

The Order 7321

Chapter: 7321

There was no terrifying force bombarding them, but accompanied by a tremor in the void, Chen Ping and Lin Keting disappeared unexpectedly!

“Mr. Chen, Mr. Chen...”

When Ji Yun saw this, he immediately panicked and shouted loudly!

Cen Biqing also frowned and said, “What’s going on? Could it be that Mr. Chen and the others were taken into a foreign space?”

“Don’t worry, they can’t leave here. The tower’s restrictions prevent them from leaving even with the use of space magic.”

“They are still in this tower now, but they are no longer in the same space as us!”

“But they will be back soon...”

Lao Hei comforted Cen Biqing!

Hearing what Lao Hei said, Cen Biqing breathed a sigh of relief!

At this time, Chen Ping and Lin Keting were brought into a space!

But looking around, it was obvious that this was also the fourth floor of the tower, but the only difference was that Ji Yun and the others were missing!

Moreover, there were some messy things on the ground inside the tower, which was very messy.

“What’s going on? Why does the tower seem to have changed? Where are the others?”

Lin Keting looked around and asked in confusion!

Chen Ping frowned slightly and said, “It is very possible that we have entered another dimension. Although we are still in this tower, we are no longer in the same dimension as the others, so we cannot see them.”

Chen Ping noticed during the tremor in the void just now that they were probably sucked into another dimension!

“What should we do? How can we go back?”

Lin Keting said with some fear!

“It’s okay. Just break this space and you can go back. Let’s see if there are any good things here first.”

“I think these things should be left by the people who were suppressed on this floor last time!”

Looking at the messy things on the ground, Chen Ping said!

Chen Ping followed Lin Keting and looked at the debris on the ground. Many things were damaged. He didn't know whether someone did it deliberately or because of the age!

At this moment, a golden light suddenly flashed, and Chen Ping followed towards the golden light!

Along with the golden light, a picture scroll slowly opened in mid-air!

Chapter: 7322

In that scroll, there was a blurry shadow!

"What is this?" Lin Keting looked at the scroll with surprise on her face.

Chen Ping did not speak, but stared at the phantom. He felt that this phantom could be the person who was suppressed last time?

This leaves a shadow in this picture, waiting for the destined person?

While Chen Ping was meditating, suddenly the phantom began to slowly change, and finally turned into a sword, which lay across the scroll!

It doesn't look like a painting, but like a real sword!

Chen Ping looked at the sword, and then reached out to touch it. But at this moment, the sword trembled violently, and then a huge suction force made Chen Ping's body rush towards the sword like a tide!

Chen Ping was shocked, and he was retreating quickly, but the suction force in the sword was still absorbing the power in Chen Ping's body!

Seeing this, Chen Ping quickly took out the Dragon-Slaying Sword, intending to use it to destroy the scroll!

You can't have all your power sucked away!

But just as the Dragon-Slaying Sword was sacrificed, it suddenly flew into the scroll!

I only heard the buzz of the Dragon-Slaying Sword, and the two swords actually started arguing in the scroll!

As the two swords contended, the sudden suction force also disappeared!

Chen Ping took the opportunity to grab the sword!

This time, Chen Ping held on to the sword tightly, and a huge spiritual consciousness enveloped the sword!

He wanted to see what this sword was and how it could suddenly absorb his power!

But at this moment, Chen Ping grabbed the sword and followed it directly into the scroll!

In just an instant, the sword Chen Ping grabbed turned into a sword light and entered Chen Ping's eyebrows!

boom!

Chen Ping felt countless sword lights appearing all around. These sword lights were densely packed and kept pouring into his body!

But with so many sword lights, Chen Ping couldn't feel the slightest danger, nor did he feel anything!

But within his body, an inexplicable power was growing rapidly!

“Sword Intent, is this Sword Intent?”

Chen Ping was shocked!

Chapter: 7323

Although Chen Ping has also used sword intention, he has no way to control it, and Chen Ping only has a partial understanding of sword intention!

