

The Order 7391

Chapter: 7391

Two fourth-level Mahayana monks are not even ants in Mr. Shi's eyes!

At this time, even Demon Lord Chiyun in Chen Ping's sea of consciousness was hiding in the corner and shivering, fearing that Mr. Shi would find him!

Such an awesome person helped Chen Ping again and again. Demon Lord Chiyun didn't understand what kind of identity this Chen Ping was!

A dozen figures in the distance were approaching quickly, and soon Xiao Feng arrived with the masters of Xiao Dynasty!

When they saw Mr. Shi, Xiao Feng and the Xiao Dynasty masters were all slightly startled, and then their expressions changed drastically, as if they were facing a formidable enemy!

Although Mr. Shi did not show any murderous intent, nor did he leak any aura, the moment they saw Mr. Shi, everyone felt as if their heart had been violently tugged by something!

The masters of Xiao Dynasty blocked Xiao Feng behind them and looked at Mr. Shi warily!

"You came to pick him up?"

Mr. Shi asked Xiao Feng!

“Yes!” Xiao Feng pushed aside the people in front of him and walked towards Mr. Shi!

“He is your Xiao Dynasty’s great opportunity, seize it...”

After Mr. Shi finished speaking, he smiled slightly and disappeared!

It was as if there was no one here at all just now!

Xiao Feng and the masters of Xiao Dynasty were shocked by this!

Xiao Feng did not understand what Mr. Shi said. He did not understand what a great opportunity Chen Ping would have!

“Come here, take Mr. Chen back...”

Xiao Feng ordered people to take Chen Ping back!

Chen Ping was quickly brought back to Xiao Dynasty. When Ji Yun knew that Chen Ping was seriously injured, he immediately blamed himself!

He has been following Chen Ping, and now Chen Ping has secretly left, and he doesn’t even know!

Ji Yun could imagine that the Demon-Sealing Alliance must have been chasing after him recently, and Chen Ping didn’t want him to be implicated, so he left without saying goodbye!

Xiao Feng sent a lot of resources and then asked Ji Yun to take care of Chen Ping!

He mobilized his troops and generals to defend the imperial city!

Xiao Feng knew that the people from the Demon Sealing Alliance would be arriving soon!

The headquarters of the Demon Sealing Alliance.

Chapter: 7392

The news of the death of Lao Sun and Lao Cao has already spread!

Two fourth-level Mahayana monks died like this. This was indeed a bit shocking to everyone in the Demon-Sealing Alliance!

“Leader, the people from Xiao Dynasty will arrive soon, and there is no chance to kill Chen Ping.”

“I already told them to leave, but they didn’t listen at all. They wanted to get the God King Bow in Chen Ping’s hand.”

“In the end, I was surrounded and killed by people from the Xiao Dynasty. Fortunately, I reacted quickly and escaped back with my two disciples.”

Sect Master Zhou followed Zuo Tianzheng and talked about the situation of the day!

In fact, Sect Leader Zhou didn’t even know about the deaths of Lao Sun and Lao Cao. He only heard about them after returning to the Demon Sealing Alliance headquarters!

After hearing that Lao Sun and Lao Cao were dead, Sect Master Zhou was still thankful for a long time!

But he also knew that he had to report this half-truth and half-falsehood!

Otherwise, if he escapes privately, he will definitely be punished!

“Old Zhou, you must be greedy for life and afraid of death, so you asked for it back privately, which led to the tragic deaths of Lao Sun and Lao Cao.”

“You guy, you are not loyal to the Demon Sealing Alliance at all!”

Someone angrily accused Zhou Zongzhu!

“You fart, I am loyal to the Demon Sealing Alliance, otherwise I would not go to the Xiao Dynasty to declare war.”

“Why don’t you go if you have the ability? If you had gone, you might have died in the Xiao Dynasty long ago.”

Sect Master Zhou shouted angrily!

He will not admit that he is greedy for life and afraid of death, and is not loyal to the Demon Sealing Alliance!

“Okay...” Zuo Tianzheng waved his hand, and everyone shut their mouths instantly!

Although the death of two fourth-level Mahayana monks was indeed a loss to the Demon Sealing Alliance, it would not make Zuo Tianzheng angry!

