

## **The Order 7551**

Chapter: 7551

Yaomei and Chen Ping turned left and right, and finally walked into a small alley, and then stopped in front of an antique-looking courtyard!

“The price for collecting immortal spirit stones here is the highest.”

Yaomei pointed at the courtyard and said!

Chen Ping saw that the door of the courtyard was closed, and there was no sign of business!

“Is there no one here?”

Chen Ping said!

Yaomei didn't say anything, but stepped forward and started knocking on the door!

Three long and one short, after knocking three times, the door was opened!

The person who opened the door was a child who looked like a teenager!

But Chen Ping knew that in a place like the Heavenly and Human Realm, it was impossible to tell a person's true age just by looking at their appearance!

Perhaps the child in front of me has lived for hundreds of years!

After the child opened the door, he looked around, and then asked Yaomei: "The world is boundless..."

"The deep sea has no limit..."

Yaomei also said the same thing!

"Come in!" The child stepped aside and let Yaomei lead Chen Ping in!

Chen Ping looked at this scene and was completely confused!

Why did Yaomei follow the child like a secret code?

Isn't it just selling a fairy spirit stone, why is it so mysterious?

After Chen Ping walked into the courtyard, he looked around very cautiously.

"Don't be nervous, it's very safe here, not to mention that in Beast City, no one dares to use force!"

Yaomei saw Chen Ping's caution and said!

"Where did you bring me here? This doesn't look like a place for business, either?"

"You even exchanged the secret code, making it look like some sort of secret base!"

Chen Ping whispered to Yaomei!

Chapter: 7552

“Don’t worry, it’s okay. I’m familiar with this place.” Yaomei said!

When Chen Ping saw this, he stopped saying anything and was led into the room by the child along with Yaomei!

The room is not big, but a shielding formation is actually set up in this room!

After entering the room, nothing you do inside will be detected, and nothing you say will be heard!

Chen Ping was very puzzled. He was just selling a fairy spirit stone. Is it so mysterious?

We also have a shielding formation!

Not long after, a somewhat bloated middle-aged man walked in and sat down opposite Chen Ping and the others!

“Young sister, have you got the fairy spirit stone?”

The middle-aged man asked Yaomei!

“Uncle Qian, I originally got it, but it was taken back again. I was almost arrested.”

Yaomei said very regretfully!

“Since you didn’t get the fairy spirit stone, what are you doing here?”

Uncle Qian frowned and said in a reproachful voice!

“Uncle Qian, although I didn’t get the fairy stone, I still have other fairy stones here!”

Yaomei said, taking out the fairy spirit stone that Chen Ping gave her, and then continued: “And my friend also has a fairy spirit stone with him, and he wants to sell it to you too!”

When Yaomei said this, Uncle Qian noticed Chen Ping and then looked at Chen Ping!

Just when Chen Ping was a little surprised as to why this guy kept looking at him, suddenly a spiritual consciousness enveloped him!

This is to find out his own background, and Chen Ping doesn’t tolerate him!

In an instant, his spiritual consciousness exploded, directly blocking the opponent’s spiritual consciousness. Then Chen Ping’s spiritual consciousness directly entered Uncle Qian’s body and explored Uncle Qian!

When Chen Ping’s spiritual consciousness entered Uncle Qian’s body and probed it once, Chen Ping’s brows wrinkled slightly, but he soon relaxed!

Because Chen Ping discovered that deep inside Uncle Qian's body, there was actually the aura of the human race!

You must know that this beast city does not allow races other than the beast race to enter!

And the Uncle Qian in front of him, although he has the aura of the beast on the surface, deep inside his body, there is the aura of the human race!

And Uncle Qian looked very ugly at the moment, staring at Chen Ping with his eyes!

Chapter: 7553

He didn't expect that Chen Ping's consciousness was so powerful!

You must know that he is a fourth-level monk in the Mahayana realm, while Chen Ping is only a ninth-level monk in the Tribulation Realm!

Although this spiritual consciousness cannot completely rely on realm to distinguish strength and weakness, but the realms are so different, my own spiritual consciousness should not be so vulnerable!

Moreover, Chen Ping's spiritual consciousness had already entered his body to explore, which filled Uncle Qian's eyes with murderous intent!

