

The Order 7511

Chapter: 7511

Mu Kunrong said with confidence!

“That is, in this area, no one can be my opponent.”

Manager Liu is flattering!

Soon, Mu Kunrong led everyone from the Mu family to the martial arts arena!

At this time, the arena was already surrounded by people!

Chen Ping is already waiting in the ring!

After seeing Mu Kunrong arriving, Chen Ping didn't have the slightest fear on his face!

It's only a fifth-level Mahayana realm, which can be dealt with completely!

When Mu Kunrong saw Chen Ping, his eyes were scarlet and filled with murderous intent!

This was their second meeting. When they first met, Mu Kunrong was just a shadow!

In the end, the South Territory Lord took action and directly destroyed the phantom, causing the main body to be injured!

Otherwise, Mu Kunrong would have been out of prison long ago, and all his sons would not have been killed by Chen Ping!

Mu Kunrong jumped up and landed firmly on the ring!

“Boy, today I will peel off your skin and convulse you, and make you die in endless pain.”

Mu Kunrong glared at Chen Ping and said!

“I can die any way I want, as long as you have the ability to kill me!”

Chen Ping smiled disdainfully!

“Okay, then I’ll show you, I don’t have the ability to kill you!”

After Mu Kunrong finished speaking, the aura on his body exploded instantly!

“Wait a minute...”

Just when Mu Kunrong was about to take action, Pavilion Master Qian suddenly spoke!

Chapter: 7512

“Pavilion Master Qian, what do you mean? Do you want to intervene?”

Mu Kunrong asked Pavilion Master Qian!

“Master Mu has misunderstood. How could I intervene? I just need to activate the ring formation to prevent your fight from hurting anyone.”

After Pavilion Master Qian finished speaking, with a wave of his hand, the stone pillars around the arena instantly rose up with rays of light, and then enveloped the arena!

“No need to go to so much trouble, I only need one move to kill this kid!”

Mu Kunrong snorted coldly!

Chen Ping, a monk in the Tribulation Realm, couldn't get into his eyes at all!

The formation in the arena was activated. Mu Kunrong stared at Chen Ping, the aura on his body rising continuously!

“Go to hell...”

Mu Kunrong punched Chen Ping with one punch!

With the strength of the fifth level of the Mahayana realm, this punch can be described as extremely terrifying!

The huge fist occupied the entire ring, and Chen Ping had no choice but to resist!

“Rubbish.....”

There was a hint of disdain at the corner of Chen Ping’s mouth, and the Dragon-Slaying Sword in his hand instantly flashed with golden light!

Uh-huh!

I saw the sword energy in the sky colliding with Mu Kunrong’s fist!

The huge sound made the entire arena tremble!

If it weren’t for the formation constraints, the aftermath of this collision would probably kill many monks!

The void in the arena instantly became chaotic, and the figures of Mu Kunrong and Chen Ping disappeared!

The fight between the two people directly caused the void to collapse.

When the void gradually stabilized, the figures of Chen Ping and Mu Kunrong reappeared in front of everyone!

Everyone’s eyes widened, wanting to see who had the upper hand in the attack just now!

Everyone saw Chen Ping, holding the dragon-slaying sword and standing there with a calm expression!

But when everyone focused their attention on Mu Kunrong, they were immediately dumbfounded!

Chapter: 7513

I saw that Mu Kunrong's right arm had been completely broken off, and the blood from the broken arm was still gushing out!

Mu Kunrong's expression was extremely ugly, and his eyes showed not only anger but also deep shock!

With just one blow, Mu Kunrong instantly realized Chen Ping's true strength!

He was a fifth-level monk in the Mahayana realm, but his arm was cut off by Chen Ping, a monk in the Tribulation realm, with a sword!

This kind of unheard of thing made Mu Kunrong feel very shocked!

"Boy, you really have some skills!"

Mu Kunrong lost his arm and began to look at Chen Ping with admiration!

"You are too rubbish..." Chen Ping shook his head slowly!

He didn't admit that he was capable, but that Mu Kunrong was just rubbish!

"With that sword strike just now, I wanted to kill you, and there was no way you could survive, so recognize the reality."

“If you kneel down and beg for mercy now, and then give me some resources, I might consider not killing you!”

Chen Ping said calmly to Mu Kunrong!

Chen Ping’s words made Mu Kunrong feel extremely humiliated!

Everyone around them was also open-mouthed. A monk in the Tribulation Realm is now humiliating a fifth-level monk in the Mahayana Realm like this. The world has really changed!

No one would believe this unless they saw it with their own eyes!

“Boy, my Mu family has thousands of years of heritage. As the head of the Mu family, how could I do something that would humiliate my ancestors?”

