

The Order 751

Chapter: 751

But Chen Ping didn't ask for the Liu family's mineral veins. Instead, after giving the explanation, he headed down the mountain!

Liu Chengyin wiped the cold sweat from his forehead and breathed a heavy sigh of relief!

The group of people walked to the edge of the Devil's Forest and were about to go down the mountain when they found that Master Guo and his disciples had not left yet. It turned out that they did not have a guide and did not dare to enter it rashly, so they had been waiting!

Seeing Song Zude and his party coming, Master Guo was a little surprised!

"Mr. Song, you...what are you doing?"

Master Guo wanted to ask how Song Zude and the others escaped, but he didn't know how to ask!

Song Zude looked at Master Guo coldly and said, "Feng Yi has been killed by Mr. Chen. There will be no Feng family in the mountain city in the future!"

"What?" Master Guo looked at Chen Ping in surprise: "What about Master Ma?"

"Humph, of course Master Ma was also killed by Mr. Chen!" Song Zude snorted coldly.

"How is that possible? Master Ma is..."

"It's impossible for you. That's because your skills are inferior to others. Mr. Chen easily killed Master Ma. If you don't have real skills in the future, don't embarrass yourself..."

After Song Zude finished speaking, he hurriedly walked to Chen Ping: "Mr. Chen, please slow down..."

Looking at the backs of Song Zude and the others, Master Guo's face was full of embarrassment, but he still followed him to the bottom of the mountain!

Back in the mountain city, Song Zude directly invited Chen Ping to his home. He would not let Chen Ping stay in a hotel!

Chen Ping did not refuse and asked Song Zude to find a separate villa for him, because if Chen Ping wanted to practice, he must be able to practice without being disturbed!

After Song Zude settled Chen Ping, he did not dare to slack off at all, and hurriedly sent people to transport the stones Chen Ping wanted from the mountain!

The next day, there were a lot of these pebble-like spiritual stones piled up in the courtyard of Chen Ping's villa. Looking at these spiritual stones, Chen Ping raised the corner of his mouth, maybe he could break through with these spiritual stones this time. It's the inmediate stage!

If he could really break through to the Bigu stage and go to the Wuming Island, Chen Ping would have full information. After all, the old leader asked him to reach the foundation stage before July 15th and then go to the Wuming Island. Even the old leader might not have thought of Chen Ping. The cultivation speed will be so fast!

"Chen Ping, you don't want the gems, what do you want with such a pile of broken stones?"

Song Tie walked into Chen Ping's villa yard and asked in confusion.

"You don't understand, these are broken stones to you, but they are treasures to me!"

Chen Ping said with a faint smile!

"I don't understand you!" Song Tie rolled his eyes, and then said: "My dad asked me to tell you that these are the only stones like this for now. I don't know if there are any more underground. The

equipment has been transported and they will be ready soon." Mining, if there is still something underneath, my dad will send someone to continue delivering it to you!"

"Well, I understand. I have to practice in the next few days, so you'd better not disturb me!"

Chapter: 752

Chen Ping said to Song Tie!

"Oh!" Song Tie looked a little disappointed, turned around and walked out!

Chen Ping knew what Song Zude meant. He always asked Song Tie to come over to convey news to him, and asked Song Tie to deliver food to him. He just wanted to create some sparks with Song Tie. However, Chen Ping already had Su Yuqi, so he won't let her down!

Song Tie walked back, and Chen Ping sat cross-legged. Looking at the hill-like spiritual stone in front of him, feeling the spiritual energy like a vast ocean, Chen Ping began to practice!

Chen Ping devoured such a huge amount of spiritual energy hungrily, opening every pore in his body to absorb it unscrupulously. In Chen Ping's Dantian, the Heart Condensation Technique was operating to the maximum, constantly refining the absorbed spiritual energy. !

One day, two days, three days.....

The spirit stones were decreasing at a speed visible to the naked eye. Chen Ping closed his eyes slightly and had long since stopped hearing about the world. He had even forgotten the time!

