaning is obvious. Now that they have regained their strength, they want to get the spirit stones back.

When the other monks saw this, they all looked at Lin Keting, and their eyes began to show hostility!

When they were suppressed at first, they were all obedient, but now that they have just regained their strength, their faces are about to change.

This is human nature!

In the world of gods and humans, strength is the most important thing!

Lin Keting also noticed everyone's gazes, but she didn't care. Instead, she glanced at everyone coldly and said, "I accept your spirit stones as the price for bringing you in."

"As for those magic weapons, everyone has been assigned spiritual stones, and I didn't get them myself."

"If any of you dare to dissatisfy, you can come to me and ask for the spirit stone back. But before you ask for the spirit stone back, first ask me if I agree with this sword."

After Lin Keting finished speaking, a trace of heat began to appear in the void in front of her, and then a sword appeared out of thin air, with blue fire beating on it!

Chapter: 7296

The moment this sword appeared, everyone felt their breath stagnant, and the terrifying pressure made everyone want to retreat!

Each one of them looked at the sword in front of them with some horror in their eyes. They knew that many people would not be able to withstand the power of this sword alone!

"Fellow Taoist, we handed over the spirit stones willingly. No one will ask you to take the spirit stones back, so why should you be angry."

"Although we have recovered our strength, this battlefield between gods and demons is full of dangers. We will have to help each other in the future."

Among the monks, the old man quickly stood up and said good things to Lin Keting!

“Yes, yes, that’s not what I meant just now. Fellow Taoist, please don’t misunderstand me.”

The bearded monk also quickly apologized.

Originally they thought that Lin Keting was a woman and had no guards around her, so they could easily handle her, but they didn’t expect that Lin Keting’s strength should not be underestimated.

In particular, the sword that appeared was even more powerful. Who dared to mention the spirit stone at this time?

“Miss Lin, put your sword away, I’m afraid someone will pee in fear.”

Chen Ping also persuaded Lin Keting!

It’s just that Chen Ping also looks down on these monks who add insult to injury, so that’s why he said this!

When Lin Keting heard this, she couldn’t help laughing, and then put the sword away!

Seeing Lin Keting put away the sword, many monks breathed a sigh of relief!

“Fellow Taoist, thank you for your help along the way. Let’s say goodbye...”

The old man clasped his fists and led the people away!

Now that the strength has been restored, there is no need to follow Chen Ping and the others. Wouldn’t it be better to go find the treasures by yourself!

Seeing this, other monks also left one after another.

If you can find the treasure by yourself, it is yours, and there is no need to auction it with spirit stones!

In the blink of an eye, many monks dispersed, leaving only Chen Ping, Lin Keting, Ji Yun and Zhu Qingxiu!

And that one-legged thunder beast!

Thunder Beast will not leave, because the one he wants to follow is Chen Ping!

“Should we keep walking or go back?”

Chen Ping asked Lin Keting!

Chapter: 7297

After all, coming to this battlefield of gods and demons is just a game. Now that there are no conditions for playing a game, there is probably nothing to gain from continuing to play!

“Why are you spinning around? There is nothing in this battlefield of gods and demons. It’s a waste of time!”

After Lin Keting finished speaking, she turned around and walked back!

When Chen Ping saw this, he followed behind him with Ji Yun and Zhu Qingxiu!

Everyone was a little frustrated. After all, they came here to hunt for treasures, but now it was all in vain!

“Everyone, don’t go. Who said there are no treasures in this battlefield of gods and demons? If you continue to move forward, you will appear at the boundary of the battlefield of gods and demons. There is a pagoda there. I don’t know what it is to suppress.”

Thunder Beast quickly called out to Chen Ping and the others!

When Chen Ping and Lin Keting heard this, they quickly stopped!

“Are you telling the truth?” Chen Ping asked excitedly!

“Of course it’s true. How dare I lie to you? If I lied to you, your two mythical beasts wouldn’t eat me.”

Thunder Beast said with assurance!

