

## **The Order 7481**

Chapter: 7481

The Demon Sealing Alliance Headquarters!

Zuo Tianzheng served Na Luota respectfully. No matter what Luota needed, Zuo Tianzheng would find a way to satisfy it!

Who knows that this Luo Ta is from the temple, and he is also a high-ranking worshiper in the Tenth Hall!

Otherwise, the Lord of the Tenth Hall would not have let Luo Ta deal with that Taoist Wuji!

When Luo Ta arrived at the Demon Sealing Alliance headquarters, he did not go to Xiao Dynasty immediately, but enjoyed it for a few days!

I asked Zuo Tianzheng to find a dozen female cultivators, and they practiced dual cultivation day and night!

Among the ten halls, Luota is just a high-level enshrinement, and there is also the master of the ten halls above.

He didn't dare to be presumptuous at all, let alone find a female cultivator!

You must know that the female cultivators of the God Clan are also extremely arrogant. Without some real ability, the female cultivators will not agree to dual cultivation!

But it's different when it comes to the Demon-Sealing Alliance. Regardless of whether the female cultivators agree or not, they will be forced by the Demon-Sealing Alliance's power and have no choice but to serve Lota!

"Leader, this has been going on for several days. Not only has this person consumed a lot of resources, but he also has to be taken care of by a female cultivator."

"Many people below have expressed their opinions. Many families are no longer willing to provide female nuns."

An elder from the Demon Sealing Alliance reminded Zuo Tianzheng in a low voice!

Zuo Tianzheng was actually in a dilemma. After Luo Ta arrived, he did not mention the matter of dealing with Xiao Huangchao. He did not dare to mention it!

What's more, Zuo Tianzheng doesn't know how strong this Luota is!

Can you defeat Taoist Wuji?

If they couldn't win, wouldn't it put them, the people of the Demon Sealing Alliance, in danger?

Last time, Taoist Wuji didn't take action, and everyone in Xiao Dynasty was injured and didn't pursue him, so Zuo Tianzheng and his men escaped!

If they go again this time and this Luota is killed by Taoist Wuji, can they still escape and come back?

Just when Zuo Tianzheng didn't know what to do, Luo Ta walked into the hall with satisfaction!

His eyes were full of arrogance. Even though he was serving him like this, Luo Ta didn't even look at Zuo Tianzheng and the others!

In Luo Ta's eyes, Zuo Tianzheng and the others from the Demon Sealing Alliance are nothing more than humble servants!

How could these people compare with these noble gods!

If the Gods hadn't suffered such a disaster, it would have been impossible for the temple to cooperate with ordinary monks like Zuo Tianzheng and others!

Chapter: 7482

"Luo Zongfeng, are you satisfied with the female cultivators you found?"

Zuo Tianzheng hurriedly stepped forward, nodded and bowed and asked!

"Yes, I'm quite satisfied. Although you ordinary monks don't have much ability, this woman is really fun!"

Lotta licked her lips and said!

Zuo Tianzheng felt sick in his heart after listening to Luo Ta's words, but he still said with a smile on his face: "As long as Luo Zongfang is happy, I wonder when we can go to Xiao Dynasty?"

"That's it now. After enjoying these few days, I also need to stretch my muscles!"

Lotta said calmly!

“Luo Zongfeng, that Taoist Wuji is so powerful that even His Highnesses were defeated by him, so...”

Zuo Tianzheng wanted to remind Luo Ta not to underestimate the enemy!

But before he finished speaking, from Luo Ta’s look, Zuo Tianzheng trembled slightly and did not dare to speak anymore.

“Alliance leader...”

At this time, Sect Leader Zhou came with his disciples Tianluo and Tiansha!

“Sect Master Zhou, what’s the matter with you?”

Zuo Tianzheng looked ugly when he saw the sect leader this week!

This guy, every time I send him out, others die, but this guy always comes back!

This made Zuo Tianzheng very unhappy, thinking that the Zhou clan leader was greedy for life and afraid of death, and did not contribute at all!

“Leader, to deal with the Xiao Dynasty, I’m afraid it won’t be possible to defeat the Wuji master alone!”

Sect Master Zhou said!

“Why not? Where are the experts in Xiao Dynasty? Even Xiao Yuanshan is no match.”

