

The Order 7621

Chapter: 7621

Yaomei became anxious and yelled at her brother!

Yaomei knew that Chen Ping was not interested in her at all, and Chen Ping also had that beautiful girl Zhongli beside her, who was prettier than her and had a better figure!

The most important thing is that the two of them had an affair in front of him, how could Yaomei still miss Chen Ping!

Chen Ping looked at Brother Yaomei and knew that this guy was talking nonsense. The reason why he didn't leave was probably because he wanted to follow him and see about the fairy spirit stone vein to see if he could get a piece of the pie!

However, Chen Ping did not point it out, but smiled slightly and said: "Since you miss me so much, then just take a nap. I happen to be sleepy too!"

"Who is sleeping with you!"

Yaomei rolled her eyes at Chen Ping and was about to walk out of the room, but was stopped by her brother!

"Sister, where are you going? You're going to sleep here at night. You're not allowed to go anywhere!"

After Yaomei's brother stopped Yaomei, he immediately looked at Chen Ping with a smile on his face:
"Brother-in-law, I will guard the door for you. Don't worry, I won't hear anything!"

After saying that, Yaomei's brother came close to Chen Ping's ear and said: "Brother-in-law, my sister is stubborn, so you have to be strong. Women are like this. They struggle hard at the beginning, but they will become honest when you get it!"

Chen Ping looked at Brother Yaomei in shock. He could now conclude that this guy was definitely a big pervert, and he was definitely not unjustly imprisoned!

“elder brother.....”

Although Yaomei’s brother’s words were very low, Yaomei really heard it!

At this moment, Yaomei was so angry that she almost attacked her brother!

When Yaomei’s brother saw this, he ran out quickly and closed the door!

Yaomei looked at Chen Ping and said coldly: “I am very grateful to you for helping me rescue my brother, but if you use force on me, I will rather die than surrender.”

“Don’t worry, I’m not that kind of person!”

After Chen Ping finished speaking, he lay directly on the bed!

Yaomei looked at Chen Ping lying on the bed and felt mixed for a moment!

In fact, she just said that. If Chen Ping really used force on her, Yaomei would not resist!

Deep down in her heart, she hoped that Chen Ping would do something to her!

But who knew that Chen Ping didn’t understand at all and went to bed directly, which made Yaomei very embarrassed!

Just when Yaomei was struggling in her heart, Chen Ping had already called out Zhongli and started making out with him!

Yaomei could only stare blankly, with mixed emotions in her heart!

And Yaomei's brother who was outside the door was filled with ecstasy when he heard what was going on in the room!

"My sister has the skills. It seems that this rich man is on her side. I won't have to worry about it anymore!"

Yaomei's brother is nestling outside the door, already fantasizing about it!

Chapter: 7622

Early the next morning!

When Yaomei came out of the room, she saw her brother lying sleeping at the door!

This guy really stayed outside the door all night!

"Sister, wake up, last night..."

When Yaomei's brother saw Yaomei coming out, he quickly got up and asked what he wanted to say!

But before he finished speaking, Yaomei glared at him, then turned and left!

Chen Ping also stretched and walked out of the room!

“Brother-in-law, you are really fierce. I heard it all last night. My sister looks cold on the surface, but she is so passionate!”

“It was very lively last night. Now you can’t deny it and say you’re not my brother-in-law!”

Brother Yaomei saw Chen Ping and said with a smile!

Being able to establish a relationship with Chen Ping, now I can sit back and relax!

“Brother, what are you talking about? Just shut your mouth.”

“Let’s leave and never come to Beast City again!”

Yaomei was so shy after listening to her brother’s words, and then she shouted!

“Go? Where to go? You are now Chen Ping’s, you can only follow him!”

Brother Yaomei said!

“Whether you want to leave or not, you can follow him yourself!”

After Yaomei finished speaking, she walked out of the inn angrily!

Yaomei's brother was a little speechless. He didn't understand why his sister still had such an attitude when everything was already cooked.

"Aren't you going to chase me?" Chen Ping said to Yaomei's brother!

"this....."

Brother Yaomei looked at Chen Ping and didn't know what to do!

After all, he had just hugged Chen Ping's lap, and he would be a little unwilling to give up like this!

But he couldn't watch his sister run out of the city and lose sight of her!

Chapter: 7623

Suddenly, Yaomei's brother became embarrassed!

"What are you waiting for? You haven't chased me yet..."

When Chen Ping saw Yaomei's brother like that, he was speechless for a while!

