

## **The Order 7451**

Chapter: 7451

“Fuck you, there is no one in our God Clan who can retreat.”

His Highness the Tenth Prince scolded Zuo Tianzheng, then suddenly grabbed his sword and rushed towards Taoist Wuji!

He wanted to earn back face for himself and show it to Zuo Tianzheng and the others from the Demon Sealing Alliance!

This sword was extremely domineering, and the sword light was everywhere in the Baili Void.

Taoist Wuji looked at the attacking Tenth Highness, his eyes still filled with contempt. In his eyes, the Tenth Highness was just a little kid!

He is also a child when it comes to playing tricks with swords.

When a sword struck, Taoist Wuji lightly swung his fly whisk out, doing so very casually, not deliberately resisting!

boom!

The fly whisk directly shattered the sword light, and Baili Void instantly became quiet!

His Royal Highness was not repelled by this blow!

Instead, he bit it, a mouthful of blood rolled in his chest, and he held in his breath without retreating!

Then another sword was swung!

Taoist Wuji blocked it with a whisk!

boom!

The void trembled, and Taoist Wuji remained motionless, as if he was driving away mosquitoes!

His Highness Tenth was going crazy, and he slashed down with the long sword in his hand one after another!

Countless sword lights are like torrential waves, coming one after another!

This wave of sword light dazzled everyone!

Taoist Wuji flicked the whisk in his hand, and each swing would shatter a wave of sword light!

The turbulent wave of sword light immediately became calm when it arrived in front of Taoist Wuji!

The sword light also disappeared, and finally merged into the void!

Taoist Wuji looks extremely relaxed!

But the Tenth Highness seemed to be in a hurry, and now he was making a judgment!

However, His Highness the Tenth Prince did not stop, just when waves of sword light were attacking Taoist Wuji!

A hint of cunning flashed in His Highness's eyes, and the sword in his hand was suddenly stained with his own blood!

Then he pointed his finger towards the void!

The void suddenly exploded, and a blood-red sword energy of a hundred feet crashed down from Taoist Wuji's head!

His Highness the Tenth Prince actually used a strategy. Just to paralyze Taoist Wuji, he suddenly used a killer weapon!

Seeing that Taoist Wuji didn't react, His Highness finally showed a smile!

Seeing that the whisk in Taoist Wuji's hand was only focused on resisting the sword light in front of him, it was unable to stop the bloody sword energy at all!

Chen Ping and all of them suddenly became nervous!

I thought that at this moment, Taoist Wuji's life was tied to all of them.

Chapter: 7452

If Taoist Wuji loses, then all of them will probably die.

Only if Taoist Wuji wins can they survive.

But who knows, Taoist Wuji didn't look at the bloody sword energy above his head!

After resisting the sword light in front of him, the whisk in his hand lightly stamped his foot!

The whole person turned into a ray of light and went straight towards the bloody sword energy!

At this time, everyone was confused!

I don't know what Taoist Wuji is going to do!

Even the Tenth Highness looked confused at this moment. Even if Taoist Wuji didn't hide or dodge, why did he take the initiative to greet him?

Taoist Wuwei looked at the scene in front of him and sighed softly, his eyes full of envy!

"Senior brother is showing off again, it's great..."

Taoist Wuwei knows that Taoist Wuji is trying to show off!

Although the bloody sword energy looks very powerful, it cannot hurt Taoist Wuji at all!

Now that Wuji Taoist suddenly walked towards the bloody sword energy, he was just showing off in front of everyone, and had no other purpose!

Taoist Wuwei knows it, but others don't!

That's why it is so shocking in the eyes of others!

boom!

Taoist Wuji unexpectedly collided with the bloody sword energy, making a deafening sound, and then countless sword energy shattered and surged out in all directions!

The entire void was dyed blood red, like brilliant red fireworks, which was quite beautiful!

Everyone looked nervously at the scene in front of them!

