

The Order 731

Chapter: 731

When Song Tie saw it was Chen Ping, he was so frightened that he rushed towards him and hid in Chen Ping's arms, trembling. He was obviously frightened!

When Wu Dong on the side saw this, his eyes almost popped out with envy!

But Chen Ping didn't expect Song Tie to be like this. He was a little at a loss for a moment. Song Tie's body fragrance rushed into Chen Ping's nose. Chen Ping tried his best to calm down!

"Close your eyes and I'll pull you away. No matter what sound you hear, don't open your eyes!"

Chen Ping said to Song Tie.

Song Tie nodded and closed her eyes. She now has great trust in Chen Ping!

"Mr. Chen, what...what's going on? Why did it suddenly fog up?"

Wu Dong asked puzzledly.

"These are not mist. Close your eyes. I will tell you to open your eyes. No matter what sound you hear, don't move!"

Chen Ping followed Wu Dong and said.

Wu Dong also nodded. At this time, he had no choice but to trust Chen Ping!

"Roar....."

Suddenly the roar was getting closer and closer, and there was no one there yet. There were constant sounds of beasts all around, and now the whole team was panicking!

“ah.....”

A scream came from not far away, and this scream made everyone’s scalp explode!

Soon, screams came from not far away, followed closely by yells and curses, and the sound of running!

Song Zude’s face was extremely ugly. He hid tightly behind Master Guo. Only in this way could he give him a sense of security. Master Guo also put on a posture, with a solemn face!

At this moment, Chen Ping brought Song Tiedu to Song Zude. With such a thick fog, Chen Ping’s sight seemed to be unobstructed at all.

“Mr. Song, please tell everyone not to move, close your eyes, don’t open your eyes when you hear any sound, just close your eyes and don’t move!”

Chen Ping said to Song Zude.

Song Zude was a little surprised that Chen Ping could find him under such circumstances, but Chen Ping told them all to close their eyes, which puzzled Song Zude!

“What do you mean?” Song Zude asked.

“Boy, there are ferocious beasts all around now. If you ask us to close our eyes at this time and not move, aren’t we going to become the prey of those ferocious beasts?”

Master Guo shouted angrily at Chen Ping!

Chapter: 732

“Dad, believe Chen Ping, he is very powerful!” At this time, Song Tie also spoke for Chen Ping!

“Stop messing around. As long as Master Guo is here, even if there are ferocious beasts, there will be no danger!”

Song Zude pulled Song Tie over and scolded him!

“I can still deal with a few ferocious beasts. As long as they dare to get close, I will make sure they come back!”

Master Guo snorted coldly.

Seeing this, Chen Ping shook his head helplessly. These so-called beasts were just illusions. They were not aggressive at all. Their purpose was to disturb people’s minds and make them run around so that they could get lost in the jungle. middle!

But no one believes him now, and Chen Ping has no choice but to take it one step at a time!

Just then, a colorful tiger appeared, baring its teeth and roaring at Chen Ping and the others!

Seeing the tiger, Song Zude was frightened, and Song Tie also grabbed Song Zude’s arm and closed his eyes.

“Master Guo.....”

Song Zude was so frightened that he quickly called Master Guo!

Master Guo had also seen it. His feet suddenly stared, and then the muscles in all parts of his body tensed up. He shouted angrily and smashed towards the tiger!

But the tiger didn’t seem to care at all, and still grinned at several people and roared, as if it couldn’t see Master Guo at all!

“Beast, how dare you ignore me!”

Master Guo was so angry that even a tiger dared to ignore him, which made him feel that he had lost all face!

boom.....

He punched the tiger harder, but unexpectedly, Master Guo’s punch hit the tiger, as if it was hitting the air, and it penetrated directly through the tiger’s body.

This sudden change caused Master Guo to hold back his strength and hit a big tree heavily!

Fortunately, there was heavy fog all around, and not many people saw Master Guo’s embarrassment, otherwise he would be an embarrassment!

Holding his sore nose, Master Guo came back. Looking at the tiger that was still showing its teeth and claws, Master Guo’s eyes suddenly lit up!

“Mr. Song, I understand. These are not ferocious beasts at all. They are illusions, hallucinations we see. They are not real at all. This is why I can’t hit this beast at all!”

Master Guo came to his senses and hurriedly ordered loudly: “Everyone close your eyes and plug your ears. No matter what business you hear, don’t open your eyes unless I order you to open them!”

Although Song Zude didn’t quite understand what this illusion was, he loudly ordered everyone in the Song family!

Although everyone was confused, they still obeyed the order. They closed their eyes one by one and blocked their ears with their hands!