“Aren’t you awesome? Then I will risk my life to play with you today...”

After Mu Kunrong finished speaking, he squatted on the ground and drew a pattern with his own blood on the ground!

The pattern looks a bit weird, like a painting of a ferocious monster!

Chen Ping couldn’t help but frown when he saw Mu Kunrong like that. It’s not good for this guy to suddenly start painting at such a moment, right?

There must be some conspiracy, but Chen Ping doesn’t know it now!

When Manager Liu saw the pattern drawn by Mu Kunrong, he immediately said with shock on his face:
“Master, no, no, no...”

It can be seen that Manager Liu is very scared!

But Mu Kunrong waved his hand, and then knelt down in front of the pattern.

Chapter: 7514

“Ancestor of the Mu family, I summon you by blood, please help us!”

Mu Kunrong knelt on the ground respectfully and muttered something!

“If you can’t beat me, even if you move the ancestors of the Mu family out, what’s the use? I’ll beat you up just the same!”

Chen Ping smiled coldly!

Mu Kunrong ignored Chen Ping, and soon terrifying power burst out from his body!

boom!

In an instant, the formations around the arena collapsed instantly!

Chen Ping felt a breath coming towards him, and his whole body flew backwards in an instant!

The monks watching the excitement around did not expect it to turn out like this, and they were all knocked away by this aura!

Chen Ping was suspended in mid-air, looking down at Mu Kunrong, his brows slightly furrowed!

At this time, a very strong aura appeared around Mu Kunrong's body!

This breath was expanding, and then enveloped his entire body!

Rumble.....

Suddenly, there was thunder in the sky!

Everyone looked up and found that at some point, a large dark cloud had appeared, covering the entire sky in Nanjing City!

Thunderbolts flashed in the dark clouds!

"Could it be that the head of the Mu family is going through the tribulation at this time?"

"It's impossible. He just came out of seclusion. Could it be that the head of the Mu family relied on secret methods to forcibly overcome tribulations and improve his realm?"

"It is very possible that if you are improving, it will be the sixth level of the Mahayana realm. I am afraid that Chen Ping will not be an opponent!"

When everyone looked at the thunder and lightning, they thought it was a thunder disaster, so they started talking!

And Chen Ping could tell at a glance that this was not the Thunder Tribulation Cloud, and Mu Kunrong was not overcoming the Tribulation either!

Along with the roar of thunder and lightning, the aura on Mu Kunrong's body became stronger and stronger, and this aura directly enveloped the world!

And Mu Kunrong's body began to disintegrate in this aura!

"What's going on?"

Chapter: 7515

Mu Kunrong looks like he is going to disappear!

"Boy, just wait to die!"

Mu Kunrong's eyes were scarlet. At the last moment when he disappeared, he stared at Chen Ping and shouted!

boom!

The thunder and lightning in the sky resounded louder and louder, and thunder and lightning flashed frequently!

Chen Ping holds the Dragon-Slaying Sword in his hand, and there is no fear in his eyes!

No matter what tricks Mu Kunrong plays, he just catches them!

Mu Kunrong's body glowed with dazzling light, and everyone could no longer see his body!

The surrounding atmosphere has formed a tornado, raging on the ring!

There was only an outline of Mu Kunrong's body, and his facial features could not be seen clearly!

In the end, Mu Kunrong's body even disappeared and turned into a beam of light!

boom!

The light soared into the sky, and then a majestic aura pressed down from above!

This aura is extremely domineering!

Many monks around them stepped back one after another. They didn't want to watch the fun and risk their lives!

Chen Ping felt the domineering aura and his eyes were extremely cold!

That breath instantly bombarded Chen Ping's body!

Chen Ping's body fell from mid-air like a meteor and hit the ring heavily!

The hard arena was instantly exploded by Chen Ping's body!

The arena disappeared, but the terrifying aura was still thinking about dissipating around!

Fortunately, many monks had escaped early, otherwise they would have been swept away by this aura!

Chen Ping's body disappeared from everyone's sight and fell deeply into the ground!

And the dark clouds in the sky slowly condensed into a human shape!

A human figure standing a hundred feet tall looks somewhat similar to Mu Kunrong!

Chapter: 7516

"Is this the ancestor of the Mu family?"

"It looks like this ancestor is a little weird!"

"Then Mu Kunrong sacrificed himself and summoned the ancestor of the Mu family, which is cruel enough."

“He must know that he is no match for Chen Ping, and he will die if he fights. That’s why he behaves like this.”

Everyone looked at the human figure formed by the black clouds and couldn’t help but talk!

