

The Order 7601

Chapter: 7601

Chen Ping could tell that the Red Cloud Demon Lord was a little angry. After all, during this period, he had neglected to find the bones of the Red Cloud Demon Lord!

But you can't blame yourself for this. The world of heaven and humans is so vast. I don't know how big the Demonic Mountain is!

For Chen Ping to search for scattered bones in such a huge place, it would be more difficult than finding a needle in a haystack!

But Chen Ping asked Wantong Pavilion to help find it!

There are many branches of Wantong Pavilion in the Southern Territory, and there are also many disciples. It will definitely be much easier to find than Chen Ping himself!

"Don't worry, I haven't forgotten about finding the bones!"

Chen Ping comforted Demon Lord Chiyun!

Don't let this old guy fool you, after all, Chen Ping still relies on him many times!

"It's time to relax, go back to the cell!"

At this time, the guard's voice rang!

All the prisoners and monks got up and walked obediently towards the cells!

Chen Ping also left the ancient tree and prepared to return to the cell!

"Mr. Chen, I'm going to General Xing to ask for a pardon so that you won't suffer in prison."

Baicheng whispered to Chen Ping!

"You can ask for a pardon, but it's not about letting me out, it's about letting him out!"

Chen Ping pointed to Yaomei's brother not far away and said!

Baicheng glanced at it, then nodded: "Okay, I understand!"

Chen Ping walked towards the cell, and Yaomei's brother chased after him. He said with some displeasure: "Brother-in-law, why don't you let me stay under that ancient tree? I'll also see what's under that ancient tree." Something strange."

"Shut your mouth. If you want to go out, just follow me and stop talking!"

Chen Ping was very displeased with Yaomei's brother saying "brother-in-law"!

Seeing that Chen Ping was angry, Yaomei's brother was so frightened that he didn't dare to speak anymore!

After returning to the cell honestly, Chen Ping once again took out a pill and gave it to Yaomei's brother!

"Take the elixir and recover well. I think you will be able to go out tomorrow!"

Chen Ping followed Yaomei brother and said!

Chapter: 7602

Brother Yaomei was not polite and threw the elixir directly into his mouth, and then said excitedly: "How will I go out tomorrow? Are you going to take me out?"

After seeing Chen Ping's strength, Brother Yaomei also has great expectations for Chen Ping to break out of prison!

"No, there should be an amnesty order tomorrow to let you out!"

Chen Ping said!

"Amnesty order?" Brother Yaomei was surprised: "Only the three major beast generals in Beast City are qualified to issue an amnesty order."

"Does it matter that you are following the three great beast generals in Beast City?"

"It doesn't matter to me, just stop guessing, have a good rest, and leave here tomorrow!"

Chen Ping tells Brother Yaomei to have a good rest!

But just after he finished speaking, the strong man who had been huddled in the corner suddenly knelt down in front of Chen Ping: “Fellow Taoist, can you also give me an amnesty order so that I can be released too?”

“Don’t worry. After I go out, I will repay you even if I work as a cow or a horse for you.”

“You’re just a bear, what do you think you are?” Brother Yaomei looked at the strong man and sneered!

With Chen Ping here, Yaomei’s brother is not afraid of that strong man!

The strong man knew that Yaomei’s brother was mocking him, but he didn’t dare to do anything in front of Chen Ping.

He did not pay attention to Yaomei’s brother, but looked at Chen Ping and begged: “Fellow Taoist, please, please take me out with you!”

Chen Ping looked at the strong man and sneered: “Why should I take you? We are neither relatives nor friends, and we have no friendship.”

Upon hearing this, the strong man hurriedly said: “Fellow Taoist, I also have a sister, and I can give it to you and let you be my brother-in-law...”

“grass.....”

Chen Ping was speechless for a while!

“Pull him down, you big black bear. Your sister is definitely not pretty. You still want to steal your brother-in-law from me?”

Brother Yaomei looked at the strong man and mocked!

The strong man looked ugly and said with a bitter look on his face: "My sister is indeed not very good-looking, but...but I still have a secret to tell you."

"What secret?" Chen Ping looked at the strong man!

The strong man looked at Yaomei's brother and didn't say anything. Apparently he was afraid that Yaomei's brother would know!

"It's okay, just tell me!" Chen Ping said!

