

The Order 761

Chapter: 761

“Lin Tianhu, when I come back, I will help you step into the master realm!”

Chen Ping is now at the fifth level of foundation building. Although he has not been able to enter the Bigu stage, it is still very simple to help Lin Tianhu enter the Grandmaster realm!

If you practice alone, it will be extremely difficult to enter the master realm. Some people may not be able to enter the master realm after practicing for a lifetime!

“Thank you, Mr. Chen...” Lin Tianhu said with joy!

“Mr. Chen, do you want me to accompany you?” Bai Zhantang asked Chen Ping.

“No, just stay here and stay safe!”

Chen Ping waved his hand, walked out of the villa alone, and headed towards Wangjia Hotel!

The sun sets in the west, and the afterglow of the setting sun shines on Chen Ping’s shadow very, very long...

At this moment, in a room in the Wangjia Hotel, Gu Ling’er’s eyes were full of tears, and she was looking at the ceiling blankly. She was tired of crying and scolding, and her whole body was numb!

She was already devastated. She knew that if she fell into Qin Feng’s hands, she would be like a sheep in a tiger’s mouth, and there would be no hope for her!

So she gave up her struggle and just waited for Qin Feng to vent his animal desires. She would commit suicide if she had a chance. She would not survive in this world!

“You are shouting, screaming? If you don’t shout or scream, you are like a dead person, without any trace of it!”

Qin Feng shouted loudly at Gu Ling’er, but Gu Ling’er didn’t seem to hear him. He was like a puppet!

“Qin Feng, hurry up, you kid!”

At this time, the voice of the wild wolf came from outside the door!

“Uncle Wolf, wait a moment, soon, soon...”

Qin Feng didn’t dare to be ink, so he hurriedly took off his clothes, and then rushed forward to take off Gu Ling’er’s clothes!

Gu Ling’er remained motionless and allowed Qin Feng to take off his clothes one by one. The tears in his eyes had already wet the sheets!

“So white, so smooth... Why didn’t I notice it earlier? With such fair skin and charming figure, you are simply the best in the world...”

Qin Feng’s hand gently slid on Gu Ling’er’s face, and helped Gu Ling’er wipe away her tears.

Gu Ling’er turned her head to the side. She didn’t want to see Qin Feng’s disgusting look!

But Qin Feng directly pinched Gu Ling’er’s chin with his hand, making her face him and looking straight at Gu Ling’er!

“Baby, it may hurt for a while, but you can bear with it and you will be fine soon...”

Qin Feng looked at Gu Ling’er with a lewd smile, and then gently kissed Gu Ling’er on the mouth!

Chapter: 762

Gu Ling'er, who had a dull look on his face and didn't move at all, suddenly opened his mouth and bit Qin Feng's nose!

"ah....."

Qin Feng let out a shrill roar, pinched Gu Ling'er's mouth hard, and then pulled out his nose!

But even so, Qin Feng's nose was still bitten, and blood continued to flow out!

"Qin Feng, what's wrong?"

The wild wolf asked outside!

"Uncle Wolf, it's okay!" Qin Feng said, he couldn't let the wild wolves see him in this embarrassing state, otherwise it would be too embarrassing!

"You damn girl, I'm going to kill you today, I'm going to make your life worse than death..."

Qin Feng was angry and stepped forward to tear off Gu Ling'er's clothes.

At this time, Gu Ling'er only had underwear to cover her body!

Chen Ping, who had already walked downstairs, frowned slightly when he heard a scream from upstairs, and then jumped upstairs!

Chen Ping happened to see Qin Feng through the window, tearing Gu Ling'er's clothes crazily!

A surge of anger rose from the bottom of Chen Ping's heart, and endless killing intent instantly filled the air!

Qin Feng, who suddenly felt murderous intent, stopped. When he saw Chen Ping looking at him outside the window, he was startled and hurriedly jumped away from Gu Ling'er!

Wow.....

Chen Ping kicked the window to pieces and jumped into the room!

"Chen Ping..."

Seeing that it was Chen Ping, Gu Ling'er, who was originally despairing, suddenly had hope in her eyes. She jumped up from the bed and threw herself into Chen Ping's arms!

Chen Ping was stunned for a moment. At this time, Gu Ling'er was only wearing underwear, holding Chen Ping like this, causing Chen Ping to burst with blood!

