

## **The Order 771**

Chapter: 771

“Let him have me in the living room, I’ll be there soon!”

After Chen Ping finished speaking, he looked at Lin Tianhu and Chi Feng and said, “You two should practice sparring. Don’t be afraid of getting hurt. Real strength comes from actual combat!”

“Got it!” Lin Tianhu and Chi Feng nodded!

Chen Ping returned to the living room, and Li Shouyi was sitting on the sofa waiting for Chen Ping.

Seeing Chen Ping back, Li Shouyi stood up hurriedly: “Mr. Chen, I’m sorry to bother you!”

“Pavilion Master Li, you’re welcome, what can I do?”

Chen Ping said with a faint smile!

“There is a big shot who wants to meet Mr. Chen. He is at the West Street Teahouse. I hope Mr. Chen will show his favor...”

Li Shouyi said politely.

Chen Ping was stunned. To be able to ask Li Shouyi to invite his people, he must be quite powerful. Moreover, Li Shouyi was talking about being a big shot, and he seemed to be involved in the officialdom just like Li Shouyi!

Chen Ping doesn’t like dealing with them very much, and he won’t join them, because there are too many restrictions, which will restrict a lot of Chen Ping’s freedom!

“Pavilion Master Li, I’m really sorry. I have something going on right now and I can’t get away...”

Chen Ping politely excused himself!

“Then when will Mr. Chen have time?” Li Shouyi asked unwillingly.

“I haven’t had time in the past few days!” Chen Ping said!

“No time in the past few days?” When Li Shouyi heard this, he immediately understood that Chen Ping was just looking for an excuse to avoid going to the meeting!

“Mr. Chen, this is a big shot. It can be said that he can cover the sky with one hand...”

Li Shouyi said in an accentuated tone!

Chen Ping smiled lightly: “I’m sorry, I don’t have time for such a big figure. If Pavilion Master Li has nothing else to do, I won’t give it away!”

“Mr. Chen, this is a big shot from Kyoto, you have to think clearly!”

Li Shouyi frowned and his face became a little unsightly!

It would be fine if Chen Ping didn’t give him face. This was a big shot from Kyoto who no one could offend, but Chen Ping didn’t even give him face!

“see a visitor out.....”

Chen Ping also put away his smile and shouted loudly!

Chapter: 772

Li Shouyi actually threatened him?

What Chen Ping is not afraid of the most is threats. Even if it is a big shot from Kyoto, what can he do? If Chen Ping doesn't want to see him, he will just disappear!

"You..." Li Shouyi's face turned red with anger, and in the end he had no choice but to sigh and leave!

In the West Street Teahouse, a middle-aged man with a Chinese character face was sipping tea carefully. Behind him stood a young man. The young man had an upright body and short hair. He looked very capable!

"Xiao Li, how old are you this year?"

The middle-aged man suddenly spoke.

"Back to the Pavilion Master, I am twenty-five this year!"

The young man said loudly without squinting his eyes.

"Well, I'm about the same age as him. They're both young and promising. It's better to be young..."

A hint of envy flashed in the eyes of the middle-aged man with a Chinese-character face!

At this moment, Li Shouyi opened the door and walked in, with a bit of anger on his face!

When the middle-aged man saw this, he couldn't help but be slightly startled: "Where is the person?"

"Master Zhao, then... Then Chen Ping excused himself because he had something to do and didn't come at all!"

Li Shouyi lowered his head and said with a look of shame!

“Not coming?” The middle-aged man looked very surprised, and then asked Li Shouyi, “Did you tell him my identity?”

“No, no...” Li Shouyi waved his hands repeatedly: “Master Zhao didn’t say anything. How dare I expose Master Zhao’s identity so easily? I just reminded him that he is a big shot from Kyoto, but Chen Ping still shied away!”

“This is simply unreasonable. This kid is too crazy. You know how many dignitaries in Kyoto want to see our Pavilion Master, but our Pavilion Master doesn’t even have time, and this kid actually refuses?”

