

## **The Order 7431**

Chapter: 7431

But this time, the pressure of His Highness did not scare the subjects of the Xiao Dynasty!

Perhaps because of the appearance of Xiao Yuanshan, these subjects of the Xiao Dynasty are all full of fighting spirit!

“Fight to the death...”

Many subjects of the Xiao Dynasty roared in unison!

The roar shook the sky and resounded throughout the Xiao Dynasty!

At the same time, dozens of cities in the Xiao Dynasty and hundreds of thousands of troops were all heading towards the imperial city!

These generals of the Xiao Dynasty did not receive orders, but came to the imperial city spontaneously!

They also seemed to feel Xiao Huangchao's fear!

His Highness Tenth looked at the high-spirited people with a hint of disdain on his lips: “Since you want to die, I will help you...”

“What's the fear of slaughtering millions of people in the city...”

In the eyes of His Highness, even millions of monks are just like ants and are nothing to worry about!

After saying that, the Tenth Prince punched Xiao Yuanshan. This punch was like a river rushing down from the mountains!

Xiao Yuanshan sneered and punched out!

With one punch, the world groans!

It can be seen that Xiao Yuanshan, the Xiao Emperor, is not jealous!

boom!

With both fists against each other, the terrifying energy spread around at lightning speed!

The two of them stepped back at the same time!

A ravine appeared under His Royal Highness, and he retreated for dozens of miles!

As for Xiao Yuanshan, the buildings underneath him were reduced to ashes, and his figure even retreated hundreds of miles!

Seeing this scene, everyone looked gloomy, but no one flinched!

In just an instant, the two people's figures returned to the original position again, as if they had never retreated!

“The emperor of Xiao Dynasty is nothing but mediocre...”

His Highness the Tenth Prince smiled coldly!

Chapter: 7432

Xiao Yuanshan’s eyes narrowed slightly, and he said solemnly: “You are nothing more than that...”

“Really?” His Highness Tenth said disdainfully: “I almost forgot to tell you that my fists are the worst.”

Xiao Yuanshan smiled: “I also forgot to tell you that my fist didn’t use any force!”

“In that case, let’s continue!”

The Tenth Prince punched out!

Xiao Yuanshan suddenly opened his palms, and the imperial city beneath him began to tremble. From under the imperial city, countless auras were like tides, converging towards Xiao Yuanshan!

The spiritual beasts in the entire imperial city also let out bursts of mourning at the moment when those breaths were used, and then fell to the ground and died!

“Emperor Xiao actually used up all the energy of the spiritual beasts in the imperial city. What a huge price to pay...”

Yu Wenqiang looked at this scene and couldn't help but sigh!

Xiao Yuanshan took a step forward and followed up with a punch!

boom!

This punch directly drove those ten princes back hundreds of miles!

Xiao Yuanshan did not stop, but his figure flashed away, and when he arrived in front of His Highness, he punched again!

boom!

His Royal Highness once again retreated a hundred miles!

At this moment, everyone became excited and wanted to jump up!

Although all the spiritual beasts in the imperial city have lost their lives, they died well!

The entire imperial city continued to have aura pouring into Xiao Yuanshan's body!

Xiao Yuanshan is not fighting alone at this moment!

Xiao Yuanshan launched a torrential attack on His Highness Tenth Prince. He wanted to avenge the dead subjects of the Xiao Dynasty and rectify the name of the Xiao Dynasty!

Xiao Dynasty is not a fool!

Xiao Yuanshan's attack was very sharp. Although the Tenth Highness was retreating, he did not panic at all. Instead, he calmly dodged Xiao Yuanshan's attack!

When Chen Ping saw this scene, he frowned slightly, with some worry on his face!

Although it seemed that Xiao Yuanshan had the upper hand and the Tenth Highness was beaten back steadily, the Tenth Highness did not look panicked!

Chapter: 7433

Moreover, the Tenth Highness did not take out any weapons. Chen Ping did not believe that the Tenth Highness only had the long sword in his hand!

boom!

Accompanied by a loud noise, countless punches forced the ten princes back hundreds of miles!

Although every attack by Xiao Yuanshan was terrifying, the Tenth Highness was not harmed at all!

"Looks like it's time for me to have some fun with you!"

After His Royal Highness finished speaking, a long knife suddenly appeared in his hand!

This long knife is exactly the same as the broken long knife!

“cut.....”

The ten princes cut him off with one strike!

The terrifying sword light headed straight for Xiao Yuanshan!

Xiao Yuanshan did not dare to be careless, so he could only clench his hands, add countless auras to his body, and suddenly punch out to resist the sword light!

