

The Order 7721

Chapter: 7721

“You... who are you?” Rota asked in horror.

Chen Ping did not answer, but raised his hand, and a dazzling lightning condensed in his hand.

“This is the punishment you deserve!” Chen Ping said coldly, and then smashed the lightning in his hand towards Rota fiercely.

“ah!”

Rota let out a sharp scream, and was instantly engulfed by lightning.

After a moment, the lightning dissipated, and Rota’s body disappeared, leaving only a piece of charred land.

When Qiu Wanqing saw that Luo Ta was easily killed by Chen Ping, he was so scared that his legs went weak and he almost collapsed to the ground.

He knew that he was completely finished today, so he turned around and ran away desperately.

“Still want to run?”

Chen Ping’s eyes turned cold, and he condensed an arrow of spiritual power in his hand and shot it towards Qiu Wanqing.

The spiritual arrow was like a flash of lightning, instantly catching up with Qiu Wanqing and piercing through his back.

“puff!”

Qiu Wanqing spat out a mouthful of blood, fell forward to the ground, and was no longer able to breathe.

Until his death, Qiu Wanqing never expected this result!

The ninth level peak of the Mahayana realm, that is the ninth level peak of the Mahayana realm!

The person second only to the city lord in the entire Beast City was killed by a young cultivator of the second stage of the Mahayana Realm!

If he had known this would be the result, Qiu Wanqing would never have come!

The air around seemed to freeze at this moment. Everyone looked at this scene quietly, their hearts filled with awe and shock.

They understood that from today on, the situation of Beast City would undergo earth-shaking changes due to the appearance of Chen Ping.

“Mr. Chen...”

Xing Daorong walked to Chen Ping and shouted in a low voice!

Although he is still the general of Beast City at this moment, he has become cautious in front of Chen Ping, for fear of making Chen Ping unhappy!

Chen Ping stood where he was, ignoring Xing Daorong and gazing into the distance with a deep gaze.

“Come out, why are you hiding?”

Chapter: 7722

Chen Ping said coldly!

Xing Daorong was startled by Chen Ping’s words and he looked around hurriedly. He didn’t know that there was someone hiding nearby.

Swish!

As soon as Chen Ping finished speaking, a figure suddenly emerged from the mountains and forests several miles away from them, and then rushed back to the city!

Chen Ping’s figure also disappeared at the same time!

When the Fire Control Step was activated, Chen Ping’s body seemed to jump through space. In the eyes of Xing Daorong and others, Chen Ping did not move at all, but appeared several miles away in the blink of an eye!

Before everyone could react, Chen Ping had already returned, and he was holding someone in his hand!

The man was about thirty years old, his face was pale, and he had already become incontinent out of fear, his pants were wet!

“Is it you?”

Seeing the person captured by Chen Ping, Xing Daorong frowned slightly!

“General Xing, do you know this person?” Chen Ping asked!

“Of course, this is a servant of the Yan Mansion. I don’t know why he appeared here.”

After Xing Daorong finished speaking, he grabbed the man by the collar and said, “Tell me, what are you doing here? Did Yan Shuangying ask you to come?”

The servant from the Yan Mansion just looked at Xing Daorong. Although he was very scared, he did not say a word!

Seeing that he couldn’t speak, Xing Daorong was very angry!

Chen Ping said: “General Xing, don’t be angry. This kind of servant is just worthless. Just kill him...”

After Chen Ping finished speaking, he slowly raised his hand. As long as Chen Ping’s palm fell, this person would be reduced to ashes!

Seeing Chen Ping raise his palm, the servant of Yan Mansion was terrified. After all, he had just seen with his own eyes that Chen Ping, a second-grade Mahayana realm master, directly killed the peak ninth-grade Mahayana realm master and Qiu Wanqing, an eighth-grade Mahayana realm master. of!

“I say, I say...”

“General Yan sent me here to check out what’s going on at the Xing and Qiu mansions, and then report back.”

The servant of the Yan Mansion said hurriedly!

“What does Yan Shuangying want to do? Does he want to benefit from the conflict between the two sides? Let me fight with Qiu Wanqing to the death, and he will just sit back and enjoy the results?”