While Chen Ping was practicing, Su Yuqi in the provincial capital stayed bored in the villa every day!

Lin Tianhu and Chifeng arranged a large number of people around the villa to protect Su Yuqi. Even Bai Zhantang went to the provincial capital in person. Since Chen Ping had confessed before leaving, Bai Zhantang did not dare to be careless!

Fortunately, Gu Ling'er is with her every day, so Su Yuqi won't be suffocated to death!

“This Chen Ping has been gone for a few days and he still hasn’t come back. He hasn’t even heard from him. No one answered his calls. I wonder if something happened?”

Su Yuqi frowned, a little worried about Chen Ping!

“Don’t worry, your Chen Ping is so capable, what can happen? Just don’t get entangled by some little girl, you know, he is very popular with little girls.”

Gu Ling’er joked to Su Yuqi!

“I think you like him too?” Su Yuqi looked at Gu Ling’er and asked.

“What...are you talking nonsense? I don’t like him!”

Although Gu Ling’er said this, her face suddenly turned red!

“Haha, you said you don’t like him, and your face is red. If you like him, I will give him to you!”

Su Yuqi laughed and joked with Su Yuqi!

Seeing Su Yuqi say this, Gu Ling’er’s face turned cold: “Yu Qi, you can’t make such jokes in the future. If you can find a boyfriend like Chen Ping, you should know how to cherish it. In fact, outstanding people like Chen Ping, every girl will like it, and I also want to find a boyfriend like him. Unfortunately, my life is not as good as yours, so you should cherish what you have now and stop talking nonsense!”

Su Yuqi also put away her smile and took Gu Ling’er’s hand: “Ling’er, don’t worry, I believe you will definitely find a boyfriend you like, maybe even better than Chen Ping!”

Gu Ling’er smiled: “You don’t need to comfort me, my heart is already dead...”

Gu Ling'er said, looking out the window, her heart was broken by Qin Feng!

"Ling'er, don't think about that guy anymore, he's not worth your sadness at all!"

Chapter: 753

Su Yuqi knew that Gu Ling'er remembered the sad things she had done with Qin Feng again!

Gu Ling'er smiled: "How could I still miss him? I just can't believe men now!"

Su Yuqi smiled helplessly, not knowing how to persuade Gu Ling'er. After a girl's heart is broken, it is difficult to recover as before!

At this moment, a roar suddenly sounded outside!

"Who are you? This is a private place, please leave quickly..."

The person guarding outside from Red Phoenix reprimanded loudly!

"Who is here?" Su Yuqi asked with a strange look!

"I don't know, let's go out and have a look!" Gu Ling'er pulled Su Yuqi and walked out!

At this moment, outside the villa door, six people were quietly looking at the guards outside the villa. One of them was Qin Feng, and on the side of Qin Feng, stood a slovenly guy with long hair, who looked like a wild man.

"Uncle Wolf, that kid lives here!"

Qin Feng said to the savage-like guy beside him, who was the wild wolf who came with Qin Feng.

“Well, let’s go in and take a look. I really want to smell the scent of a woman...”

The wild wolf sniffed his nose, and suddenly a light flashed in his eyes!

“Uncle Wolf’s nose is indeed amazing. There are two beautiful girls in this villa, and they are both virgins!”

Qin Feng smiled at the wild wolf!

“Hahaha, you are a good boy. I know Uncle Wolf is good at this. I will catch that boy for you in a while and let you do whatever you want!”

The wild wolf laughed and walked towards the villa, as if returning to his own home, not paying attention to the guards at all!

“Stop, if you don’t stop, we will take action...”

Upon seeing this, the hurried guards showed their weapons and became nervous!

“Why don’t you get out of the way of a bunch of people who don’t know how to live or die?”

Qin Feng roared angrily, then waved his hand, and four Qin family masters behind him jumped up!

Before several guards could react, their throats were cut with sharp weapons, and they all died tragically on the spot!