This time, Xiao Yuanshan tried his best!

The other party actually used a weapon, which proves that he is also using all his strength!

boom!

The moment the sword light and fist wind collided, Xiao Yuanshan’s expression changed drastically!

Xiao Yuanshan’s fist was instantly smashed to pieces, and his whole body was bombarded by the sword light!

Xiao Yuanshan’s body flew backwards, and the breath in his body instantly collapsed!

The auras of the spiritual beasts in the imperial city have also disappeared!

His Royal Highness did not stop, but waved the long knife in his hand again!

boom!

Another blow, this knife struck Xiao Yuanshan's body again!

The spirit beast auras gathered in Xiao Yuanshan's body completely disappeared!

When everyone saw this scene, they were instantly stunned!

The contrast is so great!

Just now, Xiao Yuanshan used the breath of the spiritual beasts in the imperial city to beat the Tenth Highness back!

Why did the other party become so powerful in the blink of an eye?

The balance of victory and defeat tilted too quickly!

Xiao Yuanshan's body fell heavily in front of everyone, the wounds on his body began to bleed, and his face was extremely ugly!

Everyone looked at Xiao Yuanshan, not knowing how to speak or how to comfort him!

"Emperor Xiao, you are not your opponent?"

Chen Ping looked at Xiao Yuanshan and asked!

Xiao Yuanshan shook his head: “No opponent. The strength of the child in front of me is too terrifying. With such strength at such an age, I’m afraid he is not a monk in the world of heaven and man.”

After all, there are thousands of worlds in the universe, and the world of gods and humans is just one of the insignificant worlds of cultivating immortals!

“Your Majesty, if not, you can use the secret method of your ancestors to absorb the power of luck from my Xiao Dynasty. Maybe you still have a chance!”

Yu Wenqiang said to Xiao Yuanshan!

“No, the luck of Xiao Dynasty is not mine. How could I absorb it casually?”

“Without luck, Xiao Dynasty may not be able to last long.”

Xiao Yuanshan shook his head!

Just as Xiao Yuanshan finished speaking, the sounds of earth shaking and mountains shaking came from all directions in the imperial city!

Then hundreds of thousands of troops swarmed in. Every soldier of the Xiao Dynasty was wearing a silver helmet and gold armor, and countless auras filled the sky above the imperial city!

Chapter: 7434

Facing an army of more than 100,000 people, His Royal Highness did not show the slightest panic, but was rather excited!

Xiao Yuanshan looked very solemn when facing hundreds of thousands of soldiers!

He did not give the order, but these hundreds of thousands of soldiers must have sensed the safety of the imperial city, so they came one after another!

Eighteen generals wearing golden armor and holding spears all knelt down in front of Xiao Yuanshan!

“We will return to the city without orders and ask Emperor Xiao to punish us.”

Eighteen generals said in unison!

They knew that leading troops to the imperial city without orders was a crime of rebellion!

Xiao Yuanshan looked at the generals in front of him and sighed softly: “Get up. You are also for the safety of my Xiao Dynasty, so I pardon you.”

“It’s just that your strength is still weak. If you all come here, you will die in vain...”

The reason why Xiao Yuanshan did not call all the soldiers back is because in this kind of battle, those who are too low-level can only be used as cannon fodder and are useless!

“Emperor Xiao, we are willing to dedicate our souls to protect the safety of our Xiao Dynasty.”

Eighteen generals said!

“No...” Upon hearing this, Xiao Yuanshan shouted loudly!

If he sacrificed his soul, there would be no chance of survival. He couldn't let these soldiers die!

After all, the Xiao Dynasty has not yet reached the point where they will die together in the end!

"Xiao Yuanshan, there are so many people in your Xiao Dynasty, but you bully one person, how shameless!"

With a cold shout, Zuo Tianzheng came volleying with hundreds of strong men!

Many of these powerful men are masters of the Mahayana realm, and they are all major forces in the five major regions of the heaven and human world!

Zuo Tianzheng was afraid that His Highness the Tenth Prince would not be able to deal with the Xiao Dynasty, so he gave an order to summon the members of the Demon-Sealing Alliance from the five major regions, and they all came in droves!

Of course, all those who came were experts, and some members of the Demon-Sealing Alliance with low levels did not come!

If these people also came, there would be hundreds of thousands of them, no less than the soldiers of the Xiao Dynasty!

In the previous battle, Xiao Dynasty lost many Mahayana masters!

But the Demon Sealing Alliance only lost the demon cultivators it had raised, and its true strength was not affected at all!

Seeing Zuo Tianzheng coming and bringing so many masters with him, everyone in the Xiao Dynasty looked grim!