After all, Chen Ping is a normal man. In this case, if there is no reaction, it is simply impossible!

However, Chen Ping still suppressed his random thoughts and pulled a sheet over his body: "You'd better wrap yourself up first!"

When Chen Ping said this, Gu Ling'er reacted and hurriedly took the sheets and wrapped them up!

The wild wolf outside heard the sound of the broken window and hurriedly kicked the door open!

"Uncle Wolf, it's him, he is Chen Ping..."

Chapter: 763

Qin Feng pointed at Chen Ping and said with anger in his eyes.

Wild Wolf looked at Chen Ping with disdain in his eyes: "He's just a young boy, can he be your opponent?"

Ye Lang couldn't believe it. You should know that Qin Feng is also a strong leader among the younger generation in Kyoto. How could he not even be able to beat Chen Ping!

"Uncle Wolf, you can't underestimate him. This kid killed Jiang Zhengde with one move. I am no match for him!"

Qin Feng reminded the wild wolf!

"Hmph, then Jiang Zhengde has a false reputation. I can kill him with one slap. How dare he be a trainer like him!"

The wild wolf obviously also looked down upon Jiang Zhengde.

"Yes, yes, then how can Jiang Zhengde compete with Uncle Lang? Uncle Lang is a great master..."

Qin Feng felt that he had said the wrong thing and hurriedly changed his words!

Now Qin Feng's support is this wild wolf. He does not dare to offend the wild wolf. Even though he is the eldest young master of the Qin family, Qin Feng must be respectful to these great masters in the family!

"Boy, if you kneel down and apologize now, I might be able to make your death easier, or else I will make your life worse than death!"

As the wild wolf spoke, his aura suddenly rose, and the pressure instantly filled the entire room!

Qin Feng felt a tightness in his heart and it became difficult to breathe!

Feeling this pressure, Gu Ling'er turned pale, her eyes widened, her mouth widened, and she could hardly breathe!

Seeing this, Chen Ping gently held Gu Ling'er's hand with one hand, and a pure spiritual power entered Gu Ling'er's body. Gu Ling'er instantly felt a warm current passing through his body, and he felt much more comfortable!

The wild wolf put away his momentum and looked at Chen Ping coldly!

"Chen Ping, with Uncle Wolf here, you can't escape even if you have three heads and six arms. Now kneel down and apologize obediently."

Qin Feng said to Chen Ping with a proud look on his face!

When Gu Ling'er saw Qin Feng referring to herself as Chen Ping's woman, her face suddenly turned red and she glanced at Chen Ping secretly!

Chen Ping looked indifferent and smiled coldly: "If you have the ability, you can give it a try!"

As soon as he finished speaking, Chen Ping's figure disappeared immediately!

Everyone was stunned, and then Qin Feng felt a dangerous aura coming, and instinctively wanted to dodge, but it was too late!

I saw Chen Ping kicking Qin Feng in the lower body, and then there was a burst of shattering sounds!

Qin Feng's face turned red instantly and he clamped his legs tightly!

Chapter: 764

"ah....."

A scream that cut through the sky came from Qin Feng's mouth!

Seeing Qin Feng like that, the two masters of the Qin family unconsciously covered their fatal parts with their hands!

The wild wolf couldn't help but tremble all over, and didn't react for a moment!

By the time he reacted, Chen Ping had already returned to his original position!

"Qin Feng, Qin Feng....."

The wild wolf looked at Qin Feng and kept shouting!

Looking at Qin Feng's lower body, he was already bleeding profusely. He was completely useless. He didn't know if he could still become a man!

"Wolf...Uncle Wolf, kill...kill him..."

The severe pain made Qin Feng almost speechless!

"Okay, just wait, I will avenge you!"

The wild wolf turned around and glared at Chen Ping, but there was a hint of excitement in his heart!

Now that Qin Feng is deposed, after killing Chen Ping, Gu Linger will become his!

"Boy, take your life..."

The wild wolf punched Chen Ping, but he did not use all his strength, because in this small room, if he used all his strength, the whole house might collapse. He was not afraid, he was afraid that Gu Ling'er would follow. Disaster!

Facing the wild wolf's punch, Chen Ping looked indifferent, stretched out his hand and grabbed the wild wolf's fist!

