

## **The Order 7421**

Chapter: 7421

“Hmph, how scary can a child be?”

After saying that, the old man walked directly towards the Tenth Highness!

His pace is steady and he looks confident!

“Senior, no, please retreat quickly...”

When Xiao Feng saw this, he knew that the old man had underestimated his enemy, so he shouted loudly!

But the old man ignored Xiao Feng at all and strode away!

But just after taking a few steps, His Highness suddenly took action!

puff!

The long sword was swung down, and the sword light shot out like lightning!

The old man stopped walking and then stood motionless!

In a moment, the old man's body fell heavily to the ground, and a bloodstain gradually appeared from between his eyebrows!

Cut with one knife...

Instant kill!

At this time, everyone was shocked!

"Why....."

Xiao Feng sighed regretfully!

If this old man had not underestimated the enemy, he might not have died so quickly!

"What a strong doll, it's really worth recruiting us!"

At this time, an old man in white robe slowly stepped forward from behind dozens of people!

Seeing this person, Yu Wenqiang was slightly startled, and hurried forward to kneel down and say: "Yu Wenqiang, the 47th Prime Minister of the Xiao Dynasty, pays homage to the old Prime Minister!"

"Already forty-seventh term? So fast, so fast..."

The old man in white robe said slowly!

Xiao Feng and Xiao Jian looked at the old man in white robe, they didn't know each other!

"The eldest prince, the second prince, this is the eleventh prime minister of our Xiao Dynasty, and the oldest prime minister of our Xiao Dynasty today."

Yu Wenqiang quickly introduced!

Chapter: 7422

When Xiao Feng and Xiao Jian heard it, they rushed to the old man in the white robe!

This eleventh prime minister is much older than their father emperor!

These people are all old ministers, heroes ...

"The two princes don't have to be more courteous. Who is the child holding a knife? Why should he be enemy with my Xiao Dynasty?"

The old man asked!

"He is the person of the Demon League, and now the Demon League has already declared war with our Xiao Dynasty."

Xiao Feng replied!

"Feng Mo League?" The old man frowned slightly, and then shook his head: "I haven't heard of it ..."

"Old Xiangguo, the establishment of the Demon Alliance is not long and far away. It is an alliance organization. It is normal for the old country country to have heard of it."

Yu Wenqiang explained!

“It turns out that this is so, such an organization that has just been established, dare to declare war on my Xiao Dynasty. It seems that my reputation of the Xiao Dynasty is gone!”

After the old prime minister finished speaking, he walked towards the ten His Royal Highness and said slowly: “I have been in the Xiao Dynasty for thousands of years. What to seal the magic alliance, I still want to fight with my Xiao dynasty. ”

“Do not self -measure, do not self -only ...”

After the old prime minister said two sentences, after saying a few words, he suddenly remembered a step!

Behind the old man’s prime minister, a statue of a Baili appeared, accompanied by the appearance of the idol, a stream of righteousness in the entire imperial city stirred up!

Heaven and earth are respectful, I am a minister!

As soon as the idol is opened, the army is shocked!

At this moment, the old man is like the fairy monarch of the heavens, his expression is stunned, and the righteousness is vast!

His Royal Highness contains lollipop, and the corner of his mouth cracked: “Finally saw the people with a little strength of the Xiao Dynasty, all of which were garbage just now ...”

Although His Royal Highness acknowledged the strength of this old prime minister, he did not panic!

Seeing the expression of His Royal Highness Ten, the old man said: "Please advise ..."

After speaking, I saw that the old man's body faded instantly, and it was directly integrated into the statue of Baizhang!

Then the fist like a mountain, smashed down at the ten His Royal Highness!

Chapter: 7423

With a long sword in His Royal Highness Ten, a hundred -bang knife appeared, and directly in front of the fist!

boom!

This punch broke the knife instantly, and His Royal Highness's figure also retreated quickly!

"It's a bit interesting ..."

His Royal Highness smiled slightly!

"You are also good ..." The old man said, and he punched him again towards His Royal Highness!

And this time, His Royal Highness took the initiative to avoid it, and did not meet!

boom!

This punch was smashed on the ground fiercely, and a deep pit with a hundred meters appeared in an instant!

Seeing that His Royal Highness took the initiative to avoid, Xiao Feng and others finally saw hope!

Because this is the first time that His Royal Highness dare not meet!

His Royal His Royal His body is suspended in the air, following the statue of the old prime minister, looking at each other!

“It’s over, this old guy is going to lose money ...”

At this time, Chiyun Mojun suddenly said!