When Xiao Li heard this, he became furious!

“Interesting, a bit interesting...” The middle-aged man instead of being angry, actually laughed.

“Since he doesn’t come, let’s go find him!” The middle-aged man stood up and said to Xiao Li: “Xiao Li, go buy some gifts, don’t be too bad. After all, it’s your first time to visit someone’s home. !”

“Pavilion Master, that guy doesn’t give you face, so you still go to his house?” Xiao Li said in surprise!

“Go if I ask you to, and don’t worry about anything else!” the middle-aged man said with a slightly cold look on his face!

Xiao Li was too scared to speak and hurriedly went to prepare gifts!

“Shouyi, who is this Chen Ping? Tell me carefully...”

Chapter: 773

The middle-aged man asked Li Shouyi.

Li Shouyi could only tell the middle-aged man everything he knew!

“It’s true that newborn calves are not afraid of tigers. He caused trouble in the capital of Jiangbei Province. Now he has reached out to Kyoto and even killed the boys of the Qin family. He is courageous and powerful. He is a good seedling...”

The middle-aged man laughed!

“Master Zhao, you said that Chen Ping killed people from the Qin family in Kyoto?” Li Shouyi was slightly surprised!

“It seems that you, the master of the Guardian Pavilion in Jiangbei Provincial City, are incompetent. Then Chen Ping is Qin Feng who was killed in the provincial capital, and you don’t even know!”

The middle-aged man looked at Li Shouyi and said.

This time, Li Shouyi was scared to death, and cold sweat started to flow from his forehead.

“Master Zhao, forgive me, this is indeed a villain’s oversight...”

Li Shouyi hurriedly confessed!

“Okay, what’s the use if you know it? Can you care about Chen Ping or Qin Feng?”

The middle-aged man waved his hand.

This sentence struck a chord in Li Shouyi’s heart. As the master of the Dharma Protector Pavilion, he was so useless that he couldn’t even control the local wealthy families in the provincial capital, let alone the children of wealthy families from Kyoto!

There is a saying that compares people to death, and compares goods. We are both the masters of the Dharma Protector Pavilion, but the person in front of me is the master of the Dharma Protector Pavilion in Kyoto. Even ten Li Shouyi may not be able to match his power and status. Xiao Li, Li Shouyi, who is the follower next to me, must be respectful.

Soon, Xiao Li bought the gift, and Li Shouyi drove the two of them to the villa where Chen Ping lived!

“Mr. Chen, Pavilion Master Li is here again!”

A guard reported to Chen Ping!

“This Li Shouyi is really determined to give up...” Chen Ping felt helpless: “Let him wait in the living room!”

This time, Chen Ping did not go to see Li Shouyi immediately. He waited for a while before talking to him.

Li Shouyi, the middle-aged man and Xiao Li were invited to the living room. After pouring a few cups of tea, the servants left.

The three of them were sitting in the living room, watching the time pass by, but there was still no sign of Chen Ping!

“What’s this guy doing? It’s been more than ten minutes and he’s still not here?”

Xiao Li looked at his watch and said impatiently.

“Don’t worry, it will come naturally!”

Chapter: 774

The middle-aged man was not in a hurry. He closed his eyes slightly and waited quietly. He seemed to know that Chen Ping made them wait on purpose!

“Ling’er, these shoes are so beautiful today, and they are limited edition!”

“No, the clothes I bought just arrived, this is the only one!”

Su Yuqi came back from shopping with Gu Ling'er, and both of them were very happy to buy what they wanted!

But as soon as the two of them entered the door, they saw Li Shouyi and two strangers there, and they were immediately stunned!

“Pavilion Master Li, you...when did you come?”

Gu Linger asked Li Shouyi.

After all, Li Shouyi used to be Gu Ling'er's leader. Although Gu Ling'er has resigned now, he still seems a little reserved when he sees Li Shouyi!

“Linger, we are here to see Mr. Chen!”

Li Shouyi said, and then pointed at the middle-aged man: “This is Mr. Zhao from Kyoto!”