But at this moment, Chen Ping immediately noticed the inexplicable power in his body. It was sword intention!

Countless sword intentions are still pouring into Chen Ping's body!

Chen Ping closed his eyes slightly, enjoying the increase in sword intent!

Lin Keting was frightened at this time!

“Chen Ping, Chen Ping...”

She looked at the scroll and kept shouting!

But Chen Ping remained motionless, as if he couldn't hear it.

Lin Keting was so frightened that she cried. If Chen Ping entered the scroll and couldn't get out, what would she do?

How could she leave this foreign space?

Lin Keting tried to enter the scroll, but she tried several times without success!

I don't know how long it took, but Chen Ping slowly opened his eyes. He was surrounded by ink, as if he was in water, and the surrounding space was undulating!

Chen Ping reached out and grabbed Zai's Dragon-Slaying Sword, and with just a slight wave, a huge sword intent burst out, directly covering the surrounding space!

With just this gentle wave, the space around Chen Ping changed, as if a big bubble enveloped Chen Ping!

"What's this?"

Chen Ping's face was filled with disbelief as he looked at the changes in the surrounding space!

"Is this the Sword Realm? Although I am not a swordsman, I have heard of the Sword Realm."

At this time, Demon Lord Chiyun said!

“Sword Domain? What do you mean?” Chen Ping looked surprised!

“The sword domain is space, the domain created with the sword. In this domain, you are the master!”

“It’s just that you are not strong enough now, this sword domain is a bit small...”

“But if you can open up a sword domain, you are the best among people.”

Demon Lord Chiyun said!

“this.....”

Chapter: 7324

Chen Ping looked at the changes in the surrounding space in disbelief!

He never thought that he could carve out his own domain, thousands of worlds, and a vast universe. Although there are many space worlds, they are all created by some great powers with just a wave of his hand!

But those are all people from the heaven, and they are also very awesome masters!

I am just a small cultivator in the Tribulation Realm, but I can actually carve out my own domain in this galaxy?

Although this field is small, this is a good start!

Chen Ping's hand holding the Dragon Slayer Sword was trembling slightly, and the excitement was beyond words!

Chen Ping, who has the sword intention, is holding the Dragon Slaying Sword at the moment, and the feeling of the sword intention is even more obvious!

Chen Ping waved the dragon-slaying sword in his hand again!

boom!

In an instant, a terrifying sword intent erupted, directly breaking the sword domain he created, causing the entire tower to tremble violently!

The scroll also disappeared under Chen Ping's blow, and Chen Ping's figure appeared in front of Lin Keting!

At this moment, Chen Ping finally understood that the scroll should be the sword domain created by the previous suppressor, and then the other party deliberately left the sword behind to find a destined person!

"You just entered the scroll and it scared me..."

Lin Keting saw Chen Ping coming out and said quickly!

"There is no danger in the scroll, it's okay."

Chen Ping smiled slightly and put away the Dragon-Slaying Sword!

He didn't follow Lin Keting about the Sword Domain. After all, Lin Keting's identity was still a mystery to him. Chen Ping couldn't follow Lin Keting on everything!

"Then let's get out of here quickly. I always feel a little uncomfortable here!"

Lin Keting was a little scared, she felt it was weird here!

But Chen Ping didn't want to leave in a hurry. Maybe there were treasures among these messy items!

"Don't worry, we are looking for it, and maybe we can find other treasures. Since we have taken an adventure, we must gain more!"

After Chen Ping finished speaking, he began to rummage among those items!

"Stop looking for it. Instead of looking for it like this, it's better to take them all away!"

After Lin Keting finished speaking, she took out the storage bag, and then with a wave of her hand, all the items in the field went into the storage bag!

Chapter: 7325

Whether it's treasures or trash, they're all collected!

Instead of slowly looking here, why not go out and look for it!

Lin Keting doesn't want to stay here for a moment!

Seeing this, Chen Ping could only smile helplessly: "Okay, let's go out. I think everyone else is also anxious."