At this time, Ye Lang's fist was only two punches away from Chen Ping, but it was this distance that prevented him from moving any further!

This sudden change stunned Qin Feng, who almost fainted from the pain. He knew that this wild wolf was a great master. How could Chen Ping catch this punch so lightly?

"You only have this little ability, but you still want my life?"

Chen Ping raised the corner of his mouth and his eyes were full of disdain!

The wild wolf's face turned cold, and he suddenly retracted his fist, his eyes cold and said: "Boy, if you think I only have this ability, you are wrong!"

"Uncle Wolf, what...what's going on?"

Qin Feng asked with a puzzled look on his face.

"I only used three-thirds of my strength. This is a small hotel. If I use all my strength, this hotel will probably collapse. What if I destroy the little beauty?"

Chapter: 765

The wild wolf glanced at Gu Ling'er obscenely and licked his lips, making Gu Ling'er tremble with anger!

Qin Feng breathed a sigh of relief. It turned out that this was the case. If even a great master couldn't do anything to Chen Ping, then Chen Ping would be too terrifying!

“Don’t say I won’t give you a chance, let’s go out and fight...”

After Chen Ping finished speaking, he picked up Gu Ling’er and jumped out of the window!

After landing gently, Chen Ping’s figure instantly disappeared into the darkness!

“Damn it, I want to run away...”

The wild wolf reacted, cursed angrily, and immediately chased after him!

“Uncle Wolf...” Qin Feng endured the severe pain and could only desperately follow behind. Every step he took brought heartbreaking pain, but Qin Feng couldn’t care about it. He couldn’t separate from the wild wolf. Otherwise, if Chen Ping had turned around, he wouldn’t have been able to defeat Chen Ping!

In Chen Ping’s arms, Gu Ling’er felt the whistling wind in her ears, closed her eyes tightly, put her hands around Chen Ping’s neck, and felt an unprecedented sense of security in her heart!

Chen Ping jumped up to an open space and quickly put Gu Ling’er down. If he hugged her for a while, Chen Ping was really afraid that he couldn’t help it. Gu Ling’er’s full pair kept hitting Chen Ping. How could Chen Ping, a normal man, stand it?

The wild wolf that was chasing after him saw Chen Ping stop and smiled coldly: “Boy, you really have the guts. I thought you were going to run away!”

“Escape? You are not dead yet, how could I escape!” Chen Ping raised the corner of his mouth and said indifferently!

“Okay, I haven’t met such a tough-talking person for a long time. I will definitely convince you today...”

The wild wolf was repeatedly provoked by Chen Ping, arousing his fighting spirit!

“Didn’t you just say that you only used three-thirds of your punch? Now it’s flat here. I’ll let you punch me again and try with all your strength. But I can tell you, you only have one punch. Chance, if you can’t knock me down with one punch, I’ll punch you as well!”

Chen Ping said with a faint smile!

“Hahaha, boy, do you know what you are talking about? Do you want me to punch you? Do you know how powerful my punch is?”

The wild wolf laughed, and then suddenly punched the ground.

Rumble.....

The ground trembled, and then a large pit nearly one meter in diameter and more than half a meter deep appeared!

The wild wolf looked at Chen Ping proudly. He believed that Chen Ping would be too scared to brag when he saw the power of his punch!

“It’s nothing more than that, I won’t move, you go ahead and attack!”

Chen Ping just glanced at it casually and said calmly!

The wild wolf was stunned for a moment, and then his face turned cold: “Boy, since you are looking for death, then I will help you!”

Chapter: 766

“Chen Ping, are you stupid? Why did you let him punch you? Do you want your life?”

Gu Ling’er looked at Chen Ping in shock and asked loudly.

“You don’t have to worry about it!” Chen Ping told Gu Ling’er to leave it alone!

The reason why Chen Ping did this was because he had absolute confidence. He just wanted to test his strength at the fifth level of foundation building and see how strong his body was!

“You...” Gu Ling’er stared at Chen Ping, but she didn’t know how to persuade him!

“Uncle Wolf, beat him to death, let him show off, then blow him up with one punch...”

At this time, Qin Feng arrived late, and blood flowed all the way, and his entire pants were soaked in blood!