Especially everyone on Xiao Huangchao's side clenched their fists, their bodies were trembling slightly, and their palms were sweating!

You must know that this blow is related to their lives!

When the blood-red sword energy dissipated, everyone saw Taoist Wuji suspended in the void intact!

Taoist Wuji did not move a step!

Everyone in Xiao Dynasty breathed a sigh of relief and relaxed instantly. Some people even collapsed on the ground because they were too relaxed!

Chapter: 7453

Chen Ping felt relieved at this moment. Although his body was almost recovered, he still did not have the courage and strength to fight with the Tenth Highness!

The difference in realm is really too great!

He is only at the seventh level of the Tribulation Realm, but his opponent is at the ninth level of the Mahayana Realm. This kind of realm gap cannot be made up by even talented people, no matter how many methods and magic weapons they have!

Although Chen Ping breathed a sigh of relief at the moment, he was also under great pressure!

He must improve his realm as soon as possible. The Demon-Sealing Alliance even has monks at the ninth level of the Mahayana Realm. So what can he do with the Demon-Sealing Alliance to fight against them in the future?

This time, if it weren't for Xiao Huangchao's help in resisting and dragging the people from the Demonic Alliance, Chen Ping would have become a corpse long ago!

It's impossible for Mr. Shi to show up in time every time, right?

Everyone in Xiao Dynasty was happy, but everyone in the Demon Sealing Alliance looked ashen.

Zuo Tianzheng stared at Taoist Wuji, then turned to look behind him and said: "Get ready to take action. We will fight in a group in a while. If this continues, I'm afraid His Highness will not be able to bear it."

"Leader, let's do it together, I'm afraid..."

It was useless for a monk to want to do something together, but seeing Zuo Tianzheng's terrifying eyes, he didn't say anything in the end!

In the void, His Highness the Tenth Prince looked at Taoist Wuji, and finally had to admit: "You are really a good old Taoist!"

"Between each other, I'm old enough to fight you as a little baby, my face will be dull..."

Taoist Wuji waved his hand and said!

Hearing what Taoist Wuji said, His Highness the Tenth Prince immediately rolled his eyes!

Just now, Taoist Wuji had no intention of giving in. Now he is saying that his face is shameless?

Everyone looked speechless when they saw Taoist Wuji like that!

"I'm not a little baby, it's just my physical body. I've lived for hundreds of years."

His Highness Tenth said!

"Same, I've lived for almost ten thousand years, so it's normal to call you a little baby."

"If you have nothing to do, just go home and find your mother to nurse. Don't imitate adults and always fight and kill!"

Taoist Wuji persuaded His Highness the Tenth Prince!

But this persuasion sounds awkward, like ridicule!

“Are you insulting me?” His Highness the Tenth Prince’s eyes narrowed slightly!

Chapter: 7454

“Did you go, yes!”

Taoist Wuji nodded!

Everyone in Xiao Huangchao was speechless when they heard what Taoist Wuji said!

Wuji Taoist, who looks so upright and has a straight body, is so funny when he talks?

“Old bastard, you are not insulting me, you are insulting our entire temple. You will regret it!”

After His Highness the Tenth Prince finished speaking, the long sword in his hand was like a bolt of thunder, swung directly towards Taoist Wuji!

This sword shakes the heaven and the earth!

Even people hundreds of miles away felt a terrifying pressure!

Chen Ping looked shocked. He really couldn’t understand why there was power behind this Demon Sealing Alliance!

What is this temple?

How come the forces in the heavenly world are just like the companies in the secular world!

They are all like matryoshka dolls, parent company, subsidiary company, subsidiary company, subsidiary company...

What is this for?

Is there any power behind this temple?

In this case, am I still facing the Demon Sealing Alliance?

Chen Ping was speechless!

“Leader, do we want to come together?”

At this time, the monk from the Demon Alliance who had not finished speaking just approached Zuo Tianzheng and asked!

Zuo Tianzheng felt the pressure and looked very embarrassed!

