

The Order 7371

Chapter: 7371

After hearing this, Xiao Jian smiled slightly, turned around and walked out of the hall!

Xiao Dynasty!

In the palace hall, Sect Master Zhou has arrived with Tian Luo and Tian Sha!

However, it was Xiao Feng who received them, and Xiao Yuanshan did not show up!

Xiao Feng sat on the dragon chair, looking directly at Sect Leader Zhou and others below!

As the crown prince, Xiao Feng also has an extra layer of coercion!

Although Xiao Feng already knew the identities of Sect Master Zhou and others from the Demon Sealing Alliance, he still asked coldly: "Who are you? Why are you here at Xiao Dynasty?"

Sect Master Zhou was stunned, but he still answered obediently: "Prince Xiao, we are from the Demon Sealing Alliance. We came to Xiao Dynasty because we heard that Chen Ping was here, so we wanted to take him away."

"Prince Xiao must know that our Demon Sealing Alliance is using a hundred years of sacrifice to hunt down Chen Ping. I hope Prince Xiao can hand over Chen Ping!"

"Okay!" Xiao Feng nodded, and then winked at the people around him!

Seeing Xiao Feng agreeing so happily, Sect Master Zhou didn't even react for a moment.

After a while, Chen Ping was called over!

I saw Chen Ping striding towards the main hall. After looking at each other with the Zhou Sect Master, Chen Ping didn't have the slightest fear!

"Boy, you are indeed here. Let me see who can help you this time!"

After Tianluo saw Chen Ping, he snorted excitedly!

Chen Ping didn't pay attention to Tianluo, but walked to a chair and sat down generously!

"Mr. Chen is here, you can try to take him away!"

Xiao Feng said to that Zhou Sect Master!

Sect Leader Zhou was slightly startled. He seemed to sense something was wrong in Xiao Feng's tone, so he asked: "Prince Xiao, if we take Chen Ping away, your Xiao Dynasty won't stop us, right?"

"Of course not..."

"That's good!" Sect Leader Zhou breathed a sigh of relief.

"But I will kill you..." Xiao Feng said with a cold smile!

Chapter: 7372

Sect Leader Zhou and Tianluo Tiansha both had cold expressions on their faces. They originally wanted to attack Chen Ping, but they stopped now!

“You can try to touch Mr. Chen and see if you can get out of this hall!”

Xiao Feng said!

“Prince Xiao, this Chen Ping is an enemy of our Demon Sealing Alliance. If you, the Xiao Dynasty, cover him up like this, you will cause trouble.”

“Besides, with your current status, I’m afraid you can’t make the decision, so let Emperor Xiao come out!”

After Sect Master Zhou finished speaking, the aura on his body suddenly exploded!

The aura erupted by a fourth-level monk in the Mahayana realm is terrifying!

As the entire hall shook, terrifying demonic aura spread all around!

The entire imperial city was shocked!

Xiao Feng’s expression changed. With his current strength, he was definitely no match for this week’s sect master. The other party was also a fourth-level Mahayana monk!

Xiao Feng was indeed caught off guard by the sudden outburst of the sect leader this week.

He didn’t expect that Sect Leader Zhou was so powerful.

But just when the demonic energy was about to wrap around the entire imperial city, a white light suddenly exploded from the center, instantly dispersing all the demonic energy!

Sect Master Zhou and Luo Tiansha both frowned, especially Sect Master Zhou's face became extremely solemn!

Because he knew that the person who had just taken action was extremely powerful!

"You are just a pawn of the Demon Sealing Alliance, but you dare to run wild in our Xiao Dynasty. You are really rebelling..."

Following the sound, Xiao Yuanshan walked in slowly!

When he saw Xiao Yuanshan, Sect Master Zhou's face became even more ugly, but he still squeezed out a smile and said, "Emperor Xiao, I am also here on the order of the alliance leader."

"Are you here to declare war with me, Xiao Dynasty? I can tell you that Mr. Chen is a distinguished guest of our Xiao Dynasty, so I will not let anyone hurt him. If your Demon Sealing Alliance has the ability, just come."

"However, you must give me an explanation for your behavior in the main hall of my imperial city."

Xiao Yuanshan said coldly!

Seeing this, Sect Leader Zhou hurriedly said: "Emperor Xiao, I'm just here to convey the leader's instructions. As the saying goes, the two countries are at war and it's time to kill the envoys."

"Emperor Xiao won't take advantage of his own territory to attack us, right?"