After saying that, Chen Ping went to chase Yaomei. When Yaomei's brother saw this, he also chased after her!

He is planning to settle with Chen Ping now!

The three people went straight to the city gate, planning to leave the city!

Yaomei left the city to go home, while Chen Ping left the city to find Xiong Kuo's sister and ask about the fairy spirit stone veins!

But just as Chen Ping and the others were preparing to leave the city, a pair of eyes was staring at them!

"Mr. Qiu, that guy named Chen Ping may be leaving the city and trying to escape."

In a unique small building, a subordinate was following Qiu Yu to report!

"This guy really wanted to escape from the city, but I didn't expect that he actually escaped from the prison secretly."

"Go immediately and inform Captain Zhou, that idiot, that someone in his cell has escaped, and he doesn't even know it yet!"

Qiu Yu said with a gloomy look!

Last night, when he encountered Chen Ping holding General Xing's token, Qiu Yu thought Chen Ping was released by General Xing!

However, after his inquiring, he found that no one released Chen Ping, which meant that Chen Ping ran out secretly.

No matter what method Chen Ping used to escape, such an act of escaping from prison is a capital crime!

Qiu Yu expected that Chen Ping would sneak out of the city, so he sent people to guard the city gate!

Sure enough, he saw that Chen Ping was leaving the city, so he immediately ordered someone to tell Captain Zhou in the prison!

After all, someone escaped from the prison he was guarding, and Captain Zhou must also bear the responsibility!

The reason why Qiu Yu kept staring at Chen Ping was because Chen Ping beat him up. In recent days, it has been fermented throughout the Beast City and everyone knows it!

Originally, as the young master of the Qiu family, he had unlimited fame and was admired by everyone everywhere, but now he has become the talk and joke of everyone!

Especially being beaten by a young monk in the Tribulation Realm, it was really embarrassing!

It wouldn't matter if Chen Ping was in the prison and was tortured to death. However, within two days, Chen Ping ran out of the prison!

Moreover, he also had General Xing's token in his hand. This was a great shame and humiliation for Qiu Yu!

Chapter: 7624

After Qiu Yu ordered someone to notify Captain Zhou, he personally led the people straight to the city gate!

"Sir, it's not good for you to start a war like this. After all, Chen Ping has General Xing's token in his hand, and he is General Xing's guest."

“If you want to deal with him, I think it’s better to inform the master...”

At this time, someone reminded Qiu Yu!

“Hmph, as long as Chen Ping dares to leave the city, we will intercept him outside the city and dump his body in the wilderness. What can General Xing do to me?”

“If he dares to deal with me, my father will not let him go, don’t worry...”

After Qiu Yu finished speaking, he led the people away!

Qiu Yu’s body was constantly radiating violent anger. Although other monks did not dare to explode randomly in the beast city, Qiu Yu dared!

What is his identity?

He is the young master of the Qiu family, and his father is one of the three great beast generals!

When there is no city lord, his father is the biggest leader in the entire Beast City!

Even if Qiu Yu bursts out, who would dare to care?

Chen Ping on the other side was chasing Yaomei out of the city!

The guards at the city gate did not stop them. They would check when entering the city, but no one would care when leaving the city!

Yaomei's brother was also chasing after him, and kept nagging: "You girl, you are not obedient at all. As the saying goes, when you marry a chicken, you will follow the chicken, if you marry a dog, you will follow the dog. You fell asleep with Chen Ping, and you belong to him." You're a human being, why are you so stubborn?"

"It's great to follow me obediently, and I won't treat you badly. Besides, I was able to get out of prison, thanks to Chen Ping."

"If you don't say that you will serve me well and then give birth to a fat boy to be your husband and godson, and you still want to run away, let's see where you can run!"

Yaomei's brother just nagged her and made Yaomei run faster!

Chen Ping glanced at Yaomei's brother helplessly and said, "Shut your mouth. I haven't touched your sister at all. Stop talking nonsense."

"Brother-in-law, don't lie to me. I heard it all last night, and my sister screamed so happily. How can it be false?"

"Brother-in-law, don't worry, I will definitely explain this stubborn girl to you..."

Yaomei's brother thought Chen Ping was lying to him. After saying that, he sped up and chased Yaomei!

Chen Ping watched the two brothers and sisters walking away without intending to chase them, so he headed towards the south of the city. Xiong Kuo said that there was a big tree a hundred miles south of the city, and his sister Xiong Ying was there!

