

The Order 7641

Chapter: 7641

Qiu Yu, who was originally in despair, smiled instantly when he saw his brother using his ultimate move!

“He really has some tricks...”

Chen Ping’s eyes narrowed slightly, and then he raised the Dragon-Slaying Sword in his hand!

“Nine Shadow Sword Technique...”

As Chen Ping’s Dragon-Slaying Sword burst out with a ray of light, several figures appeared one after another!

Finally, seven identical Chen Pings appeared in front of Qiu Tu!

Moreover, every Chen Ping holds a dragon-slaying sword, and the aura on his body is exactly the same!

“Humph, even if you use a trick, you will definitely die under my salvo of arrows!”

Seeing that Chen Ping suddenly turned into seven, Qiu Tu was slightly stunned, but soon snorted coldly!

Even if Chen Ping becomes more numerous, it is useless. Under these overwhelming swords, there is only death!

Chen Ping ignored Qiu Tu, but held the Dragon-Slaying Sword and slowly raised his hands!

“Ten Thousand Swords Return to Their Origin...”

Chen Ping had already learned the unique skills of the Wanjian Sect, so even if it was a competition of sword moves, Chen Ping was not afraid at all!

The sword intent of the Xijiantan of the Weapon Refining Sect and the jade slips secret book of the Wanjian Sect are all possessed by Chen Ping.

So when it comes to swordplay, Chen Ping is not afraid of anyone!

Seven identical Chen Pings simultaneously performed the Ten Thousand Swords Return to the Origin!

At this moment, the entire sky was covered by the sword light of the Dragon Slaying Sword. Compared to Qiu Tu's volley of tens of thousands of arrows, Chen Ping's volley of sword light was seventy thousand!

No matter in terms of quantity or density, Qiu Tu cannot compare to them!

Qiu Tu's tens of thousands of sword beams were all shattered in front of Chen Ping's Ten Thousand Swords Returning to the Origin, and not a single sword beam could get close to Chen Ping!

Even if the tens of thousands of sword beams collided and disappeared, Chen Ping's attack and the overwhelming sword beams still swarmed towards Qiu Yu!

Qiu Tu was stunned, and the sword in his hand fell to the ground!

"escape!"

Qiu Tu had only one thought in his mind, and that was to escape.

He didn't dare to fight any longer, so he gritted his teeth, and his body turned into a stream of light, rushing away into the distance.

Qiu Tu was moving very fast, fearing that he would be caught up by the sword light behind him!

As for his younger brother, Qiu Tu didn't even look at him!

Seeing this, Chen Ping did not pursue him, but slowly put away the Dragon-Slaying Sword.

Chen Ping didn't want to kill Qiu Tu, he just wanted to drive him away. What Chen Ping needed to do most now was to find the mine of fairy stone!

"Zhongli, thank you for your hard work."

Chen Ping said softly, the light on the Dragon Slaying Sword gradually dissipated, and the sword spirit Zhongli also returned to the sword.

"Master, it is Zhongli's honor to fight for you."

Zhongli's voice sounded in Chen Ping's heart, with a hint of satisfaction and pride.

Chen Ping turned to look at Qiu Yu, his eyes full of indifference: "Is there anyone else coming to save you?"

Upon hearing this, Qiu Yu's body began to tremble involuntarily. He knew that he had completely lost his support, and what was waiting for him would be endless pain and torture.

Chen Ping took the Dragon-Slaying Sword and was about to dig out Qiu Yu's beast core. He could let Qiu Tu go, but Qiu Yu would never forgive him!

"Chen Ping....."

Just when Chen Ping was about to take action and dig out Qiu Yu's beast core, someone suddenly called him!

I saw the youngest sister running over with her brother!

It turned out that the youngest sister's brother saw that Chen Ping did not catch up, so he directly pulled the youngest sister back!

However, seeing the tragic scene, both the brother and sister were terrified!

"Master Qiu, isn't this Master Qiu?"

The youngest sister's brother looked at Qiu Yu lying on the ground and shouted in surprise!

Chapter: 7642

"Do you know him?" Chen Ping looked at the youngest sister's brother and asked!

"Of course, this Mr. Qiu is very famous in Beast City. He walks sideways on the street."

The youngest sister's brother said!

“Now he can’t walk sideways. I’ve broken his legs...”

Chen Ping said!

“Brother-in-law, you are too reckless. The father of this Mr. Qiu is one of the three great beast generals. If you cripple his legs now, you will cause a big disaster!”

The youngest sister’s brother said with a look of shock on his face!