The human figure slowly lowered his head and looked at Chen Ping who was driven into the ground!

Chen Ping soared into the sky and rushed out from the ground!

The blow just now, although terrifying, did not cause any harm to Chen Ping!

“It looks like it’s quite bluffing, but I don’t know if I can resist being beaten...”

Chen Ping said to the ancestor of the Mu family with disdain!

After Chen Ping finished speaking, a dazzling golden light burst out from his body!

The indestructible golden body is activated, and Chen Ping looks like a golden-armored god of war!

Holding the sword in his right hand and raising it high, Chen Ping rushed directly towards the ancestor of the Mu family!

Chen Ping’s speed reached the extreme, and everyone could only see a golden shadow left in the void!

“Ignorant child...”

The ancestor of the Mu family spoke and stared at Chen Ping!

boom!

The ancestor of the Mu family suddenly stretched out a huge palm. This palm turned into countless palms condensed with black aura, grabbing Chen Ping from all directions!

Chen Ping ignored these giant palms, but held the dragon-slaying sword and quickly headed towards the ancestor of the Mu family!

Chen Ping was as insignificant as an ant in front of the ancestor of the Mu family!

But Chen Ping didn't have the slightest fear!

With the dragon-slaying sword in his hand, he slashed with the force, and a sword light shot out!

There are no moves or fancy moves, just a powerful slash!

boom!

Chapter: 7517

The terrifying sword light, containing the billowing sword intent, was heading towards the ancestor of the Mu family like a wave!

The ancestor of the Mu family stared at Chen Ping and then snorted coldly!

This cold snort was full of disdain and contempt!

The ancestor of the Mu family let out a breath, and suddenly a gray shield appeared!

This shield blocks the sword light!

Rumble.....

The sword light stood on top of the shield, and a deafening sound instantly erupted!

Under the heavy blow of the sword light, the shield instantly shattered and disappeared.

And Chen Ping's sword light also weakened, and finally disappeared in front of the ancestor of the Mu family!

This sword is a test for both sides!

Chen Ping and the ancestor of the Mu family looked at each other through the air!

"Junior, you dare to kill members of my Mu family. Do you know that your actions will bring disaster to your family?"

The ancestor of the Mu family said in a deep and rich voice!

"Disaster of genocide?"

Chen Ping sneered: "Are you worthy?"

"presumptuous....."

The ancestor of the Mu family became angry and suddenly struck down with a palm!

This palm actually contains countless thunder and lightning, and the power of thunder in it is enough to shake the heaven and earth!

"The power of thunder, I like..."

When Chen Ping saw this, he immediately laughed!

I saw Chen Pingyuan motionless, the source of thunder and lightning in his body began to operate, and the original stars in the original space shone with dazzling light!

Thunder and lightning began to flash around Chen Ping's body.

Upon seeing this, the ancestor of the Mu family waved his palm down, and countless thunder and lightning struck Chen Ping fiercely!

Panties...

Panties...

Thunder and lightning struck Chen Ping one after another, and billowing white smoke came out!

Chen Ping didn't dodge or dodge, the source star exuded a terrifying suction force, directly absorbing the power of the arena!

The lightning origin stars in the origin space also began to flicker and become brighter and brighter!

The more lightning there is, the more lightning source Chen Ping absorbs!

These seemingly terrifying thunder and lightning are actually rare resources in Chen Ping's eyes.

But no one knew this. They were all dumbfounded when they saw Chen Ping being hit by countless lightnings and his whole body was smoking!

Especially Ji Yun, when he saw Chen Ping like this, his eyes turned red and he clenched his fists, planning to desperately save Chen Ping!

The ancestor of the Mu family raised his lips slightly. He knew that no one could survive these countless thunder and lightning!

"So comfortable..."

Just when Chen Ping was surrounded by those thunder and lightning, he suddenly shouted!

The ancestor of the Mu family, who had a slight smile on his face, suddenly had a smile on his face!

Chapter: 7518

He never thought that Chen Ping, who was in the Tribulation Realm, was not afraid of the power of thunder at all, and it seemed that he had absorbed countless thunder and lightning!

When the other monks saw this, their mouths were wide open, and they were extremely shocked!

“Does this Chen Ping possess the origin of thunder and lightning?”

“I’m sure. Didn’t you see that all the lightning struck him and was absorbed?”

“It’s so perverted, this Chen Ping is so perverted!”

Many monks all discussed!

The ancestor of the Mu family quickly stopped and let the countless thunder and lightning disappear instantly!

He originally wanted to use these thunder and lightning to kill Chen Ping, but now they have become Chen Ping’s resources, which backfired!

The thunder and lightning disappeared, and Chen Ping’s body became even more golden.

