

The Order 7571

Chapter: 7571

Although the words were quite polite, there was a hint of command in his tone!

“Mr. Qiu, I’m just chatting with my friends. I won’t be here for long. You can...”

Before Liu Zhongnan finished speaking, a monk behind Young Master Qiu snorted coldly: “Brother Qiu asked you to get out of here to give you face. Don’t think that you are just collecting fairy spirit stones for the City Lord’s Mansion. I feel amazing.”

“If I piss off Brother Qiu, believe it or not, I’ll slap you a few times and tell you to get out...”

Liu Zhongnan’s face darkened and he frowned, especially in front of Chen Pingping, it was so embarrassing for him to be frightened by the young man!

“Who do you think you are? This is Beast City. Anyone who dares to use breath without permission will be arrested and imprisoned.”

Liu Zhongnan said!

“It’s a joke. Even if Brother Qiu slaps you twice, do you think anyone would dare to arrest him and put him in jail?”

The young monk grinned and said!

“Boss Liu, do you think you will be arrested if I slap you a few times?”

Mr. Qiu walked directly to Liu Zhongnan and asked arrogantly!

Feeling the arrogance of Mr. Qiu, Liu Zhongnan was very angry, but in the end he swallowed his anger!

“Okay, let’s go!”

Liu Zhongnan helplessly called Chen Ping and left!

And Mr. Qiu and others sat in the Tianzi private room with great arrogance!

The waiter changed the private room for Liu Zhongnan and Chen Ping. Although it was not as good as the private room, it was not bad either!

“Damn it, this Qiu Yu has gone too far. With his father being one of the three great beast generals, he dares not even obey the rules of the beast city.”

After sitting down, Liu Zhongnan said angrily!

“I think that kid is not very advanced. If you don’t vent your anger, I can beat him up for you.”

Chen Ping looked at Liu Zhongnan’s angry look and smiled slightly!

“No, no...” Upon hearing this, Liu Zhongnan hurriedly stopped Chen Ping and said, “You can’t do anything in the Beast City. If you are caught and imprisoned, you will be dead.”

“It’s just two slaps, can it still be sentenced to death?” Chen Ping didn’t care!

“There will not be a death penalty, but once you enter the prison, it will be difficult to get out. It won’t take long before you are sucked to death.”

Liu Zhongnan whispered!

“Suck adults?” Chen Ping was slightly startled!

Liu Zhongnan panicked for a moment. He realized that he had said the wrong thing, and quickly waved his hands and said, “Don’t ask, just abide by the rules and don’t get caught in jail.”

“Are you hiding something from me? Just now I asked you about the towering ancient trees in Dalao, and you seemed to have been avoiding it.”

“Is there something strange about the ancient tree? Is there any magic circle cast on the prison?”

Chen Ping asked Liu Zhongnan!

Chapter: 7572

“Oh, please stop asking and hurry up and eat!” Liu Zhongnan didn’t want Chen Ping to ask anymore!

“If you don’t tell me, I’m going to tell you about you!”

Chen Ping threatened Liu Zhongnan again about going to the outside world!

When Liu Zhongnan heard this, he sighed helplessly and said, "Actually, this Beast City Prison is not a prison for prisoners at all, but a huge soul-absorbing array."

"That ancient tree absorbs the spiritual energy from the monk in the cell. After absorbing the spiritual energy, the monk will die."

"The absorbed spiritual power is stored in the ancient trees and then used for cultivation by the people in the city lord's mansion."

"Beast City has relatively few resources, so the people in the City Lord's Mansion can only practice this way!"

"This is the secret of the City Lord's Mansion. If Mr. Zang hadn't told me, I wouldn't have known it. You must not talk nonsense."

Liu Zhongnan warned Chen Ping, fearing that Chen Ping would tell him!

After all, this is a high-level secret of the city lord's palace. If this spreads out, the Beast City will be in turmoil. Who would be willing to be imprisoned!

When Chen Ping heard this, he immediately understood why the rules in this beast city were so strict. If he made the slightest mistake, he would be thrown into jail!