Chapter: 733

Chen Ping looked around, and then suddenly opened his mouth. The thick mist was quickly sucked into Chen Ping's stomach. Even the beasts with their teeth and claws seemed to be pulled by the huge suction force and sucked into Chen Ping's stomach. in!

Soon, the dense fog-filled jungle returned to its original appearance. Everyone still had their eyes closed, their ears blocked, and they stood motionless!

"You can open it now!" Chen Ping said calmly.

Slowly, everyone opened their eyes and saw that there was nothing around them, the beasts were gone, and the thick fog disappeared, as if nothing had happened!

"Dad, let me just say that Chen Ping is very capable!"

Seeing that everyone had returned to their original appearance, Song Tie followed Song Zude with a proud look on his face.

"Miss Song, that boy just encountered those beasts in advance. He must have tried them out, so he knew that these were illusions. Didn't I discover them right away as soon as I took action?"

Master Guo said with a grim expression.

"Yes, yes, Master Guo discovered the problem as soon as he took action. What does it have to do with that kid?"

Song Zude nodded repeatedly.

Now Song Zude is relying on Master Guo, and of course he has to coax him!

"Master, two of us are missing!"

At this time, a servant of the Song family came forward to report.

“These two people probably didn’t obey the order just now. After seeing the beast, they ran away in fear. Now I’m afraid they are trapped deep in the jungle!”

Master Guo analyzed!

Just after the analysis, I suddenly heard two sharp sounds, followed by a signal flare rising into the air, emitting a burst of red smoke!

Fortunately, the distance was not very far, and Song Zude immediately sent someone to find the two people!

Looking at the two people who were found, Song Zude stepped forward angrily and gave them a few big mouths!

“Did you disobey orders?”

Song Zude roared angrily.

The two men were so frightened that no one dared to raise their heads, and they were all trembling!

“Mr. Song, we have to hurry up and get out of here. This sudden thick fog must be the fault of the other party and is deliberately delaying us.”

Master Guo said to Song Zude.

“Yes, yes, let’s go quickly!” Upon hearing this, Song Zude hurriedly ordered the team to move forward!

Chapter: 734

At the same time, Feng Yi and the others, who had walked out of the jungle and reached the top of the mountain, felt the fresh air on the top of the mountain one by one, breathing greedily!

Master Na, on the other hand, had a bit of excitement on his face. He could feel that the spiritual energy here had suddenly increased many times. It was simply the best place to practice!

“Get ready and look for the entrance to the mineral vein...”

Feng Yi ordered loudly!

Soon, the people brought by Feng Yi began to use professional tools to search for the entrance to the mineral vein.

“Master Ma, are there a lot of underground gems here?”

Feng Yi asked Master Na.

Master Ma nodded: “This is indeed a good place. The entrance to the mine should be in the northwest. Send someone to search in that direction!”

“Okay!” Feng Yi was overjoyed. If the location is determined, it is only a matter of time to find the entrance to the mine. It seems that the entire Hengshan Mountain will become his own in the future!

But just when Feng Yi was happy, he suddenly found a group of people walking out of the jungle, it was Song Zude and the others!

Seeing Song Zude leading the people out, and not seeming to be affected at all, the smile on Feng Yi’s face suddenly froze!

“You...how did you get out?”

Feng Yi asked with a shocked look on his face.

Master Ma frowned and said to Feng Yi, "Did someone come out?"

"Yes, it's the Song family. They all came out and didn't trap them at all!"

Feng Yi said to Master Ma.

"How is that possible?" Master Ma frowned even deeper.

"Hahaha, Feng Yi, do you think a mere illusion can trap me? You are so naive!"

Song Zude laughed loudly!

"Song Zude, what did you say? I don't understand, what kind of illusion is it!"

Feng Yi said, pretending not to understand.

"Just pretend, there will be a moment when you can't pretend anymore!" Song Zude glared at Feng Yi fiercely, and then followed his men and said: "Go ahead and find the entrance to the mineral vein immediately!"

Soon, the Song family also began to search, but the mountain range was huge, and it might not be that easy to find the entrance to the mine!

Seeing the Song family looking around like headless flies, Feng Yi raised the corner of his mouth slightly. They had a clear direction, so they would definitely find it with twice the result with half the effort!

Chapter: 735

At this moment, another burst of noise came from the jungle, and then Liu Chengyin came out with the Liu family. However, they were not so lucky. Many people were obviously exhausted, and the number was reduced by half!

As soon as he walked out of the jungle, Liu Chengyin looked at Song Zude and Feng Yi with a gloomy face: “Who among you two is cheating? Dare to use illusions to trap me?”

