

The Order 7351

Chapter: 7351

Fan Xianbo was startled and quickly stopped his hand and stepped back!

Several other people were also forced to retreat by the sword light and escaped the blow!

Chen Ping landed next to Zhu Qingxiu with the dragon-slaying sword in hand.

“Miss Zhu, who are these people?”

Chen Ping looked at Zhu Qingxiu and asked!

“These are all people from Wanjian Sect, and they are all my senior brothers!”

Zhu Qingxiu said!

“Brother? Didn’t you say that Wanjian Sect was destroyed?” Chen Ping was a little surprised!

Why are the brothers still fighting?

Ordinarily, after Wanjian Sect suffered such a catastrophe, the remaining brothers should be more united!

“I also thought that our Wanjian Sect was destroyed, but we just met them. The middle-aged man is our senior brother Fan Xianbo.”

Zhu Qingxiu kept talking about Fan Xianbo, and then continued: “He wanted me to take out the jade slip secret book, but I didn’t take it, so they took action.”

When Chen Ping heard this, he immediately understood that these people from Wanjian Sect wanted to get the secret of the jade slip from Zhu Qingxiu.

Chen Ping also read the jade slip secret book at that time, and it was indeed a good thing.

“How did they know you had the jade slip secrets on you?” Chen Ping asked!

“I just met them and I spilled the beans in excitement. Now it seems that they are probably the traitors of our Wanjian Sect!”

Zhu Qingxiu said with an angry look!

“Junior sister, you can eat whatever you want, but you can’t talk nonsense. You are the traitor.”

“And who is this guy? A small seventh-level monk in the Tribulation Realm, who is in charge of our Wanjian Sect’s affairs?”

Fan Xianbo said with a cold expression!

“What realm I am in is none of your business? I can take care of the affairs of Wanjian Sect if I like, and if I don’t want to, I can’t.”

“What are you calling here? You look like a traitor.”

“If your name is Fan Xian, you still seem a bit righteous, but if your name is Fan Xianbo, then you have the name of a traitor!”

Chen Ping scolded Fan Xianbo!

Chapter: 7352

Now that these guys are attacking Zhu Qingxiu, even if they are from Wanjian Sect, Chen Ping will no longer be polite!

Fan Xianbo was also dumbfounded by Chen Ping’s scolding. He didn’t expect that Chen Ping, a seventh-level monk in the Tribulation Realm, would dare to insult him like this?

“Boy, are you fucking crazy? You, a seventh-level monk in the Tribulation Realm, dare to scold me like this?”

“You know, I am a Mahayana monk, and we are not on the same level.”

Fan Xianbo looked at Chen Ping with a smile on his face.

“Senior Brother, this is just a casual cultivator who wants to curry favor with our junior sister.”

“Junior sister is really likeable, her face is ruined, and there is a man standing up for her.”

“When junior sister is not injured, she is indeed a beauty!”

Several fellow apprentices behind Fan Xianbo also burst out laughing!

A seventh-grade minor cultivator in the Tribulation Realm cannot attract their attention at all!

And looking at Chen Ping's appearance, he didn't want to be a young master with any status, he was obviously just a casual cultivator!

Since he is a low-level casual cultivator, they don't have to be afraid!

But they seem to have forgotten how that sword light forced them back just now!

Can someone at the seventh level of the Tribulation Realm be able to erupt with such a powerful sword light?

"You are going too far. As senior fellow apprentices, the Wanjian Sect is already like this, and yet you still pry into the secrets of the Jade Slips."

"And he's even attacking me, my junior sister. If Master were here, he would definitely put you all in a water prison."

Zhu Qingxiu glared at Fan Xianbo and others.

"Junior sister, Master is too dead to die. I watched him die with my own eyes. Even his soul disappeared into thin air. It is impossible for him to come back to life."

"You'd better be obedient and give me the jade slip secret book so that I can revive Wanjian Sect. I can also make you an elder in Wanjian Sect."

Fan Xianbo said to Zhu Qingxiu with a sneer!

"I can't give it to you!" Zhu Qingxiu looked determined!

"Junior sister, you have to think carefully. This guy should be your man, right? You are disfigured, but he is still willing to stand up for you, which proves that the two of you have been sleeping together for a long time."

"If you don't want your man to die, then be obedient and I can let you sleep together and fly together!"

Fan Xianbo threatened Zhu Qingxiu with Chen Ping's life.

Chapter: 7353

"You're talking nonsense, you two just slept together."

Zhu Qingxiu said angrily!

"Miss Zhu, I don't sleep with men..." Chen Ping said speechlessly for a while!

