

The Order 7691

Chapter: 7691

Xiong Kuo looked at Chen Ping's heroic figure and couldn't help but feel secretly grateful.

He was glad that he had chosen to follow Chen Ping, otherwise, he would probably have become Chen Ping's defeated general.

The youngest sister looked at Chen Ping with admiration. She had never seen such a brave man and couldn't help but develop a little affection for Chen Ping.

However, she also knew that now was not the time to express her emotions, and she could only bury them deep in her heart.

Xiong Ying looked at Chen Ping with a worried look on her face. Although she knew that Chen Ping was very powerful, she couldn't help but worry for him when she saw him fighting fiercely with Qiu Tu and three others.

She didn't breathe a sigh of relief until she saw Chen Ping finally defeat Qiu Tu and the others. The look she gave Chen Ping was full of admiration. This was her most intuitive appreciation of Chen Ping's strength.

As the saying goes, beautiful women love heroes. If Chen Ping proposed something inappropriate to her at this moment, Xiong Ying would definitely not refuse and would definitely take the initiative to cater to him!

"I don't even need any weapons to fight you three little pieces of trash..."

Chen Ping looked at Qiu Tu and others who had fallen to the ground and snorted coldly!

Qiu Tu and others who were lying on the ground seriously injured looked at Chen Ping in front of them as if they saw a devil, with fear in their eyes!

Especially Qian Yue, he still thought that Qiu Tu and Master Luan could protect him!

Now it seems that I was overthinking. With Chen Ping's current strength, I'm afraid he can compete with the three beast generals!

"Chen Ping...Mr. Chen, Grandpa Chen...Please spare my life, please spare my life..."

Qian Yue dragged his seriously injured body and crawled to Chen Ping's feet, begging for mercy from Chen Ping!

At this moment, Qian Yue didn't care about his face anymore, saving his life was the most important thing!

He kept begging for mercy and even started to call Chen Ping "Grandpa"!

Qiu Tu could no longer be relied upon. Both Qiu Tu and Master Luan were injured by a casual palm strike from Chen Ping!

Do we rely on the Qiu Mansion now?

Given his current identity, even if someone from the Qiu Mansion really came, they might not necessarily save him!

Qian Yue was regretting so much at this moment. He really didn't expect that Chen Ping's strength would be so terrifying!

If he had not gone to the Qiu Mansion and told Qiu Tu about the fairy stone mine, he would have followed Chen Ping to divide the fairy stones and made a fortune!

But where in the world can you find medicine for regret?

“Qian Yue, do you know now that your choice was wrong?”

Chen Ping looked down at Qian Yue and asked calmly!

“I know, I know, I was wrong, I was really wrong. I am willing to follow Mr. Chen loyally and mine this fairy stone for you.”

“I won’t share it with you. I’ll give you all the fairy stones I’ve mined, as long as you’re willing to spare my life!”

Qian Yue kowtowed desperately. He was willing to do anything to save his life!

Chen Ping looked at the apologetic begging for mercy, but his eyes were not moved at all. On the contrary, the murderous aura on his body became stronger and stronger!

Chapter: 7692

“Didn’t you want to leave me an intact body? Why are you begging me now?”

Chen Ping looked at the money and said.

“Mr. Chen, I was just talking nonsense at that time. Please don’t take it seriously!”

“Please forgive me this time, considering that we are both human cultivators!”

Qian Yue secretly groaned in his heart. He never thought that Chen Ping was so powerful and things would develop to this point!

“Qian Yue, I gave you opportunities and choices, but unfortunately you made the wrong choice. Not all mistakes in life can be regretted.”

“If you don’t join the Qiu family, your future achievements will be unlimited, and I can also give you great opportunities!”

“What a shame, what a shame...”

Chen Ping shook his head!

“Mr. Chen, I was wrong. Please spare my life. Please spare me...”

Qian Yue was still begging for mercy, but before he could finish his words, he stopped abruptly!

Chen Ping just slapped Qian Yue on the head with his palm, and Qian Yue’s brain burst immediately, and he was deader than dead!

Qiu Tu and Master Luan, who were standing by, were so frightened when they saw this scene that they trembled all over!

Now that Qian Yue is dead, it’s their turn next!

