

The Order 7581

Chapter: 7581

Brother Yaomei was dumbfounded when he saw this scene!

He didn't expect that a second-level monk in the Mahayana realm would be stepped on by Chen Ping, a ninth-level master in the Tribulation Realm, and it was as easy as beating a child!

This kind of ability to leapfrog and fight is not something ordinary monks can possess!

At this moment, Brother Yaomei is even more convinced that Chen Ping is by no means an ordinary monk, he must be the young master of a big family!

If your sister is with Chen Ping, that is simply a high achievement!

"Fellow Taoist, please spare my life, Friend Taoist, please spare my life, I surrender!"

The strong man followed Chen Ping one after another to spare his life!

In the face of absolute strength, even if you have a stubborn temper, you will become honest!

Now that he was stepped on by Chen Ping, he didn't even have the strength to move. And every time he made a move, he couldn't even touch the corner of Chen Ping's clothes. He already knew the gap between the two!

He has no other choice but to admit defeat!

"Be more honest from now on!"

Chen Ping kicked the opponent and said!

The strong man stood up quickly, nodded repeatedly and said: "You must be honest, you must be honest..."

After saying that, the strong man huddled in the corner, how dare he be so arrogant!

Brother Yaomei also got up at this moment and looked at Chen Ping with excitement and disbelief in his eyes!

"Fellow Daoist, you... how did you get here from the next cell? Is there no formation in the next cell?"

"And your ability to transcend the tribulation realm, is it fake? Are you hiding your strength?"

Brother Yaomei is very curious about Chen Ping at this moment!

Chen Ping glanced at Yaomei's brother and didn't say anything, but returned to his cell!

When Yaomei's brother saw this, he didn't ask any more questions. Chen Ping didn't want to say that if he kept asking, Chen Ping would be disgusted!

Early the next morning!

The formation in the cell was automatically closed, and Brother Yaomei walked out of the cell and said to Chen Ping: "It's time to relax. We only have this half hour in a day, so don't delay."

Chen Ping got up and followed Yaomei's brother out of the cell. However, the strong man who was beaten by Chen Ping yesterday did not move, curled up in the corner and fell asleep!

After leaving the cell, the sun shines on my body, which makes me feel very comfortable!

Chapter: 7582

It's just that the prison is surrounded by white mist. People outside can't see here, and people inside the prison can't see what's going on outside either!

Many monks came out of other cells one after another. These monks all had sallow complexions and emaciated bodies, as if their bodies had been sucked dry!

Chen Ping took a closer look and found that there were thousands of prisoners in the prison, but all of them had lost their cultivation. After all, they had become like this, and the aura in their bodies was also exposed, so they could not detect it. What a state!

The spiritual power of thousands of monks was absorbed and stored. Chen Ping could not imagine how huge the spiritual power stored in this ancient tree would be!

Because Chen Ping was not familiar with the prison, he followed Yaomei's brother towards an area!

"What are we doing here?"

Chen Ping asked Yaomei's brother!

"Go and recover your spiritual energy. During the break, there is only one place with spiritual energy in this prison. We can absorb the spiritual energy and restore the spiritual energy in our body."

"So everyone will gather in that place during the daily relaxation time."

Brother Yaomei said!

Chen Ping thought about Yaomei's brother's words. It's not that spiritual energy cannot exist in this prison, but that it is controlled by the formation!

Nowadays, spiritual energy is only opened in one place, and only half an hour of practice is allowed. It seems that this is to better absorb the spiritual power in these monks!

The reason why all the spiritual power is not released and these monks have their spiritual power sucked away while practicing is probably because they are afraid that some monks will discover the secret of the prison after using the spiritual energy of heaven and earth to practice!

Chen Ping followed Yaomei's brother to a place the size of dozens of football fields. The place was already filled with monks, each one greedily absorbing the spiritual energy of heaven and earth!

Yaomei's brother also found a place to sit cross-legged and began to perform standing exercises, absorbing the spiritual energy of heaven and earth!

However, the spiritual energy of heaven and earth was absorbed by thousands of people at the same time, and it became much thinner in an instant!

Chen Ping was also sitting on the ground, but he did not absorb the spiritual energy of heaven and earth to practice, but instead focused on the towering ancient tree!

The ancient trees towered into the sky, with lush branches and leaves, seeming to cover the entire prison!

"Stop practicing and come with me to see that ancient tree!"