Zhu Qingxiu suddenly felt that she had said the wrong thing and glanced at Chen Ping with an embarrassed look on her face. Then she glared at Fan Xianbo and said, "Don't use your dirty thoughts to look at others. The two of us are innocent..."

When Qing Qing Bai came out, Zhu Qingxiu blushed a little. After all, Qing Qing Bai didn't seem right!

Chen Ping had seen her naked, could this still be considered innocent?

“Haha, look at you, you have become famous after practicing. Who will believe what you say? When you were in Wanjian Sect, you pretended to be a saint, but who knew you were a loose woman?”

Fan Xianbo mocked Zhu Qingxiu!

“I really didn’t expect Junior Sister to be this kind of person. If I had known earlier, I would have tried it in Wanjian Sect.”

“Junior sister is fair-skinned, beautiful and has long legs. I peeked at her when she was taking a shower.”

Other brothers also attacked Zhu Qingxiu and Jing Xi personally!

This made Zhu Qing’s delicate body tremble.

“Junior sister, please hand over the Jade Slip Secret Book, and I will leave immediately. If you still want to be in Wanjian Sect, I can also give you an elder position.”

“If you refuse, then don’t blame me for being rude. Not only will you two be dead, I will also let these junior brothers have a taste of your beauty.”

“But there are many junior brothers who are greedy for your body. You should think about it yourself.”

Fan Xianbo started threatening Zhu Qingxiu with this kind of thing, which was extremely shameless!

“Fan Xianbo, you are not human...”

Zhu Qingxiu couldn't bear it after listening to Fan Xianbo's words. The long sword in her hand was pointed directly at Fan Xianbo!

But Fan Xianbo was not afraid at all, and said with a look of disdain: "Junior sister, do you still want to fight with me? Believe it or not, I can make you take off all your clothes within three moves?"

"you....."

Zhu Qingxiu's face was filled with anger, but she knew that Fan Xianbo was right!

Her strength is no match for Fan Xianbo. If he really takes action, Fan Xianbo might really take off her clothes!

But if he didn't take action and allowed Fan Xianbo to insult him, Zhu Qingxiu would still be angry!

At this moment, Zhu Qingxiu felt very helpless!

Chapter: 7354

I can't beat you, I can't beat you, you can't scold me...

"Miss Zhu, leave these shameless senior brothers to me!"

Chen Ping stood in front of Zhu Qingxiu, the dragon-slaying sword in his hand shaking slightly!

These people were so shameless that Chen Ping couldn't bear it anymore. He had never seen such shameless people!

Seeing that Chen Ping was about to take action, Fan Xianbo smiled disdainfully and said: "You are a seventh-level monk in the Tribulation Realm and you still want to be a hero and save the beautiful. You don't even know what your own virtue is."

"What kind of virtue I am, you will know if you try it."

Chen Ping's aura began to fill the air!

"You guys, since you are looking for death, you can't blame me, but I never kill unknown people, so come and name me!"

Fan Xianbo was quite particular and asked Chen Ping to report his family status!

"Chen Ping..."

Chen Ping said two words calmly!

Bang...

As soon as the word "Chen Ping" came out of his mouth, the swords in the hands of several junior brothers behind Fan Xianbo fell to the ground with a crisp sound.

Fan Xianbo himself staggered and almost fell to the ground, looking at Chen Ping in disbelief!

"You...are you the Chen Ping who was hunted down by the Demon Sealed Alliance with a hundred-year tribute?"

Fan Xianbo's face became a little ugly!

"Yes, it's your grandfather and I..."

Chen Ping nodded!

When Fan Xianbo saw Chen Ping scolding him, instead of getting angry this time, he actually took two steps back!

A seventh-level monk in the Tribulation Realm was hunted down by the Demon-Sealing Alliance with a hundred years of sacrifice. After such a long time, the Demon-Sealing Alliance lost troops and generals, but Chen Ping was fine. There must be a reason for this!

Although Fan Xianbo is bad, he is not stupid...

"Junior brothers, this Chen Ping is priceless. If we catch him and hand him over to the Demon Sealing Alliance, we will make a fortune."

"Let's do it together. This guy is only at the seventh level of the Tribulation Realm. With so many of us, there will definitely be no problem!"

Fan Xianbo said to the junior brothers behind him!

Chapter: 7355

"Elder brother, the Feng Demon Alliance sent people, and they were fourth-level Mahayana monks. They all retreated in the end. Can we do it?"

One of the junior fellow apprentices Nuonuo asked!

When Chen Ping heard this, he knew that these guys were talking about Tianluo Tiansha and others. In just a short time, these people knew about the defeat of Tianluo Tiansha and others. It seemed that they were also connected with the Demon Sealing Alliance!

