

The Order 7341

Chapter: 7341

Although Taoist Wuji knows, after all, Lin Keting's identity is a princess. If something happens to the world of heaven and humans privately, who can bear the responsibility?

"I know!" Lin Keting nodded!

A group of people, accompanied by dozens of guards, walked toward the city gate in a mighty manner!

Lin Keting had a faint smile on her face. Although she knew she had made a mistake, she was not afraid at all!

She knew that her father loved her the most, so it was impossible to punish her.

But Elder Zuo Blind and Elder Right Blind had solemn expressions on their faces. Although they were recommended by Taoist Priest Wuji, His Majesty the Emperor would definitely give them some face, but they wouldn't be able to get away with a scolding.

Just as Lin Keting and the others reached the city gate, they were stopped!

"Little sister, my father has an order. When you come back, you don't need to enter the imperial city. You can go directly to Lingyun Peak to spend ten years."

A noble young man wearing a yellow robe and a gold crown said!

This person is Lin Keting's eldest brother Lin Kedong, who is also the prince of Sun Moon City!

“Brother, please don’t lie about your father’s will. I don’t believe that my father will let me think about it for ten years.”

“I’m going to find my father to find out...”

Lin Keting ignored Lin Kedong’s obstruction and was about to rush into the city!

“Little sister, I didn’t pretend to convey Father’s will, that’s what he said.”

Lin Kedong stopped Lin Keting.

When the two blind elders on the left and right saw this, although they wanted to help Lin Keting, they did not dare to take action. After all, this was a brother and sister’s matter!

Lin Keting glared at Lin Kedong and said angrily: “Brother, I know you have always hated me. You dislike my father for doting on me, but I am a girl and cannot compete with you for the crown prince. So what if my father dotes on me? ”

“Why do you keep having trouble with me? If you don’t let me in today, I will go to the master and ask him to take me to judge. Why do you want me to think about it for ten years?”

Lin Keting has always disliked her eldest brother. She always felt that her eldest brother was narrow-minded and particularly jealous!

Lin Keting was the only girl among the nine princes, so she received special favor from her father!

This made Lin Kedong jealous and targeted Lin Keting everywhere!

“Little sister, what are you talking about? I’m just following my father’s will. Why can’t I get along with you?”

“Let me tell you, Taoist Master Wuji is also in the palace, and he can’t save you!”

Lin Kedong said!

When Lin Keting heard this, she was immediately dumbfounded. She went to the battlefield of gods and demons, but her master allowed it. How could it become like this now?

But Lin Keting didn’t give up at all and planned to break in and ask in person!

Lin Kedong saw this and said with a cold face: “Little sister, you are so unreasonable, don’t blame the elder brother for being rude.”

After Lin Kedong finished speaking, he waved his hand towards the city gate guard and said: “Capture the princess...”

But just when the guard was about to take action, a figure suddenly came quickly!

“Wait a minute...”

A man also wearing a yellow robe and a long sword ran over: “Brother, my father has an order for my little sister to enter the city.”

This person is the Fourth Prince Lin Kefan.

Seeing Lin Kefan coming, Lin Keting immediately laughed, stepped forward and hugged Lin Kefan's arm:
"Fourth brother, let's go."

"Wait a minute!" Lin Kedong frowned slightly: "Fourth brother, you are not pretending to pass on father's will, are you? Father told me to let my little sister think about it for ten years."

Chapter: 7342

"Brother, if you don't believe me, you can ask your father to see if I'm pretending to convey the decree."

Lin Kefan said!

Lin Kedong glanced at Lin Kefan, and then moved out of the way: "I'm sorry you don't dare, go in..."

"Fourth brother, is Father very angry?"

After Lin Keting entered the city gate, she whispered to Lin Kefan!

"Of course, my father is very angry. I have been saying good things to my father for a long time, and then my father agreed to let you enter the city. Taoist Wuji is also here. It seems that you can't escape this punishment today, but don't worry. , Fourth brother will always protect you."

Lin Kefan patted Lin Keting's head and said!

