

The Order 7401

Chapter: 7401

“Second Prince, your influence in Canglang City is not small. You have actually trained so many Mahayana masters, and you have the support of this eminent monk beside you.”

“But the second prince knows that Emperor Xiao doesn’t like the people below him to cultivate influence.”

Yu Wenqiang reminded Xiao Jian!

Now Xiao Jian’s development strength is so great that it will threaten the entire Xiao Dynasty!

Xiao Feng’s current strength and power are no match for Xiao Jian!

“Prime Minister Yu, my father doesn’t like me cultivating power, so what can I do?”

Xiao Jian suddenly smiled coldly!

And the old monk next to him suddenly took action towards Yu Wenqiang. With a wave of his sleeves, a red thunderbolt blasted towards Yu Wenqiang!

Yu Wenqiang didn’t expect that Xiao Jian would suddenly attack. He couldn’t dodge for a moment, and was directly hit by lightning, and his body fell instantly!

“Prime Minister Yu...”

Upon seeing this, Xiao Feng hurried forward to catch Yu Wenqiang!

“Second Prince, you...”

Yu Wenqiang looked at Xiao Jian with shock on his face!

“Prime Minister Yu, don’t blame me. I’ve been locked up in that ungrateful place in Canglang City. I’ve already had enough.”

“I am also the prince of the Xiao Dynasty. My current strength and power are incomparable to my brother. Why is he the crown prince?”

“This is not fair. My father is not fair at all. My father has paid so much for this brother who once went crazy, but how much has he paid for me?”

“I came today to seize the throne. From now on, I will be the Emperor Xiao of the Xiao Dynasty...”

“Hahaha.....”

The more Xiao Jian talked, the more excited he became, throwing his head back and laughing!

Elder Chu and everyone in the Demon Sealing Alliance laughed wildly when they saw this scene!

“Elder Chu, you are really resourceful!”

Sect Leader Zhou praised Elder Chu!

Now that they suddenly have so many Dacheng realm experts to help them, people like Xiao Huangchao simply cannot resist them!

Yu Wenqiang's face was very ugly. He did not expect this result!

Chapter: 7402

"Prime Minister Yu, what is going on? Who is this person?"

Xiao Feng asked Yu Wenqiang.

Yu Wenqiang could only sigh helplessly and told Xiao Feng the identity of Xiao Jian!

Xiao Feng's face was full of shock. He never knew that he actually had a half-brother!

After being locked up in Canglang City for so many years, they have never met each other!

Looking at Xiao Jian in front of him, Xiao Feng suddenly felt a little ashamed!

No matter Xiao Jian's realm or Xiao Jian's power, he is indeed not comparable to him!

As the prince of the Xiao Dynasty, he became crazy for women!

Looking at this Xiao Jian, he clearly looks like a king!

“Brother, if you want this crown prince status, I can give it to you. As the prince of the Xiao Dynasty, can you helplessly watch the Xiao Dynasty be destroyed at the hands of the Demon Sealing Alliance?”

Xiao Feng plans to give up his identity as the crown prince to get Xiao Jian’s help!

If Xiao Jian stands with the people of the Demon Sealing Alliance, it will definitely be difficult for Xiao Dynasty to survive the disaster this time!

“Crown Prince?” Xiao Jian snorted coldly: “I don’t want the status of Crown Prince now, I want the throne!”

After Xiao Jian finished speaking, he led the people to the side of the Demon Sealing Alliance!

When Elder Chu saw this, he was overjoyed and promised with a smile: “Prince Xiao, don’t worry, our Demon Sealing Alliance will definitely support you in taking the throne!”

“Thank you very much, Elder Chu. I hope that Xiao Dynasty and the Demon Sealing Alliance can continue to cooperate in the future and unify the entire heaven and human world!”

Xiao Jian smiled slightly and said!

“Hahaha, that’s for sure...” Elder Chu laughed!

At this time, in the lobby of the Demon Sealing Alliance headquarters, Zuo Tianzheng’s mouth was so happy that it even split into his cheeks!

“Your Highness, Tenth Highness, I have said that the Xiao Dynasty is nothing more than this. With just a little trick, the Xiao Dynasty will be destroyed!”

“Now you can see that in less than a quarter of an hour, the Xiao Dynasty will change its dynasty!”

Zuo Tianzheng said happily!

He wanted to get praise from His Highness, and then let His Highness know that his trip was in vain!