Xing Daorong asked.

“General Xing, I don’t know. I’m just a servant, just following orders. It’s impossible for General Yan to tell me what his intentions are.”

Chapter: 7723

The servant of the Yan Mansion hurriedly explained!

Seeing this, Chen Ping waved his hand and said, “Go back and tell General Yan what you saw. If he is also interested in the fairy stone mine, you can come and rob it!”

After Chen Ping finished speaking, Xing Daorong released the servant from the Yan Mansion!

Now, Xing Daorong has completely obeyed Chen Ping’s arrangements!

In the Ten Palaces at the same time!

The Lord of the Ten Palaces is frowning, worrying about the resources. As the monks in the Ten Palaces become stronger and stronger, the resources required are also enormous!

The resources that the Demon Sealing Alliance has plundered in the Heavenly Realm are no longer enough to support the consumption of the entire Ten Palaces!

This is also the reason why the Tenth Palace Master asked Rota to do business with Beast City.

If you want to ascend to become an immortal, you must have sufficient resources. Without resources, everything will be in vain!

“Palace Master, Palace Master, it’s bad, Luo Gongsheng’s soul lamp has gone out...”

At this time, a member of the Ten Palaces came running over in a hurry!

“What?” The Tenth Palace Master was stunned, then ran out quickly!

When he came to the secret room of the Ten Palaces, he found that Narota’s soul lamp was indeed extinguished!

There are hundreds of lamps burning here, all of which are the soul lamps of the members of the Ten Palaces. Even the soul lamp of the Lord of the Ten Palaces himself is here!

As long as someone dies, the soul lamp here will go out!

If the physical body is destroyed but the remnant soul is retained, the brightness of the Soul Lamp will fade. However, as long as the physical body is rebuilt, it can be restored!

“What on earth is going on? How could Lotta die?”

The Ten Palace Masters asked in disbelief!

“Palace Master, Narota has been trading with Beast City for many years, and this has never happened before. How could he die suddenly?”

“And I heard from Narota that the overall strength of Beast City is not very strong. It is estimated that no one can be his opponent, but the current situation is indeed very strange.”

The member of the Ten Palaces said in a low voice!

“It’s really weird.” The Tenth Palace Master nodded and said, “Don’t tell anyone else about this for now. I’ll go find Gan Lao to find out what’s going on!”

After the Lord of the Ten Palaces finished speaking, he left the secret room and walked towards the main hall of the Ten Palaces!

Passing through the main hall, there is a forest behind, with a few thatched houses amidst the singing birds and the fragrance of flowers!

Compared with the magnificent hall in front, this thatched hut is totally out of place!

There was a person sitting in front of the thatched house. He was an old man sitting on an old rattan chair. His silver hair was combed meticulously. Each strand was as bright as silver thread and shone with a cold luster in the sunlight.

His face was thin, and the wrinkles carved by time were like the winding lines on an ancient map, hiding endless stories.

His eyes are sunken, but his pupils are like a deep pool, deep and quiet. The occasional flash of his gaze is as sharp as an eagle, as if he can see through all appearances.

He was wearing a long gown that was washed a little white but neat, the corners of which swayed gently in the breeze. He had a dark cloth belt tied around his waist with a warm and simple jade pendant hanging on it. As he moved, There was a faint crisp sound of impact.

He held a bamboo folding fan with ink-and-wash landscapes painted on it. The brushstrokes were simple but the artistic conception was profound. Occasionally, he waved it gently, bringing out a wisp of breeze, adding a bit of mystery to his temperament.

The most important thing is that in front of this old man, on a table woven with rattan, there is a bamboo tube, and under the bamboo tube, several rusty copper coins are arranged in the shape of a seven-star formation!

Chapter: 7724

“Lotta is dead...”

Before the Tenth Palace Master spoke, the old man spoke directly!

The Tenth Palace Master was slightly stunned, then nodded and said, “Old Gan is right, Luo Ta is dead, and his soul lamp has gone out.”

“Logically speaking, as long as those hidden forces in the Celestial Realm do not show up, Rota can be invincible.”

