

The Order 7411

Chapter: 7411

At some point, His Royal Highness had another lollipop in his mouth!

His Highness the Tenth Prince looked at everyone with a smile on his face, as if he followed them without any grudge, and what he just did was just to tease Chen Ping and the others!

arrogant.....

Chen Ping understood this now. A child can be so arrogant!

It seems that Demon Lord Chiyun is right, the opponent must be the God Clan!

That kind of arrogance radiates from within.

All arrogance comes from being beaten less often. If you are beaten every time you show up, you probably won't be arrogant anymore.

"If I hadn't recovered, I would have taught this little brat a lesson."

Chen Ping felt very annoyed when he saw the arrogant look of His Highness the Tenth Prince!

What about the Gods?

I am still a golden dragon in the dragon clan, and I am not so arrogant?

Yu Wenqiang and Master Wuliang both looked back at Chen Ping!

Although Chen Ping does have some abilities and can fight beyond the level!

But facing such a master, even if Chen Ping is so good, he is no match for him.

Feeling the gazes of Yu Wenqiang and Master Wuliang, Chen Ping was a little embarrassed!

I seemed to have boasted unconsciously just now. Is this the talent possessed by the bloodline?

Chen Ping really doesn't want to brag...

"Are you all the strength of Xiao Dynasty?"

"Too fucking rubbish..."

His Royal Highness licked the lollipop, then took out the stick and waved it towards Chen Ping and the others!

boom!

With this wave, a terrifying sword energy appeared, slashing at everyone!

Chapter: 7412

“grass.....”

Everyone couldn't help but curse!

Isn't it too outrageous that you can use a lollipop stick to wield such a terrifying sword energy with just one swing?

If anything can produce sword energy, then what's the point of using a sword?

“Master Wuliang.....”

Feeling the terrifying sword energy, Xiao Jian shouted again!

Master Wuliang is about to cry!

But he still put his hands together and said Amitabha, and in an instant, his body was filled with Buddha light. Master Wuliang's body expanded like a balloon, and finally blocked everyone behind him!

boom!

The sword energy crashed down, and Master Wuliang's body flew backwards for dozens of miles, and the blood from his mouth sprayed in the air!

“You guys are so rubbish, call out those of you Xiao Dynasty who can beat me!”

His Royal Highness looked at everyone with contempt and said!

Everyone was silent. Who can beat the Xiao Dynasty?

Only Xiao Yuanshan can fight best, but no one knows where Xiao Yuanshan is at this time!

“Lao Na is the best fighter in the Xiao Dynasty.”

The voice of Master Wuliang came, and then fell in front of everyone!

Even after being beaten like this, Master Wuliang did not escape alone!

His Highness Tenth looked at Master Wuliang and couldn't help but spit on the ground: “You old bald donkey is the most rubbish...”

“Shi Ke can not be killed, I will fight with you!”

After saying that, Master Wuliang's energy and blood surged up, and he began to burn his essence and blood!

Everyone looked at Master Wuliang in shock. It seemed that Master Wuliang really tried his best!

As the essence and blood burned, the aura in Master Wuliang's body surged crazily. At the same time, golden light surged from his body like waves in the ocean!

I saw Master Wuliang taking off a string of Buddhist beads from his chest and suddenly throwing them towards the sky: “Draw the ground as a prison...”

Chapter: 7413

Rumble.....

The Buddha beads swelled up sharply, forming a circle of light, and then it was trapped towards His Highness Tenth Prince, as if to imprison His Highness Tenth Prince in it!

His Royal Highness looked calm and waved his palm lightly!

boom!

The halo of light was instantly shattered, and countless fragments of Buddhist beads fell down like raindrops!

Those broken beads turned into golden rays of light, and all fell into the body of Master Wuliang!

As these golden rays of light fell into Master Wuliang's body, Master Wuliang's skin gradually turned golden!

The whole person is like a golden man made of gold!

“Second Prince, who is this infinite master?”

Yu Wenqiang asked in shock when he saw Master Wuliang like this!

There is such an awesome person in their Xiao Dynasty, but as the prime minister, he doesn't even know!

