

The Order 7611

Chapter: 7611

Because although Chen Ping is from the Dragon Clan, he looks too ordinary and does not have the noble words of the Dragon Clan!

However, Chen Ping is indeed the ninth rank strength of the Tribulation Realm!

Chen Ping glanced at everyone in the hall, they were all monks in the Mahayana realm!

Among them, the highest level of General Naxing is the eighth rank of the Mahayana realm, and the others are only the fourth or fifth rank of the Mahayana realm!

However, the lowest ones have the third rank of the Mahayana realm, which shows that the strength of the guest ministers under General Xing is not weak!

“You are a Dragon Clan?” General Xing asked!

Chen Ping nodded: “Good!”

“I wonder if you can spread some of your dragon breath for us to explore?”

General Xing continued to ask!

Chen Ping did not speak, but emanated a divine dragon power, accompanied by the explosion of divine dragon power, a sound of dragon roars was faintly heard in the hall!

Chen Ping only restrained the explosion of a little bit of the divine dragon's power, but did not burst out all of it, let alone induce the golden dragon behind him to appear!

No matter when, hidden strength is the most important thing!

Chen Ping didn't know who General Xing was, and how could he possibly expose all his strength in front of him!

"Sure enough, it's the Dragon Clan!" Feeling the power of the divine dragon, General Xing nodded!

The other guests could also feel the Dragon Clan aura in Chen Ping's body, so it was certain that Chen Ping was the Dragon Clan!

After all, everyone sitting here is from the Beast Clan, and the Dragon Clan is the most noble among the Beast Clan, so everyone's attitude towards Chen Ping suddenly changed!

However, Chen Ping, a ninth-rank monk of the Tribulation Realm, was able to defeat the fourth-rank of the Mahayana Realm in Baicheng, and everyone was still skeptical!

Even the Dragon Clan cannot have this kind of ability, so many people can surpass them all at once!

"I heard that you can defeat the fourth rank of the Mahayana realm by crossing the realm of the ninth rank of the Tribulation Realm?"

General Xing asked!

"At that time, Daoyou Bai just gave in!"

Chen Ping said humbly!

“Let me tell you, how could he defeat the fourth rank of the Great Vehicle Realm with a ninth-grade Crossing Tribulation Realm? It should be Baicheng who saw that the other party was a real Dragon Clan and immediately gave up, so he was defeated.”

A fourth-grade guest in the Mahayana realm said!

Chapter: 7612

“Absolutely not. Mr. Chen is humbled. Even if I use all my strength, I am not Mr. Chen’s opponent.”

“If you don’t believe it, you can pass the trick with Mr. Chen. You are also the fourth-grade realm of Mahayana realm. You will know after comparing!”

Bai Cheng hurriedly explained, for fear that others would think he was lying!

When the guest minister heard this, he instantly became interested: “Okay, then let’s go over the move. I want to see how powerful it can be!”

“I’m not that great, but to hit you, one hand will do!”

Chen Ping knew that if he didn’t show any strength today, these people would definitely make things difficult for him everywhere!

After all, in this society where the weak eat the strong, only one’s own strength is strong enough to make the other person fear and respect!

However, Chen Ping knew that it was indeed difficult for him to easily win the fourth rank of the Mahayana Realm with the power of the Divine Dragon alone!

After all, Chen Ping couldn't use many powers now, all he could use was the breath and power of the beast clan!

There were also some weapons that could not be taken out casually, which made Chen Ping have no confidence and worshiped the fourth-rank guest of the Great Vehicle Realm in one blow!

If it was a long-day struggle to defeat that guest, there would be no shocking power!

And during the fight, perhaps exposed other auras, it would be difficult to explain!

"Senior, can you do me a favor and defeat this provocative guy?"

Chen Ping started asking the Red Cloud Demon Lord for help!

"It's just a fourth-grade monk in the Mahayana Realm. Could it be that you can't beat him?" Demon Lord Red Cloud asked in surprise!

Chen Ping expressed his concerns, and after hearing this, Demon Lord Chiyun nodded and said, "Okay, I'll help you, but I can't possess you, because I'm not a beast, attached to your body, It's easy to spot."

"Then how can you help me?" Chen Ping was stunned!

"Don't worry. If I say I can help you, I'm sure I can. Just move!"

The Red Cloud Demon Lord said!

Upon hearing this, Chen Ping could only nod, and against the fourth-grade monks of the Mahayana Realm, Chen Ping did not have the slightest pressure!

At this time, the fourth-grade guest of the Great Vehicle Realm stood up with a provocative face, his body aura instantly exploded, and powerful spiritual power waves rippled in the hall.