Chen Ping pulled Yaomei's brother and said!

Even if you absorb the spiritual energy of heaven and earth for half an hour, you won't be able to absorb much, and so many monks are absorbing it like crazy, making the spiritual energy of heaven and earth very thin!

"I still want to..."

"Give you a pill..." Chen Ping threw a pill directly to Yaomei's brother!

This elixir can recover much faster than Yaomei's brother absorbs the spiritual energy of heaven and earth!

Chapter: 7583

"Okay!" Brother Yaomei quickly collected the elixir!

"But I can tell you that there is a group of beasts of unknown type living under that ancient tree. We can only hide and watch from a distance!"

Brother Yaomei said to Chen Ping!

"Don't know the category? Could it be that it's still an outside monster?"

Chen Ping was slightly startled and said!

"I don't know either. Anyway, I haven't seen it in Beast City. I don't know if it's an outside monster."

Brother Yaomei shook his head and said!

The two people approached the ancient tree, hundreds of meters apart. Chen Ping found that the trunk of the ancient tree was a hundred meters thick!

No wonder the tree roots can be tangled all over the entire prison cell!

After continuing to walk forward for a hundred meters, Brother Yaomei stopped and did not dare to step forward!

And Chen Ping saw a dozen monks sitting on the ground under the ancient tree. However, these monks had different looks. Like the strong man who entered the cell yesterday, they seemed to have not fully evolved, and their faces still retained the beast-like appearance. Ethnic characteristics!

Soon, Chen Ping's eyes were attracted by one of these beasts!

I saw this man dressed in white, with two horns on his head, and handsome features. Other orc monks gathered around this man, but they did not dare to get too close!

"Who is that person with the horns on his head?"

Chen Ping pointed at the person in the middle and said!

Brother Yaomei looked at it and then whispered: "That guy's name is Baicheng, and he thinks he is a descendant of the Dragon Clan. In fact, he is just a big python. It's just that this guy is very powerful, so no one messes with him."

"Descendants of the Dragon Clan?" Chen Ping was stunned and looked at Baicheng carefully. The two horns on his head indeed looked like those of the Dragon Clan!

You must know that a dragon snake has horns, so it naturally turns into a dragon. This guy has horns on his head, so he may really be a dragon!

“How was he caught?” Chen Ping asked!

“Then I don’t know. Maybe these people weren’t brought in. Anyway, these people are under that ancient tree every time they go out.”

“We can’t go over. We will definitely get beaten if we go over.”

Brother Yaomei whispered!

“That ancient tree doesn’t belong to his family, and this is a prison, not their kang, so why shouldn’t he let it pass?”

When Chen Ping heard this, he smiled coldly and walked towards the ancient tree!

Chapter: 7584

Seeing this, Brother Yaomei hurriedly stopped him and said, “Don’t go there. They have a large number of people, and I don’t know what level Baicheng’s strength has reached!”

“If the strength is very strong, wouldn’t we suffer a big loss if we go there?”

Brother Yaomei tried to stop Chen Ping, but how could he stop him?

Just when Chen Ping and Yaomei’s brother were fighting, Baicheng looked up and looked over with some feeling!

Just as Chen Ping's eyes met, they instantly sensed each other's strength!

When the orc monks under the ancient tree saw this, they all stood up and were ready to take action!

Just when Chen Ping and his brother Yaomei were about to approach the ancient tree, Baicheng winked, and in an instant, more than a dozen monks gathered around him!

When Yaomei's brother saw this, his face changed with fright. He let go of Chen Ping and ran back for a distance!

At this time, self-preservation is the most important thing. He can no longer stand with Chen Ping. When the time comes, Yaomei and brother will not be able to bear the beating!

More than a dozen monks, all of whom were at the first or second level of the Mahayana realm, surrounded Chen Ping!

Chen Ping glanced at these monks with a hint of disdain on his lips!

"Boy, this is not where you came from, get away!"

A man with eyes like poisonous snakes said coldly to Chen Ping!

"Is this place your Kangtou? Do you have any control over where I want to go?"

"You're already in jail, why are you so awesome?" Chen Ping said with a cold snort!

For a moment, more than a dozen monks were stunned. They never expected that Chen Ping, a monk in the Tribulation Realm, could be so rampant!

Facing a dozen of them, Mahayana monks, there was not even a trace of fear!

Not only was he not afraid, but he even spoke rudely!