This time, the reputation of these people as traitors can be further confirmed. Maybe when the Demon Sealing Alliance attacks Wanjian Sect, these guys will be the traitors and shut down the sect-protecting formation!

“This guy must have someone to help him. Otherwise, how could he, a seventh-level monk in the Tribulation Realm, defeat the fourth-level Mahayana Realm? It would definitely be impossible.”

“We happened to catch this guy while his helpers were away. This is a good opportunity!”

“Hurry up and do it, otherwise his helpers will come and we will be in trouble.”

Fan Xianbo urged!

Several fellow apprentices looked at each other and felt that Fan Xianbo was right, so they picked up the fallen sword and headed towards Chen Ping in an instant!

Fan Xianbo did not take action, but hid aside and watched. He wanted these brothers to test Chen Ping!

It is true that Chen Ping is in the seventh level of the Tribulation Realm, but if he hides his cultivation and deliberately pretends to be a pig to eat the tiger, then he will be in trouble!

So this guy Fan Xianbo fooled a few fellow apprentices into taking action, while he watched from the sidelines!

These brothers and sisters also have auras all over their bodies, and they are killing each other with their attacks!

After all, Chen Ping is worth hundreds of years of worship from the Demon Sealing Alliance.

Facing several people, Chen Ping smiled lightly and actually put away the Dragon Slaying Sword!

These people are all in the Tribulation Realm, and even the best ones are not at the ninth level of the Tribulation Realm!

To deal with these guys, if you use the Dragon-Slaying Sword, that would be disrespectful to the Dragon-Slaying Sword!

Chen Ping's body jumped up, then he tapped his toes, and in an instant, streams of spiritual energy shot out from Chen Ping's toes!

These spiritual breaths instantly tore through the air and shook the void!

In Fan Xianbo's eyes, Chen Ping's careless behavior seemed like he was just putting on a show!

In any case, Chen Ping was facing monks of the eighth or ninth level of the Tribulation Realm. Even a first-level Mahayana monk would not be able to act so calmly when faced with the attacks of several eighth or ninth level monks of the Tribulation Realm. Light!

Now he can conclude that Chen Ping is not just showing off, but he is really capable. It depends on the outcome!

"What does this mean?"

The monks who rushed over were a little confused for a moment when they faced Chen Ping's spiritual breath like a dragonfly's water!

Chapter: 7356

Chen Ping put away his sword and let it go. He was looking down on them!

But with this tip of the toe, bursts of spiritual energy burst out. Do you want to defeat them with this?

Is this looking down upon them too much?

The few people who were despised instantly burst out with more powerful auras and rushed towards Chen Ping without dodging!

boom!

But just when these people looked down on Chen Ping's lightly tapped spiritual breath, suddenly the spiritual breath exploded close to them!

The terrifying air waves swept across like a tsunami!

These people seemed to have been blown away by artillery shells. They screamed and flew backwards one by one. Then they fell awkwardly hundreds of meters away, making deep pits on the ground!

The ground stirred up soaring smoke and dust, and these people were all motionless and unable to get up!

The smoke and dust slowly dispersed, and the scene was quiet!

Fan Xianbo's pupils shrank suddenly, and he felt a little stupid!

He found that those junior brothers had no power to resist, and they couldn't tell whether they were dead or alive!

You must know that Chen Ping is only at the seventh level of the Tribulation Realm, and none of these people are as high as Chen Ping, but now they are defeated by Chen Ping with just a glance!

In this case, it feels like it's on a completely different level.

From this point of view, Chen Ping must have hidden his true strength. Now Chen Ping's real strength must be the Mahayana realm, and it is very likely that he has reached the second level of the Mahayana realm!

"Don't you want to test me? Have you tested me now?"

Chen Ping looked at Fan Xianbo with a sneer and said!

"I didn't expect you to really hide your strength, but I think you are only at the second level of the Mahayana realm, and you are just on par with me. You don't need to be so arrogant!"

Fan Xianbo snorted coldly, turned over his hand, and found a red long sword in his hand!

After Fan Xianbo took out the long sword, the aura on his body suddenly changed. The aura on his whole body was like a gloomy black hole, giving people an unfathomable feeling!

"You are not the sword of my Wanjian Sect. Where did your evil sword come from?"

Zhu Qingxiu saw the long sword in Fan Xianbo's hand and immediately asked loudly!

There is no way the long sword worn by their Wanjian Sect looks like this. This red long sword has an evil aura about it!

