

## **The Order 7671**

Chapter: 7671

Then Chen Ping set his sights on Nayaomei's brother. It seemed like this guy was in cahoots with Qian Yue!

In that case, wouldn't the Xiong Kuo siblings be in danger?

"It seems that you have already found a capable partner? I just don't know if the partner you found is really capable?"

The aura of Chen Ping is surging, and he is ready to take action at any time!

"Of course I have the ability. I can tell you without hiding anything. I have already told Mr. Qiu of the Qiu Mansion about this mineral vein. These monks who are mining for it are also from the Qiu Mansion."

"Originally, I wanted to give you some, but who would have thought that you would actually kill Qiu Yu and have a blood feud with the Qiu family. You can't blame me then."

"But Master Qiu said that if you just surrender yourself, you can keep your body intact!"

Qian Yue looked at Chen Ping without any fear and said!

With the Qiu Mansion behind him, Qian Yue is not afraid of Chen Ping at all. What's more, Master Luan has set up a formation here, which is specifically aimed at Chen Ping!

Now, as long as he activates the formation, Chen Ping will be immediately restrained and will no longer pose any threat!

Upon hearing that Qian Yue had actually taken refuge in the Qiu Mansion, Chen Ping became even angrier!

It turned out that when he was looking for Qian Yue, this guy was already a member of the Qiu Mansion. Chen Ping was a little annoyed at this time. He trusted this guy too much!

However, this is not inside the Beast City. Even if the Qiu Mansion is behind Qian Yue, Chen Ping is not afraid at all. What's more, Chen Ping has now broken through to the Mahayana realm and will not take Qian Yue seriously!

But what Chen Ping is worried about now is the safety of Xiong Kuo and his sister, and where their younger sister has gone!

“Where are Xiong Kuo and his sister? And where is your sister?”

Chen Ping ignored Qian Yue and looked at his youngest sister's brother and asked!

“They didn't know what was good for them and were unwilling to cooperate, so they have been locked up.”

“Actually, I don't want this to happen either, but if you offend the Qiu family, you will definitely die. If we follow you, we will also die.”

The youngest sister's brother followed Chen Ping to explain!

“I don't blame you. When I send you off later, I will kill you quickly to save you from pain!”

Chen Ping said slowly!

When the youngest sister's brother heard this, his body couldn't help but tremble. He had seen Chen Ping's abilities, and killing him would be easier than crushing an ant!

But now they have the Qiu family behind them, and what the youngest sister's brother is betting on is that Chen Ping is no match for the people in the Qiu family!

"Hmph, don't be so arrogant. We may not be your match, but this formation is specially prepared for you!"

Chapter: 7672

After Qian Yue finished speaking, a jade slip suddenly appeared in his hand, and he crushed it!

Suddenly, amazing rays of light lit up throughout the entire vein!

The dazzling light filled the entire vein, and the place where Chen Ping was standing was surrounded by light pillars condensed from the light, like the bars of a prison, surrounding Chen Ping!

Seeing Chen Ping being surrounded, Qian Yue and his youngest sister's brother all breathed a sigh of relief and then burst into laughter!

"Chen Ping, let me tell you, this formation was prepared specifically for you, and it was set up by a high-level formation master specially invited by the Qiu Mansion."

"I know you know some formation techniques, but there is no way you can break this formation."

The youngest sister's brother said with a smile!

He knew Chen Ping very well and knew Chen Ping's background. Now Chen Ping was trapped in the formation and couldn't get out at all!

“Yes, this formation has something peculiar about it. It will slowly shrink the space and squeeze your body. In the end, you will be crushed into powder.”

“If that happens, you won’t even have a complete body. You might as well surrender. Master Qiu is interested in the sword in your hand. If you hand over the sword, maybe Master Qiu will be happy and let you go!”

Qian Yue said to Chen Ping with high spirits!

It seems that Qiu Tu had already explained that the Dragon Slaying Sword in Chen Ping’s hand is also a spiritual sword. As a sword cultivator, Qiu Tu must like it very much!

