

The Order 7331

Chapter: 7331

Lin Keting's expression has reached the extreme!

"Let's go and find the people who are looking for you. Your men are too angry and might suffer a loss."

Chen Ping said to Lin Keting!

Lin Keting's figure jumped up instantly and headed in the direction of the blind elders left and right!

Chen Ping and the others followed closely behind!

"stop....."

Lin Keting quickly caught up with Elder Zuo and Blind Elder and saw the two men fighting with others, so she shouted loudly!

Seeing Lin Keting coming out, both of them stopped!

On that day, Luo Tiansha was sweating profusely and took the opportunity to take a breath!

They have already sent out a signal for help, and I believe it won't be long before their sect master brings someone here!

Now all it takes is a little delay!

“What’s going on?” Lin Keting looked at Elder Zuo Blind and asked!

After all, it was Elder Zuo Blind who was guarding outside from the beginning. He must know the cause of the matter!

“Miss, these two guys didn’t give me the spirit stone, and they still wanted to go in. I didn’t let them go, so they started fighting.”

Elder Zuo Blind said!

Lin Keting knew that Elder Zuo Xiang’s temper was probably caused by this mouth again!

“Two fellow Taoists, why did you conflict with my people and kill my bodyguards?”

Lin Keting asked Tianluo Tiansha!

“I, the Demon Sealed Alliance, never have a reason to kill people. I tell you, our sect master will be here soon.”

“Kneel down and apologize now, and I can tell you to get out, otherwise you will die in an ugly way soon!”

Tianluo said to Lin Keting!

Lin Keting’s face turned cold: “A member of the Demon Sealing Alliance?”

“Yes, we are members of the Demon-Sealing Alliance. Since you know about the Demon-Sealing Alliance, you must also know how powerful our Demon-Sealing Alliance is.”

Tianluo said arrogantly!

“Kill them two, I hate the people from the Demon Sealing Alliance the most!” Lin Keting said with a murderous look in her eyes!

Chapter: 7332

Tianluo and Tiansha were immediately confused. They didn't understand who these people were. Why weren't they afraid of the Demon Sealing Alliance?

And when the Demon Sealing Alliance is mentioned, these people become anxious!

Why?

At this time, the two people discovered Chen Ping and others following Lin Keting, and instantly realized that these people were with Chen Ping!

No wonder he became anxious when he heard about the Demon-Sealing Alliance. After all, the Demon-Sealing Alliance used hundreds of years of offerings to hunt down Chen Ping!

Of course these people, together with Chen Ping, also hate the Demon Sealing Alliance!

Wanting to understand this, Tianluo and Tiansha took a stance. This place is not far from Qijia Town, and their sect master should arrive with people soon!

As soon as Elder Zuo Blind heard Lin Keting's order, he immediately jumped up, pointed at Tianluo and said: "Cao Nima, I have to kill you little brat today..."

Elder Zuo Blind roared and rushed towards Tianluo!

Tian Luo was also scolded with a ferocious face, and he also punched Elder Zuo Blind!

The right blind elder and Tiansha also took action at the same time, and several people fought together again!

Lin Keting watched quietly, as if she had no intention of taking action!

"Miss Lin, these guys from the Demon Sealing Alliance probably have helpers. Do we want to help and fight quickly?"

Chen Ping asked Lin Keting!

"It's best to have helpers. We can catch them all in one fell swoop. These guys from the Demon-Sealing Alliance deserve to die!"

Lin Keting said with cold eyes!

When Chen Ping saw this, he stopped talking. He didn't know why Lin Keting hated the Demon Sealing Alliance so much.

But just as a few people were fighting fiercely, a terrifying aura suddenly came from far away and came closer!

Feeling this aura, the expressions of both Chen Ping and Lin Keting changed slightly!

At the same time, the blind elders on the left and the blind elders on the right retreated continuously, retreating hundreds of meters before stopping!

“metropolitan.....”

Tianluo and Tiansha saw this and shouted quickly!

Lin Keting and Chen Ping looked in the direction of the terrifying aura, and saw a hunchbacked old man slowly appearing!

Seeing the sudden appearance of the hunchbacked old man, Chen Ping and Lin Keting’s expressions became very heavy!

Chapter: 7333

Lin Keting said in disbelief: “A fourth-level Mahayana realm? Are there still such powerful people in the Eastern Region?”