Chen Ping asked puzzledly: “Senior, how could this old prime minister take advantage of the upper hand?”  
How could it suffer? ”

The ten His Royal Highness was beaten to fight back. Only the dodge was available. How could the old prime minister suffer?

“You forgot, this little bitter is not the body. If his body comes, can this hometown not suffer?”

Chiyun Mojun said!

Chen Ping followed him at once, he seemed to forget this!

It's not so powerful that the body is so awesome. If the ontology comes, this old prime minister is not necessarily an opponent!

Just as the voice of the Chiyun Mojun just fell, the whole void began to distort it!

Boom!

With the sound of bursts, in the void, the breath of destroying the earth continued!

Feeling this atmosphere, everyone's faces change greatly!

Chapter: 7424

Because in the twisted void, a figure slowly appeared!

With the increasingly clearer figure, His Royal Highness in front of them smiled slightly and disappeared slowly!

The body is here ...

The horror of everyone's face!

"It can make me come forward, and the Xiao Dynasty can be regarded as something!"

"But not too much, just a little ..."

His Royal Highness smiled coldly!

Seeing that His Royal Highness's ontology arrived, the old prime minister took a deep breath, and his hands suddenly held tightly. Around his body, the white light began to stir!

The earth crack slowly. From the earth, a seven-foot long sword appeared in front of the old prime minister.

"Shangfang Sword?"

Yu Wenqiang saw this, and hurriedly exclaimed!

The Sword of Shangfang of the Xiao Dynasty was passed down since the establishment of the Xiao Dynasty!

I have always been holding the prime minister's hands, in order to use Shangfang's sword, cut off the monarchs and cut the rape, so that the Xiao Dynasty was thousands of generations!

Because the kings of all ages are wise, Shangfang Sword has never moved!

Yu Wenqiang knew the existence of Shangfang Sword, but this was the first time!

Unexpectedly, this Shang Fang Sword became the magic weapon of saving the Xiao Dynasty at this moment!

The old prime minister took Shang Fang's sword, stepped out of the front, and then swiped out!

This sword is overwhelming!

Shangfang Sword, really amazing!

The mighty sword mang, like a rushing Mustang, flooded towards His Royal Highness!

The sky and the earth change, the sun and the moon are not glutinous!

His Royal Highness's eyes narrowed slightly, and he stepped out in one step, and the long knife in his hand suddenly waved!

At this moment, His Royal Highness's face has no contempt!

Chapter: 7425

boom!

Wanzhang Sword Mang was instantly crushed, turning into countless lit disappearance without a trace!

The body of the old prime minister retreats again and again, and each step exits 100 meters away!

Before the old man's body is stable, the long knife in His Royal Highness will be cut out again!

boom!

The Shangfang Sword in the hands of the old man was struggling, and a dazzling Guanghua flashed!

Blade sword air collision, the entire imperial city turned into a rubble!

His Royal Highness's body was instantly repelled for dozens of miles, and the long knife in his hand was turned into countless fragments during the backward retreat!

The knife is broken!

Everyone was surprised for a while, so it seems that even if the body of the ten His Royal Highness arrives, it is not the opponent of the old prime minister!

But at this time, there was a touch of despair in the eyes of the old man!

The idol was broken, and the old prime minister's body fell to the ground, and his face was hard to see!

Look at the Sword of Shangfang in his hand, and a crack appears.

Soon, Shangfang Sword is broken!

The expressions of everyone's surprise were all solidified on their faces!

The old man is defeated!

Only then did everyone see it!

But the ten His Royal Highness had nothing to do, and his body appeared again in front of everyone!

Facing His Royal Highness, everyone looks at each other!

Lao Yan was used in the Shangfang sword, and he still couldn't hurt the child in front of him!

How do you fight this battle?

"Lao Xiangguo, you ..."

Yu Wenqiang looked at the old prime minister and wanted to ask questions, but could he do it, but when he saw the old prime minister, Yu Wenqiang couldn't say.

Yu Wenqiang looked at the Master of the Wulin again, and the Masters felt Yu Wenqiang's gaze and shook his head!

Chapter: 7426

"Master, you ..."

Xiao Jian just spoke, and Master Wuliang hurriedly said: "The second prince, the old man is really not good, it is not that the old man is afraid of death, but when I die, no one can lead the second prince to understand the Dharma and find the memory of the past life."

Everyone is not talking. At this moment, everyone's body seems to be pressed a mountain!

Dozens of masters of the Xiao Dynasty were all silent!

These are the Capital cards of the Xiao Dynasty, but the cards are out, but it is not supplemented!

At this moment, everyone looked at Xiao Feng, and Xiao Feng was the Emprock!