“Do you two really think this formation can trap me?”

Chen Ping smiled!

“What? Do you still have the ability to escape?”

Qian Yue looked at Chen Ping and asked in disbelief!

“It seems that you still know too little about me. In this world of heaven and man, there is no formation that can trap me, Chen Ping!”

After Chen Ping finished speaking, a strong spiritual energy emanated from his body!

Qian Yue’s face changed, and he hurriedly released a stream of spiritual energy, causing the formation to begin to squeeze, trying to crush Chen Ping into powder!

The fact that Chen Ping was able to kill Qiu Yu proves that he is no ordinary person!

Now Chen Ping's strength has increased. Although he has this formation, Qian Yue does not dare to be careless!

Qian Yue wanted to trap Chen Ping to death in this formation and must not let him out!

However, Qian Yue had no idea that Chen Ping's formation skills were not comparable to those of any high-level formation master!

This so-called advanced formation is nothing in Chen Ping's eyes!

Chen Ping is a person who has learned the divine runes and the demon runes. These were taught personally by the Array Demon and the Divine Runes Ancestor!

Any random divine pattern is not comparable to those so-called formation masters in the heavenly world!

"If you still want to resist, don't blame me..."

Qian Yue stared at Chen Ping and threatened!

"You are really narrow-minded. You want to trap me with this formation? It's just wishful thinking..."

Chen Ping smiled sarcastically!

"Chen Ping, you'd better not resist. Based on your relationship with my sister, I can help you to plead for mercy. Maybe you don't have to die!"

My youngest sister's brother actually said such words at this moment!

Chen Ping glanced at him and said with disdain: "Are you worthy enough to talk to me?"

After saying that, Chen Ping stomped his feet lightly!

Just at this moment, the sole of his foot stepped lightly on the ground, and a wave of spiritual energy emerged under Chen Ping's feet, and then this wave spread to the surroundings!

boom!

With a loud bang, the entire mine began to shake, and the light pillars around Chen Ping collapsed instantly, and the formation was directly shaken away by this force!

Chapter: 7673

"this....."

Looking at the formation that had disappeared, Qian Yue and his youngest sister's brother were both stunned!

Qian Yue, in particular, was terrified, his head was buzzing, and he couldn't believe what he saw!

The formation that he thought was unbreakable was actually broken easily by Chen Ping!

You have to know that Master Luan spent a lot of effort to set up this formation. Qian Yue had tried it at that time, but even if he tried his best, he couldn't shake the formation at all!

But now Chen Ping broke the formation easily, this is too outrageous!

He didn't know how Chen Ping did it.

"I told you, this formation can't trap me at all!"

Chen Ping walked towards the money step by step!

Qian Yue's eyes were full of fear, and he kept backing away!

The youngest sister's brother was trembling all over and couldn't move a step!

At this moment, both of them were in despair. Even this formation could not trap Chen Ping, so it was even more impossible for the two of them to stop Chen Ping!

"Go ahead, catch him..."

Qian Yue roared loudly, and the monks in Qiu Mansion had to attack Chen Ping!

Now, as long as we delay Chen Ping and wait for Qiu Tu and Master Luan to arrive, we can take down Chen Ping in one fell swoop!

Seeing this, more than a dozen monks attacked Chen Ping together!

Qian Yue and his youngest sister's brother hurriedly ran out of the mine, jumped up and headed straight for the top of the mountain!

Most of the dozen or so cultivators from the Qiu Mansion are only at the third or fourth level of the Tribulation Realm!

Chen Ping didn't take it seriously at all, but in order not to destroy the fairy stone mine, Chen Ping could only rush out of the mine cave in a hurry!

Seeing this, the dozen or so monks also chased after him. They thought Chen Ping was afraid!

But just as they rushed out of the mine cave, they saw Chen Ping floating in the air, quietly waiting for them!

A dozen monks looked at each other and then attacked Chen Ping!

"Humph, a bunch of ignorant ants..."