"Fourth brother, you are still the best to me..."

Lin Keting rested her head on Lin Kefan's shoulder and acted coquettishly!

"Girl, you are so old and you are still like a child. If you act like this, people will be jealous when you have a dual cultivation partner."

Lin Kefan said with a smile!

"He doesn't know how..." Lin Keting blurted out without thinking!

In her opinion, Chen Ping would never be jealous because she acted like a spoiled child after her brother.

Lin Kefan was stunned for a moment, then looked at Lin Keting blankly and said: "Little sister, you...you have a dual cultivator partner?"

"I...I didn't?"

Lin Keting realized that she had said the wrong thing and quickly denied it!

"Don't lie to me anymore. When have you been able to lie to me since you were a child? This time you left Sun Moon City and went to the world of heaven and humanity. Did you meet someone you like?"

Lin Kefan asked Lin Keting!

"No, stop talking nonsense, I didn't!"

Lin Keting ran away with her face flushed!

Looking at Lin Keting's look, Lin Kefan could conclude that she had someone she liked.

"You two come here..."

Lin Kefan waved to the two elders on the left and right.

In fact, Elder Blind Zuo and Elder Blind Right don't have to listen to Lin Kefan's words at all. After all, they were chosen by Taoist Priest Wuji to protect Lin Keting closely!

Chapter: 7343

Speaking of which, the two of them are not considered members of the Imperial City, so the princes of the Imperial City have no right to order them!

However, Lin Kefan and Lin Keting have a very good relationship, and they are brothers, so Elder Zuo and Blind Elder walked over obediently!

"Tell me, you two, does my little sister have someone she likes outside? Who is he? What is his identity?"

Lin Kefan asked very curiously!

"Fourth Prince, as servants, how do we, the servants, know about the eldest lady? You have to ask her in person."

The right blind elder said!

“Right blind man, isn’t that Chen Ping the eldest lady’s man? They all seem to have admitted it.”

The blind elder on the left doesn’t understand, but the blind elder on the right clearly knows, so why do he still say he doesn’t know?

When the blind elder on the right saw this, he could only stare at the blind elder on the left speechlessly and stopped talking!

“Elder Zuo Blind, tell me, who is Chen Ping? What is his identity?”

Lin Kefan became interested and asked Elder Zuo Blind!

“Fourth Prince, I don’t know who Chen Ping is, but that guy is only at the seventh level of the Tribulation Realm, and he doesn’t look very powerful.”

“He followed the eldest lady into a battlefield between gods and demons, and something didn’t feel right after he came out. Later, the eldest lady personally said that Chen Ping was her man.”

“But it seems that the two of them are not married yet. They should have made a private decision for life...”

Elder Zuo Blind said truthfully!

“Seventh level of the Tribulation Realm?” Lin Kefan frowned slightly: “No, I have to ask my little sister. You can find men, but you can’t find rubbish men. Men of the seventh level of the Tribulation Realm are too rubbish...”

After Lin Kefan finished speaking, he quickly chased after Lin Keting!

The blind elder on the right looked at the elder on the left and said, "Blind Zuo, just wait to be scolded. Your mouth should be sewn up."

"What's wrong with me? I'm telling the truth!"

The blind elder Zuo didn't know yet, but he was in trouble!

Seeing that the blind elder on the left still didn't realize that he had made a mistake, the blind elder on the right could only sigh and leave!

This guy has such a temper that even eight oxen can't control him!

I can't remember how much I suffered because of this mouth.

Seeing Elder Blind Right leaving, Elder Blind Left muttered: "I'm angry again. What's wrong with me? Can't I still tell the truth?"

Chapter: 7344

"Elder Zuo Blind, you are right, you should tell the truth."

At this time, the eldest prince Lin Kedong came over!

He also heard what Elder Zuo Blind said, with a big smile on his face!

Lin Keting will be punished for this alone because she dares to fall in love with a young monk who is in the seventh level of the Tribulation Realm and wants to be a couple!

