

## **The Order 7751**

Chapter: 7751

All the fairy stones have been given to Chen Ping, so there is no point in saying anything now. Besides, no one mentioned weapons at the beginning!

Yun Li looked at the broken hilt in his hand, his face turning pale and blue, and finally he could only sigh helplessly and said with a wry smile: "Your Dragon Slaying Sword is indeed domineering, and my sword is also a top-grade spiritual weapon. I didn't expect that You are so vulnerable to a blow from your sword."

"Can you let me see your dragon-slaying sword?"

"Okay!" Chen Ping threw the Dragon Slaying Sword to Yun Li!

Yun Li took the Dragon Slaying Sword and looked at it with a serious expression!

He just injected a little spiritual power into the Dragon Slaying Sword, wanting to thoroughly understand the Dragon Slaying Sword!

But just after the spiritual power was injected, the Dragon Slaying Sword began to shake violently, and then a sharp sword light came towards Yun Li's palm!

Yun Li was horrified and quickly let go of his hand, and the Dragon Slaying Sword returned to Chen Ping's hand!

"Does your Dragon-Slaying Sword have a sword spirit?" Yun Li asked in shock!

"Of course, doesn't your sword also have a sword spirit?" Chen Ping said!

But Yun Li shook his head and said, "It's different. Although my sword also has spirituality, it is not like your Dragon Slaying Sword that can attack independently. Compared with your Dragon Slaying Sword, mine is just a broken sword. knife."

"You've fought me for so many rounds, but you only won half a move against me. You're letting me go on purpose. With your strength, I'm afraid you'll be defeated within three moves."

Chen Ping smiled slightly, put away the Dragon Slaying Sword, and said calmly: "You are too kind. Swords have no eyes, and victory and defeat are common. I have also benefited a lot from today's battle."

A complicated look flashed across Yun Li's eyes: "No need to comfort me, I'm willing to accept the loss, I'm not as skilled as the other person, it's not unfair for me to lose this time."

Chen Ping smiled without saying anything, but he was secretly proud in his heart.

He did hide his strength. After all, in this world of cultivating immortals, the more cards you have, the greater your chances of survival.

However, he also didn't want to embarrass Yun Li too much. After all, the two of them didn't have any deep hatred; they were just competing with each other.

"Since the winner has been decided, why don't we find a place to have a drink?" Chen Ping suggested.

This Yun Li really made Chen Ping feel different from being with other gods' cultivators!

Therefore, Chen Ping wanted to have more contact with Yun Li, and then learn more about the temple from the side. He knew that he would inevitably have to fight with the Divine Condor in the future, so he had to know himself and the enemy!

Yun Li was stunned for a moment, then burst into laughter: "Okay! You are quite straightforward! If I lose, I lose. I am not someone who cannot afford to lose. Let's go have a drink!"

The two smiled at each other, and the previous tension instantly disappeared.

Although the world of heaven and man is cruel, there are also many generous people. Although Yun Li lost, he lost with conviction and even had more respect for Chen Ping.

Chen Ping followed Yun Li back to the imperial city of the Xiao Dynasty. At this time, Xiao Yuanshan and the people from the Ten Palaces were in a tense confrontation. The atmosphere was very depressing. Although no one took the initiative to attack, they were all on full alert!

Chapter: 7752

But when they saw Chen Ping coming back with Yun Li, and the two of them talking and laughing, they were all stunned!

"Yun Li..."

Shi Lan hurried forward and checked Yun Li's body!

"Don't worry, I'm fine. Don't be so nervous."

Yun Li smiled slightly and said!

Chen Ping looked at Xiao Yuanshan and said, "Emperor Xiao, relax a little, it's okay..."

Feeling that everyone in the Xiao Dynasty was on high alert, Chen Ping hurriedly persuaded everyone to relax!

“Mr. Chen, this is...”

Xiao Yuanshan didn't understand what was going on!

“We were just chatting just now. Don't be nervous. Emperor Xiao, can you find a quiet place for us? I want to have a drink with Brother Yun.”

Chen Ping said!

When they heard that Chen Ping wanted to drink with Yun Li, everyone was a little confused, but Xiao Yuanshan nodded and said, “Okay, I'll ask someone to arrange it right away!”

Yun Li looked at Shi Lan and said, “We can't go back to the Ten Palaces, but we have to find a place to stay temporarily. I think the Xiao Dynasty is good. Let's stay here for the time being!”

Yun Li didn't care whether Xiao Yuanshan agreed or not, and actually wanted to stay in the Xiao Dynasty!

