

The Order 7501

Chapter: 7501

At this time, Xiao Feng looked at Mr. Shi and asked!

Because the voice of Mr. Shi just now was exactly the same as the voice of the man who resurrected hundreds of thousands of soldiers!

From this point of view, the souls of the hundreds of thousands of soldiers were not resurrected by Taoist Wuji!

Mr. Shi just smiled slightly, but did not answer Xiao Feng, and his body disappeared instantly!

Chen Ping was stunned!

Everyone in Xiao Dynasty was also stunned!

Just left like this?

What to do with these people from the Demon Sealing Alliance?

Seeing Mr. Shi leave, Demon Lord Chiyun, who was hiding in Chen Ping's sea of consciousness, let out a long breath: "But even if he leaves, I'll be scared to death."

"Senior, why are you so afraid of Mr. Shi? Do you know Mr. Shi's identity?"

Chen Ping asked Demon Lord Chiyun!

“Kid, don’t ask too many questions. Just practice well when I ask you to do so.”

“Lend me your body. I want to kill a few people to vent my anger, but it scares me...”

Demon Lord Chiyun didn’t say much. He knew that Mr. Shi didn’t tell Chen Ping, so there was a reason why he didn’t tell Chen Ping!

If he talks too much, he may be killed!

Having been so frightened just now, Demon Lord Chiyun wanted to vent his anger.

“Senior, you have to take it easy and don’t destroy your body for me!”

After Chen Ping finished speaking, he planned to lend his body to Demon Lord Chiyun, and then kill these guys from the Demon Sealing Alliance!

But before Chen Ping could give up his body to Demon Lord Chiyun, Zuo Tianzheng, Narota and others turned around and ran away!

Run faster than a rabbit!

Although Mr. Shi is gone, Mr. Shi’s words just now shocked them!

It gave the Xiao Dynasty three thousand years of luck and protected the Xiao Dynasty for three thousand years!

What is this concept?

With just this sentence, they no longer dare to think anything wrong about Xiao Dynasty!

Chapter: 7502

Everyone in the Demon Sealing Alliance ran away, so Chen Ping had no choice but to give up and give up his body to Demon Lord Chiyun!

Everyone in Xiao Dynasty also breathed a sigh of relief, and at the same time they were very excited!

Opportunity, this is the real big opportunity!

Making friends with Chen Ping was the best thing Xiao Dynasty did!

“Mr. Chen, from now on I, the Xiao Dynasty, will build a statue to worship Mr. Chen, and future generations will remember Mr. Chen!”

Xiao Yuanshan knelt down and worshiped Chen Ping!

“Emperor Xiao, you absolutely must not do it, you don’t have to be so polite!”

Chen Ping quickly helped Xiao Yuanshan up!

“Mr. Chen, you have got so many storage bags, why don’t you look at the treasures in them!”

Ji Yun reminded Chen Ping!

Upon hearing this, Chen Ping nodded, and then opened the storage bag!

These people from the Demon Sealing Alliance are very rich in resources in their storage bags, especially Zuo Tianzheng's storage bag, which contains century-old offerings from the Demon Sealing Alliance!

These resources are enough for Chen Ping to practice well. Chen Ping no longer has to worry about resources!

"It's easier to snatch resources!"

Chen Ping said happily!

"Mr. Chen, take a look at that gilded storage bag. This should be the big silly one."

Ji Yun pointed at the storage bags of different colors in Chen Ping's hand and said!

Chen Ping opened the storage bag, and then his spiritual consciousness entered the storage bag!

Soon, he was shocked, because there were countless crystal stones in this storage bag. These crystal stones were lavender, and the breath inside the crystal stones was also somewhat different from the aura!

Chen Ping took out a spar and asked Xiao Yuanshan: "Emperor Xiao, do you know what kind of spar this is?"

Xiao Yuanshan took the crystals, looked at them carefully, then shook his head and said: "I have never seen them before, I don't know if these are the crystals owned by the heaven and human world!"

“This is the Immortal Spirit Stone, the most rubbish crystal in the heaven. Only monks who have first arrived in the heaven can use it. This crystal contains a mixture of immortal energy and spiritual energy, and the aura is not pure.”

“Many monks who are about to ascend also like to use this crystal stone to practice. This is to make the transformation of their skills smoother.”

