

## **The Order 7681**

Chapter: 7681

“Aren’t these wind blades produced by the formation?”

Chen Ping felt the spiritual energy spreading around him and his brows couldn’t help but frown!

He thought that these wind blades were produced by the wind formation carved in the gourd. However, although he was not injured when he was hit by the wind blade just now, the spiritual energy that burst out after the wind blade was broken was obviously wrong. It gave Chen Ping a very strange feeling!

This was a broken wind blade, which then turned into spiritual energy, and then gathered again to attack Chen Ping!

Moreover, the attack positions of these wind blades are not fixed, but they are constantly looking for their weak points!

In other words, these wind blades seem to have spirituality and are not dead objects!

With the help of the Tianming Eye, Chen Ping discovered that these wind blades all came from a formation, and within this formation, there was a force of origin!

It is obvious that the person who carved the formation left his own wind essence inside the formation, which makes this wind blade seem to have spirituality!

Faced with these wind blades that seemed to have spirituality, Chen Ping’s heart moved and he remembered the Wind-Fixing Beads he had on him.

This bead has been a treasure for controlling the wind element since ancient times. It can calm all storms in the world and even absorb the essence of wind.

Chen Ping's mind moved, and the Wind-Fixing Pearl slowly rose from his body, hovering above his head, emitting a faint blue light, which formed a sharp contrast with the chaotic darkness around him.

"Let me try and see if this Wind-Fixing Bead can absorb all these strange wind blades."

Chen Ping whispered, his eyes flashing with curiosity and anticipation.

Following the guidance of his mind, the blue light on the surface of the Wind-Fixing Bead became more and more dazzling, and it began to slowly rotate like a huge whirlpool, attracting the surrounding wind blades.

Those wind blades that were originally cruising around and looking for opportunities to attack, after encountering the suction force released by the Wind-Fixing Bead, unexpectedly changed their directions at the same time, as if being pulled by invisible ropes, and flew towards the Wind-Fixing Bead one after another.

The moment each wind blade approached the Wind-Fixing Bead, it was gently wrapped by the blue light on its surface, and then transformed into wisps of pure wind essence, which were slowly absorbed by the bead.

This process was silent, yet full of a mysterious sense of power, which made Chen Ping secretly marvel at it.

As time went on, the wind blades in the gourd became fewer and fewer until they disappeared completely.

The Wind-Fixing Pearl became even warmer and more translucent, as if it had absorbed the spiritual charm of the wind between heaven and earth, and its connection with Chen Ping became closer.

Chen Ping could feel that through this process, his understanding and control over the wind element had made a qualitative leap.

“As expected, this is not just a simple wind blade attack, but also a direct display of the essence of wind.”

Chen Ping suddenly realized something, and a surge of enlightenment surged in his heart, “Through the medium of the Wind-Fixing Bead, I was able to glimpse the mystery of the origin of wind. This gain is far more precious than escaping from this gourd.”

After completely absorbing all the wind blades, Chen Ping closed his eyes and concentrated, beginning to carefully feel the wind elements surging in his body.

He found that his perception of wind had become sharper than ever before, and he could even detect the slightest changes in every breeze in the air.

The origin of wind, the origin of the five elements, now seems to be within reach.

In Chen Ping’s origin space, the star of the wind origin slowly emitted light. Although the light was not very bright, Chen Ping knew that as long as he had the opportunity to absorb the wind origin, the star would get brighter and brighter!

At this moment, Master Luan outside the gourd was proudly showing his “masterpiece” to Qiu Tu, little did he know that Chen Ping inside the gourd was undergoing a transformation.

Inside the gourd, Chen Ping slowly opened his eyes, with a confident light flashing in his eyes.

He took a deep breath, as if he was taking the entire space inside the gourd into his chest, and then he gently pushed with both hands. Ripples appeared on the void inside the gourd, and a tiny crack quietly appeared and expanded rapidly.

“It’s time to go out.”

Chen Ping whispered, and his figure turned into a stream of light, easily penetrating the gourd and returning to the real world.

The “Heaven-Swallowing Gourd” that was once praised by everyone was now lying quietly on the ground, its surface covered with cracks, and it had obviously lost its former power.

Upon seeing this, Master Luan’s face turned pale instantly and he stared at everything in front of him in disbelief.