“Causing trouble?” Chen Ping smiled slightly: “Not only will I cripple his legs, I will also kill him...”

After Chen Ping finished speaking, he stabbed hard with the Dragon-Slaying Sword in his hand, and then picked out Qiu Yu’s beast core directly!

Before Qiu Yu could even beg for mercy, he died!

This time, the brother and sister were scared to death!

They didn’t expect that Chen Ping would even dare to kill the sons of the three beastly generals!

How bold!

“I can tell you now that I went to jail because I beat Qiu Yu.”

“If I kill him now, I will definitely have a blood feud with the Qiu family. The Qiu family will definitely send people to hunt me down.”

“So you two don’t follow me, it will be dangerous!”

Chen Ping said to the youngest sister and her brother!

In fact, Chen Ping did this to scare his youngest sister and her brother, so that they would leave and stop following him!

After all, Chen Ping himself left Beast City at some unknown time, but the youngest sister and her brother still had to live in Beast City!

If Chen Ping made enemies with the Qiu family, he could just walk away, but they, the brother and sister, would surely die!

“Brother, let’s go...”

The youngest sister pulled her brother!

After all, they were just casual acquaintances with Chen Ping and they didn’t have any deep friendship!

The youngest sister has never slept with Chen Ping, so they have nothing to do with each other. It’s not a big deal for her to follow Chen Ping like this!

Chapter: 7643

“Sister, since my brother-in-law has caused such a disaster, we brothers and sisters can’t just sit there and watch.”

“If that’s the case, then we two are not human beings. How can we say that you two have slept together? You have already belonged to him.”

“If the Qiu family really wants to cause trouble for my brother-in-law, I will never stand idly by. If the Qiu family leaves the Beast City and really reaches the suburbs, there will be nothing to be afraid of. By then, as long as we don’t enter the city, they will have no chance of finding us!”

The youngest sister’s brother said righteously!

Seeing her brother like this, the youngest sister was very surprised and looked at her brother in disbelief!

She suddenly felt that her brother seemed to have changed a little!

Little sister had no idea that her brother was willing to follow Chen Ping at this moment entirely because of Chen Ping’s strength, and Chen Ping also knew about the fairy stone mine!

“Brother, the two of us...”

The youngest sister wanted to explain that she didn’t sleep with Chen Ping at all!

“Sister, please stop talking. My life was saved by my brother-in-law. Can you just watch him get into danger and leave alone?”

“If that’s the case, are we still human?”

The youngest sister's brother just told her so hard that she couldn't speak anymore!

If the youngest sister opens her mouth again, she will no longer be a human being and will not have a trace of conscience!

Seeing this, Chen Ping knew that it would be harder than climbing to the sky to get the two men to stop following him, so he said helplessly: "Okay, you two follow me, but don't stay too far away from me, otherwise it will be dangerous and I can't help you. Busy!"

"Don't worry, brother-in-law. I'm very familiar with this area. Even if someone wants to hunt you down, I can take you to hide."

The youngest sister's brother patted Chen Ping on the shoulder and told him not to worry!

Chen Ping smiled helplessly and could only take the two people and head towards the south of the city!

After walking a hundred miles, we saw a tall tree. This should be the place that Xiong Kuo mentioned!

Chen Ping followed the youngest sister and her siblings to the big tree, but did not find anyone, which made Chen Ping feel a little surprised!

"Damn it, is that bear lying to us?"

The youngest sister's brother found that there was no one under the big tree, so he said angrily!

"I don't think so. He gave me the jade pendant and lied to me. It won't do him any good at all!"

Chen Ping shook his head and said!

At this moment, a faint cry for help suddenly rang out!

Chapter: 7644

“Help.....”

The sound was very faint. If Chen Ping hadn't had extraordinary hearing, he would not have been able to hear it at all!

“Someone is calling for help...”

Chen Ping glanced in the direction of the sound, and his spiritual sense instantly spread out!

“Where? Why didn't I hear it?”

“I didn't hear it either!”

The brother and sister both shook their heads to indicate that they didn't hear it!

But at this time, Chen Ping had already rushed out!

Seeing this, the brother and sister also rushed forward along with Chen Ping!

Dozens of miles away from Chen Ping and his companions, two burly men were surrounding a girl with playful and lewd smiles on their faces!

The girl was trembling at this moment, her eyes full of fear!

“Don’t come over here, you two. My brother will be back soon...”

The girl held a dagger in her hand and threatened the two big men!

“Xiong Ying, don’t think about it. Your brother has been thrown into jail. It’s impossible for him to come out again. Otherwise, the two of us won’t have a chance to enjoy ourselves!”