Chapter: 7603

"Fellow Taoist, I know of a spiritual vein mine of fairy spirit stone. Now that the price of fairy spirit stone is rising, this spiritual vein mine of fairy spirit stone is a huge wealth."

"To be honest, I was caught because I brought too many fairy stones and secretly sold them to private buyers."

"If you can take me out, I can tell you the location of the spiritual vein mine, and then we will split it equally!"

The strong man followed Chen Ping in a low voice!

When Chen Ping heard this, he was a little surprised. If he really knew a spiritual vein mine of fairy spirit stones, it would be a huge resource!

It's much faster than purchasing bit by bit with purple gold spirit coins!

It's just that Chen Ping doesn't know whether what this strong man said is true or false!

"Hmph, stop talking nonsense here. Wherever there are spiritual vein mines of fairy spirit stones in the entire Beast City, they have been mined long ago."

"There are only sporadic fairy stones left, all picked up by luck. How can there be a spiritual vein mine of fairy stones?"

"If it were true, the people from the City Lord's Mansion would have sent people to occupy it!"

Brother Yaomei snorted coldly, not believing what the strong man said at all!

After all, he has lived here for such a long time and has never heard anyone mention this spiritual vein mine!

"Just because you don't know, doesn't mean there isn't one. Do you know what's underground in this beast city?"

The strong man retorted to Yaomei brother!

Brother Yaomei was stunned, but he still looked a little unconvinced!

"How can I believe you are telling the truth?"

Chen Ping looked at the strong man and asked!

“Fellow Taoist, you can go out and verify. My name is Xiong Kuo, and my sister’s name is Xiong Ying. This time, I am the only one who enters the Beast City to trade.”

“After you go out, I will give you something to hold. You go to my sister. Then she will convince you that what I said is the truth.”

Xiong Kuo followed Chen Ping in a low voice!

Chen Ping looked at Xiong Kuo and it didn’t look like he was deceiving himself, so he nodded and said, “Okay, as long as you don’t deceive me, I will take you out of the prison!”

“Don’t worry, fellow Taoist, I am definitely not deceiving fellow Taoist. This is the jade pendant I wear with me. Take the jade pendant and go to the beast city a hundred miles southwest. You can see a big tree. My sister is in that tree. Wait for me in the cave.”

“As long as you give her this jade pendant and explain the situation to her, she can prove that what I said is true!”

Xiong Kuo handed Chen Ping a jade pendant and said!

“Okay!” Chen Ping nodded and took the jade pendant!

Brother Yaomei was standing by, looking a little nervous. After all, he couldn’t get anything out of him, would Chen Ping still save him?

He only has one sister, but compared to his own sister who has the spiritual veins of the Fairy Spirit Stone, she is simply worthless!

“Don’t worry, I’ll let you out tomorrow!” Chen Ping looked at Yaomei’s brother’s scared look and said with a smile!

After saying that, Chen Ping went to rest, and Brother Yaomei felt relieved!

Chapter: 7604

In the center of the Beast City, a majestic and huge city-within-a-city stands tall. It is the mysterious and majestic City Lord’s Mansion that everyone in the Beast City calls it.

The City Lord’s Mansion is like a giant beast entrenched in the core of the city, exuding an awe-inspiring aura.

There is a mansion in each of the three directions, east, west and south. The luxurious decoration of these three mansions is simply astonishing.

The walls of the mansion are all made of precious jade, which shines warmly under the moonlight; the glazed tiles on the roof are colorful and shining; the doors and windows are carved with exquisite patterns, either of auspicious animals galloping or fairy figures. Cao Linghua, every detail shows the ultimate luxury.

These three mansions formed an angle, tightly surrounding the city lord’s palace, forming an indestructible defense system.

The mansions echo each other, forming a tight whole. Anyone who wants to attack the city lord’s mansion must first break through the defense lines of these three mansions. Its strategic significance is self-evident.

These three mansions are the residences of the three beast generals under the city lord. They are not only the residences of the beast generals, but also important barriers to the city lord’s palace.

Late at night, the entire beast city was immersed in silence. Everything was silent except for the guards on duty who were patrolling dutifully.

Their footsteps echoed in the empty streets, adding to the silence of the night.

However, in the mansion to the east, the lights were still bright, forming a sharp contrast with the surrounding darkness.