Chen Ping also looked gloomy. He didn’t expect that the Demon Sealing Alliance would send such a master!

The masters of the fourth level of the Mahayana Realm must kill themselves to death!

When the blind elders on the left and the blind right saw the hunchbacked old man in front of them, their expressions turned slightly cold!

“Are you Chen Ping?”

The hunchbacked old man didn’t even look at the others, but walked up to Chen Ping and asked!

“Not bad!” Chen Ping nodded without fear!

“You really have some backbone and dare to admit your identity. Do you know that I’m here to arrest you?”

The hunchbacked old man narrowed his eyes and said with a faint smile!

“I know!” Chen Ping nodded anyway!

“Since you know, why don’t you run away or hide your identity?”

The hunchbacked old man asked with some confusion!

Now that Chen Ping knew that he was from the Demon Sealing Alliance and was here to catch him, he was not afraid at all and did not run away!

“Because I don’t take you seriously at all!”

Chen Ping said with disdain!

“presumptuous.....”

The hunchbacked old man became angry and stomped his feet. In an instant, a terrifying aura spread directly from his feet!

Chen Ping’s eyes condensed, and all kinds of power in his body exploded instantly. The indestructible golden body also activated immediately, and golden scales covered Chen Ping’s whole body!

When Lin Keting saw this, her palms spread out, golden runes appeared one after another, and then a golden barrier protected everyone inside!

boom!

The breath bombarded the golden barrier, instantly shattering the barrier!

The hunchbacked old man looked at Lin Keting: “Wuji Master, who are you?”

“It’s up to you!” Lin Keting snorted coldly!

“Hmph, if you can talk to me like this, it’s because I’m giving face to Wuji Lao Dao. Do you know the consequences of following the Demon-Sealing Alliance?”

Chapter: 7334

“Now get out of here right away. I’ll just pretend that nothing happened, but this Chen Ping must stay.”

The hunchbacked old man snorted coldly at Lin Keting!

Lin Keting smiled coldly and said: "Impossible, I will guarantee Chen Ping..."

"You protect him? Whoever he is to you, you protect him. Do you know that he is the person that our Demon Sealing Alliance has been hunting down with hundreds of years of sacrifice?"

The hunchbacked old man said!

"He is my man, so of course I have to protect him."

Lin Keting said lightly!

Chen Ping looked at Lin Keting in surprise. He didn't expect Lin Keting to say this!

The blind elders on the left and the right were also surprised. Chen Ping and Lin Keting didn't know each other before entering the battlefield of gods and demons!

But now, why have we become friends between boyfriend and girlfriend in just a short time?

Isn't this too fast?

"Hahaha, are you sure you want to protect him?" the hunchbacked old man laughed!

"Of course. If I don't protect my man, why should I protect you, a hunchbacked old man?"

Lin Keting raised the corner of her mouth and cursed at the hunchbacked old man!

The hunchbacked old man's eyes narrowed and he said in a cold voice: "Don't dare to talk to me like this just because you think that following Wuji Taoism has something to do with it."

"You are following our entire Demon-Sealing Alliance against us. Do you know how terrifying our Demon-Sealing Alliance's strength is?"

"In my eyes, the Demon-Sealing Alliance is nothing but bullshit. I just like to kill the people in the Demon-Sealing Alliance." Lin Keting said nonchalantly!

Chen Ping looked at Lin Keting. He didn't expect Lin Keting to be so tough!

Now Chen Ping is becoming more and more curious about Lin Keting's identity. Who is it that can be so ignorant of the Demon Sealing Alliance?

And that Taoist Wuji should be Lin Keting's master, the old Taoist he met!

The strength of Taoist Wuji is also unfathomable, otherwise the hunchbacked old man would not speak like this!

"You little girl, you dare to talk about our Demon Sealing Alliance like this. I don't care who you are, that Wuji Taoist. Today I will strip you naked and let my two disciples enjoy it."

The hunchbacked old man glared at Lin Keting fiercely and said!

When Tianluo and Tiansha heard this, they immediately became excited and shouted loudly: "Thank you, Master, we haven't touched a woman for a long time."

Chapter: 7335

“You bastard...”

Lin Keting was furious and slapped the old man with a hunchback!

