

## **The Order 7491**

Chapter: 7491

Looking at his dead apprentice, his heart was filled with anger and despair, but he knew that now was not the time to be sad. Chen Ping must be dealt with as soon as possible, otherwise he would also lose his life.

Sect Leader Zhou waved his sword again and rushed towards Chen Ping. His sword power became even more crazy, as if he was going to cut Chen Ping into pieces.

Chen Ping didn't show any weakness. The Dragon-Slaying Sword in his hand collided with the sword of Sect Master Zhou again and again, making loud noises.

However, after a few moves, Sect Leader Zhou suddenly felt a lightness in his hand. He looked at the sword in his hand again, and at some point, only the hilt of the sword was left in his hand.

His strength is not as good as Chen Ping's, but the sword in his hand is not inferior to Chen Ping's Dragon-Slaying Sword!

Sect Leader Zhou knew that if the fight continued, he would definitely die!

After looking around twice, Sect Master Zhou planned to find an opportunity to escape!

If he wants to escape, in addition to being wary of Chen Ping, he must also be wary of Zuo Tianzheng.

"Chen Ping, I will fight you until death today!"

Sect Leader Zhou threw away the hilt of his sword, the aura on his body continued to surge, and streams of black mist rose from his body!

Chen Ping couldn't help but laugh when he saw Sect Leader Zhou like that!

He knew that this guy was going to escape, and the reason why he was doing this was just for show!

"You want to escape?" Chen Ping laughed!

Sect Leader Zhou was slightly startled, and then whispered: "I have no enmity with you, so why risk my life? It is not my original intention to deal with you, and I am forced to do nothing."

"I looked for an opportunity to escape, hoping to let me live. Two of my disciples have died in your hands, so you have paid the price!"

Sect Leader Zhou was actually begging Chen Ping to spare his life!

Chen Ping nodded: "You can run away, I will never chase you..."

"Thank you!" After Zhou Zongzhu finished speaking, his body was wrapped in black mist, and he jumped up and flew towards the distance!

Seeing Sect Leader Zhou suddenly running away, both the people from the Demon Sealing Alliance and the Xiao Dynasty were all confused!

They thought the sect leader was going to follow Chen Ping to death this week!

I didn't expect it to be a bluff, and then I took the opportunity to escape!

Zuo Tianzheng was also deceived by that Clan Leader Zhou. When he saw Clan Master Zhou suddenly running away, Zuo Tianzheng immediately cursed: “Damn it, you still want to escape right under my nose, let’s see if I don’t kill you...”

Zuo Tianzheng was about to chase the Zhou clan leader, but was stopped by Luo Ta on the side!

“No need to chase...”

Chapter: 7492

After Luo Ta finished speaking, he suddenly punched in the direction where Sect Master Zhou was escaping!

The void visible to the naked eye trembled for a while, and then shrank together!

Sect Leader Zhou, who had escaped nearly a hundred miles, only felt his body tighten, and then explode!

Sect Leader Zhou’s body was directly bombarded into powder by a punch.

At this moment, everyone in the Xiao Dynasty was so frightened that they panicked!

Nearly a hundred miles away, a fourth-level Mahayana monk was beaten into powder with just one punch!

This is too perverted!

Chen Ping also frowned slightly and his face became very ugly!

“Boy, I didn’t expect that you do have some abilities. It seems that I need to take action myself!”

After Luo Ta finished speaking, he suddenly grabbed Chen Ping with his palm!

Chen Ping’s body seemed to be imprisoned, unable to move at all, and was directly sucked towards the palm of his hand by Narota!

Chen Ping struggled desperately, but it didn’t help!

Xiao Yuanshan and others also wanted to help, but they found that they couldn’t move at all!

Just as Chen Ping was about to fall into Narota’s palm, suddenly a white light flashed in the void!

Then a middle-aged man appeared in front of everyone!

The middle-aged man is dressed in plain clothes and looks very elegant!

The moment the middle-aged man appeared, everyone’s bodies relaxed, and Chen Ping was also out of Narota’s control!

“Mr. Shi.....”

Chen Ping was so surprised when he saw the person coming that he almost threw himself into Mr. Shi’s arms!

When Xiao Feng saw Mr. Shi, his face was also full of joy, and he said to Xiao Yuanshan: “Father, this person is the master behind Mr. Chen. He is also the one who told me that Mr. Chen is the great opportunity for our Xiao Dynasty!”

However, those who followed Xiao Yuanshan from Xiao Dynasty looked at Mr. Shi with solemn expressions!

Because they couldn't feel the slightest breath fluctuation from Mr. Shi, and they couldn't see the slightest bit of a strong man!

He is more like a weak scholar with no strength to tie a chicken. What kind of master can such a person be?

