

The Order 7731

Chapter: 7731

She stayed with Chen Ping for a whole night, but Chen Ping didn't touch her at all!

But following Xiong Ying, Chen Ping was like a hungry tiger pouncing on its prey!

The youngest sister admitted that her appearance was not as good as Xiong Ying's, but Chen Ping's partiality made her feel uncomfortable!

Especially if Chen Ping leaves, what will her future path be?

Her brother is dead and she is left alone. What should she do?

After a moment, the youngest sister wiped away her tears, and a look of determination appeared in her eyes.

"No matter where you go, whether you want me or not, I will follow you..."

The youngest sister will definitely follow Chen Ping. No matter where Chen Ping goes, she will follow!

Anyway, I am alone and I am not afraid of anything!

After thinking it through, the youngest sister turned around and went back to her room!

When Chen Ping opened the door, Yaomei was no longer in the yard, so he didn't know that Yaomei had been listening outside all night!

After finding Xing Daorong, Chen Ping followed Xing Daorong to the prison!

With Xing Daorong following them, they entered the prison smoothly. Then Chen Ping came under the ancient tree, and then as he stroked the ancient tree with his hands, his spiritual consciousness entered the space of the ancient tree!

This time, the conversation with the city lord was surprisingly pleasant. I don't know if the city lord had already investigated Chen Ping, but he was very polite to Chen Ping!

And the city lord is also willing to hand over the position of city lord to Xing Daorong. The entire Beast City will be under the control of Xing Daorong, and his only request is to preserve the ancient tree!

Chen Ping also agreed to the city lord's request. If Xing Daorong became the city lord, then the entire Beast City would become Chen Ping's power!

After leaving the ancient tree space, Chen Ping told Xing Daorong what the city lord said, which made Xing Daorong almost laugh to death!

On that day, an order from the city lord spread throughout the Beast City!

The city lord, who had not been seen for many years, actually issued the city lord's order at this time!

The City Lord's Order means giving the position of City Lord to Xing Daorong. Yan Shuangying was shocked when he saw the City Lord's Order, but since this was the City Lord's intention, he dared not say a word!

After dealing with everything, Chen Ping planned to leave Beast City, and took the compass-like magic weapon from Xing Daorong to leave Beast City.

With this thing, Chen Ping can enter and leave the Beast City freely. When Chen Ping entered the Beast City, he was brought in by the old man Zang using this thing!

After saying goodbye to Xing Daorong, Chen Ping said goodbye to Xiong Kuo and his sister. When he wanted to say goodbye to the youngest sister, he found that he could not find her!

Chen Ping didn't take it too seriously, and left Xing Mansion and walked out of the Beast City. However, not long after he left the Beast City, he felt someone following him!

Chapter: 7732

Chen Ping frowned slightly. He couldn't think of who would dare to follow him at this time.

"Who is following me? Come out..."

Chen Ping stopped and said coldly!

Chen Ping now has immense self-confidence. He knows that no matter who follows him, no one can be his opponent!

In the entire Beast City, even Xing Daorong and his gang are no match for him, let alone others!

I saw a petite figure walking out from behind a tree!

"Little sister? Why are you following me?"

Chen Ping was a little surprised when he saw that it was his youngest sister who came out and asked!

“I...I want to follow you. No matter where you go, I will follow you.”

“My brother is dead, I have no relatives anymore...”

The youngest sister said to Chen Ping!

“Don’t follow me, it’s too dangerous. Just stay in Beast City. I’ve already told General Xing to take good care of you.”

Chen Ping said to his youngest sister!

“I don’t care. I’ll just follow you. I know you look down on me and I’m not as pretty as Xiong Ying, but I’ll definitely follow you.”

“Wherever you go, I will go. If you think I’m in the way, you can slap me to death right now!”

“I will only give up if I die, otherwise don’t even think about abandoning me!”

The youngest sister said with a firm look in her eyes!

Looking at the determined eyes of the youngest sister, Chen Ping could only sigh helplessly!

“Okay, follow me, but if you get into danger, I won’t save you. It’s more important for me to save my own life!”

Chen Ping threatened his youngest sister!

“I’m not afraid. I’ll die if I want to. Don’t worry about me!”

The youngest sister stood next to Chen Ping!