“Master Wuliang said he is a monk from Leiyin Temple, but I don’t know where Leiyin Temple is!”

Xiao Jian said!

“Leiyin Temple?” Yu Wenqiang was stunned!

It seems that he has never heard of the Leiyin Temple in the territory of Xiao Dynasty!

Maybe it’s a temple in other areas of the Heavenly Realm!

However, Demon Lord Chiyun in Chen Ping’s sea of consciousness said after hearing about Leiyin Temple:
“This old bald donkey doesn’t seem to be at a high level, but his explosive methods are good. He turns out to be a monk from Leiyin Temple.”

“Did the monks from Leiyin Temple also participate in the war between gods and demons in the Heaven and Human Realm?”

“Senior, do you know Leiyin Temple?” Chen Ping asked quickly!

“Of course, this Leiyin Temple is the most famous temple in the fourth heaven. Many people like to go there to worship.”

“I also went there once back then, but I just went there to have fun, and I didn’t pay homage to those old bald donkeys.”

Demon Lord Chiyun explained!

“So, this infinite master is also a person from the heavenly realm? It seems that he is trapped in the heavenly realm.”

Chapter: 7414

Chen Ping couldn't help but sigh. During the war between gods and demons, there were countless immortals and demons in the heaven and earth who were trapped in the heaven and human world by the great formation of heaven and earth!

These people are trapped in the world of gods and humans and have no way to practice. After thousands of years of baptism, many of them have reduced their realm strength a lot!

It's just that Chen Ping doesn't understand. Since Master Wuliang is a person from the heaven, why does he try so hard to help Xiao Jian?

“Second Prince, why does this infinite master fight so hard for you?”

Chen Ping asked Xiao Jian in confusion!

After all, these people in the heavenly world are very arrogant, and they simply look down on the monks in the heavenly world!

“I don't know either. I also met Master Wuliang by chance. He said that I had the root of wisdom and was the reincarnation of the Buddha, and he has been with me ever since.”

Xiao Jian said truthfully!

When Chen Ping heard this, he was speechless. Could this kind of reincarnation of Buddha really exist?

Isn't this a trick?

"Boy, you don't understand. The ancestors of these Buddhist lands really need to be reincarnated to practice. One reincarnation can last a thousand years, and reincarnation practice does not distinguish between worlds."

"Among the thousands of worlds in this universe and the galaxy, they will be reincarnated in any world randomly, so these Buddhist disciples will look for the reincarnation of the Buddha in the vast world."

"Every time I find it, I will fight to the death to protect it until the reincarnation has the memory of the previous life..."

Demon Lord Chiyun was telling Chen Ping!

After hearing this, Chen Ping couldn't help but feel his scalp numb. This Buddhist practice was too tiring!

No wonder the Infinite Master didn't run away even after he was beaten to death. Now he's still burning his essence and blood, trying to resist with all his might!

His Highness Tenth looked at Master Wuliang like that, grinned, and then slapped Master Wuliang hard on the head!

Master Wuliang remained motionless, with his hands clasped together, motionless as a mountain!

Snap!

A slap hit Master Wuliang's head hard. Master Wuliang's body trembled violently, and countless Buddha lights vibrated from his body!

Master Wuliang was slapped hard by the Tenth Highness!

Although Master Wuliang managed to carry it off, the scene was a bit awkward!

It's like a teenage child slapping an elderly man, no matter how you look at it, it's awkward!

Chapter: 7415

Master Wuliang's face turned red and he remained motionless!

His Highness Tenth smiled faintly: "It's so fun..."

Snap!

Another slap came down, this time on Master Wuliang's bald head!

This time, Master Wuliang was directly thrown away, and countless Buddha lights vibrated throughout his body, spreading like ripples to a hundred miles away in an instant!

At this time, Master Wuliang clasped his hands together, and except for a somewhat angry expression on his face, he was completely motionless!

Even after being whipped out, he still maintained his worshiping attitude after landing!

“Hahaha, old bald donkey is so funny...”

His Royal Highness laughed, then disappeared instantly, and then reappeared in front of Master Wuliang!

Everyone can see that these ten princes are playing tricks on the infinite master!