“Elder Chu, how are you doing with your affairs?”

Zuo Tianzheng asked!

“Leader, it has been arranged. Xiao Jian and his people have already headed to the imperial city of Xiao Dynasty.”

“All the Mahayana realm masters in the Xiao Dynasty have been summoned into the imperial city with the intention of confronting our Demon Sealing Alliance.”

Elder Chu said!

Chapter: 7393

Zuo Tianzheng smiled slightly: “That’s good. If we catch all the masters in the Xiao Dynasty, the entire Xiao Dynasty will no longer be able to resist.”

After saying that, Zuo Tianzheng looked at Sect Master Zhou and said: “Sect Master Zhou, you have made great achievements in going to Xiao Dynasty this time, and you also know something about Xiao Dynasty, so I want you to lead people to attack Xiao Dynasty.”

“Everyone is at your disposal, but you must take down the Xiao Dynasty.”

When Sect Leader Zhou heard this, he was immediately stunned. He never expected that Zuo Tianzheng would give him such a big task!

“Leader, I...”

Sect Leader Zhou didn't want to stop such a big thing. He knew in his heart that the more things he interfered with, the faster he would die!

"I will ask Elder Chu to accompany him. He has already made arrangements. The Xiao Dynasty can be captured easily."

Zuo Tianzheng didn't wait for the Zhou sect leader to refuse, and said directly!

When Sect Master Zhou heard this, he could only nod helplessly and agreed!

The other people in the Demon-Sealing Alliance were all confused. They didn't understand why Zuo Tianzheng chose Clan Leader Zhou, a man who was greedy for life and fearful of death, to lead everyone!

But Zuo Tianzheng spoke, and no one dared to refute. This is the rule of the Demon Sealing Alliance!

After everyone dispersed, Sect Master Zhou started to sigh!

He knew that he simply couldn't bear such an important responsibility!

It seemed that Zuo Tian was determined to let him die!

"Sect Master, you are so awesome now that you can lead these guys from the Demon Sealing Alliance."

"Many of these guys look down on us, you just take the opportunity to punish them!"

Tian Luo excitedly walked to Sect Master Zhou and said!

Sect Master Zhou glared at Tianluo fiercely, wishing he could slap him to death!

This guy really has something wrong with his brain!

Seeing Sect Master Zhou's expression, Tian Luo was so frightened that he immediately stepped back!

Sect Master Zhou walked up to Elder Chu and said, "Elder Chu, please give me some advice on attacking the Xiao Dynasty."

"Sect Master Zhou, don't be nervous. The second prince of the Xiao Dynasty has been bribed by me. He is a member of our Demon Sealing Alliance. There is no need to be afraid at all!"

Elder Chu encouraged Sect Master Zhou!

"That's good, let's leave now!"

Sect Leader Zhou breathed a sigh of relief, and then ordered everyone in the Demon Sealing Alliance to set off!

The Demon Sealing Alliance dispatched hundreds of people, and there were nearly a hundred people in the Mahayana Realm alone!

It's just that these Mahayana realms are almost all demonic cultivators. Almost all the demonic cultivators trained by the Demon Sealing Alliance over the years have been mobilized!

Hundreds of people headed towards Xiao Dynasty in a mighty manner!

At this time, Xiao Feng also mobilized his troops. There were thousands of guards in the entire imperial city, and there were dozens of Mahayana masters summoned from all over!

“Prince, all the Mahayana masters summoned from various places have arrived. Only the people from Canglang City have not arrived yet.”

Yu Wenqiang whispered to Xiao Feng!

“Canglang City is just a small border town, and there probably aren’t many experts. Come or not!”

When Xiao Feng heard this, he waved his hand and said!

He had no idea that the person guarding Canglang City was his half-brother, and that there were dozens of Mahayana masters in Canglang City!

These are the forces that Xiao Jian has developed after guarding Canglang City for so many years!

At this moment, Xiao Jian is also rushing to the imperial city with the masters from Canglang City!

Chapter: 7394

“Report...”

“Prince, hundreds of monks from the Demon Sealing Alliance have arrived at the city gate, and our guards guarding the city gate have been killed.”