Lin Tianhu and Chi Feng, who heard the noise, had already rushed out with their people. When they saw the bodies on the ground, Lin Tianhu and Chi Feng were shocked, and then dozens of people surrounded Qin Feng and the others!

“Who are you? Dare you kill people here?”

Chapter: 754

Lin Tianhu frowned.

“Is Chen Ping inside? Tell him to get out. Just say that I, Qin Feng, have come back for revenge!”

Qin Feng glanced at Lin Tianhu coldly and said!

“Mr. Chen is not here. You broke into private houses and killed our people. Don’t even think about leaving today!”

Lin Tianhu’s face was gloomy, and he firmly grasped the knife in his hand with one hand!

Chifeng’s face looked ugly at this time, and her brows were tightly knitted together. She could feel that the people in front of her were very strong, especially that sloppy guy, whose strength was unfathomable!

“Leave? Did we say we were leaving? Regardless of whether Chen Ping is here or not, I will not leave!”

Qin Feng raised the corner of his mouth and said!

At this moment, Lin Tianhu had nothing to say. He lightly held the knife in his hand, then swung it and was about to charge forward!

Unexpectedly, Chi Feng grabbed Lin Tianhu, winked at Lin Tianhu, and then said to Qin Feng: “Young Master, I don’t know how Mr. Chen offended the Young Master. Now that Mr. Chen is really not here, why don’t you stay here?” Write down your name, and when Mr. Chen comes back, I will tell Mr. Chen to come and apologize to the young master!”

“Chifeng, how can you ask Mr. Chen to apologize?” Lin Tianhu suddenly became anxious when he heard this!

However, Chi Feng ignored him and said to Qin Feng with a smile on his face.

“Although you are older, you are really good-looking and your words are pleasant. If you play with me, Uncle Wolf, maybe I can follow your advice!”

Qin Feng looked at Chi Feng with a lewd smile.

Although Chifeng is older, she is still a virgin and has never been touched by a man, so she is well maintained and looks like a girl in her twenties!

Chifeng’s face turned slightly cold, but he recovered quickly and said with a smile: “This young master is joking, I am an old lady, who can take a fancy to me? If the young master needs a girl, I can find ten or eight young ladies for the young master, and I guarantee that they will all be yellow-flowered girls!”

Chi Feng suppressed the anger in his heart and could only do his best to please Qin Feng, because Chi Feng knew that the strength of these people was no match for the few people in front of him. It was not that Chi Feng was afraid of death, but because Su Yuqi and Gu Ling Their children are still inside. If there is a conflict, they are not afraid of fighting to the death, but no one will protect Su Yuqi!

“Damn it, I’ll chop you...”

Chifeng could bear it, but Lin Tianhu couldn’t bear it. After all, Chifeng was also his woman. Seeing his woman being scorned by other men, a man couldn’t bear it!

Lin Tianhu moved towards Qin Feng with a machete. Since taking the Great Return Pill given by Chen Ping, Lin Tianhu’s strength has also improved by leaps and bounds. With a machete, he was like a tiger, and his speed reached the extreme!

Seeing Lin Tianhu attacking him, Qin Feng raised the corner of his mouth: “You are the only one who has not even reached the level of a grandmaster, yet you dare to attack me, and you overestimate your own capabilities...”

With that said, Qin Feng flew up and kicked Lin Tianhu away!

Lin Tianhu's body hit the door hard, knocking it down directly, and a trace of blood flowed from the corner of Lin Tianhu's mouth!

If it weren't for taking the Dahuan Dan, Lin Tianhu's physical fitness had increased a lot, and Qin Feng's kick would have killed Lin Tianhu long ago!

Chapter: 755

The sudden collapse of the door shocked Su Yuqi and Gu Ling'er. They originally wanted to come out to take a look, but they saw the door suddenly collapsed!

"Qin Feng?" Gu Ling'er couldn't help but exclaimed after seeing Qin Feng with a sneer on his face!

Su Yuqi also saw Qin Feng at this time, and her expression tightened involuntarily!

"Gu Ling'er, I didn't expect you to be here. No wonder Uncle Lang felt the aura of two women inside. I didn't expect you to degenerate into Chen Ping's plaything!"