Chapter: 7435

Chen Ping also stared at Zuo Tianzheng. This was the first time he saw the man who hunted him with a hundred years of sacrifice!

Zuo Tianzheng's eyes also fell on Chen Ping, with murderous intent surging in his eyes!

As the saying goes, enemies are extremely jealous when they meet!

But Zuo Tianzheng knew that killing Chen Ping was just a casual matter. The most important thing today was to make Xiao Dynasty obey or destroy Xiao Dynasty!

Seeing Zuo Tianzheng and others appearing, Xiao Yuanshan's expression became extremely solemn. He knew that Xiao Dynasty might really be over today!

The Tenth Highness has already made the Xiao Dynasty restless and embarrassed, and now Zuo Tianzheng has brought so many masters of the Demon Sealing Alliance!

Xiao Dynasty has no trump card, how can it continue to resist?

Everyone in the Xiao Dynasty also looked ugly. Facing so many strong men, the numbers could not make up for it!

"What are you doing here?"

His Highness the Tenth Prince glanced coldly at Zuo Tianzheng!

“I’m afraid of you, Your Highness Tenth...”

Before Zuo Tianzheng finished speaking, His Highness the Tenth Prince waved his hand!

Zuo Tianzheng flew backwards in an instant, looking miserable!

“Get out of here, I don’t want anyone to interrupt my cat and mouse game.”

His Highness the Tenth Prince said coldly!

Zuo Tianzheng was so frightened that he nodded repeatedly, and hurriedly greeted the people he brought with him and retreated a hundred miles!

He was afraid that the Tenth Highness would not be able to handle it on his own, and now it seemed that he did not appreciate it!

Zuo Tianzheng did not dare to offend the Tenth Highness, because he had truly seen the terrifying strength behind the Tenth Highness!

Xiao Yuanshan became even more nervous when he saw that His Highness the Tenth Prince had driven away Zuo Tianzheng and others!

This is enough to prove that the Tenth Prince in front of him has enough confidence in his own strength!

Xiao Yuanshan's face was very ugly. If the fight continued, he knew that he would lose his ability to resist if he didn't make three moves!

And listening to the cat and mouse game that the Tenth Highness talked about, it can also be proved that the Tenth Highness was deliberately playing tricks on them!

He probably didn't use all his strength. If he had used all his strength, Xiao Yuanshan didn't know whether he could be the enemy of the opponent's move.

But now, the only person who can deal with the Tenth Highness in front of me is myself!

Chapter: 7436

Seemingly sensing Xiao Yuanshan's dilemma, the eighteen generals kneeling on the ground glanced at each other, and then said in unison: "Emperor Xiao, we are determined to die for our country to protect our Xiao Emperor for generations to come..."

After saying that, the eighteen generals all took out their knives and swung them towards their necks!

Eighteen heads fell, and streams of white aura emerged from the bodies of the eighteen generals, and then shot straight into the sky!

Before Xiao Yuanshan could speak, hundreds of thousands of soldiers suddenly knelt down and shouted loudly: "We are determined to die for our country to protect our Xiao Dynasty for generations to come..."

After saying that, hundreds of thousands of soldiers also chopped off their heads with swords without any hesitation!

Countless breaths rushed towards the sky. These breaths merged in mid-air and formed a terrifying pressure!

His Royal Highness looked at everything in front of him, a trace of surprise flashed in his eyes!

Chen Ping looked at this scene dumbfounded. This was the first time he had encountered such a tragic thing!

The other people who were still alive in Xiao Dynasty were also deeply stimulated, and their fighting spirit, which was slowly disappearing, reached its peak at this moment!

Xiao Yuanshan looked at the corpses on that ground. Those were his soldiers!

Xiao Yuanshan, who should have been sad and angry, suddenly laughed at this moment!

But that smile looks so sad!

Xiao Feng and Xiao Jian's eyes were also full of anger, and the aura in their bodies was constantly expanding!

It looked like the two of them were planning to blow themselves up at any time!

The prince self-destructed, this may be the time for the Xiao Dynasty to fall!

"Hahaha...hahaha..."

Xiao Yuanshan raised his head and laughed, his body slowly disappeared and then appeared in mid-air!

Xiao Yuanshan's body was fused with the soul aura of hundreds of thousands of soldiers!

A golden light engulfed Xiao Yuanshan, and his figure was no longer visible in the air!

But soon, a figure walked out of the golden light!

But at this time, Xiao Yuanshan had already become much older, his hair had turned gray, and he looked like an old man!

But those eyes were full of anger, and there was an invisible pressure on him!

“Father...”

Xiao Feng and Xiao Jian saw this and shouted quickly.