It seemed that Liu Chengyin realized that everything in front of him was an illusion only after paying the price!

“Who else is there, it’s all Feng Yi, a despicable villain, and we just came out of the jungle!”

Song Zude pointed at Feng Yidao.

“Song Zude, please stop spewing nonsense. Did you see what I did? I even said it was you who did it. If you were also under the illusion, why were you able to come out safely?”

Feng Yi didn’t want the Song and Liu families to unite, otherwise he would have no chance of winning!

At this time, all three parties looked at each other, their eyes full of vigilance!

At this time, after Chen Ping reached the top of the mountain, he was in a state of excitement. He could feel that countless spiritual energy was rising up from the ground, as if it was about to break through the entire top of the mountain!

He could conclude that there must be a large number of spiritual stones under their feet.

“Found it, found it...”

Suddenly, the people from the Feng family who were looking for the entrance to the mine shouted loudly!

At this time, everyone ran over in search of the sound. They saw a servant of the Feng family holding a stone pickaxe in his hand. In front of him was a cave entrance less than one meter away.

It's so dark inside the cave entrance that you can't see anything at all, but according to past experience, if you dig along the entrance of the cave, you will definitely be able to find veins of minerals!

The appearance of the entrance to the mine instantly made the atmosphere among the three parties tense, as if there was a possibility of taking action at any time!

"None of us are sure now that this is the entrance to the mine, and whether the vein is rich in gems. We are just guessing. Why don't the three of us join forces to open the cave entrance and see what's going on inside before making a decision?"

Liu Chengyin suggested to Song Zude and Feng Yi!

After all, their family is the weakest now. If the situation is unclear and the three families fight, it will be a bit worthless. Don't suffer huge losses by then, and there is nothing in the veins!

"Okay, I agree!" Song Zude nodded, he thought so too!

Seeing this, Feng Yi could only nod and said: "Okay, let's open the cave entrance together!"

After finishing speaking, Feng Yi said to the servant: "Prepare explosives and blow up the hole a little..."

At this time, Chen Ping had been paying attention to the situation on the top of the mountain. When he heard that Feng Yi was about to blow up the entrance of the cave, he immediately stepped forward and said: "You can't blow it up. If you blow up the entrance to the cave, the top of the mountain might collapse!"

Chen Ping could feel that the bottom of the mountain top was empty. If the explosive exploded, the force would definitely rush into the hole and collapse the entire mountain top!

Feng Yi glanced at Chen Ping and said coldly: "You little kid knows nothing. We have been doing this for many years in mining. Get away from me. I will settle the score with you when we get down the mountain!"

Chapter: 736

No one listened to Chen Ping's words, and soon the explosives were deployed!

Then with a huge boom, the hole that was originally only one meter square was blown into a big hole!

It was so dark inside the big cave that you could even hear the echo of the impact of rocks!

"These must be the rubbles produced by the explosive explosion just now. Let's go in and take a look..."

Feng Yi said to Song Zude and Liu Chengyin!

The three people were about to enter the cave when suddenly there was a tremor on the top of the mountain, like an earthquake. This scared everyone and hurriedly backed away!

But soon they discovered that cracks began to appear in the rocks under their feet, and then the cracks became bigger and bigger!

"ah....."

Many people were screaming and running around!

Song Tie grabbed Chen Ping. At this time, she only believed in Chen Ping!

Wu Dong was also frightened and ran around, but Chen Ping stopped him: "Don't run away, you can't run away!"

Chen Ping pulled Song Tie and Wu Dong and jumped up with all his strength. Then there was a loud rumble under his feet, and the entire top of the mountain collapsed!

An area as large as several football fields suddenly collapsed. Everyone had no time to react and fell directly in!

Fortunately, the collapse was not deep, only about ten meters. Except for a few people who were injured by boulders, no one died!

Now everyone has fallen into a huge pit!

“Look, the Imperial Emerald...”

“Chicken blood red, that’s chicken blood red...”

Soon, people discovered that there were many rough gemstones exposed at the bottom of the pit. The green and bright red colors could be seen at a glance without any equipment!

“Hahaha, I’m getting rich, I’m getting rich, this is indeed a gem mine, it’s great...”

Feng Yi looked at the rough gemstones that could be seen everywhere and laughed excitedly!

Song Zude and Liu Chengyin were equally excited. This was worth more than a gold mountain!

Everyone was attracted by the gems, except Chen Ping who looked excitedly at the inconspicuous stones that were only the size of a fist and similar in shape to pebbles!