“Master Zhao, this is Gu Wentian's granddaughter. She was once a general under me, but she has resigned now!”

Li Shouyi smiled awkwardly and introduced each other!

When Gu Ling'er heard that he was a big shot from Kyoto, he immediately put down the things in his hands and hurriedly walked over and said, “Hello, Mr. Zhao!”

“Hahaha, it turns out to be Gu's granddaughter. It's a pleasure to meet you. It's a pleasure to meet you...”

The middle-aged man laughed and said!

“Isn’t Chen Ping here?”

Su Yuqi was a little puzzled. There was someone at home, but Chen Ping wasn’t there.

“Oh, Miss Su, Mr. Chen sent someone to tell us to wait, but we have been waiting for more than ten minutes and there is still no sign of Mr. Chen...”

Li Shouyi said slightly dissatisfied!

Su Yuqi is not stupid. She knows Chen Ping very well. Since Chen Ping asked Li Shouyi and the others to wait, he must have his own ideas.

“Since he said to wait, there must be something important that needs to be dealt with. Pavilion Master Li, please sit down first and let’s go change clothes...”

Su Yuqi doesn’t want to get involved in things here. Whatever Chen Ping does and how he does it, all Su Yuqi needs to do is to support him. As for right and wrong, Su Yuqi will not argue arbitrarily. She knows what a woman should do!

“Shou Yi, this is...”

The middle-aged man looked at Su Yuqi and asked Li Shouyi.

Chapter: 775

“Master Zhao, this is Mr. Chen’s girlfriend, Miss Su Yuqi!”

Li Shouyi introduced hurriedly!

“It turns out to be Mr. Chen’s girlfriend, I’m sorry to bother you...”

Upon hearing this, the middle-aged man hurriedly nodded along with Su Yuqi with a smile on his face.

Su Yuqi also smiled slightly: "Mr. Zhao, you're welcome. Sit down first. If necessary, you can tell the servants to let us change clothes!"

After saying that, Su Yuqi took Gu Ling'er upstairs!

"Ling'er, what's the big shot in Kyoto looking for Chen Ping all of a sudden? Is it because of Qin Feng?"

After Su Yuqi went upstairs, she asked Gu Linger worriedly.

"I don't know. If it's really because of that Qin Feng, I won't let Chen Ping take the blame for me. I will go down and admit that I killed Qin Feng!"

Gu Ling'er shook his head, but these people really came because of Qin Feng's matter. Gu Ling'er would not let Chen Ping take the blame for him!

"Okay, let's take a look and talk later!"

Su Yuqi glanced downstairs, then went into the room to change clothes!

At this time, Xiao Li in the living room seemed a little irritable.

"It's simply too much. What's so great about him being so arrogant? He knew we were coming, but he kept us waiting for so long!"

Xiao Li said very unhappy.

But this time, neither the middle-aged man nor Li Shouyi spoke. Since they were already here, they could only wait!

After half an hour, Chen Ping slowly walked in with Chi Feng and Lin Tianhu!

“Mr. Chen.....”

Seeing Chen Ping coming, Li Shouyi immediately stood up and said.

When Xiao Li saw that Chen Ping was only about the same age as him, but he was full of style and airs, he immediately scolded: “Do you know how to be polite? Our Pavilion Master has been waiting for you here for half an hour, you know how valuable is the Pavilion Master’s time?”

Xiao Li’s scolding immediately made Lin Tianhu and Chi Feng’s faces turn cold, and the murderous aura on their bodies instantly filled the air, and they headed directly towards Xiao Li!

Chen Ping just glanced at Xiao Li, and Xiao Li felt a chill in his heart, and his body trembled involuntarily. He seemed to see the abyss of hell from Chen Ping’s eyes, which made people shudder!

“Back off...”

The middle-aged man scolded him, and Xiao Li became concentrated, and a trace of anger flashed across his face, but he still retreated to the middle-aged man’s side obediently!

