

The Order 7301

Chapter: 7301

Seeing this scene, Lin Keting and Zhu Qingxiu were startled, and instinctively hid behind Chen Ping!

This scene is really scary. If it is a dead person, they are not afraid. After all, who has never killed someone before!

If it were white bones, they wouldn't be afraid. After all, they had seen a lot of dead bones!

But this was the first time they had seen such a half-rotten corpse. It was really terrifying!

“Mr. Chen, why are there fresh corpses here? Logically speaking, the battlefield between gods and demons has existed for thousands of years, and the dead bones have all been turned into powder. How can there be something like this?”

Ji Yun doesn't understand very much!

“I've never seen anyone come to this place. How could there be such a corpse?”

Thunder Beast is also very curious!

“Everyone, be careful and move forward slowly!”

Chen Ping warned, then waved his hand gently, and a shield appeared around everyone, surrounding them, thus blocking out the disgusting smell!

“Chen Ping, look what that is?”

After walking a few steps, Lin Keting hurriedly patted Chen Ping!

Chen Ping looked in the direction of Lin Keting’s finger and found a corpse holding a jade slip in its hand.

Chen Ping walked over and picked up the jade slip. There was still spiritual energy lingering on the jade slip. It was obvious that it was not very long ago!

A ray of spiritual consciousness penetrated into the jade slip, and Chen Ping was suddenly confused!

Because he found that he didn’t recognize anything recorded in the jade slip at all!

“What does this thing record? I don’t recognize the words in it at all.”

Chen Ping said in surprise!

“Fellow Taoist, let me take a look...”

The Thunder Beast said to Chen Ping!

Chen Ping handed the jade slip to the thunder beast. After the thunder beast looked at it, he was stunned and frowned slightly: “It’s really strange. This doesn’t seem to be a civilization in the world of heaven and humans.”

“Let me see...”

When Lin Keting heard this, she immediately became interested and took the jade slip over!

Lin Keting was immediately confused after seeing it, and then said with certainty: “Don’t worry, this jade slip is definitely not from the world of heaven and humans.”

Chapter: 7302

“It’s not from the Heavenly Realm. Could it be from the Heavenly Realm? After all, this is a battlefield between gods and demons, and many people come from the Heavenly Realm.”

Ji Yun asked curiously!

Lin Keting didn’t answer. After all, she didn’t know what the heavenly things were!

“This jade slip is definitely not from heaven!” Chen Ping said!

If it is something from the heaven, Chen Ping can feel it. Although Chen Ping is only in the Tribulation Realm now, there are still many people who have come into contact with the heaven treasures, which is quite a lot!

“This is strange. It’s not from the world of gods and humans, nor from the world of heaven. Is there another world?”

Ji Yun asked!

Ji Yun only knows about the heaven and human world, and then ascends to the heaven. As for whether there are other worlds, he doesn't know at all. He doesn't even know about the secular world!

If Ji Yun knew that Chen Ping came from the secular world and was just an ordinary mortal at first, he would have been shocked!

"In addition to the world of heaven and humans, there are countless other worlds, and even the world of heaven is not what you imagine."

"There are thirty-six heavens in the heaven, and each heaven is a world..."

Chen Ping told Ji Yun what he knew!

Hearing Chen Ping say this, several people looked at Chen Ping in shock!

"Chen Ping, you are just a monk in the Tribulation Realm, how do you know so much? How do you know the thirty-sixth level of heaven?"

Lin Keting asked in confusion!

"Don't worry about it. I know more than you think."

After Chen Ping finished speaking, he took the jade slip from Lin Keting's hand. He wanted Demon Lord Chiyun to see if he knew where the jade slip was!

After taking the jade slip, Chen Ping immediately entered his sea of consciousness and found Demon Lord Chiyun!

But before Chen Ping could speak, Demon Lord Chiyun said: "This is the jade slip from the Bibo Realm. It also contains written records of the Bibo Realm. I have been to the Bibo Realm before..."

"Then do you know what is recorded on this jade slip? Is it a martial art?"

"And what kind of world is the Bibo Realm? Is it the same as the Heavenly and Human Realm?"

Chen Ping asked curiously!

"This is not a skill, it is just a record. These fresh corpses are all people from the Bibo Realm."

"The Bibo Realm does not have as good resources and environment as the Tianren Realm. There is no land in the Bibo Realm, it is all ocean."

Chapter: 7303

"So people in the Bibo Realm have always wanted to tear apart the void and look for a place to live."

Demon Lord Chiyun said!

"Could it be that these people from the Bibo Realm are here because they tore apart the void and came here by mistake?"