“Boy, you are quite crazy. Do you think you can’t kill people in prison, so you are not afraid at all?”

“I’m telling you, I have plenty of means to make your life worse than death.”

The man said with an angry look!

Death is not the most terrifying thing. In the hands of these monks, there are many ways to make life worse than death!

“If I’m not wrong, you are transformed from a snake demon, right? Cultivation is not easy, so go away and stay alone. If you really piss me off, I will just pinch your seven inches and chop you into several pieces.”

Chen Ping looked at the man and smiled coldly!

Chapter: 7585

“Boy, don’t be so arrogant...”

When the man heard this, he was furious. He waved his hand and a dozen Mahayana monks approached Chen Ping!

Brother Yaomei looked at him with worry on his face!

There were other monks who were watching from afar, but no one dared to step forward to help!

Baicheng, who was dressed in white under the ancient tree, looked at the scene in front of him with great interest!

He has a sense of arrogance and indeed has the temperament of a dragon!

However, when a dozen monks swarmed towards Chen Ping, Baicheng was stunned!

Chen Ping's figure was instantly like a phantom, shuttling among the dozen monks!

Immediately afterwards, all the monks were severely knocked away and hit heavily under the ancient tree!

More than a dozen monks who were in the first or second level of the Mahayana Realm were unable to fight back in front of Chen Ping, who was in the ninth level of the Tribulation Realm!

Is this a little too outrageous?

"You...you..."

The man got up and looked at Chen Ping in shock!

He could feel that Chen Ping did not use all his strength. If he had used all his strength, they would have died long ago!

You must know that Chen Ping is only a ninth-level monk in the Tribulation Realm. They are more than a dozen Mahayana realms. Although they are only a first- and second-level Mahayana realm, their more than ten first- and second-level Mahayana realm monks are at least as good as the fourth-level Mahayana realm. Are you a monk?

How did Chen Ping defeat them so easily?

“Aren’t you making my life worse than death?”

Chen Ping asked with a smile!

The man did not speak, but looked back at Baicheng. At this moment, Baicheng’s eyes narrowed slightly, with an extremely solemn look on his face!

“continue.....”

Baicheng’s mouth slowly spit out two words!

After hearing this, the man frowned slightly, but there was still a fierce look in his eyes, and then he waved his hand and said: “Let’s go together, I don’t believe he can really beat more than a dozen of us.”

After saying that, the man led a dozen monks and attacked Chen Ping again.

“Give me something shameless!”

Chapter: 7586

Chen Ping snorted coldly and waved his fists suddenly!

Bang bang bang!

Under the shocked gazes of everyone, more than a dozen Mahayana monks were knocked out by Chen Ping again. This time, Chen Ping did not hold back!

All these monks fell heavily to the ground and could not get up again!

The man even vomited blood, with fear in his eyes!

Because Chen Ping couldn't expose his human aura, he just used the power of the orcs!

If all the power is unleashed, none of these people will survive!

More than a dozen monks were seriously injured and fell to the ground, and none of them could stand up!

The thousands of monks present were all watching blankly, and the atmosphere was extremely quiet.

Brother Yaomei even rubbed his eyes and looked at Chen Ping in disbelief!

You can see the excitement, excitement and hope in the eyes of So Mei's brother!

He knew that there was hope for him to leave this miserable place!

Chen Ping is definitely not an ordinary monk. There must be a terrifying identity behind Chen Ping!

Thousands of monks had faces full of horror. There were so many of them, and it was not like no one had challenged them under the ancient tree, but they all came back beaten!

Over time, these monks no longer dared to get too close to the ancient tree!

Now, Chen Ping, a young monk in the Tribulation Realm, took care of the opponent with just a few moves!

They may have never seen such an outrageous thing in their entire lives!

A dozen monks who were in the first or second level of the Mahayana Realm could not defeat Chen Ping, who was in the ninth level of the Tribulation Realm!

“This boy is not simple!”

At this moment, outside the prison, Captain Zhou stood outside the light curtain of the formation, staring at everything at the scene!

Although these prisoners are taking a break, Captain Zhou, as the guard captain guarding the prison, must ensure the safety of the prison!

So he will keep an eye on it personally to prevent these prisoners from causing trouble!

But fighting is normal and he won't stop it, but if someone's life is hurt, Captain Zhou will step in!

After all, every prisoner here is a resource of the City Lord's Mansion!

