

## **The Order 7711**

Chapter: 7711

Not only did he fail to find Yan Shuangying for help, but he ended up killing the woman he loved to play with the most!

Qiu Wanqing felt that he had lost both his wife and his army.

But he had no choice. Yan Shuangying knew everything, so it would be difficult for him to cooperate with him!

“Master, did General Yan not agree?”

The housekeeper of the Qiu Mansion asked!

“No!” Qiu Wanqing shook his head: “It seems that we can only place our hopes on Brother Luo. I hope he can come earlier this time...”

“Master, Brother Luo is from outside the Beast City. If you secretly collude with a monk outside the Beast City and let him show up, will you be punished?”

The housekeeper said with some concern!

“I can’t care about that anymore. I don’t even know where the city lord is. Who will punish me? As long as I become the city lord, I will be the one to set the rules of the Beast City!”

Qiu Wanqing waved his hand and didn't care.

As long as he can get the fairy stone mine, and use the cultivators from outside the Beast City to help him seize the entire Beast City, that will be enough!

By then, you will make your own rules and there will be no such thing as punishment!

At this time, Chen Ping was still practicing desperately in the fairy stone mine, striving to break through to the second level of the Mahayana realm as soon as possible!

Xing Daorong brought people to guard day and night to prevent Qiu Wanqing from bringing people to cause trouble!

Three days passed in the blink of an eye. During these three days, Bai Cheng and his men kept mining fairy stones and harvested quite a lot!

In the Qiu Mansion, Qiu Wanqing had no appetite and kept pacing back and forth!

His face is full of wrinkles and he looks much older!

"Why hasn't he come yet?" Qiu Wanqing frowned and looked out the window!

"Brother Qiu, are you waiting for me?"

At this moment, a rough voice came from outside!

“Brother Luo, Brother Luo, you are finally here...”

Hearing this voice, Qiu Wanqing was immediately overjoyed and ran out directly!

In the courtyard of the Qiu Mansion, a man who was several meters tall and strong was looking at Qiu Wanqing with a smile on his face!

If Chen Ping were here, he would definitely be able to recognize at a glance that the big man in front of him is Narota!

Chapter: 7712

Mr. Bei Shi killed and then resurrected Rota!

At this moment, Rota’s face was flushed, and he no longer looked as embarrassed as he did when he was beheaded!

“Brother Qiu, is it because we have too many fairy stones and don’t have enough funds?”

“I’m telling you, I want a lot of fairy stones this time. I’ll take as many as you have!”

Rota looked at Qiu Wanqing and asked!

It turns out that all the fairy stones in Rota’s storage bag were purchased from Qiu Wanqing. No wonder this guy has a map with the location of the Beast City marked on it!

This guy was able to pass through layers of illusions and come to this Beast City. It must be Qiu Wanqing who played tricks and allowed Rota to come and go freely!

“Brother Luo, let’s go inside and talk!”

Qiu Wanqing invited Rota into the room!

After Rota sat down in the hall, Qiu Wanqing clapped his hands tactfully. Then two young girls came out, each of them delicate and charming, and sat next to Rota!

Rota hugged the two girls with ease, and ravaged them violently with his big hands, without paying any attention to Qiu Wanqing who was beside them!

Qiu Wanqing didn’t care about it either, it seemed he had already gotten used to it!

Although Rota is a priest of the temple and the temple has good resources, there is one thing that makes Rota speechless, that is, there are too few female cultivators in the temple!

In addition, according to the rules of the temple, the people of the God Clan must practice dual cultivation with the female cultivators of the God Clan. This is also to maintain the purity of the God Clan’s bloodline!

This resulted in a situation where there were too many monks and too little porridge, and many gods’ monks were unable to find a partner for dual cultivation!

Rota is no exception, luckily he can now come to Beast City to purchase fairy stones, so here, no one to restrain or control him, Rota can freely find a woman to practice dual cultivation with!

Qiu Wanqing also knew Rota’s preferences, so every time he came, Qiu Wanqing would prepare two delicate girls for Rota!

“Brother Luo, I...”

“Brother Qiu, please stop talking. I am almost dying of suffocation. Let me vent a little first!”

With two young girls in his arms, Rota had no time to listen to what Qiu Wanqing said!