Chen Ping could also sense the murderous aura that suddenly appeared on Uncle Qian's body. It looked like the other party was going to kill someone and silence him!

Yaomei on the side didn't know anything yet and just stared blankly!

“Fellow Taoist, although the shielding formation in your room can block some aura leaks, if you do it, your formation cannot hide it.”

“You know the rules of Beast City better than I do, so I advise you to think twice...”

Chen Ping said to Uncle Qian with a smile!

When Uncle Qian heard this, the aura that filled his body slowly fell, and the murderous intention gradually disappeared!

“What are you doing here?” Uncle Qian asked!

“Sell fairy spirit stones!” Chen Ping said!

“Uncle Qian, don’t worry, we are really selling immortal spirit stones, and it’s also Chen Ping’s first time entering Beast City, so he doesn’t understand anything.”

Yaomei on the side also noticed something was wrong at this moment, so she hurriedly said!

Uncle Qian nodded, then took the fairy spirit stone from Yaomei’s hand, glanced at it and said: “Five purple gold spirit coins...”

“Uncle Qian, wasn’t such a big fairy spirit stone supposed to be worth seven purple gold spirit coins before? Why is it now worth five?”

Yaomei frowned slightly and said!

“It was before, and it is now. The inspections have been stricter recently.”

“Go to the official purchase points. Your fairy spirit stone is worth at most three purple gold spirit coins!”

Uncle Qian said!

Yaomei bit her lip and finally said helplessly: “Okay, I’ll sell it to you...”

After Uncle Qian threw five purple gold spirit coins to the girl, he casually threw the fairy spirit stone into the storage bag!

“Take out the fairy spirit stone that this fellow Taoist wants to sell!”

Uncle Qian asked Chen Ping!

Chapter: 7554

Chen Ping entered the storage bag with his spiritual consciousness, and then picked out the largest fairy stone.

This fairy stone is the size of a millstone and weighs ten thousand kilograms!

Fortunately, the world of gods and humans are all monks, and these ten thousand kilograms of fairy stones are as light as feathers in their hands!

In the secular world, such a heavy stone would definitely require a crane!

Chen Ping doesn't really want to sell the fairy stones. After all, these fairy stones are a good resource for Chen Ping to practice!

Now Chen Ping is not short of money, what he is short of is resources!

Chen Ping took out the fairy stones from the storage bag. The reason why he still kept Naluota's storage bag and did not put these fairy stones into the storage ring was because he was afraid that the little sky-swallowing beast would take them. I swallowed all my fairy stones!

Looking at the fairy spirit stone that Chen Ping took out, Uncle Qian and Yaomei were both stunned, and their eyes were shocked!

"This... such a big fairy stone?"

Yaomei opened her mouth wide and her eyes almost popped out!

And Uncle Qian also trembled slightly, stepped forward and gently stroked the fairy spirit stone!

"How many purple gold spiritual coins can you give me for this fairy spirit stone?"

Chen Ping asked Uncle Qian!

Uncle Qian did not answer Chen Ping, but after looking at the purple gold spirit coin, he suddenly slapped Chen Ping with his palm!

Uncle Qian struck very quickly, and he attacked suddenly!

The two were already very close to each other, but Uncle Qian made a sudden move, leaving Chen Ping unable to react!

Bang!

This palm directly sent Chen Ping flying backwards, and his body hit the formation heavily!

Buzz!

The formation buzzed for a while, then flashed with white light, and then disappeared!

This kind of formation can only block part of the breath and sound. Such a sudden burst of breath cannot be withstood by this shielding formation!

“Uncle Qian, what are you doing?”

Yaomei was startled, then quickly ran to Chen Ping: “Are you okay?”

Chen Ping was helped up by Yaomei, took a deep breath, then shook his head and said: “I’m fine!”

Chapter: 7555

Although Uncle Qian suddenly attacked, leaving Chen Ping unable to react for a moment, Uncle Qian obviously did not use all his strength. He was probably afraid that his aura would be exposed, breaking the rules of Beast City, and letting the law enforcement team arrest him!

In addition, Chen Ping's physical body is extremely powerful, so this palm just knocked Chen Ping away without causing any injury!

Uncle Qian looked a little surprised when he saw that Chen Ping was okay!

"Mei Yao, this man is from the City Lord's Mansion. If you bring him here, you are harming me!"