“I'll listen to you!” Shi Lan smiled slightly. She didn't care. She would listen to Yun Li in everything!

“Brother Chen, is it okay for me to stay in Xiao Dynasty temporarily?”

Yun Li asked Chen Ping!

The Emperor Xiao of the Xiao Dynasty is Xiao Yuanshan, but at this time Yun Li asked Chen Ping questions without asking Xiao Yuanshan's opinion at all. It can be seen that Yun Li did not take Xiao Yuanshan seriously!

"Of course!" Chen Ping nodded, looked at Xiao Yuanshan and said, "Emperor Xiao, please arrange accommodation for them!"

"Understood, Mr. Chen!"

Xiao Yuanshan agreed and immediately made arrangements without showing any displeasure!

He would not have any complaints even if he gave up the position of Emperor Xiao to Chen Ping!

"Go back now. Be more careful in the future. I live in the Xiao Dynasty now. Don't cause trouble for the Xiao Dynasty anymore!"

Yun Li looked at Zuo Tianzheng who had been hiding behind and said!

Chapter: 7753

"Don't worry, Your Highness!" Zuo Tianzheng nodded quickly, then turned around and ran away!

He had been thinking about leaving for a long time, but he didn't dare to leave until Yun Li gave the order!

And there is the Xiao Dynasty. Even if Yun Li didn't live here, Zuo Tianzheng would not dare to cause trouble for the Xiao Dynasty if he had ten times the courage!

Soon, Xiao Yuanshan made all the arrangements, and everyone brought by Yun Li took a rest!

Chen Ping followed Yun Li into the room arranged by Xiao Yuanshan, placed a few pots of spirit wine and some spirit beast meat, and started eating and drinking.

After three rounds of drinking, Yun Li suddenly lowered his voice and said, "Brother Chen, in fact, I came to you this time, in addition to sparring, there is another thing I want to discuss with you."

Chen Ping raised his eyebrows and asked, "Oh? What's the matter?"

"Can you please bypass my father and not kill him..."

Yun Li said to Chen Ping!

Chen Ping was stunned and asked incredulously: "Why would I kill your father? Can I kill your father with my strength?"

"Brother Chen, although you don't seem to be strong enough to threaten my father, I know that you will surpass him sooner or later."

"So I want to ask you, if my father offends you, please spare his life and don't kill him!"

There was pleading in Yun Li's eyes!

"You think so highly of me?" Chen Ping smiled. "It seems that I really have to thank you. However, as long as your father doesn't cause trouble for me, I can't possibly target him. After all, I have no grudges against the Ten Palaces!"

"He will definitely cause trouble for you. I know my father too well. He will never allow a small Mahayana cultivator to challenge his authority."

“If you kill Luo Ta, and my father doesn’t cause trouble for you, he will lose all his prestige in the Ten Palaces. Not only will he cause trouble for you, but he will also continue to send people to kill you!”

Yun Li said without any hesitation!

Chen Ping frowned and said with a little displeasure: “Your father is causing trouble for me and wants to kill me, and you still want me to spare his life? Why don’t you beg your father to spare my life?”

“I also have a little flaw, that is, I won’t offend anyone unless they offend me. If someone offends me, I will kill them...”

“Brother Chen, can’t you give me some face?” Yun Li asked!

“No, I just met you. I’m giving you face by not killing you.”

Chen Ping shook his head!

He and Yun Li could not be considered friends, they were just acquaintances. If they were enemies, how could he give him face!

“Then can I owe you a favor?” Yun Li continued to ask without giving up!

Chapter: 7754

“Your favor is worthless!” Chen Ping said!

Yun Li was silent for a moment. After a moment, Yun Li looked around and confirmed that no one was paying attention. Then he whispered, “I recently got a treasure map. It is said that it is a cave left behind by a great immortal.”

“However, that place is full of dangers. If you are interested, we can join forces and I will give you a share of the treasure. This is my bargaining chip for you.”

“Are you kidding me? Even if an immortal had stayed in this world of heaven and man, it is impossible for him to leave any treasures. Besides, how could such a low-level plane world as the world of heaven and man attract an immortal?” Chen Ping was simply Don’t believe Yun Li’s words!

Yun Li smiled when he heard this, and then said, “Who told you that this Immortal Lord’s cave is in the Heaven Realm?”

“Not in the heavenly realm? Then where is it?” Chen Ping was stunned!

Yun Li pointed his finger towards the sky!