Zuo Tianzheng looked at the Zhou sect leader in confusion and said dissatisfied!

“Leader, don’t forget that Chen Ping is still in the Xiao Dynasty, and according to my investigation, the reason why Chen Ping is able to turn dangers around again and again is because there is a strong person behind him, possibly a strong person in the Immortal Realm.”

“This strong man is probably even more powerful than Wuji Lao Dao. In front of this strong man, a fourth-level monk in the Mahayana realm can be killed with just one look.”

Sect Master Zhou said!

Zuo Tianzheng frowned: “Sect Master Zhou, I know you are timid and run away when in danger, but you are not so frightened that you are exaggerating about Chen Ping, right?”

Chapter: 7483

“Our Demon-Sealing Alliance has been chasing Chen Ping for so long. If there is a powerful person from the Immortal Transformation Realm behind Chen Ping, why not destroy our Demon-Sealing Alliance?”

“This...” Sect Master Zhou didn’t know how to explain it for a while!

However, Luo Ta on the side became interested: “A master in the Immortal Realm? Is he more powerful than the Wuji master?”

“It should be!” Sect Leader Zhou nodded!

“It should be? Have you seen that person take action?” Lotta asked!

“No!” Sect Master Zhou shook his head: “But the strong man behind Chen Ping rarely takes action. Every time he takes action, it is when Chen Ping is in danger, but once he takes action, Chen Ping will definitely be relieved of danger. ”

“That’s it?” Luo Ta smiled!

“That’s all!” Sect Master Zhou nodded!

“Hahaha, I’ve heard about it too. How strong can the enemy be if Chen Ping, a monk who has not reached the seventh stage of the Tribulation Realm and has not even reached the Mahayana Realm, is in danger?”

“It doesn’t mean anything if the strong man behind him takes action? I can kill a fourth-level Mahayana monk with just one look...”

After saying that, Luo Ta stared at the sect leader Zhou!

This time, the sect master Zhou was so frightened that he knelt down in a hurry, not daring to look directly at Narota!

Zuo Tianzheng was also panicking at the side and said hurriedly: “Luo Chongfeng, no matter what the level of the strong man behind Chen Ping is, he is definitely not Luo Chongfeng’s opponent.”

Zuo Tianzheng knew that these gods were extremely arrogant, so they had to flatter them!

Sure enough, after Zuo Tianzheng finished speaking, Naluota slowly withdrew his eyes, smiled coldly and said: “No matter what kind of strong man it is, or that Wuji old man, I will just kill them all!”

“Yes, yes, Luo Gongfeng takes action, no one can defeat him...”

Zuo Tianzheng hurriedly agreed!

Sect Master Zhou did not dare to speak anymore. He originally wanted to remind him, but he almost lost his life by reminding him!

Seeing Zuo Tianzheng's flattering look, Luo Ta sneered: "I know you think I'm talking big words, but I don't blame you. After all, you haven't seen the world. I'm afraid you haven't even seen the masters of the Immortal Realm."

"Your so-called masters are worthless in my eyes. With just one punch from me, the strong ones in your eyes can be wiped out!"

Zuo Tianzheng bowed and could only nod and smile, saying repeatedly: "Yes, yes..."

But Zuo Tianzheng knew that this Luota was just bragging, but who dared to refute him?

If he was really that awesome, His Highness the Tenth Prince wouldn't have been beaten by Taoist Wuji and fled in panic!

We all know that people from the Protoss like to brag, but I didn't expect that they like to brag so much!

Chapter: 7484

"Come on, accompany me to the Xiao Dynasty. I want you to see with your own eyes how I killed the so-called strong man and the Wuji veteran with one punch!"

After Luo Ta finished speaking, he walked out of the hall!

Zuo Tian was following closely behind, and the sect leader Zhou didn't dare to stand up until he walked out of the hall in Luota!

"Sect Master, what should we do?" Tian Luo asked!

"Let's go, follow him, but stay far away. I want to see with my own eyes how this guy who likes to brag died tragically."

"The strong person behind Chen Ping is definitely not simple. This is what I found out after a lot of effort."

"Since they don't believe anyone, let's try it."

"If Narota wins, we will also take advantage of it. If he loses, we will turn around and run away. None of you are allowed to conflict with the people of the Xiao Dynasty!"

Sect Leader Zhou warned Tiansha and Tianluo!