“I asked him to go to Beast City to buy some fairy stones, but the soul lamp went out and he was killed. I just don’t know who did it.”

“We have been cooperating with Beast City for many years, and this kind of thing has never happened before, so it should not be the work of the Lord of Beast City, so I came here specially to ask Gan Lao to take a look.”

The Tenth Palace Master was extremely respectful to this old man Gan, and it seemed that this old man’s status was higher than that of him, the Palace Master!

Gan Lao slightly raised his head and stared straight at the Tenth Palace Master, who didn’t even dare to look at him!

“I devoted myself to calculating the laws of nature and used all my life’s blood and energy to set up this Seven Star Array, just to help you calculate the death of a mere priest?”

Gan Lao looked a little unhappy!

The Tenth Palace Master paused for a moment and quickly admitted his mistake: “Master Gan, I was wrong. I shouldn’t have asked you!”

“Forget it. Luota was careless and was killed by a young man named Chen Ping. As for Chen Ping’s identity, I can’t figure it out. It’s too mysterious.”

“So I advise you not to provoke that young man if it is not necessary. Now the great formation of heaven and earth seems to be about to be broken.”

“The ladder to heaven will soon appear. When that happens, the world of heaven and man will be in chaos. Many people will flock to climb the ladder to return to heaven. You need to make more plans.”

Gan Lao waved his hand and said!

“I understand. My current mission is to unify the world of heaven and men and expand the territory for the temple. It would be good if those people returned to heaven. By then, I would be the master of the world of heaven and men!”

The Tenth Palace Master said with a little joy!

“childish.....”

Gan Lao uttered two words lightly, then lowered his head, looked carefully at the Seven Star Formation in front of him, and stopped talking.

Upon seeing this, the Ten Palace Masters did not dare to stay any longer and immediately turned around and left!

He couldn't afford to offend this old man Gan. He had to give face to someone who could deduce the way of heaven, even if a palace master came!

“Chen Ping.....”

The Tenth Palace Master returned to the main hall and kept muttering Chen Ping's name!

The last time Rota and his men escaped from the Xiao Dynasty, they kept talking about Chen Ping's name and that Mr. Shi!

Chapter: 7725

Until now, the Tenth Palace Master still doesn't know what the relationship between Chen Ping and Mr. Shi is!

However, the fact that he was able to kill Rota and resurrect him again shows that the other party must be very powerful!

Now Gan Lao has asked him not to cause trouble for Chen Ping, but the Tenth Palace Master is always unwilling in his heart!

Rota has followed him for many years and has always been loyal to him, otherwise he would not have entrusted the task of doing business with Beast City to Rota!

Now that Rota has been killed, if he does not take any action, how many of the priests in the Ten Palaces will surrender in the future!

After thinking it over again and again, a hint of murderous intent flashed in the eyes of the Tenth Palace Master.

“Someone come...” the Tenth Palace Master shouted!

I saw a young man walked in. This young man was wearing a spotless white robe. His sleeves swayed gently in the wind. He looked like an immortal in the clouds, untainted by dust.

He has an extraordinarily handsome face, with sword-like eyebrows slanting into his temples and eyes deep and bright, as if he can see through all the vanity in the world, revealing a heroic spirit that should not be underestimated.

He has a straight nose, light but firm lips, and shiny black hair casually tied up with a simple jade hairpin, appearing both free and easy and elegant.

What is particularly eye-catching is the dark long sword he holds tightly in his hand. The blade is glowing with a faint cold light, like a touch of cold light in the night, revealing a breathtaking domineering aura.

The handle of the knife was carved with intricate and mysterious patterns, which formed a sharp contrast with his fair fingers, making the young man look both handsome and tough.

As soon as the young man entered the hall, it seemed as if even the air froze, and all the noise around him seemed to drift away from him. Only he and the dark long sword became the most dazzling existence in the entire hall.

Upon closer inspection, it was discovered that this young man's brows had many similarities with that of the Tenth Prince, except that this young man was more heroic than the Tenth Prince!