These stones were all filled with thick spiritual energy. The overwhelming spiritual energy made Chen Ping feel as if he was in an ocean of spiritual energy. He had never felt such a strong spiritual energy before. Chen Ping opened all his pores and absorbed it with all his strength. The aura around you!

After the excitement, Song Zude, Liu Chengyin and Feng Yi all looked at each other warily!

Chapter: 737

“Song Zude, Liu Chengyin, I found the entrance to this vein. Logically speaking, I should mine this vein. Since you are also here, how about I give you two the mines under my mountain and let you two share it equally?”

Feng Yi said to Song Zude and Liu Chengyin.

“Feng Yi, where did you fart? This is clearly the mine entrance that collapsed on its own, how did you find it?”

Song Zude yelled!

Liu Chengyin also had a cold face: “That’s right, how did this become yours?”

“So what do you two want?”

Feng Yi frowned, his eyes full of coldness!

Liu Chengyin fell silent. He was at his weakest at this moment and it was difficult for him to speak!

Then Song Zude looked at Master Guo, and Master Guo nodded towards him. Song Zude then said confidently: “Now that the mine mouth has appeared, whoever is going to mine it must rely on his ability!”

“Okay, Song Zude, don’t regret it!” Feng Yi didn’t do any ink. After finishing speaking, he bowed directly to Master Ma and said: “Master Ma, it all depends on you!”

“Don’t worry, Mr. Feng!”

After Master Ma finished speaking, a gas flame suddenly appeared in his hand, and then the flame went out, producing thick smoke!

“Hmph, here you go again, this little illusion, what can you do to me!”

Master Guo snorted coldly and said to Fan Debiao: “De Biao, go teach that old man a lesson!”

“Yes!” After Fan Debiao finished speaking, he rushed into the smoke!

Soon, the sound of fighting was heard in the smoke, and others could only watch from the outside, not knowing what was happening inside!

Song Zude clenched his fists tightly, and his nervous palms became sweaty.

“President Song, don’t be nervous. De Biao has already obtained my true inheritance. He is just a warlock. In a close fight, he is no match for him!”

After Master Guo knew that the old man was a warlock, he was not afraid at all!

When Master Guo said this, Song Zude felt a little relieved!

But just as Master Guo finished speaking, he saw a figure flying out of the thick fog, and then fell heavily to the ground!

“De Biao...”

Master Guo has sharp eyes and can tell at a glance that this is his great apprentice!

At this time, Fan Debiao’s chest was sunken, several ribs were obviously broken, and the corners of his mouth were full of blood. He opened his mouth to say something, but as soon as he spoke, blood spurted out!

Chapter: 738

The thick fog dissipated, and Master Na Ma was seen wearing sunglasses and standing with his hands behind his back: “Who said that warlocks only know spells and cannot fight in close combat?”

Master Ma sneered and took off the sunglasses he had been wearing. His eyes were so white that he couldn't see the black eyeballs. However, Master Ma seemed to see it and waved to Master Guo: "I don't use magic. I can defeat you just the same!"

"Are you a martial artist?" Master Guo's face changed and his expression became extremely solemn!

"Stop talking nonsense. If you have the ability, just do it. If you don't, then get out..."

Master Ma grinned and his voice was like thunder, which frightened many people!

Master Guo felt a chill in his heart. He no longer had the confidence he had at the beginning. He really didn't expect that Master Ma was a master of both martial arts and martial arts. If so, wouldn't he have no chance of winning?

But now that the matter has come to this, Master Guo has no choice but to take action. In the end, he can only bite the bullet and walk towards Master Ma with crackling sounds of muscles in his body!

"You hurt my disciple, I'm here to teach you a few tricks today..."

After Master Guo finished speaking, he flashed forward and headed directly towards Master Na Ma.

Sure enough, this time Master Ma did not use magic, but his ears kept shaking. Master Guo could dodge every move he made!

Soon, the two people were fighting like a whirlwind. The roaring wind caused rocks to fly everywhere, and everyone could only avoid them one after another!

"Master Guo, come on!"

Song Zude clenched his fists and secretly cheered for Master Guo. He had only this one to rely on. If Master Guo failed, the consequences would be disastrous!

Bang...

After a loud noise, the figures suddenly separated. Master Guo took several steps back before he could stabilize his figure. Master Ma, on the other hand, was not that strong. He took a few steps back before he stood still!

“It seems I underestimated you, come again...”

After Master Nama finished speaking, he jumped up!

Master Guo also gained confidence at this time, knowing that Master Ma’s strength was no more than this, so he jumped forward and rushed forward!

But just as he rushed forward, Master Ma waved his hand, and a thick cloud of smoke instantly enveloped Master Guo, and then the smoke became thicker and thicker.