After Chen Ping finished speaking, he looked around. This was the fourth floor of the tower, but the spatial dimensions were different, so they couldn't see Ji Yun and others!

However, this dimension can be broken. Since the last person who was suppressed can use treasures in other dimensions to trick others into entering here!

Then there is definitely a way to get out. After all, they are in the same space. Even if they change dimensions, they are still in this tower!

So if you want to go back, it will be easy to find Ji Yun and the others!

Chen Ping took out the Dragon-Slaying Sword, and a sword intent poured into the Dragon-Slaying Sword, and the Dragon-Slaying Sword made bursts of dragon roars!

"Let me break through this space dimension and have a look..."

After Chen Ping said this, he was about to swing out his sword. He was going to use brute force to break open the space here!

But just when Chen Ping was about to draw his sword, there was a sudden space fluctuation around him, and Ji Yun and the others appeared!

When Chen Ping saw this, he hurriedly stopped his hand. If he struck with his sword, he might hurt someone!

“Mr. Chen...”

Seeing Chen Ping and Lin Keting appear, Ji Yun shouted quickly!

“How’s it going? Did you gain anything?”

“I feel that the last person who was suppressed was also a very awesome person...”

Lao Hei said!

“There are no treasures, just a pile of junk.”

Chen Ping smiled slightly and said!

“Let’s go out, I always have a bad feeling!”

Lin Keting looked a little unhappy and urged Chen Ping to leave the tower!

“Okay, let’s go!”

Chen Ping nodded!

“Mr. Chen, can you take us out too?”

Cen Biqing asked quickly!

“Of course. We are all of the same race. There is no way I am watching you being suppressed here.”

Chen Ping said!

Cen Biqing and Lao Hei are both from the Dragon Clan. Although they are not from the same lineage, there is no way Chen Ping can just stand by and watch when people of the same clan are trapped!

“Thank you Mr. Chen...”

Cen Biqing and Lao Hei both happily bowed to Chen Ping!

The walk down from the fourth floor was smooth!

Chen Ping easily broke through the restriction between the third floor and the second floor!

The same goes for the ban on the second floor leading to the first floor!

It's just that Cen Biqing and Lao Hei were very shocked when they looked at the scenes on the first and second floors. They never knew that there would be such a cruel scene under their feet!

They also couldn't figure out who could do such a thing!

What are the rotting corpses on the first floor and the corpses on the second floor used for?

Is there really a guy in this tower who uses corpse energy to practice?

Which level is this guy on earth?

With so many layers apart, logically speaking, it's impossible to do this without anyone noticing?

After all, the people suppressed on each level are not ordinary monks, they are all powerful people!

Chapter: 7326

But at this moment, they have no time to think about this. The exit is right in front of them, and Cen Biqing and Lao Hei can't wait!

As long as they walk out of here, they will be free!

Chen Ping and the others walked out of the tower first, then looked at Cen Biqing and Lao Hei and said: "You two try to come out slowly. If you can't come out, I will help you break the formation..."

Chen Ping knew that in addition to the restrictions on each level, there must be restriction formations around the tower, but he wanted to let Cen Biqing and Lao Hei try it first!

The two people nodded and slowly walked towards the exit!

But just as they approached the exit, a strange white light suddenly flashed out, and Cen Biqing and Lao Hei were immediately knocked away!

In an instant, countless mysterious runes appeared around the tower. These runes exuded strange power and enveloped the entire tower!

The four stone lions around the tower seemed to come alive in the light at this moment, roaring loudly!

Chen Ping was stunned when he saw this scene. He didn't expect that the forbidden formation outside the tower was so powerful!

He no longer had the courage to even try to break the formation!

With the roar of the four stone lions, the entire tower was wrapped in light and gradually became blurry, as if it was about to disappear!

At the same time, a terrifying and huge force enveloped Chen Ping and the others, making Chen Ping and the others unable to move at all!

At this moment, Chen Ping and others were all panicked!

From the mouths of the four stone lions, several rays of light suddenly shot out, heading straight for Chen Ping and the others!

