

The Order 7561

Chapter: 7561

In front of a cell, Yaomei looked at a man inside and shouted!

When the man heard the shouting, he was very excited. He pushed his long hair out of his face and started crying!

“Sister, you are here, are you going to take me out? Let me out, I will die if I stay here.”

Yaomei’s brother cried bitterly!

Chen Ping saw that the sister’s brother was as skinny as a stick, with a sallow complexion and a listless spirit. He looked like he had been drained of all the spiritual energy in his body!

Inside this cell, there are tangled tree roots, and it’s dark and damp!

The environment is very harsh. If you want to practice here, you won’t be able to sense a trace of spiritual energy!

Not only could he not sense the existence of spiritual energy, Chen Ping also noticed that there was a suction force inside the prison, sucking the spiritual energy away from him!

Although the suction force was very weak and almost inaudible, Chen Ping was still aware of it!

“Brother, I’m sorry, I...I don’t have the money to redeem you, I’m sorry...”

Seeing her brother like that, Yaomei felt very distressed!

When Yaomei’s brother heard this, he fell silent for a moment. After a while, he calmed down and said with a grin: “Sister, you don’t have to come to see me anymore. I know that once you come, you will be blackmailed by the guard. ”

“You should live a good life by yourself. My brother can’t take care of you anymore. You have to take good care of yourself!”

“Brother, don’t say that. You will definitely be able to get out. Don’t be discouraged!”

Yaomei encourages her brother!

“We can’t get out. Haven’t you seen that there are fewer and fewer people in this cell?”

Brother Yaomei said!

Only then did Yaomei notice that no one seemed to be in the surrounding cells!

“Brother, where are the prisoners? Have they all been released?”

Yaomei remembers that last time she came, there were many prisoners in this cell!

But now these prisoners are gone!

“Dead, they are all dead...”

Brother Yaomei said!

“Dead? Why did you die?”

Chapter: 7562

Yaomei didn't understand, how could he die if he was locked up in prison?

Even if he doesn't eat or drink, it's impossible for a monk to die!

Moreover, after reaching the realm of transcending tribulation, monks can live for thousands of years, so why do they die so easily?

“I don't know. Anyway, they are all dead. I feel like I won't be able to stay long!”

Yaomei's brother shook his head and said!

“Are those dead monks all withered, as if their cultivation had been sucked dry?”

At this time, Chen Ping spoke!

As soon as Chen Ping opened his mouth, Na Yaomei's brother noticed Chen Ping's existence.

After taking another look at Chen Ping, Yaomei's brother asked Yaomei: "Sister, who is this person?"

Yaomei's brother is very vigilant. After all, there is a stranger next to his sister. He must be worried!

"Brother, his name is Chen Ping. I met him on the way to Beast City."

"If it weren't for the money he lent me, I wouldn't be able to come see you today!"

Yaomei followed her brother to introduce Chen Ping!

"Why did he want to lend you money? Is there some motive?"

"Don't trust others easily. You are too stupid and can be easily deceived."

"Many people approach you, and they must be coveting your beauty!"

Yaomei's brother warned Yaomei!

"Brother, Chen Ping is not coveting my beauty. The beauties around him are much prettier than me."

Yaomei said very embarrassed!

Yaomei's brother looked at Chen Ping, and then said in a warning tone: "Boy, don't have any plans for my sister. If you let me know that you bullied my sister, I will kill you when I get out!"

"Do you think you can still get out?" Chen Ping said with a faint smile!

Yaomei's brother was stunned, then sighed and said, "I don't know if I can go out. If you really like my sister, I hope you can take good care of her and don't let her down. My sister is very pitiful."

"Brother, what did you say?" Yaomei looked embarrassed!

"You'd better take care of her yourself. I have a pill here. If you take it after a while, it will keep you going for a while."

Chapter: 7563

"There is something weird in this cell. It seems that there is an inexplicable suction force that is absorbing the spiritual power in the body."

"I feel that those monks who died were all drained of their cultivation and died."

Chen Ping took out a pill and handed it to Yaomei's brother and said!

"Suction? Why can't I notice it?" Yaomei asked in confusion!

