

The Order 7631

Chapter: 7631

When Qiu Yu and others saw this, they were so angry that they almost vomited blood!

If they don't have the beast elixir, they won't be able to practice. Even if they swallow other people's beast elixir, they don't know how many years and months it will take to merge!

"I reminded you, but if you don't listen, then you can't blame me!"

Chen Ping put away the beast elixirs of several people, then smiled lightly and said!

At this moment, Qiu Yu and others completely lost their temper, the beast elixir was gone, their strength plummeted, and now they are no longer a match for Chen Ping!

Seeing Chen Ping's mocking look at them, Qiu Yu lost his arrogance!

"You return the beast elixir to us, and I can pretend that nothing happened, and I will never cause trouble for you."

"I can buy it with purple gold spirit coins. Just tell me how much you need."

Qiu Yu began to discuss with Chen Ping and wanted to buy the beast pill back!

"Do you want to buy this beast elixir?" Chen Ping asked!

“Yes, as long as you are willing to return the beast elixir to us, I can give you money!”

Qiu Yu nodded!

“Okay, one beast pill and one thousand purple gold spirit coins!”

Chen Ping said!

Qiu Yu was stunned for a moment, then said in disbelief: “Are you telling the truth?”

Although one thousand purple gold spirit coins is an astronomical figure to ordinary monks, to Qiu Yu, it is just drizzle!

He didn’t expect that Chen Ping would ask for a thousand purple gold spirit coins, which was too little!

“Of course it’s true. Don’t you think it’s expensive?”

Chen Ping asked!

“No, no, no, it’s not expensive. I can give you money.” Qiu Yu shook his head repeatedly, then took out a storage bag and threw it to Chen Ping: “Here are 10,000 purple gold spirit coins, which is enough to buy these beast pills for us!”

Chen Ping took the storage bag, took a look at it and said with a smile: “That’s enough, that’s definitely enough...”

After saying that, Chen Ping took out a few beast pills and threw them to Qiu Yu and the others!

Qiu Yu was so beautiful when he held the beast pill. Unexpectedly, Chen Ping, a fool, returned the beast pill to them so happily.

Not to mention one thousand purple gold spirit coins, even ten thousand purple gold spirit coins, Qiu Yu would still spend it!

After all, without the beast elixir, all of them would be useless.

After receiving the beast pill, Qiu Yu and others quickly swallowed it!

After taking the beast pill, several people breathed a sigh of relief!

“I hope I won’t see you again in Beast City!”

Qiu Yu looked at Chen Ping, said something slightly threatening, and then turned around to leave!

“Wait a minute!” Chen Ping said!

“What are you going to do?”

Qiu Yu turned around and asked!

“I gave you the beast elixir, but I didn’t let you go. The beast elixir looks good. If I absorb it, my strength will be greatly increased, so I still want to get the beast elixir back!”

Chen Ping smiled slightly and said!

“What? Didn’t you already sell the beast elixir to us? You already took the money.”

Qiu Yu frowned and said!

“Yes, I sold the beast elixir to you, and I took the money, but now I still want the beast elixir, so I plan to snatch it back!”

“It’s not a conflict. I’m relatively honest...”

Chen Ping said as he approached Qiu Yu and others!

“you.....”

Qiu Yu was so angry that he could still be like this?

Chapter: 7632

Chen Ping didn’t wait for Qiu Yu to finish his words before he swung the Dragon-Slaying Sword in his hand!

puff!

One of Qiu Yu’s men was cut in half by the Dragon Slaying Sword before he could even scream!

Chen Ping's sudden move made Qiu Yu and the remaining monks nervous!

Several people huddled together and looked at Chen Ping in horror!

Chen Ping used the Dragon-Slaying Sword to take out the beast pill from the body of the killed monk again!

After taking the beast pill, Chen Ping turned his gaze to Qiu Yu and others!

This scared these people!

They turned around and ran, they knew that as long as they ran into the Beast City, they would be saved!

But as soon as they turned their heads, they felt a gust of strong wind, followed by an extremely sharp sword blade that slashed across their bodies!