"Understood!" Tianluo and Tiansha both nodded!

Xiao Dynasty!

Chen Ping followed Ji Yun on the airship and returned to the Xiao Dynasty!

Along the way, because of Zhongli's company, Chen Ping was no longer lonely and played and sang every night!

It's just that Ji Yun is suffering, acting as a light bulb every day!

After arriving at Xiao Dynasty, Xiao Yuanshan, Xiao Feng and others came to greet Chen Ping in person, and brought with them a dozen strong men from Xiao Dynasty!

When Chen Ping stepped off the airship, these people were all stunned!

Chen Ping has actually reached the ninth level of the Tribulation Realm!

That's outrageous!

You must know that when Chen Ping just left, he was only at the seventh level of the Tribulation Realm. How could he be promoted to the ninth level of the Tribulation Realm after being away for just a few days?

Isn't this too perverted?

Elevate two realms at once?

Although there are legends about ascending to two realms, no one has ever seen it!

Now seeing Chen Ping rising to two realms at once, everyone was shocked!

"Mr. Chen, you must have had some adventure this time, right?"

Chapter: 7485

Xiao Yuanshan asked very curiously!

Chen Ping shook his head: "There was no adventure, I just repaired the sword in my hand."

In the Sword Washing Pond of the Weapon Refining Sect, Chen Ping didn't feel that it was any kind of adventure!

"Your Majesty, the people from the Demon Sealing Alliance are here..."

Just when Xiao Yuanshan was greeting Chen Ping, someone suddenly came to report!

Everyone raised their fists and looked up, and found that dozens of strong men from the Demon Sealing Alliance were coming quickly in the void of Cong Tian!

The leader is still that Sect Leader Zhou!

These people are all in the Mahayana realm and have strong auras!

At this time, Sect Master Zhou also had a sad look on his face. He originally wanted to be a bystander, but then ran away when he saw something was not going well!

But he didn't want to be directly regarded as an avant-garde by Zuo Tianzheng!

Zuo Tianzheng and Naluota were behind everyone!

It will be difficult for the sect leader to escape this week!

When the people of the Demon-Sealing Alliance arrived in front of them, the eyes of these powerful men from the Xiao Dynasty burst out with hatred!

Sect Leader Zhou set his sights on Chen Ping!

When he saw that Chen Ping had reached the ninth level of the Tribulation Realm, his face changed slightly, and he was extremely shocked!

How did this guy improve so quickly?

Too perverted!

Sect Leader Zhou's face was gloomy and his expression was solemn!

Xiao Yuanshan, on the other hand, stared behind Sect Master Zhou and others, his eyes full of worry!

"The Demon-Sealing Alliance has found another master..."

Xiao Yuanshan said worriedly!

Chen Ping can also sense the aura in the distant sky, he is an absolute master!

It is possible that it is higher than the strength of those ten highnesses!

Chapter: 7486

However, Chen Ping's realm has improved now. When the time comes, he may be able to resist if Demon Lord Chiyun takes control of his body!

"I don't know if Taoist Master Wuji will come again this time!"

Xiao Feng said!

Chen Ping said nothing. After all, Taoist Wuji was not here for him!

Buzz!

Suddenly, the sky trembled, and the next moment, Zuo Tian was slowly coming from the void following Na Luota!

Lotta is several meters tall and looks very fierce!

Zuo Tianzheng was following Luo Ta, looking submissive!

The appearance of Rota caused the entire void to twist!

With every step you take, the buildings beneath your feet will turn into ashes!

When everyone in the Xiao Dynasty saw this, their expressions were extremely ugly!

Especially Xiao Yuanshan, his brows twisted into the character “Sichuan”!

“Welcome Luo to worship...”

Sect Leader Zhou led dozens of Mahayana realm masters from the Demon Sealing Alliance and all saluted Luota!

This is also to give Luo Ta face, so that Luo Ta can show off in front of everyone in the Xiao Dynasty!

Lotta was very pleased with it, with a slight smile on his face!

Xiao Yuanshan stared at Naluota, his expression solemn as never before.

“This person’s strength is probably higher than that of the Tenth Highness...”

Chen Ping said slowly!

Xiao Yuanshan said nothing, and of course he could see it. He didn’t expect that there would be so many powerful people behind the Demon Sealing Alliance!