Needless to say, Qin Feng said that the wild wolf would not hold back. The wild wolf roared loudly, and its huge fist was wrapped in a faint mist. This was a leak of energy. It seemed that the wild wolf really used all his strength!

“go to hell.....”

The wild wolf’s fist hit Chen Ping hard with a sound of breaking through the air!

boom.....

After a loud noise, dust flew all over the sky. Chen Ping’s body swayed slightly and he couldn’t help but take a step back!

The wild wolf only felt a huge counter-shock force coming, and then his whole arm went numb, and he took a dozen steps back before he stabilized his body!

“How is it possible? This is impossible...”

Ye Lang’s face was full of shock, he couldn’t believe what he saw, and Qin Feng was also dumbfounded. He didn’t believe that Ye Wolf didn’t use all his strength this time!

Chen Ping felt the faint pain in his abdomen and shook his head slightly. He seemed not very satisfied with his body!

“Now it’s my turn to punch!”

Chen Ping looked at the wild wolf and said slowly!

Wild Wolf’s eyes were startled, and he slowly took two steps back. He had already wanted to retreat. He had almost used all his strength in the punch just now, but it did not cause any harm to Chen Ping. This made Wild Wolf suddenly Backing off!

Qin Feng also saw Ye Lang’s intention and immediately said: “Uncle Wolf, you can’t leave me alone!”

Qin Feng is injured now and cannot escape. If the wild wolf doesn’t dare to him anymore, then he will be dead!

The wild wolf glared at Qin Feng fiercely. He originally wanted to run away secretly, but now Qin Feng said it and he was convinced!

“Qin Feng, don’t blame Uncle Lang. This kid is too strong. If he dares to kill you, I will definitely bring the Qin family back for revenge!”

Wild Wolf said to Qin Feng.

Chapter: 767

“No, Uncle Wolf, don’t leave me...”

Qin Feng hurriedly ran towards the wild wolf!

The wild wolf didn’t care anymore, turned around, jumped up, and ran away into the distance!

“Hmph, did I let you run away?”

Chen Ping raised the corner of his mouth and disappeared in an instant, only to see a figure chasing after him!

“ah.....”

After a while, a scream came, and then a black shadow fell from the sky, and then slammed into the ground!

Qin Feng looked and found that it was the wild wolf that smashed into the ground. At this time, the wild wolf was bleeding from all its orifices and was already dead!

Qin Feng was so frightened that he peed his pants. The blood mixed with urine made Qin Feng’s wound even more painful, but he did not dare to scream at all!

“Chen...Mr. Chen!” Qin Feng knelt down in front of Chen Ping and begged for mercy with a cold sweat: “Please let me go, please, I am willing to work for you...”

Qin Feng never thought that Chen Ping, a young man in his early twenties, would have such profound strength!

“Be a cow or a horse for me?” Chen Ping looked at Qin Feng with a stern face: “Are you worthy of this?”

Qin Feng looked embarrassed, but quickly looked at Gu Ling’er: “Ling’er, save me, please save me, for the sake of our love!”

“Shut up.....”

Gu Ling’er stepped forward angrily, and then slapped Qin Feng hard on the face!

“Ling’er, I was wrong, I was really wrong, please save me, I am not a human being, I am not a human being...”

Qin Feng slapped himself desperately!

Gu Ling’er looked at Qin Feng with eyes full of anger, and her whole body was trembling slightly!

“How about you do it yourself?” Chen Ping looked at Gu Ling’er and said.

“good!”

Gu Ling’er slapped Qin Feng on the head with one palm!

“Ling’er, don’t...”

Qin Feng wanted to say something else, but it was too late. Gu Ling’er slapped his head with a palm, which directly exploded Qin Feng’s head. After all, Gu Ling’er was also a warrior, so he still had this power!

Blood splattered all over Gu Ling’er. Seeing Gu Ling’er’s murderous look, Chen Ping couldn’t help but tremble. He didn’t expect that a woman can be very scary when she is ruthless!

Chapter: 768

“Am I scary?” Gu Ling’er looked at Chen Ping and asked strangely.

“It’s not scary...” Chen Ping quickly shook his head!

“Let’s go!” Gu Ling’er turned and left without even looking at Qin Feng’s body. She no longer had this person in her heart!

But just after Gu Ling'er took two steps, he suddenly stepped on the bed sheet, and then stumbled and almost didn't fall. Fortunately, Gu Ling'er was quite flexible and stood firm after a somersault!