“Heaven? The Immortal Cave you mentioned is in Heaven?” Chen Ping looked at Yun Li in disbelief, then said angrily, “Are you kidding me? At my current level, I don’t even know when I can ascend to Heaven. What’s the point of you telling me this?”

This is just like making empty promises, not knowing whether it can be realized or not. And Yun Li actually brought it up and even wants to share the treasure!

Yun Li looked at Chen Ping and said in surprise: “Why? Don’t you know that it takes more than just ascension to enter the heavenly realm?”

“How can I enter the heaven without ascending?” Chen Ping looked confused, he really didn’t know!

“You really don’t know?” Yun Li stared at Chen Ping!

“Stop talking nonsense, I don’t have time to guess riddles with you!”

Chen Ping was a little anxious!

Seeing that Chen Ping really didn’t know, Yun Li said, “Brother Chen, in addition to ascending to the heavenly realm, there is another way to enter the heavenly realm from the heavenly realm, and that is to climb the ladder to heaven.”

“If you rely on cultivation to achieve ascension, after ascending to the heavens, you will generally start from the fourth heaven, and below the fourth heaven, there are three more heavens!”

“And most of the cultivators in these three realms have been brought here after going through various tests. I don’t know about other worlds, but in the Heavenly Realm, there is a ladder to heaven that appears once every hundred years!”

“No matter what your strength is, as long as you can pass the nine tests of the Heaven Ladder, you can ascend to the Heaven. However, this method of ascending to the Heaven can only take you to the first level of the Heaven!”

Yun Li explained in detail to Chen Ping!

After hearing this, Chen Ping became very excited. It turned out that one could reach the summit of heaven without practicing to the point of ascending!

Then do I have a chance to rely on the Mahayana realm and then climb the ladder to heaven?

However, this ladder to heaven only appears once every hundred years, and Chen Ping doesn’t know if he can catch up!

If it takes decades to wait, Chen Ping would have ascended to heaven long ago through his own practice!

“Then how long will it take for the ladder to heaven to appear?” Chen Ping asked impatiently!

Chapter: 7755

“According to calculations, it should have appeared in the recent period, but the location where it appeared cannot be determined.”

“Every time the ladder appears, there will be blood and gore. Many people want to ascend to heaven by climbing the ladder!”

“Especially for those celestial cultivators who are trapped in the Celestial Realm. They have no other options except to climb the Heavenly Ladder to return to the Heavenly Realm. Otherwise, they can only wait for the Heavenly and Earthly Formation to disappear.”

“So every time the ladder to heaven appears, those celestial cultivators trapped in the celestial world will give it a try.”

“I don’t know how much of what I said, Brother Chen can understand!”

Yun Li didn’t know that Chen Ping had actually known about the Great Array of Heaven and Earth for a long time, and that the strange phenomena in the Great Array of Heaven and Earth were all caused by Chen Ping!

“I understand what you said. In this case, wouldn’t it mean that many people can leave the heavenly world and enter the heavenly world by climbing the ladder?”

Chen Ping said with a frown!

At that time, the Array Pattern Ancestor only told him about breaking the great array of heaven and earth, and did not mention anything about climbing the ladder to heaven!

No one had ever mentioned it to him, including the other celestial monks who were trapped in the celestial world!

Since there is such a shortcut, why not use it?

Even if they can only enter the first level of the heavenly realm, it is better than staying in the realm of heaven and man. In the realm of heaven and man, these heavenly cultivators will be suppressed in their realm and be in a very embarrassing situation!

Seeing Chen Ping say this, Yun Li laughed and said slowly: "If the ladder to heaven is so easy to pass, then there would be no cultivators in the heavenly world."

"With my strength, I could only barely reach the fourth level of the ladder to heaven, and I couldn't stay there for long before I was defeated."

"You know how many monks have fought to their death and couldn't even get close to the edge of the ladder. What you said is too simple."

"You can't even stay at the fourth level?" Chen Ping frowned. Yun Li is now at the peak of the ninth level of the Mahayana realm. His strength is considered very powerful, but with this kind of strength, he can't even stay at the fourth level.

Yun Li said seriously: "Brother Chen, climbing the ladder to heaven is really difficult. It is the guidance of the great road. Not just anyone can do it."

"In addition to the strength required to climb up the ladder to heaven, one must also have a certain amount of talent and the ability to gain sudden enlightenment. The great road of heaven and earth, each level is a unique path. You must know that each path is a world of its own. It is not as simple as you think! "

“When the Heavenly Stairway opens this time, I can take you there to try it out. It will help you improve your strength quickly and train your own enlightenment. But it is also very dangerous. I don’t know how many monks have died on the Heavenly Stairway!”