The few people who could not move at all were stunned when faced with the sudden light. They had no ability to resist at all!

Chen Ping tried desperately to break through this power suppression, but it was of no use!

Seeing that Chen Ping and the others were about to die under this light, a figure slowly appeared!

I saw this figure wearing a Taoist robe, with a gray beard, and holding a whisk in his hand!

With a slight wave of the fly whisk in his hand, those rays of light dissipated instantly!

“Master.....”

Lin Keting originally thought she was destined to die, but after seeing this veteran, she immediately shouted excitedly!

Chen Ping and others also looked at the old Taoist in front of them in surprise!

The power of the light that those four stone lions just exploded was terrifying!

But he didn't expect that the old Taoist in front of him would block it with a light wave of his whisk!

Chapter: 7327

And judging from the other party's demeanor, it's not his true form at all!

“Ting'er, are you okay?” The old Taoist asked Lin Keting with concern!

“Master, I'm fine!” Lin Keting shook her head!

“My master made a miscalculation. I calculated everything except that the Demon Suppressing Tower would appear here.”

“Fortunately, I arrived in time, otherwise you would have died. Don’t rush into unknown places again.”

The old Taoist scolded Lin Keting!

“Got it!” Lin Keting nodded!

“Senior, what is this Demon Suppression Tower? Who are the people suppressing inside?”

“Can you help me rescue the two people inside? They are at the exit of the tower!”

Chen Ping knew that Lin Keting’s master must be very awesome, so he requested!

The old Taoist just looked at Chen Ping, then smiled slightly and said: “The people in this Demon Suppressing Tower are suppressing the Dragon Clan. I have no friendship with the Dragon Clan, so why should I save them?”

Chen Ping was stunned. He didn’t expect that the people suppressed in the Demon Suppression Tower were all dragons?

“Why, why should these dragons be suppressed?”

Chen Ping asked in confusion!

“You talk too much. Why should I tell you who you are?”

“You are not my disciple’s man, why should I tell you? Why should I help you?”

The old Taoist looked at Chen Ping and said this deliberately!

“Master...” Lin Keting’s face suddenly turned red!

“I...” Chen Ping was also speechless. What he said was right. He was neither a relative nor an acquaintance. Why should he tell him?

Why should you help yourself and save others?

“Then...then I will be your disciple, can you help me?”

Chen Ping glanced at Cen Biqing and Lao Hei inside the tower, gritted his teeth and said!

Even if you sacrifice yourself, you must rescue Cen Biqing and Lao Hei!

What’s more, Lin Keting is also very good-looking, so she is not at a disadvantage!

Chapter: 7328

“Boy, this is what you said, don’t go back on it...” When the old man heard this, he immediately laughed!

“Master, what did you say? I...”

When Lin Keting heard this, she became a little anxious!

Where are you? Find yourself a man as soon as you come here!

And in front of other people, this is so embarrassing!

“Ting’er, just shut up and obey...”

The old man told Lin Keting to shut up!

“Senior, I will never go back on my word. Please rescue those two people!” Chen Ping said!

“I can’t save them. They are facing such a disaster. No one can save them from the tower except the arrival of the true dragon.”

“The only one who can save them is you, but you don’t have the ability yet.”

The old Taoist looked at Chen Ping and said!

Chen Ping was slightly stunned. He didn’t expect that this old man could see his identity at a glance!

“Senior, when can I save them? This tower seems to be disappearing. Where will I find the Demon Suppression Tower then?”

Chen Ping looked at the Demon Suppressing Tower in front of him. It was getting fainter and fainter, as if it was about to disappear at any time!

“This Demon Suppression Tower is not in a fixed place, but travels around the world. If you leave here, who knows which world you will go to.”

“How to find the Demon Suppressing Tower and how to save them is up to you. I can’t control it either!”

“Don’t forget what you promised, to be my disciple’s man!”

After the old man finished speaking, his figure became fainter and fainter!

When Chen Ping heard this, he immediately wanted to curse. This was equivalent to being sold out without doing anything!