Looking at the corpses on the ground, Chen Ping asked!

"People from the Bibo Realm don't have the ability to tear apart the void. It's obvious that someone deliberately tore the void apart to allow people from the Bibo Realm to come here."

“The record on this jade slip is also like this. A black hole in the void suddenly appeared in the Blue Wave World. Some people entered the black hole and disappeared. These people also tried to enter, and ended up appearing here.”

Demon Lord Chiyun explained!

When Chen Ping heard this, he understood instantly and said with some horror: “Could it be that the suppressors in this tower deliberately tore apart the void of the Bibo Realm, led the people from the Bibo Realm here, and then killed them? ?”

Demon Lord Chiyun did not speak this time, but nodded!

Chen Ping’s head was a little big now. He was suppressed in the tower, but he could actually tear apart the void and attract people from other worlds. How awesome is this guy?

“Why is he doing this? Just to kill people?”

Chen Ping couldn’t understand. These monks from the Bibo Realm were probably not very strong. Why did they attract them?

Just for the fun of killing?

“Haven’t you noticed that someone is trying to use the aura emitted by the rotting corpse to restore themselves?”

“This is called corpse energy, and corpse energy can also be used for cultivation.”

Demon Lord Chiyun followed Chen Ping and explained!

Chen Ping's scalp was numb and goosebumps were rising at the moment, just to practice with corpse energy, and then lure people to kill them and let the corpses slowly rot!

In this way, people become resources for cultivation, and the entire monks on Bibo Star become captive animals that can be slaughtered at any time if they want to eat!

It's so terrible...

Chen Ping didn't dare to think about it anymore!

"Chen Ping, what's going on? Have you been stunned for a long time?"

At this time, Lin Keting saw that Chen Ping's expression was wrong, so she pushed and asked!

"Oh, it's okay." Chen Ping quickly shook his head!

"Then let's go up, it looks terrible here..."

Chapter: 7304

Lin Keting saw that Chen Ping was fine, so she wanted to go up to the tower!

When Chen Ping saw this, he wanted to stop him, but he didn't say anything. At this moment, Chen Ping was very entangled in his heart!

He doesn't know what the hell is this guy who uses corpse energy to practice!

If we kill them all and then use their corpse energy to practice, it will be over!

But seeing that Lin Keting was already walking towards the stairs, Chen Ping could only follow her with his scalp in his face!

Several people stepped on the wooden stairs on the second floor, making a creaking sound!

Chen Ping's face was a little pale and his expression was tense!

He can't tell others what he knows, otherwise he will scare these people!

After arriving on the second floor, I found that the second floor was also full of corpses, including men and women. However, these corpses were all complete, with vivid expressions, as if they were alive!

It's just that all of these corpses are naked and have no clothes on, and there are also some corpses of monsters among them!

Hundreds of naked corpses standing in various postures. If you don't look carefully, you might think they are sculptures!

Seeing this, Zhu Qingxiu and Lin Keting's faces instantly turned red and they turned away!

So shy, what's going on?

Both Thunder Beast and Ji Yun looked straight at it, their eyes widened, and they couldn't move any further!

Chen Ping had no choice but to wave his hand lightly, and a fog instantly covered all the corpses!

Otherwise they wouldn't be able to get through these corpses.

"What the hell is this perverted guy?"

Chen Ping cursed in his heart. He didn't know what kind of perverted guy Tali was!

"Let's go, go upstairs and stop looking!"

Chen Ping said something, then took the hands of Zhu Qingxiu and Lin Keting and walked upstairs!

The two girls kept their eyes closed the whole time, too shy to look!

"Open your eyes and look. You can't see anything anymore. Don't pretend. You two opened your eyes secretly just now. Don't think I didn't notice."

Chen Ping couldn't help laughing when he saw Zhu Qingxiu and Lin Keting looking like that!

Although the two people closed their eyes, there was still a little gap!

The conflicting psychology makes them want to look but dare not look, so they take a sneak peek!

"You're talking nonsense, who peeked..."

Lin Keting opened her eyes and found that there was fog all around, and she could no longer see the naked bodies, so she glared at Chen Ping and said!

“That’s right, whoever peeked, I didn’t peek.”

Zhu Qingxiu also refused to admit it.

Chen Ping didn’t dare admit it or not, so he took him upstairs!

There is something on the second floor that Chen Ping doesn’t want to see. Even if there is a hidden treasure, Chen Ping doesn’t want to look for it!

Eye-catching.....

Soon a few people came to the third floor. The third floor was very bright, and there was no trace of rotten smell, but it still had a faint fragrance!