Chapter: 7374

“What order is conveyed?” Xiao Yuanshan asked!

“Hand over Chen Ping, and the Demon Sealing Alliance and the Xiao Dynasty will be in peace. If Emperor Xiao refuses to hand over Chen Ping, and insists on protecting Chen Ping, the Demon Sealing Alliance will have no choice but to declare war on the Xiao Dynasty.”

“Emperor Xiao should understand that if the two parties declare war, life will be devastated, and the thousands-year-old foundation of the Xiao Dynasty may be destroyed from you.”

Sect Leader Zhou said to Xiao Yuanshan!

But as soon as he finished speaking, Xiao Yuanshan suddenly took action against the Zhou Sect Master!

Snap!

A slap on the face of that Zhou sect leader!

Xiao Yuanshan did not use his spiritual power, so this slap only made Sect Leader Zhou’s face red and swollen!

“You...” Sect Leader Zhou stared, but he didn’t dare to fight back!

He still understands why people have to bow their heads when they are under the roof!

“Declare war, declare war. Go back and tell Zuo Tianzheng that we will never allow a demon-sealing alliance force to exist in the entire Western Region.”

After Xiao Yuanshan finished speaking, he said loudly: "Prime Minister Yu..."

"His Majesty....."

Prime Minister Yu Wenqiang hurried forward!

"The order goes down and eradicates all the forces of the Demon-Sealing Alliance in the Western Region. Anyone who meets the Demon-Sealing Alliance will be killed without mercy..."

Xiao Yuanshan's attitude is very tough!

"Yes!" Yu Wenqiang went to give the order!

Seeing this, Sect Master Zhou was a little confused. He didn't understand if Xiao Yuanshan was crazy. Is it worth following the entire Demon Sealing Alliance to fight against Chen Ping?

"Emperor Xiao, since you mean to declare war, I won't bother you."

After Sect Master Zhou finished speaking, he took Tianluo and Tiansha and ran away!

He was afraid that he might be left in the Xiao Dynasty!

Although he is a good fourth-level Mahayana realm, in a place like Xiao Dynasty, he does not dare to be too presumptuous!

After leaving Xiao Dynasty's territory, Sect Leader Zhou stared at the entire Xiao Dynasty continent in mid-air, and sighed softly: "The war is about to begin, and I'm afraid our good days are coming to an end."

"Sect Master, what should we do next?"

Chapter: 7375

Tiansha asked!

"What else can I do? I'll send the news back and wait here to see how the alliance leader handles it."

"This time, we are obviously being treated as cannon fodder. Fortunately, Emperor Xiao didn't have murderous intentions, otherwise none of us would be able to escape."

After Sect Master Zhou finished speaking, he took out the sound transmission jade slip, reported the situation of Xiao Dynasty to Zuo Tianzheng, and then stayed in the Western Region to wait for the next instruction!

In the main hall of Xiao Dynasty, Chen Ping said apologetically to Xiao Yuanshan: "Emperor Xiao, I appreciate your kindness, but it is really not worth putting Xiao Huangchao in fear for me."

"I'd better leave here. After all, I'm not from the Xiao Dynasty. As long as I leave, the Demon Sealing Alliance won't be looking for trouble in the Xiao Dynasty."

"Mr. Chen, you just need to stay with me, Xiao Dynasty, and don't think about anything else. I declare war with the Demon Sealing Alliance for your sake and for myself."

Xiao Yuanshan said with a faint smile!

"Why is this?" Chen Ping didn't understand. Could it be that Xiao Yuanshan also had a festival with the Demon Sealing Alliance?

“Mr. Chen, I know that you are by no means an ordinary person, and your future achievements cannot be restricted by this small world of heaven and humans.”

“I’m helping you now. I just hope that you can help my Xiao Dynasty prosper forever in the future, so I do it for myself.”

Xiao Yuanshan said without hesitation!

Chen Ping was stunned for a moment, then said awkwardly: “Emperor Xiao, you actually think so highly of me?”

“Of course, I’m always good at judging people...”

Xiao Yuanshan smiled lightly!

Chen Ping didn’t say anything anymore. Xiao Yuanshan valued him so much, what else could Chen Ping say?

If one day he really ascends to immortality and becomes the master of a party, he will definitely protect the Xiao Dynasty!

“Feng’er, take Mr. Chen for a walk, and also order someone to send some resources to Mr. Chen’s room!”

