

The Order 7381

Chapter: 7381

A series of meteor-like fists hit Chen Ping's body. Chen Ping's body retreated quickly, leaving two deep ravines on the ground!

But at this moment, Lao Sun suddenly disappeared, and the skill appeared in front of Chen Ping in the blink of an eye!

He punched out again, this punch was like thunder, and a black hole was punched out in the void!

There was no fear in Chen Ping's eyes, only a strong will to fight!

"Holy Light Fist..."

Chen Ping clenched his right fist, burst out a golden light, and then swung it out!

Bang!

This punch was thrown out, and the two fists collided, causing a storm in an instant. The turbulence that appeared in the void, although it only passed by briefly, the entire void continued to tremble!

Lao Sun's body retreated rapidly and stopped after retreating hundreds of meters. Chen Ping flew backwards and hit the ground heavily, creating a deep pit of tens of meters!

Lao Sun frowned slightly, and the contempt for Chen Ping in his eyes became less!

Sect Leader Zhou, Lao Cao and others had been blocking Chen Ping's escape route. When they saw this scene, their faces were full of shock!

Especially Tianluo and Tiansha. Although they are at the second level of the Mahayana realm, looking at the battle just now, if the two of them had faced Chen Ping with that punch, they would have definitely been knocked away!

Chen Ping took a deep breath and flew out of the pit of tens of meters. Although he had an indestructible golden body and the Holy Light Fist, the gap in this realm was really too big. Even if Chen Ping was a golden dragon My real body is extremely talented, but I still feel the gap at this moment!

Chen Ping moved his painful body, and every joint felt like it had been smashed!

If he didn't have this indestructible golden body and the physical body tempering that he could do, Chen Ping might have turned into a pulp with that punch just now!

Fourth level of Mahayana realm!

Really awesome!

Although I can leapfrog and fight, there is a limit after all!

Chen Ping stared at the old Sun, his eyes becoming more and more solemn!

He didn't know if he should reveal some of his trump cards!

At this moment, Lao Sun's face also became serious. From the joking at the beginning to the seriousness now, Chen Ping used his own strength to make the enemy look at him squarely!

“This child must not be kept, otherwise it will definitely be a serious problem for the Demon Sealing Alliance.”

Lao Sun narrowed his eyes, then took a step forward, and his body disappeared in an instant!

When Chen Ping saw this, a strange power suddenly burst out in his body!

Chapter: 7382

In the distance, Old Sun's body was like lightning, heading straight for Chen Ping. The speed was so fast that he almost broke the constraints of time and space!

At such a speed, it would be difficult for even a fourth-level Mahayana realm to avoid and block him!

Chen Ping's eyes widened and he looked straight at the old Sun. He didn't know what he was thinking. Suddenly, a light flashed across the void!

A strange force shrouded the void for dozens of miles in radius!

Lao Sun's lightning-like body suddenly felt imprisoned, and his movements became slower!

The speed that was originally invisible to the naked eye can now be seen clearly!

Lao Sun frowned and looked at Chen Ping in disbelief!

But Chen Ping had already hid aside at this time, and Lao Sun's body passed by Chen Ping!

This blow was actually dodged by Chen Ping!

"Boy, what did you just do?"

Lao Sun asked Chen Ping very puzzledly!

Chen Ping grinned and said with great disdain: "I didn't do anything, it's just that your speed is too slow, so slow that I almost fell asleep."

"you....."

Lao Sun was furious and rushed towards Chen Ping again!

This time, Lao Sun's body actually broke through the void, as if he was in front of Chen Ping in a flash!

But just when Lao Sun was about to punch Chen Ping, a strange force suddenly swept through him again, wrapping around his body and slowing down his movements!

He looked at Chen Ping helplessly and dodged away from him with a sarcastic expression!

"Fuck, I don't believe it anymore..."

Lao Sun is going to be pissed off!

Without any pause, he turned around and punched again, and figures appeared one after another. The old Sun turned into countless figures and surrounded Chen Ping!

No matter where Chen Ping hid, he seemed to be enveloped by Old Sun's fist!

Seeing this, Chen Ping wiped the blood from the corner of his mouth, and the strange power in his body exploded again. Then he advanced instead of retreating, and actually passed by Old Sun again!

Among the countless figures, Chen Ping found a flaw and easily dodged it!

Although he escaped Lao Sun's attack, Chen Ping's face also turned pale!

Chapter: 7383

What Chen Ping just used was the source of time, which can control time within a certain range. However, the loss of the time source is too great, and Chen Ping cannot use it continuously!

"Old Sun, this kid has controlled the origin of time, you have to be careful..."