Especially Master Luan, he had no grudge against Chen Ping, and he only attacked Chen Ping to help the Qiu family!

Now, he is seriously injured and can only wait for death!

Seeing Chen Ping's gaze on him, Master Luan kowtowed quickly.

"Fellow Daoist, we have no grudges against each other. It was only because of Qiu Tu's instigation that I attacked you."

"As long as you are willing to spare my life, I am willing to give you all the treasures on my body."

"I know that you are very good at formations. I have four formation jade slips here, all of which were found in some ancient ruins."

"Because I am not very proficient in the art of formations, I have not yet been able to comprehend these formation jade slips. I am willing to give them all to you, fellow Taoist!"

In order to save his life, Master Luan took out a storage bag tremblingly!

There are some cultivation resources inside, the most important of which are these four formation jade slips, which he obtained from some ancient abandoned ruins many years ago!

After all, there are too few formation masters in the celestial world. Even if other people get these formation jade slips, they will be useless. No one will be able to use them, and no one will be able to comprehend them!

Chapter: 7693

Although Master Luan is quite good at formation techniques, he still cannot comprehend the information recorded in the formation jade slip, so he always carries it with him, waiting for the day when he can comprehend it!

In this situation now, my life is in danger, and there is no point in keeping these formation jade slips!

So in order to save his life, Master Luan had to take out all the treasures on his body. Whether he could save his life depended on whether he could satisfy Chen Ping!

However, since Chen Ping is also a master of formations, he must be interested in the formation jade slips from the ancient ruins!

At this moment, Master Luan no longer had any thoughts of resistance, not because he was timid, but because he knew that in front of Chen Ping, they were no different from following ants!

As an ant, how dare I regret the elephant?

Master Luan was aware of this self-knowledge. In fact, he knew it from the moment Chen Ping stepped out of the Heaven-Swallowing Gourd!

But he still didn't give up and believed that they could defeat Chen Ping by joining forces!

But the result was that the three of them suffered a miserable defeat!

"I heard that these formation jade slips all record ancient formations. Unfortunately, my formation cultivation is too shallow and I can't see through it at all. I think you will have no problem. You got these formation jade slips. , it will definitely take your formation skills to a higher level."

Master Luan handed over his storage bag with both hands. His respectful look was completely different from the beginning!

In fact, Chen Ping was not interested in the resources in Master Luan's storage bag. However, when he heard that there were ancient formation jade slips, Chen Ping was very interested, so he reached out to take it!

Seeing Chen Ping taking the storage bag, Master Luan secretly breathed a sigh of relief!

Since Chen Ping wants it, then my life should be saved!

After all, one should be grateful to the one who eats the food, and one should be grateful to the one who takes the food. Since Chen Ping wants to kill me, he will definitely not kill me!

Master Luan wiped the cold sweat from his forehead and let out a long sigh!

Chen Ping took the storage bag, took out a formation jade slip, and then injected his spiritual consciousness into the jade slip!

However, this formation jade slip seemed to have some taboos. Chen Ping's spiritual consciousness had no way of entering the formation jade slip, so it was impossible for him to know what kind of formation it was!

"It's really something. It can even block my spiritual sense!"

Chen Ping was slightly stunned, then increased his spiritual awareness.

In Chen Ping's sea of consciousness, a seemingly chaotic array of stars soon appeared!

These stars are bright and dim, and are spread throughout Chen Ping's entire sea of consciousness!

“What the hell is this?” Demon Lord Chiyun said in shock when he saw the sky full of stars suddenly appearing!

Chen Ping took a look and instantly understood: “This is the formation diagram in the formation jade slip. Only after it is cracked can the spiritual consciousness enter the jade slip!”

Chapter: 7694

Relying on his own formation skills, Chen Ping quickly cracked the formation diagram!

Master Luan had been unable to crack the secret for so many years, but Chen Ping saw through it with just two glances!

While cracking the code, Chen Ping’s consciousness instantly entered the jade slip!

Chen Ping only felt that the world was spinning suddenly, and then there was a vast expanse of white in front of his eyes!

He could not sense any spiritual power, nor could he sense the existence of continuous formations!

“What kind of formation is this? Why can’t I feel anything at all?”