Chapter: 7437

Xiao Yuanshan ignored them and walked towards His Highness Tenth Prince step by step!

With every step, the void boils like boiling water!

Now Xiao Yuanshan is no longer himself, but the soul of hundreds of thousands of soldiers!

Zuo Tianzheng, who was a hundred miles away, looked a little afraid when he looked at Xiao Yuanshan in front of him!

He was secretly glad that he did not lead anyone to attack Xiao Dynasty!

If these ten highnesses had not come forward, Zuo Tianzheng knew that their Demon Sealing Alliance would never be the opponent of Xiao Dynasty!

In terms of fighting will alone, Xiao Dynasty instantly killed the Demon-Sealing Alliance!

Hundreds of thousands of soldiers sacrificed their souls. What kind of will and determination is this?

Zuo Tianzheng knew that no one in the Demon Sealing Alliance would make such a decisive move. Even if the Demon Sealing Alliance was destroyed, no one would be willing to sacrifice their souls.

This is the gap, this is the gap between an alliance organization and a dynasty!

Similarly, this is also the power of faith. The soldiers and subjects of the Xiao Dynasty all have faith!

In the eyes of the people of the Demon-Sealing Alliance, all they have is profit. If the Demon-Sealing Alliance really collapses, many people will probably leave the Demon-Sealing Alliance one after another!

Xiao Yuanshan looked at His Highness the Tenth Prince, and without saying too much nonsense, he punched him with one punch!

This punch contains the hope and anger of hundreds of thousands of soldiers!

His Royal Highness no longer dared to be careless, and suddenly swung out the long knife in his hand!

Hundreds of thousands of soldiers cut off their heads without hesitation and sacrificed their souls. This kind of shock made him, a superior clan of gods, feel a sense of oppression!

You know, the Gods are the most noble ethnic group, and no ethnic group is as noble as the Gods!

Especially the human race, the most shameful one by the gods!

This is why His Highness the Tenth Prince has the ability to kill the enemy with one move, but he still wants to play it off!

He wanted to enjoy the fun of playing with these people and enjoy the feeling of being superior!

But at this moment, he no longer had that playful attitude and feeling in his heart!

He only felt that his heart seemed to be oppressed!

boom!

The chaos of heaven and earth seemed to merge into one!

Chapter: 7438

The entire imperial city was reduced to ashes under the aftermath, and the corpses of hundreds of thousands of soldiers also disappeared in an instant in the aftermath, turning into dust and blending into the entire universe!

The long knife in His Highness's hand shattered, and he retreated hundreds of miles in an instant!

There was no excitement on Xiao Yuanshan's face as he took another step!

There seemed to be countless lights between heaven and earth, like fireflies, surrounding Xiao Yuanshan!

Xiao Yuanshan knew that this was the dust turned into by hundreds of thousands of soldiers!

He is not fighting alone!

Bang!

Xiao Yuanshan punched out again, and this punch directly distorted the entire void.

When His Royal Highness saw this, his eyes narrowed slightly, and a ball of golden light lit up in his palm. Soon the golden light turned into a long knife again!

This long sword is almost identical to the long sword used by His Royal Highness just now, and the only difference is that in the center of this long sword, there is a golden light that is constantly traveling!

His Highness Tenth grabbed the long knife and slashed it down hard!

boom!

The knife fell hard and collided with Xiao Yuanshan's fist wind!

The collision of two terrifying forces caused a terrifying force to explode in all directions between the chaos of heaven and earth!

A kilometer deep pit appeared above the ground, like the mouth of an abyss, swallowing everything!

Everyone around was knocked away by this terrifying force!

After flying a hundred miles away, he stabilized his figure!

Everyone looked at it blankly, this terrifying power was too terrifying.

Xiao Yuanshan and His Highness the Tenth Prince were facing each other from a distance in the center of the imperial city. Both of them exuded terrifying power!

Others are hiding far away, and no one dares to get close!

Even Zuo Tianzheng looked shocked. If it had been him, he would definitely not have been able to catch the punch just now. Xiao Yuanshan, who had absorbed the souls of hundreds of thousands of soldiers, had made a qualitative leap in strength!

“Even if you have absorbed hundreds of thousands of souls, you are nothing more than this. If I kill you today, I can avoid the psychological suffering you will suffer later!”

His Royal Highness looked at the knife in his hand and said with a faint smile!

“I can die, but I must take you with me before I die. I must give an explanation to my hundreds of thousands of soldiers.”

Xiao Yuanshan’s eyes were full of murderous intent!

“Explain?” His Highness the Tenth Prince sneered: “You deserve it too!”