The atmosphere in the hall was slightly tense. Sitting at the head was an eight-foot-tall middle-aged monk. He was General Xing, one of the three great beast generals.

General Xing's eyes were like bells, deep and sharp, as if he could see through people's hearts, exuding an aura of majesty that made people dare not look directly.

He was wearing a black robe, embroidered with golden patterns, and shimmered with his movements, making him even more noble.

"Baicheng, is what you said true? Are there really dragon monks in that prison? And they are from the golden dragon clan?"

General Xing's voice was low and powerful, echoing in the hall, with a hint of doubt and curiosity.

He frowned slightly and stared at Baicheng closely, as if he wanted to see a flaw in his expression.

Baicheng sat at the bottom and replied with certainty: "General Xing, how dare I deceive you? Everything I said is true."

There was a trace of eagerness in his eyes, and he leaned forward slightly, hoping that the general would believe him.

He knew that what he said was too bizarre, but if he didn't inform the general about it, he was afraid that there would be even greater trouble in the future.

After hearing this, General Xing frowned slightly, obviously still not believing what Baicheng said.

At this time, a guest said: "General Xing, there has never been a true dragon monk in this beast city for thousands of years, let alone one from the golden dragon clan.

This Baicheng was just transformed into a snake. He wore a fake dragon horn and just wanted to act like a dragon. I think he is crazy about wanting to transform into a dragon and is suffering from paranoia."

The guest minister's words were full of ridicule and suspicion. The corners of his mouth were slightly raised, and there was a look of disdain in his eyes. Other guests also nodded in agreement, and there was a burst of low-pitched discussion in the hall.

After hearing this, Baicheng became anxious and defended loudly: "Don't slander others. I saw it with my own eyes. How can I be wrong?"

Chapter: 7605

His face turned red, his eyes flashed with anger, and his hands were clenched into fists, as if he would rush forward to argue with the guest at any time.

He never expected that his truthful words would be so questioned and slandered.

Another guest also continued: "I also think what Fellow Daoist Bai said is a bit strange. He said that the other party was only a ninth-level monk in the Tribulation Realm, but he himself was a fourth-level Mahayana Realm. In the end, he was killed by a Tribulation Realm The ninth-grade monk was defeated, how is this possible?"

As the guest spoke, he shook his head with an expression of disbelief on his face.

Baicheng said helplessly: "What I said is true. If you don't believe it, I can bring Mr. Chen personally.

However, the general must issue an amnesty order, after all, he is still in prison. ”

There was a hint of helplessness and grievance in his tone. He knew that without an amnesty order, Mr. Chen would not be able to be taken out of prison.

“Baicheng, I think you just want the general to give you a pardon so that you can save the people you want to save, right?”

Some people also questioned Baicheng’s motives. There was a hint of suspicion in this man’s eyes, and he looked straight at Baicheng, as if he wanted to read his mind.

“I didn’t. I will really bring Mr. Chen here so that you can see it!” Baicheng shouted loudly to express his sincerity and the authenticity of what he said.

His voice echoed in the hall, with a hint of determination and determination.

It’s just that what he said is really too bizarre, no wonder everyone doesn’t believe it.

“Okay, stop arguing...”

General Xing frowned and said with a very ugly face, “You are all my guests and you should be united. How can you fight in this nest? Now the other two generals are secretly cultivating forces and want to kick us out. , if we don’t unite, we will be kicked out of Beast City and live in the wilderness!”

General Xing’s words were like a heavy hammer, waking everyone up. Everyone immediately closed their mouths, with a look of worry on their faces.

They knew that in this beast city, if they lost the protection of General Xing, their life would not be easy.

“Baicheng, this is the amnesty order. You can take it with you tomorrow. I also want to see who this Dragon Clan monk is. A ninth-level Tribulation Realm master can defeat you, a fourth-level Mahayana monk. I have never seen such a genius.”

After General Xing finished speaking, he threw out a ray of white light. Baicheng stretched out his hand to grab it, and a small token appeared in his palm.

The token exudes a soft light and is engraved with some mysterious runes. This is the amnesty order, which has the power to release prisoners in the prison of Beast City.

Seeing that the amnesty order was in hand, Baicheng immediately promised: “I will definitely bring Mr. Chen here tomorrow...”

He held the pardon order tightly, as if holding his own hope, and secretly swore in his heart that he must make everyone believe what he said.

