

## **The Order 7311**

Chapter: 7311

“Don’t worry, I won’t take it. Although these treasures are good, they are not worth the risk.”

Lin Keting said!

Lin Keting is not stupid. She knows that there are many dangers in this tower. If she loses her life for this treasure, it is not worth it!

Her life is much more valuable than these treasures!

“That’s good.....”

Ji Yun nodded!

But as soon as Ji Yun finished speaking, a figure suddenly rushed towards those treasures!

It turned out to be the thunder beast. This guy couldn’t hold it any longer after seeing these treasures!

He followed Chen Ping and others in because he wanted to find the treasure!

Now the opportunity is right in front of him, and Chen Ping is not here yet, he can get the treasure and run away!

Ji Yun and the others wanted to stop it, but it was already too late!

I saw the thunder beast grabbing a treasure, but the moment it touched the treasure, the thunder beast seemed to feel something, its face instantly became extremely ugly, and its whole person was wrapped in a force. !

“Save me, save me...”

The thunder beast shouted for help to Ji Yun and the others in fear, but no one moved!

After all, they have no friendship with the Thunder Beast, and this guy wants to take the opportunity to seize the treasure. Of course Ji Yun and the others will not rescue him!

I saw a beam of light hitting the thunder beast, and the body of the thunder beast was shattered inch by inch!

It only took a moment for the thunder beast to disappear directly, its spirit and form completely destroyed!

Ji Yun and the others were shocked when they saw this scene!

If someone had gone to get the treasure just now, this might have been the result!

It's simply too scary...

That kind of power, which none of them have seen before, can instantly wipe out a Mahayana monk like Thunder Beast!

Ji Yun and the others didn't dare to move, they could only wait blankly for Chen Ping!

At this time, Chen Ping was desperately trying to break the restrictive formation, and sweat could already be seen on his forehead.

"Mr. Chen, if it doesn't work, stop trying. Anyway, I've been here for many years and I'm used to it."

Chapter: 7312

Cen Biqing saw that Chen Ping was struggling so much, so she said!

"Don't worry, I can break it open..."

After Chen Ping finished speaking, an eye instantly appeared on his forehead!

Immediately after the Tian Ming Eye opened, the forbidden formation appeared completely in front of Chen Ping!

Chen Ping had never seen some of the formation runes on the formation, and they seemed a bit more complicated than the divine runes he had learned!

However, Chen Ping knows that all methods return to their sect, and even complex formations and runes will remain true to their sect in the end. There will eventually be formation eyes to control them!

And there must be a way to provide energy for the formation, otherwise the formation would not be able to operate and start on its own!

Thinking of this, Chen Ping looked around!

When Chen Ping's eyes fell on the stairs, his eyes suddenly lit up!

Under Chen Ping's eyes, the stairs turned brown!

This proves that this ladder has energy!

When Chen Ping looked at the sky, the sky was all gray. The sudden appearance of brownish red meant that this staircase was no ordinary thing!

The far rotation of the forbidden formation relies on the energy transported by this ladder!

"Miss Qing, stay away..."

Chen Ping said to Cen Biqing!

Cen Biqing nodded, and then took a few steps back. She didn't know what Chen Ping was going to do!

I saw Chen Ping take out the Dragon-Slaying Sword, and then a golden light burst out!

The sword light slashed out and instantly cut off the stairs. The seemingly ordinary stairs collapsed at this moment!

Chen Ping's body also fell from the stairs!

At this moment, there is no staircase connecting the third and fourth floors!

Cen Biqing didn't understand why Chen Ping cut off the stairs, so she asked in confusion: "Mr. Chen, why did you cut off the stairs?"

"If you cut off this staircase, the formation will be broken naturally. If you don't believe me, follow me to the fourth floor and have a look..."

After Chen Ping finished speaking, he jumped up and reached the fourth floor!

Cen Biqing's face was full of doubts, but she still jumped up. Despite her worries, she actually reached the fourth floor without being blocked by the forbidden formation!

Chapter: 7313

At this moment, Cen Biqing's face was full of excitement. She didn't know how many years she had not left the third floor!

Seeing Chen Ping and Cen Biqing coming up, Ji Yun and the others rushed to greet them!

"Where's the Thunder Beast?"

Chen Ping didn't see the thunder beast, so he asked curiously!

“The thunder beast wanted to seize the treasure, but was beaten to ashes by a powerful force...”

Ji Yun said truthfully!

“What?” Chen Ping was shocked!

You must know that the thunder beast is in the Mahayana realm. What kind of terrifying power can make a Mahayana realm monk turn into ashes with one blow?

