

## **The Order 741**

Chapter: 741

At this time, people from both the Song family and the Liu family began to die of poisonous attacks, and fell down in an instant!

Song Zude and Liu Chengyin were shocked when they saw the scene in front of them!

“Hahaha, you two want to fight me? I just gave you a chance, but you didn’t grasp it, then you will die here today!”

Feng Yi laughed, now Song Zude and Liu Chengyin have become lambs to be slaughtered!

The faces of Song Zude and Liu Chengyin became extremely ugly. Finally, Liu Chengyin sighed helplessly and said: “Feng Yi, I am willing to hand over all the mines of the Liu family to you, and I will withdraw from the mountain city from now on!”

Seeing Liu Chengyin’s compromise, Song Zude’s face became even more ugly!

“Song Zude, what about you?”

Feng Yi looked at Song Zude playfully and said with a sneer.

Song Zude gritted his teeth. Now that almost all of his people were dead, even if he had great abilities, he could not turn defeat into victory. Now there was only one way, and that was to compromise and beg for mercy!

“I am also willing to hand over all the mineral veins of my Song family to you and withdraw from the mountain city from now on!”

Song Zude lowered his head!

“Hahaha, hahaha...”

Feng Yi raised his head and laughed, his laughter full of arrogance!

Listening to Feng Yi’s laughter, Song Zude and Liu Chengyin felt as if they were being trampled hard under their feet. From today on, there will probably be no Song family or Liu family in the entire mountain city!

“Song Zude, if you want me to let you go, you can let me go. I think your celebrity daughter is good. She will play with me for two days. When I get tired of playing, I will let you go!”

After Feng Yi finished laughing, he said to Song Zude!

When Song Zude heard this, his whole face turned green. He was giving up all his wealth now. Unexpectedly, Feng Yi still disagreed.

“Feng Yi, you and I have been dealing with each other for many years. My daughter calls you uncle. How could you...”

Song Zude looked at Feng Yi with eyes full of anger!

“Don’t get too close to me. You’re not an uncle. I’ve been jealous of your daughter’s figure for a long time. Now it’s time for me to satisfy my craving!”

Feng Yi looked at Song Tie unscrupulously with his eyes!

“Rogue, beast.....”

Song Tie’s face turned red with anger and he cursed angrily at Feng Yi!

Feng Yi’s face turned cold: “Little girl, if you dare to scold me, I will play with you in public today...”

Chapter: 742

After Feng Yi finished speaking, he waved his hand and the two Feng family servants went straight to Song Tie!

Song Zude hurriedly stepped forward to stop him, but there was no way he could stop him!

Song Tie, a weak girl, could only be grabbed by two servants of the Feng family and dragged towards Feng Yi!

“Ah...” Song Tie turned pale with fright and screamed loudly: “Chen Ping, save me, save me...”

At this time, Song Tie could only follow Chen Ping to ask for help. She knew that Chen Ping had the strength!

“Let her go!”

Chen Ping spoke slowly!

“Boy, you can’t even protect yourself. Do you still want to be a hero and save the beauty?”

Feng Yi looked at Chen Ping and sneered!

Chen Ping ignored him and looked at Song Zude: “Song Zude, I will share half of this mine. I will save your daughter and help you get rid of the Feng family!”

Chen Ping’s voice was cold and indifferent, as if getting rid of the Feng family was not worth mentioning in his eyes!

Song Zude looked at Chen Ping and was stunned for a moment. He seemed at a loss!

“Boy, do you know what you are going to say again? Get rid of my Feng family? You are not afraid of Feng Da’s tongue flashing!”

When Feng Yi heard this, he shouted at Chen Ping with disdain!

He didn’t believe that Chen Ping had that ability, not to mention that Master Ma was present, so Feng Yi was even less afraid!

“Song Zude, have you thought about it?” Chen Ping continued to ask Song Zude.

Song Zude looked ugly and became in a dilemma!

If you agree to Chen Ping, if Chen Ping brags and loses his strength and is killed by Feng Yi, then the Song family will be wiped out!

But Song Zude couldn’t bear to refuse Chen Ping and watch his daughter being humiliated by Feng Yi.

“Do you have anyone else to rely on now besides me? Don’t place your hopes on other people’s consciences!”

Seeing Song Zude in a dilemma, Chen Ping smiled coldly.

“Dad, promise him, promise him...”

Song Tie shouted loudly. She knew what her father was worried about, but she saw with her own eyes that Chen Ping caught the bullet with his bare hands. Such a skill was by no means an ordinary person!