He was fully capable of killing Master Wuliang with one slap, but he chose not to kill Master Wuliang!

Perhaps in the entire Xiao Dynasty, only Master Wuliang can play with him for a while!

Seeing His Highness the Tenth Prince appear in front of him, Master Wuliang wanted to open his mouth and curse!

If you can't beat him, you can just scold him to vent your anger!

But he can't, now he can't break the breath in his body, so he can only endure it!

Bang bang bang!

His Highness the Tenth Prince struck at Master Wuliang's bald head one after another!

Every time Master Wuliang was whipped, he couldn't help but take a step back. Every time he took a step back, the Buddha's light would vibrate out of his body!

After being slapped for more than ten times, Master Wuliang's head began to bleed, and the Buddha's light dimmed!

“You bald donkey, you only took a dozen blows, and you can’t bear it so quickly?”

His Highness the Tenth Prince mocked Master Wuliang!

The golden light on Master Wuliang’s body dissipated, blood spurted from the top of his head, and he looked fiercely at His Highness the Tenth Prince in front of him!

“Little Bizi, if I hadn’t been trapped for thousands of years and lost most of my strength, I would have to peel off your skin and beat your muscles.”

Master Wuliang cursed angrily at His Highness Tenth Prince.

Even if you can’t beat me, you can still feel comfortable with a few curse words...

Chapter: 7416

Everyone was speechless for a moment as they listened to Master Wuliang’s angry scolding!

It seems that everyone has the problem of bragging!

“Old bald donkey, you may not be strong enough, but you have a very strong mouth!”

His Royal Highness smiled slightly, and then slapped him!

This slap directly sent Master Wuliang away, and then he fell heavily in front of everyone!

Master Wuliang spat out a mouthful of blood, looked at Yu Wenqiang and said: "Prime Minister Yu, do you have any masters from Xiao Dynasty who can come out to resist? I can take a breather and rest."

"this....."

Yu Wenqiang's face was full of embarrassment for a moment. The Xiao Dynasty did have experts, but those experts were not what he could dispatch!

"Prime Minister Yu, I heard my father say that under the imperial city of my Xiao Dynasty, but..."

Xiao Feng looked at Yu Wenqiang and was about to say something!

But Yu Wenqiang hurriedly stopped him and said, "Prince, don't say too much, these are the foundation of my Xiao Dynasty!"

"Prime Minister Yu, now that the Xiao Dynasty is coming to an end, do you still have any reservations?"

"If this is the case, I will leave with the second prince and leave you alone. I am protecting the second prince, not your Xiao Dynasty."

Master Wuliang is a little angry!

He began to burn his essence and blood, and he was about to be beaten to death. Unexpectedly, Prime Minister Yu still had reservations about them!

"Master Wuliang, don't be angry. There are some things that we can't decide at all. Only Emperor Xiao can make the decision."

Yu Wenqiang quickly explained!

If Master Wuliang leaves, it will be even more impossible for them to stop the Tenth Highness!

“Where is your Emperor Xiao? Why hasn’t he shown up at this time?”

Master Wuliang asked!

Everyone looked at each other in confusion, because they didn’t know where Xiao Yuanshan had gone at this time!

“Prince Xiao, I will handle my own affairs myself. After all, this Demonic Alliance is here for me.”

Chen Ping stood up slowly and said!

Chen Ping was very weak at the moment, but he could barely support his body.

Chapter: 7417

“Mr. Chen, now it is no longer a matter of you following the Demon-Sealing Alliance, but a matter of our Xiao Dynasty following the Demon-Sealing Alliance.”

“Even if I push you out, the person in front of me will not let go of our Xiao Dynasty.”

“Mr. Chen, don’t worry. I, the Xiao Dynasty, will not be destroyed so easily.”

After Xiao Feng finished speaking, determination flashed in his eyes.

He took out a palm-sized square seal from his pocket, with the word “xiao” engraved on it. On both sides of the word, there were engraved several obscure characters that Chen Ping didn’t recognize at all!

Seeing Xiao Feng take out the square seal in his hand, Yu Wenqiang was a little panicked and said: “Prince, what are you going to do?”

“Prime Minister Yu, today Xiao Dynasty is facing a calamity. I must survive it. This should be a test given by my father!”