Qiu Wanqing was speechless when he heard this, but he didn't dare to refuse. He could only force a smile with a bitter face and said, “Okay, Brother Luo, play first...”

After saying that, Qiu Wanqing walked out. As soon as Qiu Wanqing stepped out of the room, he heard a woman's scream behind him!

Qiu Wanqing could only close the door quickly. Rota was too impatient.

Listening to the sounds in the room, Qiu Wanqing could only wait outside. He lit a pot of refreshing cigarette for himself out of boredom. The jade cigarette holder emitted a green light and it was obvious that it was worth a lot of money!

Chapter: 7713

After taking two deep puffs, Qiu Wanqing felt refreshed, and the annoyance in his heart was much less!

Qiu Wanqing slowly exhaled the smoke and was about to take a puff when he heard the sound in the room stop!

“Brother Qiu, come in...”

Rota’s voice sounded!

Qiu Wanqing was stunned, looked at the cigarette that he had not finished smoking, and could only smoke it all out helplessly!

This is too fast, I haven’t even finished my cigarette!

How many minutes will this take?

Probably just a few dozen seconds...

Qiu Wanqing pushed open the door, and the two girls walked out with a look of wanting more!

Rota’s face was rosy and full of smiles, and he looked very comfortable!

“Brother Luo is really getting more and more powerful...”

After Qiu Wanqing entered the room, he said against his conscience!

“Hahaha, Brother Qiu, you’re too kind. I can’t brag about other things, but when it comes to dual cultivation time, I’m still very good in our God Clan.”

Rota boasted!

When Qiu Wanqing heard this, he almost laughed out loud. How dare you say that you are so powerful?

Qiu Wanqing had never come into contact with the God Clan, but after hearing what Luo Ta said, he wondered what kind of people the God Clan were...

But now that Qiu Wanqing wanted a favor from Luo Ta, he didn't dare to say anything!

"Brother Luo, let's talk about the fairy stones. I don't have many fairy stones prepared this year..."

Qiu Wanqing followed Rota and said!

"Not too much? What's going on? I want a lot this time. Could it be that all the fairy stones around your Beast City have been mined out?"

Rota asked with a frown!

"That's not the case. We just discovered a new vein of fairy stone on the outskirts of our Beast City!"

Qiu Wanqing shook his head and said!

Luo Ta stood up and said, "Fairy Stone Mine? Then why do you say there aren't too many fairy stones? Why don't you go and mine? I can wait for you for a few days!"

Chapter: 7714

Rota actually hopes to stay here for a few more days. After all, he can practice dual cultivation here at will!

“Brother Luo, don’t worry. I was just about to tell you this. The fairy stone mine has been occupied by someone else, so I can’t mine it.”

Qiu Wanqing said helplessly!

“Occupied by someone else? Aren’t you one of the three generals of Beast City? Who dares to snatch it from you?”

Rota has been working with Qiu Wanqing for many years and knows some things about Beast City!

“The one I was competing with was Xing Daorong from the Xing Mansion. This guy occupied the mineral vein and mined the fairy stones himself. I tried to rob him, but unfortunately I was not as skilled as him, so I had to retreat!”

Qiu Wanqing said!

“Damn it, there are still people who dare to snatch it from you, take me with you now and take that fairy stone mine!”

Rota said angrily!

When Qiu Wanqing heard this, he nodded happily and said, “Brother Luo, I’ve been waiting for you. As long as you take back the fairy stone mine, I will definitely give you the fairy stone at a discount and find you a few more women.”

When Luo Ta heard this, he waved his hand and said, “No need for the discount. It’s not my own money anyway. You just need to find me a few more women!”

“Take me with you quickly. This time I will bring back more fairy stones, which can make up for my mistake. The fairy stones on me were stolen, and now I am laughed at all the time!”

Rota’s fairy stone was snatched away by Chen Ping. Although the Ten Palace Masters did not punish him after he returned to the temple, he was still ridiculed by other people in the temple!

Now Rota is in urgent need of a turnaround. As long as he can bring back enough fairy stones this time, he will be able to shut up everyone!

“What?” Qiu Wanqing was shocked: “How could someone dare to snatch Brother Luo’s fairy stone? Isn’t that courting death?”

This Luo Ta is at the peak of the ninth level of the Mahayana realm, and he is only one step away from reaching the immortal realm!