One of the strong men said!

It turns out that this girl is Xiong Kuo’s sister Xiong Ying!

“Impossible, my brother can’t go to jail, you are lying to me...”

Xiong Ying started crying!

“If your brother wasn’t in jail, why hasn’t he come back after so many days? We both saw him being arrested with our own eyes.”

The sturdy man licked his lips and said impatiently!

“You two are my brother’s best friends. You didn’t care when he was in jail. You even bullied me. Are you still human?”

Xiong Ying cursed angrily, you know, these two strong men are Xiong Kuo's good friends!

These two guys were also transformed from black bears, and they followed Xiong Kuo to eat and drink together!

But now Xiong Kuo had just been captured, and the two of them attacked Xiong Ying!

Chapter: 7645

You know, the two of them have been coveting Xiong Yingmei's beauty for a long time!

"We are helping you, how can we be bullying you? Your strength is too low. The two of us are willing to spend our spiritual energy to practice dual cultivation with you just to help you improve your cultivation."

The strong man who spoke first defended himself!

"Bah! Even if I die, I will never let you two succeed."

After Xiong Ying finished speaking, the dagger in his hand instantly slashed towards his neck!

But just as he moved, a strong man slapped him and knocked the dagger in Xiong Ying's hand away!

You have to know that these two big men are both at the ninth level of the Tribulation Realm, and Xiong Ying is only at the seventh level of the Tribulation Realm. There is no way he can be a match for these two men!

After knocking the dagger out of Xiong Ying's hand, two people pounced on him directly, one of them grabbed one of his arms, as if they wanted to split Xiong Ying in two!

“I’ll go first...”

“I’ll go first...”

The two strong men were fighting for the chance to practice dual cultivation with Xiong Ying first!

“stop.....”

At this moment, a cold shout was heard, and then Chen Ping appeared in front of the two of them!

The two strong men were stunned, then looked at Chen Ping and said, “Boy, don’t ruin our business, get out of here right now!”

Seeing that the two strong men’s attention was attracted by Chen Ping, Xiong Ying suddenly burst out with a terrifying breath and broke free from the control of the two men!

The two strong men were so shocked that they took several steps back before they stopped!

Xiong Ying ran behind Chen Ping, and said with tears in her eyes: “Daoyou, please save me. The two of them forced me to practice dual cultivation. I don’t want to, I don’t want to...”

Chen Ping looked at Xiong Ying, and his eyes became dull for a moment!

Because he found that the girl in front of him was so beautiful!

The girl is like a fairy walking out of an ancient painting. Her beauty is not only the exquisiteness of her facial features, but also her otherworldly temperament that is unforgettable at first sight.

Her face is pretty, like a newly blooming lily, her eyebrows are like distant mountains covered with smoke, her eyes are as clear as autumn water, and every blink seems to be telling an endless story.

She has an enviable graceful figure, which is neither too thin nor too thin, and every curve perfectly shows the feminine beauty and strength.

Her waist is as slender as a willow, and her steps are graceful and elegant. Her skirt sways gently when she walks, like a lotus leaf swaying in the morning breeze, which is both elegant and agile.

She was wearing a dress with an ancient style that seemed to be tailor-made for her. The fabric was soft and delicate, and the colors were colorful yet elegant.

Chapter: 7646

The skirt is ankle-length, revealing a glimpse of delicate embroidered shoes, adding a touch of classic charm.

“Brother-in-law, you are running too fast, wait for us...”

At this time, the youngest sister and her brother caught up!

But when the youngest sister’s brother saw Xiong Ying, he was stunned for a moment, his eyes widened, and his saliva instantly flowed out!

“So beautiful! How can there be such a beautiful woman?”

The youngest sister's brother couldn't help but say!

The youngest sister looked at Xiong Ying in front of her and felt a little inferior. Compared with Xiong Ying, she was really too ordinary!

"I'm scolding you. If you don't want to die, get out of here and don't delay our work..."

A sturdy man seemed a little impatient and shouted loudly!

At this time, the youngest sister's brother finally reacted and looked at the two strong men!

"Fellow Daoist, save me, save me..."

Xiong Ying had tears in her eyes, and she looked so pitiful!

"Girl, don't be afraid, I'm here to protect you..."

The youngest sister's brother immediately stood in front of Xiong Ying with a righteous look on his face!

Chen Ping glanced at the younger sister's brother and couldn't help but smile and said, "Can you beat both of them?"