Chen Ping had no choice but to take his youngest sister with him, and the two of them left the territory of Beast City!

When the youngest sister followed Chen Ping through the illusion array surrounding the Beast City and saw the outside world, she was as excited as a child!

Chapter: 7733

Chen Ping took his youngest sister and headed straight to Nanjin City. Ji Yun was still waiting for him there!

Chen Ping will meet up with Ji Yun and then leave on the airship!

.....

The Demon Sealing Alliance Headquarters!

After experiencing what happened in the Xiao Dynasty, Zuo Tianzheng became much more honest!

The hundred-year offering has been given away, and no one dares to cause trouble for Chen Ping again!

The whole day in the hall he either practices or eats and drinks, he has become completely open-minded!

But today, when Zuo Tian was sitting in the main hall practicing, suddenly a figure slowly walked into the hall!

“Asshole, don’t you know that it is forbidden to disturb me when I am practicing?”

Zuo Tianzheng started cursing!

In the Demon Sealing Alliance, no one dares to disobey him. As the leader of the alliance, he does have this power!

But the figure seemed not to hear Zuo Tianzheng’s curse and still walked towards him!

When he got closer, Zuo Tianzheng frowned, because he found that the person in front of him was someone he didn’t recognize and was not from the Demon Sealing Alliance!

“Who are you?”

Zuo Tianzheng looked at the young man in white in front of him with vigilance!

The young man was holding a knife in his hand, and the blade was emitting a cold light!

Being able to enter his hall quietly and without any movement from the guards, Zuo Tianzheng knew that the young man in front of him must be extremely powerful!

“Are you Zuo Tianzheng, leader of the Demon Sealing Alliance?”

The young man looked at Zuo Tianzheng and asked!

“Yes, you are?”

Zuo Tianzheng continued to ask!

“Take me to the Xiao Dynasty and find Chen Ping...”

The young man said!

Hearing that they were looking for Chen Ping, Zuo Tianzheng seemed to have thought of something, and hurriedly stood up and asked, “Are you from the Ten Palaces?”

Chapter: 7734

The young man just nodded slightly and didn't say anything!

Seeing this, Zuo Tianzheng hurriedly walked down with a respectful attitude!

Facing the people of the Demon Sealing Alliance, he is the high and mighty leader; facing the people of the Ten Palaces, he is just a dog!

“But the Xiao Dynasty is.....”

Zuo Tianzheng wanted to introduce the Xiao Dynasty!

After all, he saw with his own eyes that Mr. Shi extended the fortune of the Xiao Dynasty for thousands of years, which was equivalent to protecting the Xiao Dynasty!

Moreover, Zuo Tianzheng had witnessed Mr. Shi's strength with his own eyes. Now the people from the Ten Palaces wanted to go to the Xiao Dynasty to seek revenge on Chen Ping. Isn't that tantamount to seeking death!

But before Zuo Tianzheng could finish speaking, the young man just looked at Zuo Tianzheng coldly, and scared him back the rest of his words!

The young man walked out, and seeing this, Zuo Tianzheng had no choice but to follow him!

When Zuo Tianzheng followed the young man out of the hall, he was stunned for a moment!

Outside the hall, twelve monks dressed in black and carrying swords were standing like ghosts!

These twelve people are all above the fifth level of the Mahayana realm, and some of them are not weaker than him in strength!

Judging from the situation, if the other party is here to cause trouble, his Demon Alliance headquarters will probably be destroyed!

In front of these twelve black-robed monks, there was a female monk in a white silk dress. She looked very young and had a very pretty appearance!

Seeing the young man coming out, the female cultivator went to greet him: "Yun Li, how is it?"

“Shi Lan, we just need to go to the Xiao Dynasty and wait for Chen Ping. No matter where he is, he will definitely return to the Xiao Dynasty.”

Yun Li gently stroked Shi Lan’s hair and said!

“Yeah!” Shi Lan nodded!

“Let’s go...”

Yun Li said lightly!

“As you command, Your Highness...”

The twelve black-robed monks answered in unison!

Your Highness?

His Highness of the Ten Palaces?

Chapter: 7735

The son of the master of the Ten Palaces?

When Zuo Tianzheng heard this name, his mind went blank!

Last time a prince just left, and now another one comes?

How many sons do the Ten Palace Lords have?