Master Guo felt bad and wanted to retreat hurriedly, but he heard a whistling sound behind him and hurriedly lowered his head to avoid the blow!

“Despicable, didn’t you say you don’t need any magic?”

Master Guo cursed angrily!

“Hahaha, I can defeat you with my own strength, what’s so mean about it?”

Master Ma laughed loudly. In this thick fog, he was the master, while Master Guo was like a headless fly!

Chapter: 739

Seeing this scene, Song Zude’s face turned extremely ugly. He knew it was over!

Sure enough, soon Master Guo's body flew out of the thick fog, with blood stains on the corners of his mouth, and his body trembled slightly as he looked at Master Ma.

"You are really good at both martial arts and martial arts. I am willing to show you my inferiority..."

Master Guo said to Master Ma with an ugly expression.

"Seeing that you are also from a famous family, I won't kill you today, so go away..."

Master Ma waved his hand!

Master Guo clasped his fists and immediately ordered someone to carry Fan Debiao to leave!

"Master Guo, you can't leave, you can't leave, what should I do if you leave? I can give you more money, no matter how much it is!"

Song Zu pulled Master Guo and said.

"Mr. Song, this has nothing to do with money. I am no match for Master Ma. There is nothing we can do!"

Master Guo shook off Song Zude and left without looking back!

At this time, Song Zude was dumbfounded. He fainted and fell backwards!

"Dad..." Song Tie hurriedly supported Song Zude!

"Hahaha, how about it? I just gave you a chance. You don't know how rare it is. Now, except for this mine, the entire Hengshan mine is mine. Anyone of you who dares to disagree will die today..."

Feng Yi laughed wantonly!

“Feng Yi, if our Liu family doesn’t compete with you, we’ll just have to run our own mines!”

Liu Chengyin saw this and said to Feng Yi.

“It’s too late. Now you two have to get out of the mountain city. I don’t like to see anyone mining mineral veins in this place except my Feng family!”

Feng Yi said proudly.

“Feng Yi, you...don’t bully others too much?”

Liu Chengyin is going to be so angry!

“What? I just bullied you, what can you do? Do you want to do it too?”

Feng Yi looked at Liu Chengyin with disdain. At this time, he was already arrogant to the extreme!

“Feng Yi, even if I die, I will not leave the mountain city. At worst, I will fight to the death for you...”

Chapter: 740

Song Zude looked at Feng Yi with gritted teeth, and then said to Liu Chengyin: “Old Liu, if our two families join forces, I don’t believe that we can’t defeat Feng Yi. When the time comes, our two families will share the mine equally!”

Liu Chengyin looked at Feng Yi, who looked arrogant, and nodded: “Okay, let’s join forces together!”

Feng Yi looked at the alliance between the two families and was not worried at all. The people Song Zude brought had all left, and there was no strength at all!

“Since you two are seeking death, don’t blame me for being cruel...”

Feng Yi’s eyes flashed with murderous intent, and he waved his hand: “Come on, kill them all...”

All the masters brought by Feng Yi jumped up, and Master Ma pinched his fingers, and black mist floated towards the Liu family and the Song family!

“rush.....”

Liu Chengyin and Song Zude both shouted loudly, they knew this was the time that mattered to their survival!

Suddenly, the two parties came together in a melee. The two-meter-tall man Liu Chengyin invited headed directly towards Master Ma. His huge body was like a hill!

“Hmph, you are not overestimating your own abilities!”

Facing the big man like a hill, Master Ma’s eyes suddenly blinked. His originally white eyeballs now revealed black eyes, and his eyes were shining. He was not blind at all!

“Ahhhh...”

The big man let out a slight roar and punched Master Ma!

Master Ma ducked nimbly and punched the big man in the back!

Bang...

There was a loud noise, like a hard hit on steel, which made Master Ma take a few steps back and his arms were slightly numb!

“It turns out that I was practicing horizontal kung fu!”

Master Ma frowned slightly!

The big man who was punched was furious. After turning around, he took steps again towards Master Nama. Every step was like an earthquake, making a thumping sound!

“Hmph!” Master Ma snorted coldly, pinched his hands, and instantly two black mist emerged from his fingers and headed straight for the big man.

Seeing this, the big man wanted to dodge, but the two black mists, like ghosts, instantly got into the big man’s nostrils!

The big man’s expression was startled, and then he grabbed his throat with both hands, his expression was very painful!

puff.....

A mouthful of blood spurted out, and the two-meter-long body crashed to the ground. The big man’s eyes widened, and he bled to death from all his orifices. He was obviously poisoned!