But this time the sheets fell off, and Gu Ling'er was exposed in front of Chen Ping wearing only her underwear. The bright moonlight shone on Gu Ling'er's body, making Gu Ling'er's skin become fairer. Crystal clear!

That graceful figure was like a fairy descending from heaven. Chen Ping was stunned after just one glance!

Gu Ling'er also felt something strange, and suddenly looked towards Chen Ping, then her face turned red: "Close your eyes, you gangster..."

Gu Ling'er hurriedly wrapped the sheets around her body, not to mention how embarrassing it was!

Chen Ping also turned around quickly: "I didn't mean it. You pulled off the sheets yourself. It has nothing to do with me..."

"Still quibbling!" Gu Ling'er glared at Chen Ping: "I tell you, after you go back, you are not allowed to tell anyone!"

"Don't say, don't say..."

Chen Ping quickly shook his head!

After Chen Ping followed Gu Ling'er back, Su Yuqi had been worried and walked around the room anxiously waiting for news!

Seeing that Gu Ling'er and Chen Ping were back, and Gu Ling'er was still wrapped in sheets and looking embarrassed. After seeing Su Yuqi, Gu Ling'er ran directly back to her room to change clothes!

“Chen Ping, are you okay?”

Su Yuqi asked concernedly.

“It’s okay...” Chen Ping shook his head.

“What about Ling’er? Is Ling’er okay?”

Su Yuqi continued to ask.

“I don’t know either, you can ask yourself!” Chen Ping shrugged.

Su Yuqi could only go into the room to ask Gu Ling’er in person. As soon as she walked into the room, she saw Gu Ling’er had changed her clothes and was standing at the window looking out. There was the sound of running water in the bathroom!

When she heard someone coming in, Gu Ling’er didn’t look back. She knew that it was Su Yuqi who came in. At this time, Gu Ling’er was a little afraid of seeing Su Yuqi in her heart, because just when she was in Chen Ping’s arms, she had some feelings for Chen Ping. She was tempted. If Chen Ping wanted her at that time, she believed that she would not refuse!

This is the husband of my best friend, how could I have such an idea?

When Su Yuqi saw Gu Ling’er like that, she suddenly felt distressed. She thought that Gu Ling’er had been poisoned by Qin Feng, so she didn’t dare to see her anymore!

Chapter: 769

“Ling’er, it’s okay. Take a hot bath and sleep peacefully. Everything is over. There are a few girls in this society who are still complete. You don’t have to care too much. Even if you are incomplete now, with your With her good looks and strength, she can still find a good man.”

Su Yuqi comforted Gu Ling'er in a low voice: "What's the matter? I'm still here. Don't let your mind wander and don't do stupid things!"

"What are you talking about?" Gu Ling'er couldn't listen any more, turned back to Su Yuqi and said: "Then Qin Feng didn't do anything to me, he just took off my clothes, and before I had time, Chen Ping arrived... .."

"Oh, that's good!" When Su Yuqi heard this, she breathed a sigh of relief. If Gu Ling'er was fine, everything would be fine.

"Wait a minute..." Su Yuqi was stunned: "You said you were stripped naked, didn't Chen Ping see you naked?"

Gu Ling'er blushed. She didn't expect that she had said something wrong, so she hurriedly explained: "No, I was still wearing clothes at the time!"

"Oh!" Su Yuqi nodded and smiled: "If Chen Ping sees you all, I will let him take responsibility for you..."

"What nonsense are you talking about? I don't need him to be responsible!" Gu Ling'er said with a blushing face!

"Hahaha, I'm just teasing you. If the two of us serve him together, he won't be so beautiful..."

Su Yuqi laughed!

"Su Yuqi, you are playing tricks on me, see if I don't deal with you..."

Gu Ling'er rushed towards Su Yuqi!

Soon, the sounds of Gu Linger and Su Yuqi playing and laughing could be heard in the room!

Chen Ping in the living room, listening to the fighting in the room, was a little confused. Women are so fickle. After shaking his head, Chen Ping went back to the room to sleep!

The next day, Chen Ping relied on his own spiritual power to help Lin Tianhu break through to the master realm. This made Lin Tianhu grateful to Chen Ping and even more loyal!