Although the Xiao Dynasty was powerful, it was still captured by him!

Chapter: 7403

But who would have thought that His Royal Highness just smiled slightly, with an intriguing smile on his face!

This smile appeared on the face of a teenage boy, which made people confused!

But in the imperial city, Yu Wenqiang’s eyes widened with anger and he said to Xiao Jian: “Second Prince, do you really want to betray Xiao Dynasty and Emperor Xiao?”

“He is your father, how could you two be fighting against each other?”

Yu Wenqiang wants Xiao Jian to wake up and must not be used by the Demon Sealing Alliance!

“Prime Minister Yu, shut up. If you stand by my side now, I can continue to be the prime minister of the Xiao Dynasty.”

“But if you are still in Yuzhong, then don’t blame me for being rude.”

Xiao Jian said to Yu Wenqiang!

Yu Wenqiang knew that Xiao Jian was determined to seize the throne, so he no longer tried to persuade him, but his aura surged!

“As long as I’m here, I won’t let anyone ruin the Xiao Dynasty!”

Yu Wenqiang’s aura filled the entire imperial city.

To be able to become the prime minister of the Xiao Dynasty, Yu Wenqiang is really capable!

Feeling Yu Wenqiang’s aura, Elder Chu said to Xiao Jian: “Prince Xiao, what happens next is up to you. If you need help, we can take action at any time!”

Elder Chu wants Xiao Jian to lead people to fight with Xiao Feng, so that the people of Xiao Dynasty will kill each other!

They, the Demon-Sealing Alliance, can reap the benefits. If Xiao Jian’s forces also suffer heavy casualties by then, then the Demon-Sealing Alliance can completely swallow up the Xiao Dynasty, and Xiao Jian doesn’t have to do anything for Xiao Huang!

“Elder Chu, just enjoy the show!”

The Xiao family smiled slightly, then suddenly turned cold and grabbed Elder Chu’s neck!

At the same time, the people brought by Xiao Jian also attacked the demon-sealing alliance monks around them!

Because it was so sudden, many monks from the Demon Sealing Alliance died miserably without even reacting!

Elder Chu was stunned, and even Yu Wenqiang and the others were stunned!

The sudden change was so fast that they had no reaction at all!

“Prince Xiao, you...what are you doing?”

Elder Chu asked with shock on his face!

“What do you think?” Xiao Jian smiled coldly: “You, the Demon Sealing Alliance, still want to separate me from my father. It is simply ridiculous. Guarding Canglang City is also my own choice, not forced by my father.”

“My eldest brother was named crown prince, and I’m not jealous at all. I’m happy for my eldest brother.”

“It’s just your little trick, you’d better use it on others!”

puff!

Xiao Jian suddenly exerted force, and Elder Chu’s neck was instantly crushed. After a mouthful of blood spurted out from his mouth, there was no sound!

After Elder Chu died, Sect Master Zhou immediately turned around and ran away, not even caring about Tianluo and Tiansha!

As soon as Sect Leader Zhou ran away, many monks from the Demon Sealing Alliance immediately made a pot of porridge and started running for their lives!

“kill.....”

Xiao Jian raised his arms and shouted, and the monks he brought began to hunt down the people of the Demon Sealing Alliance!

Xiao Feng also woke up from the shock at this moment, and waved his hand: “Kill me, don’t spare anyone from the Demon Sealing Alliance!”

At this moment, the monks from the Demon Sealing Alliance became prey, being hunted down by the guards of the Xiao Dynasty!

Chapter: 7404

The Demon Sealing Alliance Headquarters!

Zuo Tianzheng was completely dumbfounded when he saw the scene in front of him, with a look of disbelief on his face!

“This...this...how could this happen?”

Zuo Tianzheng never expected that Elder Chu, who had always been known as Zhuge’s scheming master, would be plotted against by the second prince of the Xiao Dynasty!

It seems that the second prince had no intention of betraying his father at all. He was just deceiving the Demon-Sealing Alliance from the beginning!

“Damn these, I will personally lead people to attack the Xiao Dynasty!”

Zuo Tianzheng roared!

His Highness the Tenth Prince rolled his eyes at Zuo Tianzheng and said, “Idiot...”

After saying that, the figure of His Royal Highness suddenly disappeared without leaving a trace, as if he had never been there!

“Your Highness, Your Highness...”