The bodies of several monks were also cut off in an instant. Because they were running too fast, their lower bodies were still running, but their upper bodies had already separated and fell to the ground!

This horrifying scene frightened Qiu Yu so much that his legs went weak and he couldn't move at all!

Chen Ping took out the beast pills from those cultivators again and looked at Qiu Yu coldly!

At this moment, Qiu Yu was the only one left!

Extreme fear made Qiu Yu begin to tremble all over!

“If you hadn’t chased me out of the city, I wouldn’t have thought of killing you in the city. I didn’t expect you to come out and die on your own.”

Chen Ping said coldly to Qiu Yu!

“No, don’t kill me. If you kill me, you will die miserably.”

“My father will not forgive you, and neither will my brother. My brother is a famous swordsman in Beast City. The sword in his hand is much faster than yours.”

Qiu Yu wanted to use his family’s power to threaten Chen Ping not to kill him!

“Are you threatening me?”

Chen Ping’s eyes turned cold, and then a sword beam flew towards Qiu Yu at an extremely fast speed!

puff!

A sword pierced directly through Qiu Yu’s chest and nailed him to the ground!

Chapter: 7633

Qiu Yu only felt a burst of pain, his eyes became even more terrified, but he couldn’t move at all. He could only look up at Chen Ping’s cold eyes!

“I hate being threatened the most.”

Chen Ping held the Dragon Slaying Sword in his hand and looked down at Qiu Yu who was pierced through!

Although Qiu Yu was pierced, he did not die. After all, he was a cultivator in the Mahayana realm, and this sword could not take his life!

Moreover, Chen Ping did not intend to kill Qiu Yu at once when he swung his sword!

He planned to torture this guy Qiu Yu first!

Chen Ping drew out the Dragon-Slaying Sword, then swung it, cutting off Qiu Yu's legs!

Qiu Yu is now a legless person!

Blood gushed out and Qiu Yu screamed miserably!

Screams echoed all around, but there was silence all around without a single response!

It is estimated that any monks passing by would have been scared away after seeing this horrifying scene!

After all, if it's none of your business, then no one wants to get into trouble!

Looking at Qiu Yu's painful expression, Chen Ping laughed!

Now Chen Ping has slowly integrated into the law of the jungle in the world of heaven and man!

If you want to make the other person afraid of you, there is no other way except cruelty and strength!

Conquering others with virtue is just a saying made up by the secular world in order to control people's minds!

In this heavenly world, it is simply not applicable!

Qiu Yu looked at his severed legs and regretted his decision to provoke Chen Ping. He regretted why he had provoked Chen Ping and why he had chased him out of the city!

For the sake of so-called face, I am afraid I may even risk my life!

Although Chen Ping cut off Qiu Yu's legs, he had no intention of letting him go. He knew that this kind of villain would definitely take crazy revenge once he returned alive, so he had to cut the grass and eradicate it completely!

"Seeing you're in so much pain, I'll give you a quick death!"

After Chen Ping finished speaking, he swung the Dragon Slaying Sword down!

"Stop!" an angry shout rang out!

Immediately afterwards, more than a dozen figures came quickly from a distance, led by Captain Zhou, the prison guard!

Chapter: 7634

His tall stature makes him recognizable from a long distance!

“Captain Zhou, help, help...”

Seeing that it was Captain Zhou who came, Qiu Yu hurriedly shouted!

He originally thought that he was going to die, but he didn't expect that Captain Zhou arrived in time, so he didn't have to die!

Captain Zhou frowned as he looked at the monks who had died tragically and Qiu Yu whose legs had been crippled!

“You are so brave. Not only did you escape from the prison, but you also dared to hurt others. You even dared to touch Mr. Qiu?”

Captain Zhou looked at Chen Ping and said with cold eyes!

Chen Ping just looked at Captain Zhou coldly and said, “You have nothing to do here. Get out of here and don't bring disaster upon yourself.”

“Someone will naturally give you an explanation for my escape from prison. I guess Bai Cheng has already gone to the prison with the amnesty order.”

