

The Order 7661

Chapter: 7661

“Could it be that the Qiu family suddenly wanted to take action because I killed his son?”

Chen Ping felt that this was somewhat unlikely. Although he was a guest official of the Xing Mansion, he was just a guest official!

If I kill Qiu Yu, the Qiu family can definitely ask me for revenge. It is impossible for them to start a war and follow the Xing family in taking action over this matter!

After all, the guest official is just a guest and cannot be considered a member of the Xing Mansion!

“You killed Qiu Yu, it was just an inducement. Qiu Wanqing had already taken action against us.”

“During this period of time, you should not walk around in the Beast City at will, to prevent the people from the Qiu Mansion from doing harm to you.”

“I’ll have someone prepare some more resources for you. You can practice at home.”

Xing Daorong doesn’t intend to let Chen Ping leave the house!

Upon hearing this, Chen Ping hurriedly said, “General Xing, I want to ask for a pardon order and rescue another person from the prison!”

“No problem, but the prison is in chaos right now. Captain Zhou was also killed, and General Yan is very angry!”

“After all, the prison is his sphere of influence, and Captain Zhou is also his man. He is currently investigating.”

“I’ll let Bai Cheng take you there. You can rescue whoever you want. I guess the prison will be reorganized in a while.”

Xing Daorong said!

“Captain Zhou was killed by the eldest son of the Qiu family. I was at the scene at the time...”

Chen Ping described the situation in detail!

When Xing Daorong heard this, he couldn’t help but frowned, and then said: “Don’t tell anyone about this, go to the prison and save him!”

Xing Daorong casually threw a pardon order to Chen Ping!

Although Chen Ping was puzzled as to why Xing Daorong did not allow him to tell anyone about this matter, wouldn’t it be better to join forces with the Yan Mansion to deal with the Qiu Mansion? But Chen Ping didn’t ask any more questions and left with the amnesty order!

Chen Ping followed Bai Cheng to the prison and used the amnesty order to release Xiong Kuo!

When Xiong Kuo walked out of the prison, even a tall and strong man burst into tears!

“Mr. Chen, thank you so much. I wonder if Mr. Chen has seen my sister. Is she okay?”

Xiong Kuo asked Chen Ping!

“Your sister is very nice, but there is one thing, why don’t you tell the truth?”

Chen Ping looked at Xiong Kuo and said!

Chapter: 7662

Xiong Kuo was stunned: “Mr. Chen, I don’t know where I didn’t tell the truth?”

“Your sister is obviously very beautiful, why do you say that she is just average?”

Xiong Ying can be considered a beauty, but Xiong Kuo actually said she was more like his sister!

“Really? I really think my sister is just average, nothing pretty.”

Xiong Kuo said with an innocent look!

Looking at Xiong Kuo’s expression, Chen Ping was speechless. It seemed that he really could not see the beautiful side of his closest relatives!

After all, living together all day long, all you see are their shortcomings, and you might even end up fighting!

“Go to the fairy stone mine. Your sister is there. I have already found someone to mine the mine.”

“But don’t worry, there will be a share for you in this.”

Chen Ping asked Xiong Kuo to leave the city and go to the fairy stone mine. After all, the fairy stone mine was discovered by Xiong Kuo, and Chen Ping couldn't just kick him out!

Moreover, Xiong Kuo has the strength of Mahayana realm. Compared with the youngest sister and Xiong Ying, his strength is still stronger, and he can also supervise Qian Yue!

After Xiong Kuo left, Chen Ping returned to the Xing Mansion. He also planned to take advantage of the free days and use the resources in his hands to practice!

He must strive to break through to the Mahayana realm as soon as possible. Only when he reaches the Mahayana realm will he not be afraid of these people in Beast City!

But Chen Ping had no idea that Qiu Tu had already led his men to the fairy stone mine!

Looking at the fairy stone shining in front of him, Qiu Tu was so happy!

The youngest sister and her brother and Xiong Ying were all controlled. They were merely cultivators in the Tribulation Crossing Stage, so facing a cultivator in the Mahayana Stage, they didn't even have the ability to fight back!