He wanted to do it together, but now the pressure made them unable to move at all!

Even if they want to do it together, they are afraid that they will all be reduced to ashes before they get close!

The monk saw Zuo Tianzheng's ugly face and secretly laughed!

He asked on purpose, just to embarrass Zuo Tianzheng!

Don't you know what your strength is?

Chapter: 7455

It is simply retarded to want to fight in a group in this situation!

Taoist Wuji snorted coldly and waved his whisk!

boom!

The sword light shattered and His Highness retreated hundreds of miles!

But Taoist Wuji still didn't move at all!

Not even a trace of fatigue can be seen!

"What's the matter with you? If it's because you haven't eaten, I can allow you to go back to breastfeed, and you can give it again when you come back."

Taoist Wuji said!

“grass.....”

His Royal Highness looked gloomy, and suddenly took a step forward, and something like a diamond-shaped crystal appeared in his hand!

From within that thing, a ray of light soared into the sky!

Immediately afterwards, countless mysterious powers came from unknown sources, and then gathered in the body of the Tenth Highness.

At the same time, the long sword in his hand began to buzz, and a figure loomed above the long sword!

“Sword Spirit?”

Seeing the figure with the sword in His Highness’s hand, Chen Ping immediately recognized it. It was the Sword Spirit!

These Tenth Highnesses are so powerful that it is normal for the sword in their hand to have a sword spirit!

As the mysterious power entered His Highness’s body, His Highness’s body slowly began to become illusory!

A series of terrifying swordsmanship shook the surroundings!

When everyone saw this, they began to retreat in a hurry!

But the speed of the sword movement was so fast that many people had no time to retreat!

Seeing this, Xiao Yuanshan hurriedly took action, and then created a barrier to protect everyone!

But the barrier was instantly defeated by the sword, and it couldn't hold on for even a second!

Xiao Yuanshan's face was extremely ugly!

He just fought, and his strength was greatly depleted!

Chapter: 7456

And Master Wuliang and Master Wuwei are unable to block this raging sword at this moment!

"Everyone in Xiao Dynasty block this sword!"

After the old prime minister finished speaking, he took the lead to take action!

Barriers were waved out one after another, and upon seeing this, the other masters of the Xiao Dynasty also waved the barriers desperately to protect everyone!

But these barriers, in front of the sudden burst of swordsmanship, were so fragile that they were no longer as good as a piece of paper!

The expressions on every Xiao Dynasty master's face became very ugly!

“I’ll come...”

When Chen Ping saw this, he stood up!

“Mr. Chen, you can’t stop this swordsmanship...”

Xiao Yuanshan looked at Chen Ping and said!

There are so many of them who can’t stop them, how can Chen Ping do it alone!

Moreover, Chen Ping’s strength is only at the seventh level of the Tribulation Realm.

“Don’t worry, Emperor Xiao, I’m not using my strength, I’m using treasures!”

After Chen Ping finished speaking, he sacrificed the dragon-patterned clock directly from the storage ring!

In the sky, a big bell suddenly appeared!

As the big bell grew bigger and bigger, it trapped Chen Ping and all of them inside!

Everyone in the Xiao Dynasty was shocked, not knowing what this dragon pattern clock was!

Doesn’t this trap them inside?

But before Xiao Yuanshan could ask Chen Ping, the bell rang!

The turbulent swordsmanship kept hitting the dragon pattern bell!

Although it made a series of sounds, it couldn't hurt the people inside the Dragon Pattern Bell at all!

The appearance of the Dragon Pattern Bell surprised His Royal Highness, Zuo Tianzheng and others!

Taoist Wuji also took a second look!

The sword path passed by, and then an invisible sword slashed towards Taoist Wuji!

Chapter: 7457

This is the Intended Sword, invisible and the most deadly!

Chen Ping realized that Kendo had left, and then raised the dragon pattern bell!

Just the sword movement from the long sword just now made Chen Ping and the others miserable!

