

## **The Order 7441**

Chapter: 7441

When Xiao Feng and the others saw this, they all rushed over.

When they saw Xiao Yuanshan crying, everyone in Xiao Dynasty was stunned!

You must know that Xiao Yuanshan is their backbone!

It's the god they believe in!

But now the gods in their hearts have collapsed, and their faith has collapsed!

In this battle, there will be no more Xiao Dynasty!

Xiao Feng and Xiao Jian clenched their fists, their faces pale!

Xiao Dynasty lost, completely lost!

The Tenth Highness was suspended above everyone's heads, his eyes sweeping towards everyone. No one dared to look directly at the Tenth Highness!

Scared, they were really scared!

Time and time again, the fighting spirit was ignited, but time and time again, it was suppressed!

At this moment, only Chen Ping raised his head. Although his body had not recovered, there was no fear on Chen Ping's face!

"Senior, I give my body to you, can you kill this little brat?"

"Don't worry about my body. Even if it is destroyed, it doesn't matter."

Chen Ping has no ability on his own, so he can only rely on Demon Lord Chiyun!

If Demon Lord Chiyun wants to deal with these ten highnesses, he must just wave his hand!

"Your physical body is too weak now, and I can't show my strength at all."

"Isn't there someone behind you? You can ask the expert behind you to come forward!"

Demon Lord Chiyun refers to Mr. Shi!

Because every time Chen Ping encounters a life or death crisis, Mr. Shi will suddenly appear!

As long as Mr. Shi appears, the Tenth Highness in front of him will be destroyed in minutes!

"I....."

Chen Ping was speechless because he couldn't contact Mr. Shi either!

Chapter: 7442

Every time, Mr. Shi would come suddenly and then leave suddenly. He had no idea where Mr. Shi was!

“Mr. Chen, I wonder if you can save Xiao Dynasty?”

Xiao Feng looked at Chen Ping and then said: “When you were injured, there was a middle-aged man with unfathomable strength. He said that you were the great opportunity for our Xiao Dynasty.”

“I wonder who that expert is? What is the great opportunity for our Xiao Dynasty?”

Xiao Feng remembered Mr. Shi’s words, so he looked at Chen Ping and asked!

Although Chen Ping is no match for His Royal Highnesses now, there must be someone behind Chen Ping. Otherwise, with Chen Ping’s strength, how could the Demon Sealing Alliance have been chasing him without success!

“this.....”

Chen Ping frowned slightly and was speechless. He knew that Xiao Feng and Demon Lord Chiyun were talking about Mr. Shi!

But he couldn’t contact Mr. Shi, how could he help?

At this moment, a voice suddenly came from the void!

“Practice is not easy, and you should not destroy your soul at will.”

Along with this voice, the entire imperial city was enveloped in white light!

In that white light, the souls of hundreds of thousands of soldiers slowly appeared!

boom!

The souls of hundreds of thousands of soldiers fell back to the ground in an instant!

Looking at the souls of hundreds of thousands of soldiers who suddenly appeared, Xiao Yuanshan was stunned!

Everyone in Xiao Dynasty was stunned!

You know, in the battle just now, Xiao Yuanshan exhausted the souls of these hundreds of thousands of soldiers, but at this moment, these hundreds of thousands of soldiers are back...

As long as the spirit is still there, then the death of hundreds of thousands of soldiers is not considered dead. They can slowly reshape their bodies!

Hundreds of thousands of soldiers looked at everything in front of them, and looked at their emperor with excitement!

They don't understand what's going on!

It was as if their souls had returned to the starting point after traveling around for a while!

Chapter: 7443

“Who is it? Who is the master who saved my Xiao Dynasty? We will worship him forever!”

Xiao Yuanshan was the first to kneel down in the direction of the sound!

Everyone in the Xiao Dynasty, as well as the hundreds of thousands of soldiers, all knelt down together!

His Royal Highness looked at the souls of hundreds of thousands of soldiers who had appeared, and his expression was extremely ugly!

He didn't know who was speaking!

But he struggled for a long time, but in the end he came up empty-handed!

The souls of the hundreds of thousands of soldiers of the Xiao Dynasty have all returned!

“Mr. Shi...”

Chen Ping's face was full of excitement, his body was trembling slightly, and he looked in the direction of the sound!

Mr. Shi's voice will never be forgotten by him!