What the hell?

The old Taoist seemed to notice Chen Ping’s dissatisfaction, so he smiled and said: “Boy, we are old acquaintances...”

After saying that, a soft white light emitted from the old Taoist body, and the white light shone on several people, making them feel comfortable all over!

Chen Ping was still wondering, he didn’t know this old man at all, how could he be an old acquaintance?

But when the white light shone on him, Chen Ping suddenly remembered something!

Chapter: 7329

This soft white light felt very familiar to him!

When he was in Dashi Village, he seemed to be wrapped in this white light...

“Mr. Chen.....”

At this time, Cen Biqing’s shout awakened Chen Ping from his memories!

“Miss Qing, I will find a way to save you...”

Chen Ping took out the Dragon-Slaying Sword and planned to give it a try!

“Mr. Chen, please leave us alone and don’t take any risks. I will give you my dragon crystal.”

“At that time, you can use the dragon crystal to know where we are.”

Cen Biqing spit out a red dragon crystal from his mouth, and then threw it to Chen Ping hard!

“Mr. Chen, I believe in you. You will definitely be able to rescue us in the future.”

“The future of our dragon clan depends on you...”

Cen Biqing followed Chen Ping loudly and said!

Chen Ping caught Cen Biqing’s Dragon Crystal. When he was about to say something else, the Demon Suppression Tower had slowly disappeared, and he didn’t know which world he had gone to!

Holding Cen Biqing’s Dragon Crystal, Chen Ping felt very uncomfortable!

He felt that he was too incompetent. If he were strong enough, he might have rescued Cen Biqing and the others!

Now that the Demon Suppressing Tower has disappeared, Chen Ping hasn't even figured out the Demon Suppressing Tower yet!

A feeling of powerlessness emerged from Chen Ping's heart!

"Don't worry, I will definitely be able to rescue you!"

Chen Ping's eyes flashed with determination, and his feeling of powerlessness was instantly suppressed!

Chen Ping knew that the responsibilities on his shoulders were getting bigger and bigger!

All he can do is work hard!

"Chen Ping, don't believe what my master said just now, just treat it as a joke."

Lin Keting said to Chen Ping!

"Miss Lin, I, Chen Ping, always stick to my word. Once I say something, I must do it."

Chapter: 7330

“I am your man now. If you need anything, you can come to me at any time, and I will definitely satisfy you.”

Chen Ping said with an upright look!

Ji Yun and Zhu Qingxiu on the side looked at Chen Ping’s upright look and couldn’t help but feel very funny!

To be able to say this kind of thing so righteously, Chen Ping is really thick-skinned!

And let other girls take the initiative to look for him?

Lin Keting was also amused by Chen Ping’s behavior. After rolling her eyes at Chen Ping, she turned around and walked out!

However, during this period of contact, Lin Keting did have a good impression of Chen Ping!

Otherwise, if you just rely on Chen Ping’s words to satisfy you, you would have been scolded to death by Lin Keting!

If a man you don’t like says that, that’s called teasing!

When a man you like says this, that’s called flirting!

Chen Ping now belongs to the latter type!

Lin Keting likes Chen Ping a little bit in her heart!

.....

Outside the battlefield of gods and demons!

The blind elders from the left and the blind elders from the right are still fighting with Tianluo Tiansha!

Tianluo Tiansha is fighting and running, while Elder Zuo Blind is chasing after him desperately. His evil spirit needs to come out!

Although Elder You Blind tried his best to stop it, it didn't help!

Unknowingly, they had already left Gelu Mountain!

After Lin Keting and the others came out of the battlefield of gods and demons, they did not find the figures of the blind elder Zuo and the blind elder right!

Only the corpses guarded by knives were lying around coldly!

Lin Keting's face became very ugly!

She knows the strength of the blind elder Zuo and the blind right!

There are also these guards with swords. Although they are only in the Tribulation Realm, they are extremely loyal. The strength of these guards together cannot be underestimated!

"Who is he? Dare to kill my people?"