After saying that, His Highness the Tenth Prince was seen swinging the long knife in his hand towards Xiao Yuanshan fiercely!

Xiao Yuanshan did not dodge, and countless soul powers were used from his body to merge with the white light between heaven and earth!

Every white light is the life of a soldier!

These white lights condensed into a huge fist and bombarded His Highness Tenth!

This blow was a blow for hundreds of thousands of soldiers!

boom!

The two forces exploded, and countless sword lights and divine soul power surged between heaven and earth!

Even the people who had already retreated a hundred miles away felt the danger again and had no choice but to retreat again!

Chapter: 7439

“Why.....”

Suddenly, Yu Wenqiang sighed and shook his head slowly!

“Prime Minister Yu, what’s wrong?” Xiao Feng asked!

Yu Wenqiang didn’t say anything, but his face was very ugly!

“Emperor Xiao, I’m afraid I’m going to lose!”

At this time, Master Wuliang spoke!

“Master Wuliang, don’t talk nonsense. My father has the soul power of hundreds of thousands of soldiers. How can he lose?”

Xiao Jian said with some displeasure!

“Second Prince, although Emperor Xiao is blessed by the soul power of hundreds of thousands of soldiers, it is a pity that the luck of the Xiao Dynasty is weakening.”

“Can’t you sense it? If a country’s luck begins to weaken, it means it will be destroyed!”

“If the Xiao Dynasty is destroyed, can Emperor Xiao still win?”

Master Wuliang said slowly!

When everyone heard this, they were stunned. Everyone in the Xiao Dynasty didn’t know whether they should believe what Master Wuliang said!

Destroy the country!

If someone else said this, the masters of Xiao Dynasty would definitely become anxious, but now it was Master Wuliang who said it!

They have seen the skills of Master Wuliang before!

Everyone in the Xiao Dynasty looked extremely ugly!

The Xiao Dynasty is really destroyed, what will be their fate?

There are no eggs left when the nest is overturned, they still understand this truth!

At this moment, everyone in the Xiao Dynasty was silent. In the center of the imperial city, Xiao Yuanshan was still fighting fiercely with the Tenth Highness. As for the victory or defeat, no one could tell!

Xiao Feng and Xiao Jian clenched their fists tightly. They were the most nervous at this moment!

If the Xiao Dynasty is really over, then they will no longer be princes!

But even if Xiao Yuanshan wins, the Xiao Dynasty has suffered heavy losses now, and the surrounding forces will definitely be watching with eager eyes!

This time, regardless of winning or losing, it will be difficult for Xiao Dynasty to regain its past glory!

Chapter: 7440

What's more, this time it's just a child, a child who even respects Zuo Tianzheng of the Demon Sealing Alliance!

Who knows if there is a more terrifying force behind this child!

The Xiao Dynasty is just a small human force in the heaven and human world. How can it possibly compete with the gods?

The Demon Sealing Alliance has the support of the gods behind it, but it is beyond everyone's expectations!

Even Chen Ping was shocked this time. He did not expect that there was a huge force behind the Demon Sealing Alliance!

I didn't expect that this small world of heaven and humans hides so many masters!

A great formation of heaven and earth, who knows how many people in heaven have been trapped here to death!

Rumble.....

I don't know how many more rounds Xiao Yuanshan fought with His Highness the Tenth Prince!

Terrifying shock waves kept hitting everyone, and everyone had no choice but to retreat again and again!

By the end, everyone had withdrawn from the imperial city!

The originally magnificent and extremely splendid imperial city has now become a waste, and the ground is full of bottomless pits!

This is the capital of the Xiao Dynasty, but it has been completely destroyed!

When all the aftermath slowly dissipated, the figures of His Highness Tenth Prince and Xiao Yuanshan appeared in mid-air!

His Highness Tenth is still biting the lollipop in his mouth, and the golden long knife in his hand has also been chipped!

In the eyes of the Tenth Highness, there was still burning fighting spirit, and he looked like he was still unfinished!

But at this moment, Xiao Yuanshan looked very tired. He no longer had the pressure of being an emperor, and looked more like a dying old man!

The breath in the body also became weak, and the soul power of more than 100,000 soldiers was consumed!

“Why.....”

Xiao Yuanshan sighed helplessly, a complicated look flashed in his eyes!

Then Xiao Yuanshan’s body slowly fell down, stepping on the devastated imperial city, Xiao Yuanshan’s tears flowed down!

Although a man would not shed tears lightly, let alone an emperor like Xiao Yuanshan!

But at this moment, Xiao Yuanshan could do nothing more than shed a few tears for the dead subjects and soldiers!