“Even if there is an amnesty order, it is not a condition for you to escape from prison, not to mention that you dare to hurt others.” Captain Zhou roared!

“It seems like you must catch me?” The murderous aura on Chen Ping began to spread!

If Captain Zhou doesn't know what's good for him and insists on fighting with him, then Chen Ping doesn't mind killing him as well!

Captain Zhou is only at the fourth level of the Mahayana realm. It would be easy for Chen Ping to kill him!

Outside of this Beast City, Chen Ping is not subject to any restrictions and can use all the strength in his body. This is different from being inside the Beast City. Inside the Beast City, Chen Ping can only use the power of the beast tribe carefully!

"Of course I'm going to catch you."

After Captain Zhou finished speaking, he held a long knife and attacked Chen Ping directly!

Chen Ping looked at Captain Zhou attacking with a long knife in his hand, and a hint of coldness flashed in his eyes.

He shook his head slightly and said coldly: "Since you don't know whether to live or die, don't blame me for being rude."

Captain Zhou took the lead, and the dozen or so guards behind him also drew their weapons and followed him.

They quickly dispersed, formed a formation, and surrounded Chen Ping in the middle.

Captain Zhou roared: "You bold lunatic, you will not be able to escape today!" After that, he swung the long sword in his hand, and a sharp sword energy slashed towards Chen Ping.

Chen Ping stood there, motionless, as if he didn't take the attack seriously at all.

Just when the sword energy was about to hit him, he lightly raised the Dragon-Slaying Sword in his hand and easily dissolved the sword energy.

"Is that all you can do?" Chen Ping raised the corners of his mouth slightly, revealing a disdainful smile.

Chapter: 7635

Captain Zhou's face darkened. He didn't expect Chen Ping to resolve his attack so easily.

Just when Captain Zhou led his men to attack Chen Ping, Qiu Yu secretly crushed a jade slip, which was a signal for help from home!

Regardless of whether Captain Zhou can defeat Chen Ping this year, Qiu Yu only hopes that he can hold on until his family comes to rescue him!

At this time, Captain Zhou looked at Chen Ping with a gloomy face, and then shouted: "Form a formation!"

Upon hearing the order, a dozen guards immediately changed their formation. Rays of light emanated from them and connected with each other to form a powerful formation.

In the formation, the pressure suddenly increased, as if a mountain was pressing down on Chen Ping.

Chen Ping felt the pressure from all around him, but he remained calm.

The dragon-slaying sword in his hand shook slightly, and a powerful force emanated from it.

“Break!” Chen Ping shouted softly and swung the Dragon-Slaying Sword forward. A bright sword light flashed and slashed directly towards the formation.

The sword light and the formation collided with each other, making a loud noise.

The formation was shaking violently, and the light was flickering. But in just a moment, the formation was broken by the sword light.

More than a dozen guards were knocked back and spit out blood.

They looked at Chen Ping in horror, their hearts filled with fear.

Captain Zhou was shocked when he saw that the formation was broken.

He knew that he had underestimated Chen Ping’s strength, but there was no way out now.

He gritted his teeth, swung his sword again, and rushed towards Chen Ping.

Chen Ping looked at Captain Zhou who was rushing towards him, a hint of murderous intent flashed in his eyes, and he flashed and appeared in front of Captain Zhou in an instant.

Captain Zhou only felt a flash before his eyes, and Chen Ping was already in front of him. Before he could react, the Dragon Slaying Sword in Chen Ping’s hand had already stabbed into his chest.

Captain Zhou hurriedly swung his sword to block, but Chen Ping's speed was too fast and his strength was too great, and his sword could not block the Dragon-Slaying Sword at all.

puff!

The Dragon Slaying Sword directly pierced Captain Zhou's chest, blood gushed out, and Captain Zhou widened his eyes, his face full of disbelief.

Chen Ping drew out the Dragon Slaying Sword and looked at Captain Zhou coldly: "I told you not to bring disaster upon yourself."

Qiu Yu, lying on the ground, has been watching the scene in front of him!