The appearance of Chen Ping was like a heavy hammer, hitting everyone’s heart hard.

Especially Qian Yue, he originally wanted to continue mining the fairy stones, but he didn’t expect that in just a moment, Chen Ping actually came out of the so-called Heaven-Swallowing Gourd. At this moment, Qian Yue’s eyes were full of fear and despair.

At this time, on the other side, the youngest sister’s brother was escorting the youngest sister and the two siblings, Xiong Kuo, towards the dense forest beside them!

He wants to kill everyone in that dense forest!

Chapter: 7682

“Brother, please don’t be stubborn. Do you really want to kill the three of us?”

“You should run away with us...”

The youngest sister looked at her brother with tears in her eyes and tried to persuade him.

“Stop talking. I finally have this almost, how can I give up?”

“My brother and I have always been the targets of bullying. Now that I can join the Qiu family, I can walk sideways in Beast City. Let’s see who dares to mess with me.”

“Don’t worry, sister. I will act quickly and save you from pain.”

The youngest sister’s brother looked at her with eyes full of coldness and ruthlessness!

“Are you still a human being? You want to kill even your own sister?”

When Xiong Kuo saw the look on his youngest sister’s brother’s face, he became so angry that his face turned red!

Xiong Kuo also has a younger sister, and he would rather die than kill his sister!

Bang!

The younger sister’s brother punched Xiong Kuo directly, and then said coldly: “Shut up, the reason I brought you here is because your sister is too beautiful. It would be a pity to kill her like this. I want to play first. Kill them after you are done!”

There was greed and cruelty flashing in the eyes of the youngest sister’s brother. He pushed Xiong Kuo aside and approached Xiong Ying step by step.

Xiong Ying stepped back in fear, her eyes full of despair. She held her youngest sister’s hand tightly, while her youngest sister pleaded in a trembling voice: “Brother, please, let them go! They are all innocent!”

“If you mess with my sister, I will never forgive you. I swear...”

When Xiong Kuo saw that his youngest sister's brother was about to attack his own sister, he was so angry that his whole body was shaking and he roared loudly!

But he had no way to stop it. The spiritual power in the three of them had been sealed long ago, and they were just ordinary people at this moment!

"Little sister, get out of here. If you weren't my biological sister, I would have played with you too."

"I lost a lot by giving you to Chen Ping. I thought he had a strong background and I could enjoy the good life with him, but I didn't realize he is nothing."

The youngest sister's brother pushed her away, causing her to fall heavily to the ground!

Looking at her brother, the youngest sister burst into tears, and her heart was broken at this moment!

She went through so much trouble to save her brother, but she never expected that her brother would be such a person!

He even cares about his own body. He is worse than pigs and dogs!

The youngest sister's brother looked at Xiong Ying with a sneer on his face, and reached out to grab Xiong Ying: "You beast! We won't let you go!"

Chapter: 7683

"Hahaha, I am a beast, so what? I have never played with a beauty like you. It will be worth it even if I die after playing with you once..."

After saying that, the youngest sister's brother rushed towards Xiong Ying, and Xiong Ying had no way of avoiding being pinned down by the youngest sister's brother!

The youngest sister's brother's eyes were bloodshot and he kept tearing off Xiong Ying's clothes!

Xiong Ying struggled desperately and shouted for help, but who could save her in this desolate mountain and wilderness?

Xiong Kuo looked at his sister being humiliated, with a hint of determination in his eyes. He knew very well that in his current state he could not compete with his youngest sister's brother, but the thought of protecting his sister made him burst out with unprecedented courage.

He suddenly broke free from the restraint brought by the sealed spiritual power. Although the power was weak, it was enough for him to take action.

"I swear on my bloodline that I will protect you till my death!"

Xiong Kuo growled, and some ancient power seemed to be awakened in his body. His eyes turned red instantly, and there was a faint flicker of fire around his body.

This is a protective force that comes from the ancestors and awakens at the critical moment.

When the youngest sister's brother saw this, a flash of surprise flashed across his face, but it was soon replaced by a sneer: "With just your tiny power, you think you can stop me?"

He swung his palm with disdain and directly knocked Xiong Kuo back.

Xiong Kuo, who had just broken free from his restraints, has not yet fully recovered!