The Tenth Palace Master just raised his head and looked at the young man in front of him, frowning slightly, with a hint of disgust in his eyes!

"Who asked you to come out?"

The Tenth Palace Master asked in a cold tone!

"Father, I..."

"Shut up, who is your father? In this hall, call me the master."

Without waiting for the young man to finish speaking, the Tenth Palace Master immediately shouted to stop him!

A trace of grievance flashed across the young man's eyes, but he said obediently: "Palace Master, I heard that Luo Gongfeng was killed and my brother was also injured, so I ask the Palace Master to allow me to leave the palace and avenge Luo Gongfeng and my brother. !"

"snort!"

Unexpectedly, the Tenth Palace Master snorted coldly: “Do you want to take your beloved woman back to the heavenly world? Leave this palace that oppresses you forever?”

“I didn’t!” The young man shook his head!

Chapter: 7726

“Don’t try to deceive me. Don’t forget that you are my son. How could I not know what you are thinking?”

“But you, as my eldest son, fell in love with an ordinary female cultivator and even practiced dual cultivation with her, tainting the bloodline of our God Clan. It’s good enough that I didn’t kill you, but you still want to leave the Ten Palaces and go to the Heaven Realm? “

The Tenth Palace Master said with a cold face and a murderous expression!

“Palace Master, I really want to avenge Luo Gongsheng and my brother.”

The young man lowered his head, but still refused to admit that he was thinking about leaving the Ten Courts!

The Tenth Palace Master’s eyes were still fixed on the young man in front of him, as if he wanted to see through him!

After a while, the Tenth Palace Master spoke up: “Luo Ta is only one step away from breaking through the Mahayana realm and becoming an immortal cultivator. How does your realm compare to his?”

“My realm is similar to Luo Gongsheng’s, and I am also one step away from breaking through to the immortal level, but I just haven’t found the opportunity yet.”

“I want to go out for a walk this time. I also want to take advantage of this opportunity to see if I can find an opportunity for a breakthrough!”

The young man explained!

“Luo Ta has been killed. If you go to seek revenge at your level, won't you surely die?”

Although the Tenth Palace Master's tone was still cold, it already contained some concern!

“Mr. Luo is reckless and arrogant by nature, and he underestimates the enemy, which will definitely give the enemy an opportunity to take advantage of him. I will never give the enemy such an opportunity.”

The young man said!

After listening to the young man's words, there was actually a hint of relief on the Tenth Palace Master's face, but it was only fleeting!

“Okay, go ahead and take the guards and women with you.”

“No matter if you succeed or not, don't come back. I don't want to see you, and I won't admit that I have a son like you!”

The Tenth Palace Master waved his hand, and there was a hint of helplessness and sadness on his cold face!

The young man's body trembled slightly, and he raised his head with disbelief in his eyes, but when he put his gaze on the face of the Tenth Palace Lord, he found that the Tenth Palace Lord's face had turned to the side!

“I’ll take my leave...”

The young man’s eyes turned red, he bowed deeply, and slowly left the hall!

.....

Beast City, Yan Mansion!

Yan Shuangying was so shocked when he heard the report from his subordinates that he jumped up from his chair!

Chapter: 7727

He couldn’t believe that Qiu Wanqing was dead!

Although they have always been scheming against each other, they still have some concerns when it comes to killing each other!

After all, they were all promoted by the city lord. Although the city lord has not been seen for many years, it does not mean that the city lord is dead!

If the city lord was just practicing in seclusion and the three of them were to kill each other, he would definitely be furious when he came out, and no one would be able to escape harm!

Now Xing Daorong actually killed Qiu Wanqing, which shocked Yan Shuangying!

There is also the sudden appearance of Rota, who is at the peak of the ninth level of the Mahayana realm. There is no cultivator with such strength in the Beast City!

Their three beast generals were only at the eighth level of the Mahayana realm, and this sudden appearance of a peak ninth level Mahayana cultivator must have come from outside the Beast City!

If there is no collusion among insiders, outsiders will never be able to enter the Beast City!

This means Qiu Wanqing has definitely colluded with people from outside!