Chen Ping frowned slightly!

Chen Ping was immersed in that white world, trying to capture any clues about this formation.

As time passed, he suddenly felt an inexplicable force surging in his heart, as if it resonated with some rules of the world.

“This... could this be the legendary Heaven and Earth Formation?”

Chen Ping was shocked. He realized that he might have touched the most taboo and mysterious area of the heavenly world.

The Heaven and Earth Formation was a unique formation set up by an ancient powerful being using the heaven and earth as a cloth and the stars as chess pieces. It can cut off the communication between the heavenly world and the heavenly world, making it impossible for the heavenly world monks who were left behind in the heavenly world to return to the heavenly world. .

Although Chen Ping didn't understand who set up this great formation of heaven and earth, and what the original intention was of setting up this great formation of heaven and earth!

But Chen Ping knew that such a formation could not be shaken by his current level of cultivation.

“No wonder even my spiritual consciousness can't easily enter. How can this great formation of heaven and earth be peeped into by ordinary people?”

Chen Ping pondered secretly, feeling both shocked and excited.

He understood that if he could master this great formation of heaven and earth, he would be able to break it. Then, those celestial cultivators who were left behind in the world of heaven and man would be able to return to heaven one after another.

The Ancestor of Divine Patterns, the Array Demon, and others can all return to the heaven they have always dreamed of!

Chen Ping searched the formation jade slip for a long time but could not find any clues. Finally, he discovered that the formation jade slip only recorded a part of the formation of heaven and earth!

“Could it be that these four formation jade slips can form a great formation of heaven and earth?”

Chen Ping thought about it and took out another formation jade slip, but no matter how hard they tried, they could no longer put their spiritual consciousness into it!

Looking at the jade slip in his hand, although Chen Ping felt unwilling, he also understood that he could not force it.

“Forget it. The opportunity has not come yet. It is useless to force it.”

Chen Ping sighed and decided to put the matter aside for the time being. He turned to look at Master Luan who was kneeling beside him with a hopeful look on his face.

Chapter: 7695

“Although you were ordered by Qiu Tu, I will spare your life today considering that you are really interested in studying formations.”

Chen Ping’s words were filled with unquestionable majesty. “But the death penalty can be avoided, but the living crime cannot be escaped. Since you have attacked me, I can’t just let you go like this and let others think that I, Chen Ping, am easy to bully. Today, I will abolish your power.” You raise your hands as a sign of punishment.”

After saying that, Chen Ping pointed with his finger, and a ray of light flashed. Master Luan felt a sharp pain in his arms and then lost consciousness.

He slumped on the ground, his eyes showing both fear and relief. He knew that he deserved it, but he was also grateful to Chen Ping for giving him a chance to live. His hands were crippled, but they could be restored in eight or ten years. But his life was gone. But it’s a lifetime!

“Thank you, Mr. Chen...”

Although Master Luan was in great pain, he was also overjoyed. He didn't know where he got the strength from, but he suddenly stood up and ran away. He was afraid that Chen Ping would regret it and kill him!

After Master Luan ran away, Chen Ping turned his attention to Qiu Tu!

Qiu Tu's body trembled, but when he saw that Master Luan handed over the treasure and was spared, he also thought that as long as he knelt down and begged for mercy and handed over the treasure, he could also be spared!

Although Qiu Tu is the young master of the Qiu family, he feels that face is more important than life!

But at this time, everyone was dead or injured, and no one would know even if he knelt down and begged Chen Ping.

At this time, begging for mercy is the wisest thing to do. As the saying goes, he who knows the times is a hero!

“Mr. Chen, spare me! Spare me!”

After Qiu Tu figured it out, he immediately knelt down and begged for mercy.

Especially when he saw that although Master Luan had lost both his hands, he still managed to save his life, a glimmer of hope suddenly ignited in his heart.

He knelt on the ground and kowtowed repeatedly. The arrogance and ferocity on his face had long been replaced by fear.

“Mr. Chen, I am willing to give up everything I have, just begging you to spare my life. Look, this is my storage bag, which contains all the treasures I have accumulated over the years. As long as you don’t kill me, this storage bag will be mine. The bag is yours!”

With trembling hands, Qiu Tu raised his storage bag high up, as if it was his only life-saving straw.