“I didn’t do anything, so you don’t need to give me this big gift, right?”

At this time, an old Taoist holding a whisk came slowly from the sky!

Seeing the old Taoist appearing, Xiao Yuanshan and others were very excited. He thought that what happened just now was also done by this old Taoist!

“Is it him?”

Chen Ping looked surprised when he saw the person coming!

Because the person who came was none other than Lin Keting’s master, Taoist Wuji!

Zuo Tianzheng and others frowned when they saw the sudden appearance of Taoist Wuji!

None of them expected that Taoist Wuji’s strength would be so terrifying!

The souls of hundreds of thousands of soldiers had disappeared, but they were forcefully brought back!

Isn’t this too outrageous?

Even an immortal may not have such means!

“Senior...” Chen Ping saw Taoist Wuji and stepped forward to say hello!

Chapter: 7444

After all, Taoist Wuji has saved him several times!

Taoist Wuji looked at Chen Ping's weak look and said angrily: "My disciple's man has become like this. It's really embarrassing..."

After saying that, Taoist Wuji took out a colorful pill from his arms and threw it to Chen Ping!

"Eat it!" Wuji Daode said calmly!

Chen Ping took the pill and threw it into his mouth without any hesitation!

The pill melted in his mouth, and for a moment Chen Ping felt the breath in his body surge!

Xiao Yuanshan and the others saw that Taoist Wuji was coming for Chen Ping, and Chen Ping was the disciple of Taoist Wuji!

It seems that Xiao Dynasty is saved, Chen Ping is really Xiao Dynasty's chance!

"Senior, are you here to save me?" Chen Ping looked at Taoist Wuji gratefully and asked!

"no!"

Taoist Wuji shook his head, then waved his whisk, and a looming shadow slowly appeared!

“Taoist Wuwei?” Chen Ping was a little surprised when he saw the shadow!

“Junior brother, I didn’t expect that after so many years of not seeing each other, you have become a weakling.”

Taoist Wuji smiled slightly and said!

“Senior brother, your strength has declined so slowly after so many years. It seems that you are not greatly affected by the Heaven and Earth Formation.”

Taoist Wuwei looked a little surprised when he saw Taoist Wuji suddenly appeared!

“Hey, it can’t be done, it can’t be done!”

Taoist Wuji sighed, and then looked at the ten highnesses!

“Little kid, God is kind to you. I shouldn’t hit you, a kid like you.”

“But you hurt my junior brother, so I have no choice but to take action.”

Taoist Wuji said helplessly!

His Highness the Tenth Prince looked at Taoist Wuji coldly, and then snorted coldly: “Old bastard, are you here to die too?”

Chapter: 7445

"I'm looking for your mother..."

Taoist Wuji suddenly waved the fly whisk in his hand!

Buzz!

The world trembled, and the void squeezed together!

His Highness the Tenth Prince's pupils shrank suddenly, and the golden sword in his hand was directly blocked in front of him!

He had no chance to draw the sword, it was too late!

boom!

With a burst of white light exploding, His Highness the Tenth Prince flew backwards instantly, like a cannonball being shot out!

The golden sword in his hand also turned into ashes.

When everyone in the Xiao Dynasty saw this, they were overjoyed!

They were all already dead!

But suddenly a savior appears!

This sudden feeling of escaping from death made everyone in Xiao Dynasty ecstatic!

Some even couldn't stop laughing!

With just a few moves, His Highness the Tenth Prince who was suppressing everyone flew backwards!

This kind of strength is terrifyingly strong!

Seeing this, Taoist Wuwei and Master Wuliang let out a sigh at the same time!

"Master Wuliang, what's wrong with you?"

Xiao Jian asked Master Wuliang!

"Hey, if I hadn't been trapped for so many years, I could have easily slapped this little brat away."

Master Wuliang said!

Before the war between gods and demons, they were all immortals in heaven!

Where have you ever seen a monk under an immortal?

So what if the opponent is a god?

The Gods are just self-proclaimed nobles. In the eyes of others, they are just a bunch of arrogant guys!

Chapter: 7446

“Mr. Chen, who is this Taoist priest? The man who just seemed to say that you are his disciple?”

“Isn’t it possible that Mr. Chen is already married and has a dual cultivation partner?”

Xiao Feng asked Chen Ping!

Chen Ping just smiled bitterly and did not answer because he didn’t know how to answer!