At this time, Lao Cao shouted and reminded Lao Sun!

"The origin of time?"

Old Sun looked surprised and looked at Chen Ping in disbelief: "You...you are a seventh-level monk in the Tribulation Realm, how can you control the origin of time? It's simply incredible!"

Lao Sun couldn't believe that a young monk in the Tribulation Realm could control the origin of time!

You must know that Mahayana monks may not be able to control the origin of time, but Chen Ping is just a Tribulation Realm master!

Just now, Chen Ping used the power of the origin of time three times in a row, which is simply incredible!

"There are so many unbelievable things, and I still have many methods that are useless, otherwise you would have been a corpse long ago."

Chen Ping pretended to be relaxed and said!

In fact, Chen Ping was just scaring Old Sun. Now he can't use the power of the origin of time. It would be best if he could scare this guy away!

Even if he is not scared away, it still makes the old Sun fearful. In this way, Chen Ping can have a psychological advantage during the battle!

"Humph, who are you trying to scare? Even if you have the origin of time, I can easily catch you if I kill you!"

Lao Sun was not fooled at all and turned into a stream of light again and disappeared from the place!

Seeing this, Chen Ping did not dare to have any illusions. The Dragon-Slaying Sword was sacrificed again. As the dragon crystal on his chest flickered, a golden light burst out behind Chen Ping, and then a golden dragon slowly appeared!

Chen Ping slashed out with his sword. Golden dragons surrounded the sword and made bursts of dragon roars!

Even the green dragon crystal on Chen Ping's body actually emitted a bloody light, and a green dragon phantom hovered above Chen Ping's head!

Seeing this scene, Sect Leader Zhou and others were immediately stunned!

"What's going on? How could this kid burst out with two dragon auras?"

"Damn it, even if this kid is of dragon blood, it's impossible for him to burst into two kinds of dragon energy?"

Sect Master Zhou and Lao Cao were all shocked!

"Could it be that Chen Ping was born from the mating of a golden dragon and a green dragon?"

Tianluo explained in surprise!

As soon as Tian Luo finished speaking, three idiotic eyes looked at him!

Sect Master Zhou, Lao Cao and Tiansha!

The three of them looked at Tianluo as if they were looking at Shabi.

Tian Luo felt the look in the eyes of the three people and felt embarrassed, so he could only lower his head!

"If you don't need your brain, just donate it. How can you say such ignorant things?"

Sect Master Zhou reprimanded Tian Luo!

Chapter: 7384

Rumble...

Chen Ping slashed down with his sword, and the old Sun was instantly blown away a thousand meters away, and Chen Ping was also knocked upside down!

Seeing this scene, Sect Master Zhou's face became extremely ugly. He did not expect that Chen Ping's strength was so terrifying. You must know that although Old Sun is also a fourth-level Mahayana realm, he is the strongest among them!

And Chen Ping was just in the Tribulation Realm, but he was able to fight with Lao Sun for so long without suffering any big losses!

This is simply outrageous!

Sect Master Zhou was also a little lucky at the moment, glad that he did not blindly attack Chen Ping!

If Chen Ping takes care of this, how can he still mess around in the future?

After Old Sun was knocked back by Chen Ping's sword, he slowly lowered his head and glanced down. He discovered that there was a scar on his left chest. Although the scar was not very deep, a young monk of the seventh level of the Tribulation Realm was able to let it be outrageous enough that the sword hurt him!

At this time, Lao Sun was very angry. After all, there were still people around him watching. If he, a fourth-level monk in the Mahayana realm, couldn't deal with Chen Ping, a seventh-level master in the Tribulation Realm, what dignity would he have?

What's more, he just made fun of that Clan Leader Zhou, saying that Clan Master Zhou didn't dare to attack Chen Ping and was as timid as a mouse!

Now that he is like this, isn't this a slap in the face?

"Boy, I don't care who you are, I have to kill you today!"

Lao Sun clenched his fists, and a terrifying aura erupted from his body. The aura swept towards Chen Ping like a hurricane!

At the same time, Lao Sun's body was like arrow feathers, shooting towards Chen Ping.

But just as Old Sun moved, he suddenly stopped, then frowned and looked into the void in the distance!

Even Sect Leader Zhou and the others seemed to sense something and looked into the distance!

"The people from Xiao Dynasty are coming, no more ink!"

Sect Leader Zhou quickly reminded him!

Old Sun nodded, and then said: "Let's do it together, kill this kid, and divide the Demon Alliance's hundred-year tribute equally!"

After saying that, three fourth-level Mahayana realm monks and two second-level Mahayana realm monks attacked Chen Ping together!