At this time, a guard hurriedly came to report!

“So fast?” Xiao Feng frowned, then looked at Yu Wenqiang and said, “Prime Minister Yu, what should we do?”

After all, this was the first time Xiao Feng encountered such a major matter, so he was a little undecided!

“Prince, order the city defense formation to be activated, and then have the entire imperial city activate the formation to prevent these people from the Demon Sealing Alliance from attacking too quickly!”

Yu Wenqiang said!

“Yes, follow Prime Minister Yu’s order immediately and activate the city protection formation!”

Xiao Feng ordered loudly!

Soon, the formation of the entire imperial city was slowly activated!

And Sect Master Zhou and Elder Chu led the people from the Demon Sealing Alliance, and after killing the guards guarding the city gate, they walked into the imperial city!

The moment they walked into the imperial city, those in the Demon Sealing Alliance were all shocked!

The imperial city of the Xiao Dynasty is indeed the largest city in the entire heaven and human world, with a radius of hundreds of miles, and countless buildings rising into the sky, luxurious and simple!

Especially the buildings in the city. Every building has formation runes shining brightly, exuding terrifying coercion. With so many buildings, if the formation protection is turned on at the same time, it goes without saying how strong they are!

“If we defeat the Xiao Dynasty this time, such a beautiful imperial city will be ours. It’s exciting to think about it.”

“I heard that the maids in the Xiao Dynasty are all as beautiful as gods. Wouldn’t it be wonderful to catch a double cultivator?”

“I can’t bear it any longer. Where are the people from the Xiao Dynasty? Why don’t any of them show up?”

Those in the Demon Sealing Alliance couldn’t wait any longer and wished they could defeat the Xiao Dynasty immediately and occupy the imperial city!

At this moment, the formations in the Imperial City were suddenly activated, and the entire Imperial City was enveloped, and the buildings in the Imperial City also started forming formations, making the people of the Demon Sealing Alliance step on even a single house. Not going in.

Looking at the formation that was suddenly activated, many people from the Demon Sealing Alliance were obviously panicked. Even Sect Master Zhou frowned slightly!

However, Elder Chu seemed to have expected it, and said calmly: “Break the formation...”

Elder Chu spoke a word, and dozens of white rays of light suddenly shot out from among the many monks of the Demon Sealing Alliance!

These rays of light shot straight into the sky, and after touching the formation on the imperial city, they dispersed like fireworks.

In just a few breaths, the formations on the imperial city disappeared, and even the formations around the surrounding buildings disappeared inexplicably!

Chapter: 7395

Seeing this scene, many monks from the Demon Sealing Alliance became excited!

However, those subjects of the Xiao Dynasty who were hiding began to feel a little uneasy in their hearts!

Hundreds of Demon Sealing Alliance monks emitted waves of black mist, and in just an instant, the entire imperial city was shrouded in black mist!

Xiao Feng and others looked at the suddenly darkened sky, everyone looked solemn!

Behind Xiao Feng, there are thousands of imperial city guards, and there are dozens of Mahayana realm guards!

Xiao Feng rides on a tall and ferocious liger, showing his domineering kingship!

Xiao Feng, who became the crown prince, was leading so many people in battle for the first time!

Although a little nervous, I was more excited. After all, this was the imperial city of the Xiao Dynasty, and they were playing at home!

In addition to the thousands of imperial city guards behind them, there are hundreds of thousands of subjects in the entire imperial city. These are also monks, not ordinary people!

It is simply impossible for a Demon Sealing Alliance to annex the Xiao Dynasty!

This is where Xiao Feng's confidence lies!

Yu Wenqiang's body was suspended on Xiao Feng's side, always protecting Xiao Feng!

In front of the many guards, three generals of the fourth level of the Mahayana Realm were wearing platinum battle armor, and their bodies were filled with precious light. Behind those guards, there were various magical weapons, including more than a dozen spiritual beasts. Bursts of roars!

This aura is extremely powerful, and at a glance, if it was the casual cultivator, he probably wouldn't need to be beaten, and he would be scared to death!

This is also the family background of the Xiao Dynasty. To be able to stand in a place like the Heaven and Human Realm for so many years and control a large area of the entire Western Region is simply impossible without real strength!