In this realm, in the entire Beast City, except for the City Lord, Rota is the most powerful one!

I didn’t expect that this person, who was the second strongest in Beast City, was robbed outside of Beast City!

“You don’t know that your Beast City has been closed for thousands of years. You don’t know that the Heavenly World has undergone great changes.”

“I don’t know why, but there are many unfathomable cultivators in the Heavenly Realm now, and I don’t know where these people came from.”

“There are even genius cultivators who are fighting above their level. The entire celestial world is in chaos now!”

“Even the Domain Lord of the Immortal Realm was scared away by one glance...”

The genius that Luo Ta mentioned was Chen Ping. He had seen with his own eyes that Chen Ping, who was at the ninth level of the Tribulation Realm, had killed a cultivator at the fourth level of the Mahayana Realm, making him cry for his parents!

The person who scared the domain master away at first sight was Mr. Shi. This shocking scene always lingered in Narota’s mind.

Chapter: 7715

“Is it so scary? Even the Domain Lord of the Immortal Realm was scared away by just one look?”

Qiu Wanqing’s face was filled with shock. One had to know that the Immortal Transformation Realm was the end of the entire celestial world!

After reaching the fairyland, one will ascend to become an immortal. Who would still stay in the heavenly world after becoming an immortal?

He had already ascended to heaven and started a new journey of cultivation!

What kind of person is it that can scare away a fairyland with just one glance?

Qiu Wanqing couldn’t figure it out, but he had seen geniuses who fought beyond their level. He just didn’t know that Rota was talking about Chen Ping!

“Brother Luo, we also have geniuses who can fight above their level in our Beast City, but we can’t find anyone who can scare off a cultivator in the Immortal Realm with just one glance.”

“It’s too scary outside. Fortunately, our Beast City was sealed off early, otherwise we would have become someone else’s prey!”

Qiu Wanqing said with lingering fear!

“Brother Qiu, you worry too much. With the strength of Beast City, it can still dominate the Heavenly Human Realm. After all, there are only a few cultivators with abnormal strength.”

Rota patted Qiu Wanqing on the shoulder and said!

Rota followed Qiu Wanqing as they walked and talked, and soon they arrived at the fairy stone mine!

This time, Qiu Wanqing did not bring many people, only a dozen followers!

With Rota here, he is not afraid at all. Even if Xing Daorong brings hundreds of people, it will be useless!

Some cultivators at the fourth or fifth level of the Mahayana realm, no matter how many of them there are, can never be a match for Luo Ta, a cultivator at the peak of the ninth level of the Mahayana realm!

“General, Qiu Wanqing has brought people here again...”

Just when Qiu Wanqing and his team were approaching the fairy stone mine, someone immediately followed Xing Daorong to report!

Xing Daorong snorted coldly and said, “I knew this guy wouldn’t give up. How many people did he bring this time?”

“There are only a dozen or so...”

The servant said!

“More than ten?” Xing Daorong frowned, “What the hell is this guy doing? Come with me to take a look...”

Xing Daorong led his men out of the makeshift palace!

Looking from a distance, Xing Daorong saw that Qiu Wanqing indeed brought a dozen people with him, and next to Qiu Wanqing was a strong man who was several meters tall!

Although Xing Daorong didn't know Rota, he didn't take it to heart. After all, in the entire Beast City, the only person who could be stronger than them was the city lord who had not shown up for many years!

Chapter: 7716

Xing Daorong, with his men behind him, stood majestically in front of the palace, staring intently at Qiu Wanqing and his group who were gradually approaching.

When the two sides were close, Xing Daorong took the lead, with a mocking arc on his lips, and shouted loudly: “Qiu Wanqing, you are a defeated general. You ran away in disgrace last time, and today you bring two or three kittens here again. He is seeking death, maybe his head is caught in the door?”

Qiu Wanqing's face suddenly became so gloomy that it seemed like water could drip out of it. He gritted his teeth and responded fiercely: “Xing Daorong, don't be so arrogant! Last time it was just my negligence. Today I will make you know that this fairy Who should own the stone vein? ”

“Ha ha ha ha!”

Xing Daorong raised his head and laughed, his laughter was full of disdain, “Just you? And this big idiot beside you? I think you are desperate and have found a fool from nowhere to fill the void. scene.”