Zuo Tianzheng observed carefully and found that Yun Li had many similarities with the Tenth Prince who came last time!

After knowing the other party's identity, Zuo Tianzheng became more cautious and followed everyone straight to the Xiao Dynasty!

"Have you seen the man named Chen Ping?"

On the way, Yun Li asked Zuo Tianzheng!

"I have met you!" Zuo Tianzheng nodded quickly!

"Tell me about him..." Yun Li said!

"this....."

Zuo Tianzheng hesitated for a moment, not knowing where to start. After a while, he said, "Your Highness, Chen Ping is of average appearance and not very tall. He doesn't look special. But as far as I know, Chen Ping has many female confidants around him."

After hearing this, Yun Li looked at Zuo Tianzheng coldly and said, "Is this what I want to hear?"

Zuo Tianzheng shuddered slightly, and hurriedly continued, "Your Highness, although Chen Ping is at the ninth level of the Tribulation Realm and can fight against opponents of higher levels, he still has difficulty dealing with a fifth-level cultivator at the Mahayana Realm."

Listening to Zuo Tianzheng's words, Yun Li frowned slightly: "But he killed Luo Ta..."

"What?"

Zuo Tianzheng was so shocked that he almost fell from mid-air!

"Mr. Luo is at the peak of the ninth level of the Mahayana realm. How could Chen Ping kill him? Even if Chen Ping is awesome, it's impossible."

"But behind Chen Ping there is a Mr. Shi, whose strength is unfathomable. Luo Gongsheng was killed by Mr. Shi, but was resurrected. And the Lord of the Western Region ran away after seeing Mr. Shi!"

Zuo Tianzheng was telling the story of Chen Ping in detail!

Yun Li didn't seem to be too shocked, as if he had heard about these things a long time ago!

Otherwise, he would not have directly let Zuo Tianzheng take him to the Xiao Dynasty to wait for Chen Ping!

Chen Ping is in Beast City, but Yun Li doesn't know where Beast City is, so if he wants to find Chen Ping, he can only wait in the Xiao Dynasty!

"This Chen Ping's identity is definitely not ordinary..."

Chapter: 7736

Yun Li looked into the distance with a bit of confusion in his eyes and said!

Zuo Tianzheng didn't dare to say anything. After all, he didn't know what Chen Ping's identity was!

Shi Lan, who was beside Yun Li, said with some concern: “Yun Li, the person behind Chen Ping is so powerful. If we go to find him now, will it be possible...”

Shi Lan glanced at Yun Li, but did not say the rest!

She also knew that Yun Li took on this task at the risk of his life just to be with her, and to take her away from the Ten Palaces!

However, she didn't want to see Yun Li die because of this!

Yun Li looked at Shi Lan with loving eyes, smiled and said: “Not to mention the master behind Chen Ping, even if it is Chen Ping, I may not be his opponent. My strength is on par with that of Luo Ta. , if he can kill Narota, he can definitely kill me too!”

“Then why are you still going to look for Chen Ping?”

Shi Lan looked at Yun Li in confusion. Why did he go when he knew he would die?

Yun Li smiled slightly: “I am not necessarily looking for revenge on Chen Ping. If I don't seek revenge, then why would Chen Ping kill me?”

“you.....”

Shi Lan looked at Yun Li, somewhat unable to figure him out!

At this moment, Zuo Tianzheng was even more confused. If the Tenth Prince was not looking for Chen Ping for revenge, what else did he want to do?

“Everyone says that my race is arrogant, but not all races are like this. I know my own strength and my own worth, so I will always be in awe!”

“Father doesn’t like me and doesn’t even acknowledge me as his son. It’s not entirely because I like you, but also because I’m not proud enough and always look down on myself!”

Yun Li said slowly!

After listening to Yun Li’s words, Zuo Tianzheng became even more confused, but he didn’t dare to ask more. Now he was just a guide. As long as he brought these people to the Xiao Dynasty, his mission would be accomplished!

“Do you know why I like you? It’s because of your personality...”

Shi Lan leaned on Yun Li’s shoulder with a happy smile on her face!

.....

Nanjin City!

Chen Ping and his youngest sister have arrived. After all the traveling, the youngest sister is extremely tired. After all, her strength is no match for Chen Ping!

But the freshness that the outside world gave her also made the youngest sister forget her tiredness!