Five Mahayana realms, compared with Chen Ping, a seventh-level monk in the Tribulation Realm. If this spreads out, I am afraid it will become the biggest joke in the world of gods and humans!

Streams of terrifying aura continued to spread in all directions, the entire void was distorted, the avenues roared, and the universe shook, as if the world was about to collapse!

Chen Ping frowned when he saw five people attacking him together!

“You are so fucking shameless...”

Chapter: 7385

Chen Ping could only curse at a few people!

But he knew that even if he scolded them, it would be of no use at all. These guys were all demon cultivators and had no moral ethics at all!

Chen Ping knew that he was definitely not low, but he couldn't sit still and wait for death!

Chen Ping instantly waved the dragon-slaying sword in his hand, blocking the direction of the five people's attack!

While wielding the Dragon-Slaying Sword, Chen Ping instantly used the Divine King Bow!

When the God King's bow was fully drawn, countless evil spirits from the surrounding Dao patterns began to condense into arrow feathers!

The five guys were all stunned when they saw this!

Before anyone could react, Chen Ping and his family drew their bows and shot out!

Rumble...

Accompanied by a series of shocking sounds, Chen Ping's whole body was instantly blown away. Even if Chen Ping took out the God King Bow, it would be impossible to block the attacks of five Mahayana monks!

I saw that the indestructible golden body on Chen Ping's body was broken inch by inch, and then turned into golden light and disappeared. Even his physical body had blood splattering out!

However, Chen Ping was already determined to die. Even if he died, he would have someone to support him!

So the act of drawing the bow and setting the arrow just now almost exhausted the evil spirit of the Dao pattern in Chen Ping's body.

Chen Ping wants to die together!

The terror of the Divine King's Bow also shocked the five people of Sect Master Zhou.

They never imagined that Chen Ping would have such a unique magic weapon as the God King Bow!

Lao Sun looked at his arm. From the wrist, one hand was chopped off.

Several other people were also injured by the arrows shot by the God King's bow!

Five people joined forces and failed to kill Chen Ping. Chen Ping was even injured in return.

“God King’s Bow, how come this guy has a God King’s Bow in his hand?”

Lao Sun looked at his broken arm and asked in disbelief!

Everyone else also stared at the Divine King Bow in Chen Ping’s hand, and couldn’t help but frown. After all, the Divine King Bow is famous in the world of gods and humans!

They couldn’t figure out how the God King’s Bow appeared in the hands of Chen Ping, a young monk in the Tribulation Realm!

“I really underestimated this kid. It seems that there must be some power behind this kid!”

Chapter: 7386

Lao Cao whispered!

Sect Leader Zhou didn’t speak, but kept pinching his fingers, as if he was calculating something!

After a while, Sect Master Zhou’s face became extremely ugly, and then he looked at Tianluo and Tiansha calmly and said: “Don’t rush away in a hurry, just run behind me...”

“Sect Master, even if Chen Ping has the God King’s Bow, he is only in the Tribulation Realm. If we work together, we can definitely kill him.”

“Why are you still thinking about running away? How embarrassing...”

Tianluo said very puzzled!

With so many of them, how could they be afraid of Chen Ping, a young monk in the Tribulation Realm!

“Pa...” Sect Master Zhou slapped Tian Luo directly!

“You know nothing, I’ve figured it out, there’s someone behind this kid, you can’t afford to offend him.”

“You can run away or not in a while, but if you die, just don’t blame me!”

Sect Master Zhou gave Tian Luo a slap in the face and said!

When Tianluo saw this, he didn’t dare to speak anymore!

“Old Zhou, you don’t have any other skills, but you are quite good at beating up disciples.”

Lao Cao said to Sect Leader Zhou!

Sect Leader Zhou didn’t pay attention to him, but looked around, thinking about how to run away!

“Okay, Bi said, let’s go together and kill this kid. He must have a lot of good things in him.”

Lao Sun said with an ugly face!

I am a dignified fourth-level Mahayana realm, but a young monk in the Tribulation Realm had his hands chopped off. This is so embarrassing!

“Okay, let’s go together...”

Lao Cao nodded!

“kill.....”

Lao Sun roared and rushed towards Chen Ping!

Lao Cao followed closely behind.

“Run...” Sect Master Zhou shouted and ran away with Tian Luo and Tian Sha!

Chapter: 7387

Lao Sun and Lao Cao were stunned, stopped and stared blankly at Sect Leader Zhou and the three of them!

The three people ran faster than rabbits and disappeared in the blink of an eye!

“grass.....”

Lao Sun cursed: “What are they doing?”