"Master Qiu, now that we have the fairy stone mine, we can make a fortune."

Qian Yue looked at Qiu Tu excitedly and said!

"You did a good job. We in the Qiu family will never treat you unfairly."

"I didn't expect that you have just joined our Qiu Mansion and have already made such a great contribution. I wonder how you found this fairy stone vein?"

Qiu Tu asked Qian Yue!

"Mr. Qiu, a cultivator named Chen Ping wanted to cooperate with me to mine this fairy stone vein, so he brought me here."

"But he doesn't know that I have joined the Qiu Mansion..."

Qian Yue said!

"Chen Ping?" When Qiu Tu heard the name, his brows immediately frowned!

"Master Qiu, Chen Ping is the murderer of your brother. He used the sword to take your brother's beast core."

The youngest sister's brother was standing by and quickly spoke loudly!

The youngest sister's brother knew that if they didn't choose to stand on Qiu Tu's side at this time, they would most likely die!

So he directly betrayed Chen Ping!

"Brother, what are you talking about?"

When the youngest sister saw that her brother had betrayed Chen Ping, she was furious: "Are you still a human being? It was all thanks to Chen Ping that you were able to get out of prison!"

"What's the point of not having any merit? Saving your life is the most important thing..."

The youngest sister's brother is only thinking about surviving now!

Qiu Tu glanced at Na Yaomei's brother and sneered: "Let him go..."

The youngest sister's brother was released, and he immediately ran to Qiu Tu with a flattering look on his face: "Master Qiu, I am also willing to work for the Qiu family. I hope Master Qiu can give me a chance!"

"Are you very familiar with Chen Ping?" Qiu Tu looked at the youngest sister's brother and asked!

"I'm familiar with him. Chen Ping slept with my sister, so we are pretty close."

"But my sister was also forced. Chen Ping was very powerful, and we brothers and sisters could only follow him and swallow our anger."

The youngest sister's brother opened his mouth and lied without blushing!

It was clearly him who forced the youngest sister to sleep with Chen Ping, but now he says that it was Chen Ping who forced her!

He said this just to gain Qiu Tu's sympathy!

Chapter: 7663

“If I ask you to lure Chen Ping here, how confident are you?”

Qiu Tu asked!

Qiu Tu planned to let his youngest sister’s brother find Chen Ping, then lead Chen Ping to the fairy stone mine, and finally capture Chen Ping in one fell swoop!

The murder of my brother must be avenged!

Although Qiu Tu was defeated last time, he was very confident this time because Qiu Tu also brought Master Luan with him this time!

Master Luan is a master of formations. The two of them working together are definitely more than enough to deal with Chen Ping!

“Master Qiu, there is no need to lure Chen Ping. The Immortal Stone Mine is in our hands now. Are you still afraid that Chen Ping will not come?”

“Our top priority is to mine the fairy stones first, and then make preparations. As long as Chen Ping comes, we can just capture him!”

At this time, Qian Yue spoke!

Qiu Tu nodded and said, “You are right. This guy will definitely come back here to take a look. We just need to be prepared.”

“Master Luan, please help me set up a formation around this mineral vein. If Chen Ping comes back, we must trap him.”

“Don’t worry, sir. No one can escape from the magic circle I set up!” Master Luan said confidently!

“Master Qiu, Chen Ping is also a formation master and knows the art of formation.”

Qian Yue reminded Qiu Tu!

“Humph, even if he knows the art of formation, can he be better than me?”

When Master Luan heard this, he snorted unhappily!

Qian Yue was so frightened upon seeing this that he dared not speak any more. After all, he didn’t know what status and position this Master Luan held in the Qiu Mansion!

He had just joined the Qiu family, so it was better for him not to offend anyone!

“Master Luan is a high-level formation master. In fact, no one can compare to him.”

“Just take people to mine the fairy stones right away, and don’t worry about anything else!”

Qiu Tu said to Qian Yue!

“I understand!” Qian Yue nodded!