Yaomei's brother nodded repeatedly and said, "Yes, although I can't feel the suction, I can feel that my body is getting worse and worse, and the dead monks are like mummies."

"Where does the suction come from?" Yaomei asked!

Chen Ping shook his head: "I don't know. You can't use your spiritual sense to explore here. It's not easy to find the source of the suction."

Just when Chen Ping was about to take a closer look at the cell and ask Yaomei's brother in detail, a voice suddenly came.

"Time is up....."

Captain Zhou shouted outside!

"Brother, hold on, I will find a way to save you."

Yaomei grabbed her brother's hand and said!

"Yes!" Yaomei's brother nodded!

"Don't forget to take the elixir, otherwise you won't be able to hold on for long." Chen Ping said to Yaomei's brother!

Yaomei's brother directly threw the pill given by Chen Ping into his mouth!

After the elixir was poisoned, Yaomei's brother's complexion improved significantly!

Yaomei was relieved when she saw this!

After coming out of the cell, Chen Ping looked at the towering ancient tree again, and then left the prison with Yaomei!

“It’s getting late. We have to leave the city quickly. If the city gate is closed, we will be in trouble.”

Yaomei looked at the sky and said!

“Isn’t this beast city not allowed for outsiders to live in?” Chen Ping asked in surprise!

“That’s not true, it’s just that there is a curfew at night. If we stay in the city, we have to find an inn to stay.”

“If you don’t have a place to live, you will be arrested and not allowed to appear on the street.”

“It’s too expensive to stay in a hotel here, so we go out of the city and find a place to stay up for one night, and then go back to the city the next day.”

Chapter: 7564

Yaomei followed Chen Ping and explained!

“If you stay in a hotel, stay in a hotel. If you go out of the city, you will have to queue up when entering the city tomorrow. It’s such a waste of time!”

“And I’m not short of money. Now let’s go to the best inn to stay for one night!”

Chen Ping smiled slightly and said!

Yaomei didn't say anything when she saw this, and then took Chen Ping to find the inn!

Before it got completely dark, Chen Ping and the others found a very luxurious inn. Yaomei looked at the inn, but she hesitated!

"What's wrong?" Chen Ping asked!

"This inn is the best in the entire Beast City. It's very expensive. It only costs three purple gold spirit coins per night."

Yaomei said!

"It's just three purple gold spiritual coins. I thought it was very expensive."

Chen Ping said and walked directly in!

Seeing this, Yaomei could only follow behind!

"Fellow Taoist, are you staying in a hotel?" At this time, a waiter came over and asked!

"Yes, stay in the hotel. Give me two rooms. I want the best one."

After Chen Ping finished speaking, he threw out a small bag of purple gold spirit coins, which contained dozens of coins!

When the waiter saw it, he immediately smiled from ear to ear and said, "No problem, I'll make arrangements right away!"

“Wait a minute!” Yaomei called the waiter at the hotel and said, “We only need one room, we don’t need to open two!”

The waiter was stunned for a moment, then nodded and said: “Okay...”

Chen Ping looked at Yaomei and asked, “Aren’t you afraid of me if you want to book a room?”

“What am I afraid of you for?” Yaomei asked back!

“Aren’t you afraid that I’ll sleep with you?” Chen Ping was very curious. Yaomei was so wary of herself at first!

Now he wants to take the initiative to book a room. Is he so charming?

“If you want to sleep with me, even if I rent two rooms, I can’t stop you.”

Yaomei said!

Chapter: 7565

“That’s true!” Chen Ping smiled!

Soon, the room for two was ready!

It is indeed a big inn. There is a separate spirit gathering array in the room, as well as a shielding array to protect the monks living there from being disturbed!

“Go to rest early. You will take me around the Beast City tomorrow...”

Chen Ping said to Yaomei!

“Okay!” Yaomei said and started to take off her clothes!

“What are you going to do?” Chen Ping was shocked when he saw this!

“Take off your clothes. Don’t you take off your clothes when you sleep?”

Yaomei took off her clothes while talking, and ended up lying on the bed in her underwear!

Chen Ping was speechless at this moment. He felt that this Yaomei wanted to take advantage of him, so he did this to seduce him!