Chen Ping had to find Xiong Ying first before he could determine whether the fairy spirit stone vein was real!

Chapter: 7625

But as soon as Chen Ping turned around, he immediately noticed that several breaths were coming towards him!

Chen Ping frowned slightly. He knew that the person following him must be that Qiu Yu. After all, he only followed this guy in Beast City to have a grudge!

Regardless of whether it was Qiu Yu or not, Chen Ping decided to wait for the other party. If they were allowed to follow him, the matter of the fairy spirit stone veins might be exposed!

He must first get rid of the people who are following him, so that Chen Ping can safely search for the fairy spirit stone veins!

“You kid, why don’t you run away?”

At this time, Qiu Yu’s voice sounded, and then several figures appeared in front of Chen Ping!

The leader was none other than Qiu Yu, who was looking at Chen Ping with a sinister smile on his face!

While Qiu Yu was talking, the few monks he brought with him all stood up quietly and surrounded Chen Ping to prevent Chen Ping from escaping!

These monks are all in the third level of the Tribulation Realm, and it seems at first glance that they are coming with bad intentions!

“What do you want?” Chen Ping looked at Qiu Yu and asked!

“What do you think I want? Of course I want revenge. Do you think you just hit me and let it go?”

“And you escaped from prison privately. This is a capital crime. It won’t take long before Captain Zhou will bring people to arrest you and put you back in prison. Then your life will be worse than death!”

Qiu Yu said with a sneer!

“I have General Xing’s token in my hand. I am already General Xing’s guest. If you still dare to touch me, aren’t you afraid of General Xing’s blame?”

Chen Ping asked coldly!

“Hahaha, I’m afraid of a bird. That guy named Xing is a fool. Even if I kill you, what can he do to me?”

“If he dares to touch me, my father will kill him directly...”

Qiu Yu laughed, not afraid of General Xing at all!

Chen Pingjian couldn’t threaten Qiu Yu with General Xing. It seemed that General Xing’s strength and status among the three beast generals were not the highest!

“Do you think just a few of you can take revenge on me?”

Chen Ping glanced at the people Qiu Yu brought and smiled disdainfully.

Chen Ping didn’t pay attention to several third-level Mahayana monks at all.

“Stop talking nonsense. If I hadn’t been careless, I wouldn’t have been beaten by you. Today I will make you docile and throw you into prison!”

Qiu Yu said with an angry look!

Chapter: 7626

As soon as Qiu Yu finished speaking, he took the lead to take action. There was a flash of light in his hand, and a sword exuding a cold air appeared in his hand. The runes on the sword flashed, containing powerful power.

His figure was like lightning, and he rushed towards Chen Ping in an instant. The sword in his hand pulled out sword flowers and stabbed towards Chen Ping’s vitals.

Chen Ping was unhurried. With a slight mistake in his steps and a strange flash of his body, he easily dodged Qiu Yu’s attack.

Qiu Yu missed the blow and was furious. He swung the sword in his hand again, and streams of sword energy shot out from the sword, like sharp blades, sweeping towards Chen Ping.

Chen Ping sneered, quickly formed seals with his hands, and muttered words. A transparent shield appeared in front of him. The sword energy hit the shield and instantly turned into little rays of light and dissipated.

“With this little ability, you dare to come to me for revenge?” Chen Ping mocked.

When several monks behind Qiu Yu saw this, they looked at each other and displayed their own unique skills.

One of the monks waved his hands, and dark clouds suddenly filled the sky. Thunder and lightning struck down from the dark clouds and blasted towards Chen Ping.

Another monk spit out a mouthful of flame, and the flame instantly turned into a huge fire snake, which rushed towards Chen Ping with its bloody mouth open.

There was also a huge ax in the hands of a monk. The light on the ax was shining. He swung it hard, and a huge ax light was slashed towards Chen Ping.

Chen Pingping remained calm and composed despite everyone's attacks.

He formed a seal with his hands again and shouted: "Break!" The shield in front of him was radiating brightly, and those thunderbolts, fire snakes and ax rays hit the shield, and there was a roar, but there was no way Breaking through Chen Ping's shield.

"Is that all you have?" Chen Ping said disdainfully.

Seeing this, Qiu Yu felt even more angry. He raised the sword in his hand again and shouted: "Ice Soul Sword Rain!" He waved the sword in his hand towards the sky, and the dark clouds in the sky suddenly turned into countless ice swords. It poured down towards Chen Ping.

Each of these ice swords contained powerful power, and the densely packed ice swords hit Chen Ping like raindrops.