At this time, Chen Ping’s eyes were also attracted by the treasures on the fourth floor. These treasures were all emitting light, and they were definitely not ordinary at first glance!

“Miss Qing, what...what is going on?”

Chen Ping asked!

Cen Biqing also shook her head: “I don’t know, I haven’t been here before, let me ask for you!”

After saying that, Cen Biqing took two steps forward and then shouted towards the empty four-story hall:  
“Old Hei, Old Hei...”

After shouting twice, a strong man with a dark body like an iron tower appeared. The strong man was also wearing a black armor like scales!

After seeing Cen Biqing, the strong man frowned slightly and said, “You...are you Xiaoqing from the third floor?”

“Yes, it’s me!” Cen Biqing nodded!

Although the two parties have never met, the voices of both parties can still be heard!

“You...how did you get up here? How is this possible?”

Lao Hei’s face was full of shock and he asked in disbelief!

“The restriction formation was broken, so I came up!”

Cen Biqing said truthfully!

As soon as he heard that the forbidden formation was broken, Lao Hei instantly became extremely excited, and his aura suddenly surged!

boom!

I saw that Old Hei erupted with a heaven-destroying aura that made the whole tower seem to be shaking, and then I saw a black light heading directly towards the fifth floor!

Chapter: 7314

But the next moment, a bloody formation swept across, instantly suppressing the black light!

Lao Hei shouted angrily and rushed towards the fifth floor again. Then he was suppressed in the same way and fell heavily to the ground!

After this attack several times in a row, Lao Hei was suppressed and could not reach the fifth floor at all!

“Mr. Chen, what is this guy doing?”

Ji Yun asked very confused!

Chen Ping shook his head: “I don’t know, are you crazy?”

Cen Biqing also looked at the old black man in confusion, not knowing what he was going to do!

“Xiao Qing, how dare you lie to me? Where is the formation broken?”

Lao Hei glared at Cen Biqing, feeling that he had been cheated!

Hearing what Lao Hei said, everyone was speechless for a moment. This guy thought that if the formation was broken, he could go to the tower!

Cen Biqing said speechlessly: “Old Hei, I said that my level of formation was broken, but I didn’t say that your level was also broken. If you rush in without asking clearly, are you feeding the dog in your head?”

“You...” Lao Hei was speechless for a moment.

Chen Ping and others looked at the old black man and couldn’t laugh or cry. They really didn’t know how this guy had been practicing for thousands of years!

This IQ doesn’t seem to match the strength at all!

“You can also break through my layer. I want to go to the tower...”

Lao Hei said to Cen Biqing!

“I can’t break it...” Cen Biqing replied!

“Fuck, you’re still playing tricks on me, aren’t you...”

“I didn’t break the restriction formation, it was Mr. Chen who helped break it.” Cen Biqing quickly pointed at Chen Ping and said before the old black man finished speaking!

She knew this old black guy had no brains, so she wanted to make it clear!

At this time, Lao Hei discovered the existence of Chen Ping and the others, and ignored Chen Ping and the others at first!

After taking a look at Chen Ping and the others, Lao Hei sneered and said, “Xiao Qing, are you lying to me? You’re just a kid in the Tribulation Realm. How can you break through the forbidden formation in this tower?”

“I can crush him with one finger. I can’t break it. How can he break it?”

Lao Hei obviously didn’t believe it. He thought Cen Biqing was lying to him!

“Believe it or not, I told you anyway. If you ask Mr. Chen now, he may be able to help you break the restricted formation.”

Cen Biqing said indifferently!

Seeing Cen Biqing's tone, Lao Hei looked at Chen Ping, then raised his hand and said: "Boy, help me break this formation. I don't have to kill you. If you can't break it, I will destroy your soul!" "

Chen Ping was stunned for a moment, a little unbelievable. Is this his attitude of asking for help?

After hearing this, Cen Biqing also wanted to curse. What was this guy thinking, begging for help like this?

"Hahaha, Lao Hei, you are such a pig, with your begging attitude, not even your father will help you."

At this time, a child's voice came from the fifth floor!

There was ridicule in his voice, and the scolding made Lao Hei's face turn red!

This time, Lao Hei's face turned black and red!

"Little bastard, when I get to the fifth floor, I'm going to peel off your skin, beat your tendons, and then tear your stinky mouth apart."

Lao Hei ran to the bottom of the stairs, raised his head and yelled at the fifth floor!

"Hahaha, you can't get up, you can't get up, I'll make you so angry, you stinking idiot..."

"Slightly, slightly, slightly..."

The child's voice provoked Lao Hei.

Chapter: 7315

Lao Hei was so angry that his hair was on fire!

Only then did Chen Ping and the others understand why Old Hei rushed towards the fifth floor as soon as he heard that the forbidden formation was broken!