Chapter: 7493

Zuo Tianzheng looked at Mr. Shi who appeared and couldn't help but snorted, with obvious disdain in his eyes!

Because in his eyes, Mr. Shi didn't look like a master at all, and his aura was so weak that it was almost non-existent!

This kind of person could be trampled under the feet of any monk!

You must know that the emergence of a truly strong man can cause the void to tremble and even the entire void to collapse!

But Mr. Shi's appearance was so understated, as if he appeared suddenly, without even a trace of aura fluctuation around him!

Luo Ta looked at Mr. Shi, raised the corner of his mouth and said, "Are you the strong man behind Chen Ping?"

Mr. Shi ignored him and didn't even look at Narota!

"Has your realm improved again?"

Mr. Shi looked at Chen Ping and smiled slightly!

Chen Ping nodded: "This time I have improved two small realms at the same time..."

"Too slow, still too slow..." Mr. Shi shook his head!

Chen Ping was stunned for a moment, then said awkwardly: "The resources I need to improve my realm are ten or even a hundred times that of others, so..."

The resources required for Chen Ping to improve his level are too huge, so it is understandable that his level is slow to improve!

"If you can't find resources, then go grab them. Do you still want to be a saint?"

Mr. Shi asked!

Chen Ping was stunned and didn't know what to say. During the time he was in the Heavenly Realm, he really didn't want to steal other people's resources!

Most of the time, I am passive, like this demon alliance that uses hundreds of years of offerings to hunt me down!

I can completely turn around and snatch the resources of the Demon-Sealing Alliance everywhere!

After all, the forces of the Demon-Sealing Alliance are spread throughout the heaven and human world, and Chen Ping can attack those places where the Demon-Sealing Alliance is weak!

Xiao Yuanshan and others listened to Mr. Shi's words and didn't know what to say for a moment!

There is nothing wrong with educating Chen Ping to seize resources, although in an environment like the world of heaven and man, where the jungle is strong and strength prevails!

But I always feel something is not good!

"If you want to seize resources, you also need to see whether you have the strength."

Luo Ta snorted coldly, and actually punched Mr. Shi!

Chapter: 7494

Mr. Shi's ignorance of him had already angered this guy!

boom!

With this punch, the world instantly darkened, and a terrifying fist wind enveloped everyone!

Everyone felt suffocated!

Not only that, under the fist wind, even the Mahayana masters bent down one after another, and many fell to their knees directly on the ground, unable to stand up!

This was just one punch, and this punch made many strong men in Xiao Dynasty bow their heads and even kneel to the ground!

This kind of crushing strength made everyone in the Xiao Dynasty instantly heartbroken!

Chen Ping's expression also changed drastically, and his body erupted with endless aura, resisting Luo Ta's fist wind!

But even with all his strength, Chen Ping still felt that he was a little out of breath!

At this time, Mr. Shi looked at Chen Ping and waved his palm gently!

It's like driving away mosquitoes!

boom!

Before anyone could react, the terrifying fist wind disappeared instantly!

Looking at Narota, he is as motionless as a statue at the moment, and his body is still in the posture of punching!

“Luo worships, Luo worships...”

Zuo Tianzheng saw this and shouted twice in a hurry, but Naluota still didn't move!

Zuo Tianzheng stepped forward and gently pushed Luota!

With just this slight push, Lota's huge body instantly turned into powder and was blown away by a gust of wind!

Lotta disappeared into ashes...

So everyone looked at this scene in shock, their minds went blank!

Especially the people in the Demon-Sealing Alliance were all stunned, their eyes almost popped out!

What's going on?

No one left?

Completely wiped out?

Chapter: 7495

With just one wave of his hand, the person disappeared?

Zuo Tianzheng's body was trembling, and everyone else in the Demon Sealing Alliance was also trembling, and some even had their pants wet!

This is so outrageous!

This Lotta is a superior being in their eyes!

Being swatted away like flies?

Xiao Yuanshan also widened his eyes and said in disbelief: "Fuck, that's awesome..."

As the emperor of the Xiao Dynasty, he has a body as high as ninety-five!

At this moment, Xiao Yuanshan had no choice but to use foul language to express his mood at this time!

"Unparalleled in the world, unparalleled in the world..."

Master Wuliang couldn't hide his excitement, his voice was trembling!

Others in the Xiao Dynasty knelt down on the ground one after another. This time they knelt down, not because of pressure, but because they were completely impressed by Mr. Shi!

No one thought that this middle-aged man who looked lifeless and frail could have such terrifying strength!

A light wave!

Such an understatement caused a top Mahayana master to disappear into ashes!

In the eyes of others, this Mahayana monk is not even an ant!

You must know that in the world of gods and humans, these Mahayana masters are already considered the strongest among the strong!