"Brother, stop it, stop it..."

The youngest sister ran over and desperately pulled her brother to let Xiong Ying go!

Now that the youngest sister's brother is in a state of rage, there is no way he would let Xiong Ying go!

"Go away..."

The youngest sister's brother slapped her with his palm and sent her flying. She fell heavily to the ground, spitting blood!

But the youngest sister's brother didn't even look at her, he was only concerned with Xiong Ying under him!

At this moment, Chen Ping heard a faint cry for help and his brows frowned instantly!

Because he recognized it, it was Xiong Ying's voice!

Chen Ping's clothes moved without wind, and then the surrounding mountains and forests could hear the rustling sound of wind, and the leaves began to sway!

Chen Ping began to mobilize the power of the origin of wind. A strange sound of wind suddenly sounded. In the originally peaceful forest, a sudden strong wind blew and leaves flew everywhere.

The youngest sister's brother was stunned and his movements stopped involuntarily.

Then, he was surprised to find that the strong wind that suddenly blew around him actually began to turn into wind blades and attacked him.

Chapter: 7684

“What’s going on?!”

The youngest sister’s brother was extremely shocked and kept dodging the wind blades. He no longer had a chance to attack Xiong Ying.

Seeing this, Xiong Ying quickly stood up and ran towards her youngest sister.

“Little sister, little sister...”

Xiong Ying is concerned about the safety of her youngest sister!

Xiong Kuo looked at the sudden wind blade with shock on his face. He didn’t understand how such a sudden strong wind could produce a wind blade.

This was obviously a strong wind created by someone, and this wind blade must have been emitted by the other party!

But who is helping them in this place?

Just when Xiong Kuo couldn’t guess who was helping, a figure slowly appeared!

“Mr. Chen...”

When he saw the person coming, Xiong Kuo was shocked. He didn’t expect it to be Chen Ping.

When Xiong Ying and Yaomei saw that it was Chen Ping who came, they were so excited that tears welled up in their eyes!

The youngest sister's brother was also a little dumbfounded and looked at Chen Ping in disbelief.

"You...you...were you not sucked into the gourd and trapped inside?"

The youngest sister's brother asked in disbelief!

At this time, Qiu Tu, Master Luan and Qian Yue also chased over. The sudden strong wind just now made several people tremble in their hearts!

"You want to trap me in that broken gourd? It's just wishful thinking."

"If it weren't for the wind essence in the gourd, I would have come out long ago."

Chen Ping sneered!

After hearing what Chen Ping said, Master Luan's face turned red and white. He had just boasted that his gourd was very powerful, but now he was slapped in the face!

"Master Luan, quickly cast the formation and capture him!"

The youngest sister's brother looked at Master Luan and said!

But Master Luan ignored him and looked at Chen Ping with a serious face!

Chen Ping glanced at Xiong Ying. At this time, Xiong Ying's clothes were torn, revealing large areas of snow-white skin. Her skin was delicate and smooth, as if it had been soaked in milk!

Chapter: 7685

Coupled with Xiong Ying's slightly red cheeks, Chen Ping's blood boiled when he saw it!

No wonder the sister's brother couldn't control himself!

At this time, the youngest sister looked a little embarrassed, with blood flowing from the corner of her mouth and her face was extremely pale.

"He did all this?"

Chen Ping asked Yaomei and Xiong Ying!

The two girls nodded aggrievedly, which made Chen Ping furious!

You know, the youngest sister went through a lot of hardships to save her brother!

But in the end, this is the result!

"You deserve to die..."

Chen Ping looked at his youngest sister's brother and uttered three words through gritted teeth!

Just these three words frightened the youngest sister's brother so much that his body trembled, and he quickly hid behind Qiu Tu and Master Luan!

Chen Ping walked towards Naoyoshi's brother step by step. The terrifying aura from his body made it difficult for Naoyoshi's brother to breathe!

"Get lost!"

Chen Ping said coldly to Qiu Tu and Master Luan!

Qiu Tu was stunned and wanted to say something, but feeling the murderous intent from Chen Ping, he finally closed his mouth and slowly moved away!

Master Luan also quickly dodged away. They couldn't possibly fight with Chen Ping just for their youngest sister's brother!