Chen Ping looked at Lin Keting. He wanted to see Lin Keting’s opinion!

“Let’s go and have a look. No one told me there is a tower here.”

Lin Keting is very curious!

This time, she originally thought she would be able to get used to it. After all, her master had walked through this place before, and even the restrictions were placed by her master.

But now she discovered that there are still many unknown areas in the battlefield of gods and demons!

Because everyone has recovered their strength, they can travel many times faster!

Soon everyone came to the boundary of the battlefield of gods and demons. They could clearly see the boundary in the void. If they moved forward, there was no way to penetrate the boundary!

“Where is the tower you mentioned?”

Lin Keting looked around and didn’t find the tower that Thunder Beast mentioned!

“It’s right in front...”

Thunder Beast said!

“Where did you fart? Why can’t I see it?”

Lin Keting frowned, she thought Thunder Beast was deceiving her!

Chapter: 7298

“I can’t see it either!”

“I can’t see it either!”

Ji Yun and Zhu Qingxiu also shook their heads and said they didn’t see it!

“I saw it!” Chen Ping said!

At this moment, everyone looked at Chen Ping in confusion, especially the thunder beast, whose face was full of disbelief!

“Fellow Taoist, you...can you see the pagoda?”

Thunder Beast asked in surprise!

“What do you mean? Did you lie to us that there is no pagoda?” Lin Keting saw that the thunder beast’s tone was wrong, so she asked!

“No, no, I didn’t lie to you. It’s just that the pagoda is covered by a barrier. You can’t see it unless you open the barrier.”

Thunder Beast quickly explained!

There is still a barrier, but Chen Ping can see the pagoda, so he feels strange!

“The barrier can’t block my eyes!” Chen Ping smiled slightly and continued to move forward!

Chen Ping has Tianming eyes, how could a small barrier block his eyes!

When Chen Ping opens his Tianming Eye, everything that no one else can see will be visible to Chen Ping.

This is Demon Lord Chiyun’s unique skill, it’s very awesome!

After walking forward for a certain distance, the thunder beast was seen jumping forward, then muttering something in his mouth, and slowly pressing one hand on the ground!

In an instant, everyone's eyes felt bright, and then a towering pagoda appeared!

The pagoda towers into the clouds, and you can't tell how many floors it has. However, there are four stone lions placed at the four corners of the pagoda.

The four stone lions have ferocious expressions, and their bodies are covered with various runes!

Seeing this scene, Chen Ping frowned instantly!

Everyone else's expressions also became solemn. It was obvious that this pagoda was not a treasure, but more like a tool to suppress evil spirits!

Especially when Chen Ping saw the runes on the four stone lions, he couldn't help but trembled. Even the Daluo Golden Code in his consciousness trembled slightly!

Chen Ping looked shocked. He didn't understand why the Daluo Jindian in his sea of consciousness suddenly trembled.

You must know that your Daluo Golden Code has always been in the sea of consciousness, and there has never been any movement. Unless a remnant soul invades the sea of consciousness and wants to seize its body, the Daluo Golden Code will be activated!

Chapter: 7299

Chen Ping carefully observed the runes, but found that he didn't recognize them at all.

"This is the Tianzun rune. It seems that the pagoda's ability to suppress things is not simple."

Demon Lord Chiyun said!

"What are the Tianzun runes? Is Tianzun more powerful than you?"

Chen Ping asked curiously!

Unexpectedly, Demon Lord Chiyun rolled his eyes at him and said, "Don't ask me any questions about your lack of intelligence in the future. If you compare me with Tianzun, no one will look at me seriously."

"I advise you not to take any chances with this tower, and leave as soon as possible!"

"You really piqued my interest." Upon hearing this, Chen Ping became even more interested in the tower!

"Chen Ping, there is probably a very strong presence in this tower."

Lin Keting's face was very solemn, and she held the life-saving jade pendant in her hand, and at this time, the jade pendant was slowly emitting light.