Chen Ping listened carefully to Yun Li’s words, and was indeed shocked. From this point of view, the so-called guidance should be that the Great Dao of Heaven and Earth is looking for those peerless geniuses in various low-level worlds, and then let them enter the heaven!

People with mediocre talents probably have no chance of success in this life!

“You mean, the Immortal Lord’s Cave is in a certain level of the Ladder to Heaven?”

Chen Ping asked Yun Li!

After all, Yun Li has no ability to enter the heaven now, so it is impossible for him to come and tell me about this with the treasure map of heaven!

Chapter: 7756

Now listening to what Yun Li said, it must be on one of the levels of the ladder to heaven. After all, each level is a world of its own!

Obviously, each of these worlds was opened up by a powerful monk, but they also exist in reality.

Just like this world of heaven and man, it was also opened up by the Wuji Holy Sect. However, this kind of real world cannot be destroyed at will even by its creator, and must abide by the rules of heaven and earth!

“Yes, the Immortal Lord’s Cave is on the fourth level of the Ladder to Heaven, but I can only stay on the fourth level for a short while, so I can’t go looking for it yet.”

“But I believe that when the ladder to heaven appears again, I will be able to stand firmly on the fourth level!”

Yun Li nodded and said!

When Chen Ping heard this, his heart moved. The cave of the great and powerful Immortal Lord is a great opportunity! However, he also knew that such opportunities were often accompanied by huge risks.

“Brother Yun, is this treasure map reliable?” Chen Ping asked cautiously.

“Absolutely reliable! I got this from the relics of an ancient monk. It still has the mark of that great power.”

Yun Li said very confidently!

Chen Ping hesitated for a moment, and finally nodded: “Okay, in that case, I agree to you!”

Seeing Chen Ping’s agreement, Yun Li was very happy, so he said: “You can kill anyone in the Ten Palaces except my father.”

“But my father will definitely continue to send people to kill you, so you have to be prepared.”

“Okay!” Chen Ping nodded. “What are the strengths of your ten palaces? There won’t be many immortal cultivators, right?”

“Of course not. Haven’t you noticed that there are very few immortal cultivators in the world of heaven and man?” Yun Li said!

“Yes, it is rare indeed!”

Chen Ping nodded.

Apart from the two domain masters who were in the Immortal Transformation Realm and the Lord of the Beast City, he basically did not encounter any other cultivators in the Immortal Transformation Realm!

Of course, there is also an old Taoist Wuji, who should also be in the fairyland!

“It is very difficult for a cultivator in the Immortal Realm to improve in this Heavenly Realm. After all, the cultivation resources in the Heavenly Realm are limited, and they are mainly spiritual energy.”

“After reaching the Immortal Realm, you need immortal energy to assist in your cultivation. This is why we in the Ten Palaces need a large amount of immortal spirit stones.”

“Many of these immortal realm cultivators have secluded themselves from the world and devoted themselves to cultivation. Many are also on the ladder to heaven.”

“I have said that each level of the Heavenly Ladder is a world. Many cultivators enter the Heavenly Ladder and practice in a certain world of the Heavenly Ladder. The world inside the Heavenly Ladder is different from the Heavenly Realm. It has various A kind of cultivation resource.”

“But the world inside the ladder is also full of dangers. It is a thousand times more dangerous and cruel than the world of heaven and man. Even after reaching the fourth level, the realm will be suppressed. You can imagine how difficult it is!”

Chapter: 7757

“Every time the Heavenly Staircase disappears, many cultivators choose to stay in the world of the Heavenly Staircase to practice. Of course, there are also many cultivators who are trapped in it and cannot leave.”

Yun Li explained in detail to Chen Ping!

“Brother Yun, each level of the ladder is a world. Does that mean there are many people on each level?”

Chen Ping asked curiously!

After all, once you own a world, human beings will definitely be born!

“Of course, this is the real world, so of course there are humans. Aside from the cultivation resources, it is no different from the Heavenly Realm.”

“But there is one thing you must remember. In the world inside the Heavenly Staircase, every living thing you see will be your enemy.”

“In that world, you will have no friends or relatives. It is so cruel that you need a strong mind to endure it.”

Having said that, Yun Li’s expression changed slightly, as if he remembered something!