Now Xiao Yuanshan doesn't know where to go, then Xiao Feng's all the whole Xiao Dynasty said the final say!

Xiao Feng only felt that he was under pressure, but he had no way to do it!

His Royal Highness looked at the silent crowd, and a sneer appeared at the corner of his mouth.

"The Xiao Dynasty could be played or not, and one who could fight ..."

"Let some cats and dogs deal with me, do you look down on me?"

"What about your Xiao emperor? Come out ..."

His Royal Highness is like a poisonous needle, stabbing every subject of the Xiao dynasty!

After thousands of years, the Xiao Dynasty, who has a million people, is now stepping on the feet by a child.  
No one dares to say a word!

"It is extremely arrogant. Looking at the gods of all ants in the world, how can they come to the small heaven and human world to pretend? Does this indicate that the Protoss is declining, can you only find some low - level world pretend?"

A sound slowly rang from the surrounding residual wall, followed by a sound of rubble, and a person wearing a broken shirt and a beggar stood up!

This person is full of patch clothes, the hair is messy and dry, and there are many dust on it, covering most of his face!

Holding a slightly curved wooden stick in his hand, supporting his body, came out of the rubble!

Everyone looked at this suddenly emerging beggar!

No one knew him, but Chen Ping stared at the beggar. From the words of the beggar, he knew the existence of the Protoss, and it seemed that he was not a monk in heaven and human world!

If you do n't do it, it 's also the heavenly monk left in the heaven and human world when he was in the battle of God and Demon!

“Old God?”

At this time, the old prime minister suddenly shocked, and hurriedly shouted!

Hearing the three words of the old god, everyone in the Xiao Dynasty was stunned, and then he worshiped in front of the beggar all his knees!

Chapter: 7427

Chen Ping was a little surprised and asked, “Prince Xiao, why are you at this time?”

“Mr. Chen did not know. The old god monarch was the life -saving person of our Xiao Dynasty.

“At that time, the Xiao and Demon War, the Xiao Dynasty was also destroyed. Fortunately, a Taoist king took the shot to protect some of the foundation industry in the Xiao Dynasty, so that the Xiao Dynasty developed to today.”

“So our Xiao Dynasty established Taoist temples, and supported the god monarch who saved our Xiao Dynasty every day. I didn’t expect that the person in front of us was the prince.”

Xiao Feng followed Chen Ping explained!

Chen Ping can also be convinced at this moment that the beggar in front of him is the people of heaven!

But the beggar did not look at the people who worshiped Prince Xiao, but stared at Chen Ping with both eyes!

This time, he looked at Chen Ping’s heart. He didn’t know why this guy stared at himself!

“Damn, this old hairy, made a beggar look, I can’t recognize it.”

At this time, Chiyun Mojun scolded!

“Senior, do you know this person?” Chen Ping asked!

“Of course, this guy is called inaction, saying that he is a Taoist, but I have seen it twice.”

Chiyun Mojun said!

“Is the senior followed this uniform?” Chen Ping was overjoyed!

If this is the case, then he can also rely on the relationship between the Taoist to fight against the Demon League!

“Friends?” Chiyun Mojun snorted coldly: “Is he equipped with Lao Tzu as a friend? Small garbage ...”

Chen Ping was stunned, and he was speechless instantly!

“I do n’t expect you to be in the Xiao Dynasty.”

At this time, Master Wuliang also recognized the beggar in front of him, and hurried forward to say!

Hearing the voice of the countless master, the Wubao people moved away!

“Wuliang bald donkeys, you are still alive, and you can’t return to heaven, it’s really good.”

After seeing the Master of Wuliang, Wuwei Taoist smiled slightly!

“You are less poor with me, you should kill the little cub in front of me, otherwise we will not live.”

Master countless masters did not follow the poverty -stricken Taoist, but pointed to the ten His Royal Highness!

Chapter: 7428

Taoist Wuwei looked at His Royal Highness and nodded slightly: “Just a little kid, simple, simple...”

Everyone in Xiao Dynasty was kneeling on the ground, excited inside!

Even the old god who once saved the entire Xiao Dynasty is here, so nothing will happen to the Xiao Dynasty!

Many people from the Xiao Dynasty saw this legendary figure for the first time!

“Old bastard, you dare to say this about our Clan of Gods, are you seeking death?”

His Royal Highness saw the identity of Taoist Wuwei at a glance!

“I’m just telling the truth. Even if you kill me, it won’t change the fact that your God Clan is in decline!”

Taoist Wuwei said!

His Royal Highness’s face turned ugly!

“Old bastard, you are looking for death...”

The aura on His Highness’s body began to rise, and he punched Taoist Zhong Wuwei to kill him!