Xiao Yuanshan said to Xiao Feng!

“Okay!” Xiao Feng nodded, and then left with Chen Ping!

After Chen Ping and Xiao Feng left, Yu Wenqiang walked to Xiao Yuanshan and said: “Your Majesty, I think the attack from the Demon Sealing Alliance will come soon. We should prepare early!”

“Okay, you pass the order and have all the monks above the eighth level of the Tribulation Realm in the entire Xiao Dynasty gather in the imperial city.”

Xiao Yuanshan said!

After all, following the declaration of war by the Demon-Sealing Alliance, we are no longer fighting alone, and the strength of the Demon-Sealing Alliance is not weak, so Xiao Yuanshan will order all monks above the eighth level of the Tribulation Realm to gather in the imperial city!

Chapter: 7376

If the strength is too low, even if there are many people coming, they will just be cannon fodder, increasing casualties in vain.

“Your Majesty, then... will Canglang City still notify you?”

Yu Wenqiang asked in a low voice!

It seems that Yu Wenqiang knows about the existence of Xiao Jian in Canglang City!

Xiao Yuanshan was silent for a moment, then nodded and said: “Notice that all monks above the eighth level of the Tribulation Realm in Canglang City must also come to the imperial city.”

“It must be. If this is the case, then the eldest prince and the second prince will meet. Then I’m afraid...”

Yu Wenqiang didn’t dare to continue talking!

After all, Xiao Feng didn't even know that he had a younger brother. He always thought that Xiao Yuanshan was his only son!

"You should know, sooner or later. I have made Feng'er the crown prince. Sooner or later, this Xiao Dynasty will belong to him."

"As for Xiao Jian, I will talk to him carefully. I hope he doesn't hate me as a father."

Xiao Yuanshan said!

"Your Majesty, I hope you can think twice. How many dynasties have fallen because of the prince's fight for the throne. If the second prince is allowed to return to the city at this time, and the second prince is dissatisfied by then, it will cause us to be trapped internally and externally."

"With the Demon-Sealing Alliance outside and the second prince inside, I'm afraid the eldest prince won't be able to control the situation at all..."

Yu Wenqiang can be the prime minister, but he still has his own merits!

The things he was considering did affect the safety of Xiao Dynasty!

"Don't worry, if Xiao Jian has the intention to rebel, I will kill him myself."

"This time when we fight with the Demon Sealing Alliance, you have to help Feng'er more. He has been crazy for so many years, and I have to rely on this battle to establish his prestige."

Xiao Yuanshan happily declared war with the Demon Sealing Alliance because of this consideration, not entirely because of Chen Ping!

“Don’t worry, Your Majesty. As long as I’m here, nothing will happen to the eldest prince.”

Yu Wenqiang quickly expressed his stance!

“That’s good!” Xiao Yuanshan smiled slightly and left!

Yu Wenqiang became busy. The entire Xiao Dynasty had dozens of cities. He didn’t even know how many monks in the entire Xiao Dynasty were at level eight or above of the Tribulation Realm!

Chen Ping on the other side, after following Xiao Feng around, returned to the room. At this time, the room was filled with various cultivation resources!

It’s just that Chen Ping is not in the mood to practice. He doesn’t know the strength of Xiao Dynasty, let alone the strength of Demon Sealing Alliance!

Chapter: 7377

If the Xiao Dynasty ended up with mountains and rivers shattered and all lives lost because of him, Chen Ping would definitely not be able to bear it!

After much thought, Chen Ping decided to leave Xiao Dynasty!

However, he did not take Ji Yun with him, but asked Ji Yun to stay in Xiao Dynasty for the time being!

After all, Xiao Dynasty’s training resources are sufficient, allowing Ji Yun to concentrate on training!

Chen Ping has no burden on himself. It will be easier to avoid the pursuit of the Demon Sealing Alliance when the time comes!

Chen Ping left Xiao Dynasty without telling Xiao Feng because he knew Xiao Feng would never let him leave!

But just when Chen Ping left Xiao Dynasty, Sect Leader Zhou, Tiansha and Tianluo discovered him!

The three people did not leave, they were always guarding outside Xiao Huangchao!

“Sect Master, what does Chen Ping mean? He dares to leave the Xiao Dynasty alone at this time. Is he looking for death?”

Tianluo asked very puzzledly!

Sect Leader Zhou also frowned slightly and said very puzzledly: “I don’t know what this guy is going to do? Is it intentional to let us attack him?”