It turns out there is such a conspiracy behind it!

No wonder Chen Ping felt as if he was going to die from exhaustion when he saw Yaomei's brother!

And the trace of suction that was noticed in the cell turned out to be the one that absorbed the spiritual power in the monk's body!

And it was still invisibly, allowing the monks to be drained of their spiritual power and die!

At this moment, Chen Ping suddenly became interested in that ancient tree!

But the ancient tree is in the center of Dalao, and there is no way Chen Ping can get close to it!

If he entered the prison by visiting, it would be difficult for Chen Ping to get close to the ancient tree. After all, the visiting time is very limited!

Chen Ping frowned slightly, thinking deeply!

Now, as long as he violates the rules of the beast city and is imprisoned, Chen Ping will have time and opportunity to get close to the ancient tree!

When the time comes, it's the same thing when you're looking for an opportunity to escape!

Chen Ping had observed the formations around the prison. It was very simple for Chen Ping to break through the formations and leave!

During this meal, Chen Ping ate a little absent-mindedly, focusing on the ancient tree!

Absorb the spiritual power of the monks and store it in the ancient tree. The ancient tree is more precious than any other resource!

Chapter: 7573

After eating, Chen Ping followed Liu Zhongnan out of the box!

I happened to see Qiu Yu coming out of the Tianzi box with a few friends!

Chen Ping and Liu Zhongnan were in front, and they were behind, going down the stairs together!

“Get out of the way, get out of the way, you’re whining like a pig!”

A young monk shouted loudly, asking Chen Ping and Liu Zhongnan to make way!

Although Liu Zhongnan was very angry, he still leaned aside!

Chen Ping stood motionless, then turned to look at the shouting monk and said, “Is this your home?”

“No!” said the monk.

“It’s not your house. Why should I make way for you when you’re yelling? Just call me daddy and I’ll make way for you!”

Chen Ping said to the monk!

“damn it.....”

The monk was anxious and wanted to follow Chen Ping's lead!

However, he was stopped by Qiu Yu: "Don't be fooled. He deliberately provoked you and asked you to do it. You will be fooled as soon as you do it."

When the monk heard this, he quickly took a few steps back!

"Boy, who do you think you are? Didn't you see that Liu Zhongnan also gave way obediently?"

"Now get out of the way and call me "Master" respectfully, and I won't hit you!"

Qiu Yu looked at Chen Ping and said arrogantly!

Those who follow behind him will definitely be punished, but it will be fine if he does it, so Qiu Yu plans to do it himself!

"Fuck you..."

Chen Ping grabbed Qiu Yu's collar and threw it away!

Bang!

Qiu Yu's body fell directly from the upstairs, smashing a table and making a deep hole in the ground!

If this were an ordinary person, he would probably fall to death!

This scene shocked everyone. The scene was so silent that you could hear a needle drop!

Chapter: 7574

The many monks eating downstairs all looked at the scene in front of them with wide eyes!

You must know that violence is not allowed in Beast City, but now someone is actually fighting, and the person they are fighting is the young master of the Qiu family.

Who is so bold? How dare you be so arrogant!

“You...you...”

Liu Zhongnan’s eyes widened, his mouth opened, and he couldn’t even speak!

He never expected that Chen Ping would be so impulsive!

He took action as soon as he disagreed, without any hesitation, leaving Qiu Yu with no time to react!

This is Beast City, not the outside world. Are you kidding me?

Liu Zhongnan couldn’t believe that this was true, but the scene before him had to make him believe it!

Could it be that newborn calves are not afraid of tigers?

“Boy, if you dare to hit me, you are seeking death!”

Qiu Yu got up, his body was not injured, but his face was lost!

It was so embarrassing to be thrown downstairs in front of so many people!

Qiu Yu’s face turned red and his body was covered in oil. He looked like a beggar and glared at Chen Ping and roared!

In Beast City, he was the only one who could beat people. When had he ever been beaten by someone?

Several friends brought by Qiu Yu also went downstairs to support Qiu Yu!