He looked at Chen Ping and said angrily: "Boy, today I will let you know that the gap in realm is not so easy to cross."

Chen Ping, however, looked indifferent, narrowed his eyes slightly, and said calmly, "Please advise."

Gu Qing said nothing, his body flashed, and instantly rushed towards Chen Ping, his hand condensed a group of powerful spiritual power, fiercely smashed towards Chen Ping.

Chapter: 7613

Everyone watched this scene nervously. They all believed that Chen Ping would definitely be in trouble under this blow.

However, Chen Ping did not panic, and when Guest Qing's attack was imminent, he gently turned aside and cleverly avoided the fierce blow.

Guest Qing was slightly startled in his heart with one blow, but quickly adjusted his state and launched another attack.

His hands danced, and one after another spiritual powers entangled towards Chen Ping like a spiritual snake.

The corners of Chen Ping's mouth rose slightly, only to see him wave his hand lightly, and an intangible force instantly dispersed those spiritual powers.

Gu Qing's face turned a little ugly when he saw this, he didn't expect that Chen Ping would deflect his attack so easily.

He gritted his teeth and decided to use his strongest move.

Gu Qing shouted loudly, his whole body spiritual power surged wildly, and a huge ferocious beast phantom appeared behind him.

The phantom of the ferocious beast exuded a powerful coercion, which made people tremble with fear.

Guqing's hands pushed forward, and the ferocious beast's phantom roared towards Chen Ping.

When everyone saw this scene, they couldn't help but sweat for Chen Ping.

But Chen Ping remained calm and composed, he slowly raised his right hand, a golden light condensed in his palm.

With a gentle push from him, the golden light instantly turned into a giant golden dragon and rushed towards the beast's phantom.

The golden dragon collided with the beast's phantom, making a loud noise, and the powerful energy fluctuations made the entire hall tremble slightly.

Everyone's eyes widened as they watched the duel nervously.

Seeing that the golden dragon's momentum was surging, it instantly dispersed the beast's shadow.

The fourth-rank guest of the Great Vehicle Realm was shaken back by the powerful anti-shock force, his face pale.

Chen Ping, on the other hand, stood steadily in place, as if nothing had happened.

The entire hall was silent, and everyone was shocked by Chen Ping's strength.

General Xing also widened his eyes and looked at Chen Ping incredulously.

He originally had doubts about Chen Ping's strength, but now he saw with his own eyes that Chen Ping easily defeated the fourth-rank guest of the Mahayana Realm, and he couldn't help but look at Chen Ping with admiration.

The other guests were so shocked that they couldn't speak. They never expected that a monk of the ninth level of the Tribulation Realm could defeat a strong man of the fourth level of the Mahayana Realm so easily.

Chen Ping looked at the shocked expressions of everyone, smiled slightly, and said, "I gave in."

Everyone came back to their senses, their hearts filled with awe for Chen Ping.

Chapter: 7614

They knew that the strength of this seemingly ordinary dragon boy could not be underestimated.

Gen.

"Quick please sit down, please sit down..."

General Xing's attitude towards Chen Ping changed greatly, even those other guests and ministers showed respect in their eyes towards Chen Ping at this moment!

The fourth-grade monk of the Mahayana Realm who followed Chen Ping, was ashamed at this moment, walked up to Chen Ping and said, "It was just reckless. Please don't blame fellow Taoist Chen!"

"It's nothing!" Chen Ping waved his hand casually!

"Fellow Daoist Chen, I wonder if you have any relatives and friends? Where have you always lived?"

General Xing asked!

He wanted to know if Chen Ping was still in the clan, and if he could recruit a group of Dragon Clan guest ministers, then his strength would certainly increase greatly compared to the other two generals!

"I have no fixed abode, I'm just a casual cultivator!"

Chen Ping said!

It was impossible for Chen Ping to tell General Xing his true identity. It would be troublesome if General Xing knew that he came in from outside the Beast City!

"Oh, it turns out that Daoyou Chen is a casual cultivator. However, being able to cultivate to the ninth rank of the Tribulation Realm with the power of a casual cultivator is considered gifted."

"I wonder what Chen Daoyou's plans are in the future? Is there any place to go?"

General Xing asked!

“Where are I going? I’m still guilty and I’m going to jail!”

Chen Ping said with a bitter smile!

“In jail?” General

General Xing didn’t know that Chen Ping secretly ran out on his own, so he thought Bai Cheng had brought him out with an amnesty order!

“General, this is what happened...”

Seeing this, Bai Cheng hurriedly followed General Xing and explained the matter in detail!

When they heard that Chen Ping ran out of the prison on his own, everyone was shocked!