After Xiao Feng finished speaking, a red light began to flash in his palm, and then bloodshot streaks appeared, and the bloodshot streaks began to spread on the square seal!

“Prime Minister Yu, what are you doing, brother?”

Xiao Jian saw this and asked curiously!

Prime Minister Yu sighed softly and said: “Hey, the eldest prince will use the power of blood to summon my ancestors from the Xiao Dynasty...”

After hearing Yu Wenqiang’s words, Master Wuliang’s eyes suddenly lit up and he said, “I almost forgot that the second prince is the reincarnation of the Buddha, and he also has the blood of the Buddha in his body, so he can use it too!”

After saying that, Master Wuliang also took out a Buddha seal from his arms, then looked at Xiao Jian and said: “Second Prince, I can lend you your blood!”

“Master Wuliang, am I really the reincarnation of the Buddha?” Xiao Jian asked dubiously!

He didn't believe it at all, how could he be the reincarnation of Buddha?

"Second Prince, don't ask any more questions, I'll lend you your blood!"

Master Wuliang urged!

When Xiao Jian saw this, he could only point his fingertips, and a drop of blood fell on the Buddha seal!

Buzz!

As Xiao Jian's blood dripped, Fang Yin trembled violently, and soon a golden shadow flew out from the Buddha seal. The shadow had its hands clasped together, with a snow-white beard and eyebrows, and was wearing a large monk's robe. The spirit of the deputy immortal wind!

Everyone was shocked to see that a monk had actually been summoned!

Only the Tenth Highness watched calmly, as calm as water, with a bit of ridicule in his eyes!

"Namo Amitabha..."

After the shadowy monk groaned, countless mysterious Buddha lights appeared, and one after another Buddha lights went straight to the ten princes!

Chapter: 7418

His Royal Highness just waved his hand!

boom!

A terrifying aura swept across like ocean waves, blocking all the rays of Buddha's light!

The shadow monk took a step forward, and a beam of Buddha light suddenly appeared under his feet!

The Buddha's light was like a huge pillar, breaking out of the ground directly from the feet of the Tenth Highness!

His Highness the Tenth Prince snorted coldly and stamped his foot suddenly!

Bang!

With just this kick, the giant pillar-like Buddha's light shattered into pieces and disappeared!

The phantom monk continued to step forward. With each step, a white lotus would appear under his feet. After taking nine steps, nine white lotuses appeared behind the phantom monk!

Nine white lotuses gathered together to form a huge lotus cage, heading towards His Highness the Tenth Prince!

The lotus cage descended from the sky, and endless Buddha light shot out from the lotus cage!

His Royal Highness slowly raised his head, narrowed his eyes slightly, and finally there was a trace of solemnity on his face!

However, he did not move, but turned his palms, and two white auras burst out from his palms, heading directly towards the lotus cage!

boom.....

There was a violent explosion, like thunder, which made everyone's ears buzz!

Then the lotus cage collapsed, and countless white lotus fragments shot out around the entire imperial city!

Large areas of buildings collapsed, and countless subjects of the Xiao Dynasty died tragically under the lotus fragments!

At this moment, human life is like an ant!

Those monks in the Mahayana realm can barely resist these aftermaths, but those monks in the Tribulation Realm don't even have the ability to resist!

Master Wuliang looked at His Highness the Tenth Highness with an extremely solemn expression. He did not expect that using the Buddha's seal to summon a wisp of the soul of Patriarch Bodhidharma of Leiyin Temple would be unable to do anything to His Highness the Tenth Highness!

He has no other means now, this Buddha Seal is the last resort!

Without Xiao Jian's bloodline, even if Master Wuliang had the Buddha Seal, he would not be able to summon the spirit of Patriarch Bodhidharma!

You must know that the entire Buddhism has countless Buddha seals, but their Leiyin Temple only has ten Buddha seals. Among these Buddha seals, there is a trace of the soul of Patriarch Bodhidharma.

However, in order to prevent future generations from summoning the soul of Patriarch Bodhidharma at will, only those with the blood of the Buddha can activate the Buddha Seal!