“Are all the humans in the world of the Stairway to Heaven emotionless killing machines?”

Chen Ping asked in surprise!

You have to know that the cultivators in the heavenly world are constantly fighting for various resources, which is much more cruel than the secular world.

But when Chen Ping came here, he still made a lot of friends and had many confidantes!

“Of course not. Humans in the world of the Heavenly Ladder also have emotions and desires. They are certainly not emotionless killing machines.”

“It’s just that when we enter the world of the Heavenly Staircase, we are considered aliens, so the only thing we face is being slaughtered.”

“This is also the reason why many celestial beings who stay in the world of the Heavenly Ladder to cultivate face great danger!”

Yun Li said.

Chen Ping was thinking for a moment. He seemed to understand what Yun Li said, and also understood what the world with the ladder to heaven was like!

“Okay, don’t think about it. Wait until the ladder to heaven appears. I’ll take you there once, and then you’ll know everything.”

“I want to ask you one more thing...”

Yun Li looked at Chen Ping who was in deep thought and spoke!

“What else do you want? Even though you told me this, it doesn’t mean I can help you with everything!”

Chen Ping looked at Yun Li and said!

“Don’t worry, this matter won’t embarrass you!” Yun Li said, and took out a dark dagger with runes engraved on it, and handed it to Chen Ping, saying: “Use this dagger to kill me. “... ”

Chapter: 7758

“What?”

Chen Ping was so shocked that he almost jumped up!

He didn’t understand whether Yun Li had taken the wrong medicine. Why did he want him to kill him?

“Don’t be nervous. I’m not asking you to really kill me. I came to find you but didn’t want to fight you because I don’t want to die.”

“I want you to use this dagger to kill a strand of my soul. In this way, my soul lamp in the Ten Palaces will be extinguished.”

“My soul lamp is extinguished, which means I am dead. I don’t need to return to the Ten Palaces anymore.”

“Otherwise, my soul lamp is in the Ten Palaces, and I never go back. I will be regarded as a traitor to the temple. When the law enforcers of the temple show up, even my father won’t be able to protect me.”

Yun Li followed Chen Ping and explained!

When Chen Ping heard this, he instantly understood why the people from the Ten Palaces knew about his killing of Narota and sent Yun Li to find him!

“It’s a bit difficult to kill the soul without damaging your life and condition!”

Chen Ping frowned slightly!

“Of course it’s difficult, otherwise I wouldn’t ask you to do it.”

“But I won’t let you do this in vain. I have a special piece of armor here that has extremely strong defensive power. If you wear it, it will greatly enhance your strength.”

“This is a gift from my father. I have never worn it...”

As Yun Li spoke, he spread out his palm, and a black box appeared and was placed in front of Chen Ping!

“So generous?”

Chen Ping looked at the box in front of him, somewhat unable to believe that Yun Li had given him such a valuable gift!

“Of course, I am very generous to my friends.”

Yunli laughed!

“I don’t want to...” Chen Ping shook his head!

“What? You don’t want to help me?” Yun Li was stunned!

“I can help you, but I don’t want this armor!”

Chen Ping said!

“Are you afraid of owing me a favor?” Yun Li didn’t understand why Chen Ping didn’t want his things!

Chapter: 7759

“That’s not the case. I just think your armor is just so-so and I don’t want it!”

Chen Ping said!

“Just average? Let me tell you, this is...”

Yun Li was about to refute, but he saw golden light flashing around Chen Ping’s body!

Immediately afterwards, pieces of golden scales covered Chen Ping’s entire body, wrapping Chen Ping up like a golden-armored god of war!

Looking at the golden armor on Chen Ping, Yun Li was completely stunned!

“You?” Yun Li opened his mouth in shock.

“My armor is indestructible. How does it compare to yours?”

After Chen Ping finished speaking, he stabbed himself in the chest with the dagger in his hand!

clang!

With a crisp sound, the dagger was directly bounced away, but there was no trace of it on Chen Ping’s indestructible golden body!

“Stop it! Don’t break my dagger again!”

Yun Li was shocked!

His precious sword was broken by Chen Ping. If this dagger is broken too, he will be left without a weapon!

Picking up his dagger, Yun Li said with a little embarrassment: “Your armor is indeed more powerful than mine. I didn’t expect you to have so many treasures on you.”

“It would be great if I could beat you. I could just kill you and all these treasures would be mine!”

After Yun Li finished speaking, he handed the dagger in his hand to Chen Ping again!