However, Chen Ping just looked at him coldly, without any mercy in his eyes.

He spoke slowly, his voice low and powerful: “Qiu Tu, do you think your treasure can save your life?”

When Qiu Tu heard this, a look of confusion appeared on his face. He thought Chen Ping would treat him like he treated Master Luan, and that as long as he handed over the treasure, he could save his life. But Chen Ping’s next words made him feel like he was falling into an ice cellar.

“Why not?” Qiu Tu was a little confused!

“You are really confused, because if I kill you, your treasures will also be mine...”

Chen Ping’s words were full of mockery.

Qiu Tu’s face turned pale in an instant. He couldn’t believe his ears, and he couldn’t believe that Chen Ping would do this.

Chapter: 7696

This is simply not playing by the rules. Exchanging treasures for lives, isn’t that the same routine?

Why did Chen Ping suddenly say this?

Qiu Tu wanted to beg for mercy again, but when he opened his mouth, no sound came out.

At this moment, Chen Ping flashed and instantly came in front of Qiu Tu and slapped him with his palm.

The palm wind was like a knife, carrying a sharp murderous intent, and went straight to Qiu Tu's vital points.

"I just want you to know that I am someone you can't afford to offend. In my eyes, your Qiu family is shit."
Chen Ping's voice sounded in Qiu Tu's ears, like the verdict of the god of death.

Qiu Tu only felt a powerful force enveloping him. He wanted to dodge, but it was too late. That palm hit his chest heavily like a collapsing mountain.

"Bang!" With a loud noise, Qiu Tu's body flew backwards like a kite with a broken string and fell heavily to the ground.

His chest caved in and blood gushed out, staining the surrounding ground red.

He opened his eyes wide, his face full of unwillingness and confusion, as if he was still wondering why Chen Ping was so heartless and why he didn't give him a chance to live.

"You...you..." Qiu Tu opened his mouth, but only uttered two incomplete words, then his head tilted and he completely lost his breath.

Chen Ping stood there, looking at Qiu Tu's body, without any fluctuation in his eyes.

When Xiong Kuo saw this scene, his eyes were filled with shock. He did not expect that Chen Ping actually killed Qiu Tu. You know, he was the young master of the Qiu family!

Qiu Mansion is the residence of Qiu Wanqing, one of the three great beast generals. Qiu Wanqing is an eighth-grade cultivator in the Mahayana realm, and he has no less than a hundred Mahayana cultivators under him!

Chen Ping dared to kill Qiu Tu directly like this. Wasn't he really afraid of Qiu Wanqing's revenge?

When Xiong Ying saw Chen Ping killing Qiu Tu without hesitation, he was also deeply shocked!

However, her feeling towards Chen Ping was more of admiration. From the first time she saw Chen Ping, she felt that he was very ordinary, but now she admires Chen Ping!

Every change in opinion of Chen Ping is due to the influence of Chen Ping's own strength!

No matter how pretty Xiong Ying is, she is just a small cultivator in the Tribulation Realm. She is just a beautiful skin. Without real strength, it will be difficult for her to survive in the world of celestial beings!

This beautiful appearance may bring you unnecessary trouble!

Just like this time, even Xiong Kuo's two good friends directly tricked Xiong Kuo for Xiong Ying's appearance, and then wanted to take possession of Xiong Ying!

If Chen Ping had not appeared, Xiong Ying would have been defiled by now!

The look Xiong Ying gave Chen Ping kept changing. In her heart, she actually hoped that Chen Ping would accept her at this moment!

In that case, she could lean on Chen Ping and have a safe arm!

Chapter: 7697

The youngest sister is also struggling in her heart. Her brother has died, and from now on she will have no relatives!

Living in this beast city, as a girl with no one to rely on, my little sister will end up being a plaything for other male cultivators!

She also wanted to follow Chen Ping and wanted Chen Ping to protect her!

But the youngest sister knows herself well. No matter in terms of strength or appearance, she can't compare with Xiong Ying!

Even the sword spirit Zhongli can't compare to her. Although the youngest sister's appearance is considered average, in front of Chen Ping, a guy who is surrounded by beautiful women, her appearance is not good enough!