Soon, everyone from the Demon Sealing Alliance and the guards like Xiao Huangchao appeared in each other's sight!

At this moment, everyone stopped, the world seemed to be frozen, the war clouds were thick, and the fighting spirit was full!

No one on either side took action, but the terrifying pressure had already made it difficult for many low-level monks to resist!

Just as the two sides were tit for tat, inside the headquarters of the Demon Sealing Alliance!

Zuo Tianzheng stood respectfully in a small room, with a huge black hole spinning in front of him!

As the black hole rotated faster and faster, a force that was enough to shock the soul slowly emerged from the black hole!

Feeling this power, Zuo Tianzheng's expression changed slightly, and then he knelt on his knees and prostrated on the ground and said: "Zuo Tianzheng of the Demon Sealing Alliance, welcome to His Highness the Tenth Prince!"

As Zuo Tianzheng's voice sounded, the black hole suddenly stopped rotating, and a figure slowly walked out of the black hole!

After the figure walked out, the black hole slowly disappeared. Zuo Tianzheng was still lying on the ground and did not dare to raise his head!

Chapter: 7396

"Get up..."

The visitor said to Zuo Tianzheng.

This voice turned out to be that of a child, and it sounded like a teenager.

Zuo Tianzheng's body trembled slightly, and then he slowly stood up. When he saw a teenage child in front of him, with a childish face and a lollipop in his hand, his expression became a little confused. Get overwhelmed!

He had no idea that this Tenth Highness would actually be a teenager, with a look of innocence in his eyes!

However, Zuo Tianzheng was confused in his heart, but he did not dare to show any signs of it, because he knew that even a child was not someone he could despise!

"My father told me to come over and help you. The Xiao Dynasty is not something you can deal with."

His Royal Highness held the lollipop in his mouth and said angrily!

“Your Highness, I have sent people to the Xiao Dynasty and instigated the rebellion of the second prince of the Xiao Dynasty, so there will be no surprises in taking down the Xiao Dynasty this time.”

Zuo Tianzheng said!

“Huh, ignorant...” His Highness the Tenth Prince snorted coldly, his eyes full of contempt!

Zuo Tianzheng, the leader of the Demon-Sealing Alliance, looked like shit in the eyes of this child!

Zuo Tianzheng broke into cold sweat for a moment.

Because he felt the threat of death from that contemptuous look!

His Highness the Tenth Prince stepped out of the room, Zuo Tian was following cautiously behind him!

Arriving at the main hall of the Demon Sealing Alliance headquarters, His Royal Highness sat on the main seat, with Zuo Tian standing beside him!

The entire hall was empty, His Highness Tenth was still eating a lollipop and waved it casually!

In the middle of the hall, a white light flashed, and a picture appeared instantly!

In this scene, it turned out to be the scene of Xiao Feng leading people to confront many monks from the Demon Sealing Alliance in the imperial city of Xiao Dynasty.

Seeing this scene, Zuo Tianzheng's expression tightened, and his fear of His Highness became even more intense!

At the same time, deep in the Huo Fen Sect, Wen Haotian suddenly opened his eyes. Although his face was still very pale, there was a bit of surprise in his eyes.

"They finally appeared..." After Wen Haotian finished speaking, he closed his eyes again!

Mr. Shi, who was in the deep mountain mansion, was also staring at the northern land: "Here he is, he is here after all."

At the same time, all the many people in the heaven who were trapped in the heaven and human world seemed to sense something at the same time!

Chapter: 7397

They are all staring in the same direction, with different expressions on their faces!

"Brother, I didn't expect them to still exist." said the Array Demon!

"They never disappeared, we just don't want to admit it!"

The ancestor of Shenwen sighed softly, as if he had an indescribable feeling in his heart!

In the imperial city of Xiao Dynasty!

The two sides have been confronting each other for a long time, and no one made the first move!

“Anyone who dares to offend me, Xiao Dynasty, will be killed...”

Xiao Feng couldn't sit still anymore and raised his arms!

“kill.....”

Along with the loud killing sounds, countless terrifying auras erupted from the Xiao Dynasty!

boom!