It can be said that in their eyes, the youngest brother is not even as good as an ant!

"Master Qiu, Master Qiu..."

The youngest sister's brother was dumbfounded and hurried to ask for help, but Qiu Tu didn't even look at him!

When the youngest sister's brother saw that Qiu Tu and Master Luan had abandoned him, fear surged in his heart like a tide.

He retreated again and again until he had nowhere to retreat. He leaned against a large rock, his face as pale as paper, his eyes full of despair and fear.

“Brother-in-law, no no no... Chen... Chen Ping, please let me go. I... I was wrong. I shouldn't have attacked Xiong Ying, and I shouldn't have disregarded the relationship between brother and sister...”

The youngest sister's brother's voice was trembling, and his tone was full of pleading and repentance.

Chen Ping was not moved by this. His eyes were as cold as ice, as if he wanted to freeze the youngest sister's brother completely.

Chapter: 7686

“Your mistake cannot be made up with just a simple “wrong”. You have hurt not only Xiong Ying and Yao Mei, but also your own soul and humanity.”

Chen Ping's voice was cold and cruel, as if he had sentenced the younger sister's brother to death!

When the youngest sister's brother heard this, he was so scared that his legs went weak and he fell to his knees!

“Sister, brother is wrong, save me, save me...”

At this moment, the youngest sister's brother can only ask his sister for help!

The youngest sister looked at her brother and tears rolled down her cheeks again. She was heartbroken by her brother's evil deeds and frightened by Chen Ping's determination.

She knew that at this moment, no matter how she begged, she could not change Chen Ping's decision.

“Chen Ping, I...I am willing to use my life to exchange for my brother’s life. I only ask you to give him a chance to reform.”

The youngest sister suddenly knelt down on the ground, clasped her hands together, and her eyes were full of pleading.

The youngest sister cannot be as heartless and cruel as her brother. After all, he is her biological brother, and the youngest sister cannot give up!

Chen Ping’s expression softened slightly, but then became firm again.

“Little sister, I understand your kindness, but justice and sin cannot be confused because of personal feelings. Your brother’s behavior has touched my bottom line.”

After saying that, Chen Ping moved and appeared in front of the youngest sister’s brother like a ghost. He raised one hand slightly, and lightning flashed in the palm of his hand. That was the fatal blow he was about to release.

“No! Don’t do that! Chen Ping, I was wrong, I was really wrong!”

The youngest sister’s brother shouted in despair, but everything was irreversible.

With a flash of lightning, the body of the youngest sister’s brother was completely devoured, leaving only burnt clothes and a burnt smell in the air.

His life, at this moment, came to an end.

Chen Ping withdrew his hand and looked at Yaomei with complicated eyes: "I hope that this incident can teach you a lesson. The greed and evil thoughts in human nature, once indulged, will drag people into the abyss."

"Some people and some things can be forgiven, but some people can never be forgiven. Don't blame me..."

At this moment, the youngest sister could only cry helplessly. How could she have the right to blame Chen Ping? This was all her brother's own fault!

Qiu Tu and Master Luan, who were standing aside, looked at the disappearing youngest sister and brother, and their expressions became more and more solemn!

Chen Ping's methods and strength are impacting their cognition time and time again!

The one who was most afraid at this moment was Qian Yue. He thought that if he joined the Qiu family, he would be rich and prosperous and live a life of luxury!

But now it seems that everything is wrong!

Chapter: 7687

He felt a little regretful at this moment. He regretted agreeing to cooperate with the Qiu family. It would be better for him to mine the fairy stone with Chen Ping!

But it's too late to regret now, he doesn't know what the outcome will be!

Qian Yue turned his attention to Qiu Tu and Master Luan. He knew that Chen Ping would definitely not let him go, so now he could only turn to these two people for help!

"Now it's your turn. Do you know who the cruelest person I have ever been to is?"

Chen Ping looked at Qian Yue with cold eyes!

At this moment, Chen Ping's heart was already filled with anger. He originally trusted Qian Yue very much and wanted to give him a chance to help him!

But he didn't expect that his kindness was taken for granted, and Qian Yue turned around and betrayed him!

"I... I don't know..."

Qian Yue didn't dare to look directly into Chen Ping's eyes, and spoke with evasive eyes!