Seeing Yaomei so close to him, exuding a girl’s body fragrance, Chen Ping was indeed a little excited!

But such a girl has nothing to do with Chen Ping. Chen Ping can’t sleep with someone just to vent his anger!

If he really fell asleep, Chen Ping might not be able to leave, and he would definitely be pestered by Yaomei to rescue her brother!

In the end, Chen Ping had no choice but to call out Sword Spirit Zhongli!

Chen Ping held Zhongli in his arms all night long!

And the little girl couldn't sleep all night after listening to the noise!

Early the next morning, Yaomei glared at Chen Ping fiercely. She knew that Chen Ping did it on purpose!

After coming out of the inn, Chen Ping directly followed the location given by Uncle Qian to find the official place to buy fairy spirit stones!

This official purchase place for Fairy Spirit Stones is a two-story building with a signboard at the door. There are such official purchase places in several main streets of Beast City!

After Chen Ping followed Yaomei in, someone immediately came up to him and asked, "Fellow Taoist, are you selling immortal spirit stones?"

"Yes, but before selling, I want to meet the person in charge here."

Chen Ping said to the clerk in the store!

"We are an official purchasing store here. We are honest and trustworthy. You don't have to ask our shopkeeper. The purchasing price is the same."

The guy said to Chen Ping!

Chapter: 7566

And he spoke in a very disdainful tone, looking down on Chen Ping at all!

It's just a piece of fairy stone to sell, but if you want to meet the person in charge, the guy will definitely not agree!

"I have a lot of fairy stones here, so I have to meet the person in charge of your store."

Chen Ping explained!

"How many immortal spirit stones can you have? You still have to meet our shopkeeper, but it's only ten or twenty at most!"

The guy snorted coldly!

Chen Ping was not talking, but opened the storage bag. There were countless fairy stones inside, and there were many large ones, all of which were very rare!

The guy was dumbfounded and his attitude immediately changed!

"Fellow Taoist, please come upstairs. I'll call our shopkeeper right away!"

The waiter took Chen Ping and the others upstairs, and then went to invite the shopkeeper!

After a while, the shopkeeper was invited, but when Chen Ping saw the person coming, he was stunned!

Because the shopkeeper turned out to be the middle-aged man in green robe whom he had caught.

This middle-aged man in green robe is most afraid of death, so he is always begging for his life!

When the middle-aged man in green robe saw Chen Ping, he was stunned for a moment, with a look of disbelief on his face!

“Shopkeeper, this fellow Taoist has immortal spiritual stones to sell, and there are a lot of them.”

The guy said to the middle-aged man in green robe!

The middle-aged man in green robe woke up from the shock, hurriedly pretended not to know him, and said to Chen Ping: “Fellow Taoist, since you have a large number of fairy stones to sell, then come with me to the room to discuss it in detail!”

The middle-aged man in green robe wants to bring Chen Ping into the room, otherwise if the story of them climbing out privately is revealed, then they will all be exterminated!

“Okay!” Chen nodded and followed the middle-aged man in green robe into a room!

There is also a shielding formation in the room, which should be the room where we negotiate with big clients!

“Why are you here? Didn’t I say that after I brought you to Beast City, you wouldn’t know anyone anymore, and you shouldn’t be looking for us anymore.”

The middle-aged man in green robe said angrily!

“I came to you to talk about the Immortal Spirit Stone, not for other things!”

Chen Ping said to the middle-aged man in green robe!

Chapter: 7567

“If you want to sell fairy stones, just go to the front desk and do the transaction. You don’t need to find me!”

After saying that, the middle-aged man in green robe is leaving!

It can be seen that he really wants to draw a clear line with Chen Ping and does not want to see Chen Ping again!

After all, what they did was all about losing their heads, and they wanted to kill the nine tribes!

“I’m not selling, I’m buying!”

Chen Ping said!

“Buy fairy stones?” The middle-aged man in green robe was stunned, and then said: “I buy fairy stones here, but I don’t sell them. If you want to buy fairy stones, go outside the beast city. If you buy them privately in the beast city, Fairy Spirit Stone, you will be arrested and imprisoned.”

Chen Ping didn’t say anything, but directly took out a bag of purple gold spirit coins and threw it in front of the green-robed middle-aged man.