Master Luan began to set up the formation, while Qian Yue took his youngest sister and some cultivators from the Qiu Mansion to mine fairy stones!

As for the brother and sister Yaomei and Xiong Kuo, they were all temporarily detained!

Chapter: 7664

Chen Ping began to practice behind closed doors in the Xing Mansion!

He has a lot of resources on him, especially the hundred-year offering from the Demon Sealing Alliance and the fairy stones in Rota's storage bag!

This made it easy for Chen Ping to practice, and the Concentration Heart Technique ran rapidly, allowing Chen Ping's strength to continue to improve!

As long as Chen Ping has enough resources, he can improve his cultivation level very quickly!

One morning a few days later, the Xing Mansion was quiet and the sunlight shone through the clouds, dappling across the courtyard.

Chen Ping sat cross-legged in a quiet room, with faint fluctuations of spiritual energy surrounding him. His breathing was long and deep, as if he was resonating with the spiritual energy between heaven and earth.

As the spiritual energy in his body surged, powerful forces gathered in his body, impacting his existing cultivation barriers.

Chen Ping's face sometimes showed pain, and sometimes revealed determination and indomitable spirit. Obviously, he was experiencing the critical moment of breaking through the Mahayana realm.

Suddenly, the light in the quiet room became brighter, and an unprecedented spiritual power storm burst out from Chen Ping's body, illuminating the entire room.

For a moment, the entire sky of the Beast City was covered by dark clouds, and thunderbolts began to flash!

This sudden change confused many monks in Beast City, and they thought it was the end of the world!

“Oh my god, what’s going on? Such a terrifying thunder tribulation, could it be that someone has broken through to the Immortal Transformation Realm?”

“It’s been a long time since I’ve seen such a terrifying thunder tribulation. The last time I saw this kind of thunder tribulation was when the city lord broke through to the Immortal Realm.”

“Could it be that another Immortal Realm expert has appeared in Beast City?”

All the cultivators looked up and saw the lightning as thick as a bucket flashing in the dark clouds in the sky!

“What’s going on?” Xing Daorong also walked out of the room!

“General Xing, Mr. Chen should be about to break through to the Mahayana realm!”

Bai Cheng glanced at the room where Chen Ping was practicing and said!

“It’s just a breakthrough into the Mahayana realm, why is there such a commotion?” Xing Daorong was very puzzled!

After all, there are quite a few Mahayana cultivators in Beast City, and there are often cultivators breaking through to the Mahayana realm. But no one makes such a fuss when breaking through to the Mahayana realm!

“General Xing, don’t forget that Mr. Chen is from the Dragon Clan, a true Dragon Clan cultivator!”

Baicheng reminded Xing Daorong.

Xing Daorong stopped talking and stared at the thunderclouds in the sky!

The sky seemed to be stained with ink, and dark clouds gathered towards the mountain where he was from all directions. Each dark cloud seemed to carry a huge weight, making the air heavy and depressing.

Chapter: 7665

There were flashes of lightning and thunder in the dark clouds, and silver lightning flashed through the sky like dragons, foreshadowing that an unprecedented thunder disaster was about to come.

Chen Ping knew that the most critical moment had come. He took a deep breath, closed his eyes, and the spiritual power in his body rushed like a river, gathering in his dantian and forming a powerful force.

He felt the fluctuations of spiritual energy between heaven and earth and resonated with them, as if at this moment he had become one with the entire world.

As the first lightning streaked across the sky, the thunder tribulation officially began.

It was a thick silver lightning that struck Chen Ping’s head with a whistling sound that tore through the air.

Chen Ping gritted his teeth and used his body to endure the thunder tribulation.

However, this was only the beginning of the thunder tribulation. Immediately afterwards, more thunder tribulations came towards him like a violent storm, each carrying the power to destroy the world.

Chen Ping's figure appeared and disappeared in the thunder tribulation. Every time the lightning struck him, he felt an unprecedented pain, as if millions of sharp blades were cutting his body.

But Chen Ping did not retreat. He gritted his teeth and persisted, using his willpower to support his body, fighting a desperate battle with the thunder.