"Let's go. I'll take you into the city and find a safe place for the time being. This fairy stone mine may not be safe. Someone else should have known about it!"

Chen Ping said to the three of them!

Since Qian Yue told Qiu Tu, and Qiu Tu also brought people from the Qiu Mansion with him, then the location of the fairy stone vein must have been known to other people in the Qiu Mansion!

It would be unsafe if Xiong Kuo and the others were allowed to stay here!

"Mr. Chen, you just killed Qiu Tu and you are going back to Beast City in a swagger. Will you be retaliated by the Qiu family?"

“How about I take you to hide somewhere else? I know a very secluded place!”

Xiong Kuo said to Chen Ping!

“No, the Qiu family won’t dare to retaliate. If they do, I will destroy them all!”

Chen Ping said casually!

A first-grade Mahayana cultivator actually kept talking about destroying the residence of an eighth-grade Mahayana cultivator. If this was said by someone else, people would probably laugh their heads off!

If this isn’t bragging, then what is? But at this moment, when Chen Ping said it, Xiong Kuo and the others completely believed it!

Because the strength displayed by Chen Ping was so shocking that they could no longer see clearly what Chen Ping’s true strength was!

Several people quickly rushed towards the Beast City. Because Chen Ping had the token from the Xing Mansion, he entered the city gate smoothly without being checked!

Chen Ping directly brought Xiong Kuo and others into the Xing Mansion. Looking at the mansion in front of them, Xiong Kuo and the other two were a little confused!

This is the residence of Xing Daorong, one of the three great beast generals. Although they have never been inside, they have all seen it!

After all, in the Beast City, apart from the City Lord’s Mansion in the middle, the mansions of the three Beast Generals are the most massive and luxurious!

“Mr. Chen, this is.....”

Bai Cheng saw Chen Ping bringing back three people, so he asked with some confusion!

“These are all my friends. They are staying here temporarily. Is General Xing here?”

Chapter: 7698

Chen Ping asked Baicheng!

“Yes, General Xing was looking for you just now. Maybe something went wrong at the Qiu Mansion.”

Baicheng said!

Chen Ping could guess at once that it must be the fact that Qiu Tu was killed by him that caused some commotion in the Qiu Mansion!

“Take them to rest first, I’ll go find General Xing!”

Chen Ping asked Bai Cheng to take Xiong Kuo and others to rest, and then he went straight to Xing Xing Daorong’s meeting room!

When Chen Ping pushed the door open and entered, there were several commanders sitting in the conference room!

Seeing Chen Ping coming in, several commanders all stood up. This also shows that everyone's attitude towards Chen Ping changed after Chen Ping broke through to the Mahayana realm!

Who would dare not respect a person who can make the thunder tribulation of the Mahayana realm as similar to the tribulation of the Immortal realm?

"Chen Ping, I'm looking for you, come and sit down!"

Xing Daorong stood up and pulled Chen Ping to sit next to him!

This position is enough to show how much Xing Daorong values Chen Ping and Chen Ping's status in the Xing Mansion!

In the world of heaven and man, strength is respected and this is not just talk!

"General Xing, what do you want from me?"

Chen Ping asked!

"A spy reported that the Qiu Mansion suddenly hoisted a white sail, and Qiu Wanqing's two sons were dead."

"Especially that Qiu Tu, who was just killed outside of Beast City. Qiu Wanqing is almost going crazy."

"Did you know about this?"

Xing Daorong looked at Chen Ping and asked!

Chen Ping nodded and said, "I know. I killed both Qiu Yu and Qiu Tu. I just killed Qiu Tu and rushed back."

"It was really you who killed him." Xing Daorong frowned slightly. It seemed that he had long suspected that Chen Ping did it!

"Why did you kill Qiu Tu?"

Xing Daorong asked!

Seeing this, Chen Ping could only tell the truth!

Chapter: 7699

Because he wanted to mine the fairy stone vein with Xing Daorong, Chen Ping no longer trusted others!

Since you're planning to mine with Xing Daorong, you can't hide anything!

When Chen Ping spoke out the truth, the entire conference room was in an uproar!

"What? Can we still find fairy stone veins now?"

"This is incredible. I thought the fairy stone mine was gone long ago."