It looks like these two people have been bickering for who knows how long!

Obviously this old black man is not good at talking and is often humiliated by the other party!

“Boy, break the restriction formation for me immediately, or I will kill you...”

Lao Hei was so angry that he came towards Chen Ping!

All the anger was going to be vented on Chen Ping!

“Old Hei, how dare you...” Cen Biqing stood in front of Chen Ping!

“Get out of my way and don’t stop me, or I’ll kill you too...”

Lao Hei said very hotly!

“I said, I will never let you hurt Mr. Chen...” Cen Biqing didn’t move at all!

Both belong to the dragon clan, and Chen Ping is also from the golden dragon clan. How could Cen Biqing let Lao Hei attack Chen Ping!

“Then don’t blame me...”

The black armor on Lao Hei’s body burst out with an aura, attacking directly towards Cen Biqing!

Cen Biqing was instantly knocked away. She was no match for this old black man!

Seeing this scene, Chen Ping was a little dumbfounded. This old black guy is so awesome!

“Senior, can you defeat this old black man?”

Chen Ping asked helplessly to Demon Lord Chiyun!

Now, he can only ask for help from Demon Lord Chiyun. When the time comes, he can control his body and subdue this old black man. Otherwise, they are really afraid that they will die here!

“I can beat him, but there is one thing. I’m afraid your physical body won’t be able to withstand the explosive power of this big boss!”

Demon Lord Chiyun said!

When Chen Ping heard this, he was immediately speechless. Although his physical body was very powerful, it was not enough for Demon Lord Chiyun to unleash his full strength!

This time it’s a bit troublesome. It seems that we can only agree to this old black man for the time being!

“Boy, whether you want to die or break through this forbidden formation, it’s your choice.”

Chapter: 7317

Cen Biqing seemed a little happy to see people of the same clan!

When Lao Hei heard this, he also said happily: “I didn’t expect to meet people of the same clan in this tower.”

“It’s not like the people imprisoned in this tower are all dragons, right?”

Chen Ping asked in surprise!

Lao Hei was about to speak when he heard the voice of the child on the fifth floor: “I am also a dragon, I am of the pseudo-dragon lineage...”

“Don’t lie to me. Don’t think that if you say this, I won’t beat you when I get to the fifth floor...”

When Lao Hei saw that the guy on the fifth floor also said that he was a dragon, he immediately said angrily!

“I am really of the pseudo-dragon lineage!” After the child’s voice finished speaking, it suddenly turned into an old man’s voice and said: “I can disguise everything, but my voice is the best to disguise.”

“If you break through the forbidden formation, you will know if it is true when you see me!”

“Holy Son, hope...” Lao Hei looked at Chen Ping!

“Just like Miss Xiaoqing, just call me Mr. Chen. I’ll see if the forbidden formation can be opened!”

After Chen Ping finished speaking, he walked towards the stairs!

This time, he did not let Lao Hei test the formation, but directly opened the Tianming Eye, and the forbidden formation appeared in Chen Ping’s eyes!

Looking at the complicated formations and countless runes, Chen Ping frowned slightly!

The restriction formations on each level are actually different!

And there is nothing wrong with the stairs this time. If you want to break through the formation, you need to start from the center of the formation!

Chen Ping tried many times, but all failed!

In the end, Chen Ping used the Dragon-Slaying Sword to forcefully break through the forbidden formation again and again, but he was also knocked back!

“The formations on each level are different. This level’s formation is obviously much stronger. I can’t break through it.”

After trying many times, Chen Ping could only say helplessly!

When Lao Hei saw this, his expression looked very disappointed, but he still squeezed out a smile and said: "It doesn't matter, this restriction formation is very strong, so it's normal that it can't be broken."

"I'll go to the fifth floor first to see what's going on. Maybe I can think of other solutions upstairs!"

Chen Ping planned to go to the fifth floor to see who the guy who claimed to be of the pseudo-dragon lineage was!

"Mr. Chen, people are unpredictable, you must pay attention..."

Chapter: 7318

Cen Biqing reminded Chen Ping!

"I'll go with you..."

Lin Keting walked to Chen Ping and decided to follow Chen Ping up to have a look!

In fact, they all know that the suppressed people upstairs will become stronger and stronger. No one can say whether the guy on the fifth floor is a dragon or not, and whether he is a good person, so going up rashly is a risk!

However, Lin Keting was willing to accompany Chen Ping up there, and Chen Ping did not refuse!

He always felt that this little girl Lin Keting had many unknown secrets!

“Ji Yun, Miss Zhu, you wait here for now, I’ll go up and check the situation!”