Qin Feng looked at Gu Ling'er with contempt and said.

When Gu Ling'er heard this, his face suddenly turned red, and then he said angrily: "Qin Feng, you bastard, what nonsense are you talking about? If I had known this, Chen Ping should have let Chen Ping trample you to death!"

Gu Ling'er's words immediately made Qin Feng furious. As the eldest young master of the Qin family, this was a lifelong shame. Now Gu Ling'er revealed his scars directly in front of everyone!

"Hmph, let Chen Ping get out of here. Today I'm here to cut him into pieces!"

Qin Feng roared angrily!

"Qin Feng, you still want to kill Chen Ping based on your two attacks? Have you forgotten how you lay on the ground begging for mercy some time ago?"

Gu Ling'er was still irritating Qin Feng with his words. Qin Feng's words about "plaything" just now made Gu Ling'er completely angry!

"Ah... I'm going to capture you two, let you taste the feeling of ecstasy, and then let you see if I can kill that Chen Ping!"

Qin Feng roared and said to his men: "Catch those two women, don't kill them!"

The four Qin family masters nodded, then jumped up and headed towards Su Yuqi and Gu Ling'er!

"Stop them and never let them hurt Miss Su!"

When Chi Feng saw this, he roared angrily and headed straight towards the four Qin family masters!

Dozens of guards also showed their weapons and stood directly in front of Su Yuqi and Gu Ling'er. Many people began to attack the four Qin family masters!

Lin Tianhu also struggled to get up at this time, gritted his teeth, and rushed forward with a knife!

The four masters of the Qin family are all masters, and among Chifeng and the others, only Chifeng is a master. Whether it is Lin Tianhu or the guards, they are all just masters of internal energy. How can they be the opponent of a master!

Chifeng fought hard against two Qin family masters alone, while the other two were fighting with Lin Tianhu and the others. The gap in strength meant that Lin Tianhu and the guards could only struggle to hold on, and they were soon killed and injured!

Chifeng was just worried when he saw it, and he was barely holding on. He had no way to help Lin Tianhu and the others!

Qin Feng looked at the scene in front of him and raised the corner of his mouth slightly: "That Chen Ping is quite capable, but his men are all a bunch of trash..."

Just when Qin Feng was feeling proud, a figure suddenly flashed past. The masters of the Qin family who were killing the guards were instantly knocked away by the figure. They all spat out blood and were seriously injured!

The two masters of the Qin family who were fighting with Chi Feng saw this and hurriedly retreated to Qin Feng's side!

Chapter: 756

"Bai Zhantang, why did you attack me, a servant of the Qin family?"

Qin Feng looked at the visitor and was furious!

Bai Zhantang was wearing a white suit and said with a cold and arrogant face: "Qin Feng, I protect the people here. If you don't want to be an enemy of my Bai family, you'd better leave!"

"You will guarantee it?" Qin Feng frowned, then raised the corner of his mouth and sneered: "Don't you just want to get that jade pendant? Don't fucking pretend in front of me. Do you want to guarantee it? If you don't want to die, just give it to me. I get out of here!"

"Qin Feng, do you really dare to be an enemy of my Bai family?" Bai Zhantang's face turned cold!

"Bah, so what if I'm an enemy of your Bai family? My dad will be out of prison soon, and then your Bai family will be nothing!"

Qin Feng spat hard!

"court death....."

Bai Zhantang opened his eyes angrily and slapped Qin Feng with his palm!

The wild wolf next to Qin Feng saw this and was about to take action, but was stopped by Qin Feng: "Uncle Wolf, let me fight with this kid first!"

Qin Feng said and rushed forward with a single step!

Bai Zhantang and Qin Feng were equally matched in strength. They both had the strength of a seventh-grade grandmaster. The two of them fought together and exchanged hundreds of moves in the blink of an eye!