What made Yan Shuangying panic was that a second-grade Mahayana cultivator killed a ninth-grade Mahayana cultivator. This unheard of thing shocked him!

If this happens, his plan of profiting from the situation would be completely ruined!

With Xing Daorong's current strength, he simply doesn't have the strength to fight with Xing Daorong!

"Are you telling the truth?" Yan Shuangying asked the servant again in disbelief!

"General, it is absolutely true. I am not lying. They caught me and then released me."

The servant said with a solemn oath!

Yan Shuangying sat back in his chair, cold sweat breaking out on his forehead!

"Give the order, from now on no one is allowed to provoke anyone from the Xing Mansion, otherwise they will be killed without mercy!"

Yan Shuangying knew that at this time, there was no other way but to follow Xing Daorong and show goodwill!

Qiu Wanqing had already been killed. If he still didn't know what was good for him, Xing Daorong would definitely not mind killing one more person!

"Yes, sir..."

The servant took the order and left!

Yan Shuangying took a deep breath, the wisdom in his eyes no longer existed. In this world where strength is respected, no matter how many strategies he had, what would it matter!

Accept your fate...

.....

Chapter: 7728

Xing Mansion!

Chen Ping, Xing Daorong and others have returned, and Bai Cheng and his men continue to mine fairy stones!

Qiu Wanqing is already dead, and no one would dare to take advantage of the fairy stone mine. Yan Shuangying has also been warned. Xing Daorong knows him well, and Yan Shuangying will never be stupid enough to confront him at this time!

It can be said that in the entire Beast City, Xing Daorong has become the only one in power. With just a word from Xing Daorong, he can become the lord of this Beast City!

However, Xing Daorong knew that the reason why he became the dominant force in Beast City so quickly was definitely inseparable from Chen Ping!

“Mr. Chen, I have put all the fairy stones mined in the previous period into your storage bag. All the fairy stones mined in the future will also be kept for you, Mr. Chen. I won’t take a single piece...”

Xing Daorong said to Chen Ping!

Originally, the two families had agreed to split the business, but after seeing Chen Ping kill Luo Ta, Xing Daorong changed his mind!

He will not share the fairy stones with Chen Ping, and will give all the fairy stones to Chen Ping!

What Xing Daorong needs now is the big tree Chen Ping on the list!

Seeing that Xing Daorong was so sensible, Chen Ping did not refuse. After all, he would need a lot of resources for his future cultivation!

“General Xing, now that Qiu Wanqing is dead, what are your plans next?”

Chen Ping asked Xing Daorong!

“I have sent people to take over the Qiu Mansion. After I have completely taken over all the people in the Qiu Mansion, I plan to move into the City Lord’s Mansion and become the City Lord of the entire Beast City.”

“After all, we haven’t heard from the city lord for many years. It has always been the three of us who have been managing Beast City. This is not a solution after all.”

Xing Daorong did not hide his ambition and spoke directly to Chen Ping!

Upon hearing this, Chen Ping waved his hands and said, "General Xing, just because the city lord didn't show up doesn't mean he's gone. In fact, your city lord has always been here, and I believe he knows what happened in Beast City!"

"What? Could it be that Mr. Chen has met our city lord?"

When Xing Daorong heard this, he was immediately surprised and asked!

Chen Ping nodded: "Yes, in that ancient tree space..."

"Ancient tree space?"

Xing Daorong's face was full of confusion, and he seemed to have no idea what the ancient tree space Chen Ping was talking about!

Seeing Xing Daorong's look, Chen Ping was also a little puzzled and asked: "Don't you know about the ancient tree space?"

Xing Daorong shook his head: "I don't know!"

Chapter: 7729

"It's the ancient tree in the prison. Didn't you send Bai Cheng to guard the ancient tree? How could you not know about the ancient tree's space?"

Chen Ping asked in confusion!

"Oh, you mean the ancient tree in the prison. Guarding the ancient tree was an order from the city lord a few years ago."

“The person guarding the prison at that time was Yan Shuangying, and I was asked to send someone to guard the ancient tree. This is considered double protection, and no one is allowed to touch the ancient tree casually.”

