

## **The Order 7361**

Chapter: 7361

“Yu Qi, I wonder where you are?”

“Ruxue, Mei’er, Qing’er, Jiayi, Yuhan...”

“Are you okay? I don’t know when I can see you again!”

Chen Ping thought of the scene of playing among many women, it was so beautiful.

“I don’t want to think about it anymore, let’s practice...” Chen Ping shook his head to dispel those distracting thoughts in his mind!

Taking out the Lingjing bottle, Chen Ping directly took out the dragon’s blood inside!

A ball of blood was suspended in the air, and around the blood, there seemed to be a small spiritual dragon flowing continuously, exuding a majestic air!

It’s just the blood of a dragon. The noble blood it contains and the majesty it exudes are completely different from ordinary monsters!

Chen Ping shot a ball of supreme fire, and then the blood turned into streams of mist on the supreme fire!

And the mist gradually condensed and turned into the shape of a dragon!

Obviously, this dragon has just been transformed and cannot be considered a real dragon yet!

Chen Ping looked at the dragon in front of him, but for a moment he couldn't bear to absorb it to help him practice.

Although this dragon is thousands of miles away from Chen Ping's golden dragon, it is not easy to transform from a python into a dragon no matter how hard this dragon practices!

Now it has transformed into a dragon and already possesses part of the dragon bloodline!

But just when Chen Ping was hesitating, a red light suddenly flashed through, instantly absorbing the mist-condensed dragon!

Chen Ping was stunned and quickly looked around, only to realize that the red light turned out to be Cen Biqing's dragon crystal. The aura transformed from the dragon's blood was absorbed by Cen Biqing's dragon crystal!

Although Chen Ping didn't know that the dragon crystal was in his hands and had any connection with Cen Biqing, but since the dragon crystal took the initiative to absorb it, Chen Ping didn't stop it!

In the future, Chen Ping will rely on this dragon crystal to find Cen Biqing and the others, and find the demon-suppressing tower. The demon-suppressing tower suppresses all dragons!

Chen Ping also wants to find the owner of the Demon Suppression Tower and ask this guy what hatred he has for following the Dragon Clan!

Early the next morning!

Chen Ping found Zhu Yuanji. He wanted to bring Zhu Qingyue back to Xiao Dynasty. Since he promised Xiao Feng, Chen Ping must do it.

Zhu Yuanji did not stop him, but he still had another concern, and that was Qi Yuankun from Qijia Town.

Although Qi Heng is dead and Qijia Town is not strong, after all, Qijia Town has hooked up with the Demon Sealing Alliance behind the scenes!

If Qi Yuankun still creates trouble for Zhujia Town, it will be difficult to handle!

Chapter: 7362

“In that case, I will wipe out the Qi family so that Director Zhu will have no worries.”

After Chen Ping finished speaking, his figure disappeared in a flash!

It only took half a day for Chen Ping to return, and the news of the destruction of Qijia Town also reached Zhujia Town!

Since Qijia Town has chosen to join forces with the Demon Sealing Alliance, Chen Ping will no longer have any psychological pressure or worries when he becomes murderous!

Everyone in the Demon Sealing Alliance deserves to die...

Chen Ping was about to leave with Zhu Qingyue, but Zhu Qingxiu looked at Chen Ping and said, “I’ll go with you too...”

“Where are you going with me?” Chen Ping was slightly stunned!

“I can go to the Dead Sea and practice on any island. In this case, Fan Xianbo won’t be able to find me.”

“Otherwise, if I carry the jade slip secret book with me, Fan Xianbo will definitely not give up. This will bring disaster to Zhujia Town.”

Zhu Qingxiu said!

She decided to continue to practice on the island in the Dead Sea. When she is strong enough one day, she will revive the Ten Thousand Swords Sect!

Seeing that what Zhu Qingxiu said was reasonable, Chen Ping could only nod in agreement!

Poor Zhu Yuanji, he had just spent a few days with his daughter, and his two daughters were leaving again!

But knowing that his two daughters are fine, Zhu Yuanji is still very happy!

“Father, after I go to the Xiao Dynasty, I will definitely visit you often. Don’t worry.”

“When the time comes, I will take you to live in Xiao Dynasty for a while, so that you can feel the majesty of the imperial city!”

Zhu Qingyue took Zhu Yuanji’s hand and said!

“Okay, okay...my girls are all going to be successful.”

Zhu Yuanji smiled all over his face, then waved his hand and said: “Let’s go, don’t waste any time.”