“The world outside this Beast City is really huge...”

Chapter: 7737

The youngest sister said with emotion!

You should know that there are five major domains in the world of heaven and man. The Demon Mountain in the southern domain is already a huge monster, stretching for thousands of miles!

And the Beast City is just a corner of the Demon Mountain!

So compared with the Heavenly Realm, the Beast City is just a drop in the ocean!

That's why my youngest sister was so shocked. The shock to the world was so great!

"Wait with me for a while, and you'll be able to see more of the world."

Looking at the youngest sister's expression, Chen Ping smiled slightly!

"It's fine to see the world, but running around like this is too tiring. All the spiritual energy I have is used up on flying."

The youngest sister frowned slightly and said!

"Don't worry, once we pick up Ji Yun, we can take the airship and don't have to fly around by ourselves."

Chen Ping said!

“Airship, what is an airship?”

The youngest sister asked curiously!

“You’ll understand once you see it!”

Chen Ping did not explain either. After all, even if he explained it to his youngest sister, he still couldn’t understand it!

Now the youngest sister is like Granny Liu entering the Grand View Garden, curious about everything but understanding nothing!

When Chen Ping found Ji Yun, Ji Yun was slightly stunned when he saw the youngest sister beside Chen Ping!

“Mr. Chen, who is this girl???”

Ji Yun asked!

“Her name is Yaomei. She is helpless and has followed me all the way here. She is from the beastman tribe!”

Chen Ping said!

“Hello, my name is Ji Yun.” Ji Yun generously extended his hand and shook hands with the youngest sister!

“Your name is Ji Yun. Do you have an airship? What is an airship? Can you let me see it?”

The youngest sister saw Ji Yun and said curiously!

Chapter: 7738

“this.....”

Ji Yun was stunned, then looked at Chen Ping!

“You release the airship and take her on a tour so she can get familiar with the area. I’m going to say goodbye to Pavilion Master Qian. I don’t know when I’ll be able to come back after leaving Nanjin City this time!”

Chen Ping asked Ji Yun to take his youngest sister to see the airship, while he went to Wantong Pavilion to find Pavilion Master Qian!

Chen Ping went to see Pavilion Master Qian, firstly to say goodbye, and secondly to ask about the skeleton of the Red Cloud Demon Lord!

“Okay, I understand!”

Ji Yun nodded!

Since following Chen Ping, Ji Yun has become much more mature and stable!

Xiao Dynasty!

Xiao Yuanshan, along with Xiao Feng and many elite troops of the Xiao Dynasty, took off into the air together!

In front of them was a young man in white, and next to the young man was a woman in a silk skirt, and behind them was Zuo Tianzheng!

Behind Zuo Tianzheng stood twelve monks armed with swords, all of them were of the fifth level of Mahayana realm and above!

Seeing this lineup, Xiao Yuanshan and the others' faces became solemn!

Zuo Tianzheng brought people here, it must be up to no good!

However, facing so many powerful people, Xiao Yuanshan was not afraid. After all, their Xiao Dynasty had a backer!

Mr. Shi has added thousands of years of fortune to the Xiao Dynasty!

Although these people in front of them are very powerful, they can't touch the Xiao Dynasty!

"Zuo Tianzheng, you still dare to bring people to my Xiao Dynasty, do you want to die once too?"

Xiao Yuanshan asked Zuo Tianzheng!

Zuo Tianzheng's face turned very ugly, but he didn't dare to get angry and said, "Emperor Xiao, don't misunderstand me. I am only leading the way for His Highness Yun Li this time. Our Highness wants to find Chen Ping!"

“Your Highness?” Xiao Yuanshan looked at Yun Li: “Are you from the Temple?”

Yun Li nodded: “Yes!”

“What do you want to do with Mr. Chen? Do you want revenge?”

Xiao Yuanshan asked!

Chapter: 7739

“I just came here because of your reputation!” Yun Li said!

“You came here because of my reputation?” Xiao Yuanshan was a little confused, but he didn’t believe Yun Li’s words. Instead, he said coldly: “Mr. Chen is not in my Xiao Dynasty. He has been away for several days!”

“I know, I’m here to wait for him!”

Of course Yun Li knew that Chen Ping was not there!

Xiao Yuanshan frowned and looked at Yun Li in front of him!

