

The Order 7651

Chapter: 7651

Seeing this scene, Xiong Ying asked in shock!

The brother and sister tried their best but didn't get many of them. They were taken to the Beast City to be sold and they were even arrested!

"After being roasted with flames, the stone wall will become less hard, and the fairy stone will be easier to mine."

Chen Ping nodded, and then continued: "Does anyone else know about this mineral vein?"

"No more, only us two siblings know about it, and now there are you too!"

Xiong Ying shook his head and said!

Chen Ping looked at the fairy stones in the cave. He knew that with just a few of them, it would be impossible for them to mine all the fairy stones in the cave!

He now has to find someone to cooperate with, as the saying goes, cooperation is a win-win situation!

But who can mine fairy stones?

Chen Ping thought of Liu Zhongnan. After all, Liu Zhongnan purchased fairy stones in Beast City and knew a lot about this aspect!

But on second thought, Liu Zhongnan is too scared of death, and he is also a member of the City Lord's Mansion of Beast City. If I really tell Liu Zhongnan about this mineral vein, this guy will probably take it for himself!

This guy is too greedy and afraid of death. In addition, as a member of the City Lord's Mansion, Chen Ping eliminated Liu Zhongnan!

Chen Ping thought of Baicheng, but he also felt that it was inappropriate. Baicheng was General Xing's guest official. If Baicheng knew about it, I'm afraid General Xing would also know about it!

Chen Ping didn't want General Xing to know. Now his strength was inferior to others. If the other party tried to seize the fairy stone mine, Chen Ping would have no way to stop it!

Suddenly, Chen Ping thought of someone, that was Uncle Qian, whom his youngest sister brought him to see when they just entered the Beast City!

Uncle Qian is not from the City Lord's Mansion, and he is also a human. It is impossible for him to follow the people from the Beast City!

In addition, Uncle Qian's strength has reached the fourth level of the Mahayana realm, which is enough to kill everyone!

At that time, when Uncle Qian knew that I was also a human cultivator, he acted very friendly to me.

"It's him..."

Chen Ping secretly made up his mind and decided to cooperate with Uncle Qian to mine the mine of the fairy stone!

Chen Ping knew that he could not stay in the Beast City for long, so he had to find someone to cooperate with to mine the fairy stones in a short time!

After thinking it over, Chen Ping looked at the others and said, "Wait for me here. I'm going to do something. When I'm not around, don't mine the fairy stones by yourself. Save your spiritual power to prevent any accidents." !"

"Brother Chen...are you going to rescue my brother?"

Xiong Ying has already told Chen Ping the location of the fairy stone mine, so Chen Ping should go and rescue his brother!

Chapter: 7652

"Yes, I'm going to rescue your brother!"

Chen Ping nodded and said!

"Thank you!" Xiong Ying smiled at Chen Ping!

Chen Ping's body trembled slightly. This Xiong Ying looked so beautiful when he smiled!

Chen Ping hasn't felt this way for some time, but as a man who has seen countless people, Chen Ping is not so anxious about the matter of dual cultivation!

After all, he has Zhongli by his side now, and there is never a shortage of women around him, and every one of them is a beauty!

Chen Ping walked out of the cave and headed straight for the Beast City!

At this time, in a general's mansion in Beast City, a corpse was placed in the yard!

The corpse belonged to Qiu Yu. Qiu Tu looked at his brother's corpse with mixed feelings!

The man wearing a general's uniform and with a heavy face was Qiu Tu's father Qiu Wanqing.

Qiu Wanqing did not look very sad, and his eyes were full of solemnity.

"Tu'er, you said that your brother was killed by a ninth-grade cultivator in the Tribulation Realm, and you were no match for him?"

Qiu Wanqing asked Qiu Tu!

"Father, it's like this, and I've done some research. This guy's name is Chen Ping, and he's already a guest official of Xing Daorong."

Qiu Tu nodded and said!

The Xing Daorong mentioned by Qiu Tu is none other than General Xing, one of the three best generals!

"Xing Daorong's guest official dared to kill my son. It seems that the feud between him and me will erupt ahead of time!"

After Qiu Wanqing finished speaking, he slowly raised his head and looked towards the south, because to the south of him was exactly the general's mansion of Xing Daorong!

"General, we have found the guy who disrupted the fairy stone market and secretly bought up the fairy stones!"