On the second day, as soon as it dawned, Baicheng hurried to the Beast City Prison with an amnesty order in hand.

His steps were quick, and there was a trace of eagerness in his eyes. He just wanted to take Mr. Chen out of the prison as soon as possible.

As soon as he entered the prison, he was stopped by Captain Zhou.

Chapter: 7606

Captain Zhou said with an unkind expression: “Baicheng, you are only responsible for leading people to take care of the ancient trees, and you are not qualified to enter the cell!”

Captain Zhou crossed his arms and stood in front of Baicheng, blocking his way, with a hint of vigilance in his eyes.

Baicheng quickly explained: "Captain Zhou, I came here to release a prisoner on orders from General Xing."

"A pardon is needed to release a prisoner. Do you have a pardon?" Captain Zhou asked.

He did not immediately accept the pardon order, but looked at Baicheng carefully, as if judging the authenticity of his words.

"Of course!" Baicheng said, directly taking out the amnesty order. The amnesty order exuded a faint light in his hand and looked particularly eye-catching.

Captain Zhou frowned slightly when he saw the amnesty order. Although he was unwilling to do so, he still moved his body out of the way.

After all, the amnesty order is recognized by the entire Beast City. The three Beast Generals have the authority to issue it, and he cannot stop it.

This was also the reason why Qiu Yu dared to make trouble before and was not afraid of going to jail. As his father was one of the beast generals, even if he was caught and imprisoned, he could be released with an amnesty order.

Captain Zhou was secretly unhappy, but he had no choice but to watch Baicheng walk towards the cell.

Baicheng entered the cell, and when he saw Chen Ping, he said happily: "Mr. Chen, the amnesty order has been obtained. I can take you out now."

There was a joyful smile on his face, and there was a hint of expectation in his eyes. It seemed that he had seen everyone's surprised expressions when they saw Mr. Chen.

"If I don't go out, you can use the amnesty order to take him away!" Chen Ping pointed at Yaomei's brother and said.

Chen Ping had a calm look on his face, as if he didn't care whether he could leave the prison. He was more concerned about the safety of Yaomei's brother.

Baicheng looked embarrassed and said: "Mr. Chen, this amnesty order is specially applied for you. General Xing wants to see you.

I told General Xing about you, but none of them believed it and insisted on letting me take you to the General's Mansion.

If this amnesty order is given to others and you can't go to the general's mansion, it will be hard for me to explain, and many people will think I am lying, and General Xing will not trust me."

There was a hint of helplessness and anxiety in Baicheng's tone. He didn't know how to persuade Chen Ping.

When Yaomei's brother heard this, he immediately became nervous. He was afraid that Chen Ping would leave him alone. If he was released by the amnesty order, he would never be able to leave.

There was a hint of fear in his eyes, his body was trembling slightly, and he tightly grasped the corner of Chen Ping's clothes, as if he was grasping the last life-saving straw.

Chen Ping thought for a while and said, "You first take him out with the amnesty order. You wait for me outside the prison in the evening, and I will follow you to the general's mansion."

There was a trace of determination in Chen Ping's eyes. He knew that he could not watch Yaomei's brother trapped in prison, and if he wanted to leave the prison, he would not need an amnesty order at all.

Seeing this, Baicheng reluctantly agreed, and then took Yaomei's brother out.

When leaving, Chen Ping told Yaomei the address of her brother's inn, where Yaomei was waiting for him.

Chapter: 7607

After Yaomei's brother thanked Chen Ping profusely, he followed Baicheng and left. His steps were a little hasty, and his heart was full of desire for freedom and gratitude to Chen Ping.

Captain Zhou was very surprised when he saw that the person Baicheng brought out was not Chen Ping. He thought that Baicheng had asked for an amnesty order and would definitely release Chen Ping, but he didn't expect that it was not Chen Ping.

There was a hint of doubt in his eyes, and he was secretly guessing about the relationship between Baicheng and Chen Ping.

After Baicheng released Yaomei's brother, he still led people to guard under the ancient tree.

Although he was a little worried about whether he could successfully take Chen Ping to the general's mansion at night, he still performed his duties conscientiously.

When it was time to relax, Chen Ping walked to the ancient tree again. After yesterday's test, Chen Ping directly penetrated his consciousness into the ancient tree without hesitation this time.