Zuo Tianzheng shouted for a long time, but there was no response at all!

At this moment, in the imperial city of Xiao Dynasty, many monks from the Demon Sealing Alliance had already suffered heavy casualties, and they were running and escaping!

Sect Master Zhou ran hundreds of miles in one breath, with Tian Luo and Tian Sha following closely behind!

At this moment, they suddenly felt that their sect leader was quite good!

At least when there is danger, you can react immediately and run away!

If you follow him, you can at least save your life!

Xiao Jian led the old monk towards Xiao Feng and Yu Wenqiang!

“Prime Minister Yu, I have offended you so much just now. I hope you will forgive me!”

The old monk saluted Yu Wen forcefully and said!

“Master, it’s serious!” Yu Wenqiang waved his hand quickly!

“Brother, Prime Minister Yu, the Demon Sealing Alliance had already approached me in advance, but I did not follow my father to report it, just to catch the Demon Sealing Alliance off guard!”

“This time the Demon-Sealing Alliance suffered a loss. The damage was tragic. It is estimated that it will no longer pose a threat to our Xiao Dynasty in the short term!”

Xiao Jian said truthfully!

Chapter: 7405

“Second Prince, I just misunderstood you, and you really deserve death!”

Yu Wenqiang said that he was about to kneel down!

Seeing this, Xiao Jian hurriedly supported Yu Wen and said: “Prime Minister Yu, you are doing it for the Xiao Dynasty and the people of the dynasty, so why are you guilty!”

“I also ask Prime Minister Yu to take me to meet my father. After I explain the matter clearly, I will return to Canglang City!”

Xiao Jian knew that although he helped defeat the Demon Sealing Alliance, in order not to cause misunderstanding, he had to take people back to Canglang City as soon as possible!

“Brother, since you are back, then stay in the Imperial City. It is much more comfortable here than the small border town of Canglang City, and it also has more resources.”

“I will go to my father and make it clear that we are all princes, and my father must not treat them differently!”

After Xiao Feng knew what happened to Xiao Jian, he felt very guilty and unfair!

He felt that this was simply unfair to Xiao Jian!

He is not afraid that Xiao Jian will snatch the throne from him. Even if he gives the current position of crown prince to Xiao Jian, Xiao Feng will not hesitate!

Xiao Feng was not interested in the crown prince at all, but he always thought that he was the only prince in the Xiao Dynasty, so he could only shoulder this responsibility!

Now that there is Xiao Jian, Xiao Feng wants to stay and fly with Zhu Qingyue, become a dual cultivation partner, and practice together, wouldn't it be great!

“Brother, you...”

Before Xiao Jian finished speaking, there was a sudden loud noise!

Rumble.....

As soon as the voice fell, a terrifying aura came directly through the air and headed straight for everyone!

Seeing this scene, everyone was shocked, because this aura was too terrifying!

“Could it be that there are experts from the Demon-Sealing Alliance?”

Yu Wenqiang frowned and said!

“Master Wuliang, it’s up to you!”

Xiao Jian felt the terrifying aura, so he said to the old monk next to him!

“Amitabha, this poor monk has shown his ugliness...”

Master Wuliang nodded!

Chapter: 7406

I saw him clasping his hands together, blocking it in front of everyone, and then mumbling something!

“Namo Amitabha, Immeasurable Heavenly Lord...”

After saying that, I saw a golden light emanating from the infinite master, directly turning into a golden barrier, covering everyone!

At this moment, the terrifying aura has reached everyone's eyes!

boom!

With a loud thought, the golden barrier suddenly shattered without any effect, and everyone was knocked away by this terrifying force!

After flying for dozens of miles, he fell heavily to the ground!

And the buildings for dozens of miles were turned into ashes in an instant, and some people in the imperial city who were hiding also turned into dust under this terrifying aura!

Everyone was very shocked and their faces were full of disbelief!

At this moment, even the room where Ji Yun was protecting Chen Ping was reduced to ashes, and their bodies were thrown far away!

Chen Ping also woke up from his coma, but the feeling of exhaustion was still there!

"Mr. Chen..."

When Xiao Feng saw this, he quickly stepped forward to protect Chen Ping!

Yu Wenqiang also frowned and stood in front of Xiao Feng and Chen Ping!

As the void trembled, everyone noticed that a figure suddenly appeared from the void, and the figure slowly became clear!