To know that there are two formations in the great prison, there are formations in the cell, and there are formations around the entire prison, how could Chen Ping pass through the two formations silently and come out easily?

You know, for thousands of years, no prisoner has been able to escape privately!

Chapter: 7615

“Isn’t you still the master of the formation?”

General Xing looked at Chen Ping and asked with a surprised look on his face!

“The formation master is not considered, he only knows a little bit about the formation techniques. The formations in that big prison are simply pediatrics and can’t stop me.”

Chen Ping smiled slightly!

After hearing Chen Ping’s words, everyone frowned slightly!

You must know that there are pitifully few formation masters in the entire Heaven and Human Realm. When this area of Beast City was sealed up by formations, there were not many formation masters in the entire Beast City area!

The formations around the Beast City Grand Prison were still laid out by the City Lord’s Mansion spending a lot of money to find a formation master in the entire Beast City area more than a thousand years ago!

Now Chen Ping actually said that the formation around the prison was pedantic. This was a bit too crazy!

Although Chen Ping is a dragon clan and can defeat the fourth rank monk of the Mahayana realm with the realm of the ninth rank of the Tribulation Realm, it does not mean that Chen Ping is omnipotent.

Whether it is formation spells or elixir refining techniques, they are all very difficult techniques, much more difficult than just upgrading cultivation!

Moreover, formation spells or alchemy are very time-consuming, so many monks are not willing to practice and hope to spend their time on breaking through the realm!

“Fellow Daoist Chen, there are formations to protect my general’s mansion. I wonder if you can see where my formations are and break the surrounding formations?”

General Xing asked Chen Ping.

“What’s so difficult about this...” Chen Ping smiled lightly, and then waved his palm lightly!

I saw a white light flashing around the entire general’s mansion, which was particularly bright in the dark night!

However, this white light only flashed by, and then disappeared!

“Okay, the formation around the General’s Mansion is broken. This formation cannot provide any protection at all. If someone attacks the General’s Mansion, this formation will be defeated instantly.”

Chen Ping said very casually!

“Is this broken?” General Xing couldn’t believe it!

Then he muttered something in his mouth, and then shot out a light from his palm, trying to activate the formation!

But after trying several times in a row, there was no response at all!

Needless to say, it goes without saying that the formation was really broken by Chen Ping!

“this.....”

General Xing’s eyes widened with disbelief on his face. He didn’t understand how the formation set up by the formation master he paid a lot of money was broken by Chen Ping with just a wave of his hand!

Chapter: 7616

This time, they couldn't help but not believe it!

"I really didn't expect that Fellow Daoist Chen is still a formation master. I'm disrespectful..."

"Although Fellow Daoist Chen is not at a high level, he is the most powerful formation master I have ever seen."

"Daoyou Chen is really young and promising, and his future is limitless..."

All the guests flattered Chen Ping one after another!

They all know that pleasing an array master is of great benefit to them!

"Fellow Daoist Chen, you are amazing, you are indeed amazing, but..."

General Xing looked embarrassed at this moment!

He just said it casually, but he didn't expect Chen Ping to actually break the formation of the General's Mansion!

"General Xing, since I can break the formation, of course I can also set up a formation. I will set up a large formation to protect the general's mansion to ensure that even the ninth-level Mahayana monks cannot break it."

After Chen Ping finished speaking, he pinched his fingers and drew formation patterns in the void!

As the formation patterns flickered with light, the general's mansion was surrounded by a golden light, and soon the formation was formed!

Chen Ping showed off his skills and once again shocked everyone!

"Fellow Daoist Chen, I would like to ask you to be a guest under my account, and all your money and resources will be treated according to the highest standards."

"As for your imprisonment, I can ask Baicheng to go with the amnesty order tomorrow."

"Although that prison is not under my jurisdiction, I still have the final say when it comes to releasing someone!"

General Xing looked at Chen Ping expectantly and said!

He really wanted Chen Ping to be his guest. Talents like Chen Ping are rare to come by!

In particular, Chen Ping is also a master of formations. This is simply a blessing sent from heaven. General Xing does not want to give up!

"Since General Xing attaches great importance to him, then I would rather obey his orders..."

Chen Ping cupped his hands and said!

Chen Ping knew that if he wanted to obtain the fairy spirit stone veins, he must rely on a force in Beast City!

After all, Chen Ping is not familiar with Beast City, let alone the overall strength of the monks in Beast City!

If the fairy spirit stone vein is real, there is no way to defend it with my own strength!

Now what Chen Ping has to do is cooperate. If he agrees to General Xing now, it is equivalent to cooperating with General Xing!