Luo Ta was already upset because he had been listening to the two quarreling all the way. At this moment, he was humiliated by Xing Daorong. He was furious. His eyes were as big as copper bells and he roared: “You are a fool who doesn’t know how to live or die. How dare you humiliate me like this!”

Before he finished his words, Rota flashed like a cannonball, rushing towards Xing Daorong with a whistling sound.

Xing Daorong’s expression suddenly changed. Although he had been prepared, Rota’s speed was too fast, so fast that he almost had no time to react.

At the critical moment, Xing Daorong subconsciously mobilized the spiritual power in his body and hastily condensed a spiritual power shield in front of him.

“boom!”

Rota’s fist, with overwhelming force, slammed heavily on the shield, making a deafening sound.

Xing Daorong only felt an irresistible force coming, and the whole person flew backwards dozens of meters uncontrollably like a kite with a broken string, leaving a long trail on the ground, and finally crashed heavily into the On a huge rock.

“puff!”

Xing Daorong opened his mouth and spat out a large mouthful of blood, staining the ground in front of him red.

“General!”

Upon seeing this, Xing Daorong’s men shouted in panic and wanted to rush over to rescue him, but they were suppressed by the powerful aura emanating from Rota and could not move.

Xing Daorong struggled to get up from the ground, wiped the blood from the corner of his mouth with trembling hands, his eyes full of shock and unwillingness.

He had never thought that besides the city lord, there was such a powerful existence in the Beast City, and he was so vulnerable in front of the other party.

Seeing that Xing Daorong was injured by Rota’s punch, Qiu Wanqing was so happy!

He looked at Xing Daorong jokingly and said, “Xing Daorong, you better give up the fairy stone mine obediently, and then hand over the guy who killed my son. I will do it for the sake of our colleagues. I’ll spare your life.”

“If you still insist on doing what you want, I won’t care. Brother Luo has a very bad temper. I can turn you into ashes with this punch.”

Qiu Wanqing didn’t want Rota to kill Xing Daorong at this moment. After all, Rota was outside the Beast City. If Rota killed Xing Daorong, it would be troublesome to hold the city lord accountable if he showed up!

He just needs to seize the fairy stone mine and then kill Chen Ping!

Only Xing Daorong's life is at stake, so Qiu Wanqing has to take care of it himself. If the city lord really shows up to investigate, it would be a civil strife and the crime would not warrant the death penalty!

Chapter: 7717

"Qiu Wanqing, stop pretending to be a good person in front of me. You have actually wanted to kill me for a long time. Don't think I don't know."

"I won't give you the Immortal Stone Mine, especially Mr. Chen. If you have the guts, do it!"

Xing Daorong is also a man, he said with a cold snort!

"Humph, you overestimate your own abilities!"

Seeing this, Rota was full of disdain and approached Xing Daorong step by step. Every step made the ground tremble slightly, "Today is the day you die!"

After saying that, a ball of black spiritual power condensed in Rota's hand. The spiritual power was like a black sun that was about to explode, emitting a terrifying aura.

Xing Daorong looked at the gradually approaching black spiritual power and felt a deep despair in his heart, but as a general, the pride in his bones made him unwilling to accept his fate.

"It's not that easy to kill me!"

Xing Daorong gritted his teeth, exerted his last bit of strength, mobilized the spiritual power in his body again, and prepared to make a final desperate struggle.

However, he now had very little spiritual power left, and the attack he condensed seemed so weak.

Just when Rota was about to take action to end Xing Daorong's life, suddenly, the weather in the sky changed suddenly.

The originally azure sky was instantly covered by dark clouds. The thick dark clouds rolled and surged like ink. Thick streaks of lightning shuttled through the clouds, making deafening thunder.

Everyone was stunned by this sudden change and looked up at the sky.

Rota also stopped what he was doing, and a hint of doubt and uneasiness flashed in his eyes.

"This... is someone causing a thunder tribulation?" Qiu Wanqing asked in horror, with a tremor in his voice.

Because he had seen this scene a few days ago, it should be someone breaking through the realm and triggering a thunder tribulation!

But what kind of strength could trigger such a loud thunder tribulation?

At this time, deep in the fairy stone mine, Chen Ping was immersed in the critical moment of breakthrough.