Chen Ping also narrowed his eyes slightly and looked at the red sword in Fan Xianbo's hand. He felt that the aura of the red sword was similar to the aura of the bloody sword in Tian Luo's hand!

Chapter: 7357

You must know that Tian Luo is a demon cultivator, and this Fan Xianbo is the senior brother of Wanjian Sect, a famous and upright sect of Zhengzheng Sect. How can the long swords they use be similar?

"His sword is most likely a gift from the Demon-Sealing Alliance. You must know that there are too many things for demon cultivators in the Demon-Sealing Alliance."

"It seems that senior brother like you has become the dog of the Demon-Sealing Alliance. If this is the case, it is not surprising that your Wanjian Sect was destroyed by the Demon-Sealing Alliance."

Chen Ping said to Zhu Qingxiu!

Upon hearing this, Zhu Qingxiu looked at Fan Xianbo with anger and asked: "Fan Xianbo, is this true? Have you really betrayed the sect? Have you really become a dog of the Demon Sealing Alliance?"

"Have you harmed Master and our entire sect?"

Zhu Qingxiu was very excited, holding a long sword in her hand, and her eyes were filled with anger!

"Junior sister, don't talk nonsense, and don't listen to other people's rumors."

“Everything I did was just to revitalize the Wanjian Sect. Since you don’t want to hand over the secret jade slip, then I will...”

The red sword in Fan Xianbo’s hand suddenly swung!

A burst of blood instantly filled the area for hundreds of meters!

“Be careful...” Chen Ping pulled Zhu Qingxiu back and slashed with the dragon-slaying sword!

However, Chen Ping’s sword struck the air, and the blood energy dispersed. Chen Ping did not even notice the shadow of Fan Xianbo!

This guy actually ran away, and ran so resolutely that he didn’t even care about his brothers who were still alive or dead!

“Damn, this guy is a talent, he fooled me...”

Chen Ping couldn’t help but curse!

Looking at Fan Xianbo, it was obvious that he wanted to fight with Chen Ping, but who knew that this guy had already planned to escape!

Chen Ping saw that Fan Xianbo wanted to fight him, so he was not prepared for this guy to escape.

No one expected that Fan Xianbo, who was full of murderous intent and full of fighting spirit at the beginning, would run away as soon as he turned around!

Chen Ping couldn't even react, otherwise he would never have let this guy escape!

"Damn it, let him escape, otherwise I will definitely kill him to avenge the dead brothers of Wanjian Sect."

Seeing Fan Xianbo escaping, Zhu Qingxiu gritted his teeth and said!

"Just run away. I think he will find you sooner or later. After all, you still have the Jade Slip Secret Book with you. He doesn't have the Jade Slip Secret Book, and he has no way to control Wanjian Sect."

"I have found the divine muscle grass. I will contact Ji Yun right away. We can go back..."

Chen Ping said to Zhu Qingxiu!

Chapter: 7358

Zhu Qingxiu nodded, Chen Ping used the sound transmission jade slip to call Ji Yun back, and then the three of them took an airship and rushed to Zhujia Town!

When he arrived at Zhujia Town, Chen Ping did not rest, but used the divine muscle grass to practice elixirs!

It only took one day to prepare the elixir, and after taking it, the burns on Zhu Qingxiu's face miraculously disappeared!

This made Zhu Qingxiu feel grateful to Chen Ping. For women, appearance is the same as life!

Zhu Yuanji, with his two sisters Zhu Qingxiu and Zhu Qingyue, entertained Chen Ping warmly!

"Mr. Chen, both of my women were saved by you. I really don't know how to thank you."

“We in Zhujia Town don’t have any precious resources, but a bottle of spiritual blood passed down from our ancestors is said to contain the blood of a dragon. I am willing to give this to Mr. Chen.”

Zhu Yuanji said, took out a white spirit purification bottle and handed it to Chen Ping!

Chen Ping took the bottle in his hand and instantly felt a fierce breath coming towards his face!

This aura was extremely fierce, but it gave Chen Ping a hint of familiarity!

When his spiritual consciousness entered the spirit purification bottle, Chen Ping discovered that there was a shadow of a wandering dragon constantly swimming in the blood in the bottle!

Chen Ping narrowed his eyes slightly, looking a little surprised!

“Director Zhu, is this dragon’s blood really passed down from our ancestors?”

Chen Ping asked curiously!

“Of course, if it were now, with my Zhujiazhen’s strength, it would be difficult to deal with even ordinary monsters, let alone collecting the dragon’s blood.”

“Mr. Chen, is this dragon’s blood fake?”

Zhu Yuanji didn’t understand either. He only knew that it was passed down from his ancestors. He didn’t know whether it was true or not!