Uncle Qian said to Yaomei with an angry face!

"People from the City Lord's Mansion? Impossible, right? I met them outside the Beast City!"

"Uncle Qian, what evidence do you have that he is from the City Lord's Mansion?"

Yaomei looked at Chen Ping in disbelief!

"This Fairy Stone is enough to prove that such a huge Fairy Stone has only appeared in the entire Beast City. It was accidentally discovered by a monk in the cave eighty years ago."

"Back then, this Fairy Spirit Stone was on display in the Beast City, but it was later put away and has never been seen again!"

"Now that this kid has such a big fairy spirit stone in his hand, he must be someone from the City Lord's Mansion who came here to investigate secretly."

Uncle Qian looked at Chen Ping very warily and said!

When Yaomei heard this, she immediately let go of Chen Ping and followed Chen Ping to distance herself!

“Are you really from the City Lord’s Mansion?”

Yaomei also looked at Chen Ping with anger, she felt that she had been deceived!

Chen Ping was also a little speechless at this time. He did not expect such a situation!

If what Uncle Qian said is true, it seems that this Beast City is connected with the people of the God Clan, because this Fairy Spirit Stone was found in Lota’s storage bag!

“I’m not from the City Lord’s Mansion. Don’t get me wrong...” Chen Ping followed Uncle Qian in explaining!

“Hmph, why should I believe you?” Uncle Qian snorted coldly!

“With this...”

After Chen Ping finished speaking, a breath instantly went towards Uncle Qian!

Uncle Qian saw that Chen Ping was actually going to attack him, so he burst out with aura and tried to fight back. However, when Chen Ping’s aura instantly enveloped him, Uncle Qian was suddenly stunned!

Uncle Qian’s eyes were wide open and he looked at Chen Ping in disbelief. The aura that had just burst out was instantly withdrawn, and he looked very excited!

“Uncle Qian, you...what’s wrong with you?”

Chapter: 7556

Yaomei looked at this scene and asked Uncle Qian!

“You...you are actually...”

Uncle Qian pointed at Chen Ping, but he swallowed his words again!

“Yao Mei, please go out. I have something to say with this fellow Taoist!”

Uncle Qian asked Yaomei to go out and talk to Chen Ping alone!

Yaomei was a little confused and said, “Uncle Qian, this Chen Ping is definitely not from the City Lord’s Mansion. You have to believe him!”

Yaomei thought that Uncle Qian still didn’t believe it and wanted to take action against Chen Ping!

“Yao Mei, please go out and let the two of us talk. It should be fine.”

Chen Ping also said to Yaomei!

Seeing this, Yaomei could only turn around and leave. After Yaomei left, Chen Ping pinched his fingers, and instantly several formations appeared, wrapping the entire room!

Chen Ping set up a shielding formation. This shielding formation was many times stronger than the shielding formation set up in the room at the beginning!

Seeing this scene, Uncle Qian looked very excited!

“Fellow Taoist, I didn’t expect you to be a human monk. It’s really great...”

Uncle Qian looked at Chen Ping and said!

It turned out that the aura Chen Ping had just released contained a hint of human aura, which Uncle Qian could sense!

It was precisely because of this that Uncle Qian stopped, believing that Chen Ping was no longer from the City Lord’s Mansion!

After all, humans are not allowed to appear in the entire Beast City, let alone the city lord’s palace!

“You are also a human monk. Why are you hiding in the Beast City and are you in the business of purchasing immortal spiritual stones?”

Chen Ping asked Uncle Qian!

“You don’t know something, fellow Taoist, but the living environment of our human race is extremely bad now, and most of the resources are controlled by the orcs.”

“We united with the demon monks to form a resistance alliance, intending to resist the oppression of the orcs and fight for a piece of land for our own survival.”

“I purchased Fairy Spirit Stones in Beast City just to earn the price difference and buy more resources for the Resistance Alliance.”

“These fairy stones are all controlled by the City Lord’s Palace. The purchase price is extremely low, and the City Lord’s Palace makes a large profit from them.”

“I wonder where the fairy spirit stone in my fellow Taoist’s hand came from? This big fairy spirit stone shouldn’t have been mined by my fellow daoist, right?”

Chapter: 7557

Uncle Qian asked Chen Ping!