The peak monks in the Mahayana realm are the ones on the top of the tower!

Almost no one has ever seen the existence of monks in the Immortal Realm!

But in their eyes, the existence at the top of the tower was wiped out like an ant.

This kind of shock, this kind of impact, made these powerful men in Xiao Dynasty kneel down unconsciously.

Even princes like Xiao Feng and Xiao Jian did not feel that their status was noble at all, but knelt on the ground in sincerity.

They have been practicing all their lives and feel very awesome when they reach the Mahayana realm.

But in the eyes of others, they are all just ants. Even Master Wuliang, who was once a man in heaven, is kneeling to the ground respectfully at this moment.

To say that the other people in the Xiao Dynasty are all frogs in the well, they have never seen a real master or seen the world!

Chapter: 7496

But Master Wuliang, as an immortal from the fourth level of heaven, has also seen powerful people!

But this is the world of heaven and humans, suppressed by the great formation of heaven and earth, and all the people in heaven are trapped here!

Although he knew that there were many people trapped in the heaven and human world, their strength was declining!

Master Wuliang's own strength has declined by nearly half.

But looking at Mr. Shi, even if Mr. Shi is also an immortal in the heaven and earth, how can he still have such awesome strength under the suppression of the heaven and earth formation in the heaven and human world?

It seems that Mr. Shi is many times stronger than Taoist Wuji!

This is where Master Wuliang was deeply shocked!

Zuo Tianzheng was trembling. He never expected that there was really a strong person behind Chen Ping!

And it's so strong!

First of all, what about Luota's bragging?

Can't you kill the opponent with one punch?

With one punch, others are fine, but he himself is wiped out in ashes!

“Spare your life, spare your life...”

Zuo Tianzheng led many masters of the Demon Sealing Alliance to kneel down!

This is a form of kneeling in prayer. They have managed to survive until now and have cultivated to this Mahayana realm. They don't want to die!

“Mr. Shi, we can't spare them. These guys are so bad. They even used a hundred years of sacrifice to hunt me down.”

“I was almost killed by them.”

Chen Ping said to Mr. Shi!

Finally, Mr. Shi took action. He must destroy the Demon Sealing Alliance, so that Chen Ping would be more relaxed!

When Zuo Tianzheng heard this, he suddenly broke into a cold sweat: “Don't kill me, I am willing to dedicate a hundred years of worship...”

After saying that, Zuo Tianzheng took out the storage bag and threw it in front of Chen Ping!

The other strong men of the Demon Sealing Alliance also took out all their resources and threw them at Chen Ping's feet!

As long as they can survive, they are willing to donate all their resources!

Chen Ping looked at the resources at his feet and was immediately overjoyed!

Chapter: 7497

With these resources, he can completely improve his realm!

But once the resources are obtained, people will still be killed!

“Mr. Shi, if you give us resources, we will kill people...”

Chen Ping persuaded Mr. Shi!

“grass.....”

Zuo Tianzheng and others looked at Chen Ping and cursed inwardly!

Given all the resources, why can't we leave a way out?

Mr. Shi did not speak, but slowly stretched out his palm and shook it gently in the direction of Zuo Tianzheng and others!

When Zuo Tianzheng and others saw this, their faces turned ashen and they became motionless!

They knew that Mr. Shi's gentle grip could kill them!

But when Mr. Shi held it, the void began to shake!

Soon countless subtle breaths began to gather together!

Everyone looked at Mr. Shi in confusion!

Especially Zuo Tianzheng and the others, they originally thought that they would definitely die, but who knew that Mr. Shi didn't seem to be targeting them!

Chen Ping also looked at Mr. Shi in confusion, wondering what Mr. Shi was doing!

Soon, those auras gathered into a human shape, gradually taking on the appearance of Narota!

“this.....”

Everyone was stunned when they saw Luota slowly taking shape!

No one understands what Mr. Shi is doing!

Even Narota looked confused and looked up and down his body!

Isn't he already dead and wiped out in ashes?

“Luo Zongzong?” Zuo Tianzheng looked at the resurrected Luo Ta and shouted in disbelief.

“What’s going on?”

Luo Ta asked Zuo Tianzheng!

Chapter: 7498

“He...he...”

Zuo Tian was stumbling for a long time and didn’t say what was going on!

Xiao Yuanshan and others all looked at Mr. Shi in disbelief, wondering why he resurrected Luo Ta since he killed him?

People have been wiped out in ashes, can they still be resurrected?

“Mr. Shi, what are you doing?”

Chen Ping’s face was full of confusion!

“You need to kill your enemies yourself. I just teach you a lesson.”

Mr. Shi smiled lightly!

Chen Ping was confused. With his current strength, how could he kill Narota?