This contrast directly confused a few people!

Chapter: 7305

“I haven’t seen a living person come here in I don’t know how many years!”

A woman’s voice sounded, and the fragrance became even stronger!

Then a woman appeared. By visual inspection, the woman was 1.7 meters tall. Her slim-fitting red dress showed off her natural figure. Her exquisite body was graceful and graceful. Her skin was smooth and moist, white and crystal clear, without any flaws!

The towering chest, a pair of beautiful long and slender legs, and the red lips exude a mature charm!

The woman's facial features are very delicate, her eyes are like silk, and her lips are like fire. Every look and movement touches people's heartstrings!

Even Zhu Qingxiu and Lin Keting felt a little ashamed when they saw this woman!

Leishou and Ji Yun were stunned when they saw the woman who appeared, and their mouths were wet all over the floor!

Just for a moment, the consciousness of both people seemed to have been controlled by the woman!

Only Chen Ping tried his best to stay awake. Although his eyes were staring at the woman, there was no trace of emotion or lust in his eyes!

The woman couldn't help but look at Chen Ping twice, with shock in her eyes!

"Who are you?"

"Did you kill all those people below?"

Chen Ping asked the woman!

“Brother, do you think I can kill people? I didn’t kill those people.”

The woman looked a little aggrieved and said to Chen Ping!

That voice and that expression really capture a man’s heart!

“She didn’t kill him. How could a female Bodhisattva like this kill someone?”

Ji Yun started to speak for the woman.

You know, Ji Yun has never dared to do this in front of Chen Ping, but now Ji Yun actually takes the initiative to speak for a woman!

“Yes, it was definitely not this little beauty who killed her, I bear witness!”

The thunder beast jumped on one leg and said with laughter!

Chen Ping didn’t listen to what the two guys said. It was obvious that the moment the woman appeared, their consciousness was controlled!

Fortunately for Zhu Qingxiu and Lin Keting, they were women, so they were not controlled by women’s beauty, but they both looked shocked and said nothing!

The appearance of such a beautiful woman had a psychological impact on the two of them!

Chapter: 7306

“If you didn’t kill me, who would have killed me? Who are you? Why are you in this tower?”

Chen Ping tried hard to adjust his breathing and asked the woman!

After all, facing the woman in front of him, Chen Ping was also in great pain!

He is also a man, and it is difficult for him to restrain himself when facing a nearly perfect woman!

But the last trace of reason in the sea of consciousness is still reminding him!

The woman in front of me is definitely not simple!

“I was framed, so I’m trapped here. I hope my brother can rescue me.”

“If my brother saves me, I will give my life to him and serve him every day!”

The woman is approaching Chen Ping step by step!

Every step brings a tangy fragrance, which makes Chen Ping feel uneasy!

Chen Ping was very impulsive at this time. He wanted to rush forward, hug the woman tightly, and then...

But this impulse is still controlled by a trace of reason!

But as the woman continues to approach, Chen Ping’s sense of reason becomes less and less!

When the woman arrived in front of Chen Ping, Chen Ping's last trace of reason finally disappeared!

All overwhelmed by impulse!

"Boy, don't be impulsive, wake up..."

In the sea of consciousness, Demon Lord Chiyun tried his best to remind Chen Ping, but it didn't help at all!

Chen Ping rushed forward and hugged the woman tightly, his body as hot as burning!

His eyes also turned scarlet, like a hungry wolf!

Seeing Chen Ping like this, the woman not only wasn't afraid, but actually laughed!

Then he kissed Chen Ping with those red lips!

Ji Yun and Thunder Beast looked at it with envy, almost dying of envy!

When Zhu Qingxiu and Lin Keting saw this scene, their expressions suddenly changed, their brows furrowed slightly, and there was a bit of jealousy in their eyes.

But just when the woman was about to kiss Chen Ping, the woman suddenly looked frightened in her eyes and pushed Chen Ping away!

Chapter: 7307

At this moment, Chen Ping suddenly woke up. Looking at the woman in front of him, he felt a wave of fear!

He seemed to be controlled just now!

“Senior, why didn’t you stop me?” Chen Ping was a little angry. Demon Lord Chiyun was actually being controlled in his sea of consciousness without reminding himself!

“Damn, I called you for a long time, but you couldn’t hear me at all. You guy, you’re done when you see a woman, let alone such a beautiful woman.”

“This is your weakness, and there’s nothing I can do about it...”

Demon Lord Chiyun said angrily!