What Taoist Wuji said was not a lie, it was also promised by Chen Ping himself!

Although Lin Keting said it later as a joke, Chen Ping himself couldn’t keep his words!

If Lin Keting needs him now, Chen Ping must also be obligated!

Who allowed himself to say that?

In the void, His Highness Tenth Prince was driven back a hundred miles away by Taoist Wuji with a gentle wave of his fly whisk. Zuo Tianzheng and others all had solemn expressions on their faces!

They never expected that Taoist Wuji would suddenly appear in the Xiao Dynasty, which had reached such a stage!

What kind of friendship can Taoist Wuji have with Xiao Huangchao?

When the Xiao Dynasty was in crisis, Taoist Wuji came to help?

Is it because of Chen Ping?

Zuo Tianzheng looked at Chen Ping with very complicated eyes!

His Royal Highness spit out the lollipop in his mouth, and his face finally became gloomy and solemn!

The blood on His Royal Highness's right wrist is soaking through the sleeve!

In that blow just now, the golden sword was not only shattered, but His Royal Highness was also injured!

His Highness no longer had that arrogant look, staring at Taoist Wuji!

Taoist Wuji smiled a bit, but there was a hint of ridicule in that smile!

Now the roles are completely reversed!

At first His Highness looked down on everyone, but now he is the one being looked down upon!

This kind of contempt made His Royal Highness feel a little broken!

“Old bastard, you deserve to die...”

After His Royal Highness finished speaking, he suddenly grabbed behind him!

Chapter: 7447

Originally there was nothing behind him, but now a sword appeared from the hands of His Highness the Tenth Prince!

The sword is slashing towards Taoist Wuji!

This sword, as fast as lightning, turned into a ray of light, and arrived in front of Taoist Wuji in the blink of an eye!

His Highness's sword is more ferocious than a knife!

Seeing the Tenth Prince slashing with his sword, Taoist Wuji did not move, but waved the fly whisk in his hand again!

boom!

The sword light shattered!

His Royal Highness once again retreated a hundred miles!

As soon as His Highness stopped, a ray of soul escaped from his body, but it only returned to his body in an instant!

At the same time, blood spurted out from His Highness's right arm, and the injury became even more serious!

This blow actually knocked out the spirit of His Highness Tenth Prince!

Outrageous, really outrageous!

"It's so awesome, so awesome..."

Xiao Jian looked at Taoist Wuji and said with shock on his face!

Xiao Feng also licked his lips: "It would be great if this Taoist priest can be used by my Xiao Dynasty!"

Xiao Yuanshan's face was full of envy: "It seems that there is still a long way to go in cultivation, too far..."

As the emperor of Xiao Dynasty, Xiao Yuanshan is also one of the best in Xiao Dynasty!

But now facing Taoist Wuji, his strength is not enough!

At this time, Taoist Wuwei, who was only a shadow, could not help but reveal a wry smile after listening to the words of several people!

His strength at the beginning was not inferior to that of Senior Brother Wuji!

Otherwise, he would not have been able to protect Xiao Dynasty!

It's a pity that over the past thousands of years, I have been trapped by the great formation of heaven and earth, and my strength has declined too seriously!

Now, it has declined to the point where even a Mahayana monk can't deal with it!

As for everyone in the Demon-Sealing Alliance, in addition to their gloomy faces at this moment, their bodies were trembling slightly!

Chapter: 7448

Many people also know Taoist Wuji and have heard of his name!

But no one thought that Taoist Wuji's strength would be so terrifying!

This is already beyond their knowledge!

If this continues, none of them will be able to escape!

Especially Zuo Tianzheng, in order to swallow up the Xiao Dynasty, he almost ruined all the demon masters he had accumulated over the years!

Now if Xiao Dynasty fails to win and kills the masters in front of them, the strength of the Demon Sealing Alliance will be greatly reduced!

He was a little afraid. If the strength of the Demon Sealing Alliance was greatly reduced, he might not even be qualified to be a dog for others!

Zuo Tianzheng set his sights on the Tenth Highness!

He hoped that these ten princes were just testing and did not use all their strength!

His Highness the Tenth Prince was full of anger at the moment. Looking at his injured arm, he gritted his teeth in anger!

He never thought that he would be injured in the heaven and human world!

You know, he is now at the ninth level of the Mahayana realm!