“This is my deposit, I need a lot of fairy stones.”

Chen Ping said!

The middle-aged man in green robe took a look at the purple gold spirit coin. Although his eyes were shining with gold, he still shook his head and said, "I told you, we won't sell it, no matter how much you give it, it won't matter."

"Uncle Qian asked me to come..." Chen Ping told Uncle Qian!

"Old money?"

The middle-aged man in green robe frowned: "Why does this guy say everything to others? He is so dishonest..."

"I don't have fairy stones to sell to you now. The batch of fairy stones I purchased has been handed over to the city lord's palace."

Chen Ping looked at the middle-aged man in green robe. This guy obviously didn't want to do business with him.

"Forget it if you don't want to sell it, then I'll find someone else to buy it. If I'm caught, I'll tell you all about it!"

Chen Ping picked up his purple gold spirit coin and planned to leave!

When the middle-aged man in green robe heard this, he immediately stopped Chen Ping and said helplessly: "Fellow Taoist, we have something to discuss, what are you doing!"

"If you turn us out, wouldn't you yourself be killed? Why bother!"

"I'm not afraid. I will kill myself in the worst case. You are going to kill the nine tribes." Chen Ping threatened the middle-aged man in green robe!

“Stop making trouble, I was just talking casually. Don’t you just want the Fairy Spirit Stone? I’ll give it to you. Just tell me how many you want!” The middle-aged man in green robe was timid. Start to please Chen Ping!

“The more immortal spirit stones I want, the better. I can give you the highest price. I will definitely let you make a profit from it.”

After Chen Ping finished speaking, he threw the bag of purple gold spirit coins into the hands of the green-robed middle-aged man!

Chapter: 7568

“No problem, I’ll help you acquire it, but it may take a little longer. After all, I also have to deal with the City Lord’s Mansion!”

The middle-aged man in green robe said!

“It’s okay, I can wait!”

Chen Ping knew that he would not leave Beast City for the time being, so he could wait for some time!

“Fellow Daoist, since we have cooperated, we should be honest with each other. My name is Liu Zhongnan. I am the shopkeeper of this acquisition store, which is considered a semi-official position.”

The middle-aged man in green robe followed Chen Ping and introduced himself!

“My name is Chen Ping!” Chen Ping stretched out his hand and shook it with Liu Zhongnan!

“Fellow Daoist Liu, how many shops are there in the entire Beast City that buy fairy stones like this? Aren’t you considered a member of the City Lord’s Mansion?”

Chen Ping asked!

“There are estimated to be more than a dozen regular purchase shops in the entire Beast City. I only count half of the people from the City Lord’s Mansion. I help the City Lord’s Mansion collect Fairy Spirit Stones, but the City Lord’s Mansion doesn’t give me any resources.”

“Now I am working for the City Lord’s Mansion for free, but there is one advantage, that is, I can operate secretly and intercept some fairy spirit stones myself!”

“For example, some monks who secretly purchase immortal spiritual stones will be arrested and imprisoned if they are discovered.”

Liu Zhongnan said in detail!

Listening to Liu Zhongnan mentioning the prison, Chen Ping thought of the towering ancient tree in the prison, and asked curiously: “Fellow Daoist Liu, you have been in Beast City for so long, do you know why there is a towering ancient tree in the middle of the prison?” Woolen cloth?”

“And the tree roots are growing intricately inside the cell. Why doesn’t the prison move to another place?”

“Have you been to the prison? Where and what were you going to do?” Liu Zhongnan knew that Chen Ping was from the outside world and had no contact with Beast City. He didn’t understand why he went to the prison!

“I have a friend whose brother is in jail, so I went over to take a look!” Chen Ping explained!

“That prison...”

Liu Zhongnan just opened his mouth, but suddenly closed it. Then he glanced around and said, "This is not the place to talk. I'll take you to a restaurant and let's chat while we eat!"

Chen Ping nodded and said: "Okay!"

Chen Ping knew that there might be surveillance in the store, or that the guy was from the City Lord's Mansion. Liu Zhongnan was not particularly free here!

Chen Ping followed Liu Zhongnan out of the room, both of them with smiles on their faces!