Chapter: 7587

If he dies and resources are wasted, Captain Zhou will be held responsible!

Just now, Chen Ping easily defeated a dozen Mahayana monks by himself, and Captain Zhou was all watching!

"Damn, I remembered. This kid came to the prison to visit the prisoners."

Captain Zhou finally remembered Chen Ping, so he asked the people around him: "Why did this kid come in?"

"He beat Qiu Yu, the young master of the Qiu family, and was arrested directly."

A guard next to him said!

"Hit Qiu Yu? This kid seems to be deliberately provoking, right?"

Captain Zhou frowned slightly and said!

"I don't know about that, but after this kid was imprisoned, Boss Liu, who purchased the fairy spirit stones, sent five hundred purple gold spirit coins."

“It seems that this guy’s identity is not simple. Otherwise, why would Boss Liu be willing to spend money? You know Boss Liu is very stingy!”

The guard beside him said to Captain Zhou!

“When you say that, it does make some sense. Even Liu Zhongnan paid for it, but he still doesn’t know who this kid is? Is he a relative of his?”

Captain Zhou looked at Chen Ping carefully, as if he wanted to see through Chen Ping!

“Captain, should we stop this kid? If he starts a conflict with Baicheng, I’m afraid...”

The guard came forward and whispered!

But before he finished speaking, Captain Zhou waved his hand and said, “Don’t worry about it. I’ve long been tired of this kid from Baicheng pretending to be cool every day. If I can really teach him a lesson, it doesn’t matter.”

“As long as no one is killed, we can pretend we can’t see it. I haven’t watched the excitement for a long time.”

“Captain, if that boy from Baicheng is injured, it will be difficult for the City Lord’s Mansion to explain it,” the guard said!

“Excuse me, I wasn’t the one who hit you. What should I tell you? What’s more, the city lord hasn’t shown up for a long time. Who knows what’s going on in the city lord’s palace.”

Captain Zhou snorted coldly!

When the guard saw this, he was too frightened to speak!

No one has seen the city lord show up in Beast City for a long time. It has always been managed by the three beast generals under the city lord!

However, the three beast generals often had disagreements, which also caused many monks under the city lord's mansion to suffer miserably!

This is why Captain Zhou, as the prison guard captain, can charge money to release prisoners privately, and he can also charge money to allow visits!

And Liu Zhongnan, as the official acquisition point, he was able to line his own pockets and secretly sell the fairy stones!

It is precisely because the city lord does not show up now that the management of the entire Beast City is in chaos!

Many people took advantage of the opportunity to make huge profits!

If the city lord was in charge, Qiu Yu wouldn't be so arrogant and it wouldn't matter if he beat someone!

Now, as one of the beast generals, his father is the enforcer of the rules. How could he lock up his son?

At this moment, Chen Ping didn't know that he was being watched, but he slowly walked towards the white city!

Baicheng looked at Chen Ping walking towards him, his eyes full of fighting spirit!

It's been a long time since anyone has provoked me!

The other monks around were also watching blankly. They eagerly hoped that Chen Ping could follow that Baicheng into a fight!

No matter who loses or wins, at least they can watch the fun!

If Baicheng loses, then maybe they can go stay under the ancient tree!

But these people just wanted to watch the fun and didn't care who won or lost!

Only brother Yaomei clenched his fists and kept praying that Chen Ping could defeat that Baicheng!

Just when Chen Ping arrived in front of Baicheng, the two of them were at war with each other!

Suddenly a shrill bell rang!

This is the bell that indicates release time. All prisoners must return to their cells after the bell rings!

Chapter: 7588

"It's time, you have to go back to your cell."

"I will be waiting for you here at this time tomorrow..."

Baicheng looked at Chen Ping and said in a cold voice!

“But I don’t want to go back...”

After Chen Ping finished speaking, he looked at the bronze bell hundreds of meters away!

With a wave of his hand, a flash of spiritual light came instantly, and the bronze bell fell into pieces, and there was no sound for an instant!

Baicheng was slightly startled when he saw that Chen Ping actually damaged the items in the prison.

Everyone else was also shocked!

Although the prisoners here can fight with each other, they must not damage the items in the prison, and the rules in the prison must be followed!

When it’s time to relax, you have to return to the cell!

After so many years, no one has ever dared to break the rules in the prison!

But now, not only did Chen Ping not obey the rules in the prison, he even destroyed the bronze bell in the prison!