And now this invisible sword is slashing at Taoist Wuji, how terrifying it is!

Taoist Wuji remained motionless, and the whisk in his hand was still waving feebly!

boom!

The invisible sword exploded instantly!

But at this moment, the sword in His Highness's hand unexpectedly reached Taoist Wuji's head on his own initiative!

The sword spirit appears, and the long sword can attack independently!

In this way, His Royal Highnesses will have one more helper!

Seeing the sword being controlled by the sword spirit, everyone in the Xiao Dynasty could not hide their nervousness!

One Tenth Highness was already so powerful, and now a Sword Spirit appeared, two against one!

Can Wuji Taoist continue to maintain it?

At this moment, Taoist Wuji moved!

The body suddenly rushed to the sky, very fast!

Behind him, sword power erupted one after another, constantly chasing Taoist Wuji!

The sword power exploded like fireworks, and then emitted countless sword energy!

The sword energy fell like raindrops!

The figures of His Royal Highness and Taoist Wuji are now invisible!

No one knows whether His Highness the Tenth Prince with Sword Spirit is the opponent of Taoist Wuji!

At this time, both Xiao Yuanshan and Zuo Tianzheng had their hearts in their throats!

Because no one knows who wins and who loses!

In the sky, everyone could only see bursts of faint white light flashing by!

The specific battle can no longer be seen!

Chapter: 7458

About a dozen breaths in between!

Taoist Wuji has returned with all ten of His Highnesses!

There is no difference between the two of them, let alone who wins and who loses!

Everyone wanted to ask, who of the two had won, but no one dared to ask!

The world fell into deathly silence!

“puff.....”

Suddenly, His Highness Tenth spurted out a mouthful of blood!

“Old bastard, just wait for me, I will definitely seek revenge on you.”

After saying that, the figure of His Royal Highness instantly turned into an afterimage and disappeared!

His Royal Highness ran away!

Only Zuo Tianzheng and others were left, looking at each other in shock!

These people from the Demon Sealing Alliance are all stupid!

Especially Zuo Tianzheng, didn't His Highness the Tenth Prince just say, how could the people of the God Clan retreat? That would be a humiliation to them!

But what now?

It's not considered a retreat, but an escape?

Wouldn't it be more embarrassing to run away?

And you left your own people behind and ran away?

Zuo Tianzheng wanted to curse, but this was not the time to curse!

“Leader, what should we do?”

A monk asked!

Zuo Tianzheng cleared his throat and pretended to be calm: "Don't be afraid, hold on steady..."

After saying that, Zuo Tianzheng's figure disappeared instantly and turned into an afterimage and ran away!

When the others saw this, they immediately ran away!

If you don't run, what are you waiting for?

Waiting to be killed?

Chapter: 7459

Taoist Wuji looked at the people who were escaping, but did not make any move or pursue them!

Although these guys from the Demon Sealing Alliance deserve to die, Taoist Wuji doesn't want to kill them yet!

What's more, Taoist Wuji has no friendship with Xiao Huangchao. This time, he took action solely for his junior brother, Taoist Wuwei!

Everyone in the Xiao Dynasty stopped chasing after him!

They know that even if they catch up, they are no match!

The losses in Xiao Dynasty's battle were too serious. Many people were injured and had no ability to fight with the Demon-Sealing Alliance!

Now that the people from the Demon Sealing Alliance have escaped, everyone in Xiao Dynasty breathed a sigh of relief!

But they know that Xiao Huangchao will definitely not give up!

But as long as this Taoist Wuji is in Xiao Dynasty, then Xiao Dynasty can sit back and relax!

Everyone in Xiao Huangchao looked at Chen Ping!

They all thought that Taoist Wuji was the force behind Chen Ping. After all, Chen Ping was the disciple of Taoist Wuji!

They hope that Chen Ping will speak up and leave Taoist Wuji behind!

Chen Ping felt the gazes of everyone in Xiao Huang Dynasty, and of course he knew what they meant!