Chen Ping shook his head: “I robbed it...”

“Robbed it?” Uncle Qian was shocked and said with a face full of shock: “Who did you robbed? This beast city does not allow fighting.”

“And the strength of a monk who can possess such a huge fairy spirit stone must be extraordinary. With your cultivation level of the ninth level of the Tribulation Realm, can you snatch this fairy spirit stone?”

Uncle Qian is right. An ordinary young monk would certainly not be able to hold such a large piece of fairy stone.

“What someone helped me rob was not in Beast City, but in Xiao Dynasty...”

Chen Ping said!

“Xiao Dynasty?” Uncle Qian was immediately confused and frowned slightly: “I have never heard of such a dynasty?”

Chen Ping looked at Uncle Qian, and then explained: "I am from outside Beast City, not from Beast City..."

Chen Ping's words immediately made Uncle Qian's eyes widen and his whole body trembled slightly!

"You...you came in from the outside? This is impossible, absolutely impossible. No one has been able to enter the Beast City from the outside in so many years."

"We have tried many ways to escape from the Beast City area, but we have never succeeded!"

"How could you have entered from the outside world? No outsider has ever entered here for thousands of years."

Uncle Qian didn't believe what Chen Ping said at all!

"Believe it or not, that's all I can say."

Chen Ping still didn't believe it when he saw Uncle Qian, so he had no choice!

"Then...can you tell me how you entered?"

Uncle Qian asked!

Chen Ping shook his head. There was no way he could say that he was brought in!

Seeing that Chen Ping didn't say anything, Uncle Qian sighed, and his excited expression became a little lonely!

It can be seen that he really wants to escape from this place!

After all, the orcs are the main ones here, and the humans or demons are just the lowest level monks!

We don't get many resources, and we often have to do dangerous things!

They might even be thrown into prison, so Uncle Qian and the others would want to resist!

Chapter: 7558

"Fellow Taoist, I can't afford to take away your fairy spirit stone. And I advise you to leave the Beast City as soon as possible. Regardless of whether you really entered from the outside world, don't stay here for a long time."

"Your human aura will be exposed sooner or later, and there is a curfew in Beast City after dark. No one can stay outside except the guards of the city lord's mansion."

Uncle Qian persuaded Chen Ping!

"I actually don't want you to take my fairy stone. I want to buy the fairy stone in your hand."

Chen Ping said and took out a large bag of purple gold spirit coins!

Uncle Qian was a little confused when he saw so much money, and then asked: "Fellow Taoist, you are just crossing the tribulation realm, what is the use of acquiring fairy stones?"

"This fairy spirit stone is simply a waste for monks below the immortal realm. It is not as good as an ordinary spirit stone."

Uncle Qian didn't understand what Chen Ping, a monk in the Tribulation Realm, was doing to acquire the Immortal Spirit Stone.

"Since I want it, it's naturally useful. Aren't you buying the Fairy Stone to earn the price difference? It's not the same as selling it to me directly."

"And I can pay you purple gold spirit coins in advance, and you can help me buy them in this beast city."

As Chen Ping said, he took out another large bag of purple gold spirit coins!

Looking at the purple gold spirit coin in front of him, Uncle Qian was so shocked that he was speechless!

He really wanted to know Chen Ping's background, but he knew that Chen Ping would definitely not tell!

If Chen Ping hadn't revealed his human aura just now, Uncle Qian would have definitely concluded that Chen Ping was from the City Lord's Mansion. After all, only people from the City Lord's Mansion could be so rich!

"Okay, I promise you!" Uncle Qian hesitated for a moment, and then quickly collected the purple gold spirit coin!

After putting away the purple gold spirit coins, Uncle Qian took out his storage bag, which contained the fairy spirit stones he had purchased!

"That's all I have for now. I'll continue to buy it for you."

"If you need a lot of fairy stones, you can also try to cooperate with the official acquisition point."

Uncle Qian said!

“Don’t all official purchase points hand over the fairy spirit stone to the city lord’s palace?” Chen Ping asked!

“Of course it has to be handed over to the city lord’s palace, but the city lord doesn’t know how much to hand over. I can give you an address. You can go to the acquisition point and have a look. I also secretly cooperate with the person in charge there.”

Uncle Qian said!