This is simply lawless!

Brother Yaomei looked at Chen Ping with worry on his face. Even if Chen Ping was powerful, it would be impossible for him to fight against the entire prison guard!

Even if he could fight with the prison guards, he would not be able to fight against the entire city lord's mansion and the entire beast city!

The other monks also looked at it in shock, not knowing what to do for a moment!

Some monks began to return to their cells, while others waited slowly, wanting to see what would happen to Chen Ping!

"Damn it, you are so crazy, you dare not obey the prison rules, and you even damaged the bronze bell!"

A guard came running from a distance!

This guard was three to four meters tall and weighed probably over a thousand kilograms. When he ran towards him so fast, he was as big as a hill!

Every time a foot hits the ground, the ground trembles. At this moment, many monks are standing around, everyone holds their breath and stares, their hearts are beating loudly, the prison guards are dispatched, and they all become more honest!

The guard grabbed Chen Ping, but Chen Ping reached out and grabbed the guard's wrist!

The guard's figure stopped instantly, and no matter how hard he tried, he couldn't move at all!

Chapter: 7589

“I don’t want to hurt you, so don’t meddle in your own business and get out of here!”

Chen Ping threw it away casually, and the guard was thrown out directly, falling heavily to the ground, stirring up bursts of dust!

The scene was completely silent, and everyone was stunned!

No one expected that Chen Ping would dare to attack the guards. This was simply rebellion against Tiangang!

Even Baicheng had a look of surprise in his eyes!

“Boy, you dare to hit the guards, you are indeed brave!”

Baicheng said to Chen Ping!

Chen Ping just smiled slightly, then slowly turned his head and looked into the white mist not far behind him!

In this direction, Captain Zhou is spying on everything!

When he saw Chen Ping looking in this direction, Captain Zhou was slightly startled. The two people looked at each other, as if they could see each other!

But Chen Ping just glanced at it and turned his head back!

“Captain, this boy broke the rules and hit our guards. We must not spare him.”

A guard next to Captain Zhou said angrily!

“Notice, the release time will be extended for ten minutes. After ten minutes, everyone must return to the cell, otherwise they will be shot!”

Captain Zhou said!

When the guard heard this, he opened his mouth, but in the end he didn't say anything and went to convey it!

“All prisoners, listen, the break time will be extended for ten minutes. After ten minutes, you must return to your cell, otherwise you will be shot!”

the guard shouted!

“Holy crap, what happened? The parade was extended for ten minutes? Is it because of this kid?”

“What is this kid's background? He has changed all the rules of the prison.”

“It's so awesome, maybe there's a big shot behind this kid!”

Many monks started talking about Chen Ping's identity! ! !

Even the sister and brother had their eyes wide open and looked at Chen Ping in disbelief!

Chapter: 7590

Chen Ping actually asked the prison to change the rules. What kind of identity does he have?

Even Baicheng was a little surprised. He didn't expect that Chen Ping's move would not only not attract more guards, but would actually lengthen the release time!

"Boy, it seems that you have some power behind you, but you have offended the wrong person. In ten minutes, I can kill you a hundred times!"

Baicheng threatened Chen Ping!

Chen Ping smiled: "Are you from the Dragon Clan?"

"Yes, I am a dragon, what kind of cat and dog are you?"

Baicheng said with a proud attitude!

"How come you don't look like a dragon to me? You look more like an earth-burrowing snake."

Chen Ping still has a smile on his face!

"What did you say?" Baicheng became angry instantly: "Are you blind? Can't you see the dragon horns on my head? If you dare to say that I am not a dragon, then I will let you see the power of our dragon."

After saying that, Baicheng jumped up and attacked Chen Ping!

The void shook instantly, and the wind wrinkled!

Chen Ping looked at Baicheng who was taking action and sensed the aura in Baicheng's body, and the smile on his face became even brighter!

"You are the only one who dares to say that you are a dragon. You are so brazen!"

After Chen Ping finished speaking, his body jumped up!

Bang!

The moment the two people's bodies intertwined, a deafening sound broke out!

Then the two people's bodies separated and stood back to back!

Everyone watched carefully, but no one noticed who of the two had the upper hand!

Neither man was injured.

Chen Ping and Na Baicheng both turned around and stood facing each other again!

Chen Ping still had a smile on his face, while Baicheng had a serious look on his face!

"Holy shit, the horn...the horn is gone..."