Zhu Qingyue and Zhu Qingxiu both boarded the airship, and then the airship slowly took off!

Zhu Yuanji looked at the airship taking off, and tears flowed out uncontrollably!

In an instant, Zhu Yuanji seemed to be much older!

The airship flew towards the Dead Sea. When it reached the edge of the Dead Sea, the sky had already darkened.

Chen Ping was not in the airship, but stood directly on the top of the airship, looking at the vast Dead Sea and the setting sun!

Zhu Qingxiu also reached the top of the airship. She knew that the time for her to leave was coming!

I wonder if I will have a chance to see Chen Ping again after leaving this time!

Maybe this is the last time they meet!

When Zhu Qingxiu came to the top of the airship, she saw Chen Ping standing in the front section with his hands behind his back. The setting sun was shining on Chen Ping, which gave people a dreamy feeling!

Zhu Qingxiu stared at Chen Ping's back and suddenly frowned slightly!

She discovered that wisps of strange aura were coming towards Chen Ping from all directions, and Chen Ping stood motionless at the front of the airship. Reflecting the sunset in the sky, shadows condensed into phantoms behind him!

Those phantoms looked like giant dragons, each one entrenched behind Chen Ping!

True dragon spirit?

Zhu Qingxiu was deeply shocked!

At this moment, she felt a little ashamed. How could her status be worthy of Chen Ping? She even took the initiative to show up last night!

Chapter: 7363

“Why did you come out?”

Although Chen Ping did not look back, he knew that Zhu Qingxiu was already behind him.

“I’m saying goodbye to you. I’m leaving. I’m going to find a desert island to practice!”

Zhu Qingxiu looked a little flustered when she saw that Chen Ping had discovered her!

“This place is too close to the land. Why don’t you go deeper into the Dead Sea?”

Chen Ping turned around!

Zhu Qingxiu didn’t dare to look into Chen Ping’s eyes, her eyes were a little dodgy!

After all, I took the initiative to sacrifice myself last night, but I haven't done it yet. As a woman, I am really embarrassed!

"No, it's close to the mainland. I can go home and see my father more often."

Zhu Qingxiu smiled slightly!

"Okay, I respect your opinion. If you need help with anything, you can always come to me!"

After Chen Ping finished speaking, he actually took out a large handful of sound transmission jade slips and gave them to Zhu Qingxiu!

Zhu Qingxiu did not refuse. After taking the jade slips, she looked at Chen Ping, then jumped up and jumped directly from the airship!

"Aren't you going to say goodbye to your sister?"

Chen Ping was a little confused, why did Zhu Qingxiu just leave without saying anything to Zhu Qingyue?

"No, to avoid hurting each other, just tell my sister."

After Zhu Qingxiu finished speaking, her figure completely disappeared!

Chen Ping looked at Zhu Qingxiu's leaving figure and felt a sense of sadness!

In fact, it is not easy for Zhu Qingxiu, a woman!

It's really not easy for a woman to shoulder the mission of Wanjian Sect and be hunted by the Demon Sealing Alliance and Fan Xianbo!

Did you go a little too far last night?

Zhu Qingxiu is a woman who must have made a lot of determination last night. I should give her some comfort!

"Boy, do you regret it?" At this time, Demon Lord Chiyun's voice sounded!

Chapter: 7364

"What do you regret?"

Chen Ping asked pretending not to know!

"Of course I regret not playing with that woman. If you don't eat the meat that comes to your mouth, are you still a man?"

Demon Lord Chiyun teased Chen Ping.

"I'm a gentleman. I'm an innocent girl. How can I just have fun with it?"

Chen Ping said with a decent look!

“You can die if you don’t pretend? How many women have you played with, and you still have the nerve to say this!”

Demon Lord Chiyun changed his look at Chen Ping!

“Mr. Chen, where is my sister?”

At this time, Zhu Qingyue also came to the top of the airship!

She didn’t see Zhu Qingxiu in the airship, so she came out to have a look!

“Your sister left, and she asked me to tell you...”

Chen Ping said!

“Leaved?” Zhu Qingyue was stunned, then looked at the vast Dead Sea, tears streaming down her face:  
“Sister...”

Chen Ping couldn’t see the sadness of parting, so he returned to the airship!

After the airship reached a sea area, Chen Ping asked Ji Yun to levitate the airship, and he plunged into the Dead Sea!