His Highness the Tenth Prince’s sword was gone, and he was not picking up a weapon. Instead, he simply punched it out!

This punch caused Taoist Wuwei's face to change slightly, and the gaze in his hand instantly burst out with a golden light, and then stabbed towards His Highness the Tenth Prince!

This seemingly ordinary wooden stick turned out to be a magic weapon!

boom!

The avenue roared, the void shook, and the entire imperial city seemed to be wiped out by the chaotic aura of terror!

Everyone watched nervously. A divine king who once saved the Xiao Dynasty was beating a child, not just with a pinch in his hand!

But just when the punch and the stick hit each other!

The surroundings fell silent for an instant, and everything that was terrifying just now seemed to be still!

Taoist Wuwei's stick touched with His Highness Tenth Prince's fist!

In the eyes of everyone, Taoist Wuwei's stick began to break, and Taoist Wuwei's entire body was broken bit by bit like a stone statue!

The soul of Taoist Wuwei was helplessly suspended in the air at this moment, with no expression on his face!

Seeing this scene, everyone in Xiao Dynasty who was excited just now was stunned!

With one punch, the divine king in their hearts was defeated?

Chapter: 7429

Is this too outrageous?

And the Tenth Highness was still not using weapons!

The faces of everyone in Xiao Dynasty were ashen!

Master Wuliang sighed softly: "Hey, this guy Wuwei seems to have been trapped for so many years, and his strength has also dropped a lot!"

"Wuliang Bald Donkey, it seems we can't go back to heaven together!"

After Taoist Wuwei finished speaking, his spirit slowly dissipated!

Just when Taoist Wuwei's soul dissipated, Taoist Wuji in Sun Moon City suddenly frowned!

"Taoist Master, what's wrong?"

Lin Chong asked in confusion!

"Emperor Lin, I have to leave for a while..."

After saying that, Taoist Wuji's figure disappeared instantly!

At this time, everyone in the Xiao Dynasty was enveloped in despair!

They saw no hope, and everyone thought that the Xiao Dynasty was over!

Even the Divine Lord is no match for His Highness Ten, who among them can resist?

The entire Xiao Dynasty seems to have lost its vitality, and everyone has lost their fighting spirit!

"Xiao Dynasty, is this the end?"

Xiao Feng opened his mouth slowly. He didn't understand that just after he became the crown prince, the Xiao Dynasty was over!

Could it be that he killed the Xiao Dynasty by his own fate?

"Even if it means failure, even if it means death, how could I, the people of the Xiao Dynasty, have ever been so humble?"

At this time, Xiao Yuanshan's voice sounded from the sky!

"Father..."

Xiao Feng and Xiao Jian shouted at the same time!

boom!

From the center of Xiao Dynasty, a terrifying aura rose into the sky!

Chapter: 7430

As the world shook, a figure appeared!

I saw that Xiao Yuanshan was wearing a long robe and had a peaceful expression, without the slightest hint that the dynasty was about to fall!

Seeing Xiao Yuanshan coming, everyone knelt down and worshiped!

Xiao Yuanshan, the strongest person in the entire Xiao Dynasty!

“Are you Emperor Xiao?”

His Highness Tenth saw Xiao Yuanshan appearing and asked!

“Exactly, I am the emperor of the Xiao Dynasty.”

Xiao Yuanshan nodded!

“You finally came out. If I kill you now, will your Xiao Dynasty surrender?”

His Royal Highness asked casually!

“I’m dead, and so are the subjects of my Xiao Dynasty. Can you kill all our subjects of the Xiao Dynasty?”

“We, the subjects of the Xiao Dynasty, have never surrendered. Let alone a small demon-sealing alliance, even during the war between gods and demons, we, the Xiao Dynasty, have never stopped resisting!”

“Unless you can kill all the subjects of our Xiao Dynasty...”

Xiao Yuanshan said lightly!

Xiao Yuanshan’s words made many powerful men in the Xiao Dynasty who had no fighting spirit regain their fighting spirit one by one!

They can fail and be killed, but they will never give in!

“Father, I will never give in and humiliate my ancestors...”

Xiao Feng said with firm eyes!

“Your Majesty, I will never compromise. I will lead the millions of subjects of my Xiao Dynasty to resist, even if they are shattered to pieces.”

Yu Wenqiang also said with fighting spirit!

All the strong men of the Xiao Dynasty were ignited with fighting spirit at this moment!

They were no longer afraid of the ten princes, their eyes were filled with murderous intent!

“Since you are so stubborn, what if I kill you all?”

His Royal Highness snorted coldly!