Lin Keting is the only princess in Sun Moon City and the apple of the emperor's eye. If she is deceived by a small seventh-level monk in the Tribulation Realm, then you can imagine the anger of His Majesty the Emperor!

"Huh!" Elder Zuo Blind glanced at the eldest prince, ignored him, and left with a cold snort!

Lin Kedong followed Lin Keting and refused to deal with him, so the blind elder didn't like Lin Kedong either!

Lin Kedong didn't care about Elder Zuo Blind's attitude. After all, he was recommended by Taoist Priest Wuji, so Lin Kedong had to give him some face!

But he must report Lin Keting's finding a man!

At this time, Lin Keting didn't know anything about her and Chen Ping's affairs. Her eldest brother and fourth brother had already found out, and they were still walking towards the palace!

"Little sister..."

Lin Kefan caught up and asked with an ugly face: "Tell me the truth, do you have a dual cultivation partner outside?"

"Is he the one named Chen Ping? Or a young monk in the Tribulation Realm?"

Lin Keting was stunned for a moment, then frowned slightly and said: "Which bastard said that? It must be that guy from Blind Zuo. Let me see if I don't tear his mouth apart..."

Lin Keting immediately thought of Elder Zuo Blind. After all, not many people knew about this matter, and only Elder Zuo Blind could tell.

The blind elder Zuo's mouth is like the mouth of a big woman, and there's no way he can handle it!

"Don't care who said it, just say it, right?"

Lin Kefan asked.

Lin Keting nodded: "Fourth brother, it's not me, it's Master who asked Chen Ping and me to become dual cultivation partners."

"Impossible. How could Taoist Master Wuji be so stupid as to let a young monk who has transcended the tribulation realm become a dual cultivation partner with you?"

"What's more, do you know who Chen Ping is? Does Taoist Master Wuji know?"

Lin Kefan said excitedly!

He was just such a sister, and if she was deceived by a young monk in the Tribulation Realm, Lin Kefan would definitely kill him!

"Fourth brother, don't get excited. It's really what the master said. I don't understand Chen Ping either, but the master should understand it, right?"

Chapter: 7345

Lin Keting saw that Lin Kefan was too excited and hurriedly persuaded him!

"Little sister, I really didn't expect that we have so many talented people in Sun Moon City, but you look down on none of them, but you choose to look at a little monk who has transcended the tribulation realm in the heaven and human world."

“Then the little monk has yellow hair? If my father finds out about this, what will his expression be like?”

The eldest prince Lin Kedong came over and asked Lin Keting angrily!

“I can like whoever I like, what does it have to do with you?”

Lin Keting rolled her eyes at Lin Kedong.

“Of course it’s none of my business, but if it’s none of my father’s business, I can’t tell. I’m going to report it to my father right now.”

Lin Kedong hummed a ditty and left!

Lin Kefan said with a solemn expression: “Little sister, you left Sun Moon City privately and went to the Heaven and Human Realm, and now you do something like this, my father will definitely be furious.”

“Just take care of yourself. I will try my best to intercede for you. You should also ask Taoist Priest Wuji to persuade your father. In this case, maybe you don’t have to think about it.”

Lin Kefan had a look of helplessness on his face. If he caused such a big trouble, he might not be able to control it!

“Fourth brother, don’t worry about it. Your father is angry with you because he has been thinking about it for ten years. It passed in the blink of an eye.”

Lin Keting said without fear!

She has been pampered since she was a child, and even if she is about to be punished, she is not afraid at all!

“Let’s go, we’ll see what happens!” Lin Kefan sighed and pulled Lin Keting into the palace!

When they entered the palace hall, Lin Kedong was already standing next to their father Lin Chong!

On the side of Lin Chong, there was an old man sitting, wearing a Taoist robe and holding a whisk in his hand. He was none other than Taoist Wuji!

“Master...”

Seeing Taoist Wuji, Lin Keting immediately wanted Taoist Wuji to explain.

But as soon as he opened his mouth, he felt the pressure from his father and shut his mouth instantly.