These auras crush thousands of armies, which is simply terrifying!

The violent aura exploded and crushed it with overwhelming force!

Upon seeing this, many monks from the Demon-Sealing Alliance burst out with aura, and barriers appeared to block the attacks of Xiao Dynasty's guards!

“kill.....”

Many monks from the Demon-Sealing Alliance also roared, the sound was like thunder, and everyone unleashed their strongest combat power!

The melee has begun!

Boom boom boom.....

The powerful aura is raging, and in this level of melee, every blow can cause the color of the world to change and take away the life of a monk!

Various buildings in the imperial city were reduced to ashes, and the entire imperial city turned into ruins in an instant!

Among the hundreds of thousands of subjects, those monks who could withstand the pressure of the battlefield spontaneously joined the battle!

They know that if the Xiao Dynasty falls, their peaceful and free life will no longer exist!

Ji Yun was protecting Chen Ping at the moment, looking very nervous, because he didn't know when this terrifying scene would stop!

He could only use his own strength to build a shield and protect Chen Ping's safety!

Chapter: 7398

Chen Ping is extremely weak now. If he is attacked, he will definitely be wiped out!

At this time, Xiao Yuanshan, who was sitting in a secret room, seemed to be turning a deaf ear to the fighting outside. He seemed not to care at all about the dead subjects and guards!

At the same time, at the headquarters of the Demon-Sealing Alliance, Zuo Tianzheng, who was watching the melee, gradually had a smile on his face, because the Demon-Sealing Alliance was gaining the upper hand at the moment!

If this situation develops first, the Xiao Dynasty will be destroyed. You must know that they have a back-up, and that is the second prince of the Xiao Dynasty!

If Xiao Jian and others arrive at this time, the balance of victory will be even more tilted to their side!

“Your Highness Tenth, after today, the Xiao Dynasty will also become a force of our Demon Sealing Alliance.”

Zuo Tianzheng said to His Highness the Tenth Prince in a somewhat arrogant tone!

But who would have thought that His Highness the Tenth Prince smiled coldly: “Do you have any lollipops? Go and find some for me!”

Zuo Tianzheng was stunned, but he didn’t dare to say anything, so he could only go find the lollipop 1

At this time, the melee in the imperial city is gradually coming to an end. You must know that the duel between masters is just one move after another!

When the fighting completely stopped, both sides suffered casualties. However, most of the thousands of guards on Xiao Dynasty’s side were killed or injured. Even the Mahayana monks lost more than thirty!

You must know that Mahayana masters are the mainstay of the Xiao Dynasty, and every one of them is extremely precious!

At this moment, when Xiao Feng looked at the scene in front of him, his expression turned extremely ugly!

Is this battle going to destroy all the years of accumulation of the Xiao Dynasty?

How could he follow his father’s instructions?

Sect Leader Zhou was smiling at this moment, and Tian Luo and Tian Sha beside him were also cheerful!

Although the Demon Sealing Alliance also suffered many casualties, including dozens of nearly a hundred Mahayana monks, they didn't care at all!

He only cares about his own life, as long as he doesn't die!

What's more, they have backup plans!

Because Elder Chu's level was low, he ran far away when the melee started!

Returning to the battlefield at this moment, looking at the dead and wounded, Elder Chu showed no expression at all!

After all, these people are all demon cultivators, just dogs raised by the Demon Sealing Alliance!

If you die, you will die!

Originally, these demonic cultivators were secretly cultivated in the Demon-Sealing Alliance, and were never revealed to the public at all!

"It should be here soon..." Elder Chu looked at the sky. He knew that Xiao Jian was about to arrive with his people!

Chapter: 7399

“Prime Minister Yu, what should we do?”

Xiao Feng was a little undecided at this moment. If the fight continued, all the Mahayana masters of Xiao Dynasty would be killed or injured!

But the people in the Demon-Sealing Alliance are not afraid of death at all. Even if these demon cultivators die, they may not be able to shake the foundation of the Demon-Sealing Alliance!

No one thought that the Demon Sealing Alliance would support so many demon cultivators behind the scenes, and many of them were Mahayana masters!