Chen Ping looked at the ice sword falling from the sky with a trace of disdain in his eyes.

A powerful flame suddenly burst out from his body, and the flame instantly turned into a huge flame dragon, circling around Chen Ping.

Those ice swords fell on Yanlong and were instantly melted into water.

"You...you are using the Demon Clan's Ultimate Fire. You are not an Beast Clan, but a Demon Cultivator?"

Seeing the flames erupting around Chen Ping's body, Qiu Yu was immediately shocked!

You must know that only the beast tribe can enter the beast city, and there are guards checking at the door!

Unexpectedly, Chen Ping, a demon cultivator, escaped from inspection and sneaked into the Beast City!

If Chen Ping hadn't used this ultimate fire, Qiu Yu wouldn't have noticed Chen Ping's identity as a demon cultivator!

It seems that Chen Ping hides too deeply!

Chapter: 7627

Qiu Yu didn't know at all that Chen Ping had the power of three clans, whether it was the beast clan, demon clan or human clan, there was a breath in Chen Ping's body!

Now Qiu Yu mistook Chen Ping for a demon cultivator, which is too one-sided!

"You're tired of fighting, it's my turn." Chen Ping said coldly.

His figure flashed and disappeared instantly. Qiu Yu and others were shocked and quickly looked around for traces of Chen Ping.

Suddenly, Chen Ping appeared behind a monk. Light flashed in his hand, and the Dragon-Slaying Sword appeared and stabbed the monk in the back.

Sensing the danger behind him, the monk quickly turned around and struck Chen Ping with the ax in his hand.

Chen Ping, however, did not dodge or dodge, and directly faced the ax with the dragon-slaying sword in his hand.

I saw a flash of sparks, and the ax in the monk's hand was cut off by Chen Ping's Dragon-Slaying Sword.

The monk was shocked, and before he could react, Chen Ping's Dragon-Slaying Sword had already pierced his chest.

The monk's eyes widened, he looked at Chen Ping in disbelief, and then slowly fell down.

"You actually killed him!" Qiu Yu shouted angrily.

"Hmph, you want to kill me, why don't you allow me to fight back?" Chen Ping sneered.

"Good boy, today I will..."

Qiu Yu's face was full of anger, and he yelled at Chen Ping, as if he wanted to follow Chen Ping to death!

But before he finished speaking, Chen Ping's figure suddenly disappeared again, and then a white light flashed in front of everyone's eyes!

Qiu Yu and the others only felt a powerful force coming from them, and then the monks brought by Qiu Yu were kicked hard in the chest!

Several people flew back one after another as if they had been hit by a meteorite!

As several monks fell heavily, several large pits appeared on the ground!

Qiu Yu looked a little stupid when he saw this scene!

He couldn't believe that Chen Ping's strength was so terrifying. You must know that Chen Ping was only at the ninth level of the Tribulation Realm, and the people he brought were all at the third level of the Mahayana Realm!

How could this happen with such a disparity in strength?

Moreover, there are many people on my side, with high levels and strong strength!

The final result was one-sided!

This is unscientific!

Chapter: 7628

"It's your turn now!"

Chen Ping looked at Qiu Yu with a sneer!

Qiu Yu looked at Chen Ping and his body began to tremble slightly. He didn't expect that Chen Ping's strength exceeded them!

It seemed that he underestimated Chen Ping, and Chen Ping was not an orc yet. He didn't know how much Chen Ping was hiding!

Qiu Yu's body kept retreating, he wanted to run!

Bang!

But just as he was about to turn around, he saw Chen Ping approaching quickly, followed by a kick!

Qiu Yu was kicked out by Chen Ping before he had any time to dodge!

Qiu Yu also fell heavily to the ground, making a deep pit in the ground!

"You little trash are too weak..."

Chen Ping rose into the air, looked down at the people who crashed into the ground, and said with a sneer!

Qiu Yu and others looked at Chen Ping with a bit of fear in their eyes!

But they also knew that since Chen Ping had exposed his identity in front of them, he had no intention of letting them leave alive!

"If you want to survive, you have to show your true skills. This guy looks like he's going to kill us all!"

Qiu Yu's face was solemn, and after finishing speaking, he jumped up!

Several other monks also know that if they don't fight hard, they will only be killed!

Qiu Yu and several monks also flew into the air, following Chen Ping and looking at each other from the air!

Then all of these people suddenly looked up to the sky and roared, and then spit out pearls one after another from their mouths!