“Run, run quickly. When the law enforcement team comes, you will be finished.”

Liu Zhongnan finally reacted and reminded Chen Ping in a low voice!

But before Chen Ping could make any move, he heard footsteps outside the restaurant!

“You dare to take action in the beast city, you are too presumptuous!”

As the door of the restaurant was pushed open, a monk wearing white clothes, exuding spiritual power and holding a sword rushed in.

Behind him were a dozen guards with spears!

Seeing this scene, everyone moved away!

After all, in the Beast City, only the guards of the city lord's mansion are qualified to emit aura.

Chapter: 7575

If other people spread their aura casually and use their spiritual sense to detect objects, they will also be arrested!

Seeing the guards coming, Qiu Yu pointed at Chen Ping and said, "It was him, he beat me..."

Qiu Yu still wanted to do it himself and beat Chen Ping up, but now that the guards are here, there is no need to do it himself!

"Master Qiu..."

The white-clothed monk was slightly startled when he saw Qiu Yu. He couldn't believe that someone dared to attack the Qiu family in Beast City!

If it were two young monks who got angry and started fighting because of something, that would be fine!

But to attack the Qiu family in Beast City, does this mean they have lived too long?

This is too lawless!

"Boy, if you dare to take action in the Beast City, you will be captured without mercy!"

The monk in white pointed his sword at Chen Ping and said!

“I’ll go with you!”

Chen Ping didn’t say anything!

Liu Zhongnan on the side saw that Chen Ping was so relaxed and agreed to follow him. If he was thrown into prison, he would be dead!

“Wait a minute, although he took action, he did not burst out with spiritual energy. He just relied on physical strength.”

“And Mr. Qiu was not injured, he just fell. We are willing to pay, but can we not arrest him?”

Liu Zhongnan said to the monk in white!

The monk in white glanced at Qiu Yu, asking for Qiu Yu’s opinion!

If the other party really offered a high price, Qiu Yu wouldn’t have to go to jail if he would forgive him!

“I am not short of money, so I must put him in jail and suffer.”

Qiu Yu said with an angry look!

“Master Qiu...”

Liu Zhongnan wanted to say something else, but Qiu Yu waved his hand and said: "You are talking nonsense, I will arrest you too!"

When Liu Zhongnan saw this, he didn't dare to speak for Chen Ping anymore!

"Come with us!"

Chapter: 7576

After the monk in white finished speaking, he took Chen Ping and left!

Qiu Yu sneered proudly and left the restaurant with a few followers!

Liu Zhongnan was a little worried and followed Chen Ping, planning to bribe the monk in white after Qiu Yu left!

"Fellow Daoist Liu, go to the inn and tell Yaomei not to run around in the inn. I will be out in a few days."

Chen Ping said to Liu Zhongnan!

The monk in white couldn't help laughing after hearing Chen Ping's words. He had never seen someone who was put in a prison and released in a few days!

Unless the person is being sucked and fucked inside, and when the person is about to die, if the family is willing to pay a high price, the person can be redeemed!

The monk just imprisoned is the most valuable, how could he be released!

“Let me think of a way for you. Just hold on in prison and don’t talk nonsense!”

“I’ll go find Mr. Zang and think of a way. He will definitely have a way to save you.”

Liu Zhongnan warned Chen Ping!

He was not afraid that Chen Ping would go to jail, he was afraid that Chen Ping would tell some things. If the news reached the City Lord’s Mansion, they would be doomed!

“You don’t have to think of ways to save me. Just do what I tell you.”

Chen Ping said to Liu Zhongnan!

Chen Ping entered the prison just to see the ancient tree. If there was really a large amount of monk spiritual power stored in it, he could just take it all away!

It would be such a loss if someone fished him out just after he entered and failed to accomplish anything!

So Chen Ping doesn’t let Liu Zhongnan control himself!

If he wanted to leave, he could easily leave the prison. The formations surrounding the prison were useless to Chen Ping!