“You must know that many monks practice from spiritual energy, and then ascend to absorb immortal energy. This transformation from spiritual energy to immortal energy requires a process.”

Chapter: 7503

Demon Lord Chiyun followed Chen Ping and explained!

“Fairy stones and rubbish crystals in the heavenly world, but these should be top-notch crystals in the heavenly and human world.”

After Chen Ping finished speaking, he activated the Heart Condensation Technique, and the fairy spirit stone in his palm was instantly absorbed by Chen Ping!

“This fairy spirit stone is of little use to ordinary monks. After all, ordinary monks cannot refine fairy energy, they can only refine spiritual energy, so it is not as good as a spirit stone.”

“And the immortal can only absorb the immortal energy by using this immortal spirit stone, so it is better to use the immortal stone to practice!”

“The gods are so poor that they use this crystal stone to practice, but they still have the nerve to brag proudly!”

“But for a pervert like you who can refine immortal energy and spiritual energy, this crystal is indeed a good thing!”

Demon Lord Chiyun said!

After all, Chen Ping’s Heart Condensation Technique is so abnormal that it can refine almost all things, so this fairy spirit stone is the best thing in Chen Ping’s hands, and it will not be wasted at all!

Chen Ping was overjoyed at this moment, and then he took out a yellowed map from Narota’s storage bag!

Looking at the map, Chen Ping recognized it at a glance. This was a map of the entire heaven and human world. The five major regions were clearly divided!

But in a corner of the Southern Territory, it was surrounded by a red circle!

Chen Ping looked at it for a long time and didn’t find anything special about the red circle!

“Emperor Xiao, how much do you know about the entire area of the Heavenly and Human Realm?”

Chen Ping asked Xiao Yuanshan!

“I still understand a little bit, but after the war between gods and demons, the territory of the heaven and human world has also changed. I wonder what happened to Mr. Chen?”

Xiao Yuanshan asked!

“Xiao Huang, look at the red circle, where is it?”

Chen Ping spread the map in front of Xiao Yuanshan and said!

Xiao Yuanshan looked at it carefully, then shook his head: "I don't know, this should belong to the realm of Tianmo Mountain. I go there rarely."

"But I know that before the war between gods and demons, there were many ancient cities here, and the territory was very large."

"But after the war between gods and demons, many ancient cities in the heaven and human world were destroyed. If it hadn't been for the war between gods and demons, our Xiao Dynasty would not be anything in the world of gods and humans."

"But there is a circle mark here on this map. There must be something special here!"

"Well, I think so too, I'll go take a look when I have time!"

Chapter: 7504

Chen Ping put away the map!

However, Chen Ping did not immediately explore the place marked on the map. Instead, he began to use the robbed resources to start practicing in the Xiao Dynasty!

Xiao Yuanshan also used this period of time to start rebuilding the imperial city. Since the Xiao Dynasty had three thousand years of luck, there was no need to worry about the Demon Sealing Alliance's revenge!

.....

The Demon Sealing Alliance Headquarters!

Zuo Tianzheng and the others escaped back. Luo Ta was sitting in the position of the leader of the alliance. Zuo Tianzheng and the masters of the Demon Sealing Alliance were all standing on both sides, all with their heads down.

The blow to them this time was really too great. Even the Territory Lord was scared away when he showed up. What else could they do?

Lotta sat on the main seat and kept pouring wine into her mouth!

As a person who has died once, he has a deeper impression of the fear of death!

He doesn't dare to go back to the Tenth Hall now because he doesn't know how he can explain to the Tenth Hall Master!

The atmosphere inside the Demon Sealing Alliance headquarters was extremely depressing!

After a moment, Lotta stood up, and everyone turned their attention to Lotta!

"Follow me to the Tenth Palace..."

Luo Ta said to Zuo Tianzheng!

"Luo Zongfeng, I...it won't be of any use if I go, right?"

Zuo Tianzheng didn't dare to go or face the ten masters of the palace!

"You must go. There is such a strong person in the world of heaven and man, but you don't report it. This is your dereliction of duty."

Lotta said angrily!

"Luo Zongfeng, it seems that Sect Master Zhou reminded you at that time that there is a strong person behind Chen Ping."

"But you don't believe it, you said you can kill them with one punch!"

Zuo Tianzheng didn't want to take the blame, so he said to Luo Ta!