But the hunchbacked old man stepped lightly, and a radius of dozens of miles was instantly enveloped by a force that destroyed the world!

When Chen Ping saw this, his expression changed drastically. Facing a fourth-level Mahayana monk, Chen Ping knew that he couldn't bear it!

Feeling the terrifying power, Chen Ping had no choice but to rely on the power of Demon Lord Chiyun!

“Senior, help me...”

Chen Ping started asking for help from Demon Lord Chiyun!

No matter whether my body can bear it or not, now I can only rely on Demon Lord Chiyun to resist this terrifying power!

But Chen Ping shouted several times in a row, but Demon Lord Chiyun didn't react at all, or even answered, as if he had lost contact with Chen Ping!

Seeing that the hunchbacked old man was about to rush over, Chen Ping was extremely anxious!

Lin Keting was not so panicked, but shouted loudly: “Master, I know you are here...”

boom!

As Lin Keting finished speaking, a ray of light suddenly came from the void, and then dispersed all the terrifying power!

The hunchbacked old man was also shaken and flew backwards!

As the light slowly dissipated, a shadow appeared, and it was still the old man holding the whisk!

“Master...”

Lin Keting saw Taoist Wuji and shouted quickly!

Chen Ping also bowed deeply and saluted. No matter how experienced he was, he was the only one who could save Chen Ping and the others right now!

At this moment, the hunchbacked old man stared at Taoist Wuji: “Old Taoist Wuji, I am from the Demon Sealing Alliance...”

Taoist Wuji directly interrupted and said: “I don’t care about your Demon-Sealing Alliance. Anyone who dares to bully my disciples will be killed without mercy, especially those from your Demon-Sealing Alliance deserve to die...”

After saying that, Taoist Wuji punched him and killed him!

With just this punch, the overwhelming aura headed towards the hunchbacked old man!

In just an instant, the hunchbacked old man was knocked away, while Tianluo and Tiansha fell to the ground with serious injuries, unable to stand up!

The fourth level of the Mahayana realm was crushed by a phantom like this!

Chapter: 7336

Chen Ping was stunned. He couldn't imagine how powerful this Wuji Taoist was!

Who is this Wuji Taoist? How could it have such terrifying strength?

Does he belong to the Northern Territory or the Eastern Territory?

Just when Chen Ping was imagining the identity of Taoist Wuji, the figure of the hunchbacked old man stopped, and his face became extremely ugly!

His heart was even more shocked. He didn't expect that the Wuji Taoist's strength was so terrifying!

Although he had heard of Taoist Wuji's reputation back then, he had never fought against him. After today's battle, he knew his opponent's strength!

When a ghost comes over, he will be beaten to pieces!

With this kind of strength gap, as long as you are not a fool, you will know what to do next!

I saw the hunchbacked old man grabbing Tianluo and Tiansha with both palms, turning around and running away!

If you don't run away at this time, will you stay and wait for death?

"Damn, you still want to run away..." Lin Keting saw this and wanted to catch up!

But he was stopped by Taoist Wuji: "Don't chase after poor bandits. I just scared them. I'm just a shadow. I can't hold on for long."

As soon as Taoist Wuji finished speaking, his figure disappeared!

Just as Taoist Wuji's figure disappeared, dozens of terrifying auras came from the void!

This time, Chen Ping was shocked. Why did three people just run away, and dozens more came? If they were still from the Demon Sealing Alliance, it would be troublesome!

"Don't be nervous, you are looking for me..."

Lin Keting said to Chen Ping!

Soon, dozens of people appeared, all wearing white shirts and holding long swords. They looked more powerful than the sword-wielding monks Lin Keting brought at the beginning!

These people are also monks in the Tribulation Realm. The middle-aged man leading them is the Mahayana Realm. This man has a strong aura. Chen Ping can tell at a glance that this man is definitely practicing superior techniques!

"Your Highness Princess, Your Majesty asked us to escort you back to the Imperial City. Your Majesty is very angry that you went out privately this time."

The middle-aged man walked up to Lin Keting, knelt down on one knee and said!

“My master asked me to come out. I didn’t come out secretly. Master certainly didn’t follow my father’s instructions. I will settle the score with him when I get back.”

When Lin Keting heard this, she immediately pouted and said angrily!

“Princess, you should go back and explain to His Majesty!” After the middle-aged man finished speaking, he was about to take Lin Keting away!