“Sect Master, what did Chen Ping deliberately lead us to do? He certainly can’t be our opponent?”

Tiansha also asked in confusion!

“It goes without saying that there must be people from the Xiao Dynasty hiding behind this guy. As soon as we take action, the people from the Xiao Dynasty will also take action against us.”

Tianluo explained!

“It’s possible. Let’s not touch him for now and follow him!”

Sect Leader Zhou didn’t know what kind of medicine Chen Ping was selling in his gourd, so he didn’t dare to act rashly. He could only follow Chen Ping cautiously to see what he was going to do!

Just when Clan Master Zhou and the others were about to follow Chen Ping, suddenly there was a tremor in the air, and then two old men appeared beside Clan Master Zhou and the others!

Seeing the visitor, Sect Leader Zhou had a bit of displeasure on his face, but he didn’t show it!

“Old Zhou, the alliance leader was afraid that you wouldn’t be able to handle it, so he asked the two of us to come over.”

An old man wearing a black robe and long eyebrows said!

“Old Cao, he’s just a seventh-level guy in the Tribulation Realm. Why can’t I handle him?”

Sect Master Zhou said with some dissatisfaction!

“Old Zhou, if you could handle it, you wouldn’t have watched Chen Ping escape. You would have only dared to follow behind.”

Chapter: 7378

“A dignified fourth-level monk in the Mahayana Realm, but he is afraid of a guy in the seventh-level Tribulation Realm. It seems that the leader of the alliance was right to send us here.”

Another old man said with a sarcastic face!

“Old Sun, stop making sarcastic remarks. If you have the ability, catch Chen Ping.”

Sect Leader Zhou snorted coldly!

They are all at the fourth level of the Mahayana Realm, and they all work as servants in the Demon-Sealing Alliance, so it is normal for them to dislike each other or to compete with each other!

The world of gods and humans is also very complicated...

“Okay, then I’ll catch Chen Ping for you and take a look...”

Lao Sun stepped forward, then grabbed his hand, and waves of ripples appeared in the void in front of him!

Chen Ping, who was leaving, now felt the danger behind him and became vigilant!

Holding the dragon-slaying sword in his hand, a sword light broke through the rippling void.

Lao Sun snorted coldly, turned his right hand and said: “Get back...”

boom!

In an instant, a palm like a mountain grabbed Chen Ping, and then with a squeeze of five fingers, Chen Ping’s whole body was grabbed by this huge palm!

Bang!

Chen Ping suddenly slashed out with his sword, and the sword light instantly struck the palm, and a deafening loud noise broke out, directly cutting the palm into pieces!

And Chen Ping himself instantly retreated several miles away. At this moment, blood slowly overflowed from the corners of Chen Ping's mouth, and the Dragon-Slaying Sword in his hand was trembling slightly!

As a fourth-level Mahayana monk, Chen Ping suddenly resisted, which was indeed a bit difficult!

Looking at the old Sun, Chen Ping's eyes felt heavy.

Because he noticed that the opponent was at the fourth level of the Mahayana Realm, and there were more than one person. In this case, Chen Ping was afraid that he would not be able to defeat the opponent at all!

But just when Chen Ping was about to look for an opportunity to escape, he found that his escape route had been blocked!

There were people in all directions. Chen Ping frowned and had to make other plans!

"Since you can't escape, then do it..."

Chen Ping gritted his teeth, and a strong fighting spirit burst out in his eyes. As the fighting spirit in Chen Ping's body continued to rise, the invincible sword intent in his body also began to surge, and the dragon-slaying sword in his hand made a buzzing sound. Ringing throughout the sky!

Lao Sun looked at Chen Ping and said with some surprise: "Sure enough, you are different from the ordinary seventh-level monks in the Tribulation Realm. The sword you just chopped off my giant palm shows that your strength has completely reached the Mahayana Realm."

"Stop talking nonsense and see how I deal with you today!"

When Chen Ping faced Old Sun, who was in the fourth level of the Mahayana Realm, he did not give in. Instead, he wiped a handful of blood and headed towards Old Sun!

Chapter: 7379

Although Chen Ping is no match for these people, let alone several of them!

But Chen Ping knew that he still had a killer move!

Sky-swallowing beast, small fire unicorn, god king's bow, dragon pattern bell...

There is also the Scarlet Cloud Demon Lord in his sea of consciousness. These are Chen Ping's killer moves!

Rumble.....