"Presumptuous!" Luo Ta roared angrily: "I just said it casually. Stop talking nonsense and follow me to the Tenth Hall!"

Zuo Tianzheng was reluctant, but Luo Ta still carried him to the Tenth Hall!

When Zuo Tianzheng followed Luo Ta and appeared in the Tenth Hall, the Lord of the Tenth Hall was already waiting for them.

Chapter: 7505

"Lota, your life soul disappeared and then reappeared. What happened?"

“I thought you were dead!”

The Tenth Hall Master asked Lota!

As a member of the temple, when Lota was reduced to ashes, his life soul lamp in the Tenth Temple was extinguished!

When the life soul lamp goes out, it means that the person is dead.

At that time, the Tenth Hall Master was a little shocked when he saw Luo Ta’s life soul lamp extinguished!

But then the Life Soul Lamp burned again, which made the Tenth Hall Master wonder if there was something wrong with the Life Soul Lamp!

“Palace Master, I was killed by someone, and then that person resurrected me.”

Lotta didn’t dare to hide anything!

“Kill you and then resurrect you?” The Tenth Hall Master was shocked: “What’s going on? Is there such a strong person in the world of heaven and man?”

Luo Ta told the story in detail, and then said: “Palace Master, Zuo Tianzheng made a mistake in his investigation, which caused me to underestimate the enemy and suffer a big loss.”

Luo Ta also put the responsibility of underestimating the enemy on Zuo Tianzheng!

“Who is this person who can kill you and then resurrect you at will? What kind of strength does he have?”

The Tenth Hall Master did not hold anyone accountable, but was very interested in the person Luo Ta mentioned!

“Reporting to the Palace Master, I just heard others call him Mr. Shi. As for his identity, I don’t know very well. As for his strength, I don’t know either!”

Lotta said!

“You don’t know any strength? What do you do for food?”

The Tenth Hall Master snorted coldly!

Luo Ta was so frightened that he trembled all over. At this time, Zuo Tianzheng said: “Although I don’t know the strength of Mr. Shi, the Western Region Territory Lord also ran away when he saw this person...”

“What, the Western Region Lord has also appeared?” His Highness the Tenth Prince frowned!

“Yes, when the Western Region Territory Lord appeared, he just took one look and ran away!”

Zuo Tianzheng nodded!

“These old guys in the Immortal Realm have not bothered about the affairs of the Heaven and Human Realm for many years, but they only wanted to ascend to immortality. Why do they suddenly appear?”

“And he was scared away? How is this possible? There are monks in this world who are higher than the Immortal Realm?”

Chapter: 7506

The Tenth Hall Master thought deeply, feeling that something was wrong!

After pondering for a moment, the Master of the Tenth Hall asked: “Since Mr. Shi is so powerful, how could you escape?”

“Palace Master, you are not escaping, you are letting us come back. That Mr. Shi said he would not help Chen Ping kill people.”

Lotta quickly explained!

“This is strange...” The Master of the Tenth Hall couldn’t figure out what the relationship between Mr. Shi and Chen Ping was!

“Okay, you guys, please step back and let the Demon-Sealing Alliance continue their plans to take control of the Heaven and Human Realm as soon as possible.”

“I believe that the great formation of heaven and earth will not last long. By then, many monks trapped in heaven will return to heaven.”

“We, the Tenth Hall, don’t have to hide, the world of heaven and humanity is our base camp!”

The Tenth Hall Master said to Zuo Tianzheng!

“My subordinates must do their best to live up to the expectations of the palace master!”

Zuo Tianzheng let out a long breath!

The Master of the Tenth Hall did not punish him, which relieved Zuo Tianzheng’s hanging heart!

.....

Xiao Dynasty.

Chen Ping had inexhaustible resources and began to practice hard!

Of course, Chen Ping also allocated some resources to Xiao Dynasty!

This battle in Xiao Dynasty also consumes a lot of money, and in the eyes of the masters, they must replenish their strength as soon as possible!

For several days, Chen Ping spent time practicing. Occasionally, he would let Sword Spirit Zhongli come out to compete with Chen Ping in dual cultivation!

After all, I feel irritable while practicing all the time, so it’s good to switch things up once in a while!

While Chen Ping was practicing, Sword Spirit Zhongli was also practicing!