When he saw Captain Zhou being pierced by Chen Ping's sword, his heart died!

Chapter: 7636

Originally he thought he would not die and that there was hope, but now there is no hope at all.

Even if Captain Zhou could fight with Chen Ping for a few moves this time, it would be fine to delay time so that his family can come and rescue him!

But now, he was killed in just two moves, just like slaughtering a chick!

Especially the formation set up by Captain Zhou and a dozen guards, which was purchased at a huge cost and then practiced day and night!

I didn't expect that I couldn't withstand Chen Ping's sword!

"I was wrong, please don't kill me, please..."

Captain Zhou had blood flowing from the corner of his mouth and his eyes were full of regret and despair!

Although he had seen Chen Ping fighting with Bai Cheng and knew that Chen Ping was quite powerful, he had never expected that he could be so ridiculously strong!

Even the formation that their prison guards had painstakingly practiced was broken so easily!

If he knew, he would never come after Chen Ping!

Chen Ping escaped from the prison. He was just punished. Compared with losing his life, the punishment was nothing!

Chen Ping looked at Captain Zhou who admitted his mistake, and suddenly remembered something, a cruel smile appeared on his face.

"I can not kill you, but you have to do something for me."

Chen Ping said!

"What's the matter?" Captain Zhou asked!

"If you kill him, I will let you go..."

Chen Ping drew out the Dragon-Slaying Sword and pointed the sword at Qiu Yu who was lying on the ground!

“this.....”

Captain Zhou was stunned and seemed very hesitant!

“You only have three seconds to consider whether it’s you who will die or him who will die...”

Chen Ping said coldly!

Captain Zhou felt the murderous intent from Chen Ping and could only walk towards Qiu Yu with his knife in hand!

“Mr. Qiu, I’m sorry. You’re going to die anyway. I hope you can help me. I have an old mother and children to take care of!”

Captain Zhou looked at Qiu Yu and said helplessly!

Chapter: 7637

“Mr. Zhou, if you kill me, do you know what the consequences will be? My father will kill your entire family and exterminate all nine generations of your clan!”

Qiu Yu didn’t expect that Chen Ping would actually let Captain Zhou kill him. This is too insidious!

“Exterminating the entire clan is a matter for the future. I’d better save my life now!”

“I’m sorry...”

After Captain Zhou finished speaking, he raised the long knife in his hand and chopped towards Qiu Yu!

clang!

Suddenly there was a crisp sound, and the knife in Captain Zhou’s hand was hit directly by a white light, and the long knife broke into two pieces in an instant!

Captain Zhou staggered back several steps!

A man who looked somewhat similar to Qiu Yu was coming quickly. He was in front of them in the blink of an eye!

“Brother...”

When Qiu Yu saw the person coming, she burst into tears.

The person who came was Qiu Yu’s elder brother Qiu Tu.

Qiu Tu’s long hair was fluttering in the wind, his whole body was filled with spiritual energy as condensed as mist, and he carried a long sword behind him, looking like a swordsman!

Judging from the aura of Qiu Tu, he is at the fifth level of the Mahayana realm!

Qiu Tu took a look at Qiu Yu's miserable condition, frowned slightly, and looked at Captain Zhou coldly!

Feeling Qiu Tu's gaze, Captain Zhou was shocked and hurriedly explained: "Master Qiu, just now I..."

Swish!

Before Captain Zhou finished speaking, a flash of white light appeared!

Qiu Tu took action and slashed out with his sword!

Captain Zhou was instantly split in two and died!

The sword on Qiu Tu's back seemed to have not moved, because the speed was too fast, many people could not see it clearly!

Captain Zhou was from the City Lord's Mansion, but he did not hesitate at all when he started to kill Qiu Tu. It can be seen that Qiu Tu was even more ruthless than Qiu Yu!

"You hurt my brother?"

After killing Captain Zhou, Qiu Tu looked at Chen Ping coldly and asked!

Chapter: 7638

"Guess..." Chen Ping smiled faintly!