Because he killed Qin Feng, Chen Ping was afraid of the Qin family's revenge, so he did not go to Xuanyue Valley, but stayed in the provincial capital for a few days. In these days, he has been guiding Lin Tianhu and Chi Feng to practice. The strength of the two people has improved by leaps and bounds!

Thousands of kilometers away in Kyoto, Qin Feng's body was lying in the lobby of the Qin family. Because his head was blown off, a fake head was made and displayed!

"Are you two convinced that Qin Feng and Ye Lang were killed by that Chen Ping? Isn't there anyone else who can help?"

Qin Feng's third uncle Qin Xiaotian asked the two Qin family masters.

These two people followed Qin Feng to Jiangbei. At that time, two of them were seriously injured by Bai Zhantang, and the remaining two were left in the hotel to take care of them!

Later, they saw that Qin Feng and Ye Lang didn't come back all night, so the two went out to search and found the bodies of Qin Feng and Ye Lang in an open space!

So the two people brought Qin Feng's body back!

"Third Master, we...we didn't see it with our own eyes, we weren't there at the time!"

One of the Qin family masters said.

Chapter: 770

“Although we didn’t see Chen Ping kill the eldest young master with our own eyes, when the eldest young master was kicked to pieces by Chen Ping, we were at the scene, and the wild wolf was also there, and we didn’t have time to stop him!”

Another Qin family master said with his body trembling.

Qin Xiaotian’s face was gloomy to the extreme. Now his eldest brother was in seclusion and left the family affairs to him, but when something like this happened, he couldn’t follow his eldest brother’s instructions!

“You two are useless. In that case, then go with my nephew!”

After Qin Xiaotian finished speaking, he waved his hands suddenly, and the two Qin family masters immediately flew out and fell heavily to the ground, lifeless!

When the Qin family’s housekeeper saw this, he immediately waved his hand and someone carried the two bodies out!

“Chen Ping, I will cut you into pieces to avenge my nephew...”

Qin Xiaotian shouted loudly, and the entire Qin family was filled with a bloodthirsty murderous aura!

“Third Master, we should discuss this matter in the long term. I don’t think a young boy would have such great ability or the courage to kill the eldest young master. I suspect that some of them are deliberately targeting our Qin family. You must know that Ye Wolf is as powerful as a grand master, how can a kid in his twenties kill him!”

The housekeeper walked to Qin Xiaotian and cautiously persuaded him.

“What do you mean?” Qin Xiaotian frowned and asked!

“Third Master, think about it. At that time, Bai Zhantang actually fought against the eldest young master for Chen Ping. Therefore, there must be something fishy about following Chen Ping in the Bai family, and the person who killed the eldest young master and Wild Wolf was not necessarily Then Chen Ping might be from the Bai family, you know, there are also many great masters from the Bai family!”

The butler analyzed!

“Bai family?” Qin Xiaotian narrowed his eyes slightly, and a cold light flashed in his eyes: “For so many years, we and the Bai family have always been on the same page. Even if the Bai family girl and Qin Feng regretted their marriage, my Qin family didn’t say anything. They think my Qin family is easy to bully!”

“Third Master, I think we should wait for the master to come out of confinement and bury the eldest master before taking a long-term view on this matter. If the Bai family is really involved, things will not be simple!”

The housekeeper continued to persuade Qin Xiaotian!

Qin Xiaotian nodded: “Well, if it is really related to the Bai family, even if we fight to the death, we must avenge Qin Feng!”

The capital of Jiangbei Province!

Chen Ping stayed for six or seven days in a row, but he didn’t see the Qin family coming to take revenge. This made him a little irritated. He couldn’t just wait passively. Chen Ping’s need for spiritual energy was increasing, so he had to find resources!

Originally, he planned to let Bai Zhantang take him around Xuanyue Valley, but now he was delayed because of Qin Feng’s affairs.

On this day, Chen Ping was instructing Lin Tianhu and Chi Feng to practice kung fu, and a guard ran in!

“Mr. Chen, Master Li of the Dharma Protector Pavilion wants to see you!”

The guard said to Chen Ping.

“Li Shouyi? What is he looking for me for?” Chen Ping was stunned. Since he refused Li Shouyi’s invitation to join the command of the Guardian Pavilion last time, Li Shouyi has not looked for him again!