Chen Ping snorted coldly, and then a blazing fire ignited in his palm, and then he swung out with his palm!

Chapter: 7674

boom!

Flames filled the sky, instantly surrounding the dozen or so monks!

"ah....."

Scary screams rang out one after another!

The dozen monks were all burned by the fire and fell off the cliff one after another!

The screams made Qian Yue and the youngest sister's brother look back!

When they saw the dozen or so Mahayana cultivators being wiped out by Chen Ping's palm, both of them were almost scared to death!

After running back to the top of the mountain, the youngest sister's brother quickly ran to the place where the Xiong Kuo siblings and the youngest sister were imprisoned, and brought the three of them out!

The youngest sister's brother knew that now only these three people could save his life. He planned to use the lives of these three people to threaten Chen Ping to let him go!

Qian Yue thought the same, so he pushed the Xiong Kuo siblings and the youngest sister to the front!

After killing the dozen or so cultivators from the Qiu family, Chen Ping also landed on the top of the mountain!

"Chen Ping, hurry up, this is a trap, a trap for you..."

When the youngest sister saw Chen Ping, she immediately shouted loudly!

The youngest sister didn't know yet that the formation set up against Chen Ping had already been broken by Chen Ping.

“Chen Ping, let me go for my sister’s sake. She is still worried about you!”

The youngest sister’s brother said to Chen Ping!

“Chen Ping, don’t move forward, or I will kill all three of them!”

Qian Yue threatened Chen Ping with the lives of Xiong Kuo’s siblings and his youngest sister!

“You killed the three of them. What does that have to do with me? We are not related at all. If you kill them, there will be one less person to share the fairy stone mine with me!”

Chen Ping looked indifferent and kept walking forward!

When Qian Yue heard this, he seemed very flustered. If the lives of these three people could not threaten Chen Ping, he didn’t know how else he could deal with Chen Ping!

“Boy, you are finally here. I have been waiting for you for a long time...”

Just then, Qiu Tu’s voice rang out!

Qiu Tu and Master Luan flew over and landed in front of Chen Ping in the blink of an eye!

Chapter: 7675

“Master Qiu, you are finally here. Chen Ping has broken the formation and there is no way to trap him!”

Qian Yue’s eyes suddenly lit up, as if he had seen a savior!

The nervous mood calmed down and a relaxed smile appeared on my face!

The youngest sister’s brother also let out a long sigh of relief.

Now that Qiu Tu and Master Luan are here, they don’t have to be afraid of Chen Ping anymore!

“Qian Yue, don’t worry. Since you have surrendered to our Qiu family, we will naturally protect you.”

Qiu Tu said with a proud look on his face!

He completely forgot that he had once been defeated by Chen Ping!

Now with Master Luan, he thought that the two of them could defeat Chen Ping by joining forces!

“Are you Chen Ping? You are quite capable to be able to break my formation, but don’t think that you have the right to shout in front of me just because you broke my formation.”

“The formation I set up is only of the lowest level. Even if you break it, there is nothing to brag about.”

Master Luan looked at Chen Ping and said with disdain!

“Did I show off?” Chen Ping smiled slightly: “If I were showing off, you would be dead by now...”

“How dare you! You are only a first-rank cultivator in the Mahayana realm. How dare you talk to me like this?”

“Even the three beast generals have to be respectful when they see me. Who do you think you are?”

Master Luan shouted sternly!

As a high-level formation master, he has a very high status in the Beast City. The three great beast generals are trying to win him over, and no one dares to provoke him!

Now Chen Ping, a first-grade cultivator in the Mahayana realm, actually dared to talk to him like this. Master Luan was of course angry!

“The three beast generals, are they very powerful?”

Chen Ping snorted coldly!

Now Chen Ping has broken through to the Mahayana realm, and his strength has made a qualitative leap!

Facing the eight-grade Mahayana strength of the three beast generals, Chen Ping was not at all inferior!

“Boy, are you a little too arrogant? Do you think you can ignore the three beast generals just because you can fight against opponents of higher levels?”