All the power in Chen Ping's body began to sweep from the inside out.

At this moment, Chen Ping's aura began to surge wildly!

Facing a fourth-level Mahayana monk, Chen Ping did not dare to have any contempt, not to mention that there was more than one of them!

When the aura in Chen Ping's body surged to a terrifying level, even the void around him began to distort!

The old Sun looked at Chen Ping and frowned slightly: "This can't be the aura that can be emitted by the seventh level of the Tribulation Realm. This boy really has something."

After saying that, Lao Sun took a step forward, then raised his hand and pressed!

There is nearly a huge gap in realms. Even if Chen Ping appears to be terrifying, Lao Sun will not be afraid!

boom!

Suddenly, the void above Chen Ping's head opened, and a huge palm slapped him down!

This palm almost caused the twisted void to collapse!

Facing the terrifying palm, Chen Ping's eyes flashed with a stern look, and he swung out the Dragon-Slaying Sword in his hand, and countless sword intent shot through the sword light and shot up into the sky!

The sword light collided with that terrifying palm, and instantly tore that palm into pieces!

Chen Ping was slightly stunned. He didn't expect that a blow from a fourth-level Mahayana realm could be broken so easily. Isn't this supposed to be the case?

But just when Chen Ping was stunned, a feeling of danger suddenly came over him. Then Chen Ping's pupils shrank, and a figure instantly appeared in front of him!

Then a punch came towards Chen Ping's face. This punch did not have any tricks in words, but only the simple power of the avenue!

Chen Ping's eyes narrowed and he did not retreat, because he knew that even if he retreated at this time, he would not be able to avoid it at all and could only fight head-on!

When we meet on a narrow road, the brave wins...

The dragon-slaying sword in Chen Ping's hand stabbed out with one strike!

Bang!

Chapter: 7380

Chen Ping felt his body light up and was directly knocked away by a huge force.

But while his body was flying backwards, the dragon-slaying sword in Chen Ping's hand swung out countless sword flowers, blocking all roads!

Lao Sun ignored the sword flower swung by Chen Ping and rushed towards Chen Ping again!

Bang bang bang.....

The sword flowers hit the old sun one after another, but they didn't cause any harm to him, and they couldn't stop the old sun's figure at all!

Seeing Old Sun in front of him, the sword intent in Chen Ping's body surged, and the Dragon-Slaying Sword let out a dragon roar and stabbed straight into Old Sun's chest!

But the old Sun refused to dodge and allowed the Dragon-Slaying Sword to pierce his body!

clang!

Old Sun's body trembled slightly, and then a terrifying aura shook. However, the Dragon-Slaying Sword was only a few inches away from Old Sun's chest, but it could no longer move any further!

Chen Ping frowned, and the power in his body exploded again. The dragon-slaying sword in his hand continued to use force, which could prevent it from piercing into the old sun's body. This made Chen Ping's face look very ugly!

"You can't hurt me..."

Lao Sun sneered, and then punched the dragon-slaying sword in Chen Ping's hand!

Seeing this, Chen Ping hurriedly sheathed his sword and retreated. The Dragon-Slaying Sword was still flawed, and the Sword Spirit Zhongli had not recovered. If this old Sun destroyed the Dragon-Slaying Sword, the Sword Spirit Zhongli would disappear forever. !

Chen Ping couldn't let the Dragon-Slaying Sword be damaged, so he could only retreat with the sword and follow the old Sun to distance himself!

Chen Ping looked at Old Sun in front of him and couldn't help but frown deeply. This guy has always been very strong, and his body is also very strong. It seems that this guy's body has been tempered many times!

"I want to see if your physical body is stronger or mine..."

Chen Ping actually put away the Dragon-Slaying Sword and activated the Indestructible Golden Body!

Golden scales began to cover Chen Ping's body, like a golden armor!

When Lao Sun saw that Chen Ping had put away the Dragon-Slaying Sword and wanted to compete with him physically, he couldn't help but sneered and said: "Boy, I have to resist with my body to survive the tribulation. You are like Guan Gong when you compare your body with me." Playing with a big knife in front of you..."

Lao Sun's face was full of disdain, and then he took a step forward, and the whole earth trembled!

"Meteor Fist..."

Lao Sun then punched out again, but this punch brought countless fist shadows. Each fist shadow was like a meteor heading straight towards Chen Ping!

When Chen Ping saw this, he gritted his teeth and dug his feet deeply into the ground!

boom!