He wants to rescue Zi’er, one of the Seven Fairies, from the Dead Sea, and then take her to the Soul Demon Sect and ask Sect Master Jiang to help her rebuild her body!

Zi’er, who had been possessing a tree, seemed very happy to see Chen Ping really back!

After all, so many days had passed, and she didn't know what happened to Chen Ping. She thought Chen Ping had forgotten her!

Chen Ping took Zi'er straight to the Demon Mountain Soul Demon Sect!

But before arriving at the Soul Demon Sect, Chen Ping went to Guanghan Palace and looked at the palace masters of Guanghan Palace and the others!

By the way, I asked about the Mu family. If I killed two sons of the Mu family, the head of the Mu family would definitely not let it go!

Fortunately, the head of the Mu family did not come out of seclusion. The last large-scale fight attracted the lord of the Southern Territory and injured the head of the Mu family, so the seclusion time was extended!

Chapter: 7365

After leaving Guanghan Palace, Chen Ping and the others arrived at the Soul Demon Sect. Then Chen Ping handed Zi'er over to Sect Leader Jiang, and also left two Heavenly Demon Stones, which were used to rebuild Zi'er's body!

After leaving the Soul Demon Sect, Chen Ping and the others headed straight for the Western Regions!

Although the airship is fast, the distance is too far, so Chen Ping simply closes his eyes and practices!

At the same time, at the Demon Sealing Alliance headquarters!

Zuo Tianzheng, as the leader of the alliance, was sitting on top of the main hall's seat, and below him, there were more than a dozen Mahayana masters sitting neatly!

And these Mahayana realm masters are all demonic cultivators without exception. This demon-sealing alliance with the slogan of eliminating demons and defending the Tao has become the home of demonic cultivators!

“Elder Chu, please tell everyone about the investigation!”

Zuo Tianzheng said to Elder Chu beside him!

Although Elder Chu is not strong, he can achieve the position of elder, and he is still serving Zuo Tianzheng, so he has certain abilities!

The distribution of forces and personnel recruitment of the Demon-Sealing Alliance throughout the Heaven and Human Realm are almost all run by Elder Chu!

Although these Mahayana realm demon cultivators are much stronger than Elder Chu, no one dares to despise Elder Chu!

“Everyone, I believe you have noticed recently that, except for the demonic cultivators in the Tianmo Mountain area, many demonic cultivators in other places have disappeared inexplicably.”

“Some of the demon cultivators that our Demon-Sealing Alliance has targeted have suddenly disappeared. This has made it difficult for our Demon-Sealing Alliance to have more demon cultivators join us in recent years.”

“After my investigation, I found that this matter is related to Taoist Wuji. Those missing demon cultivators should have been taken to some secret space by him.”

Elder Chu said to many demon cultivators!

“Sect Master Zhou, please tell me too!” Zuo Tianzheng looked at an old man with a hunchback and said!

This hunchbacked old man was the guy who took Tiansha and Tianluo to the Eastern Region, fought with Chen Ping, and was scared away by Taoist Priest Wuji!

That Zhou Sect Master stood up and then said slowly: “I was sent to the Eastern Region this time to help Qijia Town, but I didn’t want to encounter that Chen Ping.”

“Because Chen Ping had helpers around him, two of my disciples were injured, and I had to escape.”

Sect Master Zhou looked embarrassed. After all, it was a bit shameful to say that he had escaped in front of so many people!

“Old Zhou, you are a fourth-level Mahayana realm, who can scare you in that miserable place in the Eastern Region?”

“That’s right, there are very few Mahayana realm monks in the Eastern Region, let alone the fourth level of the Mahayana realm.”

“I think you, an old boy, didn’t want to be an enemy of Chen Ping, so you ran back here on purpose, right? Who doesn’t know that you are the slippery boy?”

Chapter: 7366

Many demon cultivators began to question Sect Master Zhou!

After all, with the strength of the fourth level of the Mahayana Realm, I dare not say that I am invincible in the Eastern Region, and it is not easy to encounter opponents!

Now he says he escaped and came back, which is obviously a problem.

Sect Leader Zhou ignored these people. Many of the demon cultivators here were loyal lackeys of the Demon Sealing Alliance, but he was not. He was just trying to save his life and had no choice but to make concessions under the Demon Sealing Alliance!

“I met Chen Ping this time, and his assistant was the Wuji Taoist. Although it was just a shadow, it was not something I could handle.”

“And in addition to the Wuji Master, there is another girl who is very good. She is also related to the Wuji Master and is very strong. The two followers around this girl are also demon cultivators, and their strength is actually the second level of the Mahayana Realm.”