“That’s not true. I just think this dragon must be very strong. With Zhujiazhen’s strength...”

Chen Ping did not continue. After all, Zhujiazhen's current strength is very poor!

There is no Mahayana realm in the entire Zhujia Town. If Zhu Qingxiu had not been sent to Wanjian Sect, it would not have been possible for him to reach the Mahayana realm!

"Hey, in fact, our Zhujia Town had its glorious moments thousands of years ago, but after the war between gods and demons, our Zhujia Town declined, and now it is getting worse and worse."

Zhu Yuanji sighed and said!

Seeing this, Chen Ping hurriedly followed Zhu Yuanji to apologize, and the two of them started drinking!

After drinking until late at night, Chen Ping returned to the room prepared for himself!

Chapter: 7359

Just when Chen Ping was about to lie down, the door suddenly opened and Zhu Qingxiu in a white dress walked in!

Zhu Qingxiu's face has been cured. With her delicate face, that graceful figure, and fair skin, she is indeed a beauty!

The moonlight shone into the room and hit Zhu Qingxiu!

Zhu Qingxiu's white dress looked very translucent under the moonlight!

Chen Ping just took one look and was stunned!

Because from that translucent white dress, Chen Ping discovered that Zhu Qingxiu had nothing underneath!

Even though he had seen Zhu Qingxiu without clothes, the hazy feeling at this moment made Chen Ping's blood surge!

"Mr. Chen, you have helped me so much and I can't repay you in return. I hope I can satisfy you tonight!"

Zhu Qingxiu said, and actually walked towards Chen Ping!

Then he threw Chen Ping hard and pinned him down!

"Miss Zhu, no, I'm not that kind of person, and I won't need you to make any compensation just because I'm kind to you."

Chen Ping pushed Zhu Qingxiu away!

"Mr. Chen, I volunteered, you don't have to feel any pressure."

Zhu Qingxiu continued to approach Chen Ping!

"Miss Zhu, you really can't..."

Chen Ping kept retreating!

But there was no way to retreat, so he was knocked down again by Zhu Qingxiu, and then he hugged Chen Ping tightly, planning to communicate further!

Chen Ping was a little confused when he smelled the feminine fragrance on Zhu Qingxiu's body. Which man can resist such temptation?

But just when Chen Ping was about to charge into the battle, a voice suddenly sounded!

"Chen Ping, you scumbag, you promised to be my man, but now you are fooling around with other women."

"Thanks to you, I was punished by my father and had to live in isolation for ten years. You made me so sad."

Lin Keting's voice actually rang in Chen Ping's ears!

Chen Ping trembled, pushed Zhu Qingxiu away, and then rushed out of the room: "Miss Zhu, it's really not possible. I don't want you to misunderstand. I saved you just to sleep with you."

"You should rest early. I need to find a place to recover my spiritual power. Helping you make elixirs will cost me a lot!"

Chapter: 7360

After saying that, Chen Ping's figure disappeared!

Looking at the place where Chen Ping disappeared, Zhu Qingxiu was stunned. She didn't understand, how could Chen Ping resist her request?

Is it because I'm not pretty enough?

Or are you in bad shape?

Why?

Zhu Qingxiu couldn't understand, but still left with an embarrassed look on her face!

Chen Ping didn't want to think that even if Zhu Qingxiu took the initiative, it would still be in vain in the end!

And in the end, she even made herself look like a slut!

Chen Ping arrived in a forest dozens of miles away from Zhujia Town!

He no longer dares to live in Zhujia Town, Zhu Qingxiu is afraid that he will eat him!

"Miss Lin, what's going on with you? Why are you locked up to think about your mistakes?"

After stopping, Chen Ping asked Lin Keting!

Chen Ping really didn't understand why Lin Keting would be punished?

"Don't worry about it. Even if I tell you, it's of no use. Just stop playing with women."

“It’s only been ten years. It’s gone by in the blink of an eye. I’ll find you again then!”

Lin Keting didn’t say yes to Chen Ping, after all, it was useless!

It is impossible for Chen Ping to come to Sun Moon City, and he cannot reach Sun Moon City at all!

“Ten years? I...”

Chen Ping wanted to say something else, but found that he could not contact Lin Keting.

Chen Ping himself doesn’t know where he will be in ten years. Although ten years is nothing to a monk!

But for Chen Ping, it was too long!

Maybe ten years later, he will already have a group of wives and concubines around him, and a house full of children and grandchildren...

Lin Keting is looking for her, and she is afraid that she will have to be small.

Unconsciously, Chen Ping thought of the women around him!