At this time, the housekeeper of the Qiu family walked into the courtyard and said to Qiu Wanqing!

"Tu'er, take the others to have a look. If you can subdue them, then do your best to subdue them. Don't fight and kill them anymore."

"We must prepare the fairy stones as soon as possible, the agreed time is almost here!"

Qiu Wanqing followed Qiu Tu and said!

"Father, my brother's body..."

"It's burning..."

Qiu Wanqing said casually, as if Qiu Yu was just an ordinary person, not his son!

Chapter: 7653

Qiu Tu was not surprised at his father's attitude, because in Qiu Wanqing's eyes, power was more important than his own son!

You can have another son if you lose him, but you have lost your rights, and it will be troublesome if you want to take them back!

Now Qiu Wanqing's energy is all focused on controlling the entire Beast City. There are now three beast generals in the Beast City, each controlling one side. Qiu Wanqing wants to subdue the other two beast generals and then command the entire Beast City!

The city lord hasn't shown up for a long time. He will definitely ascend to become an immortal in the end. After the city lord ascends, a new city lord must appear in Beast City!

Qiu Wanqing wants to be the new city lord, so before the city lord ascends to heaven, he must develop his own power and swallow up the other two beast generals in one fell swoop!

In fact, among the three beast generals, not only Qiu Wanqing thought so, the other two beast generals also thought so!

Xing Daorong also wants to become the city lord in the end, otherwise he would not be trying to win over guests everywhere and promise them a lot of benefits!

Qiu Tu took his men away to look for the guy who purchased the fairy stones privately!

"Sir, this is it. We have already found out that the owner of this courtyard is Qian Yue, a human cultivator who has been hiding his aura and has been secretly buying fairy stones at high prices in Beast City."

The housekeeper of the Qiu Mansion reported to Qiu Tu in a low voice!

Looking at the unremarkable courtyard in front of him, Qiu Tu said, "Send people to surround this place, and ask Master Luan to come over. There must be a formation in this courtyard."

"Father said that we should try to subdue them and stop fighting and killing. We also need more people now!"

Qiu Tu knew that there was a formation in the courtyard and he couldn't force his way in. Moreover, a human cultivator who had been hiding in the Beast City for a long time and secretly purchased fairy stones must have some skills. Qiu Tu wanted to take the money. They use it!

"Sir, we have sent people to surround this place, and Master Luan is on the way..."

The butler said!

After hearing this, Qiu Tu looked at the butler with great appreciation. After all, to be able to become the butler of the Qiu family, he definitely has the ability to read people's expressions!

A few minutes later, an old man wearing a green robe and a goatee was invited in!

This old man is the Master Luan mentioned by Qiu Tu, a master of formations!

The master of formations is very respected in Beast City!

"Master Luan..."

Seeing Master Luan coming, Qiu Tu and the housekeeper hurried forward to salute!

"Mr. Qiu, what do you want to talk to me about?"

Master Luan asked!

"Master Luan, there is a human cultivator hiding in this house. I guess there must be a formation set up in this house, so please help break the formation and don't alarm the people inside."

Chapter: 7654

Qiu Tu said!

“It’s a small matter...” Master Luan said, and a rune flashed in his palm!

Then he waved his hand gently, and the rune slowly dissipated. Then, around the entire house, a faint white light flashed, and then there was no reaction at all!

“That’s enough...”

Master Luan said lightly!

“That’s all?” Qiu Tu was very shocked, and then he couldn’t help but praise: “Master Luan is worthy of being a famous formation master, he is really amazing!”

“I can easily break this kind of low-level formation. It’s nothing special.” Master Luan said proudly!

After breaking the formation, Qiu Tu and his men instantly rushed into the courtyard!

At this time, Qian Yue was still sorting out the fairy stones he had purchased. He planned to ask Chen Ping to come and get them. After all, if he had too many fairy stones in his hands, it would attract the attention of the City Lord’s Mansion!

Because the entire house was protected by a formation, Qian Yue never thought that someone could break in without him knowing, so he let down his guard!

By the time he realized someone was coming, it was already too late!

Qiu Tu and his men kicked open the door and appeared in front of Qian Yue!

Qian Yue was stunned. There were fairy stones piled up in front of him!

“How dare you secretly buy and sell fairy stones in Beast City!”

Qiu Tu looked at the fairy stone in front of Qian Yue and immediately shouted angrily!