“I suspect that this girl has something to do with the city that suddenly disappeared thousands of years ago, and the Wuji Master may have sent the missing demon cultivators to that city.”

Sect Master Zhou was talking to himself!

After hearing this, the faces of those who had just mocked Sect Master Zhou changed slightly!

“The city that disappeared thousands of years ago? Could it be the Sun and Moon City? There has been no news from the Sun and Moon City for thousands of years. How could someone from the Sun and Moon City suddenly appear?”

Someone asked in confusion!

“The Sun and Moon City never really disappeared. Instead, it used its spiritual veins to re-open the secret realm of space. This Sun and Moon City has always been in the heaven and human world, but we can't see it.”

Zuo Tianzheng said!

Obviously, he had received the report from Sect Leader Zhou, knew about the affairs of Sun Moon City, and conducted a detailed investigation!

After listening to Zuo Tianzheng's words, everyone fell silent because they didn't know how to deal with it!

Taoist Priest Wuji and the disappeared Sun Moon City were all unknown forces to them. Although these demonic cultivators were all in the Mahayana realm, they had no idea what their strength was!

However, the phantom of Taoist Wuji caused the fourth-level Mahayana realm Master Zhou to retreat. One can only imagine how terrifying Taoist Wuji himself is!

Seeing that everyone was silent, Zuo Tianzheng continued: "Now that Chen Ping has contact with Wuji Taoist and Sun Moon City, we must not let him continue to develop."

"So I decided to kill Chen Ping first, get rid of the big trouble in my heart, and then deal with the Wuji Taoist."

"Leader, we don't know where Chen Ping is now. Where can we find him?" asked Sect Leader Zhou!

"He went to the Xiao Dynasty in the Western Regions..."

Zuo Tianzheng said!

After hearing the words "Xiao Huangchao", Sect Leader Zhou stopped talking, and the others were also silent!

Chapter: 7367

If Chen Ping was somewhere else, these people would definitely take over this job actively. As long as they catch Chen Ping, it would be a great achievement!

But if Chen Ping were in Xiao Dynasty, none of them would dare to go!

After all, in the world of gods and humans, the only force that can compete with the Demon Sealing Alliance is the Xiao Dynasty!

Moreover, the Xiao Dynasty has been able to exist for so many years and become more and more powerful, so there must be something behind it!

Maybe they from the Demon Sealing Alliance might not be able to outdo the Xiao Dynasty!

So at this time, no one dared to go to Xiao Dynasty to find Chen Ping.

Maybe I'm still trapped in it.

Seeing that no one was speaking, Zuo Tianzheng smiled slightly and continued: "Everyone, do you think it's pointless for our Demon Sealing Alliance to compare with Xiao Dynasty?"

No one said anything, but the expression said it all!

In the final analysis, the Demon Sealing Alliance is just an alliance put together by some forces!

The Xiao Dynasty is a dynasty controlled by the Xiao family, and it controls many cities and armies!

How could these forces be countered by forces like them that were put together?

Zuo Tianzheng glanced at Elder Chu, and then Elder Chu said: "The Xiao Dynasty is indeed powerful, but the Xiao Dynasty has one of the most fatal flaws, and that is the struggle for the throne."

"Xiao Feng, the eldest son of Emperor Xiao, has been crazy about a woman. In order to cure his son, Emperor Xiao searched for pharmacists from all over the country. Although he was cured, the eldest son Xiao Feng has no power and prestige in the Xiao Dynasty."

"Emperor Xiao also has a second son, Xiao Jian, who is a man of both wisdom and courage. His strength has reached the third level of the Mahayana realm. In terms of strength and strategy, he far surpasses the eldest son Xiao Feng."

"It's just that Xiao Jian is a concubine. He was born by Emperor Xiao to a maid after he was drunk, so few people know about the existence of this second son Xiao Jian."

"Xiao Jian was assigned by Emperor Xiao to guard the small town of Canglang on the border of the Western Region. He has long been dissatisfied. We can take the opportunity to disintegrate the Xiao Dynasty, so that Xiao Dynasty will no longer have the energy to protect Chen Ping."

"I sent someone to contact Xiao Jian in advance before, and I will go there in person this time. As long as we win over Xiao Jian, and our Demon Sealing Alliance helps him capture the Xiao Dynasty, Xiao Dynasty will be allies with our Demon Sealing Alliance from now on. "

"Let me ask you, in the entire world of heaven and humans, who can still be the enemy of our Demonic Alliance?"