Chapter: 776

He was so frightened by Chen Ping’s look that he trembled all over. Xiao Li felt so embarrassed. The young man’s fighting spirit was aroused, and the eyes he looked at Chen Ping became even sharper and colder!

“Pavilion Master Li, please wait for a long time. I have just finished some things!”

Chen Ping said to Li Shouyi in a neutral tone!

“Mr. Chen, this is what I told you, Kyoto...”

“I am Zhao Wuji, the master of the Dharma Protector Pavilion in Kyoto. I am truly lucky to meet Mr. Chen, such a young and promising young man...”

Without waiting for Li Shouyi’s introduction, the middle-aged man stood up and introduced himself!

Chen Ping was slightly surprised when he heard this. He did not expect that the person looking for him would be someone from the Kyoto Guardian Pavilion.

You must know that the power of the Dharma Protector Pavilion in Kyoto is very powerful. The Dharma Protector Pavilion can command the power of the whole country. The Dharma Protector Pavilion in Jiangbei Provincial City can only be regarded as a subordinate of someone else’s subordinate!

“Pavilion Master Zhao thanks you!” Chen Ping smiled lightly!

“I’m not giving you a reward. You are the first person who dares to kill the eldest son of the Qin family in Kyoto. Maybe you don’t know what the Qin family represents in Kyoto, so if you dare to kill Qin Feng, you are a newborn calf who is not afraid. Tiger!”

Zhao Wuji smiled slightly and said!

When Chen Ping heard this, he frowned slightly: “Are you here for the Qin family?”

“What nonsense are you talking about? How could a Qin family invite our pavilion master...” Xiao Li said with a cold look on his face!

Zhao Wuji waved his hand to shut up Xiao Li, and then he chuckled: “The death of Qin Feng won’t alarm me. I’m here for you. I just don’t want to see a good seedling die halfway!”

Chen Ping heard what Zhao Wuji meant, but he didn’t care and said: “Killing a Qin Feng, I don’t think there is any danger, it’s just a Qin family, I haven’t taken it seriously yet!”

In the eyes of everyone, Chen Ping's words were extremely arrogant!

"Boy, you really don't know what the Qin family's strength is, do you? The Qin family has no fewer than ten grand masters, and there are also four dead servants called the Four King Kong. The head of the Qin family, Qin Xiaoqing, is currently in retreat. I have heard that if you reach the level of the seventh-grade Grand Master, just pick one out and crush you into a scum..."

Xiao Li looked at Chen Pingdao with disdain!

Chen Ping slowly looked at Xiao Li and said coldly: "You think the Qin family is strong because you are rubbish..."

"You..." Xiao Li became angry and wanted to attack Chen Ping, but was stopped by Zhao Wuji!

"Mr. Chen, I know that you killed Jiang Zhengzhong and became famous in Jiangbei Provincial City. You also killed Jiang Zhengde at a martial arts gathering and defeated Qin Feng. You made Jiangbei and Jiangnan look at you with admiration. Now the Bai family has also thrown a tantrum at you. Olive branch, but you have to remember that our country, Daxia, has more than ten thousand miles of land, and Jiangbei is just a corner of it. Any tree that is as beautiful as the forest will be destroyed by the wind. If Qin Xiaoqing comes out of seclusion, even the Bai family will not be able to protect you!"

Zhao Wuji looked at Chen Ping, seemingly trying to persuade him, but actually he said threateningly!

"Are you investigating me?" Chen Ping frowned, his face looking a little cold.

"Investigation?" Zhao Wuji smiled faintly: "Who do I want to know? Why do I need to investigate?"

Chapter: 777

"Just tell me your reason for coming!" Chen Ping was no longer interested in following Zhao Wuji in circles!

"Okay, I hope you can join our Guardian Pavilion. You must know that everyone is responsible for the rise and fall of the country. Your age is the time to contribute to the country. If you join the Guardian

Pavilion, I can give you the best treatment. And if you kill Qin I will stop Feng's matter for you so that the Qin family will not cause trouble for you, what do you think?"

Zhao Wuji asked with a questioning expression.