"I hate people who betray me the most. There is only one outcome for all those who betray me, and that is death..."

After Chen Ping said the word "death", a terrifying murderous aura directly enveloped Qian Yue!

Qian Yue's body trembled and he took two steps back!

However, looking at Qiu Tu and Master Luan beside him, Qian Yue could only bite the bullet and said, "Don't brag. With Master Qiu and Master Luan here, you can't kill me at all."

"They can't just sit there and watch. If you dare to take action, you will be the one in trouble!"

"Hmph!" Chen Ping snorted coldly, his eyes full of contempt. He didn't take Qiu Tu and Master Luan seriously at all!

“You two, get out of here...”

Chen Ping said to Qiu Tu and Master Luan!

The two looked at each other, and then Qiu Tu’s eyes narrowed slightly and said, “Boy, Qian Yue is now a member of my Qiu Mansion. If you want to kill him, I will never agree to it.”

“I don’t care if you are a guest of Xing Daorong or not. If you really piss me off, you won’t be able to bear the consequences.”

“You killed my brother, but we can forget about it. As long as you give up this fairy stone mine, I can let you take these three people away, and we will not interfere with each other from now on.”

In fact, Qiu Tu did not have much confidence in his heart. After Chen Ping easily escaped from the Heaven-Swallowing Gourd, Qiu Tu no longer trusted Master Luan’s ability!

He had fought with Chen Ping before, and was obviously no match for Chen Ping. Now that Chen Ping has broken through to the Mahayana realm, if a fight breaks out, it seems like they won’t have much chance of winning even if they join forces!

But if he were to give up Qian Yue like this and then run away, Qiu Tu would feel a little embarrassed!

If word gets out about this, who would come to the Qiu family for help in the future?

Chapter: 7688

So Qiu Tu wanted to scare Chen Ping, hoping to scare Chen Ping!

Chen Ping laughed out loud when he heard what Qiu Tu said!

“What? Are you scared?” Chen Ping said with a smile!

Chen Ping knew that with Qiu Tu’s character, he would never say such words if he had the confidence to win.

It would probably lead to his own death, so how could he possibly say that he didn’t interfere with other people’s business?

It is obvious that Qiu Tu has no confidence in defeating himself, so he said this!

“What a joke! What am I afraid of? We have Master Luan here. With my help, we can definitely defeat you, a first-grade Mahayana master.”

“I’m just giving you a chance. If you don’t want it, don’t blame me for being rude!”

Qiu Tu pretended to be calm and sneered!

“You two are nothing in my eyes. Not to mention the two of you, even if the three of you come together, I still look down on you!”

There was sarcasm and disdain in Chen Ping’s tone!

This tone directly angered Qiu Tu!

As the young master of the Qiu family, how can I endure such humiliation!

As the saying goes, a gentleman can be killed but not humiliated...

“Qian Yue, Master Luan, the three of us must join forces to kill this guy today. He is too damn arrogant. I can’t stand it...”

Qiu Tu called Qian Yue as well. After all, one more person means more strength!

“good!”

Qian Yue and Master Luan nodded!

“Mr. Chen, let me help you...” Xiong Kuo took a few steps forward and stood beside Chen Ping!

Xiong Kuo broke through the shackles of spiritual power. Although his strength had not fully recovered, he could not just watch Chen Ping fight three people alone!

“You should go and protect Yaomei and Xiongying. I am enough to handle these three guys!”

Chen Ping asked Xiong Kuo to retreat!

“Boy, you are looking for death.”

“kill.....”

Chapter: 7689

Qiu Tu shouted loudly and took the lead in stabbing Chen Ping with a sword!

Immediately afterwards, Qian Yue and Master Luan also attacked Chen Ping together!

With Qiu Tu's angry roar, a thrilling battle officially began.

The sword light was like lightning, cutting through the sky. Qiu Tu held a long sword with a flashing cold light in his hand. The tip of the sword was condensed with rich spiritual power. With a sound of breaking through the air, it went straight to Chen Ping's chest.

Chen Ping's expression was calm, his body was like a ghost, and he dodged the thundering attack by slightly turning to the side.

At the same time, his right hand stretched out quickly, lightning flashed in the palm of his hand, and he punched towards Qiu Tu's side.