“Mr. Song, Mr. Chen’s ability is definitely not what you see!”

Chapter: 743

Wu Dong couldn't care about anything else at this time and persuaded Song Zude.

Song Zude was stunned for a moment, then looked at his daughter, and finally gritted his teeth and said: "If Mr. Chen can save my daughter and my Song family, I am willing to hand over all of this mine to Mr. Chen!"

"I said, I only want half, and I won't take one more point!"

After Chen Ping finished speaking, he slowly turned around and looked at Feng Yi: "Let Miss Song go, maybe I can make your death more pleasant!"

"Hahaha, boy, are you crazy or paranoid? You dare to kill me?"

Feng Yi laughed, not taking Chen Ping seriously at all!

Chen Ping didn't speak, and his figure suddenly moved. Then the two Feng family servants who grabbed Song Tie fell directly to the ground, while Song Tie was directly picked up by Chen Ping, and his figure floated back to Song Zude. around!

Song Tie hooked Chen Ping's neck with his hands, stared at Chen Ping with his eyes, and his heart was beating fast!

Song Zude was ecstatic when he saw Chen Ping's ability.

"You can let go of me!" Chen Ping could only say helplessly when he saw Song Tie holding his neck tightly and not letting go!

"Oh!" Song Tie blushed and hurriedly let go of Chen Ping!

"Your daughter has been rescued. I will get rid of Feng Yi next, but don't forget what you promised me!"

Chen Ping said to Song Zude.

“No, absolutely not!” Song Zude shook his head repeatedly!

Chen Ping turned around, looked at Feng Yi and smiled lightly: “Let your people come with you to save yourself the trouble!”

As soon as he finished speaking, the terrifying aura on Chen Ping’s body instantly vibrated around!

“you wanna die!”

A grandmaster of the Feng family was so angry that he jumped towards Chen Ping!

Such a master’s figure is as fast as lightning, and there are bursts of bursting sounds in his hands. This is the sound of energy breaking through the air.

The terrifying energy shrouded directly towards Chen Ping, and the raging energy caused dust to fly. However, Chen Ping had his hands behind his back and looked at the grandmaster with an indifferent look!

Seeing that Chen Ping was so calm, the Feng family grandmaster felt as if he had been greatly insulted. He punched out his fists, and his terrifying energy increased again. He directly wrapped Chen Ping, as if he wanted to crush Chen Ping. !

“too weak.....”

Chen Ping shook his head!

Suddenly, Chen Ping lightly stamped his right foot, and a huge force spread out around him, centered on him. The grandmaster instantly felt an overwhelming force coming, and his whole face changed. An instant change!

Chapter: 744

The grandmaster of the Feng family wanted to hide, but it was too late. The huge impact made the grandmaster fly upside down like a kite with its string broken, and then fell heavily to the ground, motionless and silent. !

A master master died like this without even making a single move. This made Feng Yi's face instantly become solemn, and even Master Ma couldn't help but frown!

"Okay, great..."

When Song Zude saw this, he shouted out happily. He really didn't expect that Chen Ping was so capable!

"Old Song, you have such a master beside you, why do you keep hiding him?"

Liu Chengyin asked Song Zude.

Song Zude looked embarrassed and didn't know how to answer, because he didn't even know that Chen Ping had such ability!

"Dad, do you believe that Chen Ping is the one who saved me? Let me tell you, in the restaurant last night, the bullet that was fired was directly caught by Chen Ping, otherwise the bullet would have gone straight away. I am coming!"

Song Tie told Song Zude what happened last night!

Song Zude's eyes were full of surprise, but he was also frightened in his heart. If Chen Ping was not by Song Tie's side, wouldn't Song Tie be hit by a bullet?

"Mr. Chen is here today. God will not destroy our Song family, hahaha..."

Song Zude laughed wantonly!

Being able to catch bullets with bare hands would probably make anyone become an immortal, so who can be the enemy?

Seeing Song Zude laughing, Feng Yi's face turned extremely ugly!

"Master Ma, I'm sorry for you, I want this kid to be torn into pieces!"

Feng Yi said through gritted teeth.

"Okay!" Master Ma stepped forward and looked at Chen Ping coldly: "You have developed such skills at a young age. If you leave now, I can spare your life!"

"Are you afraid that you are no match for me? If you are afraid, you can get out, and I don't have to kill you. After all, it is not easy for you to be able to practice martial arts and martial arts!"

Chen Ping sneered.