“Isn’t Old Zhou too cowardly to be scared away by a young monk in the Tribulation Realm?”

Lao Cao was also puzzled!

“This guy is greedy for life and afraid of death. When I get back, I will definitely report to the alliance leader and punish this guy.”

Old Sun’s face was full of anger, and then he continued: “Old Cao, the two of us can also kill Chen Ping, just in time to divide his belongings equally, and still get a hundred years of worship.”

“Can the two of us do it?”

When Lao Cao saw Sect Master Zhou running away with his disciples, his heart began to beat loudly!

Lao Sun frowned and said: “Why not? We two of the fourth level of the Mahayana realm can’t deal with Chen Ping? Don’t hesitate. If the people from the Xiao Dynasty come, we will be passive.”

Lao Cao looked at the Divine King’s Bow in Chen Ping’s hand, and gritted his teeth one last time and said: “We agreed, kill Chen Ping, I want the Divine King’s Bow...”

Lao Sun could only nod helplessly and said: “Okay, as long as you kill Chen Ping, you can choose whatever you want!”

“Let’s do it...”

When Lao Cao heard this, he immediately became energetic!

The two people turned into a stream of light and headed straight for Chen Ping!

Even if Old Sun lost one of his hands, his strength would not be affected at all!

Seeing this, Chen Ping took a deep breath and put away the God King's bow. The blow just now had almost consumed all his Dao Mark evil energy!

Holding the Dragon-Slaying Sword tightly with both hands, Chen Ping planned to deliver the final blow!

After this blow, no matter what the result is, Demon Lord Chiyun will take over!

"Boy, if you ask me to take over when you are about to die, I don't dare. When the time comes, if I explode a little, your whole body will be completely destroyed."

Demon Lord Chiyun knew what Chen Ping was thinking, so he said it in advance!

But at this time, Chen Ping had no way out, and the two people were immediately in front of him!

"Ten thousand swords return to the clan..."

Chapter: 7388

Chen Ping cuts it off with one sword!

He used the secret skill of Wanjian Sect, Wanjian Guizong!

I saw this sword slashing down, and a gap was instantly torn in the void. The powerful force made the world tremble!

Even the monks who were hundreds of miles apart were looking at this place with horrified expressions on their faces!

Between heaven and earth, countless sword lights descended from the sky, heading towards Lao Sun and Lao Cao from all directions!

Chen Ping's body kept retreating in the sword light, and Lao Sun and Lao Cao were also forced back by the sword light, and shields continued to erupt to resist the sword light!

But even so, there were more than a dozen wounds, large and small, on their bodies. Although none of them were fatal, it was outrageous that a seventh-level monk in the Tribulation Realm injured two fourth-level monks in the Mahayana Realm. Got it!

At this time, Chen Ping's body was extremely weak. The sword strike just now consumed almost all the power in his body!

I saw him holding his sword on the ground, and blood was constantly flowing out of his body!

If it weren't for Chen Ping's physical strength, that sword blow just now would probably have backfired on Chen Ping himself!

Chen Ping couldn't even think about injuring two fourth-level Mahayana monks with one sword!

He only achieved this step by relying on the belief that we would die together in the end and bursting out the last strength in his body!

Although two people were injured, it was not fatal at all!

But the backlash Chen Ping suffered almost made him fall into a coma!

With the condition of his body, even if it was controlled by Demon Lord Chiyun, it would be useless!

Demon Lord Chiyun exerts just a little force, and this body will be destroyed!

“This kid is finished. Now if we just take a breath, he will probably be dead.”

When Lao Cao saw Chen Ping’s situation, he smiled coldly and said!

“Yes, this kid is at the end of his strength, but he can block our two attacks and hurt us, which is enough for him to brag about outside.”

After Lao Sun finished speaking, he slowly walked towards Chen Ping!

In their eyes, Chen Ping has become a lamb to be slaughtered!

“Boy, run...”

Demon Lord Chiyun saw this and said to Chen Ping!

Chen Ping suddenly smiled: "Run? You can't run away..."

Chen Ping knew that he couldn't escape today!

Chen Ping threw away the Dragon-Slaying Sword in his hand and slowly sat down cross-legged!

As Chen Ping sat down, three terrifying auras were constantly flowing in Chen Ping's body!

The power of the three clans slowly wrapped around Chen Ping's body, and then condensed into a long sword!

At the same time, Chen Ping's body burned with flames, and the colorful fireworks looked particularly beautiful!

The sky became dark, and stars appeared above Chen Ping's head. Some stars were dim, and some stars were bright!

Among those stars, there are all kinds of auras, which are constantly condensing into the long sword!