During this process, Chen Ping's body underwent unprecedented tests.

The power of the thunderbolt left charred marks on his skin, and some places were even bloody.

However, the spiritual power in his body was constantly repairing these wounds, and every repair made his physical strength take a qualitative leap.

More importantly, Chen Ping's mental strength was also sublimated under the baptism of thunder.

He felt the will of heaven and earth contained in the thunder and lightning, a primitive and pure power, like the deepest call of nature.

He tried to understand this power, to feel the mystery within it, to let his soul resonate with the heaven and earth, and thus achieve a transcendent state.

As time went by, the thunderstorm gradually reached its climax.

Lightning bolts as thick as dragons fell from the sky, and each strike was enough to destroy a mountain.

Chen Ping's spiritual energy was boiling throughout his body, as if he had merged into one with the thunder and lightning between heaven and earth.

He was no longer just defending passively, but taking the initiative to attack, using the power of thunder and lightning to fight against the thunder tribulation, showing amazing control and combat effectiveness.

Finally, after a deafening roar, the last lightning disappeared in the sky, and the thunder clouds also dissipated, revealing the long-lost clear sky.

The house where Chen Ping lived had long been reduced to ashes, but he was still standing there, in tattered clothes and disheveled hair, but his eyes were brighter and deeper, as if he had seen through the mysteries of the world.

At this moment, his heart was filled with awe and understanding of strength, life, the world and heaven. He knew that this was just a new beginning and the road ahead was still very long.

“boom!”

Accompanied by a deafening roar, the aura around Chen Ping suddenly expanded, as if it was going to tear the entire world apart.

Chapter: 7666

In an instant, the fluctuations of his spiritual energy subsided, but his calmness and depth became even stronger than before. This was the unique temperament of a powerful Mahayana master.

There was a dazzling light flashing in Chen Ping's eyes, which was the joy and confidence after the breakthrough.

He felt the surging power in his body and a satisfied smile appeared on the corner of his mouth. He knew that he had finally entered the Mahayana realm and his strength had made a qualitative leap.

“Mr. Chen Ping, congratulations on breaking through the Mahayana realm...”

Bai Cheng rushed forward immediately and congratulated Chen Ping!

Chen Ping broke through to the Mahayana realm. Only Bai Cheng knew how awesome Chen Ping was at this moment!

Although he is only at the first level of Mahayana realm, Chen Ping will never take the fifth level of Mahayana realm cultivator seriously at this moment!

Xing Daorong also hurried forward, unable to conceal his excitement, and said, "Fellow Daoist Chen, the commotion you have created by breaking through the Mahayana realm is even more lively than that of the Immortal Realm."

"The whole Beast City will surely be filled with rumors soon, saying that someone from my Xing Mansion has broken through to the Immortal Transformation Realm..."

Xing Daorong was very excited at this moment. The movement of Chen Ping's breakthrough to the Mahayana realm was comparable to the immortal realm!

It would be great if this led everyone to misunderstand that someone in their Xing Mansion had broken through to the Immortal Transformation Realm!

In this way, no one would dare to attack their Xing Mansion!

"General Xing, you are joking. It is just a breakthrough to the Mahayana realm. It is a far cry from the Immortal Transformation realm."

Chen Ping smiled faintly!

Chen Ping was also very happy to be able to break through to the Mahayana realm!

“General Xing, I’ll take Mr. Chen to change his clothes and wash up first!”

Baicheng said!

At this moment, Chen Ping’s clothes were tattered and he looked like he had been struck by lightning. He definitely needed to wash up!

“Go quickly...”

Xing Daorong waved his hand and said!

Chen Ping followed Bai Cheng to wash up!

At this moment, the entire Beast City was in an uproar!

Especially the other two generals’ mansions, it was obvious that the thunder tribulation was heading for the Xing Mansion, which proved that someone in the Xing Mansion had made a breakthrough to a great realm!

But what kind of great realm would bring about such a terrifying thunder tribulation?

Chapter: 7667

Besides the realm of immortality, what other realms are there?