The orbs are colorful and come in all kinds of colors!

Chen Ping could tell at a glance that these orbs were the beast elixirs in these monks' bodies!

These monks are all beasts. Although they can take the form of humans, they are still beasts and still retain the beast elixir in their bodies!

These beast elixirs of the beast clan are similar to the dragon crystals of the dragon clan!

These beast pills were suspended in mid-air, and a black gas was flowing between the beast pills, as if something was brewing!

"As expected of the son of a beast general, he also has some abilities!"

Chapter: 7629

Seeing this scene, Chen Ping's eyes became solemn!

Soon, the world became icy cold, and the black gas filled the air, wrapping those few beast pills, and the color could no longer be seen clearly!

“Do it...”

Qiu Yu shouted!

Several people took action at the same time, and then a large amount of spiritual power was injected into several beast pills, and then colorful lights broke through the black energy!

The moment they broke through the black energy, these lights turned into beasts!

These beasts have different shapes, some of which Chen Ping has never seen before!

It seems that these beasts are the true bodies of the monks in front of me!

After these beasts appeared, the original black energy turned into a giant net, covering Chen Ping!

At this moment, Chen Ping not only has to face the attacks of these ferocious beasts, but he also has no way to escape and escape. The giant black nets around him make Chen Ping's space for movement very limited!

“Boy, we have used all the beast elixirs. Although using it once will cost us hundreds of years of cultivation, today you have pushed me to a dead end. This is all I can do!”

Qiu Yu looked at Chen Ping fiercely and said in a cold voice!

“It seems that you have really used all your abilities, but you sacrificed the beast elixirs. If I take away all these beast elixirs, wouldn't you be without the beast elixirs and become ordinary people who can no longer cultivate?” people?”

Chen Ping looked at Qiu Yu's fierce look and smiled slightly!

"You have a beautiful idea, and you want to take away our beast elixir. You should kill our original spirit beast first!"

Qiu Yu snorted coldly!

He didn't believe that under such circumstances, Chen Ping still had the ability to take away his beast elixir!

"Bullshit body spirit beast?"

After Chen Ping finished speaking, the dragon crystal on his chest flickered, accompanied by bursts of divine dragon power. Behind Chen Ping, a golden dragon faintly appeared!

As the power of the divine dragon becomes stronger and stronger, the golden dragon becomes clearer and clearer!

"This...what is this?"

When Qiu Yu saw the appearance of the golden dragon, he was stunned!

"Dragon... golden dragon? Is he a dragon?"

Someone said in surprise!

Chapter: 7630

“Impossible. He is obviously a demon cultivator. How could he be a dragon? Moreover, he is also a golden dragon. This is absolutely impossible. This is a deception. We should not believe it!”

Qiu Yu didn't believe that Chen Ping was a dragon!

You know, among the orcs, many of the fear and worship of dragons are innate!

Now seeing a golden dragon appearing behind Chen Ping, and the power of the dragon filling the air, Qiu Yu and others were completely panicked!

It's just that Qiu Yu doesn't believe it at all. He doesn't believe that Chen Ping is a dragon!

Still the most noble golden dragon clan!

He thought Chen Ping must have used some kind of deception!

But just when Qiu Yu and others controlled the original spirit beasts to attack Chen Ping, all of the original spirit beasts were scared!

They didn't obey the command at all, they were all trembling!

Accompanied by the roar of the golden dragon!

All those spiritual beasts turned around and ran away, and finally returned to the beast pill and disappeared without a trace!

Even the giant network composed of black energy was instantly shattered by this dragon roar and turned into hypocrisy!

In the end, only a few beast pills were left floating alone in mid-air!

Qiu Yu and others were stunned!

Especially Qiu Yu, he said that Chen Ping was using a blinding method, but how could the blinding method possibly scare away the true spirit beast?

Qiu Yu is in a dazed state at this moment!

He always thought that Chen Ping was just an ordinary monk, but he didn't expect that he turned out to be a demonic cultivator!

But now he has become a dragon again!

This constantly changing identity has given Qiu Yu an unreal state!

"Quickly, recall the beast elixir quickly!"

At this time, someone woke up from the shock and shouted loudly!

Just when these people were about to recall the beast pills, they suddenly found a huge suction force coming, and then all the beast pills flew towards Chen Ping!

Not surprisingly, all the beast pills were in Chen Ping's hands and were thrown into the storage bag by Chen Ping!

"Beast Pill, our Beast Pill..."