“But I don’t know what space the ancient tree has, let alone where the city lord is!”

Xing Daorong explained!

“There is a space inside the ancient tree. Your city lord is practicing in seclusion inside. I have met him once.”

“Moreover, the ancient tree absorbs the spiritual energy of the prisoners to replenish the resources used by your city lord for cultivation!”

Chen Ping said!

Xing Daorong was silent for a moment, then he said with some concern: “In that case, the city lord should also know what happened in the Beast City, right? If he knew that we killed Qiu Wanqing, it would be troublesome...”

Xing Daorong was a little panicked at this moment. If the city lord blamed him, he would not be able to bear it!

Even Chen Ping couldn’t bear it, after all, the city lord was a master in the realm of immortality!

Even though Chen Ping is able to kill a cultivator at the peak of the ninth level of the Mahayana realm, once he enters the Immortal Transformation realm, his overall strength will be a qualitative leap!

At the peak of the ninth level of the Mahayana realm, one is just a cultivator, but once one enters the realm of immortality, one becomes a semi-immortal!

“Don’t worry. I plan to talk to your city lord tomorrow. He should be focused on ascending to heaven now. I guess he doesn’t want to care about the trivial matters in Beast City anymore.”

“But you should wait a little longer before moving into the City Lord’s Mansion and becoming the City Lord. Don’t be too anxious!”

Chen Ping comforted Xing Daorong and said!

“Okay, I’ll wait for Mr. Chen’s good news!” Xing Daorong nodded!

After chatting with Xing Daorong, Chen Ping returned to his room, planning to have a good night’s rest and then go talk to the city lord tomorrow!

If everything goes well, he plans to leave this beast city. After all, he has been here for several days!

Let Xing Daorong manage the mining of the fairy stone vein, and when the time comes, Chen Ping will just have to come and get the fairy stone!

As for the ancient tree, Chen Ping was not going to be tempted. After all, it was a must-have for the city lord’s cultivation. If Chen Ping wanted to take it for himself, he would definitely have to fight with the city lord!

Although Chen Ping has now been promoted to the second level of the Mahayana realm, he does not have the confidence to fight with a cultivator in the Immortal Transformation realm!

As long as the city lord does not interfere in the affairs of the Beast City and does not spy on his fairy stone mines, Chen Ping will not disturb his practice!

Chapter: 7730

Just as Chen Ping pushed open the door, a figure suddenly rushed towards him!

Before Chen Ping could react, he was enveloped by something soft!

Then came an alluring body fragrance. Chen Ping looked down and found that the person hugging him was Xiong Ying!

At this time, Xiong Ying was naked, and her snow-white skin made Chen Ping's eyes sparkle!

Especially the strange body fragrance of Xiong Ying, which made Chen Ping feel the blood rushing to his head!

"Xiong Ying, what are you doing? Let me go..."

Chen Ping said somewhat at a loss!

"Mr. Chen, please take me. I know you are not an ordinary person and you will definitely leave here when the time comes."

"After you leave, what will my brother and I do? With our strength alone, we can't protect ourselves!"

Xiong Ying hugged Chen Ping tightly and said!

“Don’t worry, even if I leave, I will tell General Xing to take care of you and your sister.”

“With General Xing taking care of you, what are you afraid of?”

Chen Ping said hurriedly!

“That’s different. If Mr. Chen wants me, then I will be Mr. Chen’s woman. I believe that General Xing will definitely treat us with respect.”

“But if I were just Mr. Chen’s friend, the treatment would definitely be different.”

“And I really like you, just take me...”

Xiong Ying raised her head with tears in her eyes and begged Chen Ping!

Chen Ping lowered his head and looked at Xiong Ying’s pitiful appearance. Coupled with her beautiful face, Chen Ping couldn’t control himself at once!

“In that case, I won’t be polite...”

Chen Ping picked up Xiong Ying and threw her onto the bed!

A night of spring like peach blossoms...

Outside Chen Ping’s room, the youngest sister was already in tears!

Actually, she couldn't say that she liked Chen Ping. She felt more grateful to him!

But women are like this, they have a strong desire to win!