“Hahahaha, that’s great. Fellow Daoist Chen is willing to join me. I’m so lucky!”

General Xing laughed loudly: “You don’t have to go back to the prison tonight. I will arrange the best guest room for you.”

“General Xing, don’t bother. I’m not going back to the prison, but I still have friends at the inn, so I need to go see them!”

Chen Ping followed General Xing and said!

“Okay, Fellow Daoist Chen can come to my place at any time. It’s getting late now and the Beast City has a curfew. The monks are not allowed to walk on the streets.”

“However, Fellow Daoist Chen is now our guest minister in the General’s Mansion, so he is no longer restricted by this rule.”

“This is the token of my General’s Mansion. Fellow Daoist Chen can use the token to pass without any obstruction!”

General Xing took out a token and handed it to Chen Ping!

Chen Ping took the token and saw the character Xing engraved on it. This should be to distinguish which general the token belonged to!

“Thank you, General Xing!” Chen Ping cupped his hands and thanked him!

After leaving the General’s Mansion, Chen Ping went straight to the inn!

Chapter: 7617

The streets of Beast City were silent under the cover of night, and the surrounding houses had already closed their doors, as if they were afraid of the unknown in this silence.

From time to time, a few patrolling guards quietly walked by, and their footsteps were particularly clear in the quiet atmosphere.

The beast city at this moment is eerily quiet, like a sleeping beast that will wake up at some point and show its frightening power.

However, on this quiet street, several figures suddenly appeared. These people were obviously drunk, swaying and talking loudly as they walked, breaking the tranquility of the night.

“Mr. Qiu, the girl today is awesome, and her strength is not low. Only Mr. Qiu is qualified to play with this kind of girl.”

“That’s right. It doesn’t matter who Brother Yu is. Not to mention playing with one chick, it’s no problem playing with ten.”

“I remember that Brother Yu played with a girl from the Mahayana realm some time ago, and he almost died from being played by Brother Yu!”

These people are all Qiu Yu’s friends, and they have just had drinks.

It is precisely because of Qiu Yu’s identity that these few friends can walk around and make noise at will in this silent street!

At this moment, Qiu Yu was so flattered by the adulation of several friends, he licked his lips and said: “A girl in the Mahayana realm is nothing. When I have time, I will show you a girl in the fairyland!”

Qiu Yu’s words immediately frightened several of his friends, who looked around with their necks curled up!

Are you kidding me?

Transform into a fairyland?

Is this kind of awesomeness also a boast?

Fortunately, there are no female cultivators in the Immortal Realm in this beast city. If they were heard and breathed on, they would all be dead!

“Who dares to make noise in the streets?”

At this time, three patrolling guards discovered Qiu Yu and others and immediately surrounded them!

But when they saw it was Qiu Yu, the three guards were shocked!

“Damn it, you are blind, can’t you see who I am?”

Qiu Yu suddenly became angry and cursed with wide eyes!

“Master Qiu, I’m sorry, I didn’t know it was you!”

The three guards apologized hurriedly!

Who would let my father be one of the three great beast generals in Beast City? With this status, there is no need to follow any rules at all!

The rules are customized by others, so there is no need to abide by them!

Chapter: 7618

“Go away, and brighten your eyes from now on!” Qiu Yu saw that the attitude of the three guards was okay, which made him look good, so he waved his hand to let the three guards leave!

A proud smile appeared on his face, as if he was enjoying the pleasure brought by this power.

But just as the three guards were about to leave, Qiu Yu noticed a figure walking across from them!

When he got closer, Qiu Yu realized that the person who came was actually Chen Ping, who had beaten him up in the hotel!

Seeing Chen Ping suddenly appear on the street, Qiu Yu was a little confused!

Shouldn't this guy be in jail?

At this time, Chen Ping also discovered Qiu Yu and the others, and was slightly startled, but he was not afraid!

He has General Xing's token in his hand, so walking on the street is no problem!

"What a boy, you escaped from jail and were walking on the street in flagrant violation of curfew."

"Why are you still standing there, why don't you arrest him!"

Qiu Yu yelled at the three guards!

Upon seeing this, the three guards hurried forward and surrounded Chen Ping!

One of the guards said coldly: "You violated the curfew, just follow us and don't let us use force!"

When Qiu Yu saw this, he folded his arms and looked at it with a sneer!

Chen Ping didn't pay attention to the guard, but directly took out General Xing's token!

When the guard saw General Xing's token, he was stunned and then moved out of the way: "Sorry..."

The person who can get General Xing's token must be a high-ranking guest of the General's Mansion. Ordinary guards like them cannot afford to offend him!