"I have already told Pavilion Master Li that I will not join the Dharma Protector Pavilion. I still have my own things to do. I also hope that Pavilion Master Zhao will not use morality and national justice to kidnap me, because that is of no use to me..."

Chen Ping said calmly!

"If you join the Dharma Protector Pavilion, I can open all the secrets of the Dharma Protector Pavilion to you and make you a grand master in a very short time. What do you think?" Zhao Wuji did not give up and still promised Chen Ping the conditions!

"Grand master?" Chen Ping smiled coldly: "It seems that Pavilion Master Zhao is not very well-informed. Don't you know that I also killed the wild wolf of the Qin family? He must be a great master!"

"What are you bragging about? The wild wolf of the Qin family is so powerful that I am no match for it. How could you possibly kill him? It's just the Bai family who helped you. Don't put gold on your face!"

When Xiao Li saw Chen Ping say this, he immediately sneered!

The news that Zhao Wuji got was indeed that he suspected that the Bai family was secretly helping Chen Ping. Otherwise, how could Chen Ping kill a great master so easily!

"Are you bragging?" Chen Ping's face turned cold, and suddenly a terrifying aura erupted from his whole body, and this aura went directly towards Xiao Li!

Feeling this breath, Zhao Wuji's face was startled, his body shook slightly, and a powerful breath burst out from his body to resist!

But even so, Xiao Li was still forced to kneel down on one knee by Chen Ping's aura, and his breathing became rapid. If Zhao Wuji hadn't resisted, Xiao Li would have vomited blood by now!

Chen Ping took back his breath and looked coldly at Xiao Li who was kneeling on one knee: "I have said before, what you think is powerful is not worth mentioning in the eyes of others, because your strength is too rubbish..."

This time, Xiao Li did not refute or get angry, but looked at Chen Ping with horror in his eyes. The frustration in his heart made Xiao Li's face turn red!

Zhao Wuji looked at Chen Ping in surprise, and finally sighed: "I still underestimated Mr. Chen after all. He has such strength at such a young age, and his future is limitless. It's a pity... it's a pity..."

"Everyone has his or her own ambitions. I also hope Pavilion Master Zhao will not make things difficult for me. However, if there is any difficulty in the Protector Pavilion and my place is used, I, Chen Ping, will be obliged to do so!"

Chen Ping doesn't want to join the Dharma Protector Pavilion because it's too restrictive. He still has a lot to do now.

He wants to go to the Unnamed Island and find out his life experience. He wants to know if his biological parents are still alive!

"Okay, as Mr. Chen said, after I go back, I will try my best to deal with the Qin family's affairs for you. During this period, you can rest assured that the Qin family will not come to you. They have to wait until Qin Xiaoqing comes out of confinement. We'll make a decision later!"

Zhao Wuji said.

"Then thank you Pavilion Master Zhao. If I have time to go to Kyoto, I will definitely chat with Pavilion Master Zhao for a few drinks!" Chen Ping smiled lightly!

"Hahaha, no problem, I'm waiting for you anytime!"

Zhao Wuji smiled and said, just when Zhao Wuji was about to leave, he suddenly remembered something and looked at Chen Ping and said: "I heard that following Mr. Chen in Southwest Xuanyue Valley is a bit of a festival?"

Chapter: 778

"Well, I just killed a few people in Xuanyue Valley!" Chen Ping nodded.

"It should be killed. This Xuanyue Valley is getting more and more excessive. I am arranging manpower to investigate this Xuanyue Valley these days. These guys have already reached out to ordinary people. Now many girls have been reported missing in the southwest. Moreover, many people in the Southwest Dharma Protector Pavilion were killed for no apparent reason. I suspect that it was Xuanyue Valley who did it. It is simply lawless."

Zhao Wuji said angrily with an angry look on his face.

Zhao Wuji's words reminded Chen Ping of the time when he had just killed Jiang Zhengzhong and Master Buhuo. At that time, there were many girls imprisoned in the Jiang family's villa, and there were many horrific corpses of girls buried on the slope not far away!