“Let me tell you, our Qiu family is the leader of the three great beast generals, and my father has even reached the peak of the eighth level of the Mahayana realm, and will soon break through to the ninth level of the Mahayana realm.”

Chapter: 7676

“Moreover, we in the Qiu Mansion have three sixth-grade Mahayana cultivators and more than ten fifth-grade Mahayana cultivators.”

“There are dozens of cultivators below the fifth rank of the Mahayana realm. How can a mere first rank Mahayana realm cultivator like you afford to offend such a powerful person?”

Qiu Tu reported his family’s power with an arrogant look on his face!

This kind of force is one of the best in the entire Beast City!

Qiu Tu also knew that Chen Ping had some strength, but the strength of one person was too insignificant compared to the entire Qiu Mansion!

Qiu Tu looked at Chen Ping with pride. He wanted to see fear in Chen Ping’s eyes!

In his opinion, even if Chen Ping is a genius, even if he can fight above his level, even if he has a magic sword in his hand, he is only a first-grade cultivator in the Mahayana realm after all!

The power of the Qiu family is simply not something Chen Ping can shake!

Chen Ping looked at Qiu Tu without saying a word, and the scene fell into a brief silence!

Qian Yue and the youngest sister's brother thought that Chen Ping was frightened and showed smug smiles on their faces!

"If your Qiu family only has this much strength, I alone am enough to destroy your Qiu family..."

Chen Ping said calmly!

If he was only at the ninth level of the Tribulation Realm now, Chen Ping would not dare to make such big statements!

But now Chen Ping has broken through to the Mahayana realm, so if he uses all his means, it is not impossible to destroy the Qiu family!

Chen Ping didn't care about the fifth or sixth level of Mahayana realm at all. The only one who posed some threat to Chen Ping was Qiu Wanqing from the Qiu family, who was at the eighth level of Mahayana realm!

It seems that this beast city has been closed off for too long and has no idea what the world outside is like!

More than a dozen fifth or sixth rank Mahayana cultivators dared to be so arrogant...

"Hahaha, you're too crazy. Aren't you afraid that the wind will blow your tongue off?"

Qiu Tu burst into laughter!

The more rampant Chen Ping became, the more Qiu Tu looked down on him. After all, a truly powerful person would not be so arrogant!

Only someone who is bluffing would dare to speak like this!

“Master Qiu, my hands are itching to fight. Let me deal with him...”

Master Luan had been itching to take action against Chen Ping after listening to his bragging.

This was also to prove to himself. After all, the formation just now was indeed broken by Chen Ping!

Chapter: 7677

If he fails to subdue Chen Ping at this time, he will lose all face!

“Master Luan, thank you for your help...”

Qiu Tu nodded!

Master Luan’s eyes became sharp, his hands quickly formed seals, and he muttered something, as if he was chanting an ancient and mysterious spell.

Two huge spots of light appeared in the air. They began to rotate slowly, releasing dazzling light, forming a complex and huge formation pattern, trapping Chen Ping firmly in the middle.

“Hmph, kid, just because you can break my formation doesn’t mean you can break all my methods! Today, I will let you see for yourself what the true way of formation is!”

There was a hint of pride and disdain in Master Luan’s voice, as if he had foreseen that Chen Ping would be helpless in this formation.

However, facing the overwhelming pressure from the formation, Chen Ping appeared exceptionally calm.

His eyes were slightly closed, as if he was sensing something, and then suddenly opened, a gleam of light flashed.

He raised his right hand slightly, tapped the air with his fingertips, and uttered a word softly: "Solve!"

Following this light shout, tiny cracks began to appear on the formation light shield that had seemed indestructible. Then, like a broken mirror, it shattered and turned into tiny points of light that dissipated into the air.

Chen Ping still stood there, his clothes fluttering in the wind, his expression indifferent, as if everything that had just happened was just a trivial disturbance.

"What?!" Master Luan's face turned pale in an instant. He looked at this scene in disbelief. The formation that he was so proud of was cracked by Chen Ping so easily!