“Ting’er, you went to the Heaven and Human Realm secretly and secretly communicated with the young monks in the Heaven and Human Realm. Are you trying to make your father angry to death?”

Lin Chong asked Lin Keting angrily.

“Father, my little sister is playful by nature, so it is normal for her to go to the world of heaven and humans. Moreover, she has people with her, so there will be no danger. Please don’t punish my little sister.”

Lin Kefan quickly begged Lin Keting for mercy!

Chapter: 7346

“Shut up.” Lin Chong frowned slightly, so scared that Lin Kefan didn’t dare to speak!

“Fourth brother, please don’t plead with me. I just went out to play and followed the little monk in the tribulation realm in the world of heaven and humanity. We both slept for several times.”

Lin Keting said without fear!

“You...” Lin Chong almost lost his temper when he heard this!

“Father, Master asked me to do this. It was also Master who asked me to go to the battlefield of gods and demons in the world of heaven and man.”

“And becoming a pair of companions with that little cultivator in the Tribulation Realm. Master asked me to do that.”

“If you want to punish me, then punish my master!”

Lin Keting pointed at Taoist Wuji and said!

“Disciple, don’t talk nonsense. Why did my master ask you to go to the world of heaven and humans? How could my master find you a monk who has transcended the tribulation realm as a dual cultivation partner?”

“You have to be more honest and don’t put all the responsibility on me...”

Taoist Wuji immediately denied it!

Lin Keting was dumbfounded for a moment and looked at Taoist Wuji in disbelief!

It was clear that Taoist Master Wuji did everything, but now he doesn't admit it!

"Master, why don't you admit it? I didn't lead you to do this. Aren't you cheating on me?"

Lin Keting couldn't even imagine that her master had actually tricked her!

"Shut up, Taoist Wuji is a highly respected person. How could he do such a thing? Don't put all the blame on Taoist Wuji."

"You have to bear the responsibility for what you do yourself. Also, you had a conflict with the Demon-Sealing Alliance in the Heaven and Human Realm, resulting in the death of several guards. This was not ordered by your master, right?"

Li Chong asked Lin Keting!

Lin Keting shook her head: "No, but those people in the Demon Sealing Alliance deserve to be killed. Master said that there is no good person in the Demon Sealing Alliance."

"You are blaming your master again. It seems that you don't realize that you are wrong at all. In this case, don't blame your father for being strict."

Chapter: 7347

“You go to the imperial mausoleum immediately to think about it for ten years. You must not come out before the time is up...”

Lin Chong shouted at Lin Keting very angrily.

Lin Keting’s face turned pale with anger, she gritted her teeth and said, “Just go, I won’t be afraid even if I think about it for a hundred years...”

After Lin Keting finished speaking, she turned around and left!

“Little sister...”

Lin Kefan saw this and hurriedly chased after him!

Lin Kedong grinned when he saw this scene!

“Why are you laughing? Get out of here...”

Lin Chong glared at Lin Kedong and said!

Lin Kedong immediately suppressed his laughter and left quickly!

After Lin Kedong left, Taoist Wuji and Lin Chong looked at each other, and they all laughed!

“Taoist Master Wuji, I’m afraid Ting’er will hate you to death this time.”

Lin Chong smiled!

“Hate it if you hate it. The world of heaven and humans will soon be uneasy. Moreover, the Demon Sealing Alliance has also found out about me. I am afraid that the two of us will not have many happy days in the future.”

Taoist Wuji said with a helpless smile!

“Yes, Sun Moon City will be exposed to everyone in the future. I can no longer be this pure emperor.”

“But how about the boy named Chen Ping that you found for Ting’er, Taoist Master?”

Lin Chong asked very curiously!

“Emperor Lin, don’t worry, you will know when you see him. If he is not a dragon among men, how could I push him to Ting’er.”

“Ting’er is your precious daughter, but she is also a poor and precious disciple.”

Taoist Wuji kept it secret and didn’t say anything!

“Well, I believe in Taoist Priest’s vision. I hope Ting’er will be able to avoid this catastrophe after ten years!”