Xiao Yuanshan and others were also confused. They didn't understand who Mr. Shi was behind Chen Ping.

Why do you still have this quirk?

When Zuo Tianzheng and the others heard Mr. Shi's words, they breathed a heavy sigh of relief.

This time, they can't die, it's just a pity for those resources!

Chen Ping looked at Mr. Shi blankly, but soon he seemed to understand Mr. Shi!

Mr. Shi's ability completely allows him to walk sideways in the world of heaven and humans!

But Mr. Shi has never done this, just to let himself practice step by step.

"Mr. Shi, I understand!" Chen Ping nodded!

"Just understand!" Mr. Shi touched the top of Chen Ping's head!

"That silly guy, hand over your storage bag, otherwise I won't be polite."

Chen Ping turned to look at Luo Ta who had come back to life, pointed at him with the dragon-slaying sword in his hand and said!

Luo Ta was pointed at by Chen Ping, a monk in the Tribulation Realm, but he didn't dare to say a word!

Looking at Mr. Shi next to Chen Ping, Luota could only helplessly throw the storage bag at Chen Ping's feet!

The feeling of dying once is really uncomfortable, and Lotta doesn't want to try it again!

But just when Luota threw the storage bag to Chen Ping!

Chapter: 7499

Suddenly, an extremely terrifying and powerful aura came from the sky towards everyone!

This breath makes the whole world become a little unreal!

The strong pressure caused many people to fall to the ground, and some even vomited blood on the spot!

Even Narota was pale and clenched his teeth!

This terrifying aura is much stronger than when Narota came!

Everyone looked at the breath coming from the distance in horror!

No one knows why another strong man suddenly appears!

These people in the Xiao Dynasty all had ugly faces. They were very afraid of this strong man, the master behind the Demon Sealing Alliance!

If that were the case, I don't know what the ending would be like today!

As the pressure grew stronger, an old man's figure slowly appeared in the void, with a gray beard, a green robe, and piercing eyes!

"Who is acting recklessly in the Western Region?"

The old man spoke slowly!

"Region Lord, Territory Lord of the Western Region..."

"Master Master....."

Xiao Yuanshan recognized the old man in front of him and immediately knelt down and worshiped on the ground!

Seeing this, everyone else in the Xiao Dynasty also shouted loudly!

As people from the Northern Territory, Zuo Tianzheng and the others did not know the Western Territory Territory Lord, but when they heard that the other party was the Western Territory Territory Lord, they all lowered their heads!

No matter which one of the five domain lords appears, they are the dragons among humans in the world of heaven and man.

Chapter: 7500

Chen Ping wanted to see who the Western Region Lord was, but found that he couldn't look directly at the Western Region Lord!

That sense of oppression made Chen Ping have to lower his head!

This is the second Territory Lord that Chen Ping has met. Chen Ping has already met two of the five Territory Lords of the Heavenly and Human Realm!

At this moment, Mr. Shi raised his head slightly and gave the Western Region Lord a cold look!

Just at this glance, the body of the Western Region Lord was shaken!

"Sorry to bother you, I'm really sorry, you guys are busy..."

After the Western Region Lord finished speaking, his body instantly turned into a stream of light and disappeared!

So everyone looked confused!

The Western Region Lord came as quickly as he disappeared, as if he had never appeared before!

Whether it was the people from the Demon Sealing Alliance or the Xiao Dynasty, they were all in a state of confusion!

"Mr. Shi, this..."

Chen Ping raised his head and found that the Western Region Lord was long gone!

“Don’t worry about him. You can practice hard in the future and improve your strength as soon as possible!”

Mr. Shi patted Chen Ping on the shoulder!

“Yes!” Chen Ping nodded heavily!

Mr. Shi looked at Xiao Feng, and then said: “I said that Chen Ping is the great opportunity for your Xiao Dynasty, and now this opportunity has come!”

After saying that, Mr. Shi waved his hand, and suddenly a ray of golden light disappeared into the void!

But soon, this golden light exploded in the void, and then dots of golden light filled the entire Xiao Dynasty!

“This light of luck has added three thousand years of luck to your Xiao Dynasty. In these three thousand years, no one can shake your Xiao Dynasty!”

Mr. Shi said calmly!

Mr. Shi’s words were meant for Xiao Feng’s ears, and they were also meant for Zuo Tianzheng and the others!

This is the idea to stop the Demon Sealing Alliance from attacking the Xiao Dynasty!

When Xiao Yuanshan heard this, he was immediately overjoyed and led everyone in the Xiao Dynasty to kneel down at the feet of Mr. Shi!

“Senior, the souls of the hundreds of thousands of soldiers of our Xiao Dynasty were all resurrected by our seniors, right?”