Liu Zhongnan didn't understand what Chen Ping wanted to do, but since he was not allowed to save him, Liu Zhongnan could only do it!

Chen Ping followed the monk in white to the prison wrapped in white mist!

The monk in white immediately handed Chen Ping over after communicating with Captain Zhou in the prison!

Captain Zhou took a look at Chen Ping, frowned slightly and said, "Why does your kid look familiar? I think I've seen him somewhere?"

"My popular face may look familiar!"

Chen Ping said!

Chapter: 7577

He didn't want Captain Zhou to recognize him. He had just been to the prison yesterday and was arrested today. Anyone with a little bit of brain would definitely be suspicious!

"Come with me..."

Captain Zhou led Chen Ping towards the underground cell!

Unexpectedly, this time, the place where Chen Ping was imprisoned was actually the same cell that Chen Ping followed Yaomei into yesterday!

Maybe a lot of the monks in the cells here have died and there are extra rooms!

After putting Chen Ping in the cell, Captain Zhou said: "Boy, there are no rules in prison. As long as you don't escape, you can do whatever you want."

"Don't think about practicing here. There is no spiritual energy at all. Just rest well in the cell. Someone will bring you three meals. If you don't have spiritual energy, you won't starve to death."

"There will be a set time for you to go out and get some fresh air. You don't have to do anything. It's more comfortable here than outside."

If Chen Ping hadn't known the purpose of this prison, he would have thought that the treatment in this cell was very good!

"Understood!" Chen Ping nodded!

After the captain left that week, the sister and brother next door spoke up: "Fellow Taoist, why were you arrested? Why does your voice sound familiar to me?"

Because there is a wall, Yaomei's brother can hear Chen Ping's voice, but cannot see Chen Ping!

"I just hit someone, and then I was imprisoned. I don't know how long."

"Fellow Taoist, why were you imprisoned?"

Chen Ping asked Yaomei brother!

"Hey..." Brother Yaomei sighed: "I found a female cultivator and talked about being a dual cultivator partner. We practiced dual cultivating together once, but she asked me for one hundred purple gold spiritual coins. How can I have so much money?"

“She sued me for raping her, and then she was caught. It was really unlucky...”

When Chen Ping heard this, he couldn't help but laugh. No wonder the girl didn't want to talk about how her brother was caught. This kind of thing is really not honorable!

“You are really unlucky. Fortunately, it's not a big deal. It won't take long before you can go out!”

Chen Ping deliberately followed Yaomei's brother and said!

“Hey...how is that possible? I'm afraid I'm going to die in this prison before I get out.”

“Now I just hope that my sister can collect enough purple gold spirit coins to redeem me.”

Yaomei's brother said!

“Does your sister have money to ransom you?” Chen Ping asked!

Chapter: 7578

“No, but she seems to be dating a second-generation rich man. She seems to be quite wealthy. She just threw a good pill to me.”

“If my sister can charm that rich second generation, she might have the money to redeem me.”

Yaomei's brother was talking about Chen Ping, but he didn't know that it was Chen Ping who was chatting with him at the moment!

When Chen Ping heard this, he immediately laughed: "Aren't you afraid that the rich second generation just wants to play with your sister and run away?"

Chen Ping deliberately teased Yaomei's brother!

"Probably not. Although my sister is simple, she is not stupid. I hope that man is sincere to her."

"As long as my sister lives well, I will feel at ease even if I cannot be redeemed."

Brother Yaomei said!

At this moment, the cell door was opened, and a tall guy with a face like a black bear was brought in. This person's feet were shackled, so he must have committed a serious crime!

The guard led the guy directly to Yaomei's brother's cell, then opened the door and pushed in!

"Warder, I'm still in this cell. Why are you arranging for someone to come in again? Aren't there a lot of empty cells?"

Brother Yaomei asked loudly to the guard!

"What are you yelling about? You won't be able to use this cell soon anyway. It can be used by others!"

After the guard finished speaking, he left immediately.

Yaomei's brother looked surprised and frowned slightly: "What do you mean? I won't be able to use it anymore? Is my sister here to redeem me?"