"To be honest with Pavilion Master Zhao, I was planning to go to the southwest to visit the Xuanyue Valley. If it hadn't been delayed due to Qin Feng's affairs, I might have arrived in the southwest by now!" Chen Ping said truthfully.

When Zhao Wuji heard this, he felt happy: "It's just right. After I go back, I will immediately arrange for people to come to Jiangbei to find Mr. Chen, and then go to the southwest together. With Mr. Chen following me, I can feel more at ease!"

"Yeah!" Chen Ping nodded. Anyway, if the people from the Dharma Protector Pavilion don't go, he will go himself. It's better to be a favor!

After Zhao Wuji and the others left, Lin Tianhu said angrily: "Mr. Chen, you really took advantage of that kid, you should teach him a lesson!"

"Okay, you go and practice!" Chen Ping smiled lightly!

After Lin Tianhu and Chi Feng also left, Su Yuqi and Gu Ling'er ran down the stairs!

"Chen Ping, are these people here to arrest you?"

Su Yuqi looked at Chen Ping worriedly and asked.

Chen Ping shook his head and smiled lightly: "No, don't worry!"

"Chen Ping, I was the one who killed Qin Feng. If the people from the Dharma Protector Pavilion want to arrest you, I will explain it to them and will never let you take the blame for me!"

Gu Linger said firmly!

"Okay, stop thinking so wildly, I already said it's not the case. Besides, Qin Feng deserves to be killed, so he will be killed!"

Chen Ping smiled, and then continued: "Where are the things you bought while shopping? Let me appreciate them..."

"What do you admire? Do you want to admire the leopard print underwear that Ling'er bought? You've already seen it anyway, and you don't care to see it again!"

Su Yuqi looked at Chen Pingdao with a playful expression!

"Yu Qi, what are you talking about!" Gu Ling'er's face suddenly turned red!

"Ahem..." Chen Ping coughed twice and shook his head repeatedly: "I won't read anymore. I still want to teach Lin Tianhu and others how to practice..."

Chen Ping ran out in a hurry. The woman's heart was agitated. Chen Ping really didn't know what this woman was thinking!

Because he knew that the Qin family would not cause trouble for the time being, Chen Ping took Su Yuqi and Gu Ling'er back to Hongcheng. In order to practice, Lin Tianhu and Chi Feng accompanied him!

After all, Hongcheng is Chen Ping's home. He can't always stay in the provincial capital. Su Yuqi also wants to accompany Su Wenzong, and Gu Ling'er also happens to go to accompany Gu Wentian.

Chapter: 779

After several days in Hongcheng, as long as the Yaowang Mansion has medicinal materials, they will continue to send them to Chen Ping!

Song Zude also received good news. The mine has been dug for more than ten meters, and the stones that Chen Ping needs have been exposed. However, the quantity is now very small. If the quantity is large, Song Zude will send a car to Chen Ping!

Under the guidance of Chen Ping, Lin Tianhu and Chi Feng have made rapid progress in strength. Coupled with the bonus of the elixir, Chi Feng now probably has no rivals in the entire Jiangbei!

"Mr. Chen, where are you?"

On this day, Chen Ping was listening to music leisurely in Panlong Bay when Bai Zhantang called!

"I'm back to Hongcheng!" Chen Ping said.

"Someone from the Dharma Protector Pavilion in Kyoto is here, saying they are going to the southwest with Mr. Chen."

Bai Zhantang asked.

"Yes, bring them to Hongcheng and let's set off together!" Chen Ping hung up the phone after saying this!

Soon, Bai Zhantang led a group of more than a dozen people to the Panlongwan villa area in Hongcheng and parked the car in front of Chen Ping's villa!

At this time, Chen Ping was lying on the recliner, enjoying his rare leisure time!

"Mr. Chen, Captain Xu from the Kyoto Protector Pavilion is here, under the orders of Pavilion Master Zhao!"

Bai Zhantang walked up to Chen Ping, bowed slightly and said!