Since you have chosen to cooperate and both parties are profitable, of course everyone is happy!

"Yao Mei, you go to the inn and wait for me. I'll go do something and see if I can rescue your brother!"

Chapter: 7569

Chen Ping said to Yaomei!

When Yaomei heard that Chen Ping was thinking of ways to save her brother, she was immediately excited!

"Okay, then I'll wait for you at the inn!"

Yaomei nodded!

After Yaomei left, Liu Zhongnan looked at Yaomei's back, then smiled slightly and said, "Fellow Daoist Chen is very beautiful. According to my analysis, this girl should be a yellow flower girl!"

“Fellow Daoist Liu, don’t say it’s a joke, let’s go!”

Chen Ping was speechless for a while, who did Liu Zhongnan think of himself?

Liu Zhongnan took Chen Ping to a restaurant. This restaurant was very magnificent, and the people who came in and out were all rich and powerful.

“Boss Liu...”

As soon as he entered the restaurant, a waiter warmly greeted Liu Zhongnan!

It can be seen that Liu Zhongnan is a frequent visitor here!

“Today I will bring my friends and prepare the best wine and food here, and also prepare a private room for me!”

After Liu Zhongnan finished speaking, he threw dozens of spiritual coins directly to the waiter!

The waiter agreed and invited Liu Zhongnan into the restaurant!

Then he led Chen Ping and Liu Zhongnan to the second floor and entered a very luxurious box!

As soon as I walked into the box, I could feel the rich spiritual energy pouring into my body. It felt refreshing and very comfortable!

Chen Ping knew that a formation must have been set up in this box to make him feel like this!

The business people in this beast city do have some sense!

“This private room is the only one in the whole restaurant. Most people who want to eat here are not qualified.”

“We will eat and chat later. If we talk in this place, no one will overhear!”

Liu Zhongnan asked Chen Ping to sit down and said!

“It seems that if you have money, you can enjoy life in Beast City.”

Chen Ping glanced at the box and said!

“Of course, it’s just that after so many years of isolation, Beast City’s resources are already very scarce, so we risked our lives to go to the outside world.”

Chapter: 7570

Liu Zhongnan said!

“Do you know what your city lord did to acquire so many fairy stones?” Chen Ping asked!

“I don’t know. We are only responsible for acquisitions. As for what the city lord uses the fairy stone for, we don’t know.”

“You should be practicing with fairy spirit stones. I heard that our city lord has reached the realm of immortality!”

Liu Zhongnan said!

“Immortal Transformation Realm?” Chen Ping was slightly startled. If the city lord of the Beast City is really a master of the Immortal Transformation Realm, it would be too dangerous for him to be in the Beast City at the moment!

“I just heard that our city lord doesn’t show up very often. The three beast generals under the city lord are generally responsible for matters in the beast city.”

“That Tibetan old man is a guest under one of the beast generals. Otherwise, he wouldn’t have been able to get the thing that showed the way.”

Liu Zhongnan now has no reservations about Chen Ping!

“I just asked you about the ancient tree in the prison. How did you...”

Chen Ping also wanted to ask Liu Zhongnan about the Dalao ancient tree. He always felt that there was something wrong with the ancient tree!

But before he finished speaking, there was a quarrel outside the door!

“Mr. Qiu, there are really guests in the Tianzi box. How about I arrange a Dizi box for you?”

“Fuck you, I want the private room. Whoever is in there, let him get out of here!”

Immediately afterwards, the door of Tianzi's box was kicked open!

Several young monks walked in, followed by the waiter who looked helpless!

These young monks are all well-dressed and look like they should be young men from wealthy families!

Especially the young man in the lead, holding a folding fan in his hand and looking rebellious!

"I wonder who is in the Tianzi box. It turns out to be Boss Liu?"

The leading young monk saw Liu Zhongnan and said coldly!

"It turns out to be Mr. Qiu. I don't know why he is so happy today. He comes here to eat!"

Liu Zhongnan quickly stood up and said to Mr. Qiu!

"I'm sitting with a few friends today. We only like this private room, and we hope that Boss Liu will give up his seat."

Mr. Qiu said to Liu Zhongnan!