Elder Chu spoke very excitedly, as if the Demon Sealing Alliance was about to dominate the world of heaven and humans.

After listening to Elder Chu's words, many demon cultivators looked at each other in shock, because they had never heard about Emperor Xiao and his second son.

But this is also the specialty of Elder Chu. Many information cannot escape his eyes. When he was protecting Zuo Tianzheng's son Zuo Xuan in Tianmo Mountain, Elder Chu used formation deduction!

It's just that Chen Ping has many unknown causes and effects, so Elder Chu's formation deduction was discovered by Chen Ping!

Chapter: 7368

"Sect Master Zhou, Elder Chu will go to Canglang City in person, and you will take someone to go to Xiao Dynasty in person. If Xiao Yuanshan understands the current situation and hands over Chen Ping, we will allow him to be tolerated for a while."

"If you don't understand current affairs, then declare war directly and let him get out of the position of Emperor Xiao..."

Zuo Tianzheng said to Sect Master Zhou!

Sect Master Zhou was slightly startled, his face was a bit ugly, and his expression was very reluctant!

But the leader of the alliance had spoken, and he couldn't refuse, so he had no choice but to accept it!

Zuo Tianzheng waved his hand and asked everyone to retreat, while Elder Chu said to Zuo Tianzheng: "Leader, that leader of the Demon Sealing Alliance was not sincere in his devotion to our Demon Sealing Alliance. If you ask him to go to Xiao Dynasty, this can be done. Success?"

Zuo Tianzheng smiled lightly and said: "This time, regardless of whether Xiao Yuanshan understands current affairs or not, I will make him step down. I will never allow such a big threat to the Demon Sealing Alliance to exist."

"I understand!" Elder Chu nodded!

Zuo Tianzheng's meaning was very clear. When Zhou Clan Leader went to the Xiao Dynasty, he was just to act as a pawn. As for Clan Master Zhou's life or death, Zuo Tianzheng never considered it.

After everyone left, Zuo Tianzheng turned around and came to the back of the hall. A door as dark as ink was slowly pushed open by him!

There was a huge black hole inside. When Zuo Tianzheng walked into the room, his body was instantly swallowed by the black hole!

.....

Xiao Dynasty!

The huge airship slowly landed in the Xiao Dynasty's palace!

Seeing the airship coming, hundreds of guards stood ready, and nearly a hundred monks above the eighth level of the Tribulation Realm flew into the air one after another, staring at Chen Ping's airship!

Because they didn't know who was inside the airship, these guarding monks all felt like they were facing a formidable enemy!

Xiao Yuanshan and Xiao Feng also hurried over!

After so many years, no one has ever dared to attack Xiao Dynasty!

But when the airship landed and Chen Ping took Zhu Qingyue out of the airship, Xiao Yuanshan and Xiao Feng were both overjoyed!

Xiao Yuanshan waved his hand and ordered all the guards to evacuate!

Xiao Feng rushed forward, hugged Zhu Qingyue tightly, and couldn't help but shed tears!

"A'Zhu, where have you been? Do you know how much I miss you?"

Xiao Feng hugged Zhu Qingyue and expressed his feelings of missing her without caring about anyone else's presence!

Chapter: 7369

Zhu Qingyue also burst into tears and said: "Xiao Feng, I miss you too, but I had something to do at home, so I went back and was arrested."

"Fortunately, Mr. Chen came to the rescue, otherwise I wouldn't be able to see you..."

After Xiao Feng heard this, he let go of Zhu Qingyue and bowed heavily to Chen Ping.

"Mr. Chen, you not only saved me, but also saved A'Zhu. I, Xiao Feng, will never forget this kindness. If Mr. Chen is in trouble in the future, I will go through fire and water without hesitation."

Xiao Feng was very grateful to Chen Ping.

"Prince Xiao is serious. It's just a little effort."

Chen Ping smiled slightly and said!

“Mr. Chen, you have helped us so much. You must stay in our Xiao Dynasty for a longer time this time, so that I can fulfill my duty as a landlord.”

Xiao Yuanshan directly took Chen Ping’s hand and walked towards the palace!

Xiao Feng and Zhu Qingyue held hands and walked into the palace!

Xiao Yuanshan held a grand banquet to thank Chen Ping and to announce Xiao Feng and A’Zhu’s marriage in public!