The younger sister's brother looked at the two strong men, then shook his head and said, "I can't do it, but I still have you. It's easy for you to beat them both!"

The youngest sister's brother has seen Chen Ping's abilities. Even though he is only at the ninth level of the Tribulation Realm, it is easy and fun for him to fight against a fourth level Mahayana Realm!

What's more, Chen Ping had just killed many cultivators from the Qiu family!

You have to know that those cultivators are all at the Mahayana level!

"You are quite right..."

Chen Ping smiled helplessly. This guy wanted to be a hero and save the beauty, but he wanted him to do it himself!

"Damn it, you guys are so nagging, are you looking for death?"

One of the strong men became a little anxious and rushed directly towards Chen Ping and the others!

Chen Ping didn't even look at it, but just waved his hand casually. In an instant, a huge force suddenly burst out and knocked the strong man away!

Chapter: 7647

The strong man fell heavily to the ground, spitting blood, and couldn't get up for a while!

When dealing with cultivators of the same level, Chen Ping was too lazy to even look at them. There was really no difference between him and crushing an ant!

The other sturdy man was stunned when he saw this. He never expected that Chen Ping, who was at the ninth level of the Tribulation Realm and had the same cultivation level as them, could defeat them so easily!

This is too incredible!

The sturdy man bent down, grabbed his companion, and then quickly fled!

Chen Ping did not chase after him. After all, there was no deep hatred, so there was no need to kill them all!

What's more, Chen Ping didn't even recognize Xiong Ying at the moment!

Seeing Chen Ping chase away two strong men with a wave of his hand, Xiong Ying's eyes were filled with surprise, and the look in his eyes when he looked at Chen Ping changed a little!

"Beauty, don't be afraid, my brother-in-law has chased them away..."

The youngest sister's brother looked at Xiong Ying and deliberately emphasized the word "brother-in-law", as if he was deliberately emphasizing it!

"Thank you..."

Xiong Ying quickly bowed and thanked him!

"You're welcome. This is nothing. I wonder what the beauty's name is? Why are you here?"

The youngest sister's brother asked with a flattering look on his face!

"My name is Xiong Ying, and I'm waiting for my brother..."

Xiong Ying said!

“Xiong Ying?”

Chen Ping and the youngest sister’s brother were both shocked and looked at Xiong Ying in disbelief!

Neither of them had expected that Xiong Kuo’s sister would be so beautiful. It was simply outrageous!

And Xiong Kuo also said that his sister is not pretty!

Now knowing that the girl in front of them was Xiong Ying, Xiong Kuo’s sister, Chen Ping and the youngest sister’s brother were stunned!

This was beyond their understanding. They thought Xiong Kuo’s sister should also be strong and sturdy!

But now, she has a slender waist and looks very pitiful!

Especially the youngest sister’s brother, who kept rubbing his eyes and looking at Xiong Ying in disbelief!

Chapter: 7648

He still remembered that when he was in prison, he had ridiculed Xiong Kuo, saying that Xiong Kuo’s sister must not be as pretty as his own sister!

But now that the youngest sister is standing with Xiong Ying, she looks too ordinary!

“Why...why are you two looking at me like that?”

Xiong Ying felt a little scared when being stared at by Chen Ping and her youngest sister’s brother!

“Beauty, we didn’t expect you to be Xiong Ying...”

The youngest sister’s brother hurriedly said!

“Why? You know me?”

Xiong Ying asked with a puzzled look on his face!

“Yes, yes, of course I know you. I was in the same cell with your brother, and I’ve heard your brother talk about you a long time ago.”

The youngest sister’s brother nodded quickly, with a flattering look on his face!

This guy seems to be unable to control himself when seeing a beautiful woman!

The youngest sister was speechless for a moment when she saw her brother like this, and didn’t know what to say!

“Is my brother really in jail? How is he?”

When Xiong Ying heard that her brother was really in jail, she suddenly became panicked!

“Don’t worry, your brother is fine, and we have a way to rescue your brother.”

When the youngest sister’s brother saw Xiong Ying’s anxious look, he immediately spoke with sympathy!

“Really? Thank you so much!”

When Xiong Ying heard this, she immediately looked at her youngest sister’s brother with gratitude!

Feeling Xiong Ying’s gaze, the youngest sister’s brother straightened up noticeably!

“Did you and your brother discover a mine of fairy stones?”

Chen Ping asked Xiong Ying!

Hearing Chen Ping asking about the mineral vein, Xiong Ying immediately became alert and looked at Chen Ping and said, “What are you talking about? Where is the mineral vein of fairy stone?”