Zhongli has always retained a ray of sword intent in his body. This time after Zhongli recovered, his own strength also increased greatly!

The improvement of Zhongli's strength also indirectly improved Chen Ping's strength!

Now even if he is a fifth-level Mahayana monk, Chen Ping will have no problem dealing with him!

While Chen Ping was practicing, he received a message from the master of Guanghan Palace!

Chapter: 7507

The head of the Mu family is out of seclusion!

After Chen Ping got the news, he immediately bid farewell to Xiao Dynasty and rushed to Nanjing City!

Chen Ping knew that if the head of the Mu family came out of confinement and found out that his sons were dead, he would definitely seek revenge on him!

If you can't find yourself, you will find trouble in Guanghan Palace!

Chen Ping took Ji Yun and took an airship to Nanju City as fast as possible!

.....

In the south of the city!

Mu Kunrong, the head of the Mu family, is sitting in the Nanjing City Branch Pavilion of Wantong Pavilion!

Pavilion Master Qian is entertaining him!

Although the Mu family is very powerful in this area, Mu Kunrong does not dare to provoke Wantong Pavilion at will!

“Master Mu, all the monks in Nanjing City know about your son’s martial arts competition in Nanjing City.”

“Although Chen Ping killed your son, it was still a fair duel. I, Wantong Pavilion, acted as guarantee, and all the monks put their bets on it.”

“It’s understandable that you want to avenge your son. You can kill Chen Ping in the ring, and you won’t cause any criticism.”

“If you lead people to attack Guanghan Palace, it will definitely cause a lot of damage, and you won’t be able to avenge your son!”

Pavilion Master Qian is persuading Mu Kunrong!

Mu Kunrong, who came out of seclusion, didn’t know Chen Ping’s whereabouts for a while, so he wanted to clean up Guanghan Palace first, and then look for Chen Ping!

However, he was stopped by Pavilion Master Qian of Wantong Pavilion, and Mu Kunrong was invited here!

After all, Wantong Pavilion is used in many places in the Mu family, so Mu Kunrong doesn’t want to fall out with Wantong Pavilion!

“Pavilion Master Qian, I can give you face, but what if Chen Ping doesn’t show up?”

Mu Kunrong asked coldly!

“Don’t worry, Master Mu, I have sent someone to notify Guanghan Palace. I believe Guanghan Palace has also notified Chen Ping.”

“In three days, if Chen Ping doesn’t show up and you attack Guanghan Palace at will, I will never stop you.”

Pavilion Master Qian promised with all his heart!

Now all Pavilion Master Qian can do is to delay as much time as possible and wait for Chen Ping to come!

Chapter: 7508

If the Mu family really takes action against Guanghan Palace, I am afraid that Guanghan Palace will suffer great losses!

“Okay, then I’ll wait here for three days for Chen Ping. If he doesn’t show up, don’t blame me for being cruel!”

After Mu Kunrong finished speaking, he drank the tea in front of him and left!

Seeing Mu Kunrong leave, Pavilion Master Qian let out a heavy sigh!

“Mr. Chen, I can only help you with this. The rest is up to you...”

Pavilion Master Qian was entrusted by Chen Ping to secretly take care of Guanghan Palace!

But after all, Wantong Pavilion is just a businessman, and Pavilion Master Qian is just the master of a branch pavilion. He has no ability to order anything to the Mu family!

All he can do is delay and wait for Chen Ping to solve it himself!

.....

“Ji Yun, speed up...” On the airship, Chen Ping said to Ji Yun with a gloomy face!

“good!”

Ji Li accelerated the speed of the airship!

Because Chen Ping has countless resources at this time, the consumption of the airship is just drizzle for Chen Ping!

The airship was traveling at high speed, and Chen Ping had no intention of admiring the scenery of the Tianmo Mountains!

After all, Chen Ping has flown over Tianmo Mountain more than once!

“Master, don’t be too anxious, just relax...”

Zhongli snuggled into Chen Ping’s arms and persuaded softly!

Chen Ping smiled slightly, and then pressed Zhongli under him!

After two days and three nights of sailing, the airship arrived over Nanju City on the third day!

Seeing the appearance of the airship, Pavilion Master Qian got the news immediately!

After all, apart from Chen Ping, there is no other person who can fly on an airship in the Southern Territory and even come to the airship over Nanju City!