Chen Ping understood instantly when he heard this. This was a typical case of self-stealing, but Chen Ping didn’t care about self-theft, as long as he got the fairy stone!

After chatting with Uncle Qian for a while, Chen Ping left!

Chapter: 7559

“What were you talking about with Uncle Qian? Have you been chatting for so long?”

After Chen Ping came out, Na Yaomei asked Chen Ping!

“Nothing, just bargaining!” Chen Ping said with a slight smile!

“You guy, why do you have such a big fairy spirit stone in your hand? It must be very valuable, right? Is it worth five hundred purple gold spirit coins?”

Yaomei asked excitedly. It seemed like she wanted to borrow money from Chen Ping!

“No, I just gave you one hundred purple gold spirit coins!”

Chen Ping said.

“Ah, you only gave me one hundred? Uncle Qian is getting more and more stingy now!”

Yaomei looked very disappointed, then looked at Chen Ping and asked: “Can you lend me a purple gold spirit coin? I’m going to see my brother, and give some money to the guard by the way, so that my brother will suffer less.”

“How much to borrow?” Chen Ping asked!

Yaomei hesitated for a moment, then gritted her teeth and said, “Just five...”

“I’ll give you ten!”

Chen Ping directly threw ten purple gold spirit coins to Yaomei!

After getting the purple gold spirit coin, Yaomei was very happy and took Chen Ping straight to the prison!

The Beast City Prison is in the southwest of the Beast City. Because they couldn’t fly, Chen Ping and Yaomei walked for more than an hour before they arrived at the location of the prison!

Chen Ping looked around and found that there were no buildings around the prison, and the entire prison was shrouded in a white mist, making it impossible to see what was going on inside the prison!

Yaomei led Chen Ping through the white fog with clear and familiar directions and found the entrance to the prison!

“stop!”

At this time, an eight-foot-tall monk wearing silver armor and holding a long sword walked out of the white mist!

This guard has a sinewy face, broad shoulders and a broad body. He stands like a mountain, and the aura of the Mahayana realm is faintly visible on his body!

Chen Ping was slightly shocked when he saw the guards in front of him. Are all the people in the prison Mahayana monks?

Is that a little too much?

“Captain Zhou, it’s me!”

At this time, Yaomei shouted to the guard in front of her!

Chapter: 7560

The monk looked down at Yaomei, grinned and said, “So it’s Yaomei, come to see your brother again?”

“Well, let me see him.”

After Yaomei finished speaking, she took out ten purple gold spirit coins and stuffed them into Captain Zhou’s hand!

After Captain Zhou took a look, he returned the purple gold spirit coin!

Yaomei was stunned and said in a slightly embarrassed tone: “Captain Zhou, I... I only have so much, please be accommodating!”

When Captain Zhou heard this, his face suddenly turned cold and he said, “The inspections have been strict recently. If you don’t have money, don’t come here!”

After saying that, Captain Zhou turned around and left!

“Captain Zhou, I have five more here, all for you. These are all I really have!”

Yaomei could only take out the last five purple gold spirit coins on her body!

After receiving the fifteen purple gold spirit coins, Captain Zhou took one look at them and then said, “Come in with me!”

Captain Zhou walked in with Chen Ping and Yaomei!

After passing through a long corridor, the two of them finally entered the prison yard!

As soon as he walked into the yard, Chen Ping discovered that there was a towering ancient tree in the middle of the prison, and bursts of aura were surging inside the ancient tree!

Since he couldn't use his spiritual sense to detect it, Chen Ping could only use his naked eyes to judge that this towering ancient tree was estimated to be tens of thousands of years old!

"You know the place, go there by yourself, you also know the rules!"

Captain Zhou said to Yaomei that day!

"I understand, I understand. Don't worry, Captain Zhou. I will definitely come out within one stick of incense, and I will never run around and look around!"

Yaomei nodded and said!

"Yeah!" Captain Zhou said kindly and left!

Yaomei led Chen Ping into an entrance, and then walked straight down!

The dim corridor was very damp, and there were intricate tree roots on the walls!

Chen Ping was very puzzled as to why this prison was built here and surrounded by ancient trees!

After walking a certain distance, cells appeared one after another. These cells had formations to prevent prisoners from escaping!

"elder brother....."