Chapter: 7419

Now that the Buddha's Seal is open, there is nothing you can do about these Ten Highnesses, so there is nothing you can do!

"This Bodhidharma is a stupid bald ass. He divided his soul into millions and sealed it in the Buddha's seal. Does he really think that he is invincible and that a ray of residual soul can help future generations become invincible?"

"I can't even beat a kid now, it's so shameful..."

Demon Lord Chiyun couldn't help but sneered when he saw this scene!

"Senior, is this old monk with a gray beard the founder of Bodhidharma?"

Chen Ping asked in surprise!

"Now he is still the ancestor, but now he has been beaten into a grandson!"

Demon Lord Chiyun said!

Chen Ping was also speechless. It seemed that no one could deal with the child in front of him!

He never thought that there would be such a terrifying person in the Demon Sealing Alliance!

“You old bald ass, you can make me pay attention to you with a ray of soul. It’s really not easy. But if you want to defeat me with a ray of soul, it’s just a dream.”

After His Royal Highness finished speaking, he spat out the lollipop in his mouth, and a long knife appeared in his hand!

This long sword is almost taller than the ten princes, and it is extremely generous. There are several sword rings on it that make sounds!

Crash la la la la la la la la la la la la la la.

His Highness the Tenth Prince slashed the long knife in his hand, and it made a clattering sound instantly!

At the same time, a sword visible to the naked eye tore directly into the void!

Seeing this, Xuying clasped his hands together, his body emitting golden light, and stood motionless to welcome the sword light!

The sword light fell, and with a loud noise, the shadow trembled!

Before he could make any other moves, His Highness the Tenth Prince struck down with one strike!

Thousands of Buddha lights within Xuying’s body dispersed and slowly dissipated!

Two swords to resolve the battle!

Seeing this scene, everyone’s expressions darkened.

Master Wuliang collapsed on the ground. He no longer had any ability. With all his trump cards out, he couldn't do anything to the opponent!

"Hey, the second prince's Buddha bloodline has not yet fully awakened, and the spirit of the summoned Patriarch Bodhidharma is too weak."

Chapter: 7420

Master Wuliang sighed and said!

"Master Wuliang, you have done your best, leave the rest to me..."

After Xiao Feng finished speaking, the entire imperial city emitted golden light, and all the collapsed buildings were miraculously restored at this moment!

The scene around everyone also changed. At some point, there were dozens more people behind them!

Each of these people has an extraordinary aura, and they are all monks of the fourth level or above of the Mahayana realm!

Chen Ping took a look around and understood that the restored buildings in front of him were not really restored, but Xiao Feng used the square seal to make everyone enter another time and space!

The location is also in the Imperial City, but the characters around have changed!

It seems that these people behind him are Xiao Huangchao's trump cards and will not be used unless absolutely necessary!

His Highness Tenth Prince looked at the dozens of monks who suddenly appeared calmly, with no trace of fear in his eyes!

These are all powerful men of the Xiao Dynasty, and these ten highnesses are not afraid!

"How many years has it been? The Xiao Dynasty has never used us. Is the Xiao Dynasty facing a life-or-death crisis now?"

An old man spoke slowly!

"Seniors of Xiao Dynasty, our Xiao Dynasty is now facing a life and death crisis. Junior Xiao Feng has no choice but to use Square Seal to disturb the cultivation of all seniors."

Xiao Feng knelt down in front of these people and said!

The old man gently held his hand: "As the crown prince, there is no need for us old guys to kneel down and worship."

"Let's talk about it, we are still subjects of the Xiao Dynasty..."

"Where is the powerful enemy? I want to see who dares to touch our Xiao Dynasty."

"It's him..." Xiao Feng pointed at the ten highnesses!

The old man looked in the direction of his finger and couldn't help but be stunned!

The Tenth Highness had another lollipop in his mouth at some point, leaning on the long knife with an innocent look on his face!

"Prince, you said that this child forced you to use Fang Yin. Is it possible that I, Xiao Dynasty, have fallen into such a state that I can't even stop a child?"

The old man asked in shock!

"Senior, don't be fooled by his appearance. This guy's strength is terrifying."

Xiao Feng said quickly!