When Chen Ping heard this, he immediately said with embarrassment: “Senior, I’m sorry, maybe I can’t hold it back.”

“Fortunately, that woman pushed you away at the critical moment, otherwise you would have been an adult.”

Demon Lord Chiyun said!

Chen Ping was very puzzled, why did this woman seduce him and finally push him away?

“You... how come you have dragon blood in your body, and it is also the noblest golden dragon blood.”

The woman looked at Chen Ping in disbelief and asked!

“I am the son of a golden dragon. Isn't it normal to have the blood of a golden dragon?”

“Who are you, and why do you know that my bloodline is the bloodline of the Golden Dragon?”

Chen Ping was very curious!

Even if some people see that he has dragon blood and know that he is the son of a dragon, there are not many people who can see the true form of the golden dragon!

But as soon as this woman got close to him, she actually knew her bloodline!

Hearing what Chen Ping said, the woman's face showed excitement. She quickly knelt down to Chen Ping and said, “My daughter is Cen Biqing of the Qinglong clan...”

“Are you also a dragon?” Chen Ping's eyes widened and he was overjoyed!

He didn't expect that the woman in front of him turned out to be a dragon. When he saw the woman, Chen Ping was attracted by her beauty and didn't investigate, so he didn't know that Cen Biqing was a dragon!

Chen Ping exuded a hint of dragon aura from the dragon crystal on his chest, and moved towards Cen Biqing!

Cen Biqing also exuded a hint of dragon aura, which merged with Chen Ping's aura!

The two auras merged, and they were both dragons. They noticed it instantly!

Just when Chen Ping wanted to take back his breath, he suddenly frowned and said, "Where is your strength? It seems to be banned?"

Chapter: 7308

Chen Ping found out that Cen Biqing's strength was sealed by some kind of force.

"Master, I..."

"Don't call me master, my name is Chen Ping. You can call me by my name directly, or you can call me Mr. Chen!"

Chen Ping quickly waved his hand to stop Cen Biqing from calling him like this!

Although among the dragon clan, the golden dragon lineage is indeed much nobler than the green dragon lineage, Chen Ping doesn't want to be called master by Cen Biqing because of this!

"Mr. Chen, my strength has indeed been sealed, and I am trapped in this tower. There are restrictions in this tower."

Cen Biqing said!

"Who trapped you in the tower? And those rotting corpses on the first floor, and the corpses on the second floor, were you killed?"

Chen Ping asked!

“It’s not me. I don’t have the ability to kill anyone. I don’t know who it is. After all, I’m not the only one being suppressed in this tower.”

Cen Biqing explained!

“What? Are there others?” Chen Ping was confused. He didn’t expect that there were other people suppressing him in the tower!

“Yes, there are others. There are nine floors in this tower, and each floor suppresses one person.”

“I don’t know who suppressed us here. All I know now is that there is an old guy on the upper level who has been practicing for thousands of years. Although we can’t leave our place, we can communicate.”

“I don’t know much about other situations. I don’t even know how many years I have been imprisoned.”

At this point, Cen Biqing’s expression became heavy, and her aggrieved look made Chen Ping feel pity!

Chen Ping also has dragon blood in his body, so seeing Cen Biqing like this makes him feel very pitiful!

“How can I restore your strength and get you out of here?”

Chen Ping asked!

He decided to rescue Cen Biqing first. As for the other suppressed people, Chen Ping had no time to care!

“It’s not difficult for me to regain my strength. I just need to follow the man and merge with each other.”

“But it’s difficult to leave here. There are formations and enchantment seals here, so it’s impossible to get out.”

Cen Biqing said!

“Need to integrate with a man?” Chen Ping was slightly embarrassed!

Chapter: 7309

After all, there are so many people watching, so what to do!

Seeing Chen Ping’s embarrassment, Cen Biqing hurriedly said: “Mr. Chen, you are also a dragon, and you are of the golden dragon lineage, so you only need to let our dragon auras merge. There is nothing needed.”

“That’s good, that’s good...”

When Chen Ping heard this, he nodded quickly!

However, the expression on his face was a bit disappointing. After all, Cen Biqing is so beautiful...

Who wouldn’t want to...

Cen Biqing also saw what Chen Ping meant and just smiled slightly!

At this time, Ji Yun and Thunder Beast were still immersed in Cen Biqing’s beauty and couldn’t help themselves!

Cen Biqing's strength was sealed, and she was able to control people like Ji Yun and Thunder Beast simply by relying on her beauty and body fragrance.

Even Zhu Qingxiu and Lin Keting were in a trance!

Beauty, who doesn't like...