"Bang!" The fist wind collided with the sword light, making a deafening explosion.

Qiu Tu only felt a huge force coming, and his body involuntarily took a few steps back, his face slightly pale.

Chen Ping, on the other hand, stood there steady as a rock, his eyes becoming even more fierce.

At this moment, Qian Yue and Master Luan also launched an attack.

Qian Yue held a short blade in his hand and moved flexibly like a cunning fox, wandering around Chen Ping, looking for an opportunity to attack.

Master Luan made seals with his hands and muttered something. A stream of cold air emanated from his body, gradually forming a black vortex that seemed to suck Chen Ping into it.

Facing the attack from two people, Chen Ping was not afraid at all. He jumped up suddenly like a tiger descending from a mountain. With a wave of his left hand, a wall of fire appeared out of thin air, blocking Qian Yue's short blade outside.

At the same time, he kicked his feet and rushed towards Master Luan like an arrow.

"Humph, a mere trifle!"

Master Luan snorted coldly, and the seals of his hands changed. The black vortex suddenly accelerated its rotation, and a powerful suction force came, trying to draw Chen Ping in.

However, Chen Ping was well prepared. The spiritual power in his body surged, forming a golden shield to block the suction force.

At this moment, Qian Yue seized the opportunity and attacked Chen Ping from his blind spot.

The short blade flashed coldly in the sunlight and went straight to Chen Ping's back.

However, just as the short blade was about to touch Chen Ping's skin, Chen Ping's body suddenly turned sideways again, and at the same time, his right hand formed into a claw and grabbed Qian Yue's wrist.

"ah!"

Qian Yue cried out in pain and felt a powerful force coming, making it almost impossible for him to move.

Chen Ping took this opportunity and twisted it hard, and with a "click" sound, Qian Yue's wrist was broken.

“waste!”

Chapter: 7690

Chen Ping snorted coldly and threw Qian Yue aside like garbage.

At this time, Master Luan saw that the situation was not good and no longer held back his strength. He changed the seals of his hands again, and suddenly a stream of black tentacles emerged from the black vortex and coiled towards Chen Ping like poisonous snakes.

Chen Ping’s eyes focused, and the spiritual power in his body surged wildly. He waved his hands, and a golden flame burst out from his palms, instantly burning those black tentacles to ashes.

At the same time, he suddenly rose up again, like a golden lightning, and went straight for Master Luan.

Master Luan was shocked. He didn’t expect Chen Ping to be so powerful.

However, it was too late to escape at this time. Chen Ping punched out with a dragon-like punch, carrying a blazing golden flame, and hit Master Luan directly in the chest.

“Bang!”

With a loud bang, Master Luan flew backwards like a kite with a broken string and fell heavily to the ground.

He was vomiting blood and his face was as pale as paper. It was obvious that he was seriously injured.

At this time, Qiu Tu saw that Qian Yue and Master Luan were both injured, and a chill rose in his heart.

He knew very well that he was no match for Chen Ping, and if he continued to fight, he would probably die.

However, as the young master of the Qiu family, how could he admit defeat so easily?

“Boy, don’t be too proud! There are many experts in my Qiu Mansion. Even if I die here today, you will never leave alive!”

Qiu Tu shouted in a stern but weak voice.

Chen Ping couldn’t help but sneer when he heard this: “Humph, so what if the Qiu Mansion is full of experts? Today I will kill you, a piece of trash, first!”

After saying that, Chen Ping suddenly jumped up again and pounced towards Qiu Tu like an angry lion.

Qiu Tu was so frightened when he saw this that he turned around and ran away.

However, how could his speed compare to Chen Ping’s? Chen Ping suddenly appeared in front of Qiu Tu and punched him.

“Bang!”

The fist was as fast as lightning and instantly hit Qiu Tu’s chest.

Qiu Tu only felt a huge force coming, and the whole person flew backwards like a kite with a broken string and fell heavily to the ground.

He was spitting blood and his eyes were unfocused. It was obvious that he had been seriously injured and had lost his ability to fight.

At this time, Xiong Kuo, Yaomei and Xiong Ying, who were watching the battle on the sidelines, couldn't help but feel admiration in their hearts.

They didn't expect that Chen Ping's strength was so powerful that he could defeat three masters by himself.