“Wait a minute, I’m saying a few words!” Lin Keting waved her hand and said!

At this moment, Chen Ping was stunned for a long time. He didn’t expect that Lin Keting was actually a princess!

No wonder it looks so awesome, there is an imperial city behind the relationship!

However, Chen Ping didn’t know which princess of the imperial city Lin Keting belonged to!

It seems that there is no imperial city in the entire Eastern Region, right?

“Princess, I hope you can hurry up!” After the middle-aged man finished speaking, he stepped aside!

Lin Keting looked at Chen Ping, smiled slightly and said, “Chen Ping, I’ll be leaving soon. Don’t you have anything to say to me?”

“What did you say?” Chen Ping asked confused!

Chapter: 7337

“I saved your life. Don’t you have anything to say to me?”

“What’s more, you are now my man. If your woman is leaving you, you have nothing to say.”

Lin Keting stared at Chen Ping and asked!

“Which imperial city are you a princess from?” Chen Ping asked!

“You’re just telling me this?” Lin Keting pursed her lips and said, “I won’t tell you. My identity, my father won’t let me tell anyone.”

“I’m already your man, can’t you tell me?”

Chen Ping was speechless!

“No, we don’t have any relationship as husband and wife yet. How can you be my man?”

“If you really want to be my man, then go and propose marriage to my father. Only my father’s nod will count.”

After Lin Keting finished speaking, she turned around and left!

“Where should I find you? I don’t even know where you are.”

Chen Ping asked anxiously!

“I’ll tell you later!” Lin Keting said and left with the guards!

The blind elders on the left and the blind elders on the right looked at Chen Ping with a bit of confusion in their eyes!

“Boy, you only have this little ability and you still want to be our eldest lady’s man. Stop dreaming.”

“I’m afraid you won’t have any chance to see our eldest lady in the future. Just treat today’s incident as a dream!”

After finishing speaking, Elder Zuo Blind turned around and disappeared into the void!

The blind elder on the right also smiled coldly, with disdain in his laughter, and then disappeared!

Until Lin Keting and others disappeared, Chen Ping didn’t know which imperial city princess Lin Keting was!

Who are these people?

It’s too mysterious!

“Let’s go, everyone is gone...”

Zhu Qingxiu saw Chen Ping still looking at him blankly, so she said with some dissatisfaction!

“Let’s go...” Chen Ping was a little embarrassed!

Chapter: 7338

He originally accompanied Zhu Qingxiu to find the divine muscle grass, but was delayed by the sudden appearance of the battlefield between gods and demons!

Chen Ping and others returned to Gelu Mountain and began to search for the divine muscle grass!

Zhu Qingxiu searched very seriously, because only Divine Muscle Grass could restore her appearance!

“Let’s search separately. This Gelu Mountain is so huge that searching like this is not an option.”

“I will give you the message slip. If anyone finds it, please contact me immediately.”

Chen Ping knew that if they searched like this, it would take years and months to find the divine muscle grass!

Only by searching separately will the chances be greater!

Fortunately, the monks in the Eastern Region are generally not very strong, so there is no need to worry too much!

“Okay!” Ji Yun and Zhu Qingxiu both nodded!

After giving the two people the message slip, the three of them went off to look for the divine muscle grass!

“Chen Ping, Chen Ping...”

Just when Chen Ping was concentrating on looking for the divine muscle grass, Lin Keting’s voice suddenly sounded in his ears!

Chen Ping was startled and quickly looked back, but he didn’t find Lin Keting at all!

But he clearly heard Lin Keting’s voice?

“Miss Lin, where are you?” Chen Ping asked in surprise!

“I’m on my way home...” Lin Keting said!

Chen Ping was even more confused. He didn’t understand how he heard Lin Keting’s voice.

There are no jade slips for communication between them?

“How can you send me a message on your way home?”

Chen Ping asked!

“I won’t tell you!” Lin Keting said with a smile!

At this moment, behind Chen Ping's neck, a faint word "Lin" was flashing!

This is the imprint Lin Keting wrote down on Chen Ping when they were on the battlefield between gods and demons!

It does no harm to Chen Ping's body, it's just for connection!

Chapter: 7339

Lin Keting knew that she and Chen Ping would be separated sooner or later, so she could contact him at any time using this method, and Lin Keting could also know where Chen Ping was at any time!