"Fortunately, the people from the Qiu Mansion didn't mine it. If the Qiu Mansion got these fairy stones, they would have attacked us a long time ago."

Those commanders were all talking about it!

Xing Daorong's face was filled with shock and excitement. He never expected that Chen Ping killed Qiu Tu because of the fairy stone mine!

Now that Chen Ping has told him this, it means that Chen Ping also plans to hand over this fairy stone mine to the Xing Mansion for mining!

"You did the right thing. The fairy stone mine did not belong to the Qiu family. Qiu Tu and others actually wanted to occupy it. He deserves to die!"

"If Qiu Wanqing dares to cause trouble for you, I will definitely not sit idly by."

Xing Daorong said very righteously!

"Thank you, General Xing!" Chen Ping thanked him!

"You are a guest of my Xing Mansion, so I should do this. Why are you thanking me? I just don't know where to mine the fairy stone vein..."

Xing Daorong looked at Chen Ping and spoke hesitantly...

"General Xing, I came back without stopping because I want to cooperate with General Xing in mining, and I need General Xing to send more people."

"Since Qiu Tu led people to the location of the fairy stone mine, the Qiu Mansion must also know the location. I'm afraid that Qiu Wanqing will take people there and occupy the fairy stone mine!"

Chen Ping said!

When Xing Daorong heard this, he immediately stood up and nodded repeatedly, “Yes, yes, yes, we must not let Qiu Wanqing get ahead.”

“All of you go gather the troops immediately, let Chen Ping lead the team, and we will go to the location of the fairy stone mine.”

“I will go there in person this time. If Qiu Wanqing dares to snatch it from me, I will fight him!”

After Xing Daorong gave the order, the commanders immediately took it!

In just a few minutes, hundreds of soldiers had gathered, and dozens of guests had also gathered, including Bai Cheng!

Chen Ping didn't waste any time and led his men out of the city in a mighty manner!

Chapter: 7700

Along the way, many monks fled in fear, not knowing what had happened!

Even the guards at the city gates hid far away and no one dared to ask questions!

Anyone who dares to interrogate the soldiers of the Xing Mansion is seeking death!

Just after Chen Ping led hundreds of people out of the city, in the hall of Qiu Mansion, Qiu Wanqing looked at Qiu Tu's corpse, his body shaking uncontrollably!

Even though Qiu Yu died, he was not so sad because he knew that he still had his son Qiu Tu!

Moreover, in comparison, Qiu Tu is much stronger than Qiu Yu, and is the ideal successor in Qiu Wanqing's heart!

Qiu Yu only knows how to stir up trouble and seek pleasure, so if he dies, then he dies!

But now, Qiu Tu was also dead, and his two sons were gone, which made Qiu Wanqing a little overwhelmed!

"Master, Xing Daorong has left the city with hundreds of people!"

At this time, the housekeeper of the Qiu Mansion stepped forward and said to Qiu Wanqing!

Qiu Wanqing frowned and gritted his teeth and said, "This guy must be heading for the fairy stone mine."

"Tu'er died because of this fairy stone mine. This fairy stone mine must not fall into the hands of Xing Daorong. Gather the troops immediately and let's set off!"

Qiu Wanqing also knew about the fairy stone mine, and Qiu Tu must have reported it before he died!

Now Xing Daorong suddenly led his men out of the city, and Qiu Wanqing immediately guessed the reason!

Not long after, Qiu Wanqing also gathered hundreds of people and marched out of the city in a mighty manner!

This made all the monks in Beast City confused!

“Fuck, what’s going on? Two of the three beast generals of Beast City have gone out, and they are all fully armed and have brought all the soldiers with them.”

“I remember that these three beast generals haven’t left the Beast City for many years. What happened today?”

“I’m afraid something big is going to happen. Something big is going to happen in Beast City...”

On the street, many monks were talking about it, but no one knew what had happened!

Just after Qiu Wanqing led his men out of the city, only one of the three beast generals was left in the Beast City!

Of course, even if Xing Daorong and Qiu Wanqing left the city, they could not escape General Yan Shuangying!

“General, Xing Daorong and Qiu Wanqing have both left the city, and they have brought all their troops with them.”

A servant from the Yan Mansion reported!