One Tenth Highness put the Xiao Dynasty into a desperate situation, and now this person is stronger than those Tenth Highness!

The Xiao Dynasty is in danger...

Chapter: 7487

“Where is the old bastard Wuji?”

Lotta asked!

Everyone was slightly shocked, and then turned their attention to Chen Ping!

Chen Ping was a little speechless. Looking for Taoist Wuji, it all depends on what he does?

It’s not like I called Taoist Wuji here!

“Luo Zongfeng, that young man is Chen Ping. There is a strong man behind him, and Taoist Wuji also came to help him.”

Zongzhu Zhou pointed at Chen Ping and said!

Luo Ta looked at Chen Ping with a bit of disdain in his eyes: “That old bastard Wuji is here to help you, so just call him out.”

“And the strong man behind you, call them out together and let me clean them up together, so as not to waste time.”

“I don’t know where Master Wuji is, and he’s not here to help me.” Chen Ping shook his head!

“Luo Zongfeng, this Chen Ping will only appear when his life is threatened when he is about to die, and the strong man behind him will appear.”

Zuo Tian was whispering in Luo Ta's ear!

"Still going to such trouble?"

Luo Ta frowned slightly: "If you let me attack a young monk in the Tribulation Realm, wouldn't I be laughed at?"

"Go and deal with that kid. Just beat him to serious injuries. Don't kill him, lest the strong man behind him stop coming."

"Yes!" Zuo Tianzheng nodded, but looked at Sect Master Zhou and said, "Sect Master Zhou, I'll leave Chen Ping to you. You go and take care of him."

"Shall I go?" Upon hearing this, Sect Master Zhou was a little reluctant!

"What? You, a fourth-level monk in the Mahayana realm, can't deal with him in the Tribulation Realm?"

Zuo Tianzheng narrowed his eyes and said!

"Leader, this kid can't just look at his level. He can fight beyond his level."

"I'm afraid..."

Sect Leader Zhou didn't want to take action because he knew that Chen Ping couldn't just look at the realm in front of him!

And he still needs to conserve his strength for use in escaping!

“Don’t you have two more disciples? It’s okay for all three of you to come together.”

Chapter: 7488

“If you don’t do it, don’t blame me for being rude.”

Zuo Tianzheng threatened Zhou Zongzhu!

He just wanted to get Zhou Zong to take action and save this guy from always thinking about escaping!

Seeing this, Sect Leader Zhou could only nod in agreement, and then looked at Chen Ping!

“Boy, do you dare to challenge me?”

Sect Leader Zhou asked!

Chen Ping looked at Sect Master Zhou and shook his head.

“What? You don’t dare? Do you still want to start a group fight?”

“You have to think clearly, if a group fight occurs, all of you will die!”

Sect Master Zhou said!

“I don’t want to start a group fight, I just want to challenge the three of you, master and disciple, alone.”

“On your own, it’s really meaningless...”

Chen Ping smiled disdainfully!

Now that he has reached the ninth level of the Tribulation Realm, and the Dragon-Slaying Sword has been restored, the sword spirit Zhongli has also recovered, so Chen Ping doesn’t look down on a fourth-level Mahayana monk at all!

“Boy, you have such a loud tone. You want me to destroy your majesty...”

When Tiansha saw that Chen Ping looked down on their master and apprentice, he immediately became angry!

A blood-red sword instantly appeared in his hand, and he jumped up and headed straight for Chen Ping!

“God, don’t be reckless...”

Seeing this, Sect Master Zhou quickly shouted a reminder!

But at this time, Tiansha had already charged towards Chen Ping!

The blood-red sword in his hand slashed out thousands of red lights with one strike!

At the second level of the Mahayana realm, he is considered a master in this world of gods and humans!

Just this sword strike made many people's expressions change slightly!

"Mr. Chen, let me help you..."

Chapter: 7489

Xiao Jian saw this and wanted to help Chen Ping block this evil.

Xiao Jian's strength is higher than that of Tiansha, so if we fight, he will definitely not lose!

"No need, it's just the second level of Mahayana realm..."

After Chen Ping finished speaking, he swung the dragon-slaying sword in his hand!

puff!

I saw a sword flash across quickly, and Tiansha's body was directly divided into two halves!

Blood spurted out, and internal organs were scattered all over the floor!