The reason why Qiu Tu did not directly point out Qian Yue’s identity as a human cultivator was because he was afraid that Qian Yue would become desperate and fight to the death!

Privately reselling fairy stones is not a particularly serious crime, but if a human cultivator lurks in the Beast City and dares to do such a thing, he will definitely be sentenced to death!

“Mr. Qiu?”

Qian Yue was a little shocked when he saw that it was Qiu Tu who brought people here personally!

After all, this kind of thing is usually done by the law enforcement team of Beast City. How could someone of Qiu Tu’s status personally lead people to arrest those who resell fairy stones!

“Since you recognize me, it will save you trouble. Just confess your crime and avoid the pain of being punished.”

Qiu Tu snorted coldly and said!

Qian Yue was relieved to see that Qiu Tu did not notice his human identity, then lowered his head and said: "Mr. Qiu, I am guilty. I resold the fairy stones privately. I plead guilty and accept the punishment..."

Qiu Tu was very satisfied when he saw Qian Yue's attitude. This kind of person is the easiest to conquer!

Chapter: 7655

"You will definitely be punished for reselling fairy stones privately, but seeing that you have a good attitude, I will spare you from jail and confiscate these fairy stones."

Qiu Tu said!

Qian Yue looked at Qiu Tu in disbelief, and said in shock: "What Mr. Qiu said is true, I really don't have to go to jail?"

"Of course, there are many people who are privately reselling fairy stones, and there are also people who steal from the official purchasing points. There are many such cases nowadays, and we just turn a blind eye to them!"

Qiu Tu said casually!

Qian Yue was a little confused. He couldn't believe that these were the words that came out of Qiu Tu's mouth!

You know, Qiu Tu represents the City Lord's Mansion. Could it be that the City Lord's Mansion is so tolerant of the private reselling of fairy stones?

“Master Qiu, this...”

For a moment, Qian Yue didn't know what to say. Qiu Tu's attitude made him feel a little unreal!

“You are reselling fairy stones privately just to make a living. I can understand that.”

“But this time I found out and arrested you. If it was someone else from the General's Mansion, you might not be so lucky.”

“I think it would be better if you continue to purchase your fairy stones, but you have to send them to our house.”

“Of course we will let you earn the difference, so you don't have to worry so much!”

Qiu Tu walked up, patted Qian Yue on the shoulder and said!

Qian Yue's eyes widened with disbelief, and his breathing became rapid due to excitement!

“Mr. Qiu, are you telling the truth?”

Qian Yue asked!

“Of course it's true. From today on, you belong to our Qiu Mansion. No one will dare to investigate you anymore.”

After Qiu Tu finished speaking, he approached Qian Yue and said, “I know you are a human, but we in the Qiu family never discriminate against other races, so you don't have to worry!”

Qiu Tu's words were like a blockbuster bomb, exploding heavily in Qian Yue's heart!

He never expected that Beast City would no longer discriminate against other races. Did this mean that other races were allowed to appear in Beast City?

If that's the case, then why would he join the resistance alliance? There's no need to resist at all!

"Master Qiu, I, Qian Yue, am willing to serve you like a dog and a horse, and I will go through fire and water without hesitation!"

Qian Yue excitedly knelt down at Qiu Tu's feet!

Chapter: 7656

Living in this beast city, Qian Yue has always been in fear, afraid of being discovered, and he even dares not go out on the street!

Now if I become a member of the Qiu family, I will no longer be afraid and can run around in the streets!

"Hahaha, very good. As long as you work hard, you will not lack resources. In our Qiu Mansion, all three races, human, demon and beast, are equal."

Qiu Tu laughed loudly!

"I will try my best!" Qian Yue's body was shaking slightly with excitement!

“Okay, I’ll take the fairy stones away, but you won’t be short of purple gold coins.”

After Qiu Tu finished speaking, he directly threw a bag of purple gold spirit coins to Qian Yue!

“Master Qiu, these fairy stones are my tribute to the Qiu family. They are my greeting gift!”

Qian Yue didn’t dare to take the purple gold spirit coin!

“We in the Qiu Mansion never do this. Just take the money and collect more fairy stones in the future!”

Qiu Tu dropped the purple gold spirit coins, then ordered his men to take the fairy spirit stones and leave!

Qian Yue looked at the purple gold spirit coins in front of him and for a moment he felt like he was dreaming!

He never expected that his final outcome would be like this!