Of course, there is another very important thing, which is to announce the crown prince Xiao Feng. After all, now that Xiao Feng is well and no longer crazy, the crown prince matter should be settled!

Facing many princes and ministers of the Xiao Dynasty, Xiao Yuanshan said calmly: “Now I declare that from this moment on, Xiao Feng will become the crown prince of our Xiao Dynasty. Everyone in the Xiao Dynasty must obey his orders, and he can mobilize Xiao Feng. All the troops of the dynasty.”

After saying that, Xiao Yuanshan took out a tiger talisman and handed it directly into Xiao Feng’s hand!

When many princes and ministers saw this scene, they all looked a little incredible!

In the past, the Xiao Dynasty would also appoint a crown prince, but it was just to serve as a reserve for future kings. How could the crown prince have such great power in the first place?

Isn’t this Xiao Huang afraid that his son will support his own troops and directly rebel and ascend the throne?

At this moment, even Xiao Feng himself was a little confused. He didn’t understand why his father suddenly gave him such great power?

It would be enough to establish himself as the crown prince. After all, he is Xiao Yuanshan's only son, and the Xiao Dynasty will eventually be his!

But now Xiao Yuanshan is so anxious to give him the power, and Xiao Feng doesn't know why!

As an outsider, Chen Ping didn't feel much about this. He just accepted Emperor Xiao's hospitality. He would leave for the Weapon Refining Sect in a few days. There had been no news from Sword Spirit Zhongli for such a long time. Chen Ping also noticed that Zhongli no longer exists.

So he wanted to take the Dragon-Slaying Sword to the Weapon Refining Sect, and then let the Weapon Refining Sect take a good rest, preferably to let the Sword Spirit Zhongli recover!

However, after Xiao Yuanshan announced Xiao Feng as the crown prince, in Canglong City, a small border town thousands of miles away, Xiao Jian was standing in front of the window, looking in the direction of the imperial city!

Xiao Jian is wearing a light yellow robe. Although he has stayed in this remote town for so many years, he still can't hide the nobility on his body!

Chapter: 7370

Behind Xiao Jian, stood an old monk in a green cloth robe. The old monk held a Buddhist bead in his left hand, his eyes were slightly closed, and his mouth was moving slightly, as if he was chanting sutras!

Suddenly, the old monk opened his eyes and said slowly: "Here we come..."

As soon as he finished speaking, a soldier in armor ran in and said, "Prince, Elder Chu from the Demon Sealing Alliance is here!"

Xiao Jian nodded, and then led the old monk out of the room!

In the hall, Elder Chu was waiting with two monks from the Demon Sealing Alliance. After seeing Xiao Jian, Elder Chu smiled lightly and said: "Prince Xiao, I am here specifically to congratulate you this time..."

"Congratulate me?" Xiao Jian was stunned, a little confused!

"Emperor Xiao has decreed that your eldest brother Xiao Feng will take over as the crown prince, and he has also handed over the tiger talisman. Your eldest brother can command the entire Xiao Dynasty's army, including Canglang City where you are now."

"Your father is obviously guarding against you by doing this. In this case, Prince Xiao, there is no need for you to hold back. If you cooperate with our Demon Sealing Alliance and overthrow your father in one fell swoop, you can sit on the throne of the Xiao Dynasty. "

Elder Chu said directly!

"You came here to sow discord between our father and son. Aren't you afraid that I would arrest you and hand you over to my father for punishment?"

Xiao Jian looked at Elder Chu and asked!

"Hahaha, of course I'm not afraid anymore, because I know you won't do that. If you are your father, then why did you secretly train Deadpool?"

"If I'm not wrong, Prince Xiao may have hundreds of deadliest servants, right? There are also many Mahayana masters among them."

Elder Chu laughed and said!

Xiao Jian frowned and asked with an ugly expression, "How do you know this?"

"Prince Xiao, there is no need to ask anymore. I naturally have channels through which I can obtain information."

"You just need to consider whether you want to cooperate with our Demon Sealing Alliance..."

Elder Chu said calmly!

"Let me think about it!" Xiao Jian frowned and couldn't make up his mind for a moment!

"Okay, I'll give Prince Xiao one day to think about it. This is your last chance. I hope you know how rare it is!"

After Elder Chu finished speaking, he took the people and left!

Xiao Jian turned to look at the old monk beside him and said, "Master, what do you think I should do?"

The old monk smiled slightly: "Prince, don't you already have the answer in your heart, why do you need to ask me again?"