Unwilling to give up, Master Luan once again mobilized all his spiritual power, and his hands quickly changed, trying to rearrange a more powerful formation.

But no matter how hard he tried, no matter how complex and varied the formation was, whenever it was about to take shape, Chen Ping would always find a flaw in an incredible way and easily resolve it.

"Master Luan, your formation seems to be just so-so." Chen Ping raised his lips to a faint smile, his tone full of confidence and composure.

Master Luan's face turned pale and blue. He knew very well that if he continued, he would only become a laughing stock.

In the end, he could only sigh helplessly, retracted all his spiritual power, and his body trembled slightly. It was obvious that he was deeply shocked by Chen Ping's strength.

"Master Qiu, I...can't do anything."

Master Luan lowered his head, a hint of shame and frustration in his voice.

Qiu Tu looked at this scene with mixed feelings.

He originally thought that with Master Luan's strength, he would be able to easily defeat Chen Ping, but he didn't expect the result to be so unexpected.

Qian Yue and his youngest sister's brother were also shocked when they saw this scene. It seems that Chen Ping's formation skills are indeed much more powerful than that of Master Luan!

Xiong Kuo and his sister, as well as their youngest sister, were extremely happy to see Chen Ping easily break Master Luan's formation!

Chapter: 7678

It seems that they may be saved!

"Boy, you really have some skills!"

Qiu Tu looked at Chen Ping and frowned slightly!

“With just this formation-breaking technique, you dare to call yourself a master. How ridiculous!”

Chen Ping looked at Master Luan with disdain, his expression also relaxed!

But Master Luan did not get angry when he heard Chen Ping’s ridicule. His eyes were fixed on Chen Ping, with a more complicated light flashing in his eyes.

“Boy, you’ve been fooled...”

Suddenly, a sinister smile flashed across Master Luan’s face!

Everyone looked at Master Luan, not understanding what he meant!

At this time, Master Luan put his hand into his sleeve and pulled out a pitch-black gourd from his sleeve!

The gourd is all black with some carved runes on it. It looks very delicate, but it gives people a gloomy feeling!

The moment Master Luan got the gourd, he opened it and shouted at Chen Ping: “Boy, let me show you the power of my Heaven-Swallowing Gourd!”

After saying that, an extremely powerful suction force burst out from the gourd!

Chen Ping didn’t have time to react at all. He only felt that the space around him seemed to be imprisoned in an instant, and his body was out of control for a moment!

Chen Ping saw that around him, the entire space and time seemed to have stopped. No matter how he moved, he seemed unable to escape!

Then, he felt a black screen in front of his eyes, and was sucked directly into the gourd by the huge suction force!

“Chen Ping, Chen Ping.....”

When the youngest sister saw this, she screamed in shock!

“Why is he gone? Could it be that Mr. Chen was sucked into the gourd?”

Xiong Kuo said with a look of shock on his face!

Even Qian Yue and the youngest sister’s brother looked at Master Luan in disbelief, their eyes fixed on the gourd in his hand!

Such a small gourd actually instantly subdued Chen Ping, such an arrogant and powerful guy!

This is too outrageous!

“Master Luan, this.....”

Chapter: 7679

Even Qiu Tu was so shocked that he was speechless!

Master Luan was very satisfied with everyone’s expressions, so he proudly sealed the gourd!

Just now, he followed Chen Ping in performing various magic techniques, but it was just to confuse Chen Ping, so that Chen Ping would think that his formation technique was not that powerful and let Chen Ping relax his vigilance!

In this way, this magic gourd can play its role!

In this way, Chen Ping had no way to escape and had to surrender obediently!

And the more awesome Chen Ping performs at the beginning, the more his extraordinary qualities will be revealed in the end!

This is just Master Luan's little idea!

"Master Qiu, this Heaven-Swallowing Gourd was created by my master together with dozens of formation masters."

"Don't underestimate this gourd because it contains hundreds of formation techniques, and it also contains the most mysterious formations of space and time."