Chen Ping exuded his own dragon aura, and then merged with Cen Biqing's dragon aura!

But just when the breaths merged, Chen Ping's body trembled slightly, and he felt an unprecedented sense of relief!

Cen Biqing smiled, then slowly closed her eyes!

Chen Ping felt like he had arrived in a foreign space!

There is no one else in front of me, only Cen Biqing...

Chen Ping smiled, very brightly...

I don't know how long it took, but Chen Ping took a deep breath and opened his eyes!

And Cen Biqing also opened her eyes, the charming look on her body disappeared, and her body was surrounded by a layer of faint white light!

Cen Biqing's strength recovered, and her bright red dress turned blue!

Without that charm, Ji Yun and the others slowly woke up!

“I’m really sorry. My strength has been banned, so I can only rely on my appearance to charm people. Now that my strength has recovered, I don’t need it anymore.”

Cen Biqing said apologetically!

Although Cen Biqing’s appearance has not changed, the bright red dress has turned cyan, and the fiery lips have disappeared. After losing that charm on her body, men will lose their urge when they see her!

Ji Yun and Thunder Beast wiped their saliva, their faces full of embarrassment!

“Chen Ping, Chen Ping, are you stupid?”

Lin Keting saw Chen Ping’s intoxicated look and hurriedly shouted twice!

Chen Ping quickly recovered and asked, “What’s wrong?”

“Shall we keep going up?”

Lin Keting asked.

“I advise you not to go up there. I don’t know if you can get treasures from there, but there must be a very powerful guy on every floor.”

Cen Biqing persuaded Chen Ping!

“I’m checking the situation on the upper floor. Didn’t you tell me there’s an old guy up there who has been practicing for thousands of years? I’ll go take a look.”

Chen Ping knew that people were suppressed on each floor of this tower, so he wanted to see who was suppressed on the upper floor!

“Mr. Chen, since you want to take a look, I’ll try to see if I can break through the restrictions on this level. If possible, I’ll accompany you up there.”

After Cen Biqing finished speaking, she slowly walked to the stairs!

When she stepped on the stairs, a burst of blood suddenly swept across the surroundings, and Cen Biqing’s body was instantly knocked away!

Cen Biqing stood up, and then the aura surged around her body, forming a rapidly rotating whirlwind!

He stepped towards the stairs again, but was knocked away by the bloody light!

After trying twice in a row, Cen Biqing could not break through the restriction, so Cen Biqing had no choice but to give up!

Chapter: 7310

“Let me try...”

Chen Ping held the dragon-slaying sword and slowly walked up the stairs!

“Mr. Chen, I’m afraid you can’t do it. I can’t even break this restriction.”

Cen Biqing said worriedly!

“Don’t worry, even if I can’t break this restriction, I won’t be hurt.”

Chen Ping smiled slightly and walked up the stairs!

Because Chen Ping is not a person of suppression, even if he goes up the stairs, he cannot trigger the restriction!

“You guys go up first, and don’t move around until I break the restriction this time!”

Chen Ping asked Ji Yun and the others to go to the fourth floor first. He wanted to break the restrictions on the third and fourth floors!

In this case, Cen Biqing can go up to the fourth floor!

As for how to leave the tower, Chen Ping is thinking of a way!

Ji Yun and others nodded, and then went up to the fourth floor, while Chen Ping said to Cen Biqing: “Miss Qing, you are triggering the restriction, I will break it!”

“Okay!” Cen Biqing nodded, and then slowly went up the stairs!

Just after Cen Biqing stepped onto the stairs, there was a buzzing sound, and a white light appeared, followed by countless small mysterious runes in the void around him. These mysterious runes exuded strange powers, which directly knocked Cen Biqing away. go out!

Seeing this, Chen Ping suddenly waved his palm. While waving his palm, formation runes appeared in his palm!

In an instant, Chen Ping slapped his palm on the forbidden formation, and the two runes began to have a fierce confrontation!

The void trembled...

Cen Biqing stared blankly, she couldn't believe that Chen Ping, a monk in the Tribulation Realm, could actually resist the forbidden formation in the tower!

But just when Chen Ping broke the forbidden formation, Ji Yun and others who had already reached the fourth floor were stunned by the sight in front of them!

I saw treasures placed on the fourth floor. These treasures were all emitting divine light. At a glance, it was obvious that they were not ordinary objects!

"So many treasures..."

Lin Keting said with eyes full of light!

"Mr. Chen said we won't be allowed to move casually."

Ji Yun reminded Lin Keting that he was afraid that Lin Keting would run over to get the treasure privately!