Thinking of this, Yaomei's brother suddenly laughed, his face full of excitement!

"It really stinks. How long has it been since you took a shower? Or are you just a fox monster?"

The strong man looked at Yaomei's brother and said with a frown!

"I....."

Yaomei's brother looked at the strong man and felt frightened!

After being tortured here for so long, and the spiritual power in his body was almost completely absorbed, he didn't have the slightest strength to deal with this strong man!

Although the rules of Beast City prohibit private fights, this is a prison and will not be controlled by such rules. No one will care about private fights in the prison!

"Go away..."

The strong man grabbed Yaomei's brother's collar and threw it aside!

Chapter: 7579

Boom!

Yaomei's brother's body fell heavily against the wall, and he started to cry out in pain!

"How can you hit someone?"

At this time, Chen Ping's voice sounded!

"Who the hell are you? Are you meddling in my business? If you were in this cell, I would beat you up too!"

The strong man heard Chen Ping's voice next door and snorted coldly!

"Yeah?"

Chen Ping kicked open the wall between the cells!

Each cell has a formation, so the wall only acts as an isolation and cannot stop the monks in prison. What really controls these monks is the formation in the cell.

It's just that in Chen Ping's eyes, this formation is like nothing else. It's too childish. This formation can't stop Chen Ping at all!

Seeing Chen Ping suddenly rushing over, the strong man was stunned!

The moment the sister and brother who had been wailing saw Chen Ping, their eyes widened and they stopped wailing!

“You...why is it you?”

Brother Yaomei looked at Chen Ping in disbelief and said!

“Why can’t it be me?”

Chen Ping smiled slightly, and then looked at the strong man: “You, who have not yet fully evolved into a human being, dare to run wild everywhere?”

“Boy, how dare you say such arrogant words even though you are in the Tribulation Realm?”

The strong man roared!

Although there is still hair on his face, you can tell at a glance that he is transformed from a black bear, but he is the second level of Mahayana realm!

It’s not like Chen Ping, a young monk in the Tribulation Realm, can make irresponsible remarks!

“He is at the second level of the Mahayana realm. You are no match for him. Don’t worry about it!”

Brother Yaomei said to Chen Ping!

“So what if I am in the second level of the Mahayana Realm? It’s not bullshit...”

After Chen Ping finished speaking, he punched him directly!

Chapter: 7580

Then the strong man hit the rear directly, bombarded the formation in the cell, and fell heavily to the ground!

“Impatient...”

Chen Ping snorted coldly!

Brother Yaomei looked at this scene in shock, his face full of disbelief!

“Boy, you dare to attack me...”

The strong man stood up with an angry face and stared at Chen Ping!

He didn't expect that Chen Ping, a monk in the Tribulation Realm, would dare to attack him actively!

I am at the second level of the Mahayana realm, and I am not comparable to the monks in the Tribulation Realm.

Even if Chen Ping has reached the ninth level of the Tribulation Realm, he cannot be the opponent of the Mahayana Realm monk!

“You are really looking for death...”

The strong man's face turned red, and he roared and rushed towards Chen Ping!

But as soon as he got close to Chen Ping, Chen Ping punched him and flew him away again!

A second-grade Mahayana monk has long been out of reach of Chen Ping's eyes!

Chen Ping didn't have to work hard to deal with a second-level Mahayana monk, it was no different from beating a child!

Bang!

The strong man screamed and then fell heavily to the ground.

"ah....."

The strong man was thick-skinned and seemed to have a very stubborn temper. He stood up and charged towards Chen Ping again!

Bang!

Bang!

Bang!

Chen Ping punched several times in a row, and the strong man finally became obedient, and he was breathing heavily. Because there was spiritual power here, they had no way to replenish the spiritual power, so after a few strikes, the strong man felt very strong. It's empty!

On the other hand, Chen Ping had a relaxed look on his face, looked at the strong man and said: "Be more honest, or I will kill you directly..."

Chen Ping stepped on the strong man with his eyes filled with contempt!