This is when something extremely dangerous happens, so the jade pendant will take the initiative to shine!

When Lin Keting was restrained and unable to move, the jade pendant did not actively emit light, which shows that the current situation is more dangerous than then.

Chen Ping also had a gloomy face and frowned. Is there really something terrible in this tower?

This is just a small celestial world. Could there be any very powerful people participating in this celestial world in the war between gods and demons?

Chen Ping was a little confused, but the curiosity in his heart was a little stronger!

Curiosity killed the cat...

Everyone else at the scene also looked solemn and alert!

“Thunder Beast, what do you think is in this tower? What is your intention in bringing us here?”

Lin Keting suddenly looked at the thunder beast and asked!

Since this thunder beast knows that there is a pagoda here and there is a barrier, it proves that he must have been here, maybe he knows something!

“Fellow Taoist, I am wronged. I really don’t know what is inside this pagoda. I admit that I have been here, but I have never been close.”

“I’ve never gone in either. With my current strength, I don’t dare to go in...”

Thunder Beast hurriedly explained!

“He never went in!” Chen Ping said!

He knew that with the strength of the thunder beast, no one would dare to go in. The four stone lions around him would probably scare away many monks!

“What should we do? Should we leave or go in?”

Lin Keting asked!

Chen Ping is also in a dilemma at this moment!

Go in, you're afraid of danger!

Don't go in, I'm very curious!

After hesitating again and again, Chen Ping looked at Ji Yun and Zhu Qingxiu and said, “I'll go in by myself. You guys wait for me outside. If there's anything wrong, run away right away!”

Chen Ping didn't want Ji Yun and the others to go in and take risks. After all, no one knew what was going on inside!

“Mr. Chen, I will never let you take risks alone, I want to go with you!”

Ji Yun said firmly!

“I want to go too. The worst I can do is die!” Zhu Qingxiu also wants to follow!

“I'll follow you, don't forget, I'm stronger than you here.”

Lin Keting also wants to follow!

At this time, everyone looked at the thunder beast!

“Don’t look at me, I brought you here, of course I have to go in, otherwise I wouldn’t be here in vain!”

Thunder Beast quickly expressed his stance!

Chapter: 7300

“Let’s go in!”

Thunder Beast also expressed his intention to go in, so Chen Ping could only bring everyone with him!

Everyone walked to the tower door. On top of the tower door, a yellow talisman was posted on it, which obviously sealed the tower door!

When Chen Ping saw this, he made a secret with his fingers, and with a white light flashing through his fingers, he went straight to the talisman in an instant!

boom!

For an instant, a burst of flames rose from the spell, and then the tower door slowly opened on its own!

After Chen Ping has regained his strength, ordinary seals cannot stop him at all!

Lin Keting looked at Chen Ping like that, with admiration shining in her eyes!

She was a monk in the Mahayana realm, but now she began to worship Chen Ping, a monk in the seventh level of the Tribulation Realm!

If she had been beaten to death before, she would not have been able to worship a young cultivator in the Tribulation Realm!

But now, Lin Keting admires Chen Ping very much.

She suddenly felt that Chen Ping, a monk in the Tribulation Realm, could bring her enough security!

“Let’s go...”

Chen Ping took the lead and stepped in!

Others also followed Chen Ping and walked into the tower!

No one knows what is inside this tower and whether there is any danger. Everything is unknown!

It is this unknown existence that makes everyone extremely nervous!

Chen Ping also had a solemn face and looked very nervous!

Everyone around was holding their breath and staring, their hearts beating loudly.

After entering the tower, a disgusting rotten smell hit my face, and the entire tower looked very empty, with the ground covered with bones!

It seems that this tower has also experienced battles, and many people died here!

Chen Ping snapped his fingers, and a ball of flame came out of thin air!

At this moment, the inside of the tower was illuminated instantly, and everyone looked at the bones on the ground, a little stunned for a moment!

Because some of these white bones have not completely decayed, and there is still blood and flesh on them, so they have a rotten smell!