Chen Ping went to check the situation. If the situation was not right, he would not continue climbing the tower in the future!

But not every time, you can have such good luck, all you meet are dragons!

If that old Hei hadn’t been a dragon, Chen Ping would have been in danger right now!

After giving the instructions, Chen Ping followed Lin Keting to the fifth floor!

After the two people reached the fifth floor, a stooped old man with a beard and a hunchback seemed to be waiting for them!

Seeing Chen Ping and the others coming up, the old man grinned, showing his big yellow teeth!

This disgusted Lin Keting!

Chen Ping took a look at the old man and thought of the child’s voice just now. The contrast was really huge!

Who would have thought that the child’s voice just now came from an old man with a hunchback!

As expected of the pseudo-dragon lineage, I guess this image is also a disguise!

Before Chen Ping could speak, the hunchbacked old man suddenly thrust out both palms!

The palm was like an eagle's claw, grabbing at Chen Ping and Lin Keting!

Because it was so sudden, Chen Ping didn't expect that this old guy would take action suddenly, and he didn't even react for a while!

However, the jade pendant worn by Lin Keting suddenly burst out with a red light, making the old man stunned!

Only then did Chen Ping and Lin Keting react, and quickly retreated to the fourth floor!

"Mr. Chen, what's wrong?"

Seeing Chen Ping and Lin Keting running down just after they came up, and their expressions were wrong, Cen Biqing asked quickly!

Chapter: 7319

"There was an old man with a hunchback upstairs. As soon as we went up, he suddenly attacked us!"

Lin Keting said angrily!

"Hunchbacked old man?" Lao Hei looked confused!

"That guy is indeed of the pseudo-dragon lineage. He can really disguise himself. I guess his appearance is also disguised."

Chen Ping said!

“Mr. Chen, are you sure that guy is also a dragon?” Cen Biqing asked.

“It’s the Dragon Clan. I went to the fifth floor and checked it out. I just didn’t expect this guy to suddenly attack.”

Chen Ping nodded and said!

“I have pity on my life-saving jade pendant...”

Lin Keting held her cracked jade pendant with a very sad expression!

If the life-saving jade pendant hadn’t suddenly activated just now, the two of them would have been killed by the old man!

“Miss Lin, I’m sorry...”

Chen Ping said a little embarrassed!

After all, it was Lin Keting’s jade pendant that saved him just now!

“Forget it, you’re not just saving yourself. This jade pendant was originally meant to save my life.”

“At worst, I can just ask my master to give me one when I get back.”

“What should we do next? We probably won’t be able to go up there.”

Lin Keting asked!

“I have no choice but to go back. I’ll try to see if I can take Miss Qing and Lao Hei out.”

Chen Ping said!

“Thank you Mr. Chen...”

When Lao Hei and Cen Biqing heard this, they were immediately excited!

If they leave this tower, they will be free and no longer have to be trapped here!

“Old Hei, Mr. Chen has helped us like this, why don’t you give a share of your treasure to Mr. Chen and the others!”

Chapter: 7320

Cen Biqing said to Lao Hei!

Chen Ping was probably embarrassed to ask for it directly. After all, they were all dragons, so Cen Biqing had no choice but to speak!

Lao Hei was stunned for a moment, then said with a bitter look on his face: "Those treasures are not mine at all, and I can't get them. These treasures have existed since I was suppressed here. They may belong to the person who was suppressed last time." Treasure?"

"Not yours?"

Chen Ping and the others looked at the old black man at the same time!

They always thought that those shining treasures belonged to Lao Hei, but to their surprise, this guy actually said they were not his!

In this way, Chen Ping became curious about these treasures. Since they were ownerless things, he could just take them all away!

"Mr. Chen, you have to be careful. The thunder beast just went to get the treasure and was beaten to the point of death."

Ji Yun quickly reminded!

"That's none of my business. I didn't do it. These treasures look like they are right in front of you, but they are actually in another dimension, so you can only get them by entering. If you go to get them directly, it is impossible to get them."

Lao Hei quickly clarified!

The person who just beat the thunder beast to death was not him!

"Then who was the last person imprisoned here?"

Cen Biqing asked curiously!

“I don’t know, I’ve never touched these things before...”

Lao Hei shook his head and said!

Chen Ping slowly walked to the treasures, and then opened the Tianming Eye!

Under Tian Ming’s eyes, all these treasures turned dim and were not treasures at all!

“These are all lies?”

Chen Ping frowned slightly, then grabbed a treasure!

“Don’t catch...”

Seeing this, Lin Keting on the side stepped forward and grabbed Chen Ping, trying to stop Chen Ping!

But just when she grabbed Chen Ping, Chen Ping had already grabbed the treasure!