It is somewhat ironic that an alliance organization that eliminates demons and protects the Tao has now become a gathering place for demon cultivators!

“Prince, don’t worry. We still have experts from Canglang City who haven’t arrived yet. Once they arrive, none of the people from the Demon Sealing Alliance can escape.”

Prime Minister Yu said!

“Prime Minister Yu, Canglang City is just a small border town. How many masters can there be? I guess it’s good to have a few Mahayana realm masters.”

Xiao Feng sighed softly, these Mahayana realm masters couldn’t change the situation of the battle at all!

Just as Xiao Feng finished speaking, there was a loud rumble!

The pitch-black fog in the sky was all shaken away by the loud noise!

The Imperial City, which had just been filled with darkness and mist, now became brighter, and at the same time powerful auras came from afar!

Crackling...

Suddenly, thunder began to flash in the sky. These thunders were not thunder disasters, nor ordinary thunder and lightning!

Instead, there were red-red thunder and lightning with a bit of coercion. Each thunder and lightning burst out with terrifying power, making everyone present feel suffocated!

Everyone couldn't help but look up at the sky. The oppressive force was getting closer and closer!

Feeling this power, both the people of the Demon Sealing Alliance and the guards of the Xiao Dynasty were all breathing rapidly!

Everyone's face was very ugly, because they didn't know which camp this power belonged to!

Yu Wenqiang felt this power with a bit of shock on his expression!

He knew who was coming, but he didn't expect that there would be someone with such strength among them.

Gradually, dozens of monks slowly appeared in everyone's sight!

The leader among them is a young-looking monk, wearing a red armor and looking very heroic!

Next to the monk, there was an old monk. His broad sleeves were bulging, and streaks of crimson thunder and lightning shot out from the broad sleeves!

“Prince, it’s people from Canglang City who are here!”

Chapter: 7400

Yu Wenqiang said to Xiao Feng!

Xiao Feng looked shocked and looked at the people in front of him in disbelief. Every one of them had the strength of the Mahayana realm, especially the old monk. His strength was so terrifying that he couldn’t tell the realm at all!

“Prime Minister Yu, since when did Canglang City have so many masters? Could it be that they are my father’s back-up man?”

Xiao Feng thought that these people had been arranged by Xiao Yuanshan long ago!

Yu Wenqiang did not answer because he did not know how to answer Xiao Feng, because Xiao Jian was indeed arranged by Xiao Yuanshan in Canglang City!

It’s just that Xiao Jian’s development of power to such a great extent was beyond Yu Wenqiang’s expectation!

And after Elder Chu saw Xiao Jian coming, a smile appeared on his face!

Xiao Jian led dozens of Mahayana masters and looked down at everyone in the field!

Now who can win between the Demon Sealing Alliance and the Xiao Dynasty depends entirely on Xiao Jian's thoughts!

"Prince Xiao, you came just in time..."

Elder Chu saw Xiao Jian and smiled slightly!

Xiao Jian did not speak, but instead focused his attention on Xiao Feng. This was the eldest brother he had never met before!

And Xiao Feng also felt Xiao Jian's gaze, and his eyes met with Xiao Jian's!

But when Elder Chu called Xiao Jian Prince Xiao, Xiao Feng was instantly confused!

"Prime Minister Yu, who is this person? What is his position in Canglang City?"

"Why didn't you come to pay homage to me when you arrived in the imperial city?"

"What's the matter with the people from the Demonic Alliance calling him Prince Xiao?"

Xiao Feng asked Yu Wenqiang!

Because Xiao Feng actually felt a kingly aura from Xiao Jian's body!

Yu Wenqiang didn't know how to answer Xiao Feng, but when he saw Elder Chu directly calling out Xiao Jian's identity, he was very shocked!

After all, Xiao Jian is the prince of the Xiao Dynasty, and not many people know it. Now even the people in the Demon Sealing Alliance know it, which makes Yu Wenqiang feel a little uneasy!

Yu Wenqiang jumped up and came directly in front of Xiao Jian, and then said: "Welcome the second prince back to the court..."

"Prime Minister Yu, I haven't seen you for many years, and you have become much stronger!"

Xiao Jian saw Yu Wenqiang and smiled slightly!