“General, this thunderbolt is indeed heading for the Xing Mansion. It seems that someone in the Xing Mansion has achieved a breakthrough!”

In the Qiu Mansion, a commander said to Qiu Wanqing!

“I know, but what realm can such a terrifying thunder tribulation break through?”

“It can’t be the Immortal Transformation Realm, right? Xing Daorong is only at the eighth level of the Mahayana Realm. How could he be able to break through the Immortal Transformation Realm so quickly?”

Qiu Wanqing frowned slightly!

“General, could it be that this is the guest official that Xing Daorong secretly invited? The Xing Mansion has quite a few guests. If there is a ninth-rank Mahayana guest official, it would be a good opportunity for him to break through.”

Someone said!

“Impossible, how could a ninth-grade Mahayana cultivator be a guest of Xing Daorong? Moreover, ninth-grade Mahayana cultivators are extremely rare in the entire Beast City, otherwise the three of us would not have become Beast Generals.”

“Keep a close eye on the Xing Mansion. Don’t provoke them for now. Wait until Tu’er has mined enough fairy stones before making plans.”

Qiu Wanqing didn’t believe that anyone in the Xing Mansion had broken through to the Immortal Transformation Realm. This was impossible!

“I understand!” the commander nodded!

At the same time, in the ancient tree space in the prison, the city lord was practicing with great concentration, but he was also awakened by the terrifying thunder tribulation!

“Someone is going through a thunder tribulation? A thunder tribulation that can disturb my quiet cultivation, could it be that someone has broken through to the Immortal Transformation Realm?”

The city lord frowned slightly, and there were obviously many doubts in his eyes!

The Beast City has been hidden for thousands of years, and he knows very well the level of the cultivators in the entire Beast City!

It is impossible for a cultivator to break through to the Immortal Transformation realm at such a fast speed!

But the thunder tribulation just now was obviously not an ordinary thunder tribulation, and it disturbed his own cultivation!

If it was a thunder tribulation of an ordinary Mahayana cultivator, he would not be disturbed at all!

“It looks like we need to send someone to investigate...”

The city lord sighed softly, then slowly closed his eyes!

Xing Mansion!

Chen Ping changed his clothes, looked at his resources, and couldn't help but sigh!

Although he had broken through to the Mahayana realm, the Demon Sealing Alliance's century-long offerings were almost gone!

Chapter: 7668

Even Chen Ping had consumed most of Narota's fairy stones!

A Mahayana realm consumes so many resources, what will happen in the future?

By the time you are promoted to the Immortal Realm, you won't know whether the resources of the entire heavenly world will be enough for you to use!

"It seems that we need to hurry up and collect resources in the future..."

Chen Ping muttered helplessly!

"Mr. Chen, what did you say?"

Bai Cheng didn't hear clearly, so he asked!

"Oh, nothing. Go tell General Xing that I need to go out of town!"

Chen Ping plans to go and check out the fairy stone mine. It has been several days now, and a batch of fairy stones should have been mined!

"Mr. Chen, if you leave the city now, you must be careful not to be discovered by the people from the Qiu Mansion."

Bai Cheng reminded Chen Ping!

“I understand!” Chen Ping nodded, then left Xing Mansion!

Chen Ping came to the top of the mountain with ease and looked at the cliff in front of him. He knew that he could find the entrance to the mine by just jumping down!

At this moment, a simple building has been built on the top of the mountain. This should be the one built by Qian Yue!

Chen Ping walked towards the building!

“Chen Ping...”

Qian Yue walked out of the building and happened to see Chen Ping with a hint of excitement in his eyes. When he saw that Chen Ping had actually been promoted from the Tribulation Realm to the Mahayana Realm, Qian Yue was obviously stunned!

“You actually broke through to the Mahayana realm. That’s amazing!”

Qian Yue praised Chen Ping!

“It’s just a breakthrough...”

Chen Ping smiled modestly, then asked, “Uncle Qian, how is the mining of fairy stones going?”

“I have found a lot of people these days and have mined a batch of them. They are all stored in the cave. Do you want to take a look?”