“Since you don’t want to play anymore, let me play...”

After Chen Ping said that, a thunder and lightning visible to the naked eye was slowly forming in the palm of his hand!

Chen Ping looked up at the head of the Mu family and suddenly rushed forward like a rocket!

boom!

The power of thunder and lightning condensed in Chen Ping's palm, becoming more and more fierce!

Chen Ping's speed was so fast that the surrounding void began to tremble, and even the space was squeezed!

Facing Chen Ping, the ancestor of the Mu family had a solemn expression on his face!

boom!

The head of the Mu family punched Chen Ping!

From a distance, this punch was like a mountain, covering Chen Ping's entire body!

Even so, Chen Ping didn't dodge at all, but charged forward with his fist!

Bang!

The fists collided heavily with Chen Ping's body!

The surrounding void was like a mountain falling apart, and the fist was instantly shattered by Chen Ping's rampage!

Chen Ping shattered this punch with just the strength of his body!

Chapter: 7519

This gap is a complete crushing of strength!

Although the punch from the head of the Mu family looked huge!

But in front of Chen Ping, he was still too weak!

Simply vulnerable!

“My ancestor only has this ability, no wonder the descendants of the Mu family don’t have much ability either!”

Chen Ping looked at the ancestor of the Mu family coldly and said sarcastically!

The ancestor of the Mu family had a ferocious face, and his huge body was trembling!

The ancestor of the Mu family fell into madness, raised his hands high, and fell directly into the boundless void!

The dark clouds that originally dispersed quickly gathered again at this moment!

Throughout the void, dark clouds can be seen rolling violently like ocean waves!

The world fell into darkness, like the end of the world!

The dark clouds began to descend rapidly, and many monks felt unprecedented pressure!

The entire Nanjue City is shrouded in dark clouds. If these dark clouds come down, countless monks in Nanjue City will be killed or injured!

At this time, all the monks panicked. They didn't expect that the ancestor of the Mu family didn't follow martial ethics!

Fight with Chen Ping, just deal with Chen Ping directly!

Why are all the monks in Nanjing City implicated?

This ancestor of the Mu family was crazy. In order to kill Chen Ping, he would not hesitate to let all the monks in Nanjing City be buried with him!

boom!

The dark clouds keep falling, and the terrifying atmosphere keeps coming out!

Many monks have already begun to kneel to the ground, unable to move due to the pressure!

The other monks wanted to escape, but found that they couldn't move at all!

"Do you want to die together?"

Chen Ping looked at the ancestor of the Mu family and asked!

“Yes, I want you to die, and everyone who sees my Mu family making a fool of themselves will die!”

Chapter: 7520

The body of the ancestor of the Mu family began to merge into the dark clouds!

Chen Ping frowned slightly and his face became serious!

This ancestor of the Mu family doesn't respect martial ethics and wants to die with everyone else!

Chen Ping continuously bombarded the thunder and lightning in his palm into the dark clouds. However, after the thunder and lightning entered the dark clouds, they were instantly submerged and could not stop the speed of the dark clouds!

As the dark clouds became lower and lower, some monks couldn't bear it anymore and began to vomit blood!

Everyone had a look of horror on their faces.

Chen Ping struggled to resist, but his body was like an ant in front of the dark clouds covering hundreds of miles in radius, and he could not resist at all!

Chen Ping also felt the pressure, and his body kept falling in mid-air!

“roar.....”

Just when Chen Ping was at a loss and many monks were in despair, there was a sudden loud roar!

At this moment, the little swallowing beast rushed out from Chen Ping's storage ring, with light shining around its body!

And the size of the little swallowing beast is constantly increasing!

Then he raised his head, stared at the dark clouds with his big eyes, roared, and the hair on his body stood on end!

Then the little sky-swallowing beast opened its mouth wide, and there was a huge suction force!

This caused the dark cloud layer that originally fell to be sucked directly into the mouth of the little sky-swallowing beast!

The dark clouds with a radius of hundreds of miles were sucked clean by the little sky-swallowing beast in an instant!

The originally dark sky and earth became brighter, and dazzling sunlight also shone on the earth!

The pressure on everyone disappeared in an instant, and everyone's face was filled with shock and joy!

The little swallowing beast licked his lips, then yawned and returned to Chen Ping's storage ring again!

In just a short moment, the ancestor of the Mu family used his life to blend into the dark clouds. He planned to die together, but was eaten by the little sky-swallowing beast!

After a brief shock, many monks cheered!

I am glad that I am still alive, but at the same time, these people hate the Mu family!

Manager Liu looked at the crazy people and quietly wanted to leave!