I saw a child in his teens, with a childish face and a lollipop in his mouth, standing in front of everyone!

This person is His Highness the Tenth Prince who suddenly disappeared from the Demon Sealing Alliance.

Could it be that the terrifying aura just now was emanating from this child?

Everyone is full of doubts!

And as the child slowly walked toward everyone, there was an overwhelming sense of oppression that made everyone start to suffocate!

At this moment, they finally understood that the terrifying aura just now was caused by the child in front of them!

“Who is this person? He can tear apart the void and appear suddenly. Doesn’t the Demon-Sealing Alliance have masters in the Immortal Realm?”

Yu Wenqiang said when he saw the sudden appearance of His Highness Ten!

Chapter: 7407

Chen Ping looked at the child in front of him, and red lights radiated from his eyebrows!

“This person is not his true body, he is just a condensed soul!”

Chen Ping saw the other party with his Tianming eyes.

If it wasn't the real body, suddenly appearing from the void, it would be explainable!

But there is another point, that is, a divine soul bursts out with such a powerful aura that all of them cannot resist it. Wouldn't the opponent's actual strength be even more terrifying?

“Tianming Eye? A small cultivator in the Tribulation Realm actually possesses this kind of magical power?”

His Royal Highness set his sights on Chen Ping!

Chen Ping observed him with his Tianming eyes, and His Highness noticed it immediately!

And he also recognized that it was Tianming Eye!

“Who are you? Are you from the Demon Sealing Alliance?”

Master Wuliang asked His Highness the Tenth Prince!

His Highness Tenth took the lollipop and licked it, then shook his head and said: “I am not from the Demon Sealing Alliance!”

When they heard that they were not from the Demon Sealing Alliance, everyone secretly breathed a sigh of relief!

As long as the other party is not from the Demon Sealing Alliance, it will be easy to handle!

But then, His Highness the Tenth Prince continued: "Although I am not a member of the Demon-Sealing Alliance, the Demon-Sealing Alliance belongs to me..."

This sentence instantly made everyone heave a sigh of relief and lifted their hearts again!

They only knew that the leader of the Demon Sealing Alliance was Zuo Tianzheng. This child who suddenly appeared could not be Zuo Tianzheng, right?

As His Royal Highness finished speaking, he waved his hand and released a terrifying aura!

This breath was like lightning, flashing past and heading straight for Chen Ping!

The goal is very clear!

Seeing this scene, Xiao Feng looked horrified and hurriedly shouted: "Prime Minister Yu, protect Mr. Chen..."

Xiao Feng knew that with his own strength, it was impossible to resist this aura!

And Xiao Jian said: "Master Wuliang, it's up to you..."

Chapter: 7408

Master Wuliang was speechless. He had just blocked it, but it immediately shattered and was knocked away!

Are you just blind and can't see it?

What else do you want me to do?

But having said that, Master Wuliang still took action. He took out a wooden fish from his arms and started banging it quickly!

The wooden fish's voice formed a sound wave all around, and then wrapped everyone in this sound wave!

boom!

Then, as that terrifying aura hit, the surrounding sound waves collapsed instantly, and even the wooden fish in Master Wuliang's hand exploded!

Master Wuliang's blood kept spurting out, like a fountain!

"run....."

When Xiao Feng saw this, he grabbed Chen Ping and ran away!

Others also fled one after another, even the Infinite Master dragged his injured body, not daring to stop at all!

But when the Tenth Prince looked at the people who were running away in panic, he laughed and chewed the lollipop in his mouth.

After finishing the lollipop, His Highness Tenth took steps to chase after everyone!

Every step taken by these Ten Highnesses will turn the surrounding buildings into ashes, and the entire void will tremble!

“Senior, who is this little brat? Why is he so powerful, and why does he know your Tianming Eye?”

Chen Ping asked Demon Lord Chiyun while being helped to escape!

Demon Lord Chiyun looked very solemn at this moment. After a while, he slowly said: “I didn’t expect these people still exist...”

“Who? Who is this little brat?”

Seeing the expression on Demon Lord Chiyun, Chen Ping knew that things were not simple!

“Let me ask you, do you know how many ethnic groups there are in this vast universe?”

Demon Lord Chiyun did not answer Chen Ping, but asked Chen Ping!

“You know, aren’t they just humans, demons and beasts?”

Chen Ping said in confusion!