Although Qiu Tu is at the fifth level of the Mahayana realm, Chen Ping is not afraid. Even if Qiu Tu really has some ability, Chen Ping will have no problem protecting himself!

“Brother, it was him. He was the one who beat me up and took away the beast cores of the people in our house. He also crippled my legs.”

“You have to avenge me, you have to avenge me...”

Qiu Yu cried loudly, asking his brother to take revenge!

“Don’t worry, I won’t let him leave alive, and I will find a way to connect your broken legs.”

Qiu Tu looked at Chen Ping coldly, with a strong murderous intent in his eyes!

“Connect?”

Chen Ping smiled and waved his hand. A white light flashed and Qiu Yu’s chopped-off legs turned into powder!

It’s all turned to powder. Let’s see how to connect it again!

“you.....”

Qiu Tu didn’t expect that Chen Ping would be so rampant. He was just a cultivator in the Tribulation Realm. Where did he get the confidence to be so unscrupulous in the face of a fifth-grade Mahayana cultivator?

“Go to hell...”

Qiu Tu shouted angrily, and the long sword behind him was suddenly unsheathed. The sharp sword energy cut through the sky, instantly causing the void to tremble and sword intent to radiate!

“Spiritual sword? I didn’t expect you to have a spiritual sword!”

Chen Ping was a little surprised, because the sword on Qiu Tu’s back was actually a spiritual sword, and it obviously had a sword spirit!

You know, it is very difficult for a spiritual sword to have a sword spirit. Even if it has a sword spirit, it is very complicated to enlighten the sword spirit!

Otherwise, the sword spirit would be like a machine, without any emotion at all!

Zhongli, the sword spirit in Chen Ping’s Dragon Slaying Sword, is now a complete person. He is no longer a spirit and has complete thoughts!

“I didn’t expect you to know the spirit sword. I’ll let you die under this spirit sword today. You won’t lose anything!”

The long sword in Qiu Tu’s hand kept surging, and sword intent was everywhere!

Chen Ping’s eyes moved slightly, and he swung the Dragon-Slaying Sword in his hand. A sword beam also slashed through the void, and then the two sword beams collided with each other!

Accompanied by a deafening sound, the two sword beams disappeared at the same time!

The entire void returned to calm, and Chen Ping only felt a slight numbness in his palms!

Chapter: 7639

Qiu Tu opened his eyes wide and looked at Chen Ping in disbelief!

He didn't expect that Chen Ping could actually withstand his attack and not be defeated!

You must know that the sword in your hand is a spiritual sword. It has a sword spirit, and the sword spirit also has intelligence!

"Could it be that the boy is holding a spiritual sword as well?"

Qiu Tu stared at the Dragon-Slaying Sword in Chen Ping's hand, as if he wanted to see something!

Qiu Tu's eyes were as sharp as an eagle's, fixed tightly on the Dragon-Slaying Sword in Chen Ping's hand, and the shock in his heart surged like a tide.

He never expected that this seemingly ordinary Tribulation Realm cultivator in front of him actually also possessed a magic sword, and judging from the attack just now, the power of this magic sword was no less powerful than his own.

"You...your sword is also a spiritual sword?" Qiu Tu's voice trembled with a hint of disbelief. He couldn't understand why a cultivator whose realm was far lower than his could possess such a precious treasure.

Chen Ping smiled calmly, and the Dragon Slaying Sword in his hand trembled slightly, as if responding to the pride of its master: "Yes, this is the Dragon Slaying Sword. It has been with me for many years, and the sword spirit in the sword has also awakened."

Before he finished speaking, a bright light suddenly burst out from the Dragon Slaying Sword, the figure of the sword spirit Zhongli appeared and disappeared, and an ancient and majestic aura filled the air.

Although Zhongli did not show up, the invisible sword intent had already solidified the air around him, as if even time had stopped.

When Qiu Tu saw this, his face suddenly changed. He knew very well what it meant for the sword spirit to become intelligent. It was not just that the power of the sword was doubled, but it was also an extension of the sword master's will and a manifestation of the perfect fusion of sword and man.