Seeing that Xiong Ying didn’t say anything, Chen Ping took out the jade pendant and said, “You don’t have to be afraid. It was your brother who told us and gave me the jade pendant.”

“He said that after seeing the jade pendant, you will tell us about the mineral vein, and only if we find the mineral vein can we rescue your brother.”

Chapter: 7649

Xiong Ying took the jade pendant, looked at it carefully, and said excitedly: "This is my brother's jade pendant. It seems that he really knows you."

"The fairy stone vein is not here. Let me take you to see it!"

Xiong Ying let down his guard and then took Chen Ping and the others to look for the mine of fairy stone!

In order to avoid being discovered, Chen Ping deliberately set up a shielding magic circle around him, which moved with the movement of everyone!

Several people did not dare to fly. After all, the flying target was too big and could be easily discovered!

Along the way, the youngest sister's brother would always talk to Xiong Ying from time to time, trying to get close to her, and it seemed that he wanted to take action against Xiong Ying!

After all, which man wouldn't want to play with such a beautiful woman!

But the more the youngest sister's brother acted like this, the more disgusted Xiong Ying became, and in the end she stopped talking to him!

On the contrary, Chen Ping was silent along the way and did not deliberately try to get close to Xiong Ying, but Xiong Ying was always attracted to Chen Ping!

Especially since his brother's jade pendant was taken from Chen Ping, Xiong Ying believed that only the person holding his brother's jade pendant could rescue his brother!

"How far is it?"

After walking for an hour, Chen Ping asked Xiong Ying!

“Not far away, just on the hill ahead...”

Xiong Ying said from the hill not far away!

Chen Ping looked at the top of the hill and found that it was not a remote place nor was it hidden. How was it possible that a vein of fairy stone had not been discovered by others?

“It’s not hard to find here, why hasn’t anyone found it?”

Chen Ping asked doubtfully!

“You’ll know when you get there!”

Xiong Ying smiled slightly and said!

Xiong Ying’s smile made Chen Ping feel as if he were bathed in spring breeze instantly!

The youngest sister’s brother, who was standing next to her, started drooling instantly!

“Brother, look at what you have become. Isn’t it embarrassing?”

The youngest sister looked at her brother and said with disgust!

“Don’t worry about me, you should take care of your brother-in-law. He talks to other girls in front of you!”

Chapter: 7650

The youngest sister’s brother said!

The youngest sister was so angry that she ignored him. There was nothing she could do about her brother!

After another half an hour, everyone finally reached the top of the mountain. In front of the top of the mountain was a bottomless abyss!

But there are no fairy stone veins on the top of the mountain. If there were, Chen Ping would be able to detect it. After all, the spiritual power in the fairy stone is different from that of ordinary spirit stone!

“It seems there is no fairy stone vein here?”

Chen Ping looked at Xiong Ying in confusion and asked!

“Follow me...”

After saying that, Xiong Ying actually jumped into the abyss!

Upon seeing this, Chen Ping and the others also jumped down. Although it was a bottomless abyss, for cultivators like them, it was nothing to be afraid of. After all, they could already fly!

Just as everyone was falling rapidly, a hole suddenly appeared on the cliff. The hole was not big and could only accommodate one person!

Xiong Ying steadied himself and then walked into the cave!

Chen Ping and the others entered one after another. As soon as he entered the cave, Chen Ping sensed the breath of the fairy stone!

The cave was very dark. Chen Ping immediately raised a ball of fire from his palm, illuminating the surroundings!

After walking for a distance along the cave entrance, I saw some scattered fairy stones inlaid on the stone walls around the cave!

Although it doesn't look like a lot, compared to not being able to find a fairy stone in a year or two outside, this place can be called a mineral vein!

"So many fairy stones, so much money..."

When the youngest sister's brother saw the fairy stones around the cave wall, he became a little crazy and hurriedly dug out the fairy stones with his hands!

But the fairy stone seemed to be growing on the stone wall. No matter how hard the youngest sister's brother tried, he couldn't knock down a single fairy stone!

"This stone wall is extremely hard. If you want to dig out the fairy stone, you have to take your time and consume a lot of spiritual energy."

Seeing this, Xiong Ying hurriedly explained!

If you just tap randomly, you can get a fairy stone. I guess the brother and sister Xiong Kuo and Xiong Ying would have already got a lot of fairy stones!

Chen Ping saw a fist-sized fairy stone, then walked forward, and burned the stone wall with the fire rising from his palm!

Then he snapped his hands and the fairy stone fell out.

“Is this stone wall afraid of fire?”