I became a member of the Qiu family without knowing it, and the other party was very generous!

Qian Yue decided to stay with the Qiu family in the future. As for the promise he made to Chen Ping to help him purchase the fairy stones, Qian Yue had already forgotten about it!

When Chen Ping comes, just return the purple gold spirit coins to him!

Qiu Tu walked out of the courtyard with a sneer on his face!

He didn't expect that the money could be bought by just a few words from him, without even paying any price!

The reason why Qiu Tu asked Qian Yue to continue to secretly purchase fairy stones was also to avoid attracting the attention of other beast generals!

The fairy stones purchased by the government are all registered. No one can hide it from the other party. They have all passed through the hands of the three beast generals!

It is precisely because of this that the three beast generals were too lazy to take care of it, resulting in the official purchasing points embezzling money!

In fact, the three beast generals are each secretly developing their power and hoarding resources, but they must do it in secret!

This is also the reason why Qiu Tu asked Qian Yue to secretly purchase fairy stones for the Qiu family!

Not long after Qiu Tu left, Chen Ping also arrived here!

Chapter: 7657

If it was a little later, the two of them would probably have bumped into each other!

It would be fun if we met!

In this beast city, Chen Ping probably won't be able to gain any advantage if he fights against Qiu Tu!

As soon as Chen Ping entered the door, he ran into Qian Yue who was about to go out!

“Uncle Qian, are you going out?”

Chen Ping asked curiously!

You have to know that Qian Yue is a human cultivator. He is afraid of being caught even if he hides at home, so how can he dare to go out!

“No, I heard some noise and came out to check. I didn’t expect it to be you. Come in!”

Qian Yue lied and invited Chen Ping in!

He couldn’t let Chen Ping know that he had joined the Qiu Mansion. After all, Chen Ping was also a human cultivator, and he also asked him to help purchase fairy stones!

If Qian Yue revealed now that he had joined the Qiu family, he was afraid that Chen Ping would hold a grudge against him!

After entering the house, Chen Ping said, “Uncle Qian, I...”

“Chen Ping, I can’t help you buy the fairy stones. The inspections have been strict recently. I’ll just give you the money!”

Having said that, Qian Yue returned the purple gold spirit coin to Chen Ping!

Chen Ping took the purple gold spirit coin and said, "Uncle Qian, I'm not here to talk about buying the fairy spirit stones. I'm here to seek cooperation with you."

"Cooperation? Cooperation on what?"

Qian Yue asked doubtfully!

After Chen Ping casually cast a shielding formation, he whispered to Qian Yue: "Uncle Qian, I found a vein of fairy stone and would like to cooperate with you to mine it."

"What? Fairy Stone Mine?"

Qian Yue was shocked, his voice instantly became louder, his eyes widened, and he had an incredible expression!

"Yes, the fairy stone vein contains a lot of fairy stones. If we cooperate in mining, you don't have to buy fairy stones secretly!"

Chen Ping nodded and said!

"Impossible! How could there still be a mine of fairy stones? I haven't heard of a mine of fairy stones in years!"

Qian Yue shook his head and didn't believe it at all!

Chapter: 7658

“I didn’t believe it at first, but I saw it with my own eyes, so it can’t be fake.”

“If you don’t believe me, you can come with me to take a look, and then you can decide whether to cooperate with me or not!”

Chen Ping said to Qian Yue!

Qian Yue nodded quickly and said, “Okay, I’ll go with you to take a look. If there really is a vein of fairy stone, I will definitely cooperate with you!”

If there is a mine of fairy stone here, I would really get rich!

Qian Yue followed Chen Ping out of the city and headed straight for the fairy stone mine!

When he jumped off the cliff and entered the cave, Qian Yue was completely shocked!

He never imagined that there was a fairy stone mine hidden in such a place!

“Uncle Qian?”

Seeing Qian Yue, Yaomei was a little surprised. She didn’t expect that Chen Ping actually brought Qian Yue!

The youngest sister’s brother also knew Qian Yue. After all, he had sold fairy stones to Qian Yue before!

We are old acquaintances, but the fewer people who know about this fairy stone mine, the better!

Now Chen Ping suddenly brought more money, which made the youngest sister's brother very puzzled!

"It's impossible for us to mine this fairy stone vein with just a few of us, so I asked Uncle Qian to cooperate with us."

Chen Ping explained!

"Where's my brother?"