After Lin Chong sighed softly, both of them fell into silence!

Chapter: 7348

Germanium Lushan!

Zhu Qingxiu carefully searched for the divine muscle grass, because only by finding the divine muscle grass could Chen Ping heal her burned face!

Which girl doesn't love beauty, and Zhu Qingxiu is no exception!

But just as Zhu Qingxiu was carefully looking for the divine muscle grass, several figures suddenly came towards her quickly!

Zhu Qingxiu's face suddenly tightened and her expression became nervous!

Taking out the sword in his hand, Zhu Qingxiu stood ready!

She didn't know what these people did, and Zhu Qingxiu didn't dare to be careless!

However, when a few figures approached, Zhu Qingxiu's expression changed from nervous to excited!

"Eldest brother?"

Zhu Qingxiu put away her sword and shouted to the middle-aged man who was the leader!

It turned out that these people were all from the Wanjian Sect, and the middle-aged man leading them was Zhu Qingxiu's senior brother Fan Xianbo.

Upon seeing this, several people quickly fell in front of Zhu Qingxiu!

“Who are you?” The middle-aged man in charge looked at Zhu Qingxiu and asked with confusion on his face!

“Elder brother, is it me? I am Qingxiu...”

Zhu Qingxiu quickly took off the mask on her face!

Although he was burned, his appearance did not change much, there were just scars on his face!

“Come and pretty junior sister?”

After Fan Xianbo saw Zhu Qingxiu, he was not excited. Instead, his face was full of surprise, and a trace of panic flashed deep in his eyes.

“Senior Brother, I really didn’t expect you to be still alive. I thought all of us in Wanjian Sect were dead.”

“How is Master, the old man? Since you are still alive, is Master okay too?”

Zhu Qingxiu asked excitedly!

Fan Xianbo shook his head: “Master and the old man died in the battle long ago, and there are not many people left in Wanjian Sect.”

“Junior Sister Qingxiu, how did you escape? And what’s with your face?”

“Elder brother, Master gave me the secret book of the Jade Slips of the Wanjian Sect and escorted me to escape from the Wanjian Sect. However, the people from the Demon Sealing Alliance kept chasing after me. I had no choice but to run to the Dead Sea. But I don’t want to burn myself and end up like this.”

Chapter: 7349

Zhu Qingxiu followed Fan Xianbo truthfully!

“What? Do you have the secret book on the jade slip in your hand?” Fan Xianbo looked surprised, and then whispered: “No wonder I searched for a long time in the sect and couldn’t find the secret book on the jade slip...”

“Senior Brother, what are you talking about?” Zhu Qingxiu didn’t hear clearly, so she asked!

“Oh, it’s nothing!” Fan Xianbo hurriedly smiled and said: “Junior sister, do you still have the Jade Slip Secret Book with you? Take it out and let me see. As long as the Jade Slip Secret Book is there, our Wanjian Sect can be revived.”

After listening to Fan Xianbo’s words, Zhu Qingxiu frowned and said with some disbelief: “Senior Brother, the secret of the jade slip is not allowed to be shown to others. This is the ancestral teaching of our Wanjian Sect. You don’t know it, right?”

“I know, of course I know. I was just worried about the secret of the jade slip, so I just asked casually.”

“As long as the Jade Slip Secret Book is okay, together we can revitalize the Wanjian Sect.”

When Fan Xianbo saw this, he quickly changed his words!

But at this time, Zhu Qingxiu had begun to doubt her senior brother!

“Elder brother, how did you escape?”

Zhu Qingxiu asked!

“We also took advantage of the chaos to escape and found a place to hide, so we were not killed.”

Fan Xianbo said.

“Then what are you doing here at Gelu Mountain?” Zhu Qingxiu continued to ask!

“This strange phenomenon appeared in Gelu Mountain. We just came here to try our luck and see if we can find some resources and treasures.”

“Wanjian Sect has become like this, and our brothers and sisters must continue to survive.”

“Junior sister, what are you doing here? It seems that this place is quite far from Zhujia Town!”