"Chen Ping has been sucked into this gourd. Even if he has three heads and six arms, he will never be able to escape. I will make him suffer the pain of being devoured by the wind blades."

"Then he will obediently beg for mercy and ask me to let him out!"

Master Luan proudly introduced his gourd to Qiu Tu!

Qiu Tu was stunned when he heard that. He looked at the magic gourd in disbelief and asked, "Master Luan, can this magic gourd really swallow up the world?"

“Of course, but he can only devour a hundred feet of heaven and earth. He can stop time and transform space within this hundred feet!”

Master Luan said proudly!

“Awesome, so awesome, it’s simply awesome to the extreme...”

“I never thought that Master Luan had such a treasure in his hands. From now on, our Qiu family will have to rely on Master Luan.”

Qiu Tu was extremely respectful to Master Luan at this moment!

“Okay, okay...” Master Luan said with a smile!

Qiu Tu looked at Qian Yue and his younger sister’s brother, and then said, “I’ll send someone over right away, and you continue to mine the fairy stones.”

“Chen Ping has been captured. These three men are useless now. Just kill them!”

Qiu Tu wants to kill both Yaomei and Xiong Kuo!

When the youngest sister’s brother heard this, he panicked and stepped forward and said, “Master Qiu, let me take care of these three people. I promise to take care of them!”

Qiu Tu glanced at the younger sister’s brother, nodded and said, “Okay, but don’t be soft-hearted. In front of interests, relatives are nothing. If I find out that you dare to let them go, I will tear you to pieces. The corpse was torn into pieces.”

Chapter: 7680

“Don’t worry, Master Qiu. Since I have chosen to be loyal to you, I will never have second thoughts.”

The youngest sister’s brother said flatteringly!

Qiu Tu waved his hand with satisfaction and let his youngest sister’s brother take Xiong Kuo and the other two away!

At this time, Chen Ping was sucked into the magic gourd, and there was a dark and empty space all around him!

Chen Ping was not afraid at all staying here. Instead, he opened his Sky Eyes to look around and asked curiously, “This is really a magic gourd...”

“Bullshit, this is just an ordinary gourd, and it uses the engraved formation to become what it is now. This is not a treasure gourd, let alone a spiritual treasure.”

“That idiot said what this is, the Heaven-Swallowing Gourd. What a boast! If this is the Heaven-Swallowing Gourd, then what is my Heaven-Swallowing Beast?”

The Scarlet Cloud Demon Lord snorted coldly and said unhappily!

It is obvious that this guy doesn’t want anyone to borrow the word “Tian” (Swallowing Heaven). Only his Tian Beast is worthy of the word “Tian” (Swallowing Heaven)!

“Why are you so excited? Of course I know that this gourd was formed by the combination of formations and the essence of space and time.”

“Otherwise, I wouldn’t have been sucked in by him. The spatial origin in his gourd is not worth mentioning at all. The formation master who carved the formation is also very ordinary.”

“If you can really turn this gourd into a world, I’d still admire you. But as it is now, it’s just enough to scare the kids!”

Chen Ping said with a smile!

A cultivator who has mastered the true origin of time and space can create a world of his own.

Every blade of grass, every mountain and every stone can be used to create a world. As for the size of the world, it depends on the strength of the cultivator!

Instead of being like this, a chaotic space that doesn’t look like a world at all.

Such means are still useful for cultivators who have not comprehended the origin of space or time!

But facing Chen Ping, a cultivator who has mastered the art of divine runes and has also comprehended the origin of time, this childish trick can’t trap him at all!

Although there are hundreds of magic arrays carved inside this small gourd, their power is not very strong and Chen Ping can break them with ease!

Swish, swish, swish!

Suddenly, the void around him trembled, and Chen Ping saw sharp wind blades shooting towards him from all directions!

“It turns out there is a wind formation carved here...”

Chen Ping frowned slightly, then activated his indestructible golden body and took on the wind blades.

The golden light enveloped Chen Ping. The wind blades hit Chen Ping like a tickle and were shattered instantly!