Dust flew up for a while, covering the sky and the sun. Looking at the scene in front of him, Lin Tianhu's face became more and more ugly. He felt that his strength was still far behind. Even Chifeng had a look of shock on his face. He was worthy of being a master of Kyoto. She comes from a family that has already reached the seventh level of Grandmaster at a young age, which is higher than hers.

Bang.....

Suddenly, after a muffled sound, the two figures separated, and each took three steps back!

Bai Zhantang's face was very ugly, a little pale, and although Qin Feng had a sneer on his face, his aura was obviously uneven!

"Bai Zhantang, if it were just you, you wouldn't be able to stop me!"

Qin Feng said with a sneer.

"Qin Feng, even if you die today, I won't let you touch them!"

Bai Zhantang looked determined. This matter is related to the foundation of the entire Bai family for hundreds of years!

If Bai Zhantang saves Su Yuqi this time, then Chen Ping will definitely owe him a favor, and owe the Bai family a favor. If a cultivator owes a favor, then the Bai family can rest easy in the future!

“Hmph, then I will help you!” Qin Feng snorted coldly, looked at the wild wolf and said: “Uncle Wolf, destroy this kid!”

Qin Feng just let the wild wolf destroy Bai Zhantang, but he did not dare to let the wild wolf kill Bai Zhantang, because he also knew that if he really killed Bai Zhantang, he was afraid that the Bai family would fight with the Qin family at all costs. The fish is dead and the net is broken, and it is not an advantage for other families in Kyoto!

“No problem!” Wild Wolf nodded!

Chapter: 757

After saying that, the whole person disappeared in a flash, and he was in front of Bai Zhantang in an instant!

Bai Zhantang was startled. Before he could react, he was hit on the shoulder by the wild wolf and was knocked away!

“Grand Master.....”

Bai Zhantang looked at the wild wolf in shock. He did not expect Qin Feng to bring a great master. If he had known this, Bai Zhantang should have brought masters from his family!

“Little baby, just go back to your Bai family and don’t get involved in things here!”

After the wild wolf finished speaking, he looked at Su Yuqi and Gu Ling’er with lewd eyes: “Two little girls, your Uncle Wolf is here. Don’t worry, I will be very gentle!”

Seeing the wild wolf like that, Su Yuqi and Gu Ling’er were so frightened that their faces turned pale, and the two of them cuddled together!

“Miss Su, Miss Gu, run quickly...”

Seeing this, Chi Feng suddenly swung her palm towards the wild wolf and told Su Yuqi and Gu Ling'er to run away quickly. She knew that she was no match for the wild wolf and could not stop him!

"Hmph, you are too old, I don't like it!" Facing the red phoenix coming with a palm, the wild wolf snorted coldly, and knocked the red phoenix away with a wave of his hand!

Before Su Yuqi and Gu Linger could escape, the wild wolf stood in front of them in a flash!

"You old gangster....."

Gu Ling'er was furious, gritted his teeth, and hit the wild wolf with all his strength!

Bang.....

Gu Ling'er had also practiced, but hitting the wild wolf was like hitting an iron plate. The shock made his arms numb, but the wild wolf didn't feel it at all!

"Hahaha, just like tickling, you are too weak!"

As the wild wolf said, he reached out and grabbed Gu Ling'er's wrist, then gently pulled Gu Ling'er directly into his arms!

"Asshole, let me go..."

Gu Ling'er struggled desperately!

"Uncle Wolf, can you leave this woman to me? She is my former fiancée Gu Ling'er!"

Seeing that the wild wolf was about to attack Gu Ling'er, Qin Feng hurriedly said loudly.

He himself wanted to play with Gu Linger first.

Upon hearing this, Ye Lang hesitated for a moment, and finally threw Gu Ling'er to Qin Feng: "Okay, I'll give this to you, I want the rest!"

After the wild wolf finished speaking, he looked at Su Yuqi, who was pale and trembling, and grabbed it with his hands!

Chapter: 758

"ah....."

Su Yuqi screamed in fright and covered her eyes!