Chen Ping held the dagger and smiled faintly, “You actually said something like this at this time, aren’t you afraid that I will kill you directly?”

“You won’t...”

Yun Li smiled, and then a faint white mist emerged above his head!

This is Yun Li's soul leaving his body!

Chen Ping swung the dagger in his hand instantly, and the runes on the dagger flashed with light. Yun Li's soul was directly cut off and slowly disappeared!

Yun Li's face turned pale, and his breath became noticeably weaker, but he still had a smile on his face!

"Thank you....."

Yun Li followed Chen Ping to express his gratitude!

"Yunli, Yunli..." Shi Lan suddenly broke into the room and ran towards Yunli with a nervous look!

She could feel Yun Li's soul disappearing!

When Shi Lan saw Yun Li's face turn pale and his breath weakened, he looked towards Chen Ping with obvious hostility!

"Brother Yun, I won't bother you anymore..."

Chen Ping stood up and walked out!

Shi Lan wanted to stop Chen Ping and ask for clarification, but was stopped by Yun Li!

“I asked Brother Chen to cut off a strand of my soul, so that my soul lamp would be extinguished. We wouldn’t have to go back to the Ten Palaces, and the temple wouldn’t send law enforcers.”

Yun Li said with a smile!

“You are so bold. You dare to hand over your soul to a stranger to be killed. If he has evil intentions, won’t you be dead?”

Shi Lan said with some complaints!

“Don’t worry, if he had killed me, I wouldn’t have bothered to see you again.”

“Now, we can be together forever, and no one will ever separate us.”

Yun Li hugged Shi Lan, and then pressed Shi Lan under him!

Chapter: 7760

.....

Ten Palaces!

In a dim and mysterious secret room, the flickering candlelight illuminates the hundreds of soul lamps densely packed around. Each lamp represents the life flame of an important member of the Ten Courts of Hell.

The Tenth Palace Master, this majestic and deep ruler, was standing alone in this secret room. His eyes were as sharp as an eagle’s, fixed tightly on one of the soul lamps – that was Yun Li’s soul lamp.

Yun Li has shown extraordinary talent and wisdom since childhood, but because of an unexpected encounter, he fell in love with a woman from the outside world. This violated the strict rules of the Protoss and made Yun Li bear the blame of treason. Charge.

But for the sake of his son's happiness, the Lord of the Ten Palaces asked Yun Li to leave the Ten Palaces with his entourage in the name of carrying out a mission. In fact, he hoped that Yun Li could run away with his beloved and live an ordinary and happy life from then on.

However, at this moment, the Tenth Palace Master's heart was beating like a drum, and his eyes were full of anxiety and uneasiness.

He knew that Yun Li's soul lamp was still in the Ten Palaces. Although Yun Li had left, the soul lamp was still there. If Yun Li never came back, the temple would definitely know!

By then, Yun Li will be identified as a defector and law enforcers will be sent to hunt him down. If the law enforcers really appear, the Tenth Palace Master knows that he has no right to stop or interfere!

So he thought about moving Yun Li's soul lamp away, or extinguishing Yun Li's soul lamp!

In this way, the temple will not notice this matter!

But just when the Tenth Palace Master was staring at Yun Li's soul lamp, Yun Li's soul lamp suddenly jumped twice, and then went out without any warning!

When the Tenth Palace Master saw the extinguished Soul Lamp, his eyes suddenly widened!

He couldn't believe that Yun Li was dead, his own son was dead!

He asked Yun Li to find Chen Ping, but it was just an excuse, an excuse to make Yun Li leave the Ten Courts!

As long as he leaves the Ten Palaces, Yun Li can run away with the woman he loves!

This is also the reason why the Tenth Palace Lord asked Yun Li to take his followers away as well!

But now, Yun Li's soul lamp was extinguished.

"Could it be that this silly kid really went to look for Chen Ping?"

The body of the Tenth Palace Lord was trembling slightly!

After a while, the Tenth Palace Master finally calmed down his inner turmoil. He took a deep breath and slowly walked out of the secret room. Each step seemed unusually heavy.

When he arrived at the hall, he found a man in a black robe standing there quietly. The beast pattern painted on the black robe looked particularly ferocious in the weak light, and the man's face was as pale as paper, with his eye sockets bulging. Deep in the depths, as if just returned from hell.

"Palace Master, Yun Li fell in love with a woman from the outside world, which violated the rules of our God Clan. He is guilty. How can you let him leave the Ten Palaces?"

The man questioned the Ten Palace Masters!