Chen Ping's expression turned extremely ugly, as ferocious as a ghost!

The soul in the body is melting at a terrifying speed!

Chen Ping burned all his power and even lit up his original space!

He can die, but he must let the two people in front of him die with him!

Stars were twinkling in the sky, and the ground beneath my feet was flashing with streaks of white light, forming a huge Bagua pattern!

Heaven and earth echo each other, and terrifying power spreads between heaven and earth!

Chapter: 7389

When Lao Sun and Lao Cao saw this, they were dumbfounded!

They had never seen such a scene before, it was like the end of the world!

“What are the stars in the sky and the shapes on the ground?”

“What exactly does this guy contain? The condensed sword seems to have the power of the human race, the demon race and the beast race. Is it the power of the three races?”

“And that flame, there is actually the aura of demonic fire in it. There are probably many kinds of flames. Could it be that they were all cultivated by this guy?”

Lao Cao's eyes widened and he looked in disbelief!

After the words fell, his body was like a cannonball, retreating quickly without any hesitation!

When Lao Sun saw this, he quickly retreated!

None of them are looking down upon Chen Ping, a seventh-level monk in the Tribulation Realm!

Especially Lao Cao, cursing in his heart, he might as well have run away with Sect Master Zhou just now!

Who knows that this Chen Ping, who is only in the seventh level of the Tribulation Realm, can burst out with these unimaginable powers!

Buzz!

Suddenly, the world seemed to be reset and restored to its original state in an instant!

The stars are gone, and so is the Bagua graphic on the ground!

Chen Ping spit out a mouthful of blood and slowly fell down!

He could feel his life passing by rapidly!

Chen Ping's eyes began to become blurry, and the past kept flashing through his mind!

But just when Chen Ping's eyes slowly closed and the soul in his body began to leave his body, a white light appeared!

The white light seemed to flash suddenly, and after the white light flashed, a middle-aged man appeared in front of Chen Ping!

One hand gently lifted Chen Ping!

As the soft light enveloped Chen Ping's body, the soul that had left his body returned to Chen Ping's body!

Lao Cao and Lao Sun stared blankly at the middle-aged man in front of them, both of them were dumbfounded!

Because they didn't realize how this person appeared, it was like he suddenly appeared in front of them out of thin air!

You must know that they are fourth-level Mahayana monks. No matter how fast they are, they can still see the clues.

Chapter: 7390

But the middle-aged man in front of him couldn't figure out how he appeared!

"Who are you?" Lao Sun asked the middle-aged man!

The middle-aged man stroked Chen Ping's messy hair, then looked at Lao Sun and Lao Cao and said, "You don't deserve to know who I am!"

"Damn, you're pretty cool..."

When Old Sun heard this, he immediately frowned, and then a terrifying aura swept towards the middle-aged man like a mountain torrent!

The middle-aged man remained motionless, but the terrifying aura disappeared without a trace before it even got close!

Old Sun was stunned and looked at the middle-aged man in front of him in disbelief!

Lao Cao had already seen the strength of the middle-aged man at this moment, and said with an ugly face:
“Old Sun, let’s go...”

After saying that, Lao Cao jumped up and was about to leave!

But when Lao Cao just jumped up, he suddenly fell down instantly as if he was blocked by something!

When Lao Sun saw this, he also tried to move back, but he found that he could only take three steps back. After three steps, no matter how hard they tried, they couldn’t move at all!

At this time, both of them were frightened. You must know that the middle-aged man in front of them did not move from beginning to end, but they could not leave!

“Mr. Shi...”

At this moment, Chen Ping slowly opened his eyes and looked at the middle-aged man in front of him. Chen Ping laughed!

But just after calling out the three words Mr. Shi, I closed my eyes again!

Lao Cao and Lao Sun frowned, desperately thinking about who Mr. Shi was?

Mr. Shi put Chen Ping on the ground and then formally looked at Lao Sun and Lao Cao.

Mr. Shi’s face was expressionless, and his eyes did not contain any emotion!

But just at this glance, Lao Cao and Lao Sun felt their hearts tighten, and their souls escaped from their bodies in an instant!

His physical body fell heavily to the ground, and he was frightened to death!

The two people with only their souls left ran around in panic, but even if only their souls were left, they still couldn't escape from this area!

Mr. Shi opened his palm slightly, and the souls of the two people were instantly sucked in, and then they were caught in Mr. Shi's palm.

“Take your two souls to restore his strength!”

After Mr. Shi finished speaking, he gently rubbed it twice with one palm. The souls of Lao Cao and Lao Sun directly turned into a white light and were thrown into Chen Ping's body!