But just when the wild wolf's hand was about to catch Su Yuqi, suddenly the jade pendant on Su Yuqi's body emitted a burst of red light, and the overwhelming aura rushed towards the wild wolf. The wild wolf's eyes were frightened, and he instinctively retreated, but it was still too late. , was directly knocked away by the red light, and fell heavily to the ground!

"Uncle Wolf....."

Seeing this, Qin Feng hurriedly handed Gu Ling'er to his subordinates to take care of him, and ran over to help the wild wolf up!

"What a terrifying power..."

The wild wolf was in shock!

"Uncle Wolf, this woman is carrying the Yin family's spiritual weapon. I was also injured by this spiritual weapon at that time!"

Qin Feng followed the wild wolf and explained!

“It’s indeed a good thing. It seems that to get this thing, we have to think of another strategy!”

The wild wolf nodded, and then continued: “Let’s go. It seems that Chen Ping is really not here. When he comes back, I will avenge you and then find a way to get the spiritual weapon!”

Qin Feng could only nodded. Chen Ping was not here, and now they had no way to get the spiritual weapon, so they had no choice but to leave first!

But this trip was worthwhile. After catching Gu Ling’er, Qin Feng imagined that he would be able to have a good time after returning home!

“You guys let Ling’er go...”

When Su Yuqi saw that Qin Feng was taking Gu Ling’er away, she hurriedly shouted loudly!

Qin Feng sneered: “If you want me to let her go, let Chen Ping come and kowtow to me in person to apologize. Maybe I will be merciful. Remember, we are waiting for him at the Wangjia Hotel!”

After saying that, Qin Feng took Gu Ling’er and left.

Chen Ping, who was still practicing in the Song family villa in the mountain city at this time, shuddered when the jade pendant on Su Yuqi’s body was activated, and his eyes that had not been opened for three days suddenly opened!

Chen Ping’s brows were furrowed, with a bit of anxiety on his face. He looked at the hill-like spirit stones. At this time, there was only a small pile left, but Chen Ping’s strength had not increased much. With so many spirit stones, His strength has reached the fifth level of Foundation Establishment. Chen Ping originally thought that he could reach the Bigu Stage. It seems that with this increase in level, the demand for spiritual energy has increased exponentially!

“Wu Dong, Wu Dong.....”

Chen Ping shouted loudly. He knew that Su Yuqi was in danger and he wanted to return to Jiangbei Provincial City immediately!

Soon a servant of the Song family opened the door and walked in. It seemed that they had been waiting outside for a long time!

“Mr. Chen, Mr. Wu is busy mining the ore veins and is not here!”

The servant hurriedly followed Chen Ping and said.

Chapter: 759

“What about your master?” Chen Ping asked.

Just as Chen Ping finished speaking, he saw Song Zude and Song Tie hurried over!

“Mr. Chen, have you finished practicing?” Seeing Chen Ping wake up, Song Zude immediately said with excitement: “Now the newly discovered mineral veins have begun to be drilled, but it will take some time to see results. The stones Mr. Chen needs, I have to wait for a few days!”

“I have something urgent to go back to Jiangbei Provincial City. Prepare a car for me immediately!”

Chen Ping’s face was full of anxiety, and cold sweat could be seen on his forehead!

Seeing Chen Ping’s anxious look, Song Zude did not dare to be negligent at all, so he said: “Mr. Chen, I have a private helicopter. If Mr. Chen has something urgent, he can take a helicopter back!”

“That’s great!” Chen Ping was delighted. He didn’t expect that the mine boss was so heroic and even had a private jet!

Soon, after the helicopter was ready, Chen Ping got on the helicopter and headed straight for the Jiangbei provincial capital!

Song Tie looked at Chen Ping flying away, his eyes not looking back for a long time!

Seeing his daughter like that, Song Zude patted Song Tie on the shoulder: "Daughter, Mr. Chen is not a creature in the pool. Whether he can like you or not is your destiny!"

Song Tie nodded: "I will work hard!"