Chen Ping looked at Taoist Wuji and opened his mouth to say something, but he still couldn't!

Taoist Wuji ignored everyone, but looked at Taoist Wuwei who had only a ray of soul left and said: "Junior brother, come with me, I will help you reshape your body!"

After saying that, Taoist Wuji waved his sleeves, and Taoist Wuwei's spirit disappeared!

Taoist Wuji also slowly disappeared under the gaze of everyone!

At this moment, everyone in Xiao Dynasty looked at Chen Ping in confusion!

“Mr. Chen, I wonder why you don’t try to retain Taoist Wuji?”

Xiao Feng asked Chen Ping!

“I...” Chen Ping opened his mouth and sighed softly: “Even if I try to persuade him to stay, Taoist Wuji will not stay!”

Seeing Chen Ping like that, Xiao Yuanshan seemed to understand something, and then said: “The people from the Demon Sealing Alliance should not come again in a short time. We all should heal our wounds as soon as possible!”

“There are hundreds of thousands of soldiers, and it will be a long process to restore their bodies...”

“Emperor Xiao, I have friends who specialize in soul-shaping and body-building exercises. I can notify them to come and help.” Chen Ping thought of the Soul Demon Sect and said!

Chapter: 7460

“That’s great, please trouble Mr. Chen!”

Xiao Yuanshan said happily!

Chen Ping was a little ashamed. Xiao Huangchao became like this entirely because of him. He should do these things!

Chen Ping used the jade slip to contact Zhe Yan. Now Zhe Yan is the uncle of the Soul Demon Sect and has the right to speak!

After receiving the notice from Chen Ping, Zhe Yan immediately took action and rushed to Xiao Dynasty with Jiang Yulian and the disciples of the Soul Demon Sect!

With the help of people like the Soul Demon Sect, the hundreds of thousands of soldiers of the Xiao Dynasty will be able to reshape their bodies much faster!

The imperial city was destroyed, Xiao Yuanshan could only take everyone to settle in other cities!

The Xiao Dynasty didn't just have an imperial city, there were dozens of cities, large and small!

Although Xiao Dynasty did suffer a lot of losses this time, fortunately the main characters are still alive!

The foundation of Xiao Dynasty is still there, and it is not difficult to restore it!

Chen Ping was in Xiao Dynasty, practicing elixirs day and night, and treating the injured monks of Xiao Dynasty!

These days have been a huge drain on Chen Ping, but Chen Ping did it voluntarily!

"Mr. Chen, I have ordered people to transport resources and medicinal herbs from all over the Xiao Dynasty for your use."

Xiao Yuanshan has also seen Chen Ping's hardships in the past few days, so he ordered people to transport resources from everywhere at all costs!

"Xiao Huang, you should keep those resources. Now many people in the Xiao Dynasty need resources to recover."

"I plan to leave Xiao Dynasty and deal with my own affairs!"

Chen Ping said to Xiao Yuanshan!

"Mr. Chen is leaving?" Xiao Yuanshan was stunned and looked a little solemn!

Chen Ping is here. If the people from the Demon Sealing Alliance come to take revenge, the forces behind Chen Ping will help!

If Chen Ping leaves, who will care about the life and death of Xiao Dynasty?

Chen Ping saw Xiao Yuanshan's worry and hurriedly said: "Don't get me wrong, Prince Xiao. I'm just leaving temporarily. I have left the jade slip for transmitting messages to Prince Xiao. As long as something happens to Prince Xiao, I will come back right away. "

When Xiao Yuanshan heard this, he finally relaxed and nodded!

At this moment, Xiao Yuanshan was actually a little speechless. The majestic Xiao Dynasty, almost the largest force in the world of heaven and humans, now needs the protection of Chen Ping, a seventh-level monk in the Tribulation Realm!

This does sound ironic, but there is nothing you can do about it. Who makes the forces behind Chen Ping even more terrifying!