Qiu Yu was a little confused when he saw the three guards suddenly stepping aside and respectfully apologizing to Chen Ping!

"What are you doing? Why don't you arrest him?"

Qiu Yu yelled.

His voice echoed in the silent streets, sounding particularly harsh.

"Mr. Qiu, I'm really sorry. He has General Xing's token and he is General Xing's guest. Therefore, he did not violate the curfew. We have no right to arrest him."

A guard followed Qiu Yu and said!

When Qiu Yu heard this, he was stunned and looked at Chen Ping in disbelief!

Chapter: 7619

Chen Ping, on the other hand, walked past Qiu Yu with the token in hand, with a bit of provocation in his eyes.

“Damn it, no wonder this kid was able to get out of the prison. It must be the fault of Xing. He is openly working against our Qiu family.”

“I want to tell my father about this, and I can’t let it go like this!”

Qiu Yu left angrily!

.....

In the inn!

Yaomei followed her brother who had been released, and the two of them were quarreling!

Yaomei’s face was red with anger and she was about to cry!

“Brother, you have been released. What are you waiting for Chen Ping to do? We should have left this place long ago.”

“It’s getting dark now, and we can’t leave the city. If you get arrested, I won’t care about you anymore!”

Yaomei yelled with anger on her face!

Originally, after Yaomei’s brother was released, he came to the inn to look for Yaomei. Seeing her brother, Yaomei was very happy and wanted to take her brother to leave Beast City and go home!

But Yaomei’s brother insisted on waiting for Chen Ping and had no intention of leaving!

“Sister, this is a once-in-a-lifetime opportunity, don’t be stupid.”

“If we get involved with Chen Ping, we won’t have to worry about it for the rest of our lives.”

“I don’t care whether you have feelings for him or not, you have to find a way to take him down.”

“When you two sleep together, then let’s cook the rice and you won’t have to worry about it anymore!”

Yaomei’s brother persuaded Yaomei!

His eyes were full of anticipation and excitement, and he was obviously full of confidence in Chen Ping.

Brother Yaomei has learned some things about Chen Ping during this period, and also learned about the fairy spirit stone veins, so he made up his mind to follow Chen Ping!

If the mineral vein is real, then if they follow Chen Ping, they will not have to worry about resources for the rest of their lives.

However, he also knew that relying on the strength of the two brothers and sisters, they were not qualified to follow Chen Ping, and others would not look down on them. After all, they were just a burden to follow Chen Ping and could not be of much help!

So Brother Yaomei tried his best to let his sister sleep with Chen Ping. As long as she slept with Chen Ping, she would be Chen Ping’s woman!

No matter how strong they are, Chen Ping can’t get rid of them anyway!

Chapter: 7620

Then Chen Ping, the brother-in-law, will be established!

“Brother, what are you talking about? Are you planning to sell me? So what medicine did Chen Ping give you to make you push me into his arms as hard as you can?”

“I remember at the beginning, when you met Chen Ping, you told him not to have any ideas about me, and that I should be on guard against him.”

Yaomei didn't understand what her brother had been through these past few days, and why he suddenly changed his attitude!

“Oh, don't worry about it. Just listen to me anyway.”

It's hard for Yaomei and brother to explain!

After all, the fewer people who know about the fairy spirit stone veins, the better. If word gets out, it might be life-threatening!

“I won't listen. Anyway, I will leave at dawn tomorrow. Do you want to leave or not? If you are arrested, I will never care about you again!”

Yaomei lay down on the bed angrily and ignored her brother!

Brother Yaomei sighed and could only sit aside. This sister is too stubborn. I have to find a way to make her figure it out!

At this moment, the door was suddenly pushed open!

Both brothers and sisters were shocked. After all, who would suddenly come to this room so late at night?

Just when the brother and sister were getting ready, looking alert, they discovered that it was Chen Ping who walked in!

“You two siblings haven’t left yet?”

Chen Ping said a little surprised!

Chen Ping accidentally released Yaomei’s brother, and Yaomei would leave with her brother!

After all, Yaomei entered the Beast City to save her brother. Now that her brother has come out, of course she can leave.

“Brother-in-law, you...why are you out? There is a curfew at night, how can you still walk on the street?”

Brother Yaomei asked with a shocked face!

“Answer me first, why haven’t you left yet?” Chen Ping asked!

“I wasn’t worried about you, so I didn’t leave. I’m waiting for news from you.”

“And my sister can’t sleep because she misses you. If she leaves and never sees you again, my sister will get lovesick!”

Brother Yaomei said quickly!

“Brother, what are you talking about? Shut your mouth!”