Immediately afterwards, his soul instantly appeared in chaos, surrounded by thick spiritual power.

These spiritual powers were like substantial mist, exuding soft light. When Chen Ping was in it, he seemed to have entered a mysterious fairyland.

Chen Ping knew that this was a rare opportunity for improvement. Although half an hour was not long, he desperately absorbed the spiritual power around him, and his cultivation level was also improving rapidly.

He closed his eyes tightly and devoted himself wholeheartedly to the process of absorbing spiritual power, and the aura on his body continued to increase.

After all, these spiritual powers are in the bodies of other monks. It is much faster than simply absorbing the spiritual energy and then using magic skills to convert it into spiritual power.

Just as Chen Ping was frantically absorbing the surrounding spiritual energy, a white light slowly condensed and finally formed an old man, standing in front of Chen Ping.

Chen Ping seemed to be aware of it, and suddenly opened his eyes, and was immediately startled by the old man in front of him.

His heartbeat suddenly accelerated, there was a trace of panic in his eyes, and he subconsciously took a step back.

“You... who are you, why are you here?” Chen Ping asked in surprise. He had obviously used his spiritual sense to explore, but he didn’t find anyone there at all. The sudden appearance of this old man surprised him.

He stared at the old man closely, his heart full of vigilance.

“You still asked me why I appeared here. This sentence should be me asking you, this is my home, why are you coming to my home?”

The old man asked Chen Ping with an unhappy expression.

The old man was wearing a white robe, with gray hair, but his face looked very young, and his eyes revealed a hint of majesty and displeasure.

Chen Ping was stunned and said in disbelief: "Your home? You said this is your home?"

His heart was full of doubts. He never expected that this ancient tree space was actually the home of the old man in front of him.

"Of course, not only here, but the entire Beast City is my home!" The old man's tone revealed a hint of pride and domineering.

He raised his head slightly, with a hint of pride in his eyes, as if he was showing Chen Ping his territory.

When Chen Ping heard this, his head suddenly buzzed, and he said in surprise: "You... are you the city lord of Beast City?"

Chapter: 7608

He knew that the city lord of the Beast City had not appeared for a long time, but he did not expect that he had been hiding in the ancient tree space to practice, and he also used the spiritual power of the many monks here to support his practice.

He couldn't help but feel a little afraid of the city lord's strength and scheming.

"Yes, I am the city lord of Beast City. Who are you? There are only a few people who can enter this ancient tree space.

If you make it clear, I can let you go, but if you dare to lie, then you will stay here forever! "

The words of the city lord of Beast City contained a deep threat, which made Chen Ping feel nervous. He knew that he must answer the city lord's questions carefully.

His brain was working rapidly, thinking about how to explain his arrival to the city lord.

It was obvious that the phantom formations surrounding the Beast City were set up by the city lord in order to isolate the Beast City from the world of heaven and humans!

It has been thousands of years now. If an outsider entered the Beast City, how would the city lord react?

Another point is that if Chen Ping tells the truth, it will be the crime of destroying the nine tribes for Liu Zhongnan and the other three!

After much thought, Chen Ping decided not to tell the truth. If the city lord found out on his own, he would not be able to blame himself!

"Senior, my name is Chen Ping, and I am a casual cultivator. I don't know why I can enter this ancient tree space."

"I only know that the spiritual power in my body is being absorbed by this ancient tree, so I want to see what's going on."

Chen Ping followed the city lord and said!

"A casual cultivator?"

The city lord smiled slightly: "You are the son of a dragon. You deliberately entered the prison and then approached the ancient tree. Do you want to take possession of the spiritual power collected by the ancient tree?"

Chen Ping was stunned and looked at the city lord at a loss. He didn't understand how the city lord knew so much about his affairs.

Could it be that he was the one who spied on me yesterday?

If the city lord had spied on him, he would definitely know something about himself!

"In this beast city, nothing can be hidden from me, let alone this ancient tree."

"You are the son of a dragon, a true dragon. I won't kill you, so please leave quickly!"

The city lord said to Chen Ping!

"Lord City Lord, this ancient tree absorbs other people's spiritual power, causing many monks to..."

"Do you still want to redress the grievances of others and change the rules of Beast City? These are things that are beyond your control. If you don't want to die, get out of here right now!" The face of the city lord became a little ugly!