Ever since Chen Ping killed the wild wolf and Qin Feng, Bai Zhantang's attitude towards Chen Ping has become even more respectful!

Chen Ping nodded and sat up. At this time, a man in his thirties with an indifferent face and short hair came over, looked at Chen Ping slightly, and then looked straight at Chen Ping. He glanced at it and said: "I have been ordered by the Pavilion Master to take you to the southwest. We are pressed for time and need to leave immediately!"

"Captain Xu, it's getting late now, and Mr. Chen is not ready yet. Can't we stay in Hongcheng for one night?"

Bai Zhantang asked Captain Naxu.

"No, the order I got was just to pick him up and go to the southwest together. It didn't say he could stay and wait!"

After Captain Xu finished speaking, he turned around and walked towards the car, but at the moment he turned around, he muttered in a low voice: "How come you, the dignified young master of the Bai family, have become a servant now!"

"You..." Bai Zhantang was furious, but Captain Xu had already returned to the car!

“Mr. Chen, look...” Bai Zhantang looked at Chen Ping with a questioning look.

“I’m going to change clothes and leave right away!” Chen Ping got up, changed clothes, called Su Yuqi to say goodbye, and then prepared to get in the car with Bai Zhantang and set off!

“Sorry, our car is full, you drive by yourself!”

Captain Xu rolled down the window and said coldly!

Chapter: 780

It can be seen that Captain Xu is very emotional about coming to pick up Chen Ping and go to the southwest with him, but he is just following orders and he does not dare to disobey!

Chen Ping just smiled faintly: “Bai Zhantang, you drive!”

Bai Zhantang nodded, then drove himself, taking Chen Ping with him towards the southwest!

The four cars were driving toward the southwest at high speed, and it soon became dark, but Captain Xu and the others had no intention of stopping to rest.

“Mr. Chen, what should we do? This Xu Shimao is a reckless man. If it weren’t for his strength, he would have been unable to stay in the Dharma Protector Pavilion in Kyoto. No one likes him...”

Seeing that he didn’t stop to rest at all, Bai Zhantang asked Chen Ping.

“Follow, if they don’t stop, we won’t stop either. If you get tired, let me drive instead!”

Chen Ping said calmly.

“That’s not necessary, this little road is nothing!” Bai Zhantang shook his head!

The car drove at high speed all night and entered the southwest region. There were winding mountain roads everywhere. Bai Zhantang yawned and rubbed his eyes vigorously!

“If you’re tired, let me drive!”

Chen Ping said to Bai Zhantang.

“Mr. Chen, it’s okay, I can still hold on!”

Bai Zhantang opened his eyes forcefully and said.

Seeing this, Chen Ping put a hand on Bai Zhantang’s shoulder, and a pure spiritual power was input into Bai Zhantang’s body. Bai Zhantang’s sleepiness immediately disappeared, and he became much more energetic!

At this time, Bai Zhantang was extremely shocked. It seemed that his grandfather was right. Chen Ping was indeed a cultivator of immortals. Just now, Bai Zhantang felt a sense of relief in his body, and all his sleepiness disappeared. He knew that this was Chen Ping who had imported immortals to him. Power, thinking of this, Bai Zhantang became even more excited!

The sun is rising slowly, and the sun has already appeared in the east, but Xu Shimao and his car in front still show no sign of stopping to rest, and they don’t even eat!

“Are these guys made of iron?” Bai Zhantang said angrily.

Just after Bai Zhantang finished speaking, a Mercedes-Benz car from behind suddenly bumped into their car!

Bai Zhantang was startled and hurriedly braked to stop the car. This was a winding mountain road with a cliff next to it. If he collided with it and knocked the car under the cliff, he would not be able to survive!

“Damn, why are you driving!” Bai Zhantang cursed angrily!

But the car rushed forward, still swerving, and drove down the cliff!

Seeing this, Chen Ping hurriedly opened the car door and saw a figure heading towards the Mercedes-Benz!

Bang...