Xiong Ying doesn't care about the fairy stone mine, she only cares about her brother!

"Don't worry, I'll bring your brother over once I'm done with things here."

Chen Ping comforted Xiong Ying and said!

Seeing this, Xiong Ying nodded. She still trusted Chen Ping!

After all, Chen Ping looked relatively decent, unlike that little sister's brother, who looked at her with lustful eyes and a wretched look, which made Xiong Ying very disgusted!

"I am willing to cooperate. Just leave the mining of fairy stones to me!"

After happily looking at the fairy stone vein, Qian Yue said to Chen Ping excitedly!

"Well, I'll leave this vein to you. I have other things to do."

Chapter: 7659

“Give me all the fairy stones you have mined. I will buy them at a price higher than the market price and will not let you suffer any loss!”

Chen Ping said to Qian Yue!

“No problem, leave it to me, don’t worry!”

Qian Yue nodded and said!

“Brother-in-law, you’re just handing this fairy stone mine over to someone else and leaving it alone. Aren’t you afraid?”

The youngest sister’s brother asked Chen Ping in a low voice!

“Employ people with confidence, and don’t employ people you don’t trust. You are here to watch over us!”

“I’ll go and release Xiong Kuo. Xiong Kuo will be there by then, so he’ll be fine!”

Chen Ping smiled slightly and left directly!

Chen Ping seemed to trust Qian Yue too much!

Chen Ping had no idea that after he left, Qian Yue immediately contacted Qiu Tu!

Even though he had found a mine of fairy stones, Qian Yue knew that he had no way of swallowing it!

If you want to maximize your benefits, then notify Qiu Tu!

Only by following the Qiu family can he get the greatest benefit!

As for Chen Ping's trust, Qian Yue didn't care at all. In this society, trust is nothing. Can it be used to make a living?

.....

Beast City, Xing Mansion!

Chen Ping found Xing Daorong and wanted to get an amnesty order from him and release Xiong Kuo!

When Chen Ping arrived at the Xing Mansion, he found that the entire mansion was filled with a murderous atmosphere and everyone looked solemn!

"Bai Cheng, what's wrong? Did something happen?"

Chen Ping felt the murderous atmosphere in Xing Mansion, so he asked Bai Cheng!

"Mr. Chen, the Qiu Mansion is mobilizing troops and may attack us, so General Xing is also actively preparing for war."

Bai Cheng followed Chen Ping and said!

“Then why did the Qiu family suddenly take action? Isn’t there a famous beast general here? What is his attitude?”

Chapter: 7660

Chen Ping was very puzzled as to why the Qiu family suddenly wanted to attack the Xing family!

“I don’t know either. General Xing just told us to be prepared. I don’t know anything else!”

Bai Cheng shook his head and said!

Chen Ping knew that Bai Cheng was just an ordinary guest official and it was impossible for him to know many inside stories. Moreover, Bai Cheng was not the most prestigious one among the many guest officials!

“Where is General Xing? I need to see him about something!”

Chen Ping asked!

“He’s in the hall, talking to some commanders in the mansion. Otherwise, you can go find him later!”

Bai Cheng followed Chen Ping and said!

Chen Ping nodded and planned to wait outside. He didn’t want to get too involved in internal strife like this!

Although he is now considered a guest official of the Xing Mansion, he has no choice but to do so. He will have to leave sooner or later!

“Mr. Chen, General Xing invites you...”

At this time, the door of the hall opened and a commander spoke to Chen Ping!

“Please me?”

Chen Ping was stunned. He didn't expect that General Xing already knew that he was back, so he followed the commander into the hall!

At this moment, there were only six commanders in armor in the hall, and not a single guest!

It can be seen that guests are still excluded from such confidential matters. After all, guests are just helpers and guests, not real people of the Xing Mansion!

“Chen Ping, please sit down...”

Seeing Chen Ping coming in, Xing Daorong said slowly!

Chen Ping found a seat and sat down, then asked, “General Xing, I wonder why the Qiu family suddenly wanted to take action?”

Xing Daorong did not answer Chen Ping, but asked Chen Ping: “You left the city?”

“Not bad...” Chen Ping nodded!

“You killed Qiu Wanqing’s son Qiu Yu?”

Xing Daorong continued to ask!

Chen Ping was slightly stunned, then nodded and said, “Yes, but he followed me and wanted to kill me first.”