Chen Ping felt the murderous intention on the city lord's body, so he shut his mouth, and then quickly retreated from the ancient tree space!

Chapter: 7609

Facing the city lord, Chen Ping knew that he had no power to fight back!

The other party had obviously reached the fairyland!

The reason why he didn't show his face was probably because he was cultivating with all his heart and so quickly ascended to the heavenly realm!

Looking at the ancient tree in front of him, and the rich spiritual power in the ancient tree, Chen Ping sighed for a while!

With his current strength, there is no way he can take advantage of the spiritual power in the ancient tree!

"Since we can't take the ancient tree as our own, let's see if the veins of the Fairy Spirit Stone are real."

Chen Ping was helpless and could only retreat to the next best thing to see if the mineral vein that Xiong Kuo said was true!

If you can get a fairy stone mineral vein, it would be very good!

Coupled with the storage bag he got from Narota and the century-old offering of the Demon Sealing Alliance, Chen Ping was enough to cultivate for a while!

There should be no problem with these resources breaking through to the Mahayana realm!

So after Chen Ping decided to get the mineral veins of the Immortal Spirit Stone, he devoted himself to cultivating for a while!

Otherwise, my current strength would be really enough!

Some hidden forces in the heavenly and human world have begun to slowly appear, and Chen Ping must also seize the time to cultivate!

In the evening!

The sky is getting darker!

Chen Ping felt that the time was almost up in the cell, and then walked out of the cell easily!

Xiong Kuo looked at Chen Ping who regarded the cell as nothing, and his eyes were about to fall out in shock!

When we came to the courtyard of the big prison, there were no guards watching!

Because the entire prison was wrapped in a formation, it was impossible for any prisoner to be able to escape!

This is better, just so that Chen Ping can easily escape out!

As for the formation around the prison, Chen Ping didn't pay attention to it at all!

Although the phantom formations around the beast city are very powerful and Chen Ping is not yet able to break them, the formations around this prison are like pediatrics!

I saw Chen Ping's body submerged in the white mist, and then his palms gently pressed forward!

A white light spread from his palm, and a barrier appeared in front of Chen Ping!

Chapter: 7610

This was the formation around the prison. Chen Ping's body slowly passed through the barrier without the slightest obstruction. Even the formation did not fluctuate and did not startle the guards!

At this time, Bai Cheng had already been waiting outside the prison. He was afraid that Chen Ping would not be able to get out of the prison. After all, the prison had been for thousands of years, and no one had been able to escape privately!

If he couldn't bring Chen Ping to General Xing, he would surely be questioned, and maybe the other guests would have to continue to mock him!

Just when Baicheng was pacing back and forth, very anxious, he suddenly felt a wave of energy fluctuations around him!

Immediately afterwards Chen Ping's body even appeared and slowly walked out directly from the white mist!

Seeing Chen Ping really walked out of the prison, breaking through the formation, Bai Cheng was filled with surprise and shock!

"Mr. Chen, are you really out?"

Bai Cheng stepped forward and looked at Chen Ping!

"If I say I can come out, I can definitely do it. Take me to see General Xing!"

Chen Ping smiled lightly!

“Okay, let’s go!” Baicheng nodded!

Bai Cheng took Chen Ping to the General’s Mansion!

At this time, General Xing was sitting in the hall with a dozen guests, waiting quietly!

“General, that Baicheng is probably talking nonsense. It’s already this time. People haven’t brought it yet.”

“That’s right, I’ve never heard that dragons still exist in our Beast City!”

“A ninth-grade monk of the Tribulation Realm, able to defeat the fourth-grade of the Mahayana Realm, beat me to death anyway, I do not believe, if the man named Chen Ping really came, I would have to compare with him, see if he can defeat me this The fourth level of Mahayana realm!”

Many guests don’t believe what Bai Cheng said at all!

Because it was so disgraceful, they had never seen such a disgraceful thing in their thousands of years of life!

“Okay, wait a minute, if an hour later, that White City still can’t bring anyone, then ask the crime directly!”

General Xing waved his hands!

Just as General Xing had finished speaking, Bai Cheng arrived with Chen Ping!

“General, Mr. Chan has arrived...”

Baicheng said!

When General Xing and many of the guests saw Chen Ping for the first time, they were a little disappointed!