"Boy, what are you talking about? Am I scared?" Master Ma's face suddenly became angry: "Let me tell you, even if you are a great master now, you are still vulnerable in my eyes, because in my magic circle, I am the master!"

As Master Ma spoke, his eyes suddenly turned and turned into white flowers again, and the black eyeballs disappeared instantly!

"You know magic circles, and I happen to know some, so how about I play magic circles with you?"

Chen Ping said with a faint smile!

"What? Are you also a martial artist?" Master Ma was stunned!

Chapter: 745

“Master Ma, don’t listen to this kid’s bragging. He hasn’t even grown all his hair. How could he have so much hair!”

Feng Yi reminded from the side!

When Master Ma heard this, he felt it made sense, so he drew his hands on his chest, and bursts of white smoke rose up, instantly surrounding Chen Ping!

Then the smoke began to fill the air, getting thicker and thicker, and then the figures of Chen Ping and Master Nama were shrouded, and no one outside could see them at all!

“Trouble.....”

When Song Zude saw this, he couldn’t help being shocked!

He knew that Master Ma was a master of martial arts. In such a fog, Chen Ping couldn’t even see Master Ma. How could he fight with him?

Song Tie also held Song Zude’s arm tightly, feeling extremely nervous!

“Hahaha, Song Zude, don’t have any illusions. In Master Ma’s magic circle, he is the god and the master. No one can defeat him!”

Feng Yi laughed wildly!

Bang bang bang.....

Soon, there were sounds of fighting in the mist, but no one could see what was going on with the two people inside!

“Your magic circle isn’t that good either!”

Chen Ping only heard a cold snort, and then the thick fog dissipated at a speed visible to the naked eye, and soon disappeared, and the two figures appeared in front of everyone again!

Chen Ping was still standing in his original position, but when he looked at Master Ma, his cheeks were already red, and five bright red finger prints were clearly visible!

Master Ma's eyes blinked and returned to normal. He looked at Chen Ping with a bit of anger in his eyes!

"Chen Ping, are you okay?"

Song Tie asked Chen Ping hurriedly.

"Do you think I'm in trouble? It's the old guy who's in trouble. I guess he doesn't have any teeth left!"

Chen Ping said with a faint smile!

When Feng Yi saw the look on Master Ma's face, he cautiously asked, "Master Ma, are you okay?"

"I....."

When Master Ma opened his mouth, all the teeth in his mouth crackled and fell to the ground!

"Hehehe..."

Chapter: 746

When Song Tie saw this, he couldn't help laughing!

Then Song Zude and Liu Chengyin couldn't help laughing!

Even Feng Yi himself couldn't help but want to laugh when he looked at Master Ma, but he tried hard to hold it in!

Master Ma's eyes burst out with anger: "Boy, I will let you die without a burial place!"

As he spoke, Master Ma's white hair began to move without wind, like a devil!

"Stop talking nonsense, keep using it if you have the ability!"

Chen Ping sneered!

I saw Master Ma pinching his magic spell, his eyes began to turn red, and then black mist emerged from his body. The black mist suddenly became full of teeth and claws, like fierce ghosts heading towards Chen Ping!

"Chen Ping, this mist is poisonous..."

Seeing this, Song Tie hurriedly reminded Chen Ping!

Many people were poisoned to death by this mist just now, so she reminded Chen Ping!

But Chen Ping didn't care. Instead, he suddenly opened his mouth: "It's so delicious, how can I let it go!"

The black mist was directly sucked into Chen Ping's stomach, and then he patted his stomach and said, "Is there any more? I'm not full yet!"

"Hahaha, boy, do you know what these are and dare to inhale them into your own stomach?"

Master Ma burst out laughing when he saw that Chen Ping actually swallowed the black mist.

“I don’t care what it is, if you have it, I’ll still eat it!”

Chen Ping said indifferently!

“Hmph, when you are pierced by thousands of arrows and die of poison, you won’t be so arrogant!”

Master Ma snorted coldly, then jumped up, and a huge aura pressed towards Chen Ping!

“Death from poisonous gas? This little poisonous gas is still far from enough!”

After Chen Ping finished speaking, waves of terrifying aura erupted from his body.

The two breaths collided together, causing sand and rocks to fly instantly, and many big rocks were shattered into pieces!

Master Ma frowned. He didn’t expect that Chen Ping could still emit such a terrifying breath after being poisoned by his own poison!

However, Master Na Ma did not stop. He knew that Chen Ping’s poison would soon attack, and now was the time to kill Chen Ping!