Chapter: 7409

But who would have thought that Demon Lord Chiyun shook his head and said: “In this vast universe, there is still a god race.”

“These gods are actually a type of human race, but because they are arrogant and arrogant, they always feel that they are above any other ethnic group, so they call themselves gods.”

“It is precisely because of the arrogance of the Gods that many ethnic groups dislike them, so they gradually disappeared.”

“I didn’t expect that we can still see the existence of the gods in this human world...”

“The Gods?” Chen Ping was immediately confused and asked incredulously: “Senior, is it these Gods who instigated the war between gods and demons? What are the characteristics of these Gods?”

“I don’t know who started the war between gods and demons, but the characteristic of the gods is that they are arrogant, like to brag, and always think that their blood is noble.”

“Just like the Dragon Clan among the Beast Clan, or the Golden Dragon lineage among the Dragon Clan, they think that their bloodline is noble and different from other races.”

Demon Lord Chiyun followed Chen Ping and explained!

“Fuck...” Chen Ping cursed inwardly!

He is of the Golden Dragon lineage. When Demon Lord Chiyun uses this metaphor, isn’t he talking about himself?

Chen Ping doesn't feel that he is arrogant, does he like to brag?

It's human nature to brag occasionally!

"You kid, I'm kindly telling you, why are you swearing in the street?"

Demon Lord Chiyun glared at Chen Ping!

Chen Ping was suddenly embarrassed and cursed in his heart. Unexpectedly, he was also discovered by Demon Lord Chiyun!

"Senior, I was just a little shocked for a moment, I didn't mean to scold you!"

Chen Ping could only explain awkwardly!

At this moment, the Tenth Highness was already chasing them slowly!

Feeling the terrifying aura behind you getting closer and closer!

Everyone became anxious, and Xiao Jian looked at Master Wuliang and said, "Master Wuliang, it's up to you..."

"Fuck..." Master Wuliang was completely speechless!

If you don't bully others like this, why are you looking at me when you are vomiting blood and dying?

Do you want to see me being beaten to death?

Master Wuliang wanted to refuse, but the terrifying aura behind him was already heading towards them!

His Royal Highness has an innocent smile on his face, and he doesn't look like a murderous demon!

Chapter: 7410

But when the Tenth Highness took action just now, the number of people in the imperial city who were killed or injured was not ten thousand, but several thousand!

"Damn, a little brat, he's bullying others too much..."

Master Wuliang is also anxious. He knows that there is no way he can escape, so he can only fight hard!

I saw Master Wuliang clasping his hands together, and the six-point scar on his head suddenly shone with light, and from Master Wuliang's arms, a cassock with shining golden light also flew out!

The cassock floated in the air, slowly draped over the void. In an instant, a golden Buddha statue a hundred feet high appeared under the cassock!

The golden Buddha holds a Zen staff and is emitting thousands of golden lights.

boom!

With a wave of the Zen staff in the Golden Buddha's hand, thousands of Buddha lights shone, instantly blocking the terrifying aura!

Seeing that Master Wuliang was so awesome and blocked the opponent's attack, everyone couldn't help but breathe a sigh of relief!

"Master Wuliang is really powerful..."

Yu Wenqiang praised!

"Master Wuliang deserves to be an eminent monk, and he can actually cast the Buddha's light to shine. It's really awesome!"

Xiao Jian also praised Master Wuliang!

He is able to have the power he has now in Canglang City thanks to the infinite master beside him!

When Master Wuliang was praised by others, he felt happy in his heart!

I have long forgotten what it looked like when I was injured and vomiting blood!

But just as everyone finished their words of praise, His Royal Highness suddenly laughed and muttered: "This old bald donkey is so funny, he has more face than me!"

After saying that, the terrifying aura suddenly surged, Master Wuliang's Buddha light instantly dissipated, and even the hundred-foot golden Buddha disappeared instantly!

Only the cassock was left floating in the wind, and then flames suddenly rose and burned the cassock completely!

Master Wuliang is stupid, that cassock is his most precious treasure!

After breaking the Buddha's light, the terrifying aura did not stop, but continued to attack everyone!

Seeing this, Yu Wenqiang could only wave his hands, and a powerful breath burst out from his body, colliding with the opponent's breath!

In an instant, everyone was knocked away, and Yu Wenqiang's face was extremely ugly!

After stopping, they saw that the Tenth Highness was still approaching them unhurriedly!