He didn’t understand what the people in this temple meant.

And it seems that he is not here to fight, after all, he does not look aggressive.

“It’s not certain when Mr. Chen will come to our Xiao Dynasty.”

Xiao Yuanshan said!

“Whenever you come, I’ll wait. I know you’ll be able to contact him!”

After Yun Li finished speaking, his body slowly fell down to the ground, and then he sat cross-legged on a huge rock!

Seeing this scene, although Xiao Yuanshan was full of doubts, he had no other choice but to lead his men back to the imperial city and let Yun Li and his men wait outside!

“Your Highness, I.....”

When Zuo Tianzheng saw Xiao Yuanshan leaving, he wanted to tell Yun Li and leave!

He didn’t want to wait here for Chen Ping to arrive. If he really did fight at that time, and Mr. Shi came again, he would probably be scared to death!

But he didn’t dare to say it clearly, so he spoke hesitantly!

“You want to leave?”

Yun Li looked at Zuo Tianzheng.

Although there was no displeasure or anger in Yun Li’s eyes, this look scared Zuo Tianzheng enough.

Yun Li didn't expect Zuo Tianzheng to do anything, he just asked Zuo Tianzheng to lead the way!

But Zuo Tianzheng is the leader of the Demon Sealing Alliance and is so timid. How can he work for the Ten Palaces?

"No, no, no, I won't leave. Your Highness is still here. How can I leave?"

Zuo Tianzheng hurriedly shook his head and didn't dare to even mention the word "leaving"!

Shi Lan looked at Yun Li who was sitting upright and said, "Yun Li, do we really have to wait here? We don't know how long we have to wait!"

"It won't be long..."

Yun Li smiled slightly and said!

He knew that after Xiao Yuanshan returned, he would definitely inform Chen Ping, and Chen Ping would be back soon!

Yun Li guessed correctly. After Xiao Yuanshan returned, he immediately asked Xiao Feng to contact Chen Ping using the sound transmission jade slip!

At this time, Chen Ping was saying goodbye to Pavilion Master Qian in Nanjin City!

When Chen Ping received Xiao Feng's message, he anxiously rushed to the square to take an airship to the Xiao Dynasty!

Chen Ping didn't expect that even after Mr. Shi showed up, the people in the temple were still not intimidated and dared to cause trouble for the Xiao Dynasty!

Chapter: 7740

When Chen Ping rushed to the airship, Ji Yun was explaining the airship to his youngest sister!

Ji Yun was seen holding the youngest sister's hand and teaching her step by step from behind!

The youngest sister's face was slightly red, but she was enjoying it very much!

The two people's actions were very intimate, and to outsiders, they looked like a young couple!

Because they were too engrossed, neither of them noticed that Chen Ping had already boarded the airship!

"Ahem..."

Seeing this, Chen Ping could only cough twice on purpose!

Hearing the sound, Ji Yun and his youngest sister separated in panic!

When she saw it was Chen Ping, the youngest sister's face turned as red as a monkey's butt. She didn't dare to look at Chen Ping, as if she was caught cheating!

Ji Yun smiled awkwardly and said, "Mr. Chen, I'm teaching my youngest sister how to control the airship!"

“Let’s go to Xiao Dynasty right away!”

Chen Ping said to Ji Yun!

Seeing that Chen Ping was very anxious, Ji Yun asked, “Mr. Chen, has something happened?”

“Don’t ask any more questions, just go!”

After Chen Ping finished speaking, he entered the room of the airship!

He also didn’t want to disturb Ji Yun’s good time with the youngest sister. If Ji Yun could be with the youngest sister, Chen Ping would have less worries!

Otherwise, if the youngest sister would always follow him, Chen Ping would have no time to take care of her!

After entering the room, Chen Ping began to practice, and the aura around him became stronger and stronger!

He must use every bit of time to improve his strength!

We can’t always rely on Mr. Shi. Mr. Shi has also said that he won’t kill enemies for him!

You have to kill your own enemies!

This time, the people from the Ten Palaces found Xiao Huangchao again. It seemed that the other party was not afraid of being beaten!

Chen Ping decided that he would not show mercy this time!

Chen Ping has been promoted to the second level of Mahayana realm. Although his realm has improved rapidly, what Chen Ping lacks most now is experience!