A second-level monk in the Mahayana realm was killed by Chen Ping, a ninth-level monk in the Tribulation realm, with just one wave of his hand!

This gap in strength has left many people dumbfounded!

After all, many people have never really seen Chen Ping's strength!

"Tiansha..." Seeing this, Sect Leader Zhou and Tianluo's eyes suddenly turned red!

Zuo Tianzheng frowned slightly and seemed to be concerned!

But Narota smiled coldly: "This kid is a bit interesting..."

"Boy, please give my disciple his life..."

Sect Leader Zhou's eyes were scarlet red, and a sword suddenly appeared in his hand, charging towards Chen Ping!

Seeing this, Tian Luo also raised his sword and stepped forward, and the two of them attacked Chen Ping together!

Sect Master Zhou's sword exudes a cold light, the sword is as powerful as a violent storm, and every move contains powerful fluctuations of spiritual power.

Tianluo, on the other hand, is agile and moves around like a ghost, looking for the opportunity to attack.

Chen Ping had a stern look on his face, holding the dragon-slaying sword and standing still.

His eyes revealed incomparable determination and confidence, as if the enemy in front of him could not pose a threat to him at all.

Sect Master Zhou was the first to rush in front of Chen Ping, and slashed down with violent force with the sword in his hand.

Before the sword arrived, the powerful sword energy had already caused cracks to appear on the ground.

Chen Ping didn't panic, turned slightly sideways, and easily dodged the blow.

Zongzhu Zhou missed the target with one blow, and immediately changed his moves. The sword swept out, trying to cut off Chen Ping from the waist.

Chapter: 7490

Chen Ping's eyes narrowed, and he quickly swung out the Dragon-Slaying Sword in his hand, colliding with Sect Master Zhou's sword.

“when!”

A crisp impact echoed through the sky, and the powerful impact made Sect Master Zhou take a few steps back, but Chen Ping remained motionless.

Sect Leader Zhou was shocked. He did not expect that Chen Ping, a monk at the ninth level of the Tribulation Realm, could actually compete head-on with him, a master of the fourth level of the Mahayana Realm, and he seemed so relaxed!

But at this time, Sect Leader Zhou was so overwhelmed with anger that he couldn't care less and swung his sword to attack Chen Ping again.

Tian Luo also took the opportunity to attack from the side at this time. His sword was as cunning as a poisonous snake, piercing Chen Ping's vital parts.

Chen Ping snorted coldly, turned his body slightly, and stabbed out the dragon-slaying sword like lightning, accurately blocking Tianluo's attack.

Tianluo felt a huge force coming from the sword, making his arm numb.

The three of them instantly fought together, sword shadows intertwined, and spiritual power overflowing.

The people around were watching this fierce battle nervously, not daring to express their anger.

They were shocked by Chen Ping's strength. A monk at the ninth level of the Tribulation Realm could actually fight with Sect Master Zhou, who was at the fourth level of the Mahayana Realm, and Tian Luo, who was at the second level of the Mahayana Realm.

Chen Ping became more and more courageous as he fought. The Dragon-Slaying Sword seemed to have life in his hands, and the power of the sword became more and more powerful.

The dragon-slaying sword in Chen Ping's hand shimmered like stars, dazzling people.

Although Sect Master Zhou and Tian Luo were at a high level, they gradually felt overwhelmed by Chen Ping's attacks.

"Damn it, why is this kid so strong?" Sect Master Zhou cursed in his heart.

He began to regret that he had followed, but now there was no way out and he could only bite the bullet and continue fighting.

Tianluo also realized how powerful Chen Ping was, and a trace of fear flashed in his eyes.

But he knew that if they backed down at this time, there would be only death waiting for them.

So, he gritted his teeth, raised his sword again, and together with Sect Master Zhou launched an even more violent attack on Chen Ping.

“It’s boring, I won’t play with you anymore!”

After Chen Ping finished speaking, he swung his sword towards Tianluo without hesitation, and the dragon-slaying sword thrust out like lightning.

Tianluo had no time to react, he only felt a chill in his chest as the Dragon-Slaying Sword had pierced his chest.

His eyes widened, his face was full of disbelief, a mouthful of blood spurted out from his mouth, and he slowly fell down.

“Tianluo!” Sect Master Zhou shouted sadly.