Qian Yue said!

“Sure!” Chen Ping nodded, then looked around and asked, “Uncle Qian, where are Xiaomei and the others? Are they also mining in the vein?”

Chapter: 7669

“No, they may have gone to play nearby. They are not needed for mining fairy stones.”

Qian Yue said with a smile!

Chen Ping did not suspect anything and followed Qian Yue into the mine!

But as soon as he entered the mine, Chen Ping stopped, looked around, and frowned slightly!

Looking at Chen Ping’s expression, Qian Yue’s heart skipped a beat.

“What’s wrong?” Qian Yue asked in a low voice!

“Oh, it’s okay!” Chen Ping shook his head!

Seeing Chen Ping say this, Qian Yue secretly breathed a sigh of relief!

But after taking two steps, Chen Ping stopped again and looked around again!

Qian Yue was stunned, then stood beside Chen Ping, his eyes constantly moving, as if thinking about something!

“Uncle Qian, during the few days I was away, you didn’t look for anyone else to come here, right?”

“And are these monks you found to mine fairy stones reliable?”

Chen Ping asked about the money!

“Reliable. The person I’m looking for must be reliable. And I definitely haven’t told anyone else about what happened here.”

“Don’t you believe me?”

Qian Yue pretended to be a little angry and said!

“Brother-in-law, you are here. We have mined hundreds of fairy stones in the past few days. We are rich!”

At this time, the youngest sister’s brother came out of the cave, and after seeing Chen Ping, he said excitedly!

Seeing the youngest sister’s brother, Chen Ping’s vigilant expression relaxed a lot!

“Xiong Kuo has been here, right?”

Chen Ping asked to his youngest sister’s brother!

“He has been here. He said he had some things to do and left with Xiong Ying. He will probably be back in a few days.”

“When I left, I gave them ten fairy stones, which can be exchanged for a lot of money.”

“After all, they were the ones who discovered this fairy stone mine, so now they must have a share of it.”

Chapter: 7670

The youngest sister’s brother nodded and said!

Chen Ping looked at his youngest sister’s brother and felt a little strange. When did this guy become so sensible!

He also gave ten fairy stones as a gift. I guess he has a crush on Xiong Ying and is trying to curry favor with Xiong Kuo and his sister!

“Take me in and have a look...”

Chen Ping asked his youngest sister’s brother to lead him deep into the mine!

There are more than a dozen cultivators inside who are mining fairy stones. Every cultivator is at the Mahayana realm and has extraordinary strength!

Qian Yue was actually able to gather so many Mahayana cultivators and do such an embarrassing thing. He really has some skills!

Chen Ping looked at the fairy stone on the wall, then reached out and touched it!

But as soon as he touched it, murderous intent instantly flashed in Chen Ping's eyes!

"Uncle Qian, no one has come to trouble you these days, right?"

Chen Ping asked Qian Yue!

"No, this place is so hidden, no one knows about it, how could anyone cause trouble?"

Qian Yue smiled and shook his head and said!

"Since no one is causing trouble, who set up the formation in this mine?"

Chen Ping's face suddenly turned cold, and murderous aura spread from his body!

"Formation? What kind of formation? I don't know..."

Qian Yue still wanted to play dumb and pretend that he didn't know!

But at this moment, the sister's brother's face turned ugly and he avoided looking at Chen Ping!

This guy is obviously guilty!

“Don’t pretend. Now that I’ve seen through it, there’s no point in pretending any longer!”

Chen Ping said coldly!

Qian Yue saw that Chen Ping had already discovered it, so he stopped pretending and said to Chen Ping:
“Chen Ping, I don’t want this to happen either, but there is no way for you and I to protect such an important mineral vein.”

“Even if you break through to the Mahayana realm, what can you do? This mineral vein will be discovered sooner or later. Rather than letting it be robbed by others, it is better to find a powerful partner in advance!”

As Chen Ping listened to Qian Yue’s words, anger burned in his heart. He trusted Qian Yue so much, but he didn’t expect that this guy would betray him just a few days later!