Chapter: 747

So when he raised his hand, a large palm instantly appeared in the air, with blazing flames burning on the palm!

“Boy, I’ll let you taste my flame palm!”

The huge palm pressed towards Chen Ping, and the burning flames and heat waves hit, making everyone around him hide away!

Chen Ping raised his head and looked at the huge flame palm pressing towards him, with a smile on his lips!

“Well, there is indeed something, so I won’t refuse anyone who comes!”

Chen Ping’s relaxed look shocked Master Ma. He increased the strength in his hands and the flames became more intense!

Rumble.....

There was a loud noise, and the huge flame palm pressed Chen Ping down. The blazing flames directly enveloped Chen Ping, and even the hard stones on the ground began to burn!

The huge flames rose several meters high, and even the copper and iron walls were melted, let alone a person!

“Chen Ping!”

“Mr. Chen...”

At this moment, Song Zude and Song Tie were both stunned!

Wu Dong also looked at the blazing flames in disbelief. He really couldn’t imagine that Chen Ping would die like this!

“Hmph, a mere kid dares to challenge me. He doesn’t know whether to live or die...”

Master Ma snorted coldly, his face full of disdain!

“Song Zude, Liu Chengyin, everything is over. After I send you on your way, the entire mountain city will be mine.”

Feng Yi looked at Song Zude and Liu Chengyin, his face full of pride!

Song Zude and Liu Chengyin’s faces were ashen, and they no longer had any illusions!

Song Tie bit his lip and said, “Dad, my daughter is unfilial, so I can only honor you in the next life. I can’t let this beast taint me!”

As Song Tie said this, he actually hit a big rock with his head!

“In today’s entertainment industry, it is really not easy for a pure girl like you to appear...”

Just when Song Tie was about to commit suicide by hitting a rock, Chen Ping’s voice suddenly sounded!

Song Tie looked over hurriedly and found that Chen Ping was standing there, his body intact, not even a trace of dirt on his clothes!

“What...what’s going on?”

Chapter: 748

Song Tie couldn’t believe his eyes!

Others were also shocked, and they all couldn’t believe that such a fire did not bring any harm to Chen Ping.

“Impossible, this is impossible...”

Master Na Ma’s eyes widened and he yelled like he was crazy!

“Is there anything impossible? Didn’t your master teach you that everything is possible in this world?”

Chen Ping raised the corner of his mouth slightly!

“I don’t believe it, I don’t believe I can’t kill you...”

Master Ma roared and bit his finger suddenly. Blood soon flowed out from his finger, and drops of blood fell on the stones on the ground!

I don’t know how much it dripped, but the stones stained with Master Ma’s blood all started to move, as if someone was controlling them!

Then the stones were built together and turned into a stone man more than two meters high. Every time the stone man took a step, the earth trembled!

“Even if I run out of energy and blood, I will kill you!”

The words were spoken by Master Ma, but the voice came out from the stone man!

The thunder-like sound made everyone cover their ears involuntarily, feeling dizzy and their ears buzzing!

“Is this turning a stone into a weapon? It’s interesting!”

Chen Ping smiled coldly. There was indeed something in Master Ma’s magic. No wonder Chen Ping felt from the beginning that the spiritual energy in Master Ma was much stronger than that of other warlocks!

The stone man walked towards Chen Ping step by step. Every step he took could create a deep pit, and all the stones were trampled to pieces!

Everyone looked at the stone man, and they were all shocked and speechless. They all retreated back, already to the edge!

Rumble.....

When the stone man arrived in front of Chen Ping, he punched Chen Ping with one punch. The huge force seemed to smash open the entire mountain!

Seeing the ferocious punch of the stone man, Chen Ping also roared, and saw the veins on Chen Ping's forehead bulging, and the spiritual power in his Dantian swarmed in, forming a ball of light directly on Chen Ping's fist, like the sun. Dazzling!

boom.....

Chen Ping's fist met the stone man's punch, but in the eyes of everyone, Chen Ping's fist was so small. Even Chen Ping's whole body looked very small under the huge fist of the stone!

But with a burst of golden light and a loud bang, the stone man was knocked down and fell to the ground with a crash, and countless stones flew everywhere!

The huge stone man turned into a pile of rubble, and no trace of human form could be seen at all!

Chapter: 749

Everyone looked at Chen Ping in shock. It was incredible that such a small body could knock down that huge stone man!

Even Master Ma's eyes showed fear, and his whole face became very pale!