Fan Xianbo asked!

“I came here to find the divine muscle grass. This divine muscle grass can cure the burns on my face.” Zhu Qingxiu’s eyes were no longer as excited as they were at the beginning!

“Oh, then we will help you find it.” Fan Xianbo waved his hand: “Hurry up and help junior sister find the divine muscle grass.”

Several people all helped in the search, and Fan Xianbo, who was beside Zhu Qingxiu, asked intentionally or unintentionally: “Junior sister, that jade slip secret book is very important to our Wanjian Sect, you must keep it well.”

“Is the secret of the jade slip with you? If it is with you, you must not let others know...”

He seemed to be concerned, but he was actually testing Zhu Qingxiu!

Fortunately, Zhu Qingxiu began to have doubts and hurriedly said: “Senior Brother, the secret of the jade slip is not with me, but I have put it in a safe place. You don’t have to worry.”

Chapter: 7350

When Fan Xianbo heard this, he frowned and said with a hint of coldness in his eyes: “Junior sister, I think we should go and take a look at the secret jade slip first. Since the master has given you the secret jade slip for safekeeping, if you make a mistake, you can I’m sorry for Master’s hard work.”

“Senior Brother, the place where I put it is safe and nothing will go wrong.” Zhu Qingxiu said!

Seeing this, Fan Xianbo’s tone became a little sinister: “Junior sister, now that Wanjian Sect has suffered a disaster and the master is dead, as the senior brother of Wanjian Sect, I have reason to support Wanjian Sect.”

“You take me to see the secret book of the jade slip right now. This is an order...”

When Zhu Qingxiu saw that Fan Xianbo was no longer pretending, his face became gloomy and he said: “Elder brother, only the master of the Wanjian Sect can investigate the secrets of the jade slips. Although the master is no longer here, he has not passed the throne to you, so you can’t. If you are not the sect leader of Wanjian Sect, you are not qualified to give orders to me.”

When Fan Xianbo heard this, he immediately became angry: “Junior sister, I am asking you to take me to find the secret book of the jade slip. Will you go or not?”

“No!” Zhu Qingxiu looked determined!

“Okay, if that’s the case, don’t blame senior brother, I’m doing it for the good of Wanjian Sect!”

After Fan Xianbo finished speaking, he winked at the other brothers and sisters, and they immediately gathered around Zhu Qingxiu!

Seeing this, Zhu Qingxiu also put up a posture, her eyes full of anger and said: “Elder brother, I don’t think you escaped from Wanjian Sect, right? Wanjian Sect was suddenly attacked by the Demon Sealing Alliance, and many brothers had no time to react. He was killed.”

“Our Wanjian Sect didn’t even have time to activate the sect-protecting formation. When my master escorted me to escape, he said that there might be a traitor in the sect. I think this traitor is you?”

“You fart, I think you are the traitor who stole the sect’s jade slip secret book.”

“Catch her for me...”

Fan Xianbo waved his hand, and several fellow apprentices rushed forward instantly!

Zhu Qingxiu instantly followed several fellow apprentices to fight together!

And Fan Xianbo was watching from the side, waiting for an opportunity to make a move!

Suddenly, Fan Xianbo’s expression turned cold, and then when Zhu Qingxiu wasn’t paying attention, he instantly reached behind Zhu Qingxiu and slapped his palm directly on Zhu Qingxiu’s back!

“Junior sister, why are you doing this?”

Fan Xianbo smiled coldly!

Fan Xianbo's palm contains the power of sealing. As long as he touches Zhu Qingxiu's body, Zhu Qingxiu's spiritual power will be sealed, and there is no way to resist!

At that time, he can control Zhu Qingxiu to get back the Jade Slip Secret Book. With the Jade Slip Secret Book, he can become the leader of Wanjian Sect.

But just as Fan Xianbo was about to hit Zhu Qingxiu on the back, a ray of light suddenly came and pierced the void instantly!

Whoosh!

The cold light fell, the sword energy spread horizontally, and the entire void was stirred up!