During the crazy practice in the past few days, Chen Ping continued to absorb the rich spiritual energy in the fairy stone veins. The spiritual power in his body was like a surging tide, constantly impacting the barrier of the second level of the Mahayana realm.

Just now, Chen Ping finally succeeded in breaking through that obstacle and his realm successfully broke through to the second level of the Mahayana realm.

As Chen Ping's spiritual power surged, the heaven and earth seemed to respond to some ancient rhythm, and an unprecedented thunderstorm descended.

Deep in the fairy stone veins, light and thunder intertwine to form a shocking picture.

The dark clouds were pressing down overhead, no longer simply rolling inky black, but had transformed into a deep vortex, as if connected to the chaotic force beyond the nine heavens.

The lightning was no longer a silver snake that occasionally flashed by, but turned into an endless web of thunder. Each lightning bolt was as thick as a giant pillar and carried the power to destroy the world, cutting the entire sky into pieces.

Chapter: 7718

The sound of thunder is no longer simply deafening, but has turned into a roar that can shake the soul. Every sound is like a sigh from heaven and earth, which makes people feel awe.

“Who would experience such a scene when undergoing a tribulation?”

Rota looked up at the sky, his eyes full of shock. He even forgot to attack Xing Daorong!

Xing Daorong was also looking at the sky with a puzzled look on his face. He didn't understand who was improving his realm?

The horrific thunder tribulation a few days ago was caused by Chen Ping, who broke through to the Mahayana realm.

But what about this time?

Could it be Chen Ping too?

Xing Daorong couldn't believe it. In just a few days, could Chen Ping have broken through from the first level of Mahayana realm to the second level of Mahayana realm?

If this is true, it's too outrageous!

Under the shocked gazes of the crowd, the power of the thunder tribulation became more and more violent, the sky seemed to be torn apart, and purple divine thunders fell from the sky, carrying the breath of destruction.

These thunders are not just physical attacks, but also contain the test of the laws of heaven and earth, trying to erase the spiritual power in Chen Ping's body, destroy his will, and make him sink in this endless sea of thunder.

However, Chen Ping was not crushed by the thunder. Instead, he used the power of heaven and earth to constantly temper his body and soul.

The spiritual power in his body seemed to be stimulated with infinite potential. Every strike of thunder made the spiritual power in his body more condensed, his body more resilient, and his soul more pure.

Under this huge thunder tribulation, Chen Ping seemed to be in resonance with heaven and earth.

Every flash of lightning reflects his unyielding will.

Every echo of thunder announced his determination to move forward to a higher level.

Finally, after countless bombardments, the thunderbolt gradually subsided, the dark clouds dispersed, and the sun shone on the earth again. Chen Ping stood proudly in the mine, emitting a faint golden light.

It was a unique sacred aura after a breakthrough, indicating that he had successfully survived this thrilling thunder tribulation and entered a new realm of cultivation.

Chen Ping slowly opened his eyes, a gleam of light flashed in his eyes. He felt the surging power in his body, and a confident smile appeared at the corner of his mouth.

Then, his figure flashed and he flew quickly towards the outside of the fairy stone mine.

When Chen Ping appeared in front of everyone, a terrifying aura permeated the entire world.

“It’s you!”

The moment Luo Ta saw Chen Ping, his eyes almost popped out, with shock and anger written all over his face, “Why are you here?”

Chen Ping is also a cultivator from outside the Beast City. You should know that this handheld weapon does not prohibit cultivators from outside the Beast City from entering.

Rota was able to enter and leave freely because of the magic treasure given by Qiu Wanqing, but how did Chen Ping get in?

Chen Ping ignored Luo Ta's anger, but turned to look at Xing Daorong who was lying on the ground, and asked with concern: "General Xing, are you okay?"

When Xing Daorong saw Chen Ping, a ray of hope rekindled in his dim eyes. He said weakly, "Mr. Chen, you came at the right time... Qiu Wanqing colluded with others and attempted to seize the fairy stone mine..."

Chapter: 7719

Chen Ping nodded, turned around, looked at Luo Ta with cold eyes, and said in a slightly joking voice: "Silly man, I didn't expect that we would meet again. Do you want to die again?"

When Rota heard Chen Ping talking about dying once, his body trembled, and he remembered the horrible appearance of Mr. Shi!