However, Chen Ping himself didn't notice it!

"Forget it if you don't tell me, I don't have time to chat with you right now!"

Chen Ping doesn't plan to continue chatting with Lin Keting. This guy is too mysterious!

"No, I..."

"Miss, the Imperial City will be arriving soon..."

The right blind elder's voice rang in Chen Ping's ears, and then the voice stopped!

"Miss Lin, Miss Lin..."

Chen Ping shouted twice, but Lin Keting didn't respond!

"It's really strange..." Chen Ping frowned slightly. He really didn't understand how Lin Keting contacted him!

"Boy, that little girl's background is not simple. She has already left a mark of contract on you, and you are already hers."

"She can know your movements anytime and anywhere, and she can also contact you!"

Demon Lord Chiyun said at this time!

"Contract mark? Why didn't I know when it happened?"

Chen Ping was confused. Why didn't he remember that Lin Keting left a mark on him?

"When you were carrying her, she secretly left it on your body."

Demon Lord Chiyun said!

When Chen Ping heard this, he recalled that when he was carrying Lin Keting on the battlefield of gods and demons, he was indeed a little suspicious!

After only carrying it for a while, Lin Keting said that she was fine and no longer needed to carry it!

It seems that this little girl has already planned it.

“Where is the mark? I want to erase it.” Chen Ping was looking for the mark. He didn’t want to be watched by Lin Keting wherever he went.

“There’s no need to look for it. You can’t erase it even if you find it. Just accept your fate. You won’t be able to escape from that little girl’s hand in the future.”

Demon Lord Chiyun said gloatingly.

Chen Ping was speechless and could only sigh, but soon he remembered that there was no response when he called Demon Lord Chiyun just now, and immediately asked: “Senior, we were in danger just now. No matter how I called you, you didn’t respond.” Pay attention to me? Are you afraid too?”

Chapter: 7340

“I’m afraid of birds. In this world of heaven and earth, there’s no one I’m afraid of.”

“I just don’t want to give your little hero a chance to save the beauty.”

“You boy is born with a passionate nature. So many women have sacrificed for you. I have been practicing for tens of thousands of years, but I have never had a dual cultivation partner.”

“How long have I been in your Consciousness Sea? How many times have you played with me? It’s so damn unfair!”

Demon Lord Chiyun said!

When Chen Ping heard this, he immediately couldn’t laugh or cry. This Demon Lord Chiyun, seeing so many women around him, became envious and jealous...

Chen Ping didn't say anything, but was seriously looking for the divine muscle grass!

.....

Sun Moon City!

This is the Lin family's imperial city. This city is majestic and magnificent, with an extremely vast area. The surrounding walls are towering into the clouds, looming like a fairy city!

Moreover, over the imperial city, the sun and moon were shining in the sky at the same time, and there were countless purple auras floating around!

Such a vast city and covering a huge area, if it were in the world of heaven and humans, it would be impossible for it not to be known!

But in Sun Moon City, among the many monks in the heaven and human world, very few people know about it!

Because although the Sun and Moon City is in the world of heaven and humans, it is not in a void. The entire Sun and Moon City is in another dimension!

Therefore, even if you travel throughout the world of heaven and humans, you will not find the existence of Sun Moon City.

Sun Moon City was originally a city in the world of heaven and man, but before the war between gods and demons, the ancestor of the Lin family spent thousands of years of spiritual energy to make Sun Moon City enter another dimension of time and space, thus avoiding the catastrophe of Sun Moon City.

Thousands of years have passed now. After the war between gods and demons, the world of gods and humans has begun to prosper again, and Sun Moon City has begun to regain contact with the world of gods and humans!

Elder Zuo Blind and Right Blind Elder beside Lin Keting were both demon cultivators in the world of heaven and man!

However, due to the hunting and killing by the Demon Sealing Alliance, the two of them fled in all directions, but were rescued by Taoist Priest Wuji, and then appeared in Sun Moon City.

Later, the two became Lin Keting's personal followers!

In Sun Moon City, there are many demon cultivators who were rescued by Taoist Priest Wuji.

"Miss, when the Imperial City arrives, you must remember not to contradict your father."

The blind elder reminded Lin Keting in a low voice!

This time they went to the battlefield of gods and demons without the consent of Lin Keting's father.