If others want to ride an airship, they must ride on the Wantong Pavilion. If others want to fly an airship in the Southern Territory, they also need the permission of the Wantong Pavilion!

But Chen Ping can fly as he pleases, and Wantong Pavilion won't do anything to Chen Ping!

When Chen Ping and his airship landed at Nanjincheng Square, Pavilion Master Qian personally led people to greet them!

Chapter: 7509

"Mr. Chen, we meet again..."

Pavilion Master Qian walked towards Chen Ping with a smile on his face!

Chen Ping walked off the airship, smiled slightly, and shook hands with Pavilion Master Qian!

Suddenly, Pavilion Master Qian was stunned, and then looked at Chen Ping in shock: “Mr. Chen, you...have you already crossed the ninth level of the Tribulation Realm?”

Chen Ping nodded!

Pavilion Master Qian’s face was full of disbelief. Chen Ping killed Mu Qing and left in Nanjing City. It had only been a few days, but he had already reached the ninth level of the Tribulation Realm!

The speed of this realm’s improvement is as fast as a rocket!

“Mr. Chen is truly a gifted person. With the speed at which his realm is improving, it is only a snap of his fingers to ascend to heaven.”

Pavilion Master Qian was praising Chen Ping!

“Pavilion Master Qian, thank you for holding back the Mu family, otherwise Guanghan Palace would have suffered.”

Chen Ping thanked Pavilion Master Qian!

Obviously, Chen Ping contacted the Palace Master of Guanghan Palace and found out that it was Pavilion Master Qian who was holding Mu Kunrong back!

“I’m just using Wantong Pavilion’s face, but to deal with Mu Kunrong, Mr. Chen himself is needed.”

“But I don’t know if Mr. Chen is sure of Mu Kunrong’s fifth-level Mahayana realm strength...”

Pavilion Master Qian asked!

Pavilion Master Qian knew that Chen Ping could leapfrog his rank and fight, so he asked this question!

Only Chen Ping himself knows whether Chen Ping, who is currently at the ninth level of the Tribulation Realm, can defeat Mu Kunrong, who is at the fifth level of the Mahayana Realm!

“Fifth level of Mahayana realm...”

Chen Ping smiled slightly: “Maybe I can kill him instantly...”

Hearing Chen Ping’s words, Pavilion Master Qian was slightly startled, his eyes full of envy!

A ninth-level monk in the Tribulation Realm said something that could instantly kill a fifth-level monk in the Mahayana Realm!

If this were said from someone else’s mouth, Pavilion Master Qian would definitely think he was bragging!

But from what Chen Ping said, Pavilion Master Qian believed it!

“Mr. Chen, do you still need a rest?”

Chapter: 7510

Pavilion Master Qian asked!

“No need!” Chen Ping shook his head!

“In that case, I will immediately order someone to inform Mu Kunrong and head to the competition ground now.”

Pavilion Master Qian said!

Chen Ping, led by Pavilion Master Qian, went to the competition ground in Nanju City!

Many monks in Nanjing City also knew the news of Chen Ping’s arrival, and they also flocked to the competition ground!

At the same time, the winning and losing gambling game in Wantong Pavilion has also begun!

Nanjue City is located at the extreme end of the Southern Territory. In addition to practicing, the monks here rarely have any recreational activities!

This contest and gambling game is the favorite game of all monks!

So as soon as the gambling game started, many monks placed their bets!

Because of the last experience, many people know Chen Ping’s ability to leapfrog the competition, so this time many people are betting on Chen Ping!

However, Mu Kunrong, who is at the fifth level of the Mahayana realm, is considered a master in the entire heaven and human world, so there are not a few monks betting on Mu Kunrong!

“Master, Chen Ping is here!”

Manager Liu of the Mu family said to Mu Kunrong!

“Okay, I didn’t expect that he would really dare to come. This time I will cut him into pieces to avenge my two sons.”

Mu Kunrong stood up suddenly and said through gritted teeth!

“Master, if Chen Ping can leapfrog the battle, you’d better be careful!”

Manager Liu reminded Mu Kunrong!

“Hmph, he is in the Tribulation Realm, and if he can fight beyond the level, how can he defeat me?”

“I am now at the fifth level of the Mahayana Realm. Who can defeat me in the entire Nanju City?”