But this is the Beast City. Even if Chen Ping has a backer in the Heavenly Realm, it is impossible for him to appear here!

Thinking of this, Rota sneered and said, "Boy, you are unlucky to be seen by me today. You took my things, and I will make you spit them out twice as much!"

"Do you have that ability? You've died once, yet you still dare to speak so shamelessly." Chen Ping said with a smile!

The conversation between Chen Ping and Rota directly stunned Xing Daorong and Qiu Wanqing. They didn't expect that Chen Ping and Rota actually knew each other!

"Brother Luo, do you know this guy?" Qiu Wanqing asked doubtfully!

"Of course I know him. This guy is the one who stole my fairy stone."

Rota said!

“What?” Qiu Wanqing was shocked: “Could he be a cultivator from outside the Beast City?”

Xing Daorong also looked at Chen Ping, his face full of disbelief!

“Yes, I came from the area outside of Beast City. I was able to find this place thanks to the map of this stupid big guy. Otherwise, I would not be able to find this place even with the map in his storage bag!”

“If I can’t find this place, I won’t be able to find the Immortal Stone mine. If I can’t find the Immortal Stone mine, I won’t be able to advance to the second level of the Mahayana realm!”

“In that case, I should thank this big fool!”

Chen Ping said with a playful look on his face!

Luo Ta listened to Chen Ping’s sarcasm and laughed in anger: “Hahahaha! You are a fool who doesn’t know how to live or die. You are just a small cultivator of the first level of the Mahayana realm, and you dare to speak nonsense in front of me.”

“Today, I will tear you into pieces to vent my hatred!”

After saying that, Rota no longer hesitated and exerted all his strength. The black spiritual power ball in his hand instantly expanded several times and smashed towards Chen Ping.

Wherever the black spiritual power ball passed, the air seemed to be torn apart, making a harsh sound.

Chen Ping looked at Rota who was rushing towards him, without any fear in his eyes.

He took a deep breath, and the spiritual power in his body began to circulate wildly like surging waves.

A powerful source of thunder and lightning burst out from his body and condensed into a huge thunder dragon in front of him.

“go!”

Chen Ping shouted loudly, and the Thunder Dragon roared and rushed towards the black spiritual power ball.

Chapter: 7720

“boom!”

The two collided, instantly causing a devastating explosion.

The powerful energy fluctuations spread wildly in all directions like a raging tsunami.

Everyone retreated backwards to avoid this powerful force.

Xing Daorong’s men were knocked to the ground by this force, and many of them were seriously injured.

Even Qiu Wanqing was shocked by this force and retreated repeatedly, his face as pale as paper.

When the smoke and dust cleared, everyone saw Rota looking at Chen Ping in shock.

At this time, Rota's clothes had become tattered, his hair was messy, and there was a trace of blood at the corner of his mouth.

Chen Ping stood firmly in place, his breath steady, as if the previous battle had no effect on him at all.

"This...how is this possible!?"

Rota said in disbelief. He could never have imagined that after just a few days of not seeing Chen Ping, his strength had improved so terribly.

He is only at the second level of Mahayana realm. How could he defeat me, who is at the peak of the ninth level of Mahayana realm?

It's too unscientific...

Qiu Wanqing looked at this scene and thought about the horrific thunder tribulation just now, and he felt overwhelmed!

What kind of perversion is this?

The promotion from the first level of Mahayana realm to the second level of Mahayana realm is just an improvement of a small realm!

How could such a terrifying thunder tribulation be triggered?

Now seeing that Chen Ping, who was at the second level of the Mahayana realm, defeated Luo Ta, who was at the peak of the ninth level of the Mahayana realm, Qiu Wanqing seemed to have figured out why the thunder tribulation was so terrifying.

Chen Ping looked at Rota and smiled slightly. He didn't say anything, but mobilized the spiritual power in his body again, preparing to launch the next round of attack.

Seeing this, Rota felt a deep fear in his heart. He knew that if he continued to fight today, he would surely die.

So he turned around without hesitation and wanted to escape from here.

“Want to run? Not that easy!”

Chen Ping snorted coldly, and his figure flashed, appearing in front of Rota in an instant.

Rota was shocked and wanted to dodge, but he found that his body seemed to be restrained by an invisible force and he could not move.