"Master Ma....."

Feng Yi panicked a little and shouted to Master Ma!

“That’s all, even if I lose my life today, I can’t lose my reputation!”

Master Ma’s eyes flashed with determination, as if he had made a decision!

After finishing speaking, he slapped his abdomen with two fingers. His originally pale face turned red, and he suddenly spurted forward. A large mouthful of blood spurted out from his mouth. The blood fell like rain, dripping on a large amount of blood. On top of the stone!

Rumble.....

Soon, an even bigger stone man stood up, twice as big as the previous one. However, after doing this, Master Ma suddenly looked like he was exhausted, and his whole body instantly became old. A lot. If Feng Yi hadn’t been holding him up, Master Ma would have fallen to the ground!

“kill him.....”

Master Ma used his last strength and roared loudly!

The huge stone man walked towards Chen Ping, and the earth shook with every step he took!

“Okay, I won’t play with you anymore...”

Chen Ping looked at the huge stone man, a trace of boredom flashed across his face.

After saying that, Chen Ping jumped up in an instant, reaching the height of the stone man, and then punched the stone man’s head!

Rumble.....

With a thunderous sound, the stone man turned into powder under Chen Ping’s punch, and all the stones turned into powder and were blown away by the wind!

“puff.....”

When Master Ma saw this, he spurted out a mouthful of blood and collapsed to the ground instantly!

Chen Ping jumped down and reached Master Ma. When Feng Yi saw this, he was so frightened that he backed away!

Master Ma’s face was full of weakness. Looking at Chen Ping in front of him, he seemed to have an epiphany and smiled bitterly: “You... you are not a warrior or a warlock, you are... a cultivator...”

Before Master Ma could finish his words, he tilted his head and died. At the last moment, he realized that Chen Ping was a monk!

Chen Ping looked at Master Ma’s body and frowned slightly. Master Ma actually saw that he was a monk, which proved that he knew the existence of immortal cultivators, or had seen other immortal cultivators!

Chen Ping was a little annoyed. If he had known it, he would not have allowed Master Ma to die so quickly. Now he wants to know where else he can find a cultivator like himself!

Chapter: 750

Chen Ping stood up slowly and looked at Feng Yi. At this time, everyone in the Feng family was trembling, and no one dared to speak!

“I...I was wrong. I am willing to give up the mine and leave the mountain city forever!”

Feng Yi said with a trembling body.

Chen Ping shook his head: “I promised others to get rid of the Feng family, and I will definitely do it!”

“No, don’t...” Feng Yi knelt down in front of Chen Ping: “Please, don’t kill me. I can give you whatever you want. I can give you the entire Feng family!”

“Please, please let me live, I’m willing to work as a cow or a horse for you!”

Feng Yi cried bitterly and knelt in front of Chen Ping. The dignified head of the Feng family in the mountain city was kneeling in front of Chen Ping like a grandson!

Song Tie looked at this scene and felt a little sad for some reason!

She didn’t understand why these people were fighting to the death for their own interests, but in the end they ended up with their families and families destroyed!

“If it were me kneeling on the ground right now, would you let me go?”

Chen Ping said calmly!

Feng Yi was stunned, slowly looked up at Chen Ping, and then slowly shook his head!

If Chen Ping was kneeling on the ground begging for mercy at this time, he would definitely not let Chen Ping go!

Chen Ping smiled coldly and slapped Feng Yi’s head in an instant!

When the other members of the Feng family saw this, they were so frightened that they fled in all directions, but how could Chen Ping let them escape!

The figure flashed, followed by bursts of screams!

In just a few minutes, everyone in the Feng family turned into corpses!

Seeing Chen Ping's ruthless look, Song Zude swallowed hard and secretly rejoiced. Fortunately, he didn't offend Chen Ping too much yesterday, otherwise the Song family would be like the Feng family!

"Song Zude, I have done what I promised you. I hope you will not break your promise!" Chen Ping said, bending down to pick up a spiritual stone and handing it to Song Zude, saying: "You should arrange for someone to pick out this stone right away. , send it back to the mountain city!"

"Yes, yes!" Song Zude didn't dare to ask. He just did what Chen Ping told him!

"Wu Dong, just take over the Feng family's mines. You know this anyway!"

Chen Ping looked at Wu Dongdao!

"Okay Mr. Chen!" Wu Dong nodded!

Liu Chengyin on the side was trembling all over. If Chen Ping asked for their Liu family's mineral veins, he wouldn't even dare to fart!