A being with such strength can reach the top in the world of gods and humans. How many masters of the Mahayana realm are there in the entire world of gods and humans?

As for those masters in the Immortal Realm, they are even less visible!

When they reach the Immortal Transformation Realm, many monks just don't care about worldly affairs and just wait to practice until they become immortals!

Therefore, the five major domain lords of the Heavenly Realm have not shown up for hundreds of years!

They are all masters of the Immortal Realm!

“Young children, no matter how big or small, just like an old bastard. If I don’t teach you a lesson, you really think you are invincible.”

Taoist Wuji said coldly to the Tenth Highness!

“Taoist Master Wuji, don’t show mercy, kill this little brat.”

“You can’t treat him like a child, he doesn’t deserve...”

Master Wuliang hurriedly shouted to Taoist Wuji!

In order to block the Tenth Highness, Master Wuliang used all means, and finally burned his own blood essence!

You must know that in the world of gods and humans, there is no way for him to get replenishment!

Chapter: 7449

With the burning of essence and blood, the strength must have dropped a lot!

Master Wuliang can’t guarantee whether he can beat the fourth or fifth level monks in the Mahayana realm now!

I thought I was an immortal in heaven, but now I am like this.

It is true that a tiger falls in Pingyang and is bullied by dogs, and a dragon swims in shallow water and is teased by shrimps. A successful cat is more powerful than a tiger, and a phoenix that has lost its feathers is not as good as a chicken.

“Master Wuliang, haven’t you always taught me to have a good life?”

Xiao Jian looked at Master Wuliang and asked!

“Second Prince, it depends on when. A pretentious brat like this must be killed to relieve his anger!”

After Master Wuliang finished speaking, he clasped his hands together: “Amitabha...”

Chen Ping couldn’t help but smile when he saw Master Wuliang like that!

At this time, His Highness’s expression was extremely ugly, and the arrogance in his heart had long since disappeared!

He knew he had met a real master!

He originally thought he just came to the kindergarten to beat up a bunch of kids!

But I didn’t expect that in addition to children, there were adults in the kindergarten. Now Taoist Wuji’s appearance is like an adult!

His Royal Highness has to pay attention!

His Highness the Tenth Prince stared at Taoist Wuji and did not launch an attack!

Taoist Wuji smiled coldly and took a step towards the Tenth Highness!

Take this step and wave the whisk in your hand at the same time!

When His Highness the Tenth Prince saw this, he could only smash the long sword in front of him!

At this moment, he has reached the time of passive defense!

There is no capital to take the initiative to attack!

Taoist Wuji can fight with him, or he can attack at any time!

His Royal Highness can only muster up enough energy to defend!

boom!

Two rays of light suddenly burst out, and a wave of light quickly spread out in the void!

Chapter: 7450

Seeing this, everyone could only retreat and dodge again!

This blow instantly made the sun and moon in the sky dull!

After the light wave passed by, not even the ruins of the walls were gone, they all turned into powder!

There are no buildings, no corpses, and you can't even tell that this was once a prosperous imperial city!

No matter Xiao Yuanshan or Zuo Tianzheng, a master in the Mahayana realm, they dare not underestimate the power of this blow!

Even if it was the aftermath, they didn't dare to try it, let alone get close!

After an explosion, there was silence for hundreds of miles, no sound, no living things!

Even the dust seems to have disappeared!

Taoist Wuji holds a fly whisk and stands calmly!

As for the Tenth Highness, his face was a little pale, and the hand holding the sword was trembling slightly!

This attack did not determine the winner, but who was stronger could still be distinguished at a glance!

That Tenth Highness is just resisting!

Just for the so-called arrogance of the Gods and the face of the Gods!

“old.....”

Just as His Highness Tenth was about to call out to the old bastard, Taoist Wuji's horrified gaze suddenly came to him!

Feeling the gaze of Taoist Wuji, His Highness the Tenth Prince changed his words and said: "Old Taoist, don't think you can defeat me, I'm just playing with you!"

His Royal Highness also wants to use words to regain some face for himself!

But among the people watching here, none of them is a master or a fool!

They can all tell who is stronger!

"Your Highness, if not, we should withdraw..."

Zuo Tianzheng followed His Highness the Tenth Prince and said!

He knew that if they continued like this, they would suffer in the end!

It's better to run away while the defeat is not complete now.

Zuo Tianzheng's words deeply hurt the heart of His Highness!