Although he also has a sword spirit, in comparison, it seems to lack a certain indescribable charm.

"Humph, even if it's a spirit sword, what does it matter? I, Qiu Tu, will kill you here today!"

Qiu Tu shouted angrily, and the spiritual power in his body surged wildly. The spiritual sword behind him also let out a deafening dragon roar. The runes on the sword flashed, and powerful sword intent surged out like a tide, rushing straight towards the sky.

Seeing this, Chen Ping curled up the corner of his mouth into a sneer, and suddenly raised the Dragon Slaying Sword, with the tip of the sword pointing straight to the sky.

An even more powerful sword intent burst out from his body and collided violently with Qiu Tu's sword intent in the air, forming brilliant sword lights that dyed the entire sky colorful.

"In a sword duel, it all depends on whose sword is sharper and whose will is stronger!"

Chen Ping's voice echoed in the sword light, and the light on the Dragon-Slaying Sword became brighter and brighter.

The figure of the sword spirit Zhongli finally appeared completely. Holding a long sword, he started a fierce confrontation with Qiu Tu's sword spirit in the void.

There were two great sword spirits, one majestic and ancient, the other fierce and domineering. Every collision between them was accompanied by a deafening roar, as if they were going to tear the world apart.

As the sword flashed, the sword intent was everywhere, and each sword beam contained enough power to destroy mountains and rivers.

Qiu Tu's face was filled with shock and unwillingness.

He originally thought that with his fifth-level Mahayana cultivation and the power of the spirit sword, he would be able to easily crush Chen Ping, but reality dealt him a heavy blow.

Chapter: 7640

The strength of Chen Ping's sword intent and the power of his sword spirit far exceeded his expectations.

"This...how is this possible!?"

There was a hint of despair in Qiu Tu's voice. He could feel that as the battle continued, his sword intent was being rapidly consumed, while Chen Ping's seemed to be endless, and each attack became more and more fierce.

You have to know that Chen Ping absorbed countless sword intentions in the Sword Washing Pond of the Weapon Refining Sect. If it were just a simple sword fight, Qiu Tu would still be a little bit behind!

Qiu Yu, who was standing aside, had already turned pale with fright and was so shocked that he couldn't speak.

He originally thought that with the help of his brother, he could easily take revenge, but the scene before him made him completely despair.

He had never seen such a horrific battle, and he had never expected that Chen Ping would be so powerful.

“Brother...save me...” Qiu Yu’s voice was filled with tears. He tried to ask Qiu Tu for help, but in this fierce sword duel, Qiu Tu had no time to care about anything else.

Finally, after a violent collision, Qiu Tu’s sword spirit was chopped away by Zhongli’s sword, and the originally bright runes on the sword became dim.

Qiu Tu’s face turned pale instantly. He had spent countless efforts to cultivate this sword spirit, which was almost like his own child.

But now it was directly killed by Zhongli. The originally sharp spirit sword has now become an ordinary long sword because of the disappearance of the sword spirit!

“You destroyed my spiritual sword, I must kill you...”

Qiu Tu held the long sword that had become very ordinary in his hand and roared loudly.

Even though the long sword became ordinary, Qiu Tu still held it high, with the sword tip reflecting the light, refracting a cold and eerie glow!

I saw flames surging around Qiu Tu, and his body slowly floated up!

As the aura in Qiu Tu’s body exploded to its peak, he dropped the sword in his hand!

Even without the sword spirit, at this moment Qiu Tu’s sword actually burst out with a white light, which then turned into ten, then a hundred!

In just a moment, thousands and thousands of sword beams appeared in the void!

All these sword beams were across the void, pointing directly at Chen Ping.

“Ten thousand swords fired simultaneously...”

Qiu Tu’s body was also filled with aura, which exploded to the extreme!

Swish, swish, swish...

Immediately afterwards, tens of thousands of sword beams, like meteors, filled the sky and earth and flew towards Chen Ping!

The noise was like thousands of cannons firing at the same time, shaking the heaven and earth!