On the other side, Su Yuqi was protected in the room by hundreds of people. Chi Feng and Lin Tianhu were both injured. Fortunately, Chen Ping gave them the Great Return Pill, which greatly enhanced their physical fitness, so they were not seriously injured!

Bai Zhantang relied on his identity as the young master of the Bai family, and the wild wolf did not do anything serious, so Bai Zhantang was only slightly injured and nothing happened at all.

Gu Ling'er was taken away, and Su Yuqi was in a very low mood. She didn't know what Gu Ling'er was suffering now, but for Bai Zhantang, the fact that Gu Ling'er was taken away had no impact on him at all. He wanted to protect her. It's Su Yuqi, not Gu Ling'er!

"Chen Ping, why haven't you come back yet? Ling'er has been arrested. She must be raped by Qin Feng now. With Ling'er's temperament, she will definitely not be alive. Come back and save her!"

Su Yuqi was in the room, praying constantly!

Buzz buzz.....

Suddenly, there was a roar in the sky outside, and a helicopter hovered over the villa at a very low attitude!

"Mr. Chen, we're here, I'll find a place to land!"

The driver said to Chen Ping.

“No need!” Chen Ping opened the helicopter door.

“Mr. Chen, the height is still one hundred meters high now. If...”

Before the driver finished speaking, Chen Ping jumped down, which scared the driver silly!

Bai Zhantang below, after hearing the sound of the helicopter, looked up and saw a black shadow falling from the sky!

Chapter: 760

boom.....

After a loud noise, a big hole was made in the bluestone floor of the villa, and broken bluestones flew everywhere!

When the smoke and dust cleared, Chen Ping’s proud figure stood among them!

“Mr. Chen... Mr. Chen?”

Bai Zhantang was so frightened that he jumped out of the plane. Is he still a human being?

Yes, a cultivator of immortality. Chen Ping is a cultivator of immortality. He is an immortal, not a human being!

Bai Zhantang reacted, and his admiration for Chen Ping became even more intense in his eyes!

“Did something happen to Yu Qi?” Chen Ping asked with a cold face.

“No, Miss Su is here, in the room...”

Bai Zhantang, a dignified young master of the Bai family in Kyoto, is speaking stumblingly at the moment, and he has lost all of his gentlemanly demeanor!

Chen Ping rushed into the room directly, and Su Yuqi also heard the noise and was about to get up to check when she saw Chen Ping rushing in.

“Chen Ping?” When she saw it was Chen Ping, Su Yuqi burst into tears and threw herself into Chen Ping’s arms!

“What happened?” Chen Ping hugged Su Yuqi and gently patted her shoulder!

“Why did you come back now? Ling’er was taken away. She was taken away by Qin Feng. They said they wanted you to kneel down and apologize before they let Ling’er go. I’m afraid... I’m afraid that Ling’er has already suffered. If you fall into Qin Feng’s vicious hands, then Qin Feng is just a beast!”

Su Yuqi cried.

“Qin Feng?” The murderous intent on Chen Ping suddenly rose up. Even Bai Zhantang, who was outside, felt this murderous intent and couldn’t help but tremble!

Lin Tianhu and Chi Feng felt the killing intent, and they were overjoyed. When they knew that Chen Ping was back, they immediately helped each other out of the room!

“Yu Qi, stop crying, tell me where they took Ling’er? I will definitely rescue her!”

Chen Ping asked Su Yuqi.

“Wangjia Hotel, this is the place Qin Feng was talking about when he left!”

Su Yuqi said.

“Wangjia Hotel?” Chen Ping nodded: “Okay, I understand. You can stay at home with peace of mind. I will be back soon!”

Chen Ping let go of Su Yuqi and turned around to walk out of the room. Lin Tianhu and Chifeng walked in with support. When they saw that it was Chen Ping who was back, they all looked ashamed and said: “Mr. Chen, we...we are incompetent...”

“Okay, no need to say it, I know it all!” Chen Ping interrupted the two people. Chen Ping knew that the strength of the two of them was no match for Qin Feng. What’s more, if Qin Feng dared to come back for revenge, he would definitely not It will come on its own.
